Champion - The new lunch room at the union depot is under the management of M. C. Bellhumer, the well known caterer, assisted by Miss Kate Mullins. The old place became too small and the railroad companies were obliged to enlarge and now they have one of the best lunch rooms on the peninsula. Every delicacy of the season can be had and at a very short notice. Seventy-five people can be accommodated with as good a meal as can be had in any first class hotel in the country, Mr. Bellhumer provides only the best.
