**ARRIVED AT CANTON**  
PRESIDENT'S REMAINS ARE NOW IN HIS HOME CITY.  
THOUSANDS RECEIVE THE BODY.  
DEAD STATESMAN LIES IN STATE AT COURT HOUSE.  
Funeral Will Take Place This Afternoon and the Services Will Be Simple—Mrs. McKinley Bears Up Bravely.

Canton, O., Sept. 18.—Tenderly and reverently those who had known William McKinley best today received his martyred body into their arms. They had forgotten the illustrious career of the statesman in the loss of the great personal friend who had grown dearer to them with passing years. They hardly noticed the president of the United States or the cabinet or the generals and admirals in resplendent uniforms. A beautiful flag draped casket, which contained the body of their friend and fellow townsman, held all their thoughts. He had left them two weeks ago this very day in the full tide and strength of his glorious manhood and they had brought him back dead. Anguish was in the heart of every man, woman and child.

**Thousands at Station.**  
The entire population of the little city, thousands from all over Ohio, the full strength of the national guard of the state—five thousand men in all—the governor, lieutenant governor and a justice of the supreme court, representing the three branches of the state government, were at the station to receive the remains.

The whole town is in deep black. The only house in all the sorrow-stricken city, strange as may seem, without a touch of mourning or drapery, was the old familiar McKinley cottage on North Market street. The blinds were drawn but there was no outward token of the grief that had robbed it of its most precious possession. There was not even a bow of crepe upon the door when the stricken widow was carried by Abner McKinley and Dr. Rixey through it into a darkened home from which the light, for her, had flown forever. Only the hitching post at the curb in front of the residence had been swathed in black by the citizens in order that it might conform to the general scheme of mourning and decoration that had been adopted.

Sad as was the procession which bore the body to the court house, where it lay in state this afternoon, it were not to be compared with the infinite sadness of that endless double line of broken-hearted people, who streamed steadily through the dimly lighted corridors of the building from the time the coffin was opened until it was taken home to the sorrowing widow at nightfall.

**Tears Wet the Bier.**  
Tears came unbidden to wet the bier. Perhaps it was the great change that had come upon the countenance which moved them more than the sight of the familiar features. The signs of discoloration, which had appeared upon the brow and cheeks yesterday at the state ceremonial in the rotunda of the capitol at Washington, had deepened. When the body was taken away thousands were still in line and the committee in charge of the arrangements were appealed to for all further opportunity to view the remains tomorrow morning before they are taken to the church. But this had to be reluctantly denied them and the casket may never be opened again.

The funeral services will take place tomorrow at 1:30 p. m. at the First Methodist Episcopal church, of which the martyred president was a communicant and trustee. They will be brief by the expressed wish of the family. Rev. O. B. Milligan, pastor of the First Presbyterian church, in which the president and Mrs. McKinley were married thirty years ago, will make the opening prayer. Dr. John Hall of the Trinity Lutheran church, will make the first scriptural reading, and Dr. E. P. Herbruck, of the Trinity Reform church, the second. Dr. C. E. Manchester, pastor of the late president's church, will deliver the only address. A quartet will sing, "Beautiful Isle of Somewhere," and another quartet will render Cardinal Newman's hymn, "Lead Kindly Light."

**An Imposing Procession.**  
An imposing procession consisting of many of the G. A. R. posts in the state, the National Guard of Ohio, details of regulars from all branches of the service, fraternal, serial and civic organizations, representatives of commercial bodies from all over the country, the governors of several states with their staffs, members of the house of representatives and senate of the United States, the cabinet and the president of the United States will follow the remains to West Lawn cemetery, where they will be placed in the receiving vault awaiting the time when they will be laid in the grave beside the two dead children who were buried years ago.  
There will be a short service at the receiving vault consisting of a prayer and scriptural reading by Dr. Manchester and Bishop I. W. Joyce of Minneapolis.  
The railroad facilities seem inadequate to bring the people who are coming tomorrow. The number of beautiful floral tributes which is arriving surpasses belief. Flowers are literally coming in.

