A MORSEL FIT FOR LUCULLUS can be prepared by broiling a steak or chop over such a bright, clear fire as is made with our coal. It is the standby of the experienced cook, who knows just how to depend on her fire for broiling, broiling and stewing purposes. Its long continued combustion, and strong steady heat make it the coal par excellence for cooking. JAS. PICKANDS & CO., Marquette, Mich.

PEACE IS ASSURED

WAR IN SOUTH AFRICA PRACTICALLY ENDED.

FORMAL ANNOUNCEMENT MADE SOON

DEPENDS UPON THE CONVENIENCE OF BOER LEADERS.

Prominent Member of House of Commons in Close Touch With Government Says British Terms Are Very Liberal.

London, May 23.—The Associated Press has every reason to believe that peace in South Africa is practically secured. How soon it will be announced depends apparently more upon the convenience of the Boer leaders than upon the inclination of the British government. Private and official advisers point to the same conclusion. The delay is technical and to end the long war seems to be the desire both of the British and Boer leaders. The latter, however, are unable to convince their followers of the wisdom of acquiescing to the terms of peace.

Information as to what transpired at today's cabinet meeting is closely guarded but it is not likely that the cabinet transactions were of vital importance. There is a widespread belief in the best informed quarters that the end of the war has come. In fact those best acquainted with the actual details of negotiations only qualify this optimistic expression by guarded reservations concerning the extent of the personal control of the Boer leaders over their commands. The most pessimistic forecast tonight only admits that a few isolated bands of irreconcilables may be left in the field. A member of the house of commons in close touch with the government said tonight he believed everything was settled and that the British terms would be found unexpectedly liberal.

Boers Give Up Independence. It is understood that the Boer demand for independence has been completely abandoned but certain points concerning amnesty, compensation and representative government have been submitted to the cabinet and that at a meeting of the cabinet committee the government's reply will be prepared and cabled to Pretoria. The news claims it will give the Boer demands as follows: First, either immediate grant of self-government or fix a date for the establishment of self-government; second, in case of self-government being deferred the Boers should be entitled to advise with their temporary rulers; third, amnesty for rebels; fourth, permission to retain rifles for defense against natives; fifth, permission to retain saddle horses; sixth, guarantee that the natives should not be treated upon an equality with the white men; seventh, that no limit will be placed upon money for rebuilding and restocking farms.

Berlin, May 23.—The foreign office here was advised tonight from Pretoria that peace has been practically concluded. The articles of surrender are ready to be signed with the exception of the approval of the British cabinet of the wording of some secondary provisions which is awaited. Suspension of hostilities may be announced any hour.

NEW CRATER FORMS

HUGE FISSURE OPENS ON MONT PELEE AND IS ERUPTING.

ANOTHER DISASTER THREATENS

FLIGHT OF REFUGEES STILL CONTINUES.

Martinique Will Not Be Evacuated Despite the Danger—Disease Is Continuing Work Started by Volcano.

Fort de France, Martinique, May 23.—It is reported on seemingly reliable authority that a new crater is forming at Ajoupa Bouillon on the side of the mountain opposite to St. Pierre. A huge fissure is said to have opened there which is vomiting ashes and volcanic matter similar to those thrown out from the crater at the summit. The indications seem to point to another volcanic outbreak shortly. The Ajoupa Bouillon crater may act as a safety valve but the meagre reports obtainable here confirm the indications of increased activity.

Arrives With Aid. The French cruiser Tage arrived last evening from New Orleans with money and supplies contributed by the New Orleans citizens. She reported that Mont Pelee now presents a more assuring aspect. Despite the favorable change, however, many families have left Fort de France for the islands of Trinidad and Cayenne, in French Guiana. The exodus of thousands to the adjacent is-

lands and the southern parts of Martinique have disorganized many trades here. Many bakers have been compelled to close their stores, their employes having fled.

Paris, May 23.—A dispatch received here from the governor of Martinique says: "I have consulted with the committee of the colony on the subject of the total or partial evacuation of the island. They are unanimous in declaring that such a measure was not justifiable at present. There have been no new fatalities."

London, May 23.—The Kingstown correspondent of The Mail cabling under date of May 22 says: "Soufriere is still very active. The food of the peasantry is ruined and in some districts horses have been killed for food. Many are dying from disease caused by lava dust."

STUDENTS IN A WRECK. Were Returning From Track Meet When Train Was Derailed.

Des Moines, May 23.—Passenger train No. 4, of the Rock Island road carrying several hundred students from Grinnell and Iowa city returning from the state meet at Des Moines was derailed near the Grinnell depot and the smoker was thrown across the track. Several of the students were lacerated and shaken up but no serious injuries occurred.

FAMOUS PREACHER DEAD.

Dunville, Ky., May 23.—Rev. Dr. J. L. McKee, one of the best known of the southern Presbyterian teachers and preachers, is dead at his home, seventy-five years of age. One of his sons, Samuel McKee, is preacher at Salem, Wis.

BIG MINE DISASTER WILL NOT STRIKE

OVER HUNDRED MEN KILLED AT FERNIE, BRITISH COLUMBIA.

CAUSED BY THE EXPLOSION OF GAS

RELIEF PARTIES DARE NOT ENTER FOR WORK OF RESCUE.

Only Thirty-Five of the Entire Working Force Escaped—Fears Are Entertained That Mine Will Catch Fire.

Fernie, B. C., May 23.—At the time of the explosion last night 200 men were working in the Cross Nest Pass coal mines. Only thirty-five are known to have escaped. It is feared the great majority of those entombed are dead. The mines were always considered dangerous because of the dust and gas. The explosion is said to have been caused by a miner who lighted a match. The scenes about the mine and in the village are heartrending. Hardly a house escaped affliction. A new fear has become general that the mines may catch fire any time and the survivors are being besought by relatives not to venture into the shafts even for rescue work.

Over one hundred men are either dead or imprisoned in the mine and little hope is entertained of rescuing any who may yet be alive. The management has a list of 133 men who are known to have been in the mine and there are probably others. Of these only twenty-four are known to be safe.

QUEZALTENANGO DESTROYED.

Several Thousand Persons Killed by an Earthquake.

Washington, May 23.—The earthquake reported in a Hamburg dispatch resulting in the destruction of Quezaltenango in Guatemala is identified here as that which really occurred April 18 and which had been described in the American newspapers. Information at the Guatemalan legation shows that the city was wholly destroyed and several other towns partially destroyed. Reports regarding the destruction of life are incomplete but indicate that several thousand persons were killed and the property loss approximated at \$50,000,000.

SUICIDED BY HANGING.

Flint, Mich., May 23.—Herbert L. Brice, a patient at Oak Grove this afternoon committed suicide by hanging himself in the Turkish bath department of the institution. Brice was suffering from melancholia. He was half brother to the late Senator Brice and was a prominent attorney of Lima, O.

A FINE ADVANCEMENT.

Milwaukee, May 23.—Maynard W. Hamblin, manager of the Western Union in this city for the past three years, has been appointed manager of the main office in New York City. Hamblin was manager of the Davenport, Ia., office.

FOUR BOYS DROWNED.

North Vernon, Ind., May 23.—Four boys, Harry Myers, Fred Schwake, Edward Miller and Harold Craig ranging in age from fourteen to twenty years, were drowned this afternoon by the upsetting of their skiff in the river.

TODAY'S WEATHER.

Washington, May 23.—The following the weather bureau's forecast for Upper Michigan: Showers and thunderstorms Saturday. Cooler in the east portion; variable winds. Sunday, probably fair.

TWO KILLED IN WRECK. Trolley Car Jumped the Track Causing Fatalities.

Easton, Pa., May 23.—Two men were killed and many men and women injured in a trolley wreck a few miles beyond Easton at midnight last night. The dead are: Edward Commodore, of Nazareth, and Joseph Dehammer, of Easton. The brakes refused to work on the steep hill and the car ran away and jumped the track at the foot of the hill.

FRENCH ENVOYS ENTERTAIN.

Dine President and Party on Battleship Goulois.

Annapolis, May 23.—A luncheon was given today on board the French battleship Goulois in honor of President Roosevelt which was one of the most memorable incidents of the visit of the French soldiers and sailors to this country. The presidential party was received by Ambassador Cambon. The ambassador at the banquet made a brief speech highly complimentary to the president and to the United States. The president replied in his happiest vein, speaking with unusual deliberation.

WANTED FOR MURDER.

Omaha, Ia., May 23.—A warrant was issued today for Al Beard under arrest at Kansas City and wanted at Lincoln and Minneapolis for murder and for robbing a bank at Turin, Ia.

BITUMINOUS MINERS CANNOT HELP HARD COAL MEN.

ARE WORKING UNDER CONTRACT

THAT GIVE WHAT IS DEMANDED BY ANTHRACITE EMPLOYEES.

President Mitchell Says No Overtures Have Been Made to Settle Trouble—Firemen and Engineers Get Eight-Hour Day.

Washington, May 23.—Senator Hanna said tonight that he did not believe the Bituminous miners would strike because they are working under contracts which give them what is to a large extent demanded by the Anthracite miners.

WILKESBARRE, MAY 23.—President Mitchell tonight has received no communications or overtures from any one that could in any way be construed as bearing on the settlement of the strike. Receivers of the Haddock coal company were given instructions to grant the demands of the engineers, firemen and pump runners.

BASEBALL SEASONS.

National League.

Chicago, May 23.—Chicago lost to Philadelphia because of their inability to hit Fraser.

Chicago, May 23.—R. H. E. Philadelphia: 001003100—5 10 2. Batteries: Gardner and Chance; Fraser and Jackitsch.

St. Louis, May 23.—After a slugging match today St. Louis beat Boston, ten to six.

St. Louis, May 23.—00023050—10 17 2. Boston, May 23.—000310010—6 16 2. Batteries: Murphy, Wicker and Nichols; Pittinger, Eason and Kirtledge.

Pittsburg, May 23.—Pittsburg won out in the ninth with Beaumont's three bagger and Burk's bunt. The feature was George Smith's excellent work at second.

Pittsburg, May 23.—000000101—2 5 3. New York, May 23.—000001000—1 7 1. Batteries: Doherty and Smith; Sparks and Bowerman.

Baltimore, May 23.—000000110—2 7 3. Detroit, May 23.—000300000—3 7 3. Batteries: McGinnity, Robinson and Bresnahan; Sievers and McGuire.

Philadelphia, May 23.—02000310—6 12 3. Cleveland, May 23.—000000002—2 6 0. Batteries: Plank and Powers; Streit and Bemis.

Boston, May 23.—10004010—6 10 3. Chicago, May 23.—020100000—3 8 4. Batteries: Young and Criger; Griffith and Sullivan.

Washington, May 23.—050000000—5 10 3. St. Louis, May 23.—200200003—7 14 1. Batteries: Patten and Clark; Harper and Suggen.

Western League.

Des Moines, 2; Denver, 0. Kansas City, 6; Milwaukee, 3. Omaha, 5; Colorado Springs, 2. St. Joseph, 5; Peoria, 4.

College Games.

Oberlin, May 23.—Oberlin University, 1; Chicago, 8.

Des Moines, May 23.—Drake, 5; Simpson, 0.

Monmouth, May 23.—Monmouth College, 1; Notre Dame, 10.

WILL SET RATHBONE FREE.

Havana, May 23.—A bill is pending in the legislature granting amnesty to the Americans imprisoned here which will undoubtedly pass and will set Estes G. Rathbone as well as others at liberty.

STORM AT DECORAH

THREE LIVES LOST AND MANY NARROW ESCAPES.

CLOUD BURST DELUGES THE TOWN

RAILROADS WASHED OUT IN EVERY DIRECTION.

Damage Will Exceed One Hundred Thousand Dollars—Fire Starts and Is Extinguished With Difficulty.

La Crosse, Wis., May 23.—George W. Kidder, a traveling salesman returned from Decorah, Ia., this morning and reports that the storm there yesterday was the worst in the history of the town. Three lives were lost and many narrow escapes were had. The water came in a rush, there having been a cloudburst a few miles north. Decorah is located in a valley and the water rushed onto the town at a terrific speed. Some farmers tried to save their cattle, one aged man being drowned in an attempt to get to the barn. Another man went into the yard. When he started the water was only ankle deep. A few minutes later there came such a torrent that he was nearly covered by water. He grabbed the handle of the pump and managed to save his life. Kidder says scores of fine residences were washed from their foundations and carried several rods away. In one house a barber lived with his invalid wife and three children. The torrent carried the house away and he climbed out the second story window and clutched a floating tree and climbed to it. The house was finally caught about three blocks from its foundation and he managed to get to the window and bring his family out and kept them on the trees until aid reached them. Kidder says many other people had narrow escapes from being drowned. The railroads were washed out seven or eight miles in all directions. Telegraphic and telephone communication is entirely cut off.

Damage Exceeds \$100,000.

