BIG BANK SCHEME

INSTITUTIONS TO ENTER THE MONEY ORDER FIELD.

ASSOCIATION TO BE FORMED

TO COMPETE WITH GOVERNMENT AND EXPRESS COMPANIES.

Rates for Orders to Be Placed at a Price Which the Latter Will Not Be Able to Meet.

Indianapolis, March 14.—The Sentinel tomorrow will say:
Charles L. Farrell, assistant cashier of the Capital National bank and secretary of the Indiana Bankers' association, left yesterday to attend a meeting at New York city Saturday of prominent bankers from nearly every state in the Union in one of the most important banking schemes of late years.

The proposition is to enter the money order field as a competitor of express companies and the government itself. It is proposed to issue a uniform bank money order payable through an immense clearing house at New York city, probably the Western National bank, with branch clearing houses in all the other larger cities.

Scheme Conceived by Easterners.
The scheme was conceived by eastern bankers, who held a meeting in New York last spring and invited the operation of the western banks to extend the proposed system over the entire country. One representative from each state was nominated as a member of the executive committee. The matter was laid before these representatives last fall in a circular explaining the details of the proposed scheme, and in return by them to the bankers of the principal cities of their states. The responses were generally favorable and two weeks ago a call was issued for a meeting of this executive committee to be held in New York Saturday.

At the late Western National bank, which will act as one immense clearing house for the national association. In each city where the number of banks request it, there will also be clearing houses to collect the daily orders cashed by the various banks.

Rates Will Be Very Low.
It is proposed to incorporate an association with a paid-up capital of gigantic proportions reaching far into the millions, that its credit may be absolutely unimpaired and its orders may circulate almost the same as currency and be reached with the same faith and credit now given the orders of express companies and the government.

The rates for the orders will be placed at a price which, it is believed, the express companies will not be able to meet because of their limited banking facilities. The rate proposed is one-tenth of 1 per cent.

MITCHELL TALKS TO MINERS.
President of United Workers Addresses a Meeting at Des Moines.

Des Moines, Ia., March 14.—President Mitchell of the United Mine Workers of America, spoke this evening at a meeting of the miners and operators holding a conference here to fix a scale for the ensuing year.

President Mitchell had spoken only a few minutes when he was taken ill and had to be assisted from the stage. It was about ten minutes before he was able to return and he did not attempt to speak any further, although he occupied a seat on the stage throughout the evening.

During his brief talk he spoke feelingly of the reception he had received in Des Moines and of his satisfaction over the friendly conditions existing between the operators and mine workers, as well as between the employers and other organized union labor.

Referring to the measure now in consideration by the convention, President Mitchell spoke in favor of the eight-hour law and the adoption of a scale to cover the screenings taken from mines. He referred at some length to the wage scale for skilled and unskilled labor and for the general mine workers, stating it was creditable to the cause.

CASTRO AND ORTIZ IN PANAMA.
Government Generals Are Given an Enthusiastic Welcome.

Panama, March 14.—Government Generals Castro and Ortiz arrived this morning and received one of the most enthusiastic welcomes ever witnessed in Panama. The crowds in the streets leading to the railroad station made traffic almost impossible. General Bertie with 2,000 men is expected here soon, and when they arrive the revolutionists will be attacked.

LOWER HOUSE APPROVES TREATY.
Copenhagen, March 14.—The lower house of parliament by a vote of eighty-eight to seven today approved the treaty providing for the sale of the Danish West Indies to the United States. The treaty now goes to the upper house.

"TERRIBLE SWEDE" DEAD.
Milwaukee, March 14.—John Lawson, the "Terrible Swede," a well known bicycle rider, died tonight at St. Joseph's hospital after a five day's illness of pneumonia.

WRECK ON NICKEL PLATE.

Several Are Injured and Engine and Six Freight Cars Burn.

Cleveland, March 14.—Despatches telling of a wreck on the Nickel Plate at Knox, Ind., that passenger cars were burning and that many lives were lost, were read to A. W. Johnston, general superintendent of the railroad in this city. He made the following statement:
"The despatch is greatly exaggerated. We have reports from Knox to the effect there are no passengers hurt or killed, that there were no passenger cars damaged and that only three freight cars were destroyed. The wreck was caused by an accommodation passenger train from Buffalo to Chicago running into a freight train at Knox."

Indianapolis, March 14.—A telephone message from Knox, Ind., says that only five or six people were injured in the wreck on the Nickel Plate. A. A. Schwind, engineer, and Jim Dalton, fireman, Fort Wayne; C. L. Alexander, baggage man, and William Brown, mail clerk, Cleveland. Many passengers were slightly injured. The freight cars were on a side track when the passenger train crashed into them. The engine and six freight cars burned.

FIFTY BOERS CAPTURED.
Commandant Mentz Breaks Through Blockhouse Line but Loses Men.

Heilbron, March 14.—Commandant Mentz, with a Heilbron command of Boers, broke through the blockhouse line at Gottenburg last night. Only one Boer was killed. During the course of the pursuit of Mentz the British captured fifty Boers.

LONDON, March 14.—Field Marshal Lord Wolseley will start for Cape Town tomorrow. Although officials deny the trip is anything but a private visit, gossip connects it with the military situation.

ANSON HAS A SAFE MAJORITY.
Will Be the Nominee at the Milwaukee Convention on Monday.

Milwaukee, March 14.—Returns from Republican caucus held today indicate that Mayor Charles H. Anson has a safe majority of delegates to the city convention and will be the nominee for mayor over Thomas H. Brown on Monday next. As far as the city is concerned the results, however, show a victory for the so-called Stalwart faction, which is opposed to the renomination of Governor La Follette at the Republican state convention to be held during the summer.

TO DELAY NAVIGATION SEASON.
Vessel Owners Start Movement to Raise Carrying Charges.

Chicago, March 14.—Just when the shippers were congratulating themselves on the prospect of lake navigation opening April 1, or nearly a month earlier than usual, vessel owners have started a movement to delay the season until May 1. The object of the combine is to raise carrying charges. Steel companies owning ships will not go into the arrangement and their boats will be in operation as soon as the ice is out of the way.

TWO DISASTROUS FIRES.
Mentana University and Buildings at Winslow, Ill., Damaged by Flames.

Missoula, Mont., March 14.—Science hall at the state university was destroyed by fire this morning. The loss on the building is \$100,000.

Winslow, Ill., March 15.—Fire early this morning destroyed two blocks of buildings in the business part of the town. The bank, postoffice, fifteen business houses and several private residences were consumed. The loss is \$125,000; insurance, \$60,000.

CONFESSION WAS EXTORTED.
Illinois Prisoners Claim Violent Treatment at Hands of Officials.

Springfield, Ill., March 14.—Frank Younion, William Brownell and William Wadlow, charged with highway robbery, testified today that the confession which they had made at police headquarters was extorted from them by violent treatment at the hands of former Police Sergeants Golden and Marks. The defendants were the admitted by a jury, though both the former sergeants denied the story of ill treatment.

VON HOLLEBEN WILL STAY.
German Ambassador Not to Be Furloughed or Recalled.

Berlin, March 14.—It having been rumored that a change in the German embassy at Washington was possible, the foreign office has authorized the Associated Press to deny that Von Holleben, the present ambassador, will be either furloughed or recalled.

WHEAT CROP DAMAGED.
Lincoln, Neb., March 14.—Nebraska farmers and grain men are concerned for the winter wheat crop, which is being damaged by a terrific wind storm, prevailing now for three days.

BOER ENVOYS AT CHICAGO.
Chicago, March 14.—Boer Envoys Wolmarans and Wessels, accompanied by Montague White, arrived here today for the purpose of conferring with the officers of the Chicago Transvaal league.

CHINESE LEGATION BUILDING.
Washington, March 14.—The Chinese government has paid \$13,870 for a site for a legation building here.

EARTH BULGED UP

TWO SHOCKS FELT AT SHAMAKA, TRANS-CAUCASIA.

EYE-WITNESS TELLS OF DISASTER

PEOPLE PAID NO ATTENTION TO THE RUMBLINGS.

Nearly 20,000 Are Shelterless, Without Sufficient Food and Without Hope—Heartrending Work of Rescue.

St. Petersburg, March 14.—(Correspondence Associated Press.)—Correspondence giving details of the Shamaka (Trans-Caucasia) earthquake has just arrived here. On March 21, 1860, Professor Abich, a noted seismologist, declared:

"As to Shamaka, it is to be feared it will one day become a mass of ruins inside a few minutes."

It was not Shamaka's first warning or her last. Nine earthquakes have been recorded at that place since 1806. In 1850 all the governmental institutions there were transferred to Baku in consequence of an earthquake. The city lately contained 22,000 inhabitants.

Story of an Eye-Witness.
An eye witness thus relates his experiences on the first day of the disaster:

"There were two distinct shocks at 8 and 11 a. m., respectively, but the people were accustomed to the rumblings of the earth and paid no heed. Instead of fleeing for their lives, Mohammedan women and children proceeded to their obligatory daily ablutions. At 12:50 p. m., Feb. 12 or 13, the earth bulged up suddenly and subsided again. People were thrown headlong in the streets, and when they arose were thrown down again. Asphyxiating vapors exuded from a fissure in the earth and filled the air.

"The scenes that followed will never be adequately described. Men abandoned their families. There was a chaos of fearful cries. The telegraph office went down with everything else in the stricken portion of the city. Hence the delay in transmitting news.

Many Disinherited Alive.
"The rescue work was a heart-rending affair. Forty or more persons were disinherited alive. Mothers were brought out dead with lifeless infants clasped in their arms.

"On the first day a father saw his young daughter, still alive beneath a mass of debris. He released her, locked his arms about her and started away. A second shock buried father and daughter beneath a falling wall.

"There are nearly 20,000 persons shelterless, without sufficient food and without hope. The Red Cross society and government officials have labored to relieve the worst suffering. Collections have been taken up in the churches but the amount thus collected is not yet known.

EDWARD'S EVENING COURT.
Is Pronounced One of the Most Brilliant Since Early Days of Queen Victoria.

London, March 14.—King Edward's evening court is pronounced one of the most brilliant since the early days of Queen Victoria. The palace was ablaze with new electric lights and the corridors were heaped with flowers. The king and queen received their guests in the order of precedence and afterwards moved freely amongst the company. The function was attended by a brilliant group of ambassadors, diplomats and their ladies, and members of the royal household.

FUNERAL OF J. P. ALTGELD.
Body Will Lie in State at Chicago Public Library Today.

Chicago, March 14.—The funeral of the late John P. Altgeld was held at the Altgeld home today. Rev. Frank Crane preached the funeral sermon and Clarence Darrow, the ex-governor's law partner, delivered an address. The services were brief and simple. The judges of the Cook county bench, of which the decedent was once a member, attended in a body. The body will lie in state tomorrow at the public library and interment will be Sunday.

CHARGES AGAINST RAILROADS.
Indictments Are Returned by the Federal Grand Jury of Kentucky.

Louisville, Ky., March 14.—Indictments were returned by the federal grand jury today against railroads and shippers charged with violations of the interstate commerce laws, but the names of the firms and persons involved have not been made public. It is said three of the largest roads in this district are mentioned, as well as prominent grain shippers.

