PE-RU-NA WOMAN'S BEST FRIEND,

So Says Mrs. Rose, of New York City, And Tens of Thousands of Other Women.

Mrs. Jennie Rose, 362 W. Twenty-Second Street, New York City, writes The Peruna Medicine Co., Columbus, O.:

Gentlemen: "Peruna is a blessing to suffering women. I suffered with female trouble since I began menstruation, and every month I suffered two and telling you all my complaints from the three days of untold agony, and had to arrange my work and duties so as to beginning to the present, made happy be in bed every month for two days at least.

"My brother was cured of Bright's Disease from the use of Peruna and so your kind and fatherly letters of advice and instruction. I am now a strong I determined to try it for my trouble.

"Imagine my great joy when I found that it relieved me quite a bit the first | Scott. month and I was entirely without pain during that period after having used If you do not derive prompt and satis-

"This is about two years ago and all during that time I have suffered no pain. I can now come and go as I like and consider Peruna woman's best friend be pleased to give you his valuable adand wish that every suffering woman might know that she can find relief vice gratis.

Truly yours, MRS. JENNIE ROSE. Ky., writes: "When I wrote you for advice I was

Mrs. Ellen Thompson, Battle Town,

very bad off. When I received your letter I commenced using Peruna and it did just what you said it would. I have had a cough for about fifteen years and your medicine has done me more good than anything I have ever used. I am so thankful to you for your advice to me."-Mrs. Ellen Thompson.

Mrs. James Eighmey, Grape, Mich.,

"I have been troubled with pain before and during my monthlies ever since I was seventeen. I was also troubled with other female weakness. I took your treatment, and am now well, and thank you for your kind advice."-Mrs. James Eighmey.

Mrs. John Meyers, Erhart, O., writes: "I have been a sufferer from chronic catarrh for years and have thereby lost the sense of smell entirely. I had four of the best physicians in this vicinity without receiving any benefit whatever.

"Now I am once more a well woman. I find Peruna to be the best medicine in the world as it has done me more good than my physician could have done for me. My friends say I look ten years younger. I tell them that Peruna did it. I can't thank you enough for your free advice." --- Mrs. John Meyers.

Mrs. Ida Baker, Portsmouth, O., writes:

"I am glad to say that I am well. I have taken Peruna and feel better than I have for ten years; have gained twelve pounds and am still gaining. When I wrote to you for advice I had given up all hope of being well again, and I feel that it has saved my life."-Mrs. Ida Baker.

Alice Scott, of Franklin, Ky., in a letter to Dr. Hartman, says:

"For seven long years I had been a constant sufferer from catarrh of the pelvic organs which resulted in displacement of the uterus. I wrote you and much encouraged every time by woman weighing 148 pounds."-Alice

Nazina District, Newly Discovered, De velops Paying Claims.

Tacoma, Wash., Sept. 11.—News from the north today declares that the Na zina is the richest gold district discov ered since the Nome field was found The district is 200 miles inland from Valdes and well supplied with water and timber for mining purposes. Rex gulet is proving very rich. In four days two nen with one sluice box took out \$1,500. Four hundred claims have been staked over, half of which were secured by Robert Blei of New York, who had sent a large party of prospectors into that ection to locate copper claims. Bedrock is four to six feet deep and sluicing can continue nearly six months during sum-

KILLS SELF ON WEDDING DAY. While Bride Waits at Altar Groom

Takes Poison at Hotel. Pana, Ills., Sept. 11. Because of financial difficulties and inability to support a wife Dr. Otto A. Holt, a young dentist of Tower Hill, committed suicide yesterday at the Hotel Flint in this city. He

was twenty-three years old. Dr. Holt was to have been married at noon to Miss Eva Ham, daughter of L. S. Ham, superintendent of the Pana public school, and prominent in society. At the appointed hour the bride was ready and the minister waited to perform the ceremony. The bridegroom lid not appear. On investigation his body was found in his room at the hotel. He had drunk carbolic acid. Wedding guests were present when the suicide was discovered.

Braemer, Scotland, Sept. 11.-King Edward, wearing a kilt and with a thistle stuck in his Glengarry bonnet, attended a picturesque Braemer gathering to day and watched the highland games, for which the place has long been famous. With his majesty were many members of the royal family, including Queen Alexandra, the Prince and Princess of Wales and children, and the Duke and Duchess of Fife. Their majesties subsequently returned to Balmoral castle.

A resolution was passed that the nominee, if elected, do all in his power to bring about the adop- Prices: Boxes and Divans, \$1.50; Partion of a three-cent fare on all the rail-

And all Forms of Itching Scaly Humours Instantly Relieved and Speedily CURED BY CUTICURA.

