mittee to inquire as to the alleged organ-

THE NEW CONSTITUTION Michigan had previously. Mr. Butler inquired whether Mr. Harrison would sustain an action by the territory of Utah similar to the recent action of Dakota. Mr. Harrison replied that he would, but reserved to congress the power to approve or disapprove their constitution, and that power was recognized and admitted by Dakota. Mr. McMillan said that Minnetake their seats immediately on the pass- house would debate the matter went over till to-mor-

accorded by the constitution to congress.

devolve on the second vice-president, who shall be voted for in distinct ballot at the same time and like manner and for the would allow to go with the proposition of the gentleman from South Carolina. Mr. Tucker, of Virginia, saw no reason why the measures should have any precedence, and he objected to their introduction.

THE RULES DISCUSSED. The subject of the rules then came up for discussion. Mr. Morrison, of Illinois, stated that he would try to close the general debate at 4 P. M. to-day. Mr. Kelly, of Pennsylvania, said long experience had taught them that no rule the majority could adopt could be worse than those it was proposed to amend. Legislation ought to be the result of deliberation. The deliberation of the house was not the result of distribution, the business being transacted by a very few men. The mass what had been done after it had been ac-
