W. P. Healy,
General Counsel

P. B. Kirkwood, Esq.,
Negaunee

Dear Sir:

I cannot get your case into the present term, as it will expire in 10 or 12 days, and it takes quite a while to quit title to land. When I am next in Negaunee I will consult you about it.

Mrs. Rasmussen swore very strong against Lintz and the doctor proved very severe injuries on the hand and a broken finger, and two month's illness. As to Gything's bad character we could not prove it, because bad character should not be excessively beaten.

I think that I cannot do any more in that case. The evidence is decidedly against us and there was a very fair jury.

Yours truly,

W. P. Healy