Complete Treatment (\$1), consists of CUTICURA SOAP, to cleanse the skin of crusts and scales and soften the thickened cuticle, CUTICURA OINT-MENT, to instantly allay itching, irritation, and sinflammatio and soothe and heal, and CUTICURA RE-SOLVENT PILLS, to cool and cleanse the blood. A SINGLE SET is often sufficient to cure the most torturing, disfiguring, itching, burning, bleeding, scaly, crusted, and pimply humours, when all else fails.

MILLIONS USE CUTICURA SOAP, assisted by CUTICURA OINTMENT for beautifying the skin, for cleaning the scalp, and stopping of falling hair, for softening and whitening the hands, for baby itchings and rashes, in baths for annoying irritations and chaffings, or too free or offensive perspiration, for many sanative, antiseptic purposes which suggest themselves to women, and for all the purposes of the tollet, bath, and nursery. CUTICURA RESOLVENT FILLS (Chocolate Coated) are a new, tasteless, odorless, economical substitute for the celebrated liquid CUTICURA RESOLVENT, as well as for all other blood purifiers and humour cures. In screw-cap vials, containing 60 doses, price 25c. Sold throughout the world. SOAP, 25c., OINTMENT, 56c., Pills, 25c. British Depot: 27-28, Charterhouse Sq. London. ELY TOWNSHIP FARMS.

The region situated in Ely township nown as Greenland and North Greenland, offers one of the best examoles of what is being done in the line of farming in the western part of Mar-quette county. Nearly all the farms have been under cultivation for the past twenty years and in that time they have been brought up to a high degree of productivity. As nearly all the early settlers were in narrow circumstances much of tionably receive a warm welcome here this time has been spent in clearing the this season, as she is appearing in one of

lands of the hardwood with which they were all covered. As long as thirty-five years ago Leon Papin bought two forties Section 23, 48-29 from the old M., H. & O, railway. This he added to from acres of cleared land and eighty acres Johnson and Carlson, took up homesteads of Tudor and the English court had the means of procuring them scarce, Then came the discovery of iron ore at the Dexter, which after all proved a poor blessing to them, as it kindled the hope of could have been used otherwise was spent in a long fruitless search for iron. Their labor was dissipated in the vain years of the sixteenth century. Much pursuit of an illusion.

between his son, Napoleon Papin, and his son-in-law, Louis Nault. They have in common all necessary farm implements, portrays, including reaper, binder and hay press. here are nearly a score of buildings on the place. Among them is an enormous barn, nearly 150 feet in length, a school house, which, it is interesting to note, has an attendance entirely made up of the children of Napoleon Pa pin and Louis Nault. They have no ess than fifteen children of school age and the commonwealth of Michigan prac tically furnishes them with a governes in the person of the teacher, Miss Car on of the Winthrop location.

The operations of these two farmers the soil. The main point seems to be, of an excellent character. As soon a LOST-A gentleman's seal ring, at the Fair Grounds Wednesday evening. Reward at Mining Journal office.

The main point seems to be, not the money profit, but rather the best living that can be had. For example, little more, we expect to see the coppers of the co hey have seven horses, thirty head of get a fresh start and go higher." cattle, twenty head of sheep, fifteen hogs and innumerable chickens. They raise hay, oats, potatoes, rye, buckwheat, wheat and all kinds of garden truck. Every winter they fill their ice houses, so that, all in all, the beef, coal and ice trusts have no terrors for them. Outside right at the farm.

feature in connection with the farming industry in the county was the experiexcluding nearly the whole of the upper peninsula. However, it proved a success killing frost is the bull factor, up to and including November 15th. WANTED—Your orders for furniture repairing, mattress renovating and up-from the very start, both as to quality "Oats ruled firm with the other grains" statements made by these farmers are surprising as to the yield per acre compared with the greatest wheat growing TO RENT-Dwelling, No. 146 West Hewitt ave. Will be rented only to responsible parties. Enquire at the Mining Journ d office or Mrs.J. B. Taylor, Calumet.

Surprising as to the yield per acre compared with the greatest wheat growing ish, states of America. In South Dakota the average yield per acre this year will "Pr the average yield per acre this year will be twenty-one bushels, 'ast year fourteen bushels. In lower Michigan this year seventeen bushels, last year eleven them on good rallies." sushels. One year ago the Greenwood armers averaged about twenty bushels per acre, while this year the average will in some cases equal thirty bushels These figures surely speak for them-selves, and are a splendid commentary on the fertility and adaptibility of the

soil of this peninsula. The anticipated yield on the Papin per ton, loose,

In the center of this farm is a small stockpile, being the remains of a gold exploration conducted by the late Moses Toutloff of Ishpeming. Nothing of a paying quality was found.