**WILL SUSPEND BUSINESS.**

New York, Sept. 18.—The Commercial Cable and Postal Telegraph company will suspend business on all wires between 3:30 and 3:55 p. m. (eastern time) tomorrow as a mark of respect to the dead president.

It is Announced That He Will Support the Plan for Neutral Waterway Across the Isthmus Being Negotiated by Hay.

Washington, Sept. 18.—It was stated today on excellent authority that all members of the cabinet have accepted the reappointments tendered by President Roosevelt yesterday. Another feature of the relations of the new president with the last administration became known today and was to the effect that President Roosevelt had been fully advised and had approved of the negotiations in progress relative to the proposed canal treaty with England.

**OLNEY IS CRITICIZED.**  
Falmouth People Say He Insulted American Citizenship.

Falmouth, Mass., Sept. 18.—According to the affidavit of George H. Godfrey, a citizen of this village, Michael Conway, a coachman for Hon. Richard Olney, former secretary of state, in commenting on the shooting of President McKinley, said: "It is a good thing McKinley was shot. He should have been killed long ago."  
An indignation movement of the citizens was started when the remark became known. Mr. Olney was advised of the matter and it was reported that the man had been discharged. Being unable to verify the report a hundred citizens determined to give Conway a coat of tar and feathers last night. Not finding Conway the men marched to Olney's home, but the former secretary of state refused to appear at their demand. The crowd sang "Nearer, My God, to Thee" and "America" and made repeated but fruitless efforts to bring a response from Mr. Olney.

At length the citizens started for the town hall, where they organized and adopted a resolution saying: "The course pursued by Richard Olney at a time when the nation is in mourning is an insult to American citizenship."  
After the meeting the citizens hanged Conway in effigy to a telegraph pole.

The building will be capable of seating from 5,000 to 6,000 persons. The erection of this building will not interfere with the great temple project. When the temple is ready for use the building now about to be erected will be used exclusively for school purposes. Work will be rushed.

**COLLISION BETWEEN FREIGHT AND EXPRESS TRAINS.**  
THREE CARS GO DOWN A STEEP EMBANKMENT.

Accident Occurs on the New York, New Haven & Hartford Railroad—Besides Those Killed Twenty-five Are Injured.

Brookton, Mass., Sept. 18.—Six persons were killed and twenty-five were injured in a collision between an express and a freight train today on the New York, New Haven & Hartford railroad at Avon. The accident was caused by a misplaced switch which allowed the freight to run out from the siding onto the main track just as the express came along. Of the six persons killed but four have been identified. They are: EVERETT JOYCE, of Brookton; MISS M. W. TONKIN, of Oil City, Pa.; WILLIAM J. COUGHLIN, of Lowell; GUSTAVUS HAY, Jr., a lawyer of Boston.

The two unidentified bodies are those of women.  
The seriously injured are: Frank Kiermayer and R. H. Woodland of Bridge Water; G. S. Howland of Elmwood; Miss Ellen W. Ham; J. S. Mann, a traveling salesman of Waltham; Frank M. Hathway and Orvis Randall. The latter is unconscious.  
The second car of the express train and the smoker were thrown down a steep embankment. The third car, a passenger coach, was dragged over by the force of the impact and likewise landed in the ditch.  
All those killed outright seemed to be in the third car while the most of the injured were in the car struck by the engine.

**ADDITIONAL MESSAGES.**  
Several Celebrities Express Sorrow at Death of President.  
New York, Sept. 18.—The forthcoming edition of the New York Medical Journal will discuss the case of the late president in a lengthy article. It will say:  
"It is a melancholy consolation to know that the fatal termination of President McKinley's case is not in the slightest degree due to any omission to give him the full benefit of all the present resources of our art. There was nothing humiliating in the fact that a favorable prognosis, which for five or six days seemed justified, should finally prove fallacious."  
After reviewing the case The Journal concludes: "The case of the profoundly lamented president may be set down as unique in some features, not so much, perhaps, as regards actual traumatism inflicted by the assassin's bullet as with regard to the deferred appearance of the gangrenous process that blotted out his fair prospects of recovery."

