It is could not have employed it as a mail carrier every detail of the postal service of the coun- ulus to enterprise could have resulted; since, upon the sea during the year, the department could not have employed it as a mail carrier in a single manner, the whole bounty having been pre-engaged to the long-established that had prevented her from sleeping more or that had prevented her fr winter to enable them to supply the demand sentation in full in these columns. The folines." He adds: During the year on which he was called

It will also be observed that the appropria-tion is for but one year, and the power of making such contracts limited to this appro-What a pity 'tis that the consumers' kept underrating their necessities so persistently during the summer! They kept telling the ore miners that but a limited demand for iron ore existed; that production was sure to be in extense of their requirements; and they less than the consumers of the public service. During the past two years a cash surplus of nearly \$2,000,000 to get the company, upon such circumstants and they have arbitrarily present head. The summary of the year ending June 30th, 1885, the department has been presided over by Hon. W. Q. Grosbam, Hon.

Frahk Hatton and its present head. The summary of the year ending June 30th, 1885, the department during the making such contracts limited to this appropriation of a summary of the year ending June 30th, 1885, the department are would have served but the temporary purpose of dividing the particular sum and threatened much future difficulty. But one other course of procedure by which to expend the appropriation has suggested itself as affect of the public service. During the past two years a cash surplus of nearly \$2,000,000 to get the public service. The department missing such contracts limited to this appropriation only. To have instituted such a system would have served but the temporary purpose of dividing the particular sum and threatened much future difficulty. But one other course of procedure by which to expend the appropriation have served but the temporary purpose of dividing the particular sum and threatened much future difficulty. But one other course of procedure by which to expend the appropriation have served but the temporary purpose of dividing the particular sum and threatened much future difficulty. But one other course of procedure by which to expend the appropriation have served but the temporary purpose of dividing the particular sum and threatened much future difficulty. But one other course of procedure by which to expend the appropriation has suggested itself as affect of the public service. During the past the particular sum an siderable order unless persuaded to it by a liberal concession. Now they are inclined to blame the producers for realized during the two values of cost; or, reckoning the amounts also credited to the Pacific railtonal for and, by advertising accordingly, have made contracts to disburse the authorized companies for mail transportation, the difference in the pecuniary results of the service was of \$100.000, or less, according to its own views of justice. Such a method would have encountered other practical difficulties serious character.

OPPOSED TO BOUNTIES Mr. Vilas accompanies his report with tabu the price of ore down they have caused the expenditures, nearly half a million of lated statements showing the business done a limitation of output that bids fair to which went to the Pacific road. The decrease by each American steamship line for the is accounted for by the diminishing result to postal service during the past year, and defeat their selfish purpose. Serves 'em the revenue of the two-cent postage, while reaches the general conclusion that unless the increase is generally explained by a special circumstances call for greater comlargely extended service. Mr. Vilas, after pensation, the ordinary rate of sea postag stating these facts, still believes the service allowed foreign vessels handling our mails is will become self-sustaining again. He ar- sufficiently remunerative to command the transmission to congress, secretary of gues that the revenues have been seriously service without the aid of a bounty. Weather very cold, eighteen below sero was the temperature Monday morning, as given by a reliable therometer.

Chas. L. Sheldon's boot and shee adv. in another column should be read by those who believe in practicing economy when purchasing holiday goods.

When looking for holiday goods, just inspect the advertising columns of the DAILY MINING JOURNAL. All the procressive merchants in the city advertise in this paper.

The notice of dissolution of the partnership hitherto existing between Fred C. Glocke and Frank Loranz is published in another column. Mr. Loranz, who has MARSELL & CO., successfuly conducted the business past six months, will continue it. successfuly conducted the business for the

The lamentable shortness of the Isheming and Negaunee departments in this ssue is caused by the attendance of the reporter at the Notton-Newett libel suit vesterday. It was compulsory-not just for the fun of the thing, as might perhaps

Manager R. D. Stevens, of the Casino ink at Marquette, on his visit here Wednesday evening, Dec. 2nd, extended cordial invitation to all Ishpeming maskers to attend the Marquette carnival tonight, free of charge. The invitation should be accepted by a creditable delegation of Ishpeming people.

In his adress to the jury in the Notton-Newett libel case, Mr. E. E. Osborn ad-

livision of the Chicago & Northwestern railway Saturday night, by which Dick Valentine lost his life. He was passing over the tops of the freight cars on his C. train, when the heavy wind which prevailed blew him between the cars, and he was cut and mangled in a most horrible manner, his death resulting instantly. Valentine, with nine other C. & N. W. employes of this division, left Escanabi Nov. 18th, to take positions for the winter on the Iowa division of the same road, and he had been gone scarcely two weeks when he was killed in the manner above

No man on this division of the Northwestern had more friends. He was a trank noble hearted young man, whose death will be sincerely mourned by all who knew him.

Japanese Tea Party. There will be a Japanese tea party at Austin's hall to-night, under direction of the young ladies of the Presbyterian as to what a Japanese tea party really is. To all such, as well as to all others, a cordial invitation is extended to be pres-

ent without fail. There will be music and singing, and tancy articles for sale. Japanese fancy goods (just the things for fine Christmas presents) will be purchasable "cheap for Why not make yourfelf a nice Christmas presents) will be purchasable cheap for cash," and for those who are hungry, Chas. Thoren, would be about as substantial and pleasing a present of the kind as you could make yourself.

Neatly Done.

The largest stock in the city, and cheapest fur niture store on the peninsula. both young and old, to come and bring along their friends. The party is to be held at Austin's hall this evening, and don't

Ishpeming Obtains Recognition. Dan McVichle received a telegram Sunday from Jno. B. Molony, of Detroit, collector of internal revenue, instructing him to report at Detroit immediately for duty. Mr. McVichie left on the first train, and has doubtless before now received his commission as deputy collector for the upper peninsula.

Dan's many friends here, of both pol itical parties, unite in congratulating him on his accession to this important office. Grand Opening

The grand opening of Mennie & Son's ice rink, on Cleveland avenue, will take Quality is of the Best. place Friday evening. The rink is now the largest in the state, having a surface The largest line of cloths, domestic 50 feet by 230, extending from Cleveland avenue to Bank street.

It will be lighted with one thousand wax candles on the opening evening, and unless all the indications are at fault, the opening will be an event of which the Messrs. Mennie may well be proud.
