PERSONAL.

Ommission

They Have the Contract.

Wahiman & Grip were apprised Thursday afternoon by a telegram from Marquette that the contract for building the new branch prison had been awarded to them. The fact that they bid in opposition to nine other firms, and that their bid was nearly \$90,000 lower than the highest one put in, shows that they did some very careful figuring and do not propose making the state pay them an exorbitant price for the work.

The firm now has under contract several hundred thousand dollars worth of work for this and the coming season, and

Largest and Best in the World work for this and the coming season, and was sent out a poorer, if not less fifthy will give employment to a small army of female.

lished in the Chicago Tribune, Detroit Evening Journal and other papers, state that the new road to be built from Mar-As for prices they are very low. Call and see the miles—this would be a new departure in railroading. Whether it will be a cable "grip" line; an extension of the Chicago & Northwestern, or any other kind of Son. railroad, it seems to be pretty generally agreed on among those who should know that it is surely to be built, and that is the principal thing so far as Ishpeming is good wages. Apply to Grand opening of spring and summer good at Marsell & Co.'s to-day. A great run is be ing made on the new stock. Five thousant was the principal thing so far as Ishpeming is