TO BUILD INTERURBAN ROAD.
La Crosse, Wis., March 14.—A company has been organized by local capitalists with a capital of \$1,000,000 to build an interurban electric road to Neilsville.

FATAL FIGHT OVER LIQUOR.
Nashville, Tenn., March 14.—During a quarrel over liquor at Lexington today, Sam Pratt shot and killed John Lindsey and Tom Hancock and wounded Neal Murray. Pratt surrendered himself.

STRIKERS RETURN TO WORK.

Gov. Crane Says Situation in Boston Looks Very Encouraging.

Boston, March 14.—After a day of conference, Governor Crane issued the following tonight:
"The situation looks very much more encouraging than last night. The railroads have all agreed to take back as many men as possible without discrimination. As far as the steamship lines are concerned, I understand the men have returned, or practically all of them.

"The railroad companies will not consent to discharge the men whom they have hired in place of the strikers, but they are well disposed to the men and are very anxious to take back as many as possible. The question of loading and unloading teams, while it came up incidentally today, was not very much discussed. It will be taken up next week."

The governor further said that the question of requiring the men to sign an agreement has not yet been arranged. In cases where men are taken back, seniority in service will have the preference.

The governor said in his talk with the men today that some wanted the railroads and steamship companies to take back every one who went out, but there were other labor leaders who said they would be satisfied if the majority were given their old places at once, provided the company made every effort to find places for the others.

He had advised the men to go back to work even though some were unable as yet to find positions. On the whole, he considered the situation encouraging.

BIG YEARLY SAVING.
Proposition of J. W. Midgeley a Money Maker for Railroads.

Chicago, March 14.—Railroads all over the country are considering the proposition of J. W. Midgeley for the formation of an association for the purpose of inaugurating and maintaining a per diem basis for the use of freight cars. Mr. Midgeley's recommendations in the matter are:

"That all settlements for use of freight be effective July 1, the members of the association agreeing to give it a thorough trial for twelve months; that such an organization is essential to supplement the work of the American Railway association; that the new association should not through an executive empowered to interpret rules, adjust differences, remove misunderstandings and recommend changes; that a clearing house be organized for the settlement of monthly balances growing out of the interchange of freight cars between members.

Mr. Midgeley claims his plan would affect a saving of over \$200,000,000 yearly.

CONFEREES DO NOT AGREE.
Cuban Reciprocity Is Discussed but No Votes Are Taken.

Washington, March 14.—The Cuban reciprocal conference today lasted until 5 p. m., and at its close Chairman Payne, who had been delegated by both sides to give out a statement, said the conferees had come to no conclusion and had adjourned until 2 o'clock tomorrow afternoon.

It is understood considerable time was given to the argument by Mr. Morris, of Minnesota, on the constitutionality of the rebate. Individually, members after the meeting said the prospects for an agreement were good, but that the form of the agreement was still in doubt, no plan yet having shown its advantages over others. There were no votes taken at the meeting.

CLAYTON MAY ANSWER.
Charges Against Ambassador to Mexico Are Forwarded to Him.

Washington, March 14.—The charges against Ambassador Clayton have been forwarded to him so he may answer if he cares to. This is the first time the question has been raised formally as to the propriety of an ambassador having financial or business interests in the country to which he is accredited. It is believed there is no specific law on the subject, and it is suggested the determining point in the case will lie in the character of Clayton's investments and the extent it might seem to tend to the influence of ambassadorial actions.

FURIOUS SNOW STORMS.
Blizzards Are PAGING in North Dakota and Colorado.

Grand Forks, N. D., March 14.—A furious storm has raged all day and the wind is blowing a gale. The temperature has dropped thirty degrees and is still falling.

Telluride, Colo., March 14.—A blizzard which began last night has continued throughout the day. Over a foot of snow has already fallen.

Quarry, Colo., March 14.—One of the worst snow storms of the winter is raging here. The wind is blowing sixty miles an hour and the snow is drifting badly.

DEMOCRATS IN SESSION.
Washington, March 14.—The Democratic congressional campaign committee met tonight and for over two hours discussed plans of reorganization. Thirty-four states were represented. The organization was not completed. The caucus adjourned for two weeks.

WISCONSIN ORATORICAL CONTEST.
Ripon, Wis., March 14.—In the state oratory contest tonight the first honors were won by Oscar E. Mauer of Beloit; second place, Alexander F. Baubien of Beloit; Warren H. Barber, Ripon, third. Mayer will appear in the interstate oratorical contest at Minneapolis.

"FRUIT OF THE LOOM."

Men and women of taste and judgment go into ecstasies over the wonderful patterns, textures and colors which are "the fruit of the loom." But there is one fruit of the loom they rarely consider, and that is the frail and faded woman, old before her time, because necessity compels her to work under conditions, which send her more favored sister to bed and the doctor's care.

The diseases which weaken and torment women, may in almost all cases be cured by the use of Dr. Pierce's Favorite Prescription. It establishes regularity, dries weakening drains, heals inflammation and ulceration, and cures female weakness.

"I had female trouble for eight years," writes Mrs. L. J. Dennis, of 328 East College Street, Jacksonville, Ill. "Words cannot express what I suffered. I sought relief among the medical profession and found none. Friends urged me to try Dr. Pierce's Favorite Prescription. When I commenced taking this medicine I weighed ninety-five pounds. Now I weigh one hundred and fifty-six pounds—more than I ever weighed before. I was so bad I would lie from day to day and long for death to come and relieve my suffering. I had internal inflammation, a disagreeable drain, bearing-down pain, and such distress every month, but now I never have a pain—do all my own work and am a strong and healthy woman."

"Favorite Prescription" makes weak women strong, sick women well. Accept no substitute for the medicine which works wonders for weak women.

Dr. Pierce's Pleasant Pellets should be used with "Favorite Prescription" whenever a laxative is required.

CHARTER NO. 260. First National Bank Of Marquette, Mich. Organized January 22, 1864. CAPITAL AND SURPLUS, \$200,000. DESIGNATED DEPOSITORY OF THE UNITED STATES.

Strong Nerves are the true source of good, healthy appearance.

Persons with half-strung nerves always look worried and "straggled-out." You cannot be happy without nerve vigor; you cannot be natural without all the powers which nature meant you to have.

Sexine Pills produce a healthy glow which art cannot imitate. They invigorate every organ, put new force to the nerves, elasticity to the step and round out the face and form to lines of health and beauty.

\$1.00 per box; 6 boxes (with written guarantee), \$5.00. Book free.

Sold Only at PEOPLE'S DRUG STORE, Marquette

DAILY MINING JOURNAL, A MORNING PAPER PUBLISHED BY THE MINING JOURNAL CO. (LIMITED.)

Issued daily except on Sundays. Contains Associated Press dispatches and is especially devoted to the Upper Peninsula interests. SUBSCRIPTION RATES: Per month, by carrier, \$1.00 Per year, by mail, \$10.00 MARQUETTE, MICH., MARCH 14.

Entered as mail matter of the second class in the postoffice at Marquette, Mich.

In what college did old John Jacob Astor get his degree before he started in business as a dealer in peltry with the Indians? And he was by far the best of the Astors up to date.

Now that the Boers have returned General Methuen to his friends, the war can be resumed. It is plain that his captors regard the British general as more formidable in the role of an eater than as a fighter.

Perhaps Mrs. Astor has reason to believe that a man cannot be a gentleman without having had the advantage of a college education. It may be that the kind of men she has met needed a good deal of polishing to make them pass muster as gentlemen. Some are born that way.

Senator Morgan worked out from his committee by a trick a favorable report on the Nicaraguan route for the isthmian canal, but he has not yet got his bill through the senate, and never will if Senator Hanna can prevent it. It is very doubtful if Morgan's successful but not very honorable strategy in the committee will help his pet scheme when it comes before the senate as a whole. There is a wholesome distaste in the senate as a body for the tactics which he employed to get the bill reported out favorably by his committee.

The death of Colonel J. A. Baylies of Detroit, which occurred at Schenectady, N. Y. Wednesday, will be regarded as a personal loss by many citizens of Michigan—among these being the members of legislatures for many recent years. He was chief inspector of the Pullman Palace Car Co., and among his duties was attendance at the legislative sessions to look after the bills affecting the company that were introduced from time to time, and incidentally to see that none of the friendly members were obliged to pay for accommodations on the Pullman sleepers. The colonel was a genial, courtly gentleman and an accomplished lobbyist in his own peculiar way. The Pullman people will find it difficult to secure an equally capable man for the work he was charged with, and the legislators will miss him sorely.

Alluding to the effort the steel corporation is making to prevent an advance in prices at this time, C. L. Lockwood of Cleveland writes as follows:

If the steel combination can prevent higher prices it will be a benefit to the future. It has not entirely succeeded, but has largely influenced conservative action, and its views have been accepted by new organizations forming, causing them to avoid seeking immediate gain at the expense of future prosperity.

The get-rich-quick combinations are dead, or dying, while those that are mixing brains with their capital, and working along large lines, are gaining in prosperity and the respect of business men.

The attempt to require the loss of years in one year by combination has proved a failure, and is the cause of feeling against corporations. Prices are as high as they should be, if not too high, for the best interests of all. Any material advance would increase the danger of collapse.

The Chicago News, in its financial columns, says it has official authority for the statement that the United States Steel corporation will issue \$250,000,000 of 5 per cent bonds, which will mature in fifty years. With the proceeds \$200,000,000 of the preferred stock will be retired and \$50,000,000 will be utilized for miscellaneous purposes. This will enable shareholders to convert 40 per cent of the preferred stock into bonds. A sinking fund will be provided upon the completion of the financial plan. Five million dollars will be placed in the fund at once, and the same amount contributed annually, so that at the maturity of the new mortgage bonds a sum sufficient for retirement will be on hand. It may be suggested upon the same authority that ultimately all of the preferred issue will be retired. All of the leading shareholders—Lockefeller, Morgan, Frick, Field—are in favor of the proposition. It is argued that by retiring \$200,000,000 of 7 per cent preferred stock an additional fixed charge of \$14,000,000 is removed and in its stead there will be placed an annual fixed charge of \$12,500,000, which is the interest on \$250,000,000 of 5 per cent bonds. By carrying out this plan the corporation will be provided with \$50,000,000 additional cash and at the same time save \$1,500,000 in dividends.

ORE SALES AND CHARTERS.

The Iron Trade Review for the week has this concerning ore sales and charters for the season about to open: Following the first rush of business on the opening of the ore market for 1902 last month there were two or three weeks of quiet. This in turn has been succeeded by a period of steady buying, not in large contracts, but in lots of from 2,500 to 25,000 tons. Early buyers have become sufficiently assured as to their year's operations to add to their original orders, making further purchases of the same ores where these are still on the market, or when necessary purchasing out with other ores. The advance

over 1901 on non-Bessemer ores and on all Mesaba grades has been maintained, but there has been no other advance than that would take account of the advance in pig iron. In the lake freight market matters are still drifting. An early opening is now predicted, and the adjustment of dock companies and the longshoremen's union is not likely to develop any serious friction, last year's rates being in the main satisfactory. The large interests that have offered 75 cents for tonnage have done nothing as yet, and the duration of the deadlock is uncertain.

METHOD OF ELECTING SENATORS.