Decorah, Ia., May 23.—The damage by the flood exceeds \$100,000. Large sections of the Milwaukee track and most of the bridges in this vicinity are gone. About thirty residences are damaged. One family was carried three blocks in their home and escaped by cutting a hole in the roof and climbing into the second story of another dwelling against which their house had lodged. John Garver died from heart disease while trying to regain the entrance to his house and a three-year-old child of Charles Clark, was swept from its mother's arms when she was carried from her feet by the water. During the storm a fire started in a building where lime is stored and threatened the yards with destruction. The firemen worked in water running to their waists and saved the adjacent property. The Burlington railway's round house is badly damaged and the greater part of their house is demolished. Much of their track as well as most of their bridges are either gone entirely or so badly damaged that it will be at least a month before they can get trains to Decorah.

TOWN DESTROYED BY FIRE.

Richmond, Va., May 23.—The town of Clover was almost entirely destroyed by fire today. The loss is \$200,000.

SNUBS THE KAISER

REP. STEPHENS OBJECTS TO STATUE OF FREDERICK THE GREAT.

UNITED STATES CAN'T ACCEPT GIFT

TO DO SO WOULD BE REPUTATION OF CONSTITUTION.

Man From Texas Declares If Monument Is Erected It Implies Acknowledgment of Divine Right of Kings.

Washington, May 23.—Representative Stephens of Texas, today introduced a resolution directly aimed at the tender of a monument of Frederick the Great to the United States. It sets forth that the United States should not accept, from any foreign nation or erect in any public place, any statue of any kind, emperor, prince or potentate, who has ruled or is now ruling any nation by the supposed divine rights of kings. The resolution further sets forth that the acceptance of such statue by this government would be a repudiation of its basic principles as enunciated in the bill of rights and the constitution, an insult to the memories of our Revolutionary fathers and an admission that one man may govern a nation without the consent of the governed, and after his death have a statue erected in our republic and the blessings of the divine right of kings to rule, thereby approved.

San Francisco, May 23.—Jeffries and Fitzsimmons late this afternoon signed an agreement to fight here July 25.

SMOKERS! Try That Celebrated HAVANA PLANTATION CIGAR

A Union-Made Cigar, manufactured by JAEDECKE BROS., Ishpeming, Mich.

Entered as mail matter of the second class in the postoffice at Marquette, Mich.

Observes an exchange: "The desire of many persons to return to their habitations near Mount Pelee is the strongest evidence yet that there is no place like home."

Kent county isn't so solid for Stearns as it seemed to be. The new county committee chosen at the county convention last week met to organize Thursday and chose Scott Griswald chairman.

Colonel Lund is making it very warm for "Tip" Apin in the Tenth congressional district. He has got the delegations of several counties on which Apin counted securely, among these being Cheboygan, and stands a fair chance of capturing the nomination.

Statistics of pig iron production collected by the Iron Age establish that the United States is now turning out iron at the enormous rate of over 1,500,000 gross tons a month.

The Iron Mountain Press is willing to wager a hat or two that Mr. Wright will capture the Houghton delegation from Mr. Sheldon, also that he (Mr. Wright) will have more delegates in the convention than the congressman.

We have the word of Mr. Stearns for it that he isn't putting any money into the rather strenuous effort he is making to land the gubernatorial nomination.

There is one place on the state ticket to be put in nomination by the Republican party this year which the upper peninsula is entitled to and should demand. It is that now held by Professor L. L. Wright of Ironwood as member of the state board of education.

error recognized not only the eminent fitness of Mr. Wright for the position but also the just claim of the upper peninsula to representation on the board. The party cannot afford to be less considerate of our claims than the governor showed himself when he appointed Mr. Wright.

IN MEMORY OF A HERO. The unveiling of the bronze statue of Comte De Rochambeau at Washington will recall to the minds of patriotic Americans the great service that distinguished friend of liberty did for the American colonies when they were struggling against almost overwhelming odds to win for their country the freedom it has since been blessed with and is now enjoying.

The Hancock village board of review meets at the city hall Monday, Tuesday and Wednesday. "The Taming of the Shrew" will be presented at the Calumet theatre next Tuesday evening.

Richard & Pringle's minstrels will appear at the Houghton Armory Opera House next Wednesday evening. The Hancock Evening Journal employees will go on an excursion to Redjire next Friday, Memorial Day.

When all was over, when the victory was won in a culminating battle in which Rochambeau's men lost a third of their number, and by their desperate valor won for the regiment proud distinction here and at home, Rochambeau received the thanks of congress and returned to France, where he became a general in the army of the revolution.

Between your children and the tortures of itching and burning eczema, scaldhead or other skin diseases. How? why, by using Bucklen's Arnica Salve, earth's greatest healer. Quickest cure for Ulcers, Fever Sores, Salt Rheum, Cuts, Burns or Bruises, Infallible for Piles. 25c at Stafford's drug store.

Spring Cleaning You are made aware of the necessity for cleansing your blood in the spring by humors, eruptions and other outward signs of impurity.

Hood's Sarsaparilla It is Peculiar to Itself.

"Let the GOLD DUST twins do your work." Are you a slave to housework? GOLD DUST has done more than anything else to emancipate women from the back-breaking burdens of the household.

COPPER COUNTRY (Additional.) COPPERDOM BREVITIES. A case of scarlet fever at Osceola is reported.

The Hancock Finnish school will close its school year next Thursday. Dr. Hanson of Calumet has gone to Chicago for a few days' business trip.

A regular schedule of baseball games among the copper country high school teams may be arranged. The Quincy band gave its first outside concert of the season at the band stand at the Quincy last evening.

William Brand of Houghton has completed taking the farm and birth statistics for Portage township. Richard & Pringle's minstrels will appear at the Houghton Armory Opera House next Wednesday evening.

Rev. Mr. Brundage of Redjire will preach at the Congregational church at Hancock tomorrow morning and evening. A matinee of "The Witch of the Woods" will be given this afternoon at 2 o'clock at the Houghton Armory opera house.

THE FIRST YEAR STUDENTS at the Michigan College of Mines will start surveying in two weeks and will spend several weeks in that work. The attraction at the Calumet theatre will be "When Broken Comes to Town," a new musical comedy.

THE BOARD OF REVIEW for the villages and townships will meet Monday and Tuesday to hear complaints on assessments. H. T. Liebert of Hancock has prepared plans for a new residence for Dr. Gassner. It will be a two-story structure to be erected in West Hancock at a cost of \$2,000.

A special meeting of Houghton lodge, F. & A. M., will be held Monday evening, and all members are requested to be present as business of importance will be transacted. A number of Houghton men will go to Le Roy, and Port Arthur on the steamer Trempealeau Monday for the day's outing. They will be the guests of Captain Singer.

Theodore C. Simmer, an employee of the Quincy smelter, recently received a shoe full of hot copper, burning his foot badly. Blood poisoning set in but yesterday he was able to get around. Morgan Jopling of Marquette will attend the production of "The Witch of the Woods" at the Houghton Armory opera this afternoon. When the extravaganza was put on by Mrs. Purdy-Smith at Marquette two years ago Mr. Jopling took the part of the tramp.

Work on the new life saving station to be erected at the canal for Captain McCormick's crew will likely start next month. The bids have been received and the contract is soon to be let.

The Temple of Honor lodge, a temperance organization of Calumet, will celebrate its thirtieth anniversary on Saturday, June 7. A reunion of all the lodges in the upper peninsula is proposed at that time.

A gold watch, Hunter case, and silk fob with keystone charm attached was lost by a Houghton gentleman this week. Anyone finding and bringing the same to Jeweler Quirk, of Houghton, or Otto Borresen, Hancock, will be amply rewarded.

The Sturgeon River Lumber company, whose property was recently sold at auction, may be reorganized. A meeting of the stockholders will be held today when the matter will be discussed. They can still redeem the property by paying the amount due the creditors.

How often we see this startling headline of our daily papers, and how much we sympathize with the unfortunate victim, be he rich or poor, but there are hundreds of other cases, of people who have been robbed of far greater treasure than wealth that we never hear of. We refer to those who have been robbed of their good health by a rebellious stomach. There is one medicine, however, that will conquer a rebellious stomach and make it perform its duties properly, and that is Hostetter's Stomach Bitters. It is a specific remedy for the stomach and will cure belching, flatulency, sick headache, indigestion, constipation and biliousness. Try it and see. On Private Die Stamp is over the neck of the bottle.

NO MAN can cure consumption. You can prevent it, though. Dr. Wood's Norway Pine Syrup cures coughs, colds, bronchitis, asthma. Never fails. LIKE A DROWNING MAN. "Five years ago dyspepsia took such hold of me that I could scarcely go," writes Geo. S. Marsh, Nocona, Tex. "I took quantities of medicine but nothing helped me. As a drowning man grabs at a straw I grabbed at Kodol. Dieting is unnecessary. After a few bottles I am sound and well." Kodol digests any good food and cures any form of stomach trouble. Stafford Drug Co. H. N. Meloche, Ishpeming

Michigan College of Mines
An Engineering School with unique location, giving it unusual facilities. Distinctive methods of instruction. Special courses given. All work in charge of widely experienced men. Catalogue, giving list of graduates and their occupations, on application. Address
W. W. McHAFF, Pres., Houghton, Mich.

Copper Country Department

(Additional Copper County on Page 2.)
T. B. DUNSTAN DEAD

EXPIRED LAST NIGHT AT THE AUDITORIUM HOTEL IN CHICAGO—WIFE AND CHILDREN PRESENT AT BEDSIDE.

Former Lieutenant Governor T. B. Dunstan, of Hancock died last night at the Auditorium hotel in Chicago. Death was caused by a complication of internal diseases for which he had been compelled in recent years to undergo several operations. He went to Chicago two months ago and since then had been under special treatment. His wife and children, one son from West Point and his oldest daughter from Vassar college, were present at his death.

ELECT OFFICERS.
Management of Lake Superior Produce & Cold Storage Co. Chosen.

The directors of the Lake Superior Produce & Cold Storage Co., of Houghton, has elected the following officers: J. P. Petermann, president; W. E. Parrall, vice-president; and John Ruhl, secretary and treasurer. The manager of the wholesale grocery to be established in the store now occupied by Graham Pops about July 1 is John R. Fovarge, of Cleveland, who will soon arrive in Houghton to arrange for the opening. Mr. Fovarge is a man of wide experience in the wholesale grocery business. He leaves the employ of William Edwards & Co. to come to Houghton.

LEFT FOR THE SOO.
Dollar Bay Ball Club Plays Lock City Today and Tomorrow.

The Dollar Bay baseball team left last evening for the Soo where games will be played with the Maroons, one this afternoon and one tomorrow. The Dollar Bay aggregation is strong this year and it is expected that the boys will make a good showing at the Lock City. Return games will be arranged for the near future. Werner, of the Lake Linden team, will go with Dollar Bay and will likely pitch one of the games.

BOATS ARRIVE WITH COAL.

The steambarge Pawnee with three tows, loaded with coal, arrived at Portage Lake Thursday. One of the boats is at the Atlantic coal dock and two are at the Mineral Range docks with coal for the Wolverine mine. No let up in the soft coal shipments has been noticed on account of the strike in the East, and it is thought the mines will have no difficulty in getting their usual supplies.

FAMILY IN QUARANTINE.

An Osceola family are quarantined in their home on Millionaire street. There is one case of small-pox in the house and Dr. Lee, the health officer, is taking every precaution. The people are isolated in milk and even when the disease was among them they thought nothing of it and wanted to go right on selling milk. The health officer could not see it that way.

MEET AT HOUGHTON.

The Home Mission committee of Lake Superior Presbytery will meet in the new hall in the Citizens' National bank building of Houghton, Tuesday, May 27th, at 7:30 p. m. Rev. J. M. Rogers of Marquette, will preach, and immediately after the services, plans will be discussed as to the organization of a Presbyterian church.

WRESTLING MATCH.

A wrestling match between W. J. Russell and John Bennetts, two South range men of the mat, will be pulled off at the Finnish Temperance hall, Painesdale, this evening. An interesting contest is expected. Both men have local reputations as wrestlers. The sport is popular on the range just at present.

Thousands Have Kidney Trouble and Don't Know It.

How To Find Out.
Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes. You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail. Address, Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.

CARPENTERS ORGANIZE.
Will Enter Contracting Field in Copper Country.

Seventy-five Portage Lake carpenters have organized the Carpenters Co-operative Construction company. George F. Strang, of Hancock, is the manager and Fred Williams of Houghton, is clerk. As previously announced, the carpenters decided shortly after their strike for a nine-hour day and the same wages that they would go into the contracting business themselves and work in opposition to their former employers. The clerk of the new organization is ready to receive and figure on all plans for houses to be erected in either Hancock or Houghton, and if the contract is secured the best of satisfaction will be guaranteed. The contractors still refuse to grant the requests of the carpenters and this summer will likely see a considerable number of new carpenters, non-union, men at Portage Lake.

ENTERTAIN MASON.
Port Arthur Knights Will Visit Brethren in Copper Country.

