Reninsulan

I was greatly impressed with the quote given me by the staff of the Peninsulan which reads as follows: "When mellowed by experience these men and women (seniors) will be a traditionally fine representation of Northern Michigan College. Education, truly, is a continuous process."

The wisdom of these words has been recognized by our two great thinkers of antiquity, Plato and Aristotle.

The Republic of Plato outlines the ideal education of the best men to govern the ideal state. The course of study is as follows. Listen to its time schedule. From the beginning until the student is twenty, the curriculum is confined to music and gymnastics. Between the ages of twenty and thirty there occurs the training in the liberal arts, particularly the arts of mathematics and music, and in the basic arts of grammar, rhetoric, and logic. Then, at the age of thirty, the young person goes out into the world. He returns to the academy at thirty-five, for the study of philosophy, or the contemplation of ideas. This continues to the age of fifty, when his formal education is completed.

This is a time schedule which recognizes how slowly the process of education takes place.

Yes, the theme of this yearbook is most appropriate. Education is a continuing process.

Delta Sigma Nu was founded on March 17, 1923. Their program is planned in accordance with their motto, "Duty, service and nobility."

The Delta's opened the school year by sponsoring the first back-to-school dance. Homecoming was also a very busy time, for they decorated the foyer, wrote and presented a skit and entered a float in the Homecoming parade.

Winter activities of the Deltas included a Christmas dinner-dance, a caroling party and the Delta Birthday Tea. Their contribution to the community included the presentation of Christmas programs at the Marquette Rest Home and Morgan Heights Sanitorium.

Both spring and fall finds the Deltas busy with rushing and pledging. The Mothers' Day Tea, a spring dinner dance and a camp party are their main spring activities. They close the year by sponsoring the All-College picnic.

Beta Omega Tau was organized on April 13, 1923, and has since stood for the "Bond of Truth." With the torch as their symbol, and the colors navy blue and white as their guide, they devote themselves to the encouragement and organization of social activities.

The bond of sisterhood is strengthened early in the season as the Betas join in Homecoming activities. Each year they decorate the Union, present a comical skit, and enter a float in the Homecoming Parade. Other social activities of the Betas during the first semester include: The Beta Bunyon Ball, a Christmas party, a formal dinner dance, and a pot luck supper. Their membership in the Pep Club should not be overlooked as school spirit and fun is always found in this group participation.

The beginning of the second semester found the Betas busy with a yearly task—the rushing and pledging of new members. With the help of their new members, the Betas continued their social activities, which included a party put on by the new members, a party for the Orphanage children, a Mothers' Day Tea and their yearly pasty picnic for the graduating Seniors.

The principal aim of the Cegmer Seg Sorority has always been the promotion of sisterhood among Northern women. The Segs have been on campus since April of 1923.

Cegmer Seg opened the year with a pasty picnic. They were very active in the Homecoming activities; they presented a skit and also entered a float in the Homecoming parade. After rushing and pledging, initiation of the new members was held in connection with their Christmas party. The Segs also sponsored an all-school dance and celebrated their birthday.

Spring found them busy with rushing and pledging. They joined the Gammas in sponsoring a dinner dance. They presented a Mother's Day Tea and closed the year with a tea for their parents.

Gamma Phi Alpha was organized on December 14, 1927 with this purpose: "To be loyal and true to our friends, and to our college; to maintain a good scholastic record; and to be able to adapt ourselves readily, and in the proper way, to any social function."

During the first semester, the Gammas took an active part in college and community life. During Homecoming, they decorated the library entrance, presented a skit and entered a float in the parade. Other events on their calendar included the Gamma all-college Penny Carnival, dressing dolls for the Women's Club and joining the Segs for a dance. They celebrated their birthday with a Christmas brunch, sponsored by their patronesses, Mrs. Luther Gant and Mrs. Don Zwemer.

The second semester found the Gammas busy with rushing, a spring dinner-dance, a Parents' Day Tea, and their annual picnic. During the summer, they will hold a pasty picnic for all present and pasts Gammas.

