We Are Modest

It's unfortunate for us, for there are very many nice things we could tell you about our laundry plant, and the high grade work that comes out of it. If it were not for our modesty we could tell you how much brighter, and lighter and better every way our laundry is; we could tell you our superintendents and workers are a little more artistic and skillful than most others, and our system of urged inspection by an expert prevents you from getting anything but perfect laundry work from our shop. But it might be better anyhow to ask us for proofs and judge for yourself.

WHERE A DOLLAR CAN BE HAD FOR LESS THAN ONE HUNDRED CENTS.

That Is What It Amounts to When You Can Buy as Staple an Article as a Pair of Hose for Less at Than They Are Worth.

Fabrics that change in style each season often have to be sold at half price in order to close them out, but a pair of Hose have a standard value the same as a dollar, and when you can buy them for less than that standard value you are making money worth two dollars for one dollar. Each season we buy the best Hosiery we can for the price, often times buying new lines, thus leaving a few broken lots, which are in the way of the new numbers. With such goods we prefer to give them to our customers at cost or even less and close them out in one day rather than closing them out a pair at a time at regular prices.

Today, Thursday, Aug. 29,

We shall add to our CLEARING SALE our line of broken Hosiery-some very nice qualities at very small prices. It will pay you to buy all you need. In this connection we wish to call your attention to our regular line of "ONYX HOSIERY," without question the best value on the market. A short time since we sent out 1,500 samples of Ladies' Plain Black Hose, a special value which we are selling at 23c, and offered to sell you the mate or other half for 15c. Hundreds of ladies called and bought the other half. To those who do not wish to avail themselves of this offer, we would be obliged if they will either return the sample or notify us and we will call for it.

Our Clearing Sale Will Last Only Three More Days.