**TRIAL GAMES POSTPONED.**  
Harvard and Yale Athletes Cannot Practice on Account of Rain.  
New York, Sept. 18.—The trial games between the athletes of Harvard and Yale, to have been held today at Berkeley Oval for the purpose of selecting a team to meet the Oxford-Cambridge athletes, were postponed until Saturday on account of rain and wet grounds.

**NICHOLAS IN FRANCE**  
CZAR AND CZARINA ENTERTAINED BY PRESIDENT LOUBET.  
AT HIS CHATEAU IN COMPIEGNE.  
THOUSANDS GATHER TO GREET IMPERIAL PARTY.

Utmost Care Is Taken, However, and the Streets Are Kept Clear of People—First Day Passes Without Outward Incident.

Compiegne, Sept. 18.—The czar's first day on French soil passed without outward incident, except a delay of a couple of hours in docking the Standart, the Russian imperial yacht at Dunkirk. The presidential train, conveying M. Loubet and the czar and czarina with their suites, arrived at Compiegne this evening. The utmost vigilance was exercised along the railroad track. The train dashed through a double row of bayonets and drawn sabres, as the infantry was reinforced by regiments of dragoons and hussars.

**Town Brilliantly Illuminated.**  
The town of Compiegne was brilliantly illuminated. The streets were entirely clear of the public and the sidewalks were occupied by soldiers. Every window, however, was filled with spectators who greeted Emperor Nicholas and President Loubet following together. Cannon salutes were fired and bands played the "Marseillaise" and Russian hymns until the chateau was reached.  
Mme. Loubet was waiting there to receive her imperial guests. The evening was spent quietly at the castle, M. and Mme. Loubet and the czar and czarina dining in their respective apartments.

**RECEPTION AT DUNKIRK.**  
Royal Russian Party Arrives Amid Booming of Cannon.

Dunkirk, France, Sept. 18.—Amidst the booming of cannon and the cheering of immense crowds of people the czar and czarina landed here today and after partaking of luncheon at the chamber of commerce with President Loubet the party left for Compiegne. The people saw absolutely nothing of the czar as the ceremonies occurred behind a wall of soldiery. Neither did the czar traverse the streets of Dunkirk, although the citizens had lavishly decorated the town in his honor. So soon as the Standart was sighted, the Cassini, with President Loubet on board, steamed out to meet her. A heavy cannon blast boomed a salute of a hundred guns. When the Standart and the Cassini were about three hundred yards apart a boat was lowered from the Cassini and President Loubet and others took their places therein. The boat was then towed to the Standart by a steam launch and President Loubet and party boarded the Russian yacht.

**Review of Warships.**  
After a short interval the Standart steamed to the head of the line and the review of the French warships began. As the Standart proceeded slowly up the line the crowds ashore cheered for the czar and the republic of France.  
The czar and czarina landed at 2:20 p. m. President Loubet disembarked an hour earlier. He left the Standart in the roadstead after the review and re-embarked on the Cassini. The czar remained on board the Standart after the review.  
President Loubet met the imperial couple at the gangway as the Standart was moored to the quay and gave his arm to the czarina, who was simply attired.

The czar wore the uniform of a Russian admiral with a scarlet sash and the insignia of the Legion of Honor.  
The landing of the imperial couple was greeted by frantic enthusiasm and the bands played Russian hymns.

MEMORIAL SERVICES TODAY. DIED YESTERDAY.

Ishpeming People Will Honor the Memory of the Late Chief Executive.