The Canadian Masons of Port Arthur on the north shore will visit the copper country Masons on June 25. Three years ago the coppermen members of the order journeyed to Port Arthur and were royally entertained, and that time an invitation was extended to their brethren to visit coppermen whenever the trip could be conveniently arranged by them. The invitation was not forgotten and the Masons here will prepare a fine reception for the visitors who will while here on the excursion on either a while line or a Booth line boat. It has not yet been decided what will be done to make things pleasant for the Port Arthur Masons but as copper country people are noted for their hospitality it is certain that the visitors will never regret their trip. It is proposed to take the trip to the mines and other points of interest and a banquet or reception and dance will be arranged. The headquarters will be at Houghton but all Masons in the county will aid in giving the visitors a good time. A day or two will be spent in the copper country. When now a coppermen member went to Port Arthur three years ago they were taken in hand and shown all points of interest and in the evening were given a reception and dance.

RIPLEY IS LIVELY.
Erection of Docks Makes the Village a Bustling Place.

Ripley, opposite Houghton, where the new coal docks for the Portage coal and Dock Co. are about to be built, is now a lively place. A large force of men are at work clearing the ground for the docks and sheds the contract for which was secured by C. J. Johnson of Houghton. The stampan taken from the site will be used for that portion of the embankment of the Copper Range road extension running through Ripley. Work on the dock site commenced two weeks ago. Property and real estate at Ripley has advanced in value owing to the coming of the docks and Copper Range road. Considerable activity in real estate has been noted at Ripley and some have been disappointed in not securing property for which they were negotiating. The new coal docks when completed will be kept supplied with coal by Pickands, Mather & Co., of Cleveland, who are interested. A wholesale coal business will be conducted at Ripley and many of the copper country coal dealers and in the upper peninsula will get their coal there as well as some of the mines in the county.

PROGRESSIVE GOLF.

Some Good Contests Are Scheduled for This Afternoon.

At the golf grounds near Houghton this afternoon a big time is in store for the members and all are expected to be on hand so the plans for the day may be carried out successfully. Progressive golf will be started. It is something new in this part of the country. All the players will take part. Instructor Littledale will give each number and will name the opponents. The tournament promises to be interesting. Classes for the season, divisions, A, B and C, will be organized this afternoon. Today will virtually mark the opening of the season, and the link will be the rendezvous of the golfers this afternoon.

BOYS IN SERIOUS TROUBLE.

Edward, John and George Nieman, brothers, and James Toomey of Osceola, have been arrested, charged with stealing money from teachers' desks in the Osceola school. County Agent Miller will conduct the examination of the boys in Justice Fisher's court, Calumet, Monday evening.

CHARGED WITH NON-SUPPORT.

Frank Miller, of Hancock, charged with non-support by his wife, was arraigned in Justice Finn's court yesterday afternoon. He was defended by Attorney Burrill of Hancock, and Prosecuting Attorney Larson looked after the wife's interests.

WHEN YOU GO INTO A DRUG STORE to get a box of Panikler, examine it carefully to see if it is made by Perry Davis, and don't be persuaded to take something else as soon as you see the name on the wrapper. There is only one Panikler, "Perry Davis." Large bottles 25c and 50c.

Takes the burn out; heals the wound; cures the pain. Dr. Thomas' Electric Oil, the household remedy.

LADIES CAN WEAR SHOES.

One size smaller after using Allen's Foot-Ease, a powder to be shaken into the shoes. It makes tight or new shoes feel easy; gives instant relief to corns and bunions. It's the greatest comfort discovery of the age. Cures and prevents swollen feet, blisters, calluses and sore spots. Allen's Foot-Ease is a certain cure for itching, hot, aching feet. At all druggists and shoe stores. 25c. Trial package free by mail. Address, Allen S. Olmsted, Le Roy, N. Y.

LAKE SUPERIOR COPPER.
Interesting Weekly Summary of Operations at the Mines.

The recent improvement in the market price of Lake copper is giving encouragement to certain of the local mines that have been hard hit by the drop in the price of the metal to 11 cents. Eight years ago all of the active Lake mines were making a little money with copper selling at nine cents, but the advance in price and higher costs in every department of production have increased the cost of making copper by two to three cents per pound, and in consequence 11 cents per pound for the metal is rather more disastrous to the Lake mines than was 9 cents in 1894. Inasmuch as cost of production has increased on a corresponding scale in the western fields, it is not likely that the world will be able to buy its copper for an average price under 13 to 14 cents for any great length of time. Just how long copper will linger under 13 cents depends upon how long it takes the consumers to assimilate the over-production of the past two years.

C. & H. Will Not Enter Combine.

Eastern newspaper stories that the Amalgamated, Rothschild, Calumet & Hecla and Heinze interests have "got together" are entitled to no more credence than the rumors of similar purport that have been set afloat every two or three months for the past two years. The management wants to get as high a production as the Amalgamated, and while they are not averse to seeing a higher price for copper, are not likely to be used as "catspaws" for the Amalgamated. The Calumet & Hecla people are absolutely and unalterably opposed to the combination, and by so doing has apparently paved the way for an ultimate settlement of the copper war that has been raging in Montana for some years past, as it will certainly be easier to deal with a corporation having its stock on the market than a close corporation such as the Montana Ore Purchasing company was. The outcome of the Montana fight is as yet unseen, but Mr. Heinze's latest step is in the direction of an ultimate settlement.

Overrun With Laborers.
At the present time the copper district of Michigan is overrun with unemployed workmen. Times have been very good in the Lake district for several years past, and an immense amount of work has been done. Wages are high, running at \$2 per day for common labor, with mechanics drawing pay accordingly. This has made the copper country a mecca for laboring men, and at present there are more of them in the district than can find employment, despite the large amount of work being done and construction work under way this season.

Oscuela to Reduce Force.
It is rumored locally that the Oscuela will soon reduce forces. The copper company is not presently at an end of the heavy construction work undertaken three years ago, and will begin reaping the reward. The policy of the Oscuela management in declaring dividends not earned is a censurable one, but the outlay made for development of new shafts and equipment on an enterprise of this nature is a necessary one, and fully warranted by the requirements of the mine. With two fine mines opened on the Kearsarge lode, the situation of the Oscuela is a good one at present, but it would not be good were the company dependent on the mines opened at an end of the heavy construction work undertaken three years ago, and will begin reaping the reward. The policy of the Oscuela management in declaring dividends not earned is a censurable one, but the outlay made for development of new shafts and equipment on an enterprise of this nature is a necessary one, and fully warranted by the requirements of the mine. REVIEW OF TRADE

WEEKLY SUMMARY SHOWS IMPROVED CONDITIONS.

STRIKE IS ONLY CLOUD ON SITUATION

CROP REPORTS INDICATE A GOOD HARVEST.

Failures in Country Were One Hundred and Ninety-Two, an Increase of Twelve Over Same Period Last Year.

New York, May 23.—Bradstreet's Review tomorrow will say: "With almost uniformly good wheat, corn, oats and cotton crop reports, an improved retail demand caused by the weather, a full volume of re-order business for this season of the year and good collection and heavy railroad earnings, the only cloud on the situation would seem to be the continued lack of labor and the illness of the large numbers of industrial workers as a result."

Telegrams to Bradstreet point to the fact that a greatly increased area devoted to corn and oats is receiving adequate moisture at a time when it is greatly needed. The winter wheat crop in the Southwest is practically made. The Eastern dry goods markets are quiet as usual at this season. Wheat is slightly lower on good crop reports but the straightened supplies of corn and oats make the holders confident. The visible supplies of corn are only half those of last year and 60 per cent of the stock is in Chicago. Cotton depressed early on confident short selling but rallied later. The hog products were generally easier, lard lower and butter was also off. Copper displays an aggressive strength. Raw sugar is slightly weaker.

"A statement compiled by Bradstreet shows the total of bank clearings in the principal cities of the United States for the week were \$2,134,005,353, a decrease of 15.5 per cent as compared with the corresponding week last year."

R. G. Dun & Co.'s Review of "Trade tomorrow will say: "Many minor labor controversies have been settled, but the situation in the Anthracite region has assumed a more serious aspect. The railway earnings have continued satisfactory. The roads reporting for two weeks of May show gains of 6.1 per cent over last year and 18.4 per cent over 1901. Slight concessions are now obtainable in some lines of footwear although the market as a rule was fairly steady but dull. Print cloths were quiet at last week's decline. Quiet conditions prevailed in the cereal markets with only a moderate volume of option transactions and fractional changes in quotation. The exports of wheat, including flour, were 3,863,568 bushels the past week against 5,525,000 bushels in the corresponding week last year. Small receipts of corn, 1,263,188 bushels for the week against 3,667,000 a year ago, held the spot price at about 70 cents.

Dispatches from correspondents for Dun indicate satisfactory progress with the new corn crop and a material increase in the acreage.

The failures for the week were 192 in the United States against 180 last year.

NEW YORK STOCK MARKET.

Trading Was Dull to the Point of Stagnation.

New York, May 23.—Today's stock market was dull to the point of stagnation. The higher prices in London induced an improvement at the opening here but it was lost through mere inaction. Until the last hour there was hardly enough motive power to show any direction in the movement with the exception of some of the special stocks. There was quite an active demand for National Lead stocks due to the expectation that the company would benefit from the proposed combination in an allied branch of the trade.

The firmness of Amalgamated, Anaconda and Smoking was due to continued reports of the widening demand for raw copper both here and abroad. The appearance of the preliminary figures of the week's movement in currency awakened more attention than at any time

Run Down

Then don't expect to be cured in a minute! It takes a little time to get your blood pure and rich. We haven't room to explain. Just ask your doctor why Ayer's Sarsaparilla is such a good medicine for debility, weak nerves, and indigestion.

"I was very poorly and could hardly get about the house. Then I tried Ayer's Sarsaparilla, and only two bottles of it made me feel perfectly well."

MICHIGAN IRON & LAND CO., LTD., Marquette, Mich.

during the day. Outside of those stocks already mentioned the effect was not notable except in St. Paul; Union Pacific and Atchison. The currency figures indicate a net gain by the banks on the interior movement of nearly \$5,000,000 which is supplemented by a gain on the sub-treasury operations of \$355,000. The bankers are generally agreed that there have been further heavy contraction of loans and a reduction of the deposit liabilities. It will be seen that the promise is for an extremely favorable bank statement. The response of the stock market was very moderate. Possibly this was due to the fact that the inward movement of currency had been checked. New York exchange at Chicago fell back today to near par compared with sixty cents premium early in the week.

Closing prices of stocks are reported by Paine, Webber & Co. as follows:
Wabash Pfd. 44 1/2
N. Y. Central 157 1/2
Southern Ry. 27 1/2
Alton 29 1/2
Rock Island 17 1/2

Range of Money Rates. Money on call was easier at 2 1/2 to 3 1/2 per cent. Closing bid asked, 2 1/2 to 3 per cent. Prime mercantile paper, 4 1/2 to 5 per cent. Exchange, heavy; demand at 4 1/2 and sixty days at 4.84 1/2. Bar silver, 51 1/2.

CHICAGO GRAIN MARKETS.

Features of the Day in the Wheat, Corn and Oats Pits.

Chicago, May 23.—In wheat today there was only a moderate speculative business, trade being largely local, the prices covering 3/4 to 1/2. The feeling manifested was rather weak and the close was 3/4 to 1/2 lower. The cables were a little better and the movement small but the weather was more favorable and the Argentine shipments larger. At Liverpool spot was 1/4 to 1/2 lower with the futures 1/4 to 1/2 higher. The exports were 374,000 bushels and New York reported twenty boatloads taken for shipment. The local receipts were thirteen cars.

Corn had a fair trade, the market ruling nervous and unsettled, the closing being 1/4 to 1/2 lower. Local professionals led in the buying though the South was again the bull side. The main feature was the early restricted offerings. The receipts were only seventy-seven cars and the country acceptances small. The foreign news was bearish. Spot at Liverpool was steady with the futures unchanged to 1/4 higher.

Oats ruled fairly active and unsettled, the prices ranging higher early and showing gains of 1/4 to 1/2 but weakened at the last with wheat and closed at the bottom with no change in May and a loss of 3/4 to 1/2 in the other futures. The feature was the scattered buying of May by the shorts who advanced the prices 1/4 to 3/4 early where the most trading was done.

The leading futures ranged as follows: July wheat opened at 74 1/4; highest, 74 1/4; lowest, 73 3/4; closed, 73 3/4. July corn opened at 42 3/4; highest, 42 3/4; lowest, 41 3/4; closed, 41 3/4. July oats opened at 37 1/2; highest, 37 1/2; lowest, 37 1/4; closed, 37 1/4.

Receipts and shipments were as follows: Receipts, Shipments. Flour, barrels, 11,000 7,000. Wheat, bushels, 10,000 47,000. Corn, bushels, 46,000 102,000. Oats, bushels, 143,000 96,000.

