WORN OUT EXPRESSION
Every druggist ever known advertises "Pure Drugs." Of course, druggists themselves know that there is a whole lot of substitution and adulteration being done all the time, not to speak of downright buying of cheap, stale stuff and known to be so—but labeled "Pure Drugs."
But the general public also knows that there's "lying" somewhere; for no class of men is perfect. When every last druggist says that he sells "Pure Drugs," there's certainly a screw loose in the honesty valve.
The question is, "Who can you believe?"
Come in and let us show you our "back room and down stairs, and behind our prescription counter and everywhere through the store—then judge of the quality and freshness and purity of our drugs.

GERMANY DECLINES
WILL NOT INTERFERE WITH PERSECUTION OF JEWS.
FEARS A DROP IN SECURITIES
GERMANS LARGE HOLDERS OF ROMANIAN BONDS.
Understood Russia and Austria Likewise Will Keep Hands Off and That Any Action by the Powers Is Extremely Unlikely.

Berlin, Sept. 25.—Germany has decided not to associate herself in a formal manner with the American and British protests against Bismarck's treatment of the Jews. The German government adopts this attitude, it is understood, independently of the other continental powers.
Germany considers that as other paragraves, besides Article 44, of the very precise Berlin treaty of 1878 have not been insisted upon—for instance, that the Roumanian forts have not been razed to the ground and that Russia is allowing Batoum to remain as it was before the treaty—this is no time to oblige Roumania to observe any particular provision of the treaty. Besides, Germany, although sympathizing sincerely with the deplorable situation of the Jews, feels unable to interfere in an internal question.
Germans are large holders of Roumanian securities, and an international storm over the policy of which Premier Sturza of Roumania is fully convinced might cause his fall; and as a result the Roumanian finances would be drawn from his capable control. A heavy drop in Roumanian funds would cause corresponding losses here.

The Associated Press is informed that Germany believes that the moral strength of the American and British positions, in connection with the very practical measures taken by great financial houses, will induce Roumania substantially to modify the rigors of her trade law. Germany may possibly supplement these influences by private representations, made without taking part in collective action, should other powers find a common basis upon which to act.
In Germany official quarters, there is not believed to be the slightest possibility of a collective action being taken. Russia and Austria, especially, being determined not to move in the matter.

Negative Reply Likely from Russia.
London, Friday, Sept. 26.—The Odessa correspondent of The Standard says he considers Secretary Hay's Roumanian note very disconcerting to the Russian authorities, whose resourceful diplomacy has not been for many years so disagreeably taxed. Obviously, continues the correspondent, the framing of a reply will be a task of extreme delicacy and difficulty for the Russian foreign minister, who probably will send a polite but a brief negative, unadorned with any explanation or qualifications. It is added that the majority of the Russian newspapers criticize the note very unfavorably.

ROUMANIA IS NETTLED.
Issues a Fresh Order in Its Plan of Persecuting the Hebrews.
Berlin, Sept. 25.—The Tagblatt today prints a letter from Bucharest, the capital of Roumania, dated Sept. 22, as follows:
"The Washington note came like a ray of sunshine from a storm cloud for the Jewish population, especially the laboring classes, who have conceived the hope that a favorable turn must result from the interference of mighty America. How naive these unhappy people are, eagerly reaching for any straw promising them rescue. But their jubilation has been of short duration.
"The only effect the American note has had so far is an order, according to the Roumanian newspapers, that no more emigration passports be issued without the usual tax of \$4. It is even reported that no emigration passports will be granted. The spirit of the government is, 'We are masters here.' Nevertheless, it is disposed to be polite and considerate toward the United States. It intends to show this by preventing emigration to the United States.
"There is much talk here about the 'Yankee arrogance,' but they laughed in their sleeves so long as the American note was without European support. But the news that England had followed with a similar step caused vexation. If the continental powers act jointly, it is possible the Roumania Jewish question may become acute. But the government has had much experience in meeting protests in behalf of the Jews."

Newspaper Hits at America.
Vienna, Sept. 25.—The Roumanian Conservative organ, La Roumanie, protests energetically against the United States proceeding of the United States and contends that neither America nor any of the powers is more entitled to interference in the matter of the Jews than is Roumania to demand explanations concerning the Filipinos, Boers, Poles or Finns. The paper accuses the United States of a desire to meddle in European politics and complains it is hard to be ill treated by a state which is one of the largest in existence and which will in fifty years be a prominent factor in the world's politics.
The same paper gives the details of the stopping of emigration passports to the

