BURDOCK BLOOD BITTERS.

WHAT IS IT? A strictly vegetable prepa-

ration, composed of a choice and skillful combination of Nature's best remedies. The discoverer does not claim it a cure for all the ills, but boldly

warrants it cures every form of disease arising from a torpid liver, impure blood, dis-ordered kidneys, and where

there is a broken down condition of the System, requiring a

prompt and permanent tonic, it never fails to restore the sufferer. Such is BURDOCK BLOOD BITTERS. Sold by all

druggists, who are authorized by the manufacturers to re-

fund the price to any pur-chaser who is not benefited by

The Business Outlook is improving, and it is very probable that there will be a sharp advance in prices in eastern markets in a few weeks. The upward movement has already begun, and the prices of all staples will advance.

Goods have never been so cheap as now, and will not be again for a long time. Now is the opportunity to buy cheaply, and all who take advantage of it will save money.
