The Republican ticket was elected straight with the exception of the Sixth and Ninth wards, the former falling to the Prohibitionists by a large majority and the latter to the Citizen's ticket by a fair-sized majority. In the entire city for mayor E. E. Osborn received 953 votes; A. W. Myers, 437; Henry Hosking, 536; for treasurer James Lowrey received 1,035 votes and John A. A. Lindball received 868. The contest in the Fifth ward was very close. August Beerling was elected over A. P. Bronson by six votes, while E. Skoglund defeated John Argall for supervisor by only one vote.

It Was a Great Day. The business of the Grand Union Tea company on Saturday last, when they gave away souvenir views of New York city and vicinity and panel cards as an Easter offering to each purchaser, was the largest that has ever been done by the concern since its establishment here three years ago. In fact Mr. Barringer, the manager of the company, said yesterday: "The day's business was larger than we ever did in a whole week since we opened here." There was a continual rush all day and evening and when the store closed there were only a few books and cards left out of a consignment of several thousand.

Will Present It Here. The Negaunee gentlemen who presented the burlesque play, "Ancient Order of Hercules," at Negaunee last evening to a packed house have completed arrangements for the production of the piece at the City Opera House here on Thursday evening of this week. Those who enjoy a good hearty laugh should not fail to see "Hercules." The costumes, as well as the play itself, are gotten up for the sole purpose of creating laughter. The gentlemen taking part in the production are among Negaunee's leading citizens, which is assurance that any one attending will be well entertained.

Uniform Rank Officers. At a recent meeting of the Uniform Rank of Sons of St. George the following officers were elected: Captain, Nels J. Robbins; lieutenant, Howard Pascoe; ensign, F. B. Washburn, accountant, H. Chipman; standard bearer, John Crossman. The appointive officers, consisting of inside and outside sentinels and guard, will be selected by the captain at a near date. The boys are holding two drill meetings every week under the instruction of D. W. Fiske.

Get There on Time. At the dedication of the new K. of P. Hall tonight the door will be locked at 8 o'clock and will not be opened again until the dedication exercises are concluded, which will be about twenty minutes. Those desiring to be present at the dedication must go early. Those coming after 8 o'clock will have to remain in the reception rooms until after the dedication is over.

Died at Ironwood. Thomas Malloy, who resided at Ishpeming for a number of years previous to his leaving here last summer, died at Ironwood yesterday morning. John Malloy, a brother of the deceased, left here last evening for Ironwood and will escort the remains, which he will bring to this city for burial. The remains will arrive here tomorrow, when arrangements for the funeral will be made.

Will Present a Drama. The members of the Uniform Rank of the Temple of Honor of this city will present a drama, "The Sparkling Cup," some time during the last week of May. The play is a five-act comedy and there are twenty-one people in the cast. The time and place of presentation will be announced later. Meanwhile frequent rehearsals will be held.

LOOK AT THIS. On and after today F. Braastad & Co. will sell Pillsbury's Best XXXX flour at \$4.90 per bbl., Washburn Crosby's Co.'s Best, \$4.90 per bbl.; Wisconsin Patent (Island City) wholesale, \$4.00; retail, \$4.25 per bbl.; Rye Graham, \$4.00 per bbl. [1-18-1f]

ISHPEMING IN BRIEF.

Attorney George W. Hayden is at Lansing. The Ishpeming dram corps was out for a short time yesterday afternoon. The City, the Eureka and the Star bands were out yesterday playing on the streets. "Our Boys" Dancing club will give its next hop some time during the last week in April.

Miss Sedgwick returned to Kemper Hall, Kenosha, Wis., Sunday, accompanied by her mother. Charles Crowley, who has been quite ill the past two weeks, was able to get out yesterday for a short time. John Jones, Jr., attended a ball given by the employees of the American Express company at Marquette last evening.

J. H. Brown, who has been laid up with an injured knee for the past few weeks, is able to get out with the aid of crutches. The "Destrict Skewl" entertainment will be presented at Negaunee tomorrow evening by local members of the Y. W. C. T. U.