Final arrangements for today's memorial services have been made. The committee appointed by the mayor has finished its work and the program is now complete. There remains nothing more to do except for the people to attend the exercises, which they will certainly do, for all business will be suspended tomorrow afternoon. The stores will be closed at noon, to remain so for the balance of the day. The mines will be shut down and the schools and banks will be closed during the entire day.

Mayor Johnston desires every one, young and old, to attend either the afternoon or evening exercises. Should the attendance be so large that all cannot be accommodated an overflow meeting will be held.

The afternoon meeting will be called to order by Mayor Johnston at 3 o'clock in the Swedish Lutheran church. Professor D. D. Mayne will preside at the meeting at the high school, which will convene at 8 o'clock in the evening. H. Young will deliver the principal address of the evening. Following are the programs:

- Afternoon Service—
- Musie: Bethany Church Choir.
  - Prayer: Rev. David Casler.
  - Musie: "Lead Kindly Light," M. E. Church Choir.
  - Address: Rev. M. M. Allen.
  - Rev. Tolonen (Finnish Language).
  - Musie: "Nearer My God to Thee," Aeolus Sextette.
  - Addresses: Rev. Father Kehoe, Rev. E. V. Isaacson (Swedish Language) and Rev. S. Polkinghorn.

  - Evening Service—

BOYS ELECT OFFICERS.

At the regular meeting of the High School Athletic society held yesterday afternoon the following officers were elected for the ensuing year: President, Harry Peterson; vice president, Tony Bell; secretary, Hugo Talen; treasurer, Oscar Brodine.

The officers, together with Superintendent Mayne, constitute the executive board.

The football team will play a practice game with the Champion eleven, Saturday afternoon at Union Park. Admission will be twenty-five cents. Season tickets are now on sale and can be cured from any member of the football team or athletic upon the payment of \$1.

ATTENDANCE LARGE.

There are more pupils enrolled at the convent school this year than ever before in the history of that institution. Up to yesterday the total enrollment footed up 470. This is a perceptible gain over last year's attendance and is very gratifying to the rector, the Rev. Martin Kehoe.

All the classes are well filled though not overcrowded. Especially is this so in the high school department. Very few pupils dropped out this year at the conclusion of the eighth grade course, consequently the attendance in the academic department is considerably increased.

HERE TOMORROW EVENING.

J. G. Lewis and his big company of comedians will appear at the Ishpeming opera house tomorrow evening in the rural comedy drama, "Si Pimkard." The piece was re-written and re-constructed this season by Robert G. Morris, a well known New York playwright.

The company is said to be a strong one and has given general satisfaction wherever it has appeared. The prices of admission are twenty-five, thirty-five and fifty cents. Tickets are on sale at Tillson's drug store.

CHILD'S ART GALLERY, Ishpeming, will be closed from the 5th to the 20th of September. C. D. Cole, manager. (8-20-9-20)

Norris Silver, North Stratford, N. H.: "I purchased a bottle of One Minute Cough Cure when suffering with a cough doctors told me was incurable. One bottle relieved me, the second and third almost cured. Today I am a well man." Stafford Drug Co.; H. N. Meloche, Ishpeming.

EXCURSION TO DETROIT.

The excursion to Detroit yesterday via the South Shore road was liberally patronized by Ishpeming people, about a dozen from this city taking advantage of the cheap rate to visit the lower peninsula.

A fare of \$6.50 was charged for the round trip and the tickets are good returning until October 4. Another excursion will be run to Michigan's metropolis September 23. The railroad officials anticipate that this one will also be largely patronized.

WILL ORGANIZE HERE.

J. N. Raines, deputy supreme chief ranger of the Independent Order of Foresters, is in the city. He is desirous of meeting all members of the society living in Ishpeming. Mr. Raines will be found at the Urban House for this purpose on Friday evening of this week between 8 and 9 o'clock. The question of organizing a camp of the Foresters here will be considered.

A SHOCKING CALAMITY.