BOSTON STOCK SALES.

The following were the transactions in copper stocks on the Boston exchange yesterday as furnished to The Mining Journal by Paine, Webber & Co.:

Adv. 23 1/2, Ar. 24 1/2, Green Con. 24 1/2, Am. 24 1/2, Atl. 24 1/2, B. & O. 24 1/2, Cent. 24 1/2, Cop. 24 1/2, Frankl. 24 1/2, Is. 24 1/2, Ring 24 1/2, Santa Fe 24 1/2, Tenn. 24 1/2, W. 24 1/2, W. & A. 24 1/2, W. & S. 24 1/2, W. & M. 24 1/2, W. & P. 24 1/2, W. & R. 24 1/2, W. & T. 24 1/2, W. & U. 24 1/2, W. & V. 24 1/2, W. & W. 24 1/2, W. & X. 24 1/2, W. & Y. 24 1/2, W. & Z. 24 1/2.

FOR SALE. One 10x12 Double Vertical Reversing engine, new, used a few days only, price, \$450.

One St. Louis Gang Edger in good order, with two saws (one more could be added) price, \$100.

One Double Circular Saw Mill Husk, wood frame, top and bottom mandrels, with pulleys, saw guides, head blocks, knees and set works, cheap, \$75.

Two single Clippers, price each, \$5. One Bolter Saw Table with four-foot ten-inch arbor, price, \$800.

One Double Circular Saw Mill will cut up to 12 feet, boiler, engine, steam feed, trimmer, gang edger, cut-off saws, live rolls, etc., complete, price on application.

Complete piping and fixtures for dry kiln forty thousand capacity, price \$500.

One Portable Chas. P. Willard & Co. 3x4 vertical steam engine and boiler in good order, price, \$75.

F. W. READ & CO., Marquette, Mich.

CORBETT IS VICTOR

DENVER LAD GETS DECISION OVER KID BROAD.

FIGHT WAS FAST AND FURIOUS

CONTEST WAS THIRD FOR FEATHERWEIGHT CHAMPIONSHIP.

Both Men Were in Fine Fettle and Forced the Fighting at All Times—Award Was Made on Points.

Denver, May 23.—William H. Rothwell, better known as "Young Corbett" gained the decision over Kid Broad, of Cleveland, at the end of a fast and furious fight. Broad put up a very good fight and in the ninth round had Corbett groggy but the Denver lad came back strong and finished the round fresh. At no time was there any time lost, both men being willing to lead and force the fighting whenever necessary. The fight is the third time this pair have met. The contest was for half the gross receipts, seventy-five per cent of which goes to the winner and twenty-five to the loser and the featherweight championship of the world. The first fight between them was March 22, 1901 when Broad scored a clean knock-out in the fourth round. July 26, 1901, Corbett gained the decision over Broad in a ten-round fight the latter, however, showing decided superiority. On both occasions the principals claimed they had not been in first-class shape. Tonight, however, the boys said they were in fine shape.

Decision Was on Points.

In the first round both were cautious and did little hard work. The second saw faster work, while in the third, Corbett had a decided advantage. At the close of the fourth round Corbett was on the defensive and the fifth ended with Broad showing fine form. There was but little choice in the sixth or seventh round. The eighth seemed in favor of Corbett but Broad had the advantage in the ninth. Soon after the opening of the last round Broad had Corbett groggy but the Denver boy rallied and the fighting became fast and furious at close range. Corbett landed two savage lefts on the nose as the round closed and won the bout. The decision was on points.

Chicago, May 23.—Buddy Ryan of Chicago, a featherweight, defeated Willie Fitzgerald of Brooklyn, in a six-round contest here tonight.

HANG NON UNION MAN.

Striking Coal Miners Are Resorting to Violence.

Pottsville, Pa., May 23.—Twenty masked union men entered a miners' boarding house at New Philadelphia yesterday morning. The men were fully armed and they gained an entrance by breaking a window. On entering they seized a non-union miner, Thomas Cresson, aged twenty-two years, who up to the time the colliery closed was employed as a loader at the Silver Creek colliery. Cresson was taken from his bed, bound hand and foot, and a rope was placed about his neck and he was lowered from an open window. Several shots being fired to intimidate the other boarders into making no resistance. Cresson when nearly dead was saved by some friends in the lower story pulling him in through a window and cutting the rope. They worked over him for an hour before reviving him into consciousness. Finding that their victim had escaped, all the masked miners dispersed. Coal and iron police are trying to find out Cresson's assailants and a number of arrests are expected.

WASHINGTON, MAY 23.—A temperate and carefully prepared speech was delivered in the senate today on the Philippine bill by Senator Dubois, of Idaho.

He contemplates almost entirely the discussion of the commercial and industrial aspects of the Philippine question, his purpose being to show it would be a disadvantage to the people of this country to retain the islands. Whatever of the profits there might be in them, he said, would accrue to the few capitalists who by their development of the resources of the archipelago through cheap labor, would come into competition with the agriculturists and manufacturers of the United States in the markets of the world. This government's activity in the Philippines also would serve to arouse China from her lethargy and once aroused, the dragon would devour the trade of the world.

HOUSE TAKES UP PENSION BILLS.

The house devoted the day to private pension bills and to a few other minor measures. Representative Loud of California, criticized the special pension legislation as a disgrace and drew emphatic responses from Representatives Sullo-way of New Hampshire, Sulzer of New York and Miers of Indiana. In all 105 private pension bills were passed. The house adjourned until Monday in order to participate in the Rochambeau ceremonies tomorrow.

DEAFNESS CANNOT BE CURED

By local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. Nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Hall's Family Pills are the best.

BIDS WANTED.

Sealed bids will be received by the undersigned until June 4th next, for the purchase of the old poor house and contents also the barn now used as a stable. Rock in basement not included in sale. For particulars inquire of the undersigned, or at the Poor Farm. The right to reject any or all bids is reserved. W. S. EWING, Chairman of Committee.

ISHPEMING IN BRIEF.

A gang of Ringling hill posters put up paper here yesterday. Tomorrow is Trinity Sunday. The service at Grace church will be at 8 and 10-30 a. m., evening at 7-30. At the evening service Bishop Williams will confirm and preach. G. R. Watts, the piano tuner, was up from Marquette yesterday. He wishes to advise his patrons here that he will be at Girzi's again next week and all orders left there will reach him. Miss Hilda Hansen, who intended to go to Marquette to take a position as clerk with the Marquette Millinery company, has taken a place with F. Braastad & Co. instead. She is in the dry goods department. Napoleon Lemay is making a number of improvements about his residence property at the corner of West Ridge and North Lake streets. The fence has been repaired and repainted and the dwellings are receiving fresh paint. An effort was made to get the Republic team here tomorrow for a game with the Cleveland-Cliffs nine, but the manager was unsuccessful. A number of the local fans will go to Marquette to take in the Reganice-Marquette game. Professor T. Wills of Calumet will give entertainments at the Salvation Army hall on Friday afternoon and evening of next week. Moving pictures will be the principal feature of the program. The admission prices will be ten and fifteen cents, the former for children. About twenty Finnish residents of Ishpeming will leave tomorrow morning for their native land across the water. A large delegation from the copper country will take the early South Shore train, bound for Finland. The local people will join them and all will make the trip across the ocean together. Miss Ida Gill entertained friends at her parlors home Thursday evening. There was a drawing contest which provided a great deal of amusement for the participants. Miss Jennette Gill was awarded the prize for the most artistic work. In a postal contest which followed Miss Lillian Pengelase of Negaunee carried off the honors. The seniors and juniors of the Ishpeming high school will entertain the pupils of other schools of the upper peninsula who will be here this evening. A hop will be given at the Ishpeming Co-operative society's hall. Tickets will be fifty cents per couple and all will be made welcome. Music will be furnished by the Trembley orchestra. The bell tappers in the employ of F.

At the evening service Bishop Williams will confirm and preach. G. R. Watts, the piano tuner, was up from Marquette yesterday. He wishes to advise his patrons here that he will be at Girzi's again next week and all orders left there will reach him. Miss Hilda Hansen, who intended to go to Marquette to take a position as clerk with the Marquette Millinery company, has taken a place with F. Braastad & Co. instead. She is in the dry goods department. Napoleon Lemay is making a number of improvements about his residence property at the corner of West Ridge and North Lake streets. The fence has been repaired and repainted and the dwellings are receiving fresh paint. An effort was made to get the Republic team here tomorrow for a game with the Cleveland-Cliffs nine, but the manager was unsuccessful. A number of the local fans will go to Marquette to take in the Reganice-Marquette game. Professor T. Wills of Calumet will give entertainments at the Salvation Army hall on Friday afternoon and evening of next week. Moving pictures will be the principal feature of the program. The admission prices will be ten and fifteen cents, the former for children. About twenty Finnish residents of Ishpeming will leave tomorrow morning for their native land across the water. A large delegation from the copper country will take the early South Shore train, bound for Finland. The local people will join them and all will make the trip across the ocean together. Miss Ida Gill entertained friends at her parlors home Thursday evening. There was a drawing contest which provided a great deal of amusement for the participants. Miss Jennette Gill was awarded the prize for the most artistic work. In a postal contest which followed Miss Lillian Pengelase of Negaunee carried off the honors. The seniors and juniors of the Ishpeming high school will entertain the pupils of other schools of the upper peninsula who will be here this evening. A hop will be given at the Ishpeming Co-operative society's hall. Tickets will be fifty cents per couple and all will be made welcome. Music will be furnished by the Trembley orchestra. The bell tappers in the employ of F.

HOTEL CLIFTON,
MARQUETTE, MICH.
Two Blocks From New D., S. S. & A. Depot.
Rates \$2.00 and \$2.50 Per Day.
DAN SULLIVAN Prop. (1-24-17)

MARQUETTE IS O. K.
RECORD KEEPER WATSON IS DELIGHTED WITH THE CITY.
TALKS OF MACCABEE CONVENTION
SAYS GREAT REVIEW WILL BE A BIG SUCCESS.

Late Returns Indicate That Expansion, Requiring a Two-Thirds Vote, Stands Good Chance of Defeat—Gossip Ament the Meeting.
"What do I think of Marquette? I think it is a beautiful city and its people are just as nice as their city is beautiful." So said Great Record Keeper Watson, of the K. O. T. M., on his return to Port Huron this week after several days spent here. Continuing he stated: "I was royally entertained by those in charge of the arrangements for our coming convention and I was cordially welcomed by all with whom I came in contact."
"The business men are greatly interested in the coming review of the great camp and are bestirring themselves to furnish the best accommodation possible for our delegates. They are handicapped by the refusal of the landlord of the Superior House (the largest hotel in the city) to open it during the week of the convention because he does not get a guarantee of \$9,500 from the citizens to insure him against possible loss, or, as some say, to assure him of a large amount of gain. I admire the pluck of those in charge, however, in deciding to abandon all further negotiations for the opening of this hotel and to make increased efforts to provide accommodation in the homes of their citizens for our delegates during the week of the convention."
"Enthusiasm is rampant amongst all Maccabees as well as among the business and professional men of Marquette, and I have no doubt that our accommodation and entertainment will be at least equal to any we have ever received in cities ten times the size of Marquette. I talked to a meeting of Maccabees and citizens of Marquette on Thursday evening, presided over by their capable and energetic mayor, and tried to impress upon them the magnitude of the undertaking and I feel satisfied that they realize what is before them and that everything will be done to meet the necessary requirements."

"No, I was not making a campaign trip, nor did I ask a Maccabee to vote for my re-election. I am satisfied to have my interests in the hands of my friends and especially those of the upper peninsula district, who have always stood nobly by me in every contest I have ever had in the Maccabee order. Whatever may be the result on the question of expansion, I feel assured that my friends will be sufficient in number to continue me in the business. You know that it has been well said by a countryman of mine that 'the best laid schemes of mice and men gang aft a-gley,' and I am in great hopes that the deep laid schemes to take me on the shelf will, in this instance 'gang a-gley.' The fact that I may disagree with another officer on a question of policy should surely not be a sufficient reason for my desertion."