It has been brought to the attention of the United States senate with sufficient directness that the people desire a change in the method of electing its members, yet it delays action to enable the legislatures of the states to pass on the amendment to the federal constitution which, if carried, would make senators elective by direct vote of the people. The lower house of congress has for the fourth time sent to the upper branch a joint resolution for the submission of the amendment but the senate has failed to act upon it for three sessions in succession, and now for the fourth time it is apparently hung up in the senate committee to which it was referred.

An inquiry by Senator Berry of Arkansas one day this week as to whether the committee intended to permit a vote to be taken on the resolution at this session brought out the assurance from Senator Burrows of this state, who is chairman of the committee on privileges and elections, that it would be reported out in time to allow of action being had on it before the session ends. He was followed by Senator Hoar, who stands next on the committee to Burrows, and who is bitterly antagonistic to the proposed change. Senator Hoar declared that he would not be hurried, nor would the senate in its action if he could prevent that. He took the ground that the present method of electing senators is one of the safeguards of our institutions and that to make the change asked for by the people would be "a breach of the national pledge which lies at the foundation of our government."

The venerable Massachusetts senator takes the matter quite too seriously. The change would make no difference whatever as to number in the representation of the states in the senate. Each state would still have two senators. Whether it would work a deterioration in the quality of the representation is another thing. Senator Hoar obviously believes it would operate to give us a less able and dignified upper house. But with the recent encounter between two members of the senate, and a second between two others narrowly averted a couple of days afterward, fresh in mind, it is not easy to believe that election of the senators by popular vote would lower the standard of decorum or ability in that branch of congress. If senators were elected by direct vote of the people aspirants might still buy their way to seats, but is it not the fact that they do that now? And would it not be far more difficult to corrupt the voters of a state than of the majority of a legislature?

It is our honest belief that the change sought would tend to give us as good men in the senate as we get under the system of electing them which is now in vogue, and it certainly should have effect to give us less corruptible state legislatures, for it would remove one of the incentives which now impel men with itching palms to eagerly seek legislative seats in years when senatorial elections are pending.

A CARD.

We, the undersigned, do hereby agree to refund the money on a 50-cent bottle of Greene's Warranted Syrup of Tar if it fails to cure your cough or cold. We also guarantee a 25-cent bottle to prove satisfactory or money refunded. The Stafford Drug Co., Desjardins' Pharmacy, "The People's Drug Store" (11-16-6mo)

NOTICE.

We have been employed to act as the attorneys for the trustees of the Military Road lands belonging to the Ayer estate to protect said lands against trespass and pillage. The prompt communication to us of any information as to trespass on said lands will be esteemed a favor. ELDRIDGE & MILLER, (1-3-2tm-tf) Marquette, Mich.

Cleanse Your Blood

The cause of all spring humors, pimples and eruptions, as well as of that tired feeling and poor appetite, is found in impure, depleted blood. The perfect blood purifier is Hood's Sarsaparilla, as multitudes know by experience.

It cures all blood diseases, from the smallest pimple to the stubborn scrofula sore—from morning tiredness to extreme nervous prostration. Begin taking it TODAY.

HOOD'S Sarsaparilla

Is America's Greatest Spring Medicine. Be sure to get Hood's.

"Mrs. Pinkham Saved me from an Operation."

Operations Avoided.

When a physician tells a woman suffering with ovarian or womb trouble that an operation is necessary, it of course frightens her.

The very thought of the operating table and the knife strikes terror to her heart.

And our hospitals are full of women who are there for ovarian and womb operations!

It is quite true that these troubles may reach a stage where an operation is the only resource, but such cases are much rarer than is generally supposed, because a great many women have been cured by Mrs. Pinkham's medicine after the doctors had said the operation must be performed.

Lydia E. Pinkham's Vegetable Compound has been very successful in curing ovarian troubles. In fact, up to the point where the knife must be used to secure instant relief, this medicine is certain to help.

Ovarian troubles are easily developed from womb troubles, and womb troubles are so very common that ovaritis is steadily on the increase among women. It is, nevertheless, a most serious trouble, and to recommend wrong treatment for it is a crime for which there cannot be too deep a penalty.

It is, therefore, with full consciousness of the seriousness of the disease and the steady failure of other medicine to cure it, that we present for ovarian and womb trouble Lydia E. Pinkham's Vegetable Compound as the most certain to help of any medicine in the world to-day. Any person who could read the letters in Mrs. Pinkham's files at her office in Lynn, Mass., would be convinced of the efficiency of Mrs. Pinkham's Compound.

The strongest and most grateful statements possible to make come from women who have escaped the operating table by the use of this medicine. Let any woman suffering from these troubles, or anything which may develop into them, write and get Mrs. Pinkham's advice. If you are beyond the reach of the medicine, you will be frankly told so, but, if not, you will be fully and carefully and kindly advised.

The most serious of all the diseases of women, as well as the minor ills, are promptly overcome by

Lydia E. Pinkham's Vegetable Compound.

\$5000 REWARD

Owing to the fact that some skeptical people have from time to time questioned the genuineness of the testimonial letters we are constantly publishing, we have deposited with the National City Bank of Lynn, Mass., \$5,000, which will be paid to any person who can show that the above testimonial is not genuine, or were published before obtaining the writers' special permission.—LYDIA E. PINKHAM MEDICINE CO., LYNN, MASS.

Earnest Words of Gratitude.

"DEAR MRS. PINKHAM:—Your Vegetable Compound has completely cured me of the worst form of womb trouble, and made me a strong, healthy, robust woman. Before using Lydia E. Pinkham's Vegetable Compound, I suffered with severe pains in back and side, headache and nervousness. Menstrues would sometimes occur every two weeks, and once I had a severe hemorrhage which lasted a month. I was confined to my bed and the attending physicians told me I would have to undergo an operation as soon as I was strong enough. I read in one of your little books several testimonials from ladies who were cured by your Compound after having been told by their doctors that an operation was necessary, and I made up my mind then and there to commence taking your Compound. I did so and it has completely restored me to good health. I have gained twenty-two pounds since taking it and my flesh is as solid as a rock. My friends remark about the change in me. I am a living advertisement of what Lydia E. Pinkham's Vegetable Compound can do, and have influenced many of my friends to try it, which has proved very gratifying in its results. I thank you for restoring me to health."—ANNIE HARTLEY, 269 S. Sangamon St., Chicago, Ill.

ANOTHER OPERATION AVOIDED.

"DEAR MRS. PINKHAM:—I feel very grateful to you for the benefit I derived from your kind advice and remedies. I was troubled with a complication of female troubles, had ovaritis, painful and irregular menstruation, leucorrhoea, nervousness, and weakness. I had no appetite and could not sleep nights. The least exertion would cause shortness of breath and dull pains in my hips and side. The doctors all advised me to have an operation and have one of my ovaries removed, but this I could not bear to think of. I was induced to try Lydia E. Pinkham's Vegetable Compound, and after taking the first bottle I was much improved. It renewed my appetite, health, and strength. I continued taking it, also your Blood Purifier and Sanative Wash, until entirely cured of all my troubles. The pains have never returned, and my health is splendid.

"Your remedies have been a boon to me, and I am sure many a woman owes her life to them."—MARIE WEBB, 356 Columbus Ave., Boston, Mass.

"DEAR MRS. PINKHAM:—I feel it my duty to publish the wonderful help Lydia E. Pinkham's Vegetable Compound has been to me. I was like a crazy person—could not eat or sleep; there was no rest for me day or night. Physicians examined me and said an operation was necessary. Before undergoing it, however, I determined to try Lydia E. Pinkham's Compound. I am so glad I did, for it cured me. I am a well woman now and can do any kind of work. I want this published throughout the land, so that all my suffering sisters may read, and if in any way afflicted with female troubles, they may be induced by my sincere statement to try this wonderful Vegetable Compound and be cured."—MRS. MARGARET BAMPFORD, Centennial Ave., Crescent Beach, Revere, Mass.

"DEAR MRS. PINKHAM:—I wish to send you my testimonial stating the grand effect Lydia E. Pinkham's Vegetable Compound has had on my health. I was suffering to such an extent from ovarian trouble that my physician thought an operation would be necessary. Your medicine having been recommended to me, I decided to try it. After using several bottles I found that I was cured. My system was toned up and I suffered no more with my ovaries. Your medicine is the greatest boon on earth to suffering women."—MRS. ANNIE ASTON, Box 137, Troy, Mo.

Copper Country Department

HOUGHTON DEFEATS CHICAGO.
Spalding Team Loses Indoor Ball Game by Score of 6 to 5.

Copperdom lads can play indoor ball just as well as they can hockey and demonstrated their ability along that line last evening, when the Houghton team defeated the Spaldings of Chicago by a score of 6 to 5.

The Chicago ball tossers came to the copper country with the idea of making monkeys out of the upper peninsula boys, but if there were any monkeys on either side it was on the Windy City side.

The Spaldings certainly play well and had some slow balls that fooled the locals at first, but the Houghtonites soon got on to them and it was all off.

The playing was snappy from start to finish and was not settled until the last man was out. It was a pitchers' battle all the way through. Murphy struck out eighteen men for Houghton and Depew sixteen for Chicago.

How the Teams Lined Up.
The line-up of the Chicago team was as follows: Catcher, Frank Clark; pitcher, Ed Goebel; first base, Bert O'Neil; second base, Frank Roth; third base, L. B. Dickey; Al Dohrn, left shortstop; L. Hoffman, right shortstop; H. Beckman, left field; M. D. Judd, right field.

Houghton lined up as follows: Murphy, pitcher; Croze, catcher; Funkey, first base; Brand, second base; Currie, third base; Brann, right shortstop; Ohenoff, left shortstop; Haas, right field; Con Murphy, left field.

Skel Roach, an old baseball player, is managing the Spaldings. He said today that his team has not been defeated this season and has been playing two games a week since the season opened.

Second Game This Evening.
The second game with the visitors will be played this evening, and the advance sale of seats warrants a large attendance. There will be no change in the Houghton team. The greatest interest is being shown in the contest and in the ability of the local team to win out over the fast Chicago aggregation.

VILLAGE BUILDING ACCEPTED.
Lake Linden Council Well Pleased With New Structure.

The Lake Linden village council held its first meeting in the new village hall Thursday night and at the same time it was the last gathering of the present board. The councilmen inspected the building and accepted it for the village, being highly pleased with the structure. Pending the completion of the work in its entirety the board will hold back \$800 due the contractor and retain his bond for sixty days. The building has been insured for \$100,000, divided equally among the T. H. Harris, Samuel Eddy and E. F. Prince agencies.

The council ratified the recent election. James McLaughlin and Fred Kepler are the retiring councilmen.

CAUGHT IN THE ACT.
Emil Verbariza Steals from Frank Mehalatz and Is Arrested.

Acting Marshal Ed Lee of Hancock went to the Pawabic location yesterday morning and arrested Emil Verbariza at an Austrian boarding house on the complaint of Frank Mehalatz, who charged Verbariza with the larceny of \$175 from a trunk. The defendant was caught in the act, the reason for his being watched being a suspicion that he took \$65 that had previously disappeared from the house. The case was tried in Justice Finn's court this morning and the matter was settled satisfactorily and the case dismissed.