"Lately befell a railroad laborer," writes Dr. A. Kellett of Williford, Ark. "His foot was badly crushed, but Buckle's Arnica Salve quickly cured him. It's simply wonderful for burns, boils, and all skin eruptions. It's the world's champion healer. Cure guaranteed. 25c. Sold by Stafford.

The Rev. A. E. Skogberg, a Swedish speaker of national reputation, will preach Sunday at the Swedish Mission church. The Rev. Skogberg is pastor of the largest church in Minneapolis, which has a seating capacity of over four thousand.

The dramatic club of the Mitchell Methodist church, Negaunee, will present the drama, "Daniel in the Lion's Den," at the Ishpeming Opera House Monday evening for the benefit of the Division street Methodist church. The club has appeared in the piece twice previously and each time played to a large house. It is anticipated by the members of the Ishpeming church that the audience Monday evening will be large and enthusiastic.

SAYS HE WAS DRUGGED.

Interesting Story Told By Charles H. Beecher, a Former Negaunee Boy.

The following from the Detroit Today will be read with interest by Negaunee people, as it refers to Charles H. Beecher, son of George L. Beecher, who formerly lived in this city.

"A dispatch states that Charles H. Beecher, son of George L. Beecher, the Detroit millionaire, was arraigned in the Philadelphia criminal court yesterday on the charge of deserting his wife whom he married Jan. 13 last in New York.

"Your honor, when I married this woman I was drugged. She had filled me with morphine and whisky, and I didn't know what was going on. I left her in Madison Square park as soon as I got outside the minister's house and saw the marriage certificate."

"The judge told the court that he met his wife on a street car and that she flirted with him, finally dosing him with whisky and getting him into the minister's house. He declared that the marriage was a scheme to get money out of him or his father, and that she had been planning to get him for three months and told him so after the marriage."

"I told her to leave me or I would kill her, and I have never seen her since."

The Champion Iron company has several men at work covering the pipes leading from the engine house to the Co-operative store and boarding house.

After the covering of felt, etc. is placed around them. It is not likely that the pipes will freeze during the coldest winter weather.

Several football enthusiasts of Champion will on Saturday accompany the Junior team to Ishpeming, where it will line up against the High school team at the Union Park grounds. It is expected that from thirty to forty will go down. There will be fifteen players, the boys taking four substitutes along. The champion team expects to make a very creditable showing. In fact, some of the boys are so confident of winning the game that they are advising their friends to just keep an eye on them. Most of the men in the local team have had more or less experience and it is said that they will have the advantage over their opponents in weight. The line-up of the Champion team will be the same as was published in this department a couple of weeks ago. The South Shore people will give a seventy-five cent rate for the round trip to all who go down. Tickets will be good for return Sunday morning.

The Oliver Iron company has half a dozen men working at the Gibson Mitchell property, north of the village. Test pits are being sunk. Some work will be done in the shaft as soon as a boiler and other machinery can be installed. The shaft is less than 100 feet in depth, so that it will not take long to pump out the water. It is likely that a diamond drill will also be operated with a view of determining the extent of the ore deposit. Superintendent W. H. Johnston and Engineer C. E. Hendricks visited the mine Monday.

The members of the Swedish Salvation army corps of Ishpeming will give a concert at the town hall here next Wednesday evening. The program will consist of vocal and instrumental musical selections, including solos, quartets, etc. A phonograph will also be heard in popular selections. The feature of the meeting will be the presence of Captain Emma Carlson, late of New York. She is said to be a pleasing singer as well as an entertaining talker. The admission will be twenty-five cents for adults and fifteen for children. The proceeds are for a worthy cause.

George McGillion, a colored porter on the Chicago & Northwestern dining car, filled up on Houghton whisky last Sunday. On the way down he proceeded to run the car. At Champion Deputy Sheriff J. Marchand was called aboard by the conductor and he "yanked" the inebriate con to the platform in quick order. McGillion was taken to the lock-

up, where he remained until next day. While riding up town in the bus he fellow made two or three attempts to break away from the officer, but he was unsuccessful. He paid a fine and costs of court on the charge of drunk and disorderly conduct.