Expansion Still in Doubt.
Although the election of Maccabee delegates to the Marquette convention has practically been completed throughout the state, the victory of either one or the other of the factions, as far as the issue of expansion is concerned, is not yet conceded. Definite advice policy of claiming everything and awaiting future developments to prove these claims, the leaders of both opposing forces are asserting that their side has been the victor. Definite advice have not been received from all quarters but from the information obtained and leaving out the question of expansion, the indications point to the reelection of Major Boynton as great commander by an overwhelming majority, the contemplated opposition to his reelection having apparently been abandoned and given way to the plan to curb his heretofore autocratic power. Thomas Watson, great record keeper, though bitterly opposed by Boynton's close personal following, owing to his antagonizing the expansion idea as advocated by the great commander, will likely also be re-elected as a compliment to his excellent executive management and in recognition of his sterling integrity.
As far as the expansion issue itself is concerned, the "ants" are not even willing to concede that the "bees" carrying the proposition will, under the rules, stand any show whatever. Record Keeper Watson, who has entered into a personal correspondence with all the delegates, last evening telegraphed The Mining Journal that out of 272 replies received up to noon yesterday, 133 stated that they were favorable to expansion; eighty-one are favorable to it and fifty-three are fancy free and open to conviction. Mr. Watson states that with more than a majority of those delegates definitely heard from, against the expansion issue over their own signatures, he sees no such reason for the "bees" carrying the proposition as its advocates claim. It requires a two-thirds vote to carry an amendment through the convention, and the anti-expansionist leader expresses his doubts whether even a majority will be mustered for the proposition. On the other hand, Major Boynton and his friends will, it is asserted at Port Huron, have no trouble in delivering the goods at the proper time.
Fight on Executive Board.
A great fight will be made to capture places on the executive committee which has the practical control of the order in its hands during the interim of great camp conventions and which is composed of the junior past commander, D. D. Aitken, of Flint, the great commander, great lieutenant commander and great recorder elected from the floor of the convention. The Boynton element has an amendment to the laws up its sleeve whereby it is proposed to cut out the past great commander and substitute a third elective member. The present board is anti-Boynton, but the probabilities are that Boynton will carry through a board favorable to his ideas, though the opposition is preparing to contest every inch of the ground. From great lieutenant commander down to the bottom of the roster two complete slates will be in the field, and the prospects are for most lively and both on the question of the future policy of the order and on its official board.
According to dispatches from Port Huron, the Maccabee anti-expansionists of the city have endeavored to secure the passage of a resolution through the various tents in this city, to elect a meeting instructed to vote for Thomas Watson for great record keeper, and it is further claimed that a determined effort has been made to change the delegates from expansion to anti-expansion. This move has been made at regular meetings of the tents when the attendance is small, but the vote has been successful and has aroused the ire of the seven delegates, the majority of whom, according to interviews with the Port Huron Daily Herald, are opposed to Mr. Watson. The latter, however, it is added, does not countenance the move, which is attributed to the "crowd" at the camp.
Big Detroit Tent With Boynton.
After a close and interesting fight, Michigan tent of Detroit, at a meeting the other evening, declared itself for the expansionist, electing as delegate Edgar Raymond, with Commander Harry R. Lansfield as alternate. The anti-expansionists were out in force, there being two candidates on that ticket in the field, and the fight was a fierce one while it lasted. The result of this election gave the expansionists twenty-three votes out of the forty-seven. Michigan tent being the third largest in the state, the expansionists were looking to it for support. For the first time in the history of the tent it was voted to send the alternate to the convention, allowing him his expenses the same as the delegate. Standard tent of Detroit tent, electing Moses Wartell as its delegate.
As far as the sentiment in Northern Michigan goes, it is solid for Boynton and expansion, according to Attorney Healy of Houghton, who has just returned to the copper country after a visit to all the Maccabee lodges of the upper peninsula. The purpose of his visit was to ascertain the feeling of the camps in regard to expansion, and the result he states as follows: "I have visited all the camps from Calumet, and all points of the northern part of the upper peninsula to Menominee and find that all of them are in favor of expansion. They have instructed the delegates to vote for expansion and Boynton for great eminent commander for another term."

Worse than Slavery
John G. Gabler, of No. 108—13th St., Olean, N.Y., writes: "Gloria Tonic cured me completely. I was so severely afflicted with rheumatism that I could not turn in bed without screaming, but now I can work like years ago." My wife was also cured of rheumatism, her hands having formerly been crippled and swollen."
Gloria Tonic sells at all drug stores at \$1.00 a package. Trial Box, also illustrated book on rheumatism containing many stories of cures from actual life and which explains every form of Rheumatism, is sent free by sending name and address to JOHN A. SMITH, 624 Germania Bldg., Milwaukee, Wis.

Special Train from Escanaba.
Says the Escanaba Iron Port: "A committee has been appointed from the two K. O. T. M. tents to make arrangements for a special train to be run from this city and it is expected that nearly 200 passengers can be secured to attend. The members of the Marquette societies have arranged a day of sports for the entertainment of the visitors in connection with the encampment which will comprise Cornish wrestling, horse racing and general athletics."
Big Steamer from Detroit.
The Detroit Today mentions that "The D. & C. line steamer City of Mackinac will leave Detroit June 5 with a big Maccabee excursion. The party will go to Marquette and be gone about a week, and as the Maccabees are making great preparations for the trip, a jolly time is expected."
Big Delegation from Soo.
The Soo-News-Record, after mentioning that Jerry Fleming has been elected delegate to the Marquette convention, with Judge Crouch as alternate, states: "The tent has not as yet decided to attend the great camp in a body as is the general intent, but it is thought that there will be a large delegation from the Soo."
Cheap Rates from Iron County.
At Crystal Falls, the St. Paul road is advertising a one-fare rate for the round trip on account of the convention. The papers state that a large delegation will be here from Iron county.
TORRID FIGHT IN THE HIVE.
Insurgents, led by Mrs. Maxwell, Are After the Great Officers.
In the great hive, too, a torrid fight is on. In fact, compared to the sizzling violence of the political campaign now in progress within the membership of the Maccabee order, the present contest between Bliss and Stearns in this state is a Rip Van Winkle slumber. The personage who is principally responsible for making things so phenomenally lively among the Lady Maccabees is Mrs. Leota Decker Maxwell, now of Detroit, lately of New York, and formerly great commander of the order for three years. She is now in the field for the position of great record keeper, hoping to succeed Miss Emma Bower of Ann Arbor, in that position.
Has Visited Many Hives.
Mrs. Maxwell is putting up a campaign to command the admiration of an experienced male politician. She began it March 1 last, and proposes to keep it up right to the latest moment. June 10, when the great hive meets and the election will be held, Mrs. Maxwell has a legal advisor, with whom she is in constant touch, who passes on the propriety and legal sufficiency of her statements. She has prepared several circulars, which have been sent to all the hives in the state. She is traveling about the state constantly visiting hives and consulting with members. She has able lieutenants engaged to represent her interests in a number of localities, and is spending money with great freedom.
"It is my own money," she says. "I propose to win and I will if it costs me the entire salary of the position for a year. I can afford it. I cannot suddenly discover that something needs my personal attention in some hive and charge the expense of visiting it up to the order, but I can pay my own way." Mrs. Maxwell does not say how much money she has already expended but admits that it is costing her considerable.
Expansion, Rotation in Office, Economy.
Bright, capable and energetic, Mrs. Maxwell has been flashing from hive to hive, bringing to fever temperature the feeling of those who believe that they have been trampled on by a sort of office holding monopoly. She has succeeded so well that all ready many of the gentle women of the order have grown desperate enough to resort to almost any measure in their rebellion against the established order.
In brief, some of the points raised by Mrs. Maxwell are these: The present officers have been in too long. Others, including Mrs. Maxwell, who is well qualified, ought to have a chance. Mrs. Maxwell would like the office of great record keeper.
Expansion was forced on the great hive illegally.
The officeholders with their patronage are defying the will of the majority.
Extravagance is indulged in, particularly in keeping deputies in the field when not needed, solely to serve political purposes.
The present officers of the great hive are all candidates for re-election. Mrs. Frances E. Burns, of St. Louis, is great commander; Rachel Bailey of Grand Rapids, is lieutenant great commander; Emma E. Bowers of Ann Arbor, great record keeper; Susie S. Graves, of Port Huron, great finance keeper, and Dr. Emma Cook of Detroit, is great medical examiner.
Concerning the prospects of success of the women who are making the contest, the Port Huron Herald, Major Boynton's paper, says: "The machine which is in control of great hive affairs is a slick one, with a clever woman at its head. The Port Huron Times does not believe the machine can be beaten. The present officers have all held their positions for nine years. Elections are for two years."
Hits at the Officers.
Concerning her campaign, Mrs. Maxwell says: "I am having a real nice time and lots of fun. The present officers seem to think it is something dreadful for some to aspire to their positions, and act real angry about it. I didn't know they owned the offices. I supposed people holding elective positions expected to retire sometimes, and that it was perfectly proper for others to aspire for such offices. I think what the order needs in Michigan now is a change. Nine years is certainly enough. There are other ladies in the order who are just as capable of filling the positions as the present incumbents, and that is not saying anything mean about them either."
"The two deputies have been sent out to hives in which they were not only not solicited or desired, but were strongly objected to. Many hives did not need instruction, nor did they approve of class work. The women feel that the increase of membership has not warranted the expenditure of money in the Lady Maccabee for April. We find deputies' expenses set at

581,221.99, with but seventy members added by them to chartered hives.
"In every city in which there are Lady Maccabees there are many women capable of advancement, but the expense of traveling about the state to get acquainted and express their honest opinions comes out of their own pockets, and not from the general fund of the great hive, as in the case of the officers. Those women who have aspirations feel that the old officers are virtually encased in armor, because they have their expenses paid all over the state, and are in close touch with the subordinate hives through correspondence on business of the order, their postage being paid, of course, from the general fund."
"With all this disadvantage, the women have felt that it would be utterly useless to aspire to anything worth while in the order, no matter how thoroughly qualified, they might be. But this year, other women are asking for an opportunity and it rests with our membership to settle the question whether a few shall control for nine years more, or others of the 63,000 members be given an opportunity. This year there is opposition for every office—honest, open, conscientious opposition."
Has a Good Official Record.
Mrs. Maxwell has occupied various positions in the L. O. T. M. She was a hard worker while was being established and she wrote most of the ritual. She was the first state organizer, formed forty-three hives a year, and brought in 1,000 members in each of three years. While holding this office, she made 218 public addresses. She filled the office of great commander from 1890 to 1893. The salary of the great record keeper is \$1,500 a year, with \$300 in addition for editing The Lady Maccabee.
Among the other ladies who would like to displace some of the present officeholders are Mrs. May Stocking Knaggs, of Bay City, candidate for great commander, and Dr. Mary Colfield Smith of Grand Rapids and Ellen Murray of Ypsilanti, who would like the post of medical examiner.

COPPER STOCKS DULL.
Feeling Still Cheerful and the Prices Are Well Held.
The coppers, said Paine, Webber & Co. yesterday, have had another comparatively dull day. There was some profit-taking at the opening, but the prices held up well under it. The sharp advance in Parrott and the better buying of Anaconda is considered significant. It looks as though all the loose ends were being gathered up preparatory to some kind of a settlement or re-organization of the better coppers and the Amalgamated company. The signs of the times are certainly favorable and the metal market is strong. We believe coppers should be bought.
Hayden, Stone & Co. wired the Laidley Commission company: "The regular summer dullness seems to be on, but the feeling on coppers continues cheerful. Parrott is very strong at 31. Amster & Co. are out with a well-written bull circular on Old Dominion. Amalgamated and United Copper continue to be well bought and there is no pressure to sell either."
A Slump in Wheat.
"Wheat, influenced by the cables, which failed to reflect our slight break of yesterday, and the strength in the corn market, opened a trifle higher than yesterday and continued stubbornly strong until the latter part of the session, when heavy liquidation and selling by the Southwest caused quite a sharp break to nearly a cent a bushel under last night. The market closed at the bottom. The receipts and estimates continue light. The Northwest receipts show some increase and are slightly heavier than last week. Primary receipts are about half of that of last year and the shipments less than one-fifth of last year. The weather map showed a most perfect condition this morning and there is no doubt about the improved condition of the growing crop. Lower prices seem all the more probable, but we have not had a fair break and upon further declines would buy wheat for a turn."
"Corn opened strong and higher upon a report of small acceptances, but later broke in sympathy with wheat, closing slightly under last night. The receipts and estimates are comparatively light, with the primary receipts and shipments very light. The condition of the growing crop, as reported from different sources, continues good. There was practically no opposition to the decline today and unless support is given the market lower prices may follow along with wheat, but we would buy corn upon all breaks."
"Oats opened slightly higher, but broke in sympathy with wheat, closing slightly under last night. We still believe that oats are too high, but in view of the manipulation condition would prefer trading in other operations."
Wall Street Stocks Very Strong.
Walker Bros., wiring Paine, Webber & Co., had this to say of the New York stocks: "The market today has strong and active, and with advancing prices. All the grangers and some of the specialties were strong and the whole tone was better. Money eased up and loaned freely and this had a very good effect. In the afternoon the prices continued strong and were well held up until the close, which was at the best prices of the day."