The officers of the local lodge K. of K. desire all members to be present at the dedication tonight. No invitations were sent to any of the members, so all will be made welcome. Professor Watts, the piano tuner, will be in Ishpeming tomorrow. Parties desiring his services can leave their orders with Mr. C. J. Shadlock at the C. & N. W. freight depot.

J. D. West is now comfortably settled in his new office in the Watters & West building. Fred Karinen, publisher of the Finnish paper, has also moved his office and printing material to the same building. Hamilton Stewart, dealer in furniture, undertaking goods, etc., has a card in this issue of THE MINING JOURNAL. Mr. Stewart has a neat, as well as large, stock of goods and is doing a good business.

Quite a number of people are reading Dickens' "Bleak House." Some are making their first acquaintance with the delightful story while others are refreshing their memories by a second perusal of the tale. Those who have read the story in advance will have the satisfaction of seeing it in its dramatized form presented by Jane Coombs and her brilliant company April 35 at the City Opera House.

A number of Finlanders who had indulged too freely yesterday assembled at their boarding house on East Division street and began a genuine free-for-all fight. Beer bottles, glasses and other weapons were used in the fracas until the police took a hand in the affair. One of the fellows left the place and started to run, with an officer and about a thousand men and boys in hot pursuit. He dodged into the front door of a Finlander saloon on Pearl street and out the back door into the yard, where the officer, Wm. Bonham, lured him. He was taken to the "coop" but his pals escaped.

DEAFNESS CANNOT BE CURED by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the eustachian tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it becomes closed deafness is the result, and unless the inflammation can be taken out and the tube restored to its normal condition hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give one hundred dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. P. J. CHENEY & CO., Toledo, O. Sold by druggists, 75c.

MOTHERS RECOMMENDATION. We are acquainted with many mothers in Centerville who would not be without Chamberlain's Cough Remedy in the house for a good many times its cost, and are recommending it every day. HON. N. M. KAUFMAN, MAYOR.

Elected by the Greatest Landslide Known in the History of the City.

EVERY WARD IN THE CITY CARRIED TWO TO ONE.

Nominated Without Being Consulted, Forced to Run After Declining and Elected by Overwhelming Vote.

SID HEARD FROM THE PEOPLE.

The most crushing defeat ever sustained at the polls by a candidate for mayor in this city was visited upon Mayor Adams yesterday when he went before the people to ask an endorsement of his administration by a re-election. The cause of his defeat is to be found in the fact that the issues upon which he was elected had been discovered to be false while in addition to that the campaign against him was fought upon a purely business ground. The questions submitted to the voters by the supporters of Mr. Kaufman in their canvass were three in number—"Which man has done the most for Marquette, which is able to do the most and which will be the most willing to encourage enterprises which promise to hasten the growth of the city."

The result was a landslide. The Kaufman canvass was managed by a committee of ten who had the whole city covered so fully that from Thursday on they claimed every ward in the city and on Saturday night the majority of them placed Mr. Kaufman's minimum majority at 500 in the city. The result shows the correctness of their figures. N. M. Kaufman not only carried every ward in the city but he carried every ward by a majority of two to one and buried his opponent under a majority of 660, the vote being 1,148 and 488.

Durand, Democratic candidate for justice of the supreme court, carries the city by 73 majority, his vote being 742 to 669 for Hooker, the Republican candidate.

The following table gives the vote on the city, judicial, county and city tickets:

Table with columns for WARD, 1, 2, 3, 4, 5, 6, 7, 8, T, and various candidates including Durand, Hooker, Adams, Kaufman, etc.

Several of the ward contests were very hot and the splits were so numerous that a great many votes were thrown out entirely because defective. The First, Second, Fifth and Seventh furnished the hottest fights, while in the Eighth Albert Hornstein, running entirely on slips and without an organized campaign, being called upon to run at the eleventh hour, came very near laying out Smith Moore through many of his ballots were thrown out as defective. The result of the election gives the city what promises to be the best council it has had in years. The contest in the "fighting Seventh" as it has been known since its organization, or "the peerless Seventh," as its residents now proclaim it since they gave a majority for Kaufman better than two to one, was the hottest of all and resulted in both of the sitting members being defeated. The following table gives the result on the ward tickets:

Table with columns for WARD, 1, 2, 3, 4, 5, 6, 7, 8, T, and candidates for Supervisor, Alderman, and Mayor in various wards.