DOING THEIR DUTY.

Scores of Marquette Readers Are Learning the Duty of the Kidneys.

To filter the blood is the kidneys' duty. When they fail to do this the kidneys are sick:

Backache and many kidney ills follow Urinary trouble, diabetes, Doan's Kidney Pills cure them all. Marquette people endorse our claim. Mr. C. C. Young of 127 E. Michigan

street, painter and decorator, says: had such pains through my back and loins at times that I could scarcely keep at my work. The kidney secretions became affected, were highly colored, unnatural, irregular and deposited a heavy dark sediment. I could not rest First ward. comfortably at night, lay awake for hours at a time and was rarely able to Fourth ward secure more than three or four hour sleep during a night. I saw Doan Kidney Pills advertised, procured the at the Stafford Drug Co.'s store and be gan to use them. I felt relief almost at once. They relieved the irritate condition of my nerves. I was able tenjoy a good night's rest and arose the morning feeling strengthened an refreshed."

Miss Effie Elsler, who will be seen at the opera house here Tuesday evening in "When Knighthood Was in Flower, is a great favorite with Marquette theatre goers, although she has not ap peared in this city for several season Miss Elsler, it will be remembered played the Marquette Opera House at its opening, presenting "Hazel Kirke" as her first bill. Miss Elsler will unquesthe greatest successes of the past few dramatic seasons.

There is said to be a pronounced eduentional value in Julia Marlowe's production of "When Knighthood Was in time to time until he now owns 420 Flower," wholly outside that drama's merits as a play. The costumes reflect with privilege of extension to leave Bos uncleared. Others, like the late Mike the fashions of a time when the House ton up to and including November 12th. here in the seventies and have added more or less to their holdings since that They were made after designs obtained time. The early years of these settlers from rare plates in the British Museum were like those of all pioneers. Roads and other treasure houses of English were bad, markets distant and tools and history. The scenery was painted after sketches prepared at Windsor Park, Greenwich Palace and Hampton Court. These sketches were then modified in 25th, 1902. such a manner as to make the scene re deposits on their own land. Money that flect, as accurately as investigation into books would make possible, the appearance of the localities during the opening of the furniture was designed from mod-Of the farms in this section that of els now on view in Hampton Court, that Leon Papin is probably the best example. Its 400 acres are divided equally figures in "Knighthood", built and presented to Henry VIII, brother of the Princess Mary Tudor, whom Miss Elsler

COPPERS QUIET AND HEAVY. Boston Market Reflected Reactionary Movement in New York.

Paine, Webber & Co. said of coppers "Coppers were quiet and a trifle heavy oday, in sympathy with the New York market, which was reactionary. There was comparatively no pressure to sell however, and all offerings of good stocks were taken readily. The metal market was firmer, both in New York and Lonnclude nearly everything connected with don. The buying of Amalgamated was

Wheat Opened Strong.

W. H. Laidley said of the Chicago "Wheat opened very strong, on coleather in the northwest and better cables. There was considerable buying by shorts on the government report of a little hay and potatoes very little of their produce is sold. Last spring they cut 100 pounds of wool from their sheep and carded and spun the same But, perhaps the most interesting day, at steadily advancing prices. The "Corn opened strong, with the best de industry in the county was the experiment of wheat growing, begun by Mike Johnson about six years ago. Up to that time it had been considered useless to try it, and especially foolhardy to has been a good general trade, and out hose of us who have seen the imaginary siders are the chief buyers. The marwheat line of the physical geographies ket has held strong all day, and the and quantity. In fact some of the There was good buying of September, Michigan State Federation of Women's supposed to be for local account. covernment report is construed as bull We believe oats are a safe pur-

FOUND DEAD AT THE FARM.

Andrew Brown, a Well Known Character, Dropped Off Suddenly.

Andrew Brown, who had been batching a "Sandy" Johnson's farm since last oring, was found dead in a shanty on the farm at 3 o'clock Wednesday afteroon. The cause of his death is unknown. He was, apparently, well when last seen. Brown lived alone on the farm, of which he was caretaker for Mr. Johnson. He spent most of his time there, and seldom came into the city. Wednesday Mr. Johnson visited the place, finding Brown dead in the house. There were no marks to indicate vio ence. It is not known how long he had

een dead when found. Brown was sixty-five years old. He ad been in this country thirty years, aving come here from Sweden. He burried his wife a few years ago, and, so far as is known, has no relatives living in this country. Until last year he worked around the yard at the Breitung House.

The body was viewed by the coroner's ury at the farm Wednesday night, and was brought to Elias Dawe's undertaking parlors, where it was prepared for burial. The funeral will be held this norning at 9 o'clock.