MAY HEAVEN HELP DESPONDENT AND HOPELESS SUFFERERS FROM KIDNEY DISEASE TO ACCEPT THE NEW LIFE OFFERED BY PAINE'S CELERY COMPOUND
The Great Medicine Cures Bright's Disease, Diabetes, Nephritis and Albuminuria.
Thousands of people suffer through a living death from some form of kidney disease. In the majority of cases, the poor sufferers have been informed by physicians that there is no hope. If you are a victim of kidney disease, take courage, dear sufferer! There is a mighty saving agent that you have not yet called to your aid: it is Paine's Celery Compound. This grand medical prescription has conquered as desperate cases as a brand from the burning. If you have but the faith to give it a trial, you may perchance ask, "What will Paine's Celery Compound do for me, that other medicines have failed to accomplish?"
Paine's Celery Compound will accomplish vastly more for you in your distress than you can imagine. Its first great vital undertaking is the purification of the life stream from waste matter, the result of decomposition of the tissues. It will remove all morbid material, saving you from uraemic poisoning, which so often proves fatal in kidney disease.
In addition to all this, Paine's Celery Compound will establish nerve force and new nerve fibre; it will nourish the weakened system and restore the full vital functions of the kidneys.
If you value your life, delay not the use of Paine's Celery Compound a single hour. Your present critical state demands the immediate use of this great life savor. Emma Doty of Red Buttes, Wyo., saved by Paine's Celery Compound from fatal kidney disease, writes as follows: "I had a terrible pain in my side owing to kidney trouble. I could hardly lie down; but that trouble has all left me through the use of Paine's Celery Compound. Last spring I had mountain fever and was sick a long time; since taking Paine's Celery Compound I am strong. I feel very grateful for your medicine. I am glad to say anything that would encourage people to use it."

PIGS! PIGS!
We have a choice lot of young pigs, which we offer at the following prices: Pigs, 5 to 6 weeks old, per pair, \$5.00; 7 to 9 weeks old, per pair, 6.00; about 3 months old, per pair, 7.50. Terms: Cash with order and satisfaction guaranteed.

Worse than Slavery
John G. Gabler, of No. 108—13th St., Olean, N.Y., writes: "Gloria Tonic cured me completely. I was so severely afflicted with rheumatism that I could not turn in bed without screaming, but now I can work like years ago." My wife was also cured of rheumatism, her hands having formerly been crippled and swollen."
Gloria Tonic sells at all drug stores at \$1.00 a package. Trial Box, also illustrated book on rheumatism containing many stories of cures from actual life and which explains every form of Rheumatism, is sent free by sending name and address to JOHN A. SMITH, 624 Germania Bldg., Milwaukee, Wis.

Special Train from Escanaba.
Says the Escanaba Iron Port: "A committee has been appointed from the two K. O. T. M. tents to make arrangements for a special train to be run from this city and it is expected that nearly 200 passengers can be secured to attend. The members of the Marquette societies have arranged a day of sports for the entertainment of the visitors in connection with the encampment which will comprise Cornish wrestling, horse racing and general athletics."
Big Steamer from Detroit.
The Detroit Today mentions that "The D. & C. line steamer City of Mackinac will leave Detroit June 5 with a big Maccabee excursion. The party will go to Marquette and be gone about a week, and as the Maccabees are making great preparations for the trip, a jolly time is expected."
Big Delegation from Soo.
The Soo-News-Record, after mentioning that Jerry Fleming has been elected delegate to the Marquette convention, with Judge Crouch as alternate, states: "The tent has not as yet decided to attend the great camp in a body as is the general intent, but it is thought that there will be a large delegation from the Soo."
Cheap Rates from Iron County.
At Crystal Falls, the St. Paul road is advertising a one-fare rate for the round trip on account of the convention. The papers state that a large delegation will be here from Iron county.
TORRID FIGHT IN THE HIVE.
Insurgents, led by Mrs. Maxwell, Are After the Great Officers.
In the great hive, too, a torrid fight is on. In fact, compared to the sizzling violence of the political campaign now in progress within the membership of the Maccabee order, the present contest between Bliss and Stearns in this state is a Rip Van Winkle slumber. The personage who is principally responsible for making things so phenomenally lively among the Lady Maccabees is Mrs. Leota Decker Maxwell, now of Detroit, lately of New York, and formerly great commander of the order for three years. She is now in the field for the position of great record keeper, hoping to succeed Miss Emma Bower of Ann Arbor, in that position.
Has Visited Many Hives.
Mrs. Maxwell is putting up a campaign to command the admiration of an experienced male politician. She began it March 1 last, and proposes to keep it up right to the latest moment. June 10, when the great hive meets and the election will be held, Mrs. Maxwell has a legal advisor, with whom she is in constant touch, who passes on the propriety and legal sufficiency of her statements. She has prepared several circulars, which have been sent to all the hives in the state. She is traveling about the state constantly visiting hives and consulting with members. She has able lieutenants engaged to represent her interests in a number of localities, and is spending money with great freedom.
"It is my own money," she says. "I propose to win and I will if it costs me the entire salary of the position for a year. I can afford it. I cannot suddenly discover that something needs my personal attention in some hive and charge the expense of visiting it up to the order, but I can pay my own way." Mrs. Maxwell does not say how much money she has already expended but admits that it is costing her considerable.
Expansion, Rotation in Office, Economy.
Bright, capable and energetic, Mrs. Maxwell has been flashing from hive to hive, bringing to fever temperature the feeling of those who believe that they have been trampled on by a sort of office holding monopoly. She has succeeded so well that all ready many of the gentle women of the order have grown desperate enough to resort to almost any measure in their rebellion against the established order.
In brief, some of the points raised by Mrs. Maxwell are these: The present officers have been in too long. Others, including Mrs. Maxwell, who is well qualified, ought to have a chance. Mrs. Maxwell would like the office of great record keeper.
Expansion was forced on the great hive illegally.
The officeholders with their patronage are defying the will of the majority.
Extravagance is indulged in, particularly in keeping deputies in the field when not needed, solely to serve political purposes.
The present officers of the great hive are all candidates for re-election. Mrs. Frances E. Burns, of St. Louis, is great commander; Rachel Bailey of Grand Rapids, is lieutenant great commander; Emma E. Bowers of Ann Arbor, great record keeper; Susie S. Graves, of Port Huron, great finance keeper, and Dr. Emma Cook of Detroit, is great medical examiner.
Concerning the prospects of success of the women who are making the contest, the Port Huron Herald, Major Boynton's paper, says: "The machine which is in control of great hive affairs is a slick one, with a clever woman at its head. The Port Huron Times does not believe the machine can be beaten. The present officers have all held their positions for nine years. Elections are for two years."
Hits at the Officers.
Concerning her campaign, Mrs. Maxwell says: "I am having a real nice time and lots of fun. The present officers seem to think it is something dreadful for some to aspire to their positions, and act real angry about it. I didn't know they owned the offices. I supposed people holding elective positions expected to retire sometimes, and that it was perfectly proper for others to aspire for such offices. I think what the order needs in Michigan now is a change. Nine years is certainly enough. There are other ladies in the order who are just as capable of filling the positions as the present incumbents, and that is not saying anything mean about them either."
"The two deputies have been sent out to hives in which they were not only not solicited or desired, but were strongly objected to. Many hives did not need instruction, nor did they approve of class work. The women feel that the increase of membership has not warranted the expenditure of money in the Lady Maccabee for April. We find deputies' expenses set at

PRESENT for Your FAVORITE

THE MINING JOURNAL will give Six Choice Seats at

"THE TAMING OF THE SHREW"

TO MOST POPULAR TEACHER IN ISHPERING. VOTE FOR YOUR CHOICE.

The Mining Journal has ever been alive to the interests of education and has always endeavored to extend the scope of the acquirement of knowledge whenever an opportunity presents itself. With this end in view this paper has purchased six choice seats for the performance of Shakespeare's "The Taming of the Shrew," which the well known star, Charles B. Hanford, will present in this city at the opera house on Wednesday, May 28. The Mining Journal will present these seats to the lady school teacher who will receive the largest number of votes.

The plan of voting is simple. All that is required for the casting of a vote is to fill and cut out the coupon printed below and send it to the Ishpeming office of this paper. Inasmuch as there are six seats, the lady for whom the largest number of ballots is cast can invite five of her friends to be her guests on the evening of May 28.

"The Taming of the Shrew" is one of the most amusing as well as instructive of Shakespeare's comedies. It has not been revived for several years and the production given by Mr. Hanford and his company is said to be adequate in every respect.

The Mining Journal will announce the progress of the balloting each day by publishing the list of contestants with the number of their votes.

VOTING COUPON.

This is a vote for _____ candidate for Six Choice Seats at the Ishpeming Opera House for the performance, May 28, of

Mr. Charles B. Hanford in "The Taming of the Shrew."

P. S.—Write the name of your favorite on the line above and send or bring coupon to THE MINING JOURNAL'S Ishpeming office before 12 o'clock noon, Tuesday, May 27.

Ishpeming and its Environs.

(Additional Ishpeming on Page 4.)

THE PRIZE WINNERS.

Secretary of the Firemen's Fair Submits a List of the Lucky Ones.

- Those who won prizes at the firemen's fair with the articles raffled, are as follows:

- 87 Handkerchief, Mrs. H. Jaedeke.
- 1707 Fishing outfit, Robert Northley.
- 679 Center piece, Anna Keating.

The winners can get their prizes by presenting their orders to the engineer of the department at the main engine house.

SPEAK WELL OF HANFORD.

The Minneapolis Journal of Feb. 14 had the following comment on Charles B. Hanford's work in the Shakespearean comedy, "The Taming of the Shrew," which will be produced at the local theatre next Wednesday evening:

"Mr. Hanford's Petruchio is a fine and free interpretation of that dashing suitor and rigorous husband. From the moment when the plan of wooing, winning and subduing Kate is conceived, he takes on the swaggering air and testy temper of his assumed character with a relish so great that the audience in his evident enjoyment of the process of the plan were entirely forgotten. Even when he lays about him most lustily among the frightened servants, there is a twinkle in his eye not to be misunderstood by keener folk. Of all the delicious comedy with which the role is invested, Mr. Hanford loses not a touch. A more satisfying Petruchio it would be hard to imagine."

E. W. GROVE.

This name must appear on every box of the genuine Laxative Bromo-Quinine Tablets, the remedy that cures a cold in one day. 25 cts. Ladies, see our large line of trimmed hats. We are selling them off cheap. Finnish Mercantile association.

MINERAL LANDS SOLD.

Portion of Section 19 Is Bought by the Saginaw Mining Co. of Duluth.

Quite an important mining deal was closed here this week. The Saginaw Mining company of Duluth purchased 200 acres on Section 19, southwest of Ishpeming. The price paid was \$50,000. The description of the land included in the transfer is as follows: The west half of the northeast quarter; southeast quarter of the northwest quarter; northeast quarter of the southwest quarter and the northwest quarter of the southeast quarter.

Several persons held an interest in the land. The largest sum, \$16,666.66, went to Mary G. and Cecil A. Heather of Wellington, Vt., who owned one-third of the tract. E. O. Clark of Marquette owned one-eighth and Ellen J. Clark, also of Marquette, one-sixteenth. H. H. Milford of this city owned ten-twenty-fourths.

It is assumed that the corporation will do some exploratory work on the land, though its plans have not been made known.

TAKEN TO THE ASYLUM.

The following from The Menominee Herald will be read with interest by the many friends in this section of Conductor Frank Moran, who has been employed on this end of the Chicago & Northwestern system for some years past: "Conductor Frank Moran of the Northwestern road, so well known in Menominee, has been taken by those in charge from Green Bay, his home, to the Northern Hospital for the Insane at Oshkosh, Wis.

"It is hoped by his family and friends that under the expert treatment of the hospital physicians the unfortunate man will recover his mind and a permanent cure be effected.

"Mr. Moran was in Menominee every day until a week or so ago when he gave evidences of a mind unbalanced. He has a large number of friends here who will anxiously wait for news of his condition."

ATHLETIC MEET TODAY.

Though the Ishpeming High school will not be represented by a team in the upper peninsula athletic meet to be pulled off this afternoon at the Union Park grounds, the attendance of local people will be large. Many here have taken such an interest in athletic events during the years the boys of the local schools have participated in them that they will not miss today's events. The contests will begin at 2 o'clock and as the program is long the last event will not be run off until late in the afternoon. There will be no long delays between the events.

THE TEACHERS' CONTEST.

The friends of several of the teachers of the local schools who are receiving votes on the "Taming of the Shrew" contest are hustling in the coupons. The returns up to last evening were: Miss McKittrick, 64; Miss Belcher, 49; Miss Anna Lacey, 52; Miss Haslam, 48; Miss Nina McDowell, 28; Mrs. Sober, 19, and Miss Broad, 25. Coupons will be received until 6 o'clock Tuesday evening. The reserved seat sale begins today at Tillson's. The company will play here at reduced prices, so that all who appreciate a first-class attraction should take advantage of this opportunity.

SERENADED THE EGGAN FAMILY.

The night before Fred J. Eggan and his family took their departure for Norway the mixed choir of the Norwegian Methodist church gave them a serenade. The callers did not appear until after 10 o'clock, about the time the members of the household were getting ready to retire. Their coming was a complete surprise to the Eggans. The visitors came provided with good things to eat and drink and after rendering a few selections on the lawn all went into the house where they made merry until after midnight.