HOMAGE TO DEAD

MARQUETTE WILL OBSERVE THIS AS DAY OF MOURNING.

SERVICES AT THE OPERA HOUSE

TRIBUTE TO BE PAID TO THE MEMORY OF M'KINLEY.

Schools Will Close and Business Generally Be Suspended During the Afternoon That All May Join in the Observance.

PROCLAMATION.

In compliance with the proclamation issued by President Theodore Roosevelt, it is hereby requested that the schools, public offices and places of business be closed: Thursday afternoon, Sept. 19, and that at 2 o'clock p. m. there be a general assembly of members of all churches, creeds and classes in the opera house for the purpose of paying our tribute of love and devotion to the late President William McKinley, whose untimely death has caused universal grief.

John D. Mangum, Mayor. By M. E. Asire, President of Council.

Proclamation.

It is meet that we, as a nation, express our abiding love and reverence for his life, our deep sorrow of his untimely death. Now, therefore, I, Theodore Roosevelt, president of the United States of America, do appoint Thursday next, Sept. 19, the day on which the body of the dead president will be laid in its last earthly resting place, as a day of mourning and prayer throughout the United States. I earnestly recommend all the people to assemble on that day in their respective places of divine worship, there to bow down in submission to the will of Almighty God, and to pay out of full hearts their homage of love and reverence to the great and good president whose death has smitten the nation with bitter grief.

Theodore Roosevelt, President. By John Hay, Secretary of State.

In common with all cities, towns and hamlets throughout the land, Marquette will this afternoon do honor to the memory of the distinguished citizen for whom the entire nation mourns. Memorial services will be held at the opera house, beginning promptly at 2 o'clock, and there all patriotic citizens who desire to participate in the exercises marking the grievous loss the country has sustained in the assassination of William McKinley.

A program befitting to the sad occasion has been arranged. It will consist of prayers, responsive readings, the rendition of hymns in which the assemblage will join, and addresses by the Hon. Judge Stone and Rev. J. M. Rogers. Included in the hymns to be sung is "Nearer, My God to Thee," which has been selected as a still further tribute to McKinley; it was the words of this sacred song that the president uttered as his life slowly ebbed away.

Business to Be Suspended.

The doors of the opera house will be opened at 1:30 o'clock, in order to enable all to be seated or find places to stand, as the case may be, before the services commence. During the afternoon business generally will be suspended, and it is expected that citizens of all classes and creeds will join in the public commemorative exercises. The program is as follows:

- Invocation
Hymn, "Lead, Kindly Light"
Choir and Audience
Responsive Reading
Anthem, "The Homeland"
Prayer
Address
Hon. J. W. Stone
Anthem, "Forever With the Lord"
Address
Rev. J. M. Rogers
Hymn, "Nearer, My God to Thee"
Benediction

Other Memorial Services.

A mass meeting of the Jewish people of the city has been called to assemble this afternoon in the hall in the Coles block, corner of Bluff and Third streets. There the citizens of the Hebrew faith will hold memorial services commemorative of the tragic death of the leading citizen of the land. The services will begin about half past two.

This evening a union prayer meeting will be held in the new parlors of the Methodist church. It will be led by the Rev. H. Z. Purinton. Lessons from the theme uppermost in all minds will be dwelt upon. As the proclamation of the president calls for a day of mourning and prayer, this meeting will be most appropriate. No services will take place in the Presbyterian or Baptist churches, the congregations participating in the meeting at the Methodist church.

Patriotic Exercises in Schools.

The schools will be closed during the afternoon. In the morning, exercises appropriate to the day of mourning will be conducted in the various school rooms. These will also have for their object the instilling of patriotic sentiments in youthful breasts, the noble and truly patriotic life of the mar-

tyred president furnishing ample example.

Stores to Shut Up Shop.