The **COPPER** That Comes from the
"DOANE" MINE.
100 LBS. OPE PRODUCE
40.70 LBS. COPPER

Their directorate is their strongest point. It assures honesty and fair dealing. Every statement made is backed up with proof. A record of some recent shipments from the Doane mine, which I verify by showing the actual smelter returns:

Date	Pounds	Copper	Value
Dec. 31, 1900	43,201	51.22	\$2,203.26
Jan. 15, 1901	45,505	49.89	2,263.21
Feb. 28, 1901	39,884	50.58	2,014.85
Mar. 22, 1901	46,189	49.39	2,281.62
April 3, 1901	45,720	49.97	2,284.96
April 8, 1901	45,034	49.17	2,214.83
May 2, 1901	42,827	49.28	2,111.96
May 2, 1901	38,629	49.71	1,921.62
July 27, 1901	35,690	48.49	1,728.19
Aug. 15, 1901	48,806	49.55	2,418.96
Sept. 10, 1901	37,040	49.53	1,835.19

THE AVERAGE PER CENT FOR THE 12 CARS IS 49.70.
THE AVERAGE VALUE FOR THE 12 CARS IS \$2,008.45—FIGURE IT YOURSELF.

Smelter returns are the strongest proof obtainable for getting at the actual value of ore shipments. This the money you get for your product that counts.

With the conservative business management which this company has; with the rich ore which they have been and are shipping; it certainly must appeal to an investor in a very forcible manner. The stock which is now selling at 50 cents per share (par value \$1.00) to install a proper equipment of machinery for economically handling the output, must necessarily increase in value and net the purchaser a handsome profit.

I will gladly give you detailed information by letter or preferably in a personal interview.

as follows: Miss Eva Guck, president; Mrs. Robert Grierson, vice president; Dr. A. Baldwin, secretary; Miss Jessie MacDonald, treasurer. The society has thirty-six members.

Mrs. Emil Lafave of Lake Linden died Thursday morning of pneumonia after a three weeks' illness. She was forty-five years of age. Mrs. Lafave resided on a farm east of the village. She is survived by her husband and several children. Funeral services will be held at St. Joseph's church this morning.

THIRTEEN GET LOTS.
Isle Royale Company Deeds Property to Freeholders of Adams Township.

The Isle Royale Mining company has decided to each of the thirteen freeholders of Adams township who signed the application, which was presented to the county board at its regular meeting April 8, asking that a portion of Portage township be detached and added to Adams township, a lot in Portage township thus making them freeholders of Portage as well as Adams. According to this it appears that the mining company is the power behind the throne in the move to divide Portage township or at least that is generally surmised. The freeholders who got the lots are: P. M. Stanton, Lorenzo Bree, Richard S. Trevarthen, Albert D. Edwards, John T. Holman, William C. Cole, Michael Messner, William S. Threlway, Michael Messner, Jr., Martin Messner, Jacob Nickles, Charles Keiskie and John Juntikka. The record of the transfers is on file at the county register of deeds office.

The petition that will be presented to the county board is also signed by thirteen other Portage township freeholders and it should have considerably more weight with the additional thirteen who are now freeholders, not only of Adams but of Portage, making twenty-six freeholders of Portage. The township will be divided, and thirteen of Adams.

The territory is proposed to be detached from Portage is as follows: All of sections 1, 2, 3, 10, 11 and 12 in township 54 north, range 34 west; and also the south one-half of the southwest one-quarter of section 36 township 55 north, range 34 west.

BREAKS STATE RECORD.
Joseph Betzler of Red Jacket Makes Bowling Score of 279.

Joseph Betzler of Red Jacket broke the state bowling record in a match with Miller's alley Thursday evening. His score was 279. The record was 278, held by a Detroit man.

Some high scores are being made at some of the other alleys in the county. At the Harrold station, Houghton, W. J. Allen, Calumet, has a record of 257 for this month; J. D. Cooper, Lake Linden, 222; Ed Halseigh, Houghton, 216; and John Stecker, 214; Frank Torrey, 218; Carl Biekle, 219; E. R. Hixon, 217; William McNair, 214; Hugh Harrold, 216; John Michaels, 205.

At the Thurmes' alleys, South Lake Linden, Dr. Coggin leads with 184; James King's next with 194; and Caesar Lafave has 191 to his credit.

SOUNDINGS NEARLY ALL TAKEN.
Engineers Will Complete Work Today for the Winter.

The force of men employed by the government taking soundings on Portage Lake under the supervision of B. Feut, of the government engineer's office at Houghton, will complete its work for the winter today. The only part of the lake left to cover is that at least near the canal and that will be attended to after the ice goes out. The soundings will then have to be taken by the aid of a boat. It will take about a week to finish the job.

IN THE JUSTICE COURT.
Also the complaint of Charles Leksell of Calumet, Campbell McPherson, also of that place, was tried in Justice LeGendre's court Thursday for assault and battery. The defendant was found guilty and was sentenced to thirty days in the county jail.

When Olaf Norman of Calumet died some time ago he left a graphophone to his son, Dr. Coggin, in a will. The case against Amedea Mariani, the Calumet saloonkeeper, charged as one of the parties in the alleged assault on Letto Rock, a laborer, at Calumet one night this week, has been discontinued. It now appears that Mariani did not strike Rock and the two have patched up their differences.

A HORRIBLE OUTBREAK.
"Of large sores on my little daughter's head developed into a case of scald head," writes C. D. Isbill of Morgantown, Tenn., but Bucken's America Sals, completely cured her. It's a guaranteed cure for Eczema, Tetter, Salt Rheum, Pimples, Sores, Ulcers and Piles. Only 25 cents at Stafford's.

WHERE'S THE ECONOMY
in buying cheap imitations of Pond's Extract? They can't be substituted for it—can't be made like it—can't fill its place. What does it matter how large the imitation bottle—how cheap the cost, if the contents are worthless? Every drop of Pond's Extract does its work.

Men of Irregular Habits

from the mine now, is interested. The smelter will be built on the plan of those in use in the West.

FINNISH GLEE CLUB CONCERT.
The Calumet Finnish Glee club, under the direction of Professor Sanfrid Mustonen, will give a concert at the Calumet theatre tomorrow evening. The program will consist of Finnish and English numbers besides two operettas. Special features will be selections by the full club, a ladies' choir, a mixed choir, Richard Moele and Professor Mustonen. It will be the second concert given by the club this season.

BRIDGE DRAW WILL DO.
A dispatch from Washington to the Detroit Evening News says that the secretary of war has issued an order that the bridge between Houghton and Hancock will do and that Congressman Sheldon "has been able to notify the folks at home that the cost of the new draw can be expended in some other kind of improvements."

HOUGHTON MAY BE NEXT.
A well known Houghton saloonkeeper is of the opinion that the reform movement, of which the Hancock liquor dealers have recently got a taste, will spread to Houghton before very long and says he would not be surprised if the Houghton saloons would be watched by the so-called reformers tomorrow. He further says that it is only a question of time when the saloons will have to shut up tight on Sundays and that the "dry" Sabbath will be in order before very long. He believes the Civic Federation of Calumet is going too far in its reform movement and thinks it will soon get enough rope to hang itself.

Abundant Health is assured when there is good blood in the veins. Hood's Sarsaparilla is the medicine to make good blood. Begin taking it now. It is just what the system needs at this time and will do you great good. Sharpens the appetite, steadies the nerves.

No matter how long you have had the cough; if it hasn't already developed into consumption Dr. Wood's Norway Pine Syrup will cure it.

A PROFITABLE INVESTMENT.
"I was troubled for about seven years with my stomach and in bed half my time," says E. Demick, Somerville, Ind. "I spent about \$1,000 and could get nothing to help me until I tried Kodol Dyspepsia Cure. I have taken a few bottles and am entirely well." Kodol Dyspepsia Cure does the stomach's work by digesting the food. You don't have to diet. Eat all you want. Kodol dyspepsia Cure cures all stomach troubles. The Stafford Drug Co., H. N. Meloebe Co., Hespering.

Years of suffering relieved in a night. Itching piles yield at once to the curative properties of Doan's Ointment. Never fails. At any drug store, 50 cts.

Words of Hope for the Despondent.

Paine's Celery Compound

The Marvelous Banisher of Disease Has Become the Popular Family Medicine.

Devised by an Eminent Physician and Generally Prescribed by the Profession.

Professor Edward E. Phelps, M. D., LL. D., according to the ethics of honest and reputable physicians, gave to the leading medical men of the world his wonderful prescription Paine's Celery Compound as soon as it was perfected. For this reason Paine's Celery Compound has never been included among patent medicines. Coming from so high a source, and being so thoroughly tested and so strongly recommended, physicians prescribe it with confidence.

Paine's Celery Compound rapidly gains in fame as a disease banisher; all who have tried it gratefully acknowledge its curing and life giving power. It drives the poison germs of deep seated diseases from the blood; it brings buoyancy of spirit in place of lassitude and despondency; it enabled the overtaxed and broken down system to start fairly on the road to health; it gives the sweet sleep so necessary to brain and nerves. It strengthens, invigorates, and gives tone to the system, makes pure blood, food and nourishment for nerves and tissue. It makes sick people well.

Mr. John B. Dryden, Editor of the "Frankfort Call," Frankfort, Ky., writes as follows:—

"It gives me great pleasure to state to you, and to any suffering human being, that in my judgment there are thousands upon thousands in this broad land of ours who are today suffering, who might enjoy all the blessings of health if they would but use your great medicine, Paine's Celery Compound. For the cure of dyspepsia it has no superior, and that dread disease, insomnia, will soon be a thing of the past if people who are thus afflicted will use this medicine."

"I have used the Compound in my family and always with beneficial results. As a family medicine I do not think it possible to find its superior. To those who are worn out in body, it will speedily bring them back to health and make them feel that life is worth living again. To all poor, suffering, human creatures, we say 'use Paine's Celery Compound if you want to be made well.'"

CHARLTON & GILBERT, ARCHITECTS,

MARQUETTE, MICH. MILWAUKEE, WIS.

SHORTS RALLY STOCKS.

Buying to Cover Hardens the Coppers All Around.

Hayden, Stone & Co yesterday wired the Laidley Commission company as follows concerning the Boston market: "The coppers were pretty dull today, with no important changes. A rally by shorts covering caused a small advance in a few stocks, but it brought in very little outside buying and so the market relapsed into dullness."

Paine, Webber & Co. said: "There was further scattered liquidation today, but the prices were well held by shorts covering. Toward the closing Osceola was bid up on the shorts, and the other coppers hardened in sympathy. For the present, the coppers will probably continue dull. Should there be another sudden shakedown, stocks should be bought for a turn. The present is a good time to dispose of copper stocks of questionable value, and remember that the good coppers are always a buy."

Wheat Down; Corn Up.

W. H. Laidley & Co. said of the Chicago grain markets: "The cables failed to reflect our advance in wheat yesterday and this, together with light Argentine shipments and cold weather in the Northwest, brought a firm opening and a trifle higher than last night's close. The market remained extremely dull, but firm until near noon, when the price commenced to decline upon bearish news and closed at the bottom. 3/4 under last night's. The receipts here were a little larger than estimated, the Northwest break of 2 1/2 cents and should be due for some reaction. "Corn opened at about last night's close to a shade higher and was slow all day, though it closed at an advance of 1/2 over last night. The market seems to be breaking away from wheat and is astonishingly strong. A better cash demand is reported, while a rather large short interest has accumulated. Still we think lower prices will be seen."