Germs of Disease should be promptly expelled from the blood. This is a time when the system is especially susceptible to them. Get rid of all impurities in the blood by taking Hood's Sarsaparilla, and thus fortify your whole body and prevent illness.

If you want strictly pure ice cream, large or small quantities, order from Buchholtz Bros., Ishpeming. Soda water with crushed fruit our specialty. (5-13-11)

TOO MUCH SEWING

WOMEN SHOULD BE CAREFUL NOT TO OVERDO THEMSELVES.

The Experience of Mrs. Prazak, Wife of the Town Clerk of Millersville, Minnesota.

The woman with the responsibility of a house and family on her shoulders has always been given to overdoing herself. As a result almost every day we hear of one breaking down. Her nerves have given way or her strength has failed. Such was the experience of Mrs. Prazak, wife of J. M. Prazak, town clerk of Millersville, Douglas county, Minn. She says:

"I had been sewing a great deal and it was too much for me. Between that and my other household duties I began to be very nervous. I had no appetite and there was a feeling of heaviness around my heart, so bad at times that it seemed as if I couldn't get any air. I was so nervous always that any little thing would upset me. Nothing that I could do gave me any relief and it became so bad that I was obliged to neglect my housework. I had nervous prostration.

"Some time in March, after I had suffered for several months, I happened to get a book that gave the statements of people who had suffered from complaints similar to mine and had been cured by Dr. Williams' Pink Pills for Pale People. I thought that if Pink Pills had done so much good in other cases they might benefit me also and began taking them. I felt a little better and that made me willing to give them a thorough trial. I took the pills regularly for two months and by that time my health was completely restored.

"I am glad of this chance to tell how easily and thoroughly. I keep them in the house all the time and strongly recommend them to all who are afflicted as I was." The pills which cured Mrs. Prazak act directly on the blood and nerves and in that are different from any other medicine. They cure locomotor ataxia, partial paralysis, St. Vitus' dance, sciatica, neuralgia, rheumatism, nervous headache, after-effects of the grip, palpitation of the heart, pale and sallow complexion and all forms of weakness either in male or female. Dr. Williams' Pink Pills for Pale People are sold at all druggists, or will be sent direct from Dr. Williams Medicine Co., Schenectady, N. Y., postpaid, on receipt of price, fifty cents per box; six boxes for two dollars and a half. Sent for free booklet of medical advice.

S. JOHNSON & CO.'S OLD STAND.

WOMAN'S POWER

Perfection of Form, Feature, and Mind Render Women All-Powerful. Health, However, the Greatest Charm.

Woman's greatest gift is the power to inspire admiration, respect, and love. There is a beauty in health which is more attractive to men than mere regularity of features.

The snap and spirit which health gives to the eye, the movement, and the speech are full of magnetism.

Sickly women can't understand this. They only know that they are miserable, and their efforts to be attractive are languid and weak.

Woman's influence in the world is limited by her strength, and the strength of health is real strength.

It brings with it beauty and grace and loveliness of disposition.

To be a successful wife, to retain the love and admiration of her husband, should be a woman's constant study. If she would be all she may, she must guard well against the signs of ill health.

Regular and painless menstruation is absolutely necessary.

The help which Lydia E. Pinkham's Vegetable Compound gives to women who are attacked by any disorder of the feminine organism is real, permanent help. It cures all weaknesses of the organs and makes it possible for women to retain their health and beauty to maturity.

Mrs. Pinkham advises women who are ill free of cost. Address her at Lynn, Mass. Thousands owe their health to her.

A Boston Woman's Experience.

"DEAR MRS. PINKHAM:—I feel very grateful to you for the benefit I derived from your kind advice and remedies. I was troubled with a complication of female troubles, had ovaritis, painful and irregular menstruation, leucorrhoea, nervousness and weakness. I had no appetite and could not sleep nights. The least exertion would cause shortness of breath and dull pains in my hips and side. The doctors all advised me to have an operation and have one of my ovaries removed, but this I could not bear to think of. I was induced to try Lydia E. Pinkham's Vegetable Compound, and after taking the first bottle I was much improved. It renewed my appetite, health and strength. I continued taking it, also your Blood Purifier and Sanative Wash until entirely cured of all my troubles. The pains have never returned and my health is splendid. Your remedies have been a boon to me and I am sure many a woman owes her life to them."—MRS. WELLS, 255 Columbus Ave., Boston, Mass. (March 15, 1901.)

No other medicine in the world has received such widespread and unqualified endorsement.

No other medicine has such a record of cures of female troubles or such hosts of grateful friends. Remember this when you go to buy Lydia E. Pinkham's Vegetable Compound.

\$5000 REWARD.—We have deposited with the National City Bank of Lynn, \$5000, which will be paid to any person who can find that she above testimonial letter is not genuine, or was published before obtaining the writer's special permission. Lydia E. Pinkham Medicine Co., Lynn, Mass.

MISS SARAH FINLEY,

Vice-President of the Palmetto Club, Memphis, Tenn.

WINE OF CARDUI is a thoroughly scientific and modern remedy, meeting the needs of the modern woman in the modern way—without the torture of an operation. Wine of Cardui has cured them in the privacy of their homes and it has found a place in the hearts of American women that no other medicine has found. In their gratitude over 10,000 American women have written letters commending Wine of Cardui. Wine of Cardui meets their wants as no other medicine does. It sustains the young girl at the shock of her entrance to womanhood. Women who take Wine of Cardui have little discomfort during pregnancy and little pain at childbirth. When the change of life appears they enter a happy, healthy old age. Every month it comes to the rescue to assist Nature in throwing the impurities from the body.

Miss Sarah Finley.

following praise on Wine of Cardui:

"Among the numerous medicines placed before suffering women for their relief none can touch McElree's Wine of Cardui. It towers above them all as a reliable female remedy. It simply drives pain and disease away and restores health in an incredibly short period. I have taken great interest in this medicine for the past two years, since it brought health and strength to me. I have also recommended it to a number of my friends and they who have used it speak of it in the highest terms and I feel that it is praise well bestowed."

If you are suffering from female weakness Wine of Cardui is the medicine you need. You can have health the same as Miss Finley if you will take the Wine of Cardui treatment. If you need advice further than the complete directions given on the bottle, address The Ladies Advisory Department, Chattanooga Med. Co., Chattanooga, Tenn.

Miss Sarah Finley, of Memphis, Tenn., vice-president of the Palmetto Club of that city, speaks for herself and many friends when she bestows the

WINE of CARDUI A million suffering women have found relief in Wine of Cardui.

Negaunee and Vicinity.

NEGAUNEE GETS A HOSPITAL.

Dr. J. H. Hudson Will Establish an Up-to-Date Institution Here.

It has long been conceded that a hospital would be a paying institution in Negaunee. For some years past local physicians have been eager to start a movement for the establishment of one, but it remained for Dr. J. H. Hudson to provide it, and he has taken the matter in hand alone.

The doctor announces that he has secured a desirable site and will soon let a contract for the erection of a suitable building. It is his intention to equip the hospital with modern furniture and fixtures. The building will be of sufficient size to accommodate a large number of patients and will be planned so as to admit of enlargement later if that is found necessary. He will be prepared to make definite announcement as to the site, etc., within the next few days.

Negaunee has been without a hospital since 1873. The Mitchell building at the head of Iron street, opposite the Breitung House, was built for a hospital by Dr. Crandell. The institution was conducted under his management about a year when the doctor died. He soon after disposed of his interests in the city and left Negaunee. The building was closed. The doctor could find no one who cared to undertake running it, so was compelled to dispose of the property at the close of the year. The building is now unoccupied. It has been in a dilapidated state for the past five years or so. It was damaged by fire and since then the owner has done nothing with it.

ROCK CRUSHER IS HERE.

The city's new rock crusher arrived here yesterday morning. A man is expected from the factory today to unload and install it. It will not be many days before the plant is in operation. The crusher will give a thirty days' trial before the city accepts it. Street Commissioner Thomas states that there are in the neighborhood of 3,000 tons of rock at the Teal Lake bluff ready for the crusher. The rock is about the toughest to be found anywhere near this city and if the plant grinds it satisfactorily the street commissioner and the members of the street committee will be satisfied that it is all that the manufacturers claim it to be.

The executive committee of the firm's tournament has decided that the running track will be on Clark street, between Teal Lake avenue and Kanter street. This will be the first place the new road roller will be put to work.

After that is put in condition Snow street will be attended to. The latter thoroughfare is in bad shape and the street committee wanted to have some work done there last year but it was quite impossible to get around to it.

LOCAL LACONICS.

J. D. and E. E. Thompson of Calumet were Negaunee visitors yesterday.

The infant child of A. Dionne died Thursday and was buried yesterday.

William May is back from the copper country, where he spent the past few months.

William Anderson came in from the Escanaba river yesterday evening with fine string of trout.

Mrs. William McComber is building a seven-room dwelling at the rear of her lot, corner of Case street and Mackenzie avenue. She will occupy the new place and will rent the house she at present occupies on the front of the lot.

There will be no services at the Swedish Lutheran church tomorrow morning. Rev. A. E. Monell, the pastor, goes to Michigan in the morning. A class of about fifteen children will be confirmed by him at the Michigan church.

E. F. Richards, agent of the Traders' Insurance company of Hartford, on Thursday settled an accident claim with James E. Cannon of the Negaunee branch of the Ishpeming Co-operative association. Mr. Cannon fell from a chair about a month ago and injured his foot.

August Gustafson of Republic has sold the half interest he held in the double house and lot on East Case street to John Rud of this city, who owned the other half. The property is desirable and Mr. Rud will obtain very fair interest on the money he has invested in it.

The Nye Theatre company will give a matinee this afternoon, commencing at 2 o'clock. The little ones will be given presents, such as dolls, baseball bats, etc. The gifts can be seen in Andrew Erickson's window. The company will close its engagement here this evening.

The Nye Theatre company will give away \$10 as a door prize this evening. There will also be a contest for a gold watch, which will go to the most popular lady. The play this evening will be "Jack Shepherd," or "From the Cradle to the Grave." The company has had a very satisfactory business here this week.

Members of Charles H. Towne post of the Grand Army will attend memorial services tomorrow morning at the Presbyterian church in this city. Rev. Dr. Smith, the pastor, will preach an appropriate sermon. The two military companies of Ishpeming will act as escort to the old soldiers. The Memorial Day celebration this year takes place in Ishpeming.

Special services are being held at the Swedish Mission church of this city. The opening was last evening. Services will be held this afternoon and evening, and tomorrow there will be three services, at 10 a. m. and at 3 and 7 p. m.; Sunday school at noon. Rev. T. J. Paulson of Ashland, Rev. J. E. Bjorlund of Iron Mountain and Rev. C. Anderson of Ishpeming are assisting the local pastor.

Where to Stop When in Detroit. Hotel Metropole, Woodward Ave., opp. City Hall. European plan. Rooms, \$1 per day; with bath, \$1.50

TOP-NOTCH REACHED.

Record for High Prices of Steers Was Broken This Week in Chicago.

A couple of weeks ago it looked as if the bottom might drop out of the cattle market. There was a drop one day of forty cents per hundred, but the decline was due to an overcrowded market on that particular day. The following day the prices went skyward again and now they are as high as they have been at any time during the past two months.

One day this week a carload of Texas steers brought the highest figure that any lot of similar stock has sold for in this country since 1882. The cattle were sold at \$7.45 per hundred pounds live weight. The sale took place in Chicago and one of the big packing houses there bought the bunch.

The representatives of the branch beef houses of this section are not giving their patrons any encouragement to expect a drop in prices. They are entirely in the dark as to the course of the market. It would not surprise the salesmen to see the better grade of cattle bring even a higher price than that quoted for the carload of Texas steers on the Chicago market. They are advised when local markets for cattle are still scarce and that there are no perceptible indications of a reduction in prices.

The fish dealers are selling more fresh fish than they ever did before. Local meat market men report that they are unable to get the fish they want to sell. Patrons of the markets buy fish in preference to meat when it is to be had. While fish is considered quite high it is much cheaper than meat. Fresh fish retails at ten cents per pound in the local markets.

BASEBALL TOMORROW.

The Negaunee baseball team will cross bats with the Marquette nine at the Queen City tomorrow afternoon. The team will go down on the noon train. The boys will wear their uniforms, as they intend to play direct from the train to the fair grounds.

The local nine has been strengthened some since the contest of last Sunday. A couple of changes were made and it is expected that a strong game will be played. The team will be accompanied by a large delegation of rooters.

On Decoration Day the local nine will meet the Cleveland-Cliffs team of Ishpeming on the Union Park diamond. If the weather is favorable the game will draw out an unusually large crowd, as there is no little rivalry existing between the aggregations.

ATHLETIC MEET TODAY.

Negaunee people are not specially enthusiastic over the upper peninsula high school athletic meet to be pulled off this afternoon at Union Park. This is because the local high school will not be represented by a team.

A number from here will take in the meet, expecting to see some lively contests. The local people will likely root for the Marquette team, as they will want to see the honors retained in this county.

