The Elks are doing nicely at Milwaukee. The present grand lodge is proving one of the most successful in the history of the order. The attendance is large and every important city in the country is represented. The upper peninsula delegation is creditable, the copperdom herd, with its miner's uniforms and its sacks of bright "coppers", attracting fully as much attention as any visiting delegation. The Marquette county contingent is by no means lost in the crowd, although it dacks the distinctiveness that the Houghton county herd takes to itself by reason of its unique garb and its wholesale use of the pennies which typify its dominant industry.

Gov. Yates Is Appealed to but Finds No Ground for Interference.

Springfield, Ills., July 24.—Governor Yates was asked by telegram today to stop the threatened importation of several hundred Birmingham (Ala.) negroes into the state to take the places of strikers at the plant of the Latrobe Foundry company at Melrose Park, near Chicago. Under the allegations presented to him, the governor could not see no way under the law to interfere and replied suggesting that the sheriff of Cook county be called upon. The message was signed by the following committee, approved by a mass meeting of citizens: Rev. Mr. Cookingham, M. E. church; Rev. Father Burback, Catholic church; Peter Bolander, A. T. Gallagher, W. Lee,

A law passed after the Virden riot makes the importation of an armed body of workmen a felony. It is also a felony to import persons who have agreed to work for a stipulated wage, be on hand should anything develop in etc., but as none of these things were alleged in the message asking the governor to interfere, he could see no other way under the law to take a hand in

The governor's message was read toright by Rev. R. T. Cookingham to three thousand residents of Melrose Park and neighboring villages and was received with hisses.

The Marquette department, of course did not attempt to do anything toward the formation of a running team this spring, it being a foregone conclusion that it would not attend the Crystal Falls meeting. However, a running team at Marquette, Mich. would have been an impossibility and Marquette has been seen on the track can be seen at the offices of the archifor the last time, at least for some years teets.

The reason for this is found in the reserved present size of the department, which consists of but twenty members, it having been reduced from thirty last winter.
