The MStP&SSM and DSS&A both announce that they will sell tickets at fare one way for the round trip between all points on their lines, and mutually between all points on both lines. These holiday rates are for Xmas and New Years, and will be sold December 24, 25 and 31 and January 1, and will be good for return up to and including January 5. These cheap rates are very convenient for parties desiring to visit friends at points upon these lines, and will no doubt be extensively made use of.
