

April 28, 1982

The Marquette County Committee of the Whole met on April 28, 1982 at 9:00 p.m..

The meeting was called to order by Chairperson Racine, roll was taken by the County Clerk and the following roll recorded.

Present: Comm. Carlson, Farrell, Juidici, LaMere, LaPin, Leone, Lowe, May, Steele, Villeneuve and Racine.

Absent: Comm. Cheatham.

Chairperson Racine opened the meeting for public comment, none was forthcoming and Chairperson Racine ordered the public comment section closed.

Approval of the agenda was by the general concensus of the county board.

Comm. Lowe gave a short report and stated that the Intergovernmental Relations Committee had not taken any action on Solid Waste Management at this time. Ron Koshorek has kept the Intergovernmental Relations Committee current with the project and they are waiting for a plan to be submitted to the county board. Comm. LaPin stated that it is his understanding that the Solid Waste Management Plan is ready for presentation to the county board.

Chairperson Racine opened the meeting for public comment. Mr. Robert Meyers of Chocolay Township was present and spoke of the problems that may be encountered, if the land fill is placed in Sands Township, with the drinking water for both Sands and Chocolay Townships. He stated that the ground water flow from the proposed sites is in the general direction of Sands and Chocolay Townships. Perculation tests do not meet state standards and Sands Township did voice an objection to the Planning Committee but was voted down. Mr. Meyers, speaking as an individual, felt that if the county goes along with the plan, then the county should supply funds for an Engineering Study and also provide leaching basins for the site.

There being no further business to come before the county board, it was moved by Comm. Farrell, supported by Comm. May and carried that the meeting be adjourned.

Respectfully submitted,

Henry A. Skewis, County Clerk