Table for SEVENTH WARD showing Supervisor (Frank Findley), Aldermen (Geo. Arthur Brown, Leslie H. Stafford), and Majority (53).

Table for EIGHTH WARD showing Supervisor (Merwin E. Asire), Aldermen (Myron J. David), and Majority (9).

The majorities in the city were as follows: Durand, 73; Harmon, 66; Bunker, 73; road amendment, 507; circuit court, 474; salaries, 474; Grand Rapids, 374; Stone, 1,483; Montgomery, 670; Kaufman, 660; Meads, 1,604; Machts, 1,600; Byrne, 1,605; Cray, 1,604; Dolf, 1,583; Foard, 1,599. The total vote was 1,636 on the head of the city ticket, a falling off of about 200 from the vote in the national election last fall. The state ticket was nearly 200 votes behind the city ticket.

The Jubilation.

Early yesterday, Kaufman badges, silk ribbons with "N. M. Kaufman for Mayor" printed on them, made their appearance and by afternoon it looked as if every man in Marquette was wearing one. Looking down Front street nearly every coat could be seen to be decorated, horses had them on their headstalls, the band was plastered with them and it looked as if the election would prove a unanimous one.

Shortly before the close of the polls the Marquette City band, fifteen pieces, came marching up Front street, having finished playing at the different polling places. Every man wore a Kaufman badge and at the head of the line was Billy Gorman with a big broom gaily decorated with the ribbons. Cheers greeted the boys all along the way until they dispersed at the band room in the Nester block.

After the closing of the polls it seemed as if every man in the city had rushed down town. Front street was choked with people and when the magnitude of the Kaufman victory became evident the men who had been working for him unnecessarily for the last ten days, beginning before the call for the nominating convention was issued, went wild and the whole town went wild with them.

Early in the evening the band was brought out again, hundreds of brooms were purchased and distributed and an impromptu celebration of the victory ensued, over a thousand men marching up to Mayor-elect Kaufman's residence on Ridge street where the band gave a serenade, though Mr. and Mrs. Kaufman were at that moment at The Arlington, in Washington, and after a speech by ex-Mayor Nester, who had come up from Chicago on purpose to cast a vote for "Nate" for mayor, the procession moved over to the other side of the street where the band serenaded the parents of the mayor-elect, Mr. and Mrs. Samuel Kaufman. After the music Mr. Kaufman was called for and thanked the people for the demonstration in honor of his son. Mr. James Russell was then called out and in a neat speech presented the decorated broom which had been carried at the head of the line to Mrs. Kaufman as a memento of the occasion and with the compliments of the people of Marquette. Mrs. Kaufman accepted the present and said "Gentleman, I thank you," retiring quite overcome with emotion. The procession then marched down town where big groups gathered on the streets until a late hour fighting the fight all over again.

The Expressmen's Dance.

Armory Hall was filled to overflowing last evening, the occasion being the second annual ball of the employes of the American Express company. The music was furnished by Hughes' Ideal orchestra of eight pieces and the refreshments were served by Heppner.

Success in Home Dyeing.

"I have dyed with different materials, but have found nothing equal to diamond dyes," writes Elizabeth Davis of Irontown, O. "By following directions and having a strong dye, I never make a failure. Where some make a failure, is because they do not use diamond dyes, or else fail to follow directions."

There is no one instrument, unless, indeed, it be a large pipe organ, capable of the variety of effects that are obtainable on the Aeolian. Unlike the pipe organ, however, the Aeolian is adapted to all classes of music; overtures and symphonies can be rendered on it with all the softness and delicacy of the flute and violin and cello and, all the snap and brilliancy of the piano.
