THE MINING JOURNAL will give Six Choice Seats at

"THE TAMING OF THE SHREW"

TO MOST POPULAR TEACHER IN ISHPEMING.

VOTE FOR YOUR CHOICE.

The Mining Journal has ever been alive to the interests of education and has always endeavored to extend the scope of the acquirement of knowledge whenever an opportunity presents itself. With this end in view this paper has purchased six choice seats for the performance of Shakespeare's "The Taming of the Shrew," which the well known star, Charles B. Hanford, will present in this city at the opera house on Wednesday, May 28. The Mining Journal will present these seats to the lady school teacher who will receive the largest number of votes.

The plan of voting is simple. All that is required for the casting of a vote is to fill and cut out the coupon printed below and send it to the Ishpeming office of this paper. Inas much as there are six seats, the lady for whom the largest number of ballots is cast can invite five of her friends to be her guests on the evening of May 28.

"The Taming of the Shrew" is one of the most amusing as well as instructive of Shakespeare's comedies. It has not been revived for several years and the production given by Mr. Hanford and his company is said to be adequate in

every respect.

The Mining Journal will announce the progress of the balloting eaca day by publishing the list of contestants with the number of their votes.

THE TEACHER'S CONTEST. Voters Are Being Handed in by School Children and Others,

One of the many popular school teachers of the city will on Tuesday of next week be presented with six choice reserved seat tickets for Charles B Hanford's production of that great Shakespearean comedy, "The Taming of the Shrew," at the opera house the following evening. The voting contest has been fairly started. Tuesday and vesterday a number of coupons were handed in by school children and friends of the teachers. The contest is one that costs nothing and the winner will be afforded an opportunity to treat five friends to a theatre party.

A number of the pupils attending the chools are manifesting no little interest in the contest and a large number of rotes will be cast before Tuesday. The following is a result of the votes received up to last evening: Miss Mc-Kitrick, 28; Mrs. Sober, 18; Miss Anna Lacey, 21; Miss Mary Connelly, 16; Miss Haslam, 14 and Miss Nina McDow-

THAT CAN

Never have we had such a Carpet and Curtain business as we have this season. We show an exclusive line of Carpets. Beautiful floor coverings of every description. AXMINSTERS, WILTONS, VELVETS, BRUSSELS and INGRAINS; also a full line of Rugs in all sizes and qualities. It is no wonder with the facilities we have that we show such a handsome line of goods. We have no goods in stock made by prison labor. All our goods are made in first-class factories in the largest Carpet Mills of America, therefore we produce better patterns, better wearing Carpets than can possibly be produced by others. We show pretty patterns in Linoleums and ours is the only house in the upper peninsula which shows a plain 4-yard-wide Linoleum.

Lace Curtains at Popular Prices.

We expect to put on display today a new line of Lace Curtains which we have bought of Mills & Gibb, New York, known to be one of the largest and finest lace curtain houses in America. The most choice and exclusive patterns are sold by this celebrated curtain house, and you will gain not alone in price, but in getting the newest designs and good wearing curtains.

CHARMING HATS.

It is a well known fact that we show an extraordinary line of Millinery and that we are so busy that we telegraphed last week for another trimmer, who arrived Saturday morning. Our new trimmer, Miss Hankey, is an artist, who will stay with us during the busy spell to help us out. This gives us three first-class trimmers, so that we will be able to turn out our work more rapidly. We are showing new mid-summer styles of Hats and Trimmings, which have just arrived. We guarantee to give you the latest styles of Millinery and the best of work. Should you want your hat retrimmed, bring it to our Millinery Department and we are sure to please you.

SPECIAL IN L'ADIES' SUITS, SKIRTS AND JACKETS.

We must close the entire line of ready-to-wear goods and do not wish to carry over a garment. Will therefore give you interesting bargains in Ladies' Suits, Ladies' fine wool Skirts, silk Skirts and walking Skirts.

We are just opening a fine line of Wash Goods at popular prices.

Laces of every description at low prices.