New York Stocks Irregular.

Dick Ross, wiring Paine, Webber & Co., said of the Wall street stocks: "Although generally firm today, stocks were irregular and only moderately active. There was selling in anticipation of an unfavorable bank statement, the figures showing that the banks have lost about \$6,000,000 in cash. The government, however, paid \$2,470,000 for a break of 2 1/2 cents and should be due for some reaction. "Corn opened at about last night's close to a shade higher and was slow all day, though it closed at an advance of 1/2 over last night. The market seems to be breaking away from wheat and is astonishingly strong. A better cash demand is reported, while a rather large short interest has accumulated. Still we think lower prices will be seen."

Upper Peninsula.

Prosecuting Attorney Mills of Menominee county has received word from his correspondent at Vera Cruz, Mexico, that the extradition papers for Archie V. Freeman, the fugitive forger, have been approved by the Mexican government, and that the matter has been sent to the department of foreign relations, which has the power to issue the official warrant required to return the prisoner to leave the country. As soon as this necessary instrument is granted an officer will be sent from Menominee with all dispatch to Vera Cruz to bring the prisoner back. Freeman is expected at Menominee about April 1.

NO MORE WARS.

Many prominent people of this country and England profess to see the realization of their hopes for universal peace in an Anglo-American alliance. Their plan is to settle all future differences by international arbitration. This news will be joyfully received by everybody, but especially by the soldier who is at present engaged on some foreign battle-field. The news that Hostetter's Stomach Bitters will positively cure stomach, liver and bowel complaints will also be gladly received by every sufferer from sick headache, dizziness, flatulency, indigestion, dyspepsia, constipation or biliousness. Do not suffer any longer, but try the Bitters at once. It is backed by a record of fifty years of cures. Beware of counterfeits when buying. Our Private Stamp is over the neck of the bottle.

REGISTRATION NOTICE.

Notice is hereby given that the boards of registration of the several wards of the city of Marquette will be in session on Tuesday and Wednesday, the 18th and 19th days of March, A. D. 1902, from 8 o'clock in the forenoon until 8 o'clock in the evening for the purpose of completing the list of qualified voters of said city, at the following places, to-wit: First Ward—Building corner of Lake and Garden streets. Second Ward—City road roller building, Spring street. Third Ward—Hodgkins' livery office, Pine street. Fourth Ward—City Hall, Washington street. Fifth Ward—Building at No. 416 West Washington street. Sixth Ward—Building at No. 503 North Third street. Seventh Ward—Building at No. 823 North Third street. Eighth Ward—Hamm Moore's residence, No. 921 Pine street. It will be the right of each and every person then residing in said city of Marquette, and who will be entitled to vote at the election to be held therein on Monday, April 7th, 1902, and whose name is not already registered, to have his name entered in the register of electors of the ward in which he actually resides.

GIVES UP TRIP TO FRANCE.

King Edward Will Forego His Promised Visit to the Riviera.

London, March 14.—King Edward has abandoned his proposed visit to the Riviera. This announcement made this morning by the Daily Mail, and following yesterday's veto by the ministry of the king's trip to Ireland, has caused a double sensation.

King Edward's plans for his visit to the Mediterranean shore included a short stop in Paris, and President Loubet had been duly notified. The news that the English king would stop at Paris created no little dissatisfaction at the French capital, the pro-Boer boulevard journals evincing decided hostility and the government papers expressing anxiety over the prospect of a visit from a ruler who is just now so unpopular in France.

It is hinted that King Edward was influenced by French clamor to give up his contemplated trip to the Riviera. "The Irish Nationalists are not a little put out by the king's decision not to visit Ireland. They blame the ministry, not the king. The Freeman's Journal voices the Nationalist views, saying: "The ministers have put a veto on the intended visit. It would be difficult for his majesty to reject the veto of his constitutional advisers; but, it is plain that he insisted that responsibility should be theirs and not his. His ministers could not venture to allow the king to see with his own eyes and hear with his own ears of the barbarous methods of the castle and the deep resentment of his people. There was imminent danger that his visit would have led him to home rule or confirmed his existing conviction."

Upper Peninsula.

Prosecuting Attorney Mills of Menominee county has received word from his correspondent at Vera Cruz, Mexico, that the extradition papers for Archie V. Freeman, the fugitive forger, have been approved by the Mexican government, and that the matter has been sent to the department of foreign relations, which has the power to issue the official warrant required to return the prisoner to leave the country. As soon as this necessary instrument is granted an officer will be sent from Menominee with all dispatch to Vera Cruz to bring the prisoner back. Freeman is expected at Menominee about April 1.

NO MORE WARS.

THE NORTH HOPE MINE.

C. D. Harding Says Indications of Its Proving a Good Thing Are Bright.

C. D. Harding, who is interested with E. C. Cooley of this city in the North Hope mine at Crystal Falls, came over there Thursday. In a talk with The Mining Journal representative he expressed the belief that the property will be a winner.

Since Mr. Harding's last visit here work has been abandoned in the main shaft and another has been started. The hoisting is being done with a windlass and the shaft became too deep for successful work with that apparatus. The shaft was in one all the way from the time the ledge was struck, which was about twenty feet from surface, until work was discontinued at a depth of fifty-five feet. A cross cut was extended fifteen feet from the bottom and this was also in ore. Returns from an assay received here Thursday showed that the ore is improving as depth is attained. The last test shows up 57.65 per cent in iron. The former test, taken a few weeks ago, was 55.50.

The ledge was struck at a depth of twenty feet in the new shaft. The sinking is now in ore. The new shaft is three hundred feet north of the old one. The shaft is now being sunk in the North Hope vein is a continuation of the Hope mine deposit, which adjoins it on the south. This being true, the property will not be long on the market, as the Hope is said to be showing up exceedingly well.

The shaft is now down about four hundred feet. The quality of the ore has improved from the time the ledge was struck. In appearance the ore is almost identical with that coming from the North Hope, and the assays from that mine at first showed it to contain about the same percentage of iron as does the Harding-Cooley proposition. The last assays taken of the Hope ore ran nearly 64 per cent in iron and very close to the Bessemer limit.

Extensive preparations for an active season are being made at the Hope. A mammoth shaft house is being built and new pockets are being opened in the management is satisfied that the mine will produce ore for years to come. A side track is also being extended to the property. A 200-foot pile of ore has been stockpiled and will be shipped during the coming winter. With work of this character being done, it is not surprising that the owners of the North Hope feel that they have much to encourage them. A couple of parties are now figuring with them, but as yet they cannot say that a deal for its sale will be closed.

The Hope mine was discovered by Mr. Harding and it was sold to the Harding-Cooley-McKinney company. Later these people sold out to the Oliver Iron company, the present owners and operators.

FRENCHMEN HOLD MEETING.

They Will Take an Active Hand in Coming Municipal Political Battle.

The French-American voters of Ishpeming intend to ask for recognition from one or the other of the municipal political parties at the coming election. There was quite an enthusiastic meeting of the more prominent Frenchmen of the city on Wednesday evening last at Mr. Anderson hall, several present were heard in short talks and it is pretty generally understood among the French citizens that they will stand united in supporting one of the tickets to be nominated.

H. N. Meloche, candidate for mayor, was present and he gave the voters a red-hot talk on municipal affairs. The doctor seems to think that ex-Mayor William Andrews is the only one who is liable to knock him out of the nomination on the Labor ticket. He did not express himself as being favorable to Mr. Andrews' candidacy. He declared that Andrews "should go away back and sit down" and give some other man a chance; that a number of the poor men of the city had lost good jobs by sticking to Andrews and upholding his principles. He said Andrews was mayor long enough and he disapproves of his being again put up for the office.

The principal object of the meeting was to perfect plans for the organization of a French-American political club. The French voters believe that when they have such an organization they will be in a position to ask recognition from the political parties of the city. Nearly all present at the meeting, and there was a good crowd, agreed to join the club.

A committee was named to ascertain the names of Frenchmen in the several wards of the city who will join the club. It is said that a number of the voters of that nationality have expressed themselves favorable to the organization and it is predicted that the list of members will be quite large before election day.

JOHNSTON NOT A CANDIDATE.

Mayor W. H. Johnston's name has been prominently mentioned in connection with his alleged intention to be a candidate for a second term. A number of the leading people of the city have called on him and urged him to accept the nomination of the Citizens' party ticket, but he has declined. Mr. Johnston yesterday stated to The Mining Journal representative that he was too busy in looking after the duties of his position with the United States Steel company to take the executive chair of another year. It is much busier now than he was a year ago, as he has had additional labor and responsibilities placed upon him within the past few months.

The names of a couple of other prominent citizens are mentioned for the mayoralty, though the leaders of the Citizens' party have not yet decided in favor of any man.

WILL TALK FARMING.

Charles Laurier of Marquette will give a talk next Sunday afternoon at the Anderson hall at the conclusion of the local French society's regular meeting. He will discuss on the advantages of the farming lands of Canada. He is out in the interest of the Dominion and is inducing quite a number to take up farms over there. There are several here who are thinking of going over there and engaging in that business, consequently Mr. Laurier's talk will be of special interest. The officers of the society will be pleased to see a large number of the members present at the meeting.

FINNISH RESIDENT DIES.

Herman Pantti, Jr., residing at 723 Spring street, died yesterday from paralysis of the heart. The deceased had been sick for the past six months and during the last few weeks his relatives and friends knew that there was no hope for him.

Pantti was twenty-seven years of age. He is survived by his widow and two small children. The funeral will take place tomorrow afternoon at 2 o'clock.

WILL VISIT ABROAD.

Dr. J. Vandeventer and wife left yesterday morning on a trip abroad. They will be joined in Boston by Dr. Wardell of Nashville, Tenn., formerly of this city, who will accompany them. The party will sail from Boston on the Saxeville. Dr. and Mrs. Vandeventer may remain abroad the greater part of the summer. It is their intention to spend much of their time traveling, as they wish to visit as many of the European cities as possible.

MRS. OLDS SURPRISED.

Mrs. Alice Olds, a well known resident of the Lake Angeline location, was tendered a surprise on the evening of the 8th inst., the occasion being the fiftieth anniversary of her birth. There were upwards of fifty lady friends of Mrs. Olds in the party. Mrs. Olds was presented with two costly pieces of silverware, handsomely decorated. The evening was pleasantly passed.

THERE'S MANY A SLIP

on the ice or wet ground at this time of year, and many a sore spot in consequence. No amount of caution will guarantee you against accident. HAS MANY VIRTUES.

For cuts, burns and bruises De Witt's Witch Hazel Salve is unequalled. Draws out the fire, stops the pain, soon heals the wound. Beware of dangerous counterfeits. Sure cure for piles. The Standard Drug Co., H. N. Meloche Co., Ishpeming.

THE DEADLY GRIP

MAKES ITS YEARLY APPEARANCE AND CLAIMS MANY VICTIMS.

An Immense Amount of Suffering from This Cause—A Few Hints on How to Guard Against It and Its More Dreadful After-Effects.

