Negaunee has one street which will compare favorably with the best street of any of the smaller cities of the state, and the equal of which can be found in very few mining towns. The street referred to is Main, or as a few iconoclastic and misanthropic people still call it, Pucker avenue. That nick-name is the only bad thing about the thoroughfare, and the street isn't to blame for it either. If the mine on the farm east of the city should turn out to be what every indication points forward to, the avenue will be built up closely for a long distance past where it now is, and make a beautiful residence street of over a mile in length. understood that they are going to take off

## 'RAH FOR "HOME RULE!"

The Superb Demonstration in Support of Ireland's Cause, at Marquette, on Saturday Last.

A Beautiful Day Made More Brilliant by an Imposing Procession of Stalwart Irish-American Citizens.

Eloquent Addresses by Dr. Betts and Hon. John Power Inspire Enthusiasm and Evoke Applause-A Full Account of the Grand Affair.

Last Saturday was as fine a day for the great Irish demonstration in this city as could be desired, and the Hibernian citizens of the upper peninsula turned out en masse to participate in the proceedings. The first excursion train reached here about nine o'clock in the morning, over the Marquette, Houghton & Ontonagon road. Among the distinguished arrivals by this train were Rev. Dr. Betts, of Trinity Episcopal church, St. Louis, Mo., and Hon. John Power, of Escanaba, who were to deliver the orations in the afternoon. The societies which arrived consisted of Division No. 1. of the Ancient Order of Hibernians, Ishpeming, of which James Clancy is president; Division No. 2, A. O. H., Negaunee, of which Daniel Harrington is president, and the Robert Emmett club, of Escanaba. The former was acccompanied by the Lake Angeline and Ishpeming City brass band; the second named by the Negaunee City Cornet band, and the latter by a soul stirring band of martial music. The two former organizations appeared in full regalia, with banners and flags flung to the breeze. The excursionists were met at the depot by Division No. 3, A. O. H., of Marquette, the president of which is Mr. Michael Hennessey, and which was headed by Mr. John Reardon, county delegate, and all forming into line they marched to the new opera house. This demonstration, so early in the morning. accompanied by the inspiring strains of music that filled the ambient air, gave assurance that the event was to be a decided success in point of the numbers in attendance, as well as in other respects.