All the drug stores have agreed to close from 1:30 until 5 o'clock. The saloons will also suspend business, and it is understood that the groceries and all other stores will likewise be closed during the afternoon. The banks will close at noon and the postoffice at ten.

M'KINLEY COUNCIL.

Lodge of the Royal Arcanum Launched With Fifty Members.

Marquette boasts of still another fraternal organization. A lodge of the Royal Arcanum, an insurance order, came into being at a meeting conducted by Deputy E. A. Matteson of Ann Arbor Tuesday evening in the Elks' club rooms. The following are the officers: Regent—Ferry Delf. Vice Regent—August Anderson. Orator—Raoul Vannier. Past Regent—Wm. Ellison. Secretary—Fred Rouse. Collector—St. Williams. Treasurer—Andy Forbes. Chaplain—Leo Rose. Guide—Andrew Nelson. Warden—Tom Lang. Sentry—J. H. Hoar. Trustees—Harry Bending, J. H. Young and Patrick McParland.

The order is an old and strong organization, and needs no introduction. The local branch starts off with a membership of fifty and with bright prospects for a vigorous growth. It will be known as McKinley council, the late president having been a member of the order and the Marquette council being the first to be organized since the chief magistrate's death. The place of holding meetings has not yet been determined.

EXCURSION WELL PATRONIZED.

Six Hundred Persons Leave for Detroit to Spend a Couple of Weeks.

The first of this fall's excursions to Detroit arranged by the South Shore road has proven, as was anticipated, a great success. About six hundred residents of the upper peninsula have taken advantage of visiting the City of the Straits at minimum cost, and of this number sixty-six are Marquette people. Two trains were necessary to accommodate the excursionists, that is, including the regular train leaving here in the morning for St. Ignace, and both were well filled when they pulled out from the Marquette depot on the journey to the Straits. There the excursionists boarded the steamer City of Alpena, which will land them in Detroit this afternoon.

Next Monday morning the second and last of this fall's excursions will leave Marquette. The tourists will take the steamer City of Mackinac at St. Ignace on the arrival of the train at 10 o'clock, and will arrive at Detroit about noon the next day. The round trip rate from Marquette is but \$6, and another big delegation is expected to take advantage of the opportunity to visit the Michigan metropolis at small expense. The cost of living on the steamer is very reasonable.

The occasion also offers an opportunity of visiting the Pan-American exposition at small expense, as round-trip tickets may be procured at Detroit for Buffalo at \$5.

LOGGE OF THE BEAVERS.

It is Organized Here With Over Fifty Charter Members.

At a meeting held Tuesday evening in the A. O. U. W. hall, a local lodge of the Benevolent & Protective Order of Beavers was formally launched, with the following officers: President—E. H. Bush. Vice President—M. W. Shea. Ex-President—Peter Kremer. Assistant President—Thomas Price. Secretary—John Seigel. Treasurer—Gust Anderson. Guard—Peter Grant. Sentinel—George Genell. Trustees—A. C. Ludington, Peter Boyer and John Shea.

The lodge starts off with a charter membership of fifty-three, and promises to grow very rapidly. The order, although organized principally for the benefit of the liquor dealers, is open to all men who can pass the necessary physical examination. It is an insurance organization and in addition pays sick benefits to members. Besides this, an attractive feature to the members here is the fact that on the death of a certificate holder the amount of the policy is payable at once or it may be received in monthly installments of \$25, whichever method is desired. Interest figures in the latter case, the beneficiary being paid several hundred dollars more than would otherwise be the case. For instance, between the age of eighteen to twenty-one, \$1,200 is payable at death and \$1,575 in monthly installments. The assessment is \$1 monthly, but members have the privilege of paying double or triple this amount at receiving benefits in the same ratio; it depends on the age of the member, however, just how much is the insurance. The payment of \$25 per month to members in case of total disability from sickness, accident or old age is also provided for. Officers of the general assembly are elected annually and are bonded in a guarantee company. So far the Beavers have been organized in three states. The order is a comparatively new one, and the local members are very enthusiastic over its prospects. Meetings will be held in the A. O. U. W. Hall the second and fourth Tuesdays of every month.