With each recurring epidemic of the grip it becomes more evident that it leaves in its wake a train of stubborn ailments that often baffle the skill of physicians. Loss of flesh, thin blood, nervousness, shortness of breath, exhaustion after slight exertion—so that it is often difficult to walk up stairs—these are a few of the symptoms of after-effects of the grip. More serious results often follow and grip has come to be regarded as the highroad to pneumonia, bronchitis and even consumption.

Miss Nellie Hathaway, a winsome girl of fifteen, living at No. 129 Portage street, Kalamazoo, Mich., was one of the many who were afflicted with grip last winter. The disease left her all run down and her blood in a very impure condition. Her case is best stated in her own words.

"I was taken with the grip in March," she says, "and when I got over that it left me in a very poor physical condition. I was weak all over, had no ambition to do anything and when I stood up or tried to walk I became so dizzy that I had to give it up. I spent most of my time on a couch for about a month. I had no appetite and nothing that I did force myself to eat tasted good. Then I began to break out with boils and my eyes became sore and inflamed and I know my blood was in an awfully bad condition. We had a doctor but he did me no good at all that we could see, so my mother thought she would doctor me herself. My sister, Frankie, had taken Dr. Williams' Pink Pills for Pale People and she was cured her; so I began taking them. I took about two boxes when I began to feel better and I used about eight boxes in all. Now I feel all right and all. I have not had any more boils and I am strong and healthy. We have recommended Dr. Williams' Pink Pills for Pale People to many of our friends and they have taken them with good results."

These pills have become famous all over the world for their wonderful efficacy. Acting directly on the nerves and blood, they are an unfailing specific for such diseases as locomotor ataxia, sciatitis, neuralgia, rheumatism, nervous headache, the after-effects of the grip, of fever and of other acute disease, palpitation of the heart, pale and sallow complexion and all forms of weakness, either male or female. Dr. Williams' Pink Pills for Pale People are sold by all dealers or will be sent postpaid on receipt of price fifty cents a box, or six boxes for two dollars and fifty cents (they are never sold in bulk or by the hundred) by addressing Dr. Williams' Medicine Company, Schenectady, N. Y. These pills are not a purgative and contain nothing which could injure the most delicate system.

ISHPEMING IN BRIEF.

A free lunch will be served this evening at "Jack's Place."

Jack Scholtzen of Republic had business in Ishpeming yesterday.

Charles Lavigne was down from Champion yesterday on a business mission.

The employees of the Cliffs Shaft mine will be paid today for last month's work.

Peter Gingrass, Jr., and wife arrived in the city yesterday on a visit to Mr. Gingrass' people.

El Clark will present each purchaser at his store today and Monday with a shamrock free of charge. He has received a large number of them.

Mrs. L. Lallerstedt, who has been in Chicago and Milwaukee the past two weeks looking up the late styles in millinery and purchasing new goods, has arrived home.

Invitations for the second annual ball of the Ishpeming Light Guard to take place at the Anderson hall at the Anderson hall will be issued within the next two or three days.

The funeral of the late Mary Bankson took place yesterday afternoon. Religious services were conducted at the Swedish Lutheran church by Rev. E. V. Isaacsen, the pastor.

Peter McNulty of Chicago arrived in the city yesterday, having been called here on account of the death of his brother James, who was killed Thursday on the Mesaba range.

Posters have been distributed about the city advertising the fifth annual ball of Jacques' Cartier tent of the Macabees to take place at the Anderson hall on Monday, April 7—election night.

The members of the Ladies' Aid society of the Division street Methodist church will conduct a sale of cakes, pies, cookies and pastry at T. F. Gill's store today. They invite the ladies of the city to call.

The Misses Emma E. Ruez and Cora Duffy, who spent the past two weeks in the cities studying the late styles in millinery, got home yesterday. Miss Ruez purchased a large line of new goods while away.

The funeral of the late James Sullivan was held yesterday morning from St. John's church. Rev. Father Poulain, of St. Joseph's church, conducted the service in the absence of Rev. Father Kehoe, the pastor.

The ladies of the Chancel society of Grace church will be pleased to have their friends attend their sale of pastry at the Gault hall today, commencing at 10 o'clock. A large quantity of good things will be offered for sale cheap.

The Lake Superior Iron company is remodeling its steam hoever. The "Iron King" will be put to work Monday on the rock dump near No. 1 hard ore mine. The rock loaded will be sent underground to be used for filling.

The cemetery board of trustees spent yesterday at the city recorder's office checking up the books. The annual report of the board will be presented to

DON'T

BE PENNY WISE AND POUND FOOLISH.

the city council at the annual meeting to be held the latter part of this month.

Miss Mollie Leary of Calumet returned to her home yesterday after spending a few days here visiting Mrs. James Clancy. Miss Leary stopped off here on her way home from the east. She formerly lived in this city, having been employed as a milliner by J. H. Quinn.

The band house at the Lake Superior mine has been moved to its new location, about two hundred feet west of where it formerly stood. It is expected that work on the foundation for the new mine office, which will be located where the band house has been located, will be started soon.

Alvin Greene, who has held a position in the local office of the United States Steel corporation for some time past, left last evening for Deadwood, S. D., where he will take the chief clerkship in the office of the Horseshoe Gold Mining company. The position is quite a responsible one and with it will go a much better salary than Mr. Greene received here.

BOW'S THIS?

We offer One Hundred Dollars Reward for any case of Catarrh that cannot be cured by Hall's Catarrh Cure.

F. J. CHENEY & CO., Toledo, O. We, the undersigned, have known F. J. Cheney for the last 15 years, and believe him perfectly honorable in all business transactions and financially able to carry out any obligations made by their firm.

CAUSED MUCH ALARM.

Did the Suspicion That Charles Muck, Jr., Had Been Foully Dealt With.

There was no little excitement in Negaunee Thursday evening when the rumor became current that Charles Muck, Jr., who left here for Chicago on the 28th of last month, was missing. The members of the young man's family had been uneasy for several days, as they had not heard from him since a week ago last Tuesday.

Charles went to Chicago to consult a specialist relative to undergoing a surgical operation. When he was a child his nose was injured and he has been bothered more or less on that account ever since. He was stopping at the Briggs House, where he deposited nearly all the money he took with him. He was well supplied with cash and this led to the suspicion that he had been waylaid and robbed, and possibly murdered.

It was ascertained that Muck had left the hotel, settling his account and taking the money he had deposited there. It was also learned that he had visited a relative in Chicago, but when he left the house he informed his relative that he intended to return to the hotel and would likely be back again. He didn't show up at the hotel and this strengthened the fear that he had fallen a victim to foul play.

On Thursday afternoon the relative in Chicago was reached by the long distance telephone and instructions were given to employ a detective on the case at once. This was done, but nothing was heard from the detective.

A traveling man came through here and reported that he had seen Charles in Oshkosh. Relatives then began wiring friends there and at 8 o'clock Thursday night a message came from the young man to the effect that he was in that city and was all right.

Charles' brother Hugo left Thursday night, intending to go direct to Chicago and institute a search for the missing man, but he was wired the facts contained in Charles' message before he reached his destination and it is supposed that he stopped off at Oshkosh.

This was Charles' first trip to Chicago and when he failed to write his people naturally thought something had happened to him.

A SHOW THAT PLEASES

Is the Exhibition of Moving Pictures to Be Given Here Next Week.

The Kinodrome show which comes to the McDonald opera house for three nights and a Saturday matinee, commencing Thursday evening, March 25, provides an entertainment entirely different from those given by the repertoire companies that visit this city. It is a big, exclusive picture show under the management of the Kinodrome company, of Chicago, Ill., which operates the Kinodrome picture machine in all of the leading vaudeville theatres in the western country. The resources of this company in obtaining the latest and most interesting views from all over the world is, and must be, unlimited, to constantly change the views on the various machines operated by it in the different theatres within its machines are in constant use from beginning to end of each season. The Kinodrome show on tour, which is to be seen here, has the benefit of the large and elaborate collection of pictures owned by the company, and in constant use on the circuit of machines, and will offer here, beyond any question, an exhibition of moving pictures, the equal of which the theatre-going people of Negaunee have never before had the opportunity of beholding. Popular prices will prevail. The program will be changed each evening. Packed houses have been the rule every where and no doubt will continue to be in this city.

INTERESTING INITIATION.

The regular meeting of the Eastern Star lodge of Negaunee held Thursday evening was one of the most interesting the society has had in some months. Two candidates were initiated and there was a large attendance of the members. At the conclusion of the business session a banquet was served in the dining room adjoining the assembly hall.

LOCAL LAONICS.

Nicholas Laughlin has men at work overhauling a dwelling he owns on Peck street.

Charles Steele, who has been telegraph operator all his life, has been appointed to accept a position at the Mass mine. He will be the supply clerk out there.

Negaunee was well represented at the Sousa band concert at Marquette last evening. All who would like to have gone down could not procure desirable seats.

Miss A. M. Ward of Marquette spent Thursday night in the city, the guest of George Barnes and wife. She came up to attend the session and banquet of the Eastern Star society.

Sheriff John Trombly of Iron county was a Negaunee visitor yesterday. He stopped off here on his way home from Sault Ste. Marie, where he spent Thursday on a business mission.

Mrs. Arland returned from the eastern military markets on Wednesday last and is now busy arranging for her military opening which will take place on the 26th and 27th of this month.

P. C. Curran is spending a few days in Chicago. While there he will purchase a lot of the latest music for the Trombly orchestra. The selections he procures will be played by the orchestra at its engagements after Easter.

Mr. and Mrs. Jerry Bennett are happy over the arrival of a ten-pound daughter at their home. The father has been busy the past few days receiving congratulations and passing cigars. Jerry is the driver of the fire department team, and the firemen have been generously remembered by him.

Carpenter & Skiles bread and cakes fresh every day from Milwaukee at Geo. Haupt's. Both telephones. (1-15-1f)

TWO MORE BODIES RECOVERED.

Those of Erick Kahti and Jule Anderson Removed from Negaunee Mine.

The body of Erick Kahti was removed from the cave-in drift of the Negaunee mine Thursday evening, and the body of Jule Anderson, another of the victims, was taken out at an early hour yesterday morning. There are two bodies still in the mine, but it is expected that these will be reached before long.

The funeral of John Sullivan took place yesterday morning from St. Paul's church. The deceased was a member of the local Hibernian society and members of the order attended the obsequies yesterday afternoon the funeral of William Williams, John Pearce and John Pascoe took place at the same time. Religious services were conducted at the Mitchell Methodist church by Rev. S. M. Gilchrist, the pastor. The remains of Williams were interred in the Ishpening cemetery and the bodies of the others were buried in the local cemetery.

YOUNG MAN APOLOGIZES.

Sorry That He Kicked the Minister and Says He Won't Do It Again.

The young man who was accused of leading the mob that went after Rev. S. M. Gilchrist last Saturday night was arrested Thursday. He admitted his guilt, and said he regretted his conduct. He was not sober at the time, otherwise he would not have been guilty of such an ungentlemanly act.

Rev. Gilchrist was inclined to be lenient with the young man and in consideration of his signing the following statement withdrew the charge preferred against him:

In consideration of being leniently dealt with by the City of Negaunee in relation to the disturbance on last Saturday night, I hereby say that I am sincerely sorry that the same should have happened and that I was a party thereto. I furthermore promise that I will not be guilty of any similar conduct in the future and that the city authorities will have no further trouble with me.

