PEOPLE OF MARQUETTE: A PROCLAMATION BY MR. STAFFORD, PHARMACIST.

Whereas, the people of our city have been led to purchase so-called remedies from which they have received no benefit whatever, and having thus wasted so much hard-earned money, it has come to a pass where they knew not what to believe.

Inasmuch as this unsatisfactory state of affairs now exists, know, therefore, all persons who are in need of a medicine for any of the following ailments, that we will supply them with our new Wine of Cod Liver Oil, - Vinol, on a positive guarantee that if it does not succeed in benefiting them, we will refund the entire amount of money they have laid out on the medicine.

There is no one medicine that will cure everything, but there are some we know to be honest, reliable and of great curative value. Such is VINOL; it is not a patent or secret medicine, - everything in it is plainly printed on the label. We are familiar with every particle of it, and know that it should be a blessing to all persons who have troubles hereinafter described; and unlike other medicines, it will cost absolutely nothing if it produces no benefit

Could any offer be more fair that this? You are ill; we offer you medicine which we believe in our hearts will be a blessing to you, and if it is not we will return to you every penny you paid us. Is there anyone foolish enough not to accept this offer? If you are ill and need such a medicine you owe it to your family, to your friends, and yourself to try this medicine which we give you our pledge is a genuine new discovery and a preparation of great merit.

Do you think we could afford to lend our name to its praises, as we have been doing in the newspapers if we did not know VINOL to be an honest and unusually valuable remedy for the ills for which it is prescribed. We certainly could not ; we therefore ask you, our neighbors, friends and acquaintances to accept our assurances that this is a genuine offer, and that any and all persons who need a medicine of this character should feel a sense of security in our offer.

RUN DOWN.

If you feel all worn out, have very little appetite, and not much sleep, caused by over-work or sickness, try VINOL on our guarantee.

DEBILITY.

Why drag out an existence without life or ambition. It is not natural to feel continually tired. We guarantee VINOL will bring life, strength and vigor to the debilitated. If you do not feel well try VINOL. If it does not help you your money will be refunded.

GAIN FLESH.

If you need to we believe you can do so without taking disagreeable Cod Liver Oil. Fat taken into the system does not create fat. We believe VINOL will create flesh quicker than any preparation containing grease. Try it on our guarantee

Only those who actually suffer know its terrors, for them life is robbed of all joy. It produces many serious complications and enfeebles the entire system. Relief only comes when a scientific remedy enables the stomach to properly assimilate food. There is no medicine that will do this so successfully as VINOL. Try it on our guarantee.

SAVES LIFE Willard, Ill., August 1, 1900. I was in bad health this spring and could not it up in bed for four weeks. When I was con-fined my child died. When I began to sit up I felts oweak and had such terrible pains in my and hips. I had kidney trouble and fall-ing of the womb. I also had hysterical spells. I was in a bad condition when I received your "Ladies" Birthday Almanae" and read the ad-vertisement of Wine of Cardui and Thedford's Biack-Draught. Since April 20th, Fhave taken for botles of Wine of Cardui and thee fact-ges of Thedford's Black-Draught. I teellike and would have been in the grave had it not being to Wine of Cardui. TEXED MY LEFE. Mrs. ALICE DAWIS.

It is well that women are more patient than men. Few men could bear the bitter pange, the agony and distress that women endure. Thousands of women have come to look upon suffering as a duty of their sex. But there are many instances of this heroic fortitude which

WINEOFCARDUI now renders unnecessary. Women need no longer suffer for modesty's sake. Wine of Cardui brings relief to modest women in the privacy of their homes. Many of the best homes in this city are never without this great medicine. It cures whites and falling of the womb and completely eradi-cates these dragging periodical pains. Mrs. Davis' cure shows you conclusively what you may expect if you follow her example and take Wine of Cardui. Thedford's Black-Draught aids Wine of Cardui by regulating the stomach and bowels. When you ask your druggist for these medicines, be sure you get them. It was Wine of Cardui and Thedford's Black Draught

that saved Mrs. Davis' life. Never take a substitute.
