

KEWEENAW CLUB.

Copper Range Historical Society

Houghton, Mich., Dec 7 1893

My dear wife:

Since my return on Monday night I have been buried in work and have not yet mastered all of it that had accumulated during my absence. To-night I have finished my Nov. 9^c which will go to Lansing to-morrow morning, if I can succeed in finding two men early enough to get their signatures. In order to get in all my expenditures before Jan. 1st I shall have to "fly around." My stay in Detroit was quite pleasant, and I saw a number of old Lake Superior residents, whom I hoped to interest in the welfare of the Society.

Your's of Sunday came last night. It contained the first intimation I have had that "Bright-Eyes" is obstreperous, and I shall have to cease calling her the "Cherub," I fear.

From your previous note, I was in doubt whether you had been able to secure for me a loan of \$500., or whether it was for yourself. Please let me know as soon as possible.

Excuse these few lines. In a day or two I hope to have time for a longer letter. Love to "Grandpa" and all the little ones, and much for yourself.

Affec. y

Lucius.