COUNTY TEACHERS' EXAMINATION

The semi-annual examination for teachers of Marquette county will take place on Thursday, Friday and Saturday at the Marquette Normal. The examinations will be conducted during the first two days by D. B. Waldo of the Normal, F. D. Davis of Negaunee and J. E. Walker of Republic. On Saturday Mr. Davis will leave to conduct the monthly meeting of teachers from the rural schools. The morning session will be held at the Ishpening high school and the afternoon meeting will take place at the city building in Marquette. All grades of certificates will be given teachers who pass the examinations at the Normal.

Heppner's ice cream in all flavors, also Heppner's cakes and bread fresh every day and delivered to all parts of Negaunee. George Heppner, either phone. (12-7-1f)

PUTTING IN HARDWOOD FLOORS.

The improvements at the Breiting house will not end with the decorating of the office, as Landlord Seass has given Andrew Lindquist a contract to lay new hardwood floors in all the sleeping rooms on the second and third stories. It is also intended to put in new floors in the upper stories. This will do away with carpets. Rugs will be purchased for the rooms and the improvement will be appreciated by the boarders and guests of the house. Mr. Lindquist began work on the job yesterday.

How About Your Blood?

MOST OF THE THINGS PEOPLE SUFFER FROM ARE DUE TO IMPURE OR THIN BLOOD.

And Smith's Green Mountain Renovator is the one sure cure.

When the human system isn't working properly impurities get into the blood and the blood carries them into every nook and corner of the body, scattering the seeds of disease and death instead of the essence of life and strength.

When that happens you have dyspepsia, rheumatism, malaria, constipation, liver and kidney troubles, and all sorts of difficulties. Then—unless you are different from most people—you dose yourself with all sorts of queer "cures" instead of going right to the seat of the difficulty and getting your blood cleaned up.

We urge you to take Smith's Green Mountain Renovator. This medicine is new in this section, but up in Old Vermont it has been in constant use for generations, curing where all other medicines fail—the standard, all-the-year-round medicine of the healthiest people in America. Capitalists, noting its wonderful history, have now secured it and placed it on the market, and you have secured the sole agency here.

If you are sick or run down and generally "played out," this medicine is what you need. Just give it a trial and see whether it is good or not.

If you can say that it hasn't helped you, we will refund all the money you have paid us for the medicine.

25,000 BOXES FREE!!

Rheumatism Cured by a Simple Remedy That You May Try Without Spending a Cent — Cured Many Cases of 30 & 40 Years' Standing.

82 years old. Completely cured from rheumatism, after having suffered 42 years.

On the theory "that seeing is believing," John A. Smith of Milwaukee wants everyone to try his remedy for the cure of rheumatism at his expense. For that reason he proposes to distribute 25,000 boxes among all persons sending him their address. Mr. Smith had suffered all the agony and torture from rheumatism, tried all the remedies known and yet utterly failed to find relief.

At times he was so helpless that he had to take morphine and after considerable doctoring he gave up in despair. He began studying into the cause of rheumatism and after much experimenting, he finally hit upon a combination of drugs which completely cured him. The result was so beneficial to his entire system that he called his new found remedy "Gloria Tonic." Those of his friends, relatives and neighbors suffering from rheumatism were next cured and Mr. Smith concluded to offer his remedy to the world. But he found the task a difficult one as nearly everybody had tried a hundred or more remedies and they couldn't be made to believe that there was such a thing as a cure for rheumatism. But an old gentleman from Seguin, Texas, wrote him saying if Mr. Smith would send him a sample he would try it, but as he had suffered

forty-two years and wasted a fortune with doctors and advertised remedies, he wouldn't buy anything more, until he knew it was worth something. The sample was sent, he purchased more and the result was astonishing. He was completely cured. This gave Mr. Smith a new idea and ever since that time he has been sending out free sample boxes to all who apply. In Prosser, Neb., it cured a lady of 67 who had suffered 32 years. In Fountain City, Wis., it cured Hon. Jacob Sevener, a gentleman of 73, who suffered for 33 years. In Perryburg, Ohio, it cured a gentleman 70 years old. In Heron Lake, Minn., it cured Mrs. John Geir, who had suffered for 30 years. Rev. C. Sund of Harrisville, Wis., tested this remarkable cure on two members of his congregation, one who had suffered 15 and the other 25 years, both were completely cured. In St. Louis, Mo., it cured Mr. P. Faerber of The Concordia Publ. House. In Vandalia, Ill., it cured Mrs. Mary E. Sayles 78 years of age who was so crippled that she could not dress herself. In Bennington, Vt., it cured an old man whom the best physicians of Worms and Frankfurt, Germany, called incurable. This old gentleman had walked for 20 years on crutches, both legs having been lame.

He can now walk like a young man. Even prominent physicians had to admit that "Gloria Tonic" is a positive success, among them Dr. Quintero of the University of Venezuela, to whom it was recommended by the United States Consul. In thousands of other instances the result has been the same. It cured many cases which defied Hospitals, Drugs, Electricity and Medical Skill, among them persons over 75 years old. Mr. Smith will send a box also his illustrated book on rheumatism, absolutely free of charge to any reader of The Mining Journal for he is anxious that everybody should profit by his good fortune. It is a remarkable remedy and there is no doubt but that it will cure any case of rheumatism, no matter how severe it may be. Mr. Smith's address in full is:

JOHN A. SMITH,
Dept. 3751 Germania Bldg., Milwaukee, Wis.

P. S. If you are in great pain and can not wait for the sample, you can buy full size box of "Gloria Tonic" at all drug stores for \$1.00.

SILVER PRODUCTION.

The silver output of the world for the year 1900 was the largest recorded in history, amounting to 178,769,769 fine ounces, and exceeding that of 1899, by 1,572,213 ounces. The world's output for 1900 was \$177,011,902, an increase over the preceding year of \$9,994,980. The world coined less gold in 1900 than in 1899, the figures for 1900 being \$354,936,497, and those for 1899, \$406,116,614.

NIGHT WAS HER TERROR.

"I would cough nearly all night long," writes Mrs. Chas. Applegate, of Alexandria, Ind., "and could hardly get any sleep. I had consumption so bad that if I walked a block I would cough frightfully and spit blood. I bought a bottle of Dr. King's New Discovery wholly cured me and I gained 58 pounds." It's absolutely guaranteed to cure Coughs, Colds, La Grippe, Bronchitis and all Throat and Lung Troubles. Price 50c and \$1.00. Trial bottles free at Stafford's drug store.

New radishes, lettuce, beet greens, parsley, water cress received from the grower every day. Also a full line of fruits and vegetables at Haupt's grocery. Both phones. (12-7-1f)

DON'T LIVE TOGETHER.

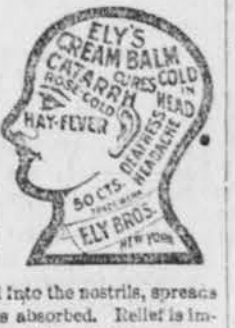

Constipation and health never go together. DeWitt's Little Early Risers promote easy action of the bowels without gripping or distress. Are safe, sure, gentle, thorough. Purely vegetable. The Stafford Drug Co., H. N. Meloche Co., Ishpening.

CHILD WORTH MILLIONS.

"My child is worth millions to me," says Mrs. Mary Bird of Harrisburg, Pa., "yet I would have lost her by croup had I not purchased a bottle of One Minute Cough Cure." One Minute Cough Cure is sure cure for coughs, croup and throat and lung troubles. An absolute safe cure which acts immediately. The youngest child can take it with safety. They all like the taste and remember how often it helped them. The Stafford Drug Co., H. N. Meloche Co., Ishpening.

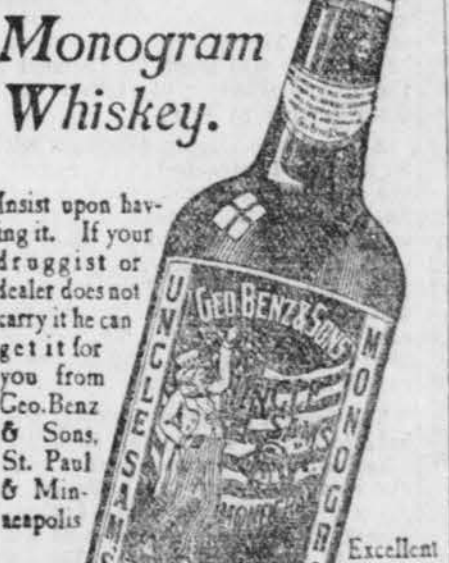

Nasal CATARRH

In all its stages there should be cleanliness. Ely's Cream Balm cleanses, soothes and seals the diseased membrane. It cures catarrh and drives away a cold in the head quickly.

Ely's Cream Balm is placed into the nostrils, spreads over the membrane and is absorbed. Relief is immediate and a cure follows. It is not drying—does not produce sneezing. Large Size, 50 cents; by mail, 60 cents; Trial Size, 10 cents by mail. ELY BROTHERS, 55 Warren Street, New York.

Uncle Sam's Monogram Whiskey.

Insist upon having it. If your druggist or dealer does not carry it, get it for you from Geo. Benz & Sons, St. Paul & Minneapolis.

PILES

Dr. Williams' Indian Pile Ointment will cure Piles, Hemorrhoids, Itching Piles, etc. It acts the same as the itching ointment, but acts as a positive cure. It is sold in a small tin for 25 cents. People who suffer from Piles should use it. It is sold by all druggists. Write for free literature. Dr. Williams' Pink Pills for Pale People, 233 N. 2nd St., Lowell, Mass.

Baby's Coming

McDonald, Ga., July 12, 1900.
I advise every suffering woman to take Wine of Cardui. While I was going with my other children I was compelled to stay in bed for days at a time, but this time I have taken Wine of Cardui and Theodor's Black-Draught and have been able to do all my housework without any trouble. I am expecting every day to be confined. My husband thinks Wine of Cardui is the best medicine in the world. He takes a dose of Theodor's Black-Draught every night and gives some to the children. He has not had a day from work this year. He tells his friends about your wonderful medicines and I tell my lady friends to use your Wine of Cardui. Mrs. GEORGIA LEE.

WINE OF CARDUI

There are thousands of women who shrink in terror at the thought of the baby's coming. But childbirth is one of the workings of Nature and is not intended to imply torture and agony to the heroic mothers of the race. The woman who suffers torture during pregnancy and at childbirth has usually, by some industrial irregularities leads to ovarian pains, falling of the womb and leucorrhoea, and the period of pregnancy is necessarily distressing under those conditions. Wine of Cardui will regulate the menstrual function perfectly and eventually make the generative organs strong and healthy. Pregnancy and childbirth have no terrors for the woman who takes this pure Wine. A strong healthy womb will bring its precious burden to maturity with little or no pain. A healthy woman need not fear childbirth. Wine of Cardui completely cures all these troubles familiarly known as "female diseases" and equips the sensitive generative organs for pregnancy and childbirth. It will save any mother much pain and suffering. All druggists sell \$1.00 bottles.

For name and literature, address, giving symptoms, "The Ladies' Advisory Department," The Chattanooga Medicine Company, Chattanooga, Tenn.