LEAPS FROM TRAIN AND DIES.
Tragedy the Climax of a Romance in Which Government Plays a Part.
Detroit, Sept. 25.—Driven to desperation by the prospect of being forever separated from her lover, in the expectation of marrying whom she had nearly circled the globe, Alexandra Joseph, a Syrian girl, in an effort to escape from a United States immigration agent who was about to deport her threw herself from the window of a Michigan Central passenger train running fifty miles an hour, this afternoon near Newport, and was instantly killed.
The tragedy was the culmination of years of effort on the part of Joseph Abodeedy of Cedar Rapids, Ia., to lead his old world sweetheart to the altar. But when he had saved enough money to pay the girl's passage to the United States and she had come as far as Montreal, on May 16 last, the iron hand of the immigration bureau reached out to separate the lovers, and the plucky fight which the young man attempted against fate only ended today in his sweetheart's death.
The girl was refused admittance on account of a disease of the eyes. Abodeedy placed her in a Montreal hospital for treatment, but his funds running low he attempted to run the gauntlet but was caught at Detroit by inspectors. The couple were married here and Abodeedy narrowly escaped imprisonment, being saved only by the sympathy of the officers, who allowed him to leave town. Today Immigration Agent Miller started with the girl for New York with a warrant for her deportation. She was allowed to go to the toilet room on the train, and opening the window there she jumped and was killed. The train was stopped and the body was found beside the track.

WORK FOR TROOPS
STILL MUCH LAWLESSNESS IN THE COAL REGIONS.
SOLDIERS KEPT BUSY WITH MOBS
TWO MEN KILLED IN BRUTAL ASSAULTS BY STRIKERS.
Is the Claim of the Companies That They Are Daily Placing More Men at Work and That the Output Is Steadily Increasing.

Philadelphia, Sept. 25.—While there was considerable disorder and many acts of violence in sections of the hard coal region today, the lawlessness was not quite so general as it was earlier in the week. The presence of the additional troops and a drenching rain storm assisted greatly in the preservation of peace. The lower anthracite region has been comparatively quiet, most of the lawlessness today occurring in the vicinity of Scranton and Wilkesbarre.
Brigadier General Gobin is keeping many of his soldiers on the move, either in shifting camps or sending out companies to scatter crowds. A company of the Thirtieth sent to Forest City today had a brush with a mob upon its arrival, but no one was hurt.
President Mitchell says the troops will help to keep the men firm in their determination to stand out against the operators. The coal companies claim they are daily placing more men at work and that the shipments of coal continue to increase.

Mobs Dispersed by Soldiers.
Wilkesbarre, Sept. 25.—At Nanticoke, Plymouth and Wanamie, the military today dispersed crowds assembled in the vicinity of the mines. A detail of soldiers will be stationed at Nanticoke to maintain order.
The strikers had pickets at all the mines the same as usual today and whenever they could they persuaded men who wanted to go to work to return to their homes.
David Aknew, a coal and iron policeman, was assaulted by strikers at Brookside this afternoon and left on the road for dead. He was removed to a hospital in a critical condition.
At the strike headquarters it is claimed the presence of troops in Luzerne and Lackawanna counties has had the effect of strengthening the ranks of the strikers. An early collapse of the strike is the last thing Mitchell looks for. The local operators claim the usual amount of coal was mined today.

Found Mines Full of Water.
Washington, Sept. 25.—Captain Baird, superintendent of the state, war and navy departments building, has been obliged to purchase soft coal for use in the building. Captain Baird, who has caused an investigation to be made of the situation in the anthracite region, says the largest mines are from one-half to seven-eighths full of water and that it will take three months to pump them out and have them in full operation so that the demand for coal can be met. On account of this information, he was given permission to purchase soft coal.

An Atrocious Murder by Huns.
Scranton, Pa., Sept. 25.—James Winston, aged forty-eight, was killed and his

TOWER GOES TO GERMANY.
Ambassador to Russia Succeeds Mr. White at Berlin.
Berlin, Sept. 25.—President Roosevelt has chosen Charlemagne Tower, ambassador to Russia, to succeed Mr. White, ambassador to Germany. Notification of this decision and that Mr. White's letter of recall has been issued, has reached the foreign office here.
St. Petersburg Post for Storer.
Washington, Sept. 25.—The appointment of Charlemagne Tower as ambassador to Germany, to succeed Mr. White, is confirmed here. Mr. Tower's acceptance will create a vacancy in the ambassadorship to Russia. It is quite likely he will be succeeded by Bellamy Storer, ambassador to Spain.

ROOSEVELT A BRITISH COLONEL.
Rumored He Will Be Made Honorary Commander of a Regiment.
London, Friday, Sept. 26.—The Chronicle gives currency to a rumor that a movement is on foot to make President Roosevelt a colonel in a British line regiment. The paper believes the matter of precedent for such action is being inquired into.