The dramatic club at Northern, known as the Masquers, is composed of Northern students who are interested in all aspects of drama and theater. This group, with the help of the entire speech department, presented two major productions this year, and they also participated in theater in the round which consisted of several, student directed, one act plays. Although Masquers is not primarily a social organization, its members find plenty of time for fun.

Our Town

Rehearsal Instructions

Preparation for Thornton Wilder's "Our Town" took many hours of hard work. Technical difficulties, line memorization, and make-up and costuming all demanded serious concentration on the part of Northern's drama students.

Pat Vazina and Bill Bordeau have the right idea.

Mr. Rapport shows us how it's done.

Young Love and Its Problems

The Puppeteer

On opening night, Stage Manager Carl Norberg narrated the story of the people in Grover's Corners, New Hampshire. The success of that night and of the other two exciting and fun filled nights of actual production was ample reward for the work which had been put into the play.

The Wedding Day

My Three Angels

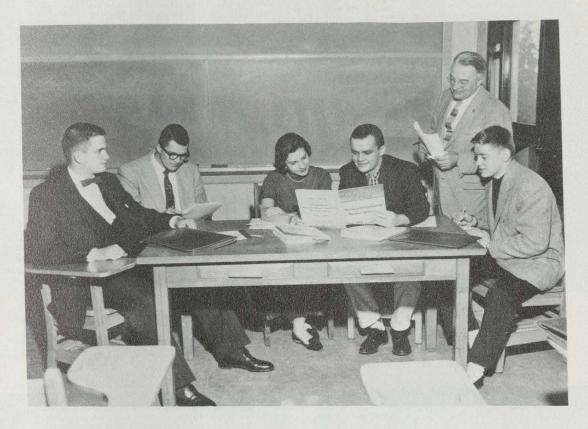

The Three Angels

The second of Northern's major productions this year was Albert Husson's 3-act play "My Three Angels." It is the story of three lovable convicts who amuse and confuse the Ducotel family by invading their home and plotting the murder of one of their relatives. Romance and fun with murder added for spice made this comedy one of Northern's best productions.

Resolved: that the further development of nuclear weapons should be prohibited by International agreement.

This was the topic which the members of Northern's Intercollegiate Debate Team debated for the 1958-59 season. The team traveled to Evanston, Illinois, Eau Clair, Wisconsin, and Madison, Wisconsin, and ended the season with a superior 13-4 record.

Music Department Faculty

Here's a sight all music students will remember. MISS RUTH CRAIG is acquainting her theory class with the evils of fifths and octaves.

It looks as if DR. HAROLD WRIGHT is contemplating a "tremenjus" Form assignment.

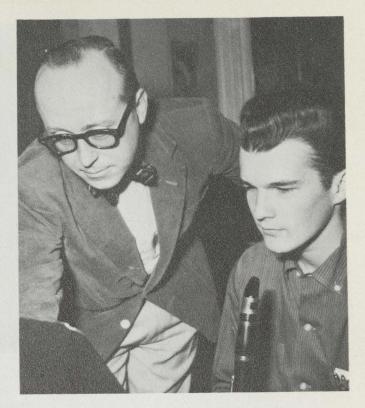

Ann Feverston takes "slushpump" lessons from MR. LORIN RICHT-MEYER.

MRS. MARGARET PETTEE bones up for her work with the student teachers in J. D. Pierce.

Jim Keranen's clarinet lesson looks like a serious matter to DR. EDWIN AVRIL.

The genial head of the music department, DR. ALLAN NIEMI, in an informal conference with President Harden.

MR. T. RAY UHLINGER asks his conducting class to transcribe a piccolo solo for sousaphone.

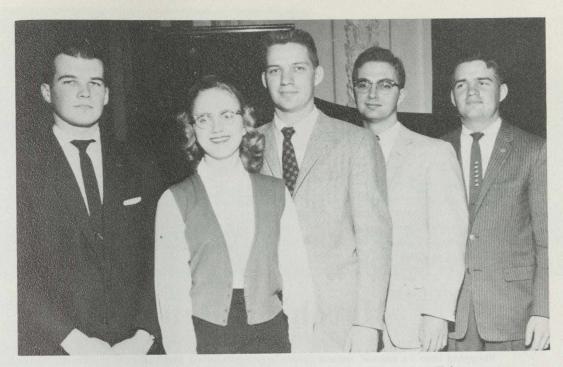

MRS. NORMAN MATTHEWS gives piano and organ lessons.