REVEALS A GREAT SECRET. It is often asked how such startling cures, that puzzle the best physicians, are effected by Dr. King's New Discovery, for Consumption. Here's the secret. It cuts out the mucus and germs, infected mucus, and lets the life-giving oxygen enrich and vitalize the blood. It heals the inflamed, cough-worn throat and lungs. Hard colds and stubborn coughs soon yield to Dr. King's New Discovery, the most infallible remedy for all throat and lung diseases. Cures guaranteed bottles 50c and \$1.00. Trial bottles free at Stafford's.

WANTS OTHERS TO KNOW. "I have used DeWitt's Little Early Risers for constipation and torpid liver. They are all right. I am glad to introduce them," writes Alfred Heinze Quincy, Ill. Never gripe. Safe Pills, Stafford Drug Co. H. N. Meloche, Ishpeming.

BIDS WANTED. Bids for heating plants for St. Paul's church and parsonage are wanted. The church plant will be steam and the parsonage water. Specifications can be seen at the parsonage. Bids to be in by June 10, 1902. Right reserved to reject all bids. REV. C. LANGNER. (5-23-31)

As the hot weather approaches it is a good thing to know that T. W. Simcox, the stove man, will overhaul and repair your old oil or gasoline stove and put it in good working order at a moderate price. He also makes a specialty of relining and repairing ice boxes. Screen doors and windows recovered. All work called for and delivered. Simply telephone your order. Both phones, residence and shop, corner Clark and Kanter streets. (5-20-1w)

When doctors fail try Burdock Blood Bitters. Cleanses the system, constipation; invigorates the whole system.

WILLIAMS' PINK PILLS FOR PALE PEOPLE. STAFFORD DRUG CO., Marquette.

Poor Indeed

are those weighed down by mental depression. Men rise in this world through buoyant nerve force. The loss of this force daily drags down to failure some of the world's brightest minds. Such a condition is commonly known as Nervous Debility. When you lose self-confidence and feel your strength, energy and nerve force are slipping away, it is high time you seek sensible aid. You prefer health and success to misery and failure.

Sexine Pills have no equal as a nerve restorer. A couple of boxes will dispel that heavy feeling; the unnatural weariness disappears and replaces languor with new force and vigor of body and brain. Six boxes will cure any ordinary case of nervous debility. If not, you get your money back. \$1.00 per box; 6 for \$5.00, mailed in plain package. Book free.

CARPENTER-COOK COMPANY STILL BRANCHING OUT.

TO ESTABLISH A LOCAL HOUSE

WEST PORTION OF THE PENDILL BLOCK IS LEASED.

Big Stock of Goods Will Be Carried and the Grocery Business as Far Away as the Soo Will Be Catered To.

Marquette is to have another wholesale grocery house. It will be established by the Carpenter-Cook company of Menominee, and be located in the west portion of the Pendill block on Superior street, opposite the old passenger station.

The quarters secured in the Pendill block are well suited to the needs of the wholesale concern. The company will occupy the two west stores, with a floor space of about 100 feet in length by a total of forty-four in width, and will also use the second story.

The house will be managed by M. W. Boaz, who is in charge of the Ishpeming establishment of the big company. Mr. Boaz will be a very busy man. Two days a week will be devoted by him to the business here and similar time at Negaunee and Ishpeming.

The business in this city and at all points between here and the Soo will be handled from the Marquette establishment, and Mr. Boaz states that he is confident the trade taken care of at this point will be fully as heavy as the business transacted through the Ishpeming branch, which has reached surprisingly large dimensions.

The Carpenter-Cook company is already one of the largest wholesale grocery houses in the country, and its business is steadily increasing. It has a number of traveling salesmen on the road and is reaching out for trade in all sections of the upper peninsula and northern Wisconsin.

PLAYED TO PACKED HOUSE.

Richard's Pringles' minstrel were greeted by a packed house at the opera house last evening, and had no difficulty in keeping the audience amused from start to finish. By far the best feature in the show, although no section of it was weak, were the five Arab acrobats.

HEAVY TRAIN.

The passenger train from the east yesterday afternoon, which pulled in about an hour late, was one of the heaviest ever brought in here. There were eight cars in all—five of them comprising the regular train, two cars belonging to the minstrel aggregation and one that contained railroad laborers.

HOLDS UP A CONGRESSMAN.

"At the end of the campaign," writes Champ Clark, Missouri's brilliant congressman, "from overwork, nervous tension, loss of sleep and constant speaking I had about utterly collapsed. It seemed that all the organs in my body were out of order, but three bottles of Electric Bitters made me all right. It's the best all-around medicine ever sold over a druggist's counter."

LICENSE IS RENEWED.

Commissioner Barry Reconsiders His Action Relative to the N. P. L.

Miss Fanny Hoffenbacher, secretary of Red Cross Legion of this city, yesterday received official notice from Geo. A. Scott, the national secretary, that State Insurance Commissioner Barry has reconsidered his recent action and has renewed the Michigan license of the National Protective Legion.

HAUL THE FLAG DOWN.

Hiram Burt Endorses Senator Hoar's Views on the Philippines.

"I have just finished reading Senator Hoar's speech on the Philippines question," said Hiram Burt to The Mining Journal last evening. "As a life-long Republican," he continued, "it voices my sentiments and feelings. I am not one of those who stick to the flag, right or wrong. When the flag of my country goes up with the concurrence of the people over whom it floats, then I stand with it; but when it goes up over a people conquered by force, and that people become unwilling citizens of my country, then I say, 'Haul it down.'"

BALL GAME TOMORROW.

Marquette-Negaunee Match Will Be Started at 3 O'Clock.

The ball game at the new fair grounds tomorrow afternoon between the Marquette and Negaunee teams will be started at 3 o'clock. The new extension of the street car line will be in commission and prepared to handle the crowd, no matter how large.

A good game is anticipated. Ed Corbett will captain the local team, having been elected to that position at a meeting held last evening.

BADLY DAMAGED.

Schooner Bourke Must Be Practically Rebuilt at Cost of \$7,500.

The schooner Mary A. Bourke, which recently parted her tow-line and went ashore near the old rolling mill here and was released by the tug Favorite, has been found to be very badly damaged. The boat has been taken to the West Bay City yards and will have to be practically rebuilt at an estimated cost of \$7,500.

Harbor Gossip.

The steamer Wawatam, which lost her rudder here after an encounter with Ripley rock, has arrived at Cleveland in the care of the steamer Saxon and the tug Aldrich. The Wawatam was not being towed, but was lashed alongside the Saxon. This was done on account of her disabled rudder, which would have made her awkward to handle in the rivers.

The dock situation at Lake Erie ports is getting worse instead of better and advices from there say that boats now at the dock will be in luck if they get away inside of a week. The bunching process is going merrily on, the shippers insisting upon loading directly into cars instead of on stock piles on the docks.

There was one lone arrival at the L. S. & I. dock yesterday, this being the steamer Neosho, which arrived from a Canadian port. The vessel was loaded with ore, and in the evening cleared for Buffalo. At the South Shore docks, no boats came in but a number are expected today.

The schooner Wm. McGregor arrived yesterday with 1,500 tons of coal for F. B. Spear & Sons. The cargo is being loaded into cars at the new dock of Pickands & Co., which went into formal commission yesterday. The McGregor was towed up by the steamer Hackett.

SUNDAY AT THE CHURCHES

Methodist—At the morning service, at 10:30, the pastor will preach a memorial sermon, addressing particularly the G. A. R. veterans. In the evening Mr. Elliott will have for his subject "The Spirit of the Letter of the Bible," the subject being the seventh sermon in the series on "The Bible."

St. Paul's cathedral—Trinity Sunday: Holy communion at 7:30 a. m.; matins and sermon at 10:30 a. m.; Sunday school at 12 m.; evensong and sermon at 7:30 p. m.

German Lutheran, Ridge street, Rev. Carl Appeler, pastor—Feast of Trinity: Preaching services at 10 o'clock a. m.; Sunday school at 11.

CITY BREVITIES.

Today's weather: Partly cloudy, with possibly showers; cooler; variable winds.

Louis Kaufman left last evening for Chicago.

Ontonagon is represented in the city by J. H. Haight.

Born yesterday, to Dr. and Mrs. H. J. Hornbogen, a son.

Attorney W. T. Potter of Ishpeming was among Marquette's visitors yesterday.

W. H. Laidley is expected from Chicago this morning to spend Sunday with his family here.

David Hood, the contractor who built the new passenger station here, is in the city from Duluth.

License to wed was yesterday granted to Joan E. Remillard and Philomene Charlioux of Negaunee.

George Monroe, of Beaver ball club fame, left last evening for Gladstone, where he will hereafter reside.

Rev. James Ivey, pastor of the Methodist church at Opechee, is visiting his mother, Mrs. Ivey, Bluff street, for a few days.

The ladies of the Biddle Whist club will meet this afternoon at 2:30 o'clock with Mrs. John Gillett, corner of Arch and High streets.

Miss Catherine Brandt, a trained nurse of Milwaukee, left last evening for her home after a short visit with Mr. and Mrs. E. C. Bailey.

The German school, conducted every Saturday, will be in session as usual this morning in the basement of the German Lutheran church.

George W. Brown arrived home yesterday afternoon from Simcoe, Ont., where he was called about ten days ago by the illness and subsequent death of a brother.

M. E. Asire, L. M. Spencer, Frank Gooding and H. J. Stevens of Hortonville, Wis., got back last evening from a fishing trip to the Sauk's Head district. They were up the lake for several days.

Harry and Jay Quarters were tendered a surprise party last evening at their home on North Front street, by some thirty of their friends.

Several of various kinds whiled away some very pleasant hours.

Mrs. J. E. Burtless and daughter have arrived here from Toledo to join Mr. Burtless and to make Marquette their home. Mr. Burtless is the popular representative of the Woolson Spice mills in the northern district.

The special train which will convey the high school athletes and their friends to the upper peninsula meet at Union Park this afternoon will leave at 12:15 o'clock. It is expected that over a hundred persons will make the trip.

E. C. Blodgett, formerly traveling freight agent for the Chicago & North-western road, greeted old friends here yesterday. He now represents a paint company and makes this territory at frequent intervals.

City Controller and Assessor Bay calls attention to the fact that the tax statements must be handed in today. The penalty for failure to do so is a stiff one, and the state tax commission has given notice of its intention of enforcing it.

Percy Delf last evening treated The Mining Journal night force to a bountiful supply of rolls and cake, the excellence of which fully explains why Mr. Delf is having such a big run on his bakery goods, received fresh from Milwaukee every morning.

The next theatrical attraction will be "When Benben Comes to Town," which will hold the boards next Saturday evening. The play is not at all on the "Rube" order, but is a musical comedy which was given the name of the popular song whose title it bears.

The mercury got up to 87 yesterday, and was as low as 62. At 7 o'clock in the morning the government thermometer registered 70, at noon it stood at 85, and last evening at 7 it was 63. The range for the day was twenty-five degrees.

Tim Duquette, agent for the Metropolitan Life Insurance company, has handed a check for \$1,000 over to Henry Bittner, administrator of the estate of the late George Winterstein. The payment was in settlement of a policy held in the Metropolitan by Mr. Winterstein.

The veterans of the G. A. R. will attend divine services at the Methodist church tomorrow morning, assembling at their hall in the Frei block at 9 o'clock for the purpose. The Sons of Veterans and the Spanish-American war veterans are invited to turn out with the old soldiers who fought in the Rebellion.

The streets in the business district were well filled with people yesterday afternoon, particularly by women and children, and the citizen not realizing that a minstrel parade was on the card wondered much why the unusual crowds. The parade had been advertised for 2-3 o'clock, but as the troupe came from the Soo and the train was nearly an hour late it was after four before the stupendous aggregation of "two bands, English traps and Kentucky thoroughbred horses" put in an appearance. The throngs, however, hung on till the finish.

Until further notice I may be found at the Cinderella from 7 to 8 a. m. At Burtmore Park farm, 8:30 to 9 a. m.

At Van Wave's farm, 9 to 9:30 a. m. At Kremer's farm, 10 to 10:30 a. m. At Burt Freestone quarry, 10:30 to 11 a. m.

At Grove Street farm, 11:30 to 12 m. At my office in the Connors house, corner Lake and Garden streets, from 12:30 to 2 p. m. After that time I cannot say where I will be.

There will soon be Bell phone service at the Cinderella, the quarry and the Connors house. HIRAM A. BURT, Marquette, Mich., May 23, 1902.

(5-20-1f)

BIDS WANTED.

Sealed bids will be received until May 21st, 1902 at 2 o'clock p. m., at the office of Geo. P. Cummings for the grading of the grounds at the Poor Farm, said work to be completed by June 15, next. Plans and specifications can be seen at the office of George P. Cummings. The right to reject any or all bids is reserved. W. S. EWING, (5-15-6d) Chairman of Committee.