WERE PLAYING BURGLAR.
Boy Shoots a Companion With Gun They Thought Unloaded.
Shenandoah, Pa., Sept. 25.—While playing burglar today, Grover Eskew, aged fifteen, was shot and instantly killed by Clyde Vickers, aged fourteen. They were using a rifle and did not know it was loaded.

SOLDIERS KEPT BUSY WITH MOBS
TWO MEN KILLED IN BRUTAL ASSAULTS BY STRIKERS.
Is the Claim of the Companies That They Are Daily Placing More Men at Work and That the Output Is Steadily Increasing.

GERMAN CITIES TAKE ACTION.
One After Another Voting in Favor of Admitting Foreign Livestock.
Berlin, Sept. 25.—The legislative assemblies of Bremen and Hamburg have voted by large majorities in favor of opening the frontiers to foreign livestock. A long list of cities had previously taken the same action.
The executive committee of the National Butchers' association, answering an Agrarian circular denying there is a meat scarcity, printers out that swine slaughtering has declined 20 per cent in two years and that the prices have risen 30 per cent.
Facts like these place the government in an awkward position. They strengthen the government in resisting the Agrarian demands, but the government is unable to use the facts to full advantage because the attitude of the ministry has been to treat the rise in the price of meat lightly. Herr Von Pöhl, the Prussian minister for agriculture, saying the high prices are merely an annual occurrence while the animals are waiting for the potato crop for fattening purposes.
The Socialists are making capital of the situation. The Vorwarts devotes several columns a day to keen observation of the causes of the meat scarcity, and attributes the principal reason there to the inability of the farmers to supply the home market.
At Stuttgart today, a proposition made by the Socialists that the city council abolish the tax levied at the city gates on meats was rejected.

GEN. ALGER SCORES
STATE CONVENTION ENDORSES HIS CANDIDACY FOR SENATOR.
A BAD DEFEAT FOR FERRY
SEED MAN IS KNOCKED OUT BY A LARGE MAJORITY.
Judge Wm. I. Carpenter of Detroit Is Nominated for Supreme Justice and the State and National Administrations Are Endorsed.

Grand Rapids, Mich., Sept. 25.—The candidacy of former Secretary of War Alger for United States senator, to succeed the late James McMillan, was endorsed today by the special Republican state convention called to select a candidate for supreme justice to succeed the late John D. Long. Judge William I. Carpenter of Detroit was nominated to fill the vacancy.
General Alger's friends won a great victory over the supporters of Dexter M. Ferry of Detroit, the test of strength having been made on a motion to adopt the minority recommendation of the committee on resolutions to the effect that no expression of the sentiment of the convention on the senatorial candidacy of any one be taken. The test vote rejected the minority report by the vote of 427 yeas to 588 nays. The majority report, which endorsed Alger, was then adopted without an opposing vote amid loud and continued cheering from the Alger supporters.
Resolutions eulogizing the late Senator McMillan and Justice Long and commending the state and national administrations were adopted.
Claims of Ferry's Manager.
Detroit, Sept. 25.—Stanley W. Turner, one of the managers of the campaign of D. M. Ferry is making against ex-Secretary of War Alger, gives out the following statement:
"Out of ninety-seven nominations made up to this date fifty-one are for Dexter M. Ferry. His election is practically assured. This estimate is based on the most reliable information and assurances obtainable. The test vote still thirty-five Republican candidates to be nominated, no doubt exists in our opinion that Mr. Ferry will be the next man elected United States senator from Michigan."

OPENS THE MICHIGAN CAMPAIGN.
Senator Beveridge Speaks at Grand Rapids on Trusts and Expansion.
Grand Rapids, Sept. 25.—The Michigan campaign was opened this evening by Senator Albert Beveridge of Indiana, who was introduced to a big audience by Congressman William Alden Smith. He said the two great questions today are trusts and expansion.
The trusts, he said, were an outgrowth of our commercial system and are necessities of modern life. He admitted that these trusts have evils and said that the remedy, citing free trade England as the home of trusts.
Senator Beveridge's argument in support of expansion was that it was also made necessary by our commerce, and he insisted that the American voters would never consent to retreat from the step the nation has taken.

FREE TRADE FOR TRUST GOODS.
Connecticut Democrats Endorse the Plan of Tariff Revision.
New Haven, Conn., Sept. 25.—The Democratic state convention came to an end this evening after nominating a full state ticket headed by Melbert B. Cary of Ridgefield for governor. The proceedings were harmonious, the nominations, except for governor, being by acclamation.
The platform adopted demands the repeal of all tariff on trust-produced articles; the stringent enforcement of all legislative laws against trusts; and legislation compelling publicity as to the affairs of corporations engaged in interstate commerce; favors reciprocity with Cuba and immediate reductions in the tariff on Cuban imports; protests against the granting of ship subsidies; favors the election of senators by popular vote, and demands legislation to prevent government by injunction.