Marching Band

Stepping into its second season under the direction of Mr. Lorin Richtmeyer, Northern's marching band gave lively half-time shows at all the home football games. They also combined with the Michigan Tech band for the game in Houghton. At the front of the band was Bob Hampton in his first year as drum major. Rehearsals began with a three-day session before school and continued daily until the close of the season.

In an attempt to bring something new and different to the fans at each game the band gave shows on such varied themes as "The History of Transportation" and "The Saga of Little Red." Dance routines and special steps added to the effectiveness of the high-stepping group.

The same unit added music and color to basketball games as a pep band.

BILL SAARI, STUART VA-LENTE and BOB HAMPTON are engrossed in a mutual admiration session. The band was completely outfitted this fall in green uniforms with gold accessories. These accessories are removable for concert work after football season. The concert band, under the direction of T. Ray Uhlinger, is made up of musicians selected from the larger marching band.

CAB WHITMORE, MARY MILLER, DAVE HOLLI, BOB SCHILTZ, SHIRLEY CARLSON, DALE HEIKKINEN and SHIRLEY WALES constitute the backbone of the marching band—the percussion section.

Dance Band

The dance band, under the direction of Ron Caviani this year, played for some college dances and also presented a student assembly.

Mr. Uhlinger leads the Collegiate Chorale in the traditional singing of "The Night Before Christmas" at the Christmas Foyer Party. Remember the changes made in that standard this year?

The Brass Ensemble and Mr. Richtmeyer play for Santa Claus at the same event.

College Choir

Row I: Mr. Uhlinger, Donna Gardiner, Lois Toy, Mary Miller, Carolyn U'Ren, Else Haglund, Shirley Carlson, Betsy Miller, Jane Boucher, Suzanne Uhlinger, Connie Schwemin. Row II: Carol Shultz, Miriam Rundman, Corinne Abraham, Marilyn Manty, Margaret Erm, Karen Westrich, Loryce Olsen, Diane Rowledge, Eunice Freeman, Evelyn Friberg, Clara Lang. Row III: Sue Heinz, Marsha Jackson, Jim Mateofsky, Dale Heikenen, Wayne LeGreve, Dick Bauer, Davis Bodine, John Lehto, Donna Moilanen, Brenda Beck. Row IV: Douglas Lawson, Ron Bently, Keith Lawson, Don Brown, Bob Setterlind, Ted Anderson, Mike Frang, Bob Norden, Dale Teinert, Stuart Valente, Don Beckman. Row V: Dave Hayfield, John Anderson, Bob Shiltz, Jerry Pieti, Bob Hansen, Calvin Whitmore, Brian Hines, Charles Belanger, Arthur Johnson, Jim Keranen and August Caruso.

The main portion of the choir's contribution to the Christmas Concert was "The Sleepers Wake" by J. S. Bach. The Northern-Community Symphony Orchestra provided the instrumental accompaniment.

On April 16th the College Choir and orchestra again combined to perform Mendelssohn's oratorio, "The Elijah." The school and community supplied the soloists.

Mr. Richtmeyer and the band in full uniform, played for all the home basketball games in the new fieldhouse.

Helen Windus and Pat Mahlberg rehearse for their Senior Recital which they presented in January.

Crooner Bob Pedo belts out "Volare" at the Klef Club Assembly.

Northern-Community Orchestra

Have a good weekend, folks!

The Northern - Community Symphony Orchestra represents one aspect of good college-community relationships. Interested musicians from the community and the surrounding area rehearse weekly in the Music Department with the college musicians.

This organization took part in the annual Christmas Concert, accompanying the College Choir and playing two selections. They appeared again with the College Choir in April when the oratorio "Elijah" was performed.

Dr. Allan Niemi is the director.

Concert

The Northern Concert Band presented its annual home concert in Kaye Hall Auditorium on March 11th.

The concert band has in past years traveled throughout the penninsula presenting programs in many schools since its organization. This year, lack of funds confined their activities to Marquette. Mr. T. Ray Uhlinger has been the conductor of the band since 1947. Guest conductors for this years concert included Dr. Edwin Avril and Mr. Loren Richtmeyer, director of the marching band.