MANHOOD RESTORED "CUPIDENE"

This great Vegetable Compound cures all diseases of the nervous system, such as Loss of Memory, Excitability, Nervousness, Headaches, Stomach Troubles, Indigestion, Constipation, etc. It restores the vitality of the system, and cures all the troubles familiarly known as "male diseases" and equips the sensitive generative organs for pregnancy and childbirth. It will save any mother much pain and suffering. All druggists sell \$1.00 bottles.

CHANGE IN THE LAW

IT MEANS A MUCH EARLIER REGISTRATION HERE.

NEXT TUESDAY AND WEDNESDAY

INSTEAD OF THE SATURDAY PRECEDING ELECTION.

Authorities Discover That Marquette Is Bound by the New Provisions and Official Notice Is Given of the Change.

The registration of electors, preliminary to the city election to be held in April, will take place next Tuesday and Wednesday, instead of on the Saturday preceding election day, as in the past.

It is provided by the city charter that the municipality shall be governed in the matter of registration by the general law of the state, and up to the last session of the legislature it was provided by the statutes that the registration boards be in session on the Saturday immediately preceding elections.

The places at which the registration will take place in the various wards are as follows: First Ward—Building corner of Lake and Garden streets.

BEAVERS VS. WORKMEN.

Good Game of Ball in Store This Evening—Ladies Free.

The Beavers and the Workmen will try conclusions this evening on the diamond at the Casino. The ball game is one of the regular league series and was postponed from last night because of the concert at the opera house.

NO CAUSE FOR ACTION.

According to advices reaching The Mining Journal from Munising last night, the arrest of Erasmus W. Trueman on the charge of illegal voting was entirely uncalculated for by the facts in the case, in fact, it is declared by the friends of the young man to have been brought about by an attempt at malicious persecution.

"Two added to one, If that could be done," He said, "With one's fingers and thumbs," Recollecting with tears How in earlier years He had taken no pains with his sums.

The result, of course, was "Three." And if these "Three" are dollars, the next problem is how most wisely to expend them.

A suggestion: GORDON Hats cost just three dollars.

ROSS ESTATE WINS.

Judge Stone Affirms Order Authorizing the Sale of Lands.

Judge Stone, in the circuit court, has handed down a decision in the well-known case of Frank Ross vs. the Ross estate in which he finds in favor of the administrator. The litigation involved the right to sell certain property holdings of the estate in order to satisfy a judgment of \$100,000 in favor of Thomas Sullivan, resulting from a timber deal.

CITY BRIEVITIES.

Weather forecast: Probably snow and colder; high southerly winds shifting to north-west.

Yesterday's temperature: 7 a. m., 36 degrees; noon, 40 degrees; 7 p. m., 44 degrees; maximum, 52 degrees; minimum, 34 degrees.

A. T. Cox of Petoskey had business in the city yesterday.

Delf received a consignment of strawberries yesterday.

Gad Smith arrived home yesterday from a trip to Detroit and Grand Rapids.

The Biddle Whist club will meet this afternoon with Mrs. Geo. P. Brown, Spruce street.

Over 300 persons from up the road came down on the trains last evening to attend the band concert.

Among yesterday's visitors in the city were H. L. Holder of Two Harbors and George Haupt of Negaunee.

The Hibernians will meet at their hall at 8 o'clock Monday morning preparatory to the parade to the cathedral.

Emil Frisk, the former Marquette pitcher, will be with Davenport in the Western league again the coming season.

A. S. Cameron, the sewing machine man, left this morning for the Soo. He will be absent from the city for a week.

Fred Jones left last evening for Green Bay on business connected with the electric furnace project, in which he is interested.

Mrs. Selden Cray entertained at cards yesterday afternoon for her sister, Mrs. G. A. Rielie, who returns to her home in Calumet today.

The "Saturday Market" will be open between 11 and 12 o'clock today in Morgan Memorial chapel. Home-made bread and pastry will be on sale.

The South Shore will tomorrow have on sale at all stations round-trip tickets at single fare. In some cases the reduction applies to the Saturday night trains.

Today's session of the children's school for the study of German will be held at the German Lutheran church, Ridge street, between the hours of nine and twelve.

A card party, given for the Royal Neighbors and visiting members of the order, will be held in Fraternity Hall this evening under auspices of the Modern Woodmen lodge.

The Benevolent society's sewing school rooms, corner of Front and Arch streets, will be open from 12 to 2 o'clock this afternoon, also the same time next Saturday, for the reception of contributions of clothing.

M. J. Peppard of Minneapolis, a member of the well known contracting concern which is making the extensive improvements in the coal dock of Peck and Co., arrived in the city yesterday to inspect the work.

Frank Shackelford, the Hancock driver, who has absconded many hours to victory, spent a portion of yesterday in the city on his way home from the Soo.

Alderman Michael Shea and Tim Foley, who went to the Lock City to witness the match race, came up with him.

The Presbyterian church is to receive quite an accession to its membership tomorrow as a result of the special meetings of the last few weeks.

The session of the church will meet this evening at 7:30 to examine and receive other candidates. The communion and public reception of members will be held at 10:30 a. m. Sunday.

Sousa's band came in about 6:30 o'clock last evening from Escanaba, where in the afternoon a concert had been rendered. A special train of two Northwestern coaches and a baggage car carried the organization and its belongings. This morning at 7 o'clock the baggage car will leave for Calumet and the two coaches will follow on the train leaving at 8:20.

A Marquette County telephone with a large number attached was placed on the stage at the opera house yesterday. Last evening a connection was made with it and a phone at St. Mary's hospital, and Will Hornby, a patient, enjoyed the concert. The young man met with an accident in the woods about two years ago, his back being very seriously injured, and he has been at the hospital ever since.

The funeral of James McNulty will be held tomorrow afternoon. It will take place from the cathedral at 2 o'clock, the cortege leaving the house of Mrs. Anna McNulty, an aunt of the deceased, at 1:45. The interment will be in Holy Cross cemetery. The obsequies will be in charge of the Brotherhood of Railroad Trainmen, of which Mr. McNulty was a member. Additional details of the accident received yesterday stated that the young man had fallen from a car and had been run over by the wheels, dying a couple of hours later.

All members of the different railroad organizations are requested to meet at Fraternity Hall on Sunday, March 14, at 1 o'clock sharp for the purpose of attending in a body the funeral of Brother James McNulty of the B. & N. T.

By order of W. J. HORAN, B. R. T. ALLEN COWDEN, B. L. E. E. B. WILLIAMS, B. L. E. C. A. SUNDBERG, O. R. C.

BAND ALL DAY.

Hibernians Engage Music for the St. Patrick's Day Parade.

As is customary here, the members of the Ancient Order of Hibernians, as well as other people of Celtic ancestry, will observe St. Patrick's Day next Monday—but the celebration will not be as elaborate as in some years past. The observance will consist of a parade to the cathedral, the Hibernians assembling at the A. O. U. W. hall at 8 o'clock in the morning for the purpose, and the celebration of mass, with a sermon appropriate to the occasion. The procession will be headed by the Ishpeming City Band, which has been engaged for all day by the society, and both in the morning and afternoon street concerts will be rendered by the up-the-road musicians. Aside from these incidents, there will be the usual display of green bunting, shamrocks and other emblems of the Emerald Isle, and as far as the Hibernians are concerned that—and the parade and church services—is all.

MARCH KING'S CONCERT.

It Filled the Opera House as It Had Never Been Before.

The audience which last evening greeted John Philip Sousa and his famous band at the opera house was the largest which had ever assembled off the theatre. Many people were turned away, every seat and about 150 chairs were occupied and the many persons who were compelled to stand were glad of the opportunity to do so, for beyond question the concert was the greatest musical treat Marquette county people have ever been privileged to enjoy.

The entertainment was a master piece of melody that thrilled the audience to a high pitch of enthusiasm. Each and every number was productive of great applause, manifest of the immense delight it accorded, and the only verdict that could be rendered was that the concert was superb. Aside from the artistic work of the musicians, a fact pleasing to the great bulk of the assemblage was that the program was not strictly confined to the classic. It was one of varied harmonies, selections of the lighter music of a "catchy" character being interspersed with those polished more by the critics whose ears are "educated," and whether march or classic the pieces were played in the finished manner in which only Sousa's band can render them. In the solo parts as well, exquisite skill was shown, all being rendered with as perfect technique and tone as the most critical might wish, while to those persons who had never seen the "March King" in his capacity as conductor the directorship of Sousa was a pleasing revelation. It seemed as though he had the musicians at his fingers' ends and could control their instruments as he willed it, while throughout his artistic proficiency was manifest to a remarkable degree.

Aside from the fifty members of the band, Miss Maud Reese-Davies, soprano, and Miss Dorothy Hoyle, violinist, did their share to make the concert the enjoyable treat it was. The young lady singer possessed a sweet voice, lightly tinged and sedately controlled, and she sang in admirable style and with perfect ease the difficult selection assigned to her. As a violin artist, Miss Hoyle possesses extraordinary ability, her work last evening stamping her as master of the king of musical instruments. Throughout, whether instrumental or vocal, numbers of the encores were always demanded and responded to. The program exclusive of the encores was rendered as follows:

Overture, "Di Ballo," by Sullivan. This composition is based on dance rhythm; the first movement the bolero; the second the waltz; the third the gallopade.

Trombone solo, "Love Enchantment," by Pryor-Arthur Fryor.

Suite, "Maidens Three" (a) The Coquette; (b) The Summer Girl; (c) The Dancing Girl, by Sousa.

Soprano solo, "Ah! For a Girl," by Verdi—Miss Maud Reese-Davies.

Finale to first act, "La Tosca," by Puccini. The tolling of the castle bell, announcing the escape of the prisoner, intermingled the grand ensemble.

Bonnie and Gigue, "Much Ado About Nothing."

Viola solo, "The Night Owls" by Ziehrer.

March, "The Invincible Eagle," by Sousa.

Violin solo, "Ziegenweiser," by Sarasate—Miss Dorothy Hoyle.

Theme, variations and carnival time from "Scenes in Naples," by Massenet.

The pleasure of the concert afforded will live long in the memories of those persons fortunate to have attended it, and although the entertainment was of different nature than those usually taking place at the play house, it is doubtful whether any has ever given greater satisfaction. It was a distinct treat—and financially Mr. Sousa reaped a harvest.

UP TO DATE STATIONERY.

This season's tints and shapes are out and have reached us. Our line is now complete and if you want dainty, stylish papers we can supply them.

The tendency is to run to delicate tints this season, but we've plenty of plain creams and whites for those who prefer them.

Also high grade papers in bulk—a desirable way to buy them because you can get as little or as much as you want, or an assortment of style if you like.

DESIARDINS' PHARMACY, 417 North Third St. (3-13-14)

DEPOSITING BY MAIL. Send your deposits by Bank draft or check or by postal or express order. Should this be your first deposit, we will send you a pass-book by return mail. We will also send you full information concerning future deposits and withdrawals. The Marquette County Savings Bank, MARQUETTE, MICH.

WE PROMISE PROMPT SERVICE, GOOD GROCERIES AND LOW PRICES. Our stock is fresh and up-to-date with a full line of Vegetables and Fruits in season and out of season, received twice a week. Ring us up over either telephone or call and give us a Trial Order. J. W. MCGUIRE & CO., 365 FRONT ST., Marquette. Opposite First National Bank.
