Saturday

Schlessinger Group:- . . . The mines composing the group are Queen, Prince of Wales, Buffalo and South Buffalo. They occupy the center of an estate of 160 acres, described as the W $\frac{1}{2}$ of the SE $\frac{1}{4}$ and E $\frac{1}{2}$ of SW $\frac{1}{4}$ Sec. 5 T47N R26W. . . . The M&W division of the DSS&A crosses diagonally the north half of the estate. The main line of the C&NW is a quarter of a mile south, and connects the locations with a spur.