Band

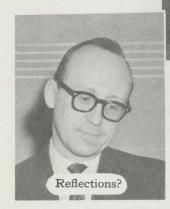

The first public performance of "Pavanne for Band" by Dr. Avril was conducted by the composer. Other composers whose works were presented were: Bach, Bakaleinikoff, Guilmant, Wagner, Colby, Grainger, William Schuman, Dai-Kong Lee, Paul LaValle and John Philip Sousa. Some of the numbers were transcribed for band by Mr. Uhlinger.

Musicians in the band represent 27 Michigan and Wisconsin communities.

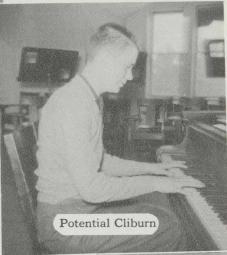

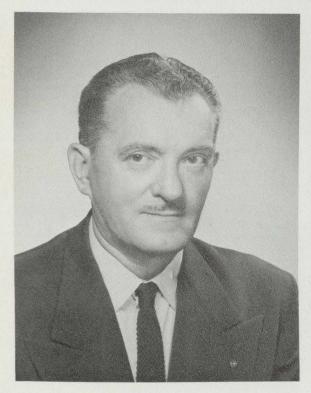

A sound body

..... ruled by a sane mind makes a complete person—through curricular, varsity, and intramural programs Northern strives to comply with this principle.

And The Crowd Roared

What is more fun than a lovely afternoon at Memorial Field where Northern is on the favorable side of the score?

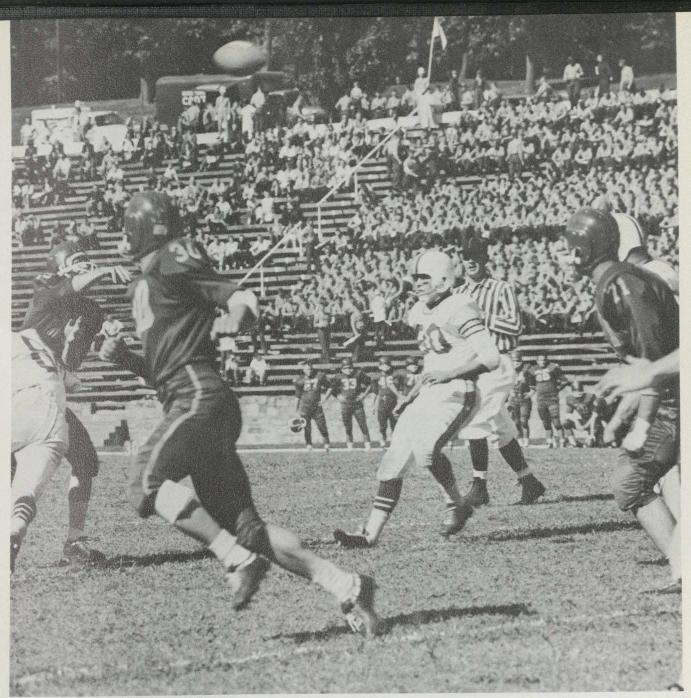

"Here on the lawn of the Nation's Capitol we stand. If only Mr. Georgevich could see us now!"

Northern Michigan College football has a bright future scheduled. Playing top flight competition, Northern proved themselves able and have given warning of things to come.

Manifest Destiny

Classy

Basketball, in Northern's new field-house, was viewed by thousands of spectators. Not only was the field-house pleasing to the eye, but so were the Wildcats chalking up one of their finest season records.

The opening tip-off viewed from the balcony of the fieldhouse. As one can readily see, the referee is hamming it up.