FATHER LOSES CASE

STEPDAUGHTER WINS INTERESTING LEGAL FIGHT.

SUIT IN THE CIRCUIT COURT

REV. FRANK GUSTAFSON VS. MARY EGER.

Former Claimed \$1,134, but Instead, as Heir to Wife's Estate, Will Probably Be Compelled to Pay the Defendant \$318.

An interesting case has just been decided in the circuit court. It was that of Frank Gustafson, as administrator of the will annexed of Angus D. Gustafson, his wife, vs. Mrs. Mary A. Eger, his stepdaughter. The verdict went against Gustafson, the jury finding no cause for action.

It appears that some years ago, shortly after the death of Sheriff Anderson, the jewelry business of Anderson & Co. at Ishpeming was sold by Mrs. Anderson to her daughter, Mrs. Eger. In payment, Mrs. Eger gave four notes for \$1,000 each. Of these she paid three when due, it being the understanding that her mother was to take out the amount of the other in time.

In the meantime Mrs. Anderson had married the Rev. Mr. Gustafson. On her death Gustafson, as administrator and heir to the estate of his wife by reason of a will left by her, discovered the uncancelled note and brought suit to recover the face value, with interest, the total amount being \$1,134.19. It was shown in court, however, that Mrs. Anderson had purchased merchandise in the store to the amount, with interest, of \$1,452.21, leaving a balance still unsettled of \$318.02 to which Mrs. Eger was legally entitled.

Accordingly, the jury brought in a verdict of no cause for action, assessed the costs of the case on the plaintiff, Gustafson, and certified that \$318.02 was still due to Mrs. Eger from the estate of her mother. Proceedings will now be taken in the probate court having for their object the payment of the claim.

Sued for the Loss of Ties.

No cause for action was also the verdict in the case of Ferdinand Besler vs. Amede Dupres, with the costs likewise assessed against the plaintiff. However, the court granted permission for the making of application for a new trial before the first day of the next term. From the evidence it appeared that Besler was getting out ties on the new railroad. At one place he had about \$50 or \$60 worth of them piled up along the right-of-way. These were destroyed by a fire for the starting of which Dupres, who was in charge of work at that place, was held by Besler to have been responsible. Accordingly he brought suit for the recovery of the value of the ties, but lost, as above stated.

Verdict of \$3,000 for Culver.

The last trial before a jury was concluded last evening. It was a case of attachment brought by Rush Culver against Franklin A. Smith and involved the commissions on a big land deal Mr. Culver was instrumental in negotiating. The jury awarded the plaintiff the full amount of his claim, the approximate sum being \$3,000. Mr. Smith is a Traverse City man.

Mrs. Wm. Brandon has returned to the city after an absence of several months spent at her old home in Pennsylvania. She came in on the steamer China. The trip from Buffalo was an extremely rough one, the seas running heavy on all the lakes traversed.

The Oseola was in port on her down trip yesterday. The fleet in the harbor for shelter also got away during the day, among them being the schooner Mautene, the consort of the steamer Madden which suffered so severely off this port during the recent blow.

The proposition of organizing a cornet band, to be backed by a stock company of citizens, is being quite actively pushed. It is to be hoped that the project will be carried out to completion. A good brass band is badly needed here, and its lack has been felt several times recently, but the financial support necessary to maintaining an organization of the kind has been practically lacking in the past. There is plenty of good talent in the city and the only need encouragement of a substantial nature to put a band in the field that will be a credit to the town.

ATTENTION, KNIGHTS OF PYTHIAS.

You are urgently requested to meet at Castle Hall at 3:15 this afternoon to attend the funeral of Brother Sir Knight Frank Barney, late member of Empire lodge, Chicago. The funeral will be held from the residence of Mrs. Todd, West Ohio street, at 3:30 o'clock.
