F. F. BAYARD, Secretary of State. THE COMMERCIAL COMMISSION.

The commission appointed to visit Central and South America, in the interest of commerce between those countries and the United States, has made reports on its visit to Ecuador, Venezuela, and Guatemala. No report on the visit to Brazil and the Argentine republic has been submitted, and none will be made. The early returns of the commission to duction in the duty on kerosene.

THE WHITE HOUSE. The White House is now closed to vistors, and will not be re-opened till the president's return in September. In the neantine, the building will be overhauled and made as clean and comfortable as pos-sible, and several improvements in the in-ternal arrangements will be made. The clerical force will remain on duty during the summer. Assistant private secretary Pruden is in charge. The president will always be within telegraphic communica-tion with the White House, and will in that way attend to matters requiring action on his part.

MANNING'S DEPARTMENT. It is said at the treasury department that there will be no changes of any con-sequence in that department during sec-retary Manning absence. He is reported to have left instructions in regard to fill-ing vacancies, including one or two chiefs of divisions, and making a few minor appointments, but nothing beyond that. A report that supervising architect Bell is suspended is contradicted on good authority. The candidates for his place have

AN ENTERTAINING LECTURE.

To Be Delivered by Mr. Naomi Tamura at the Presbyterian Church Friday Evening.

Mr. Naomi Tamura, of Tokio, Japan will lecture on his native land on Friday evening, instead of Thursday, as was announced Sunday. The lecture will take place in the Presbyterian church.

For three years Mr. Tamura was pastor of a church in the city of Tokio. He then obtained leave of absence and came to this country to gain a higher education, and in May last graduated from the Auburn, N. Y., theological seminary. He spent last nmer lecturing in the east, and will devote this season to the west.

Mr. Tamura is an earnest, enthusiastiyoung man, and his lecture will be well worth the hearing. No admission fee will be charged, but a collection will be taken up to aid him in obtaining his education, Ishpeming. and thus fitting himself for greater useful-

Another view is the one that the Manistique, where four million feet will be whale is supplied with bateen or whale- cut. The manager of this company is of the hand fire-extinguishers superior to the Clifton house-Sunday: A. J. Sullivan, bone, an article which is said to Mr. F. Bennie, of Seney. be in common use among the women of Chicago and Detroit. The chief drawback to this theory is that neither the Garden City nor the City of the Straits has any families by the name of Batanida, Physeterida or Catodontida. Or, if either has, neither has mentioned the fact. This silence, however, might be explained as resulting from the well known modesty of the villages named, as neither of them was ever guilty of bragging of the special attractions they respectively possess. As may be surmistion, the reporter concluded where he be gotten out. This company also is imbegan, viz.: that the whale is one of those river, at a cost of about one thousand dolwill not do to stake your money on. All lars. It also will get out between twelve Houghton, with the M., H. & O. train, so as bets are, consequently, declared off.

Yesterday afternoon about five o'clock an ore car which, unknown to the men on it, was provided only with a useless brake, was attached, for the purpose of letting it run down the grade, from near the old M. H. & O. depot to the merchandise dock. The yard master, Mr. John Kemp, and Mr. Donavan, a brakeman, were on that way down the time. Before the car had gone half way down the hill, it was gradent as a few forms and any down the hill, it was gradent as a few forms and any down the hill, it was gradent as a few forms and other day, when a number of fair creatures prevailed on him to join a party of young ladies and gentlement of join a party of young ladie was uncoupled from the train to which it resentative had scarcely set foot on tracted the attention of Mr. Florence Mcthe further end of the pler.
