Negaunee.- It has been arranged so that a special train will leave here for Ishpeming next Wednesday at 11:20 a. m. Although the celebration will occur on Monday, Tuesday and Wednesday, the outside orders will be arriving the first days, and the grand time will be on Wednesday, when the competitive drill and other contests take place. There will be ball playing the whole three days. All members of the A. O. U. W. and Select Knights are requested to meet at the hall at 10 o'clock, so that the lodge may go to Ishpeming in a body.

The fare for the round trip to Ishpeming during the AOUW celebration will be 60¢ instead of 30¢ as yesterday's issue had it.
