It is said that Senator McMillan finds his senatorial duties incompatible with the onerous labors of railroad management. It is claimed that he will preemptorily refuse a re-election to the presidency of the DSS&A at the meeting of stockholders to be held July 17. It is also expected that he will retire from any active part in the management of the MH&O, M&W and the International Bridge Co., enterprises, auxiliary to the DSS&A. General Thomas, a director of the road, is mentioned as the Senators successor.
