## CAN THIS BE TRUE? Gured of Sciatic-Rheumatism

Mr. Henry St. George of Brookfield, Wis., cured after many years of intense suffering.

Was helpless for years, but is now well and free from pain.

Mr. Henry St. George, a prominent resident of Brookneid, Wis, brother of Rev. Howard B. St. George, formerly of Milwankee, Wis, now processor of church history at the Neshota Theological Seminary of Neshota, Wis, was entirely cured of Sciatic Rheumatism after many years of intense suffering. His cure was so complete and positive that through a desire to help others, he permitted the maker of Gloria Tonic, the remedy which cured him, to publish his wonderful recovery from rheumatism, so that other sufferers might profit by his good fortune. Mr. St. George's condition was a grave one, having previously bailled many of the leading physicians in the country and the disease had made him utterly helpless, but ten boxes of Gloria Tonic gave him a new lease of life.

had made him utterly helpless, but ten boxes of Gloria Tonic gave him a new lease of life.

This is but one of hundreds of cases equally as bad in which Gloria Tonic has effected a quick and permanent care of rheumatism. There is not a state in this country or very many countries in Europe, for that matter, in which there are not from one hundred to one thousand disciples of Gloria Tonic, all singing the praises of this wonderful remedy. Gloria Tonic never fails to cure the worst case of rheumatism. It has been used with unqualified success in cases where the patient had been a sufferer from rheumatism for more than 40 years. It is a never-failing specific for rheumatism. Rheumatism is due to the uric acid in the blood. It can not be cured in any way except by driving this polson from the system. If you suffer occasional attacks from rheumatism, do not fail to take Gloria Tonic. Drive the polsons from your system and you will not suffer again. Take Gloria Tonic now before you suffer another attack.

Gloria Tonic works so rapidly that there is no excuse for anyone to take morphine. Morphine is a dangerous drug, Almost all slaves to this terrible drug cultivated an appetite for it while using it to relieve pain. Do not use morphine, take Gloria Tonic. There is no bad after effect. The relief from the pain will be almost instant. Gloria Tonic is for sale by all druggists at \$1.00 a package, or sent postpaid to any address upon receipt of price. # AN ALSTYN'S TRADE COMMENT.

The activity of trade in our store during the past week was only the merited response to our efforts during the past few months in bringing together the exceptionally large assortment of seasonable Dry Goods which now fills our store to overflowing.

The demand for dependable goods is recognized more every day and we study the wants of the people. It has taken time to establish a name for our house that is an enviable one throughout the entire upper country, and is acknowledged to be the most modern and dependable place to trade, both as to assortment and values. One third of our business comes from surrounding towns and mail orders. Ishpeming and Negaunee customers are taking advantage of our interest in their trade in offering them transportation free on purchases of \$5.00 or more and are using our commutation tickets, which they can

use by calling at Tillson's or Perkins' drug stores, paying 65 cents for the round trip, and, if they purchase \$5.00 or more, we refund them the 65 cents they paid, thereby enabling them to trade in Marquette without extra expense, and to parties living in other towns we allow them the same amount as we do to these towns. This is appreciated by parties wanting to buy Carpets, Rugs, Curtains, Suits, etc, where they can have a large stock to select from and also save the freight from Chicago or other large cities.

It was a large undertaking to try to establish so large a store in a city the size of Marquette, but our faith in an appreciative public was not misplaced, and our success is largely due to giving the public new and reliable goods at the lowest prices possible, having all goods marked in plain figures and one price to all and our readiness to refund the money on anything unsatisfactory.

With the approaching warm weather we call attention to the greatest assortment of Summer and Wash Goods possible, values not obtainable elsewhere.