Flashy

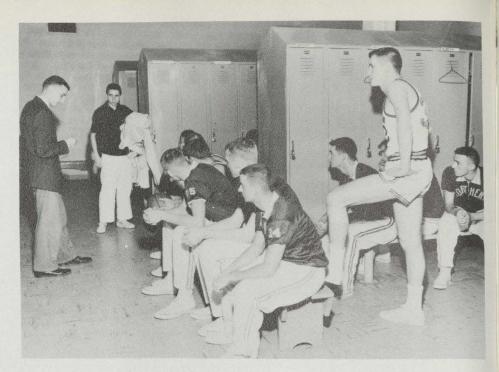

Northern's Finest Hour

Five thousand people flocked to the field house to see Wheaton play basketball; five thousand people left the fieldhouse talking about how Northern could play basketball.

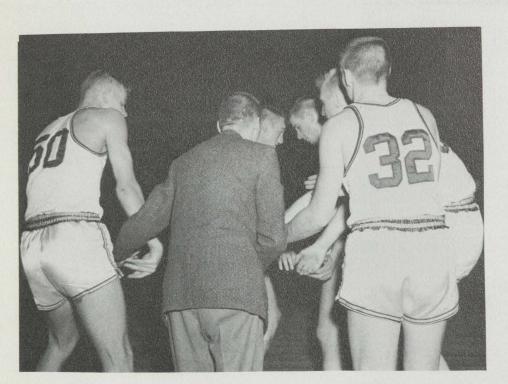

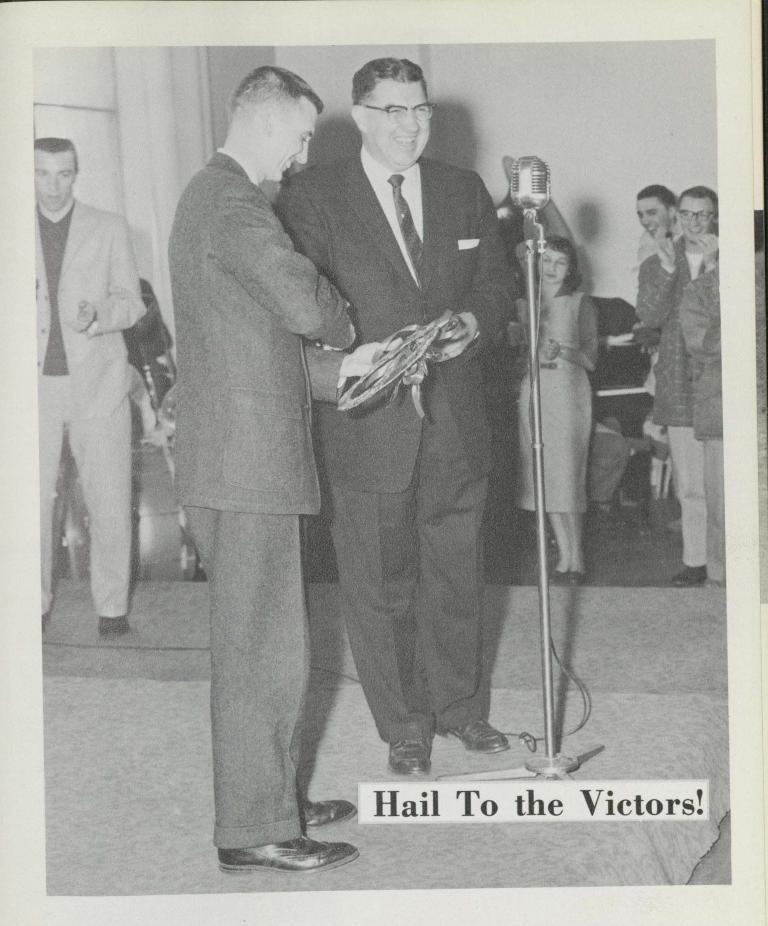

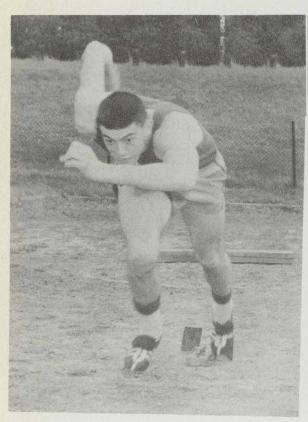

Before the games Coach Albeck briefs the boys. Of course, he uses lecture notes.

What's the Master Plan, Coach?

During a time out, the Wildcats huddle to decide if the opposing team is doing what it's supposed to do.