DENY TARIFF SHELTERS TRUSTS.
Iowa District Republicans Name Successor to Henderson.
Hampton, Ia., Sept. 25.—Judge Birdsell of Wright county was nominated on the second ballot in the Third district Republican convention today to succeed Speaker Henderson on the congressional ticket. The following platform was adopted:
"We, representatives of the Republicans of the Third congressional district of Iowa, heartily endorse the platform of principles adopted by the late Republican state convention at Des Moines. We deny that the Dingley tariff breeds and shelters trusts. We interpret the tariff plank in the Des Moines platform of 1902 to be nearly a restoration of and to mean no more than the St. Louis plank of 1896, which recited: 'We are not pledged to any particular schedules. The question of rates is a practical question, to be governed by the conditions of the times and of production. Our rallying and uncompromising principle is the protection and development of Amer-

in the postoffice at Marquette, Mich.

New York has climbed into the Roosevelt bandwagon, which is now getting fairly well crowded, by endorsing his administration and his aspirations for the nomination as president in 1904. If the ratifications of the president's tentative candidacy continue to come in as they have to date the next national convention will be nothing more or less than a big love feast.

President Roosevelt has recently established, by proclamation, seven new forest reserves. Six of these are in Arizona, Montana and New Mexico, and embrace over 2,000,000 acres, a large part of it hilly or mountainous land. In Alaska, an unusually large reserve, embracing 4,500,000 acres, has been set apart, to be known as the Alexandria Archipelago Forest Reserve. The coming populations of all these regions will undoubtedly have cause to bless the policy that withholds all this immense area from the destructive greed of commercialism and subjects it to intelligent forestry administration under the auspices of the national government.

The Venezuelan captain who used an American flag as a blind to bring his man-of-war within bombing distance of Ciudad Bolivar may have been resourceful in expedients, but he will probably find that this same resourcefulness will get him into a peck of trouble. Sir Captain committed an offense which, under the international code, is considered particularly heinous, and, if further developments show the first report of the incident to be true, he will be held strictly accountable for his actions. Maybe Sir Captain knows nothing of international law. It would not be surprising if this were the case. The doughy soldiers and sailors of the South American republics are too busy fighting to have much time for anything else.

The fact that the Democrats are failing to bring forward candidates for General Henderson's position would indicate that at heart they are not taking much stock in their bullish claims concerning the control of the next house. We hear of Cannon, Sherman of New York, and others, in this connection, but they are all Republicans. Judging from the silence on the other side of the house, the Democrats believe either that they have no one in their midst capable of fulfilling the duties of speaker or that their candidate is assured in advance of defeat. The former hypothesis can hardly be true and the latter is likely. The Democrats have a few men who would make respectable speakers, but it is altogether improbable that they will be able to avail themselves of their services when the next house is organized.

An employment agent was recently sent over from Birmingham, England, to secure iron workers from McKeesport, Pa., but failed to get a single one. A Pittsburg paper recalls the fact that two years ago a number of McKeesport workmen accepted an offer to go to England, but now conditions in the iron and steel trade in this country are so much better that they do not care to go, although the scale of wages in the English mills is about the same, and the cost of living is said to be less. But the conditions of employment, the opportunities for advancement, etc., are all in favor of the American industries. The obvious comment upon this showing is that the big steel trust, which was organized about two years ago, must have operated

Asthma Can Be Cured
The statement of Mr. J. F. Homan, 20 E. Adams St., Chicago, proves that the worst cases of Asthma in the world are not only relieved, but are readily cured by Dr. Schiffmann's Asthma Cure. He says: "Asthma kept me in terrible misery for ten years until I used your Asthma Cure. After the first trial I was a changed man. I went to sleep that night and awoke next day much relieved and I have gotten entirely over the Asthma. It is now nine years since I was cured."

Sold by all druggists at 50c and \$1.00. Send 2c stamp to Dr. K. Schiffmann, Box 884, St. Paul, Minn., for a free trial package.

Michigan.
SOCIAL FUNCTIONS.
Church Fair This Week and Woodmen's Ball Friday Night of Next Week.

The ladies of the Catholic church congregation have been busy all this week working for the fair to be given for the benefit of the society on Friday and Saturday evenings at Odd Fellows' hall. They had just one week in which to prepare for the fair. The hall has been bravely decorated and the ladies are prepared to give all visitors an enjoyable time.

At a meeting held on Friday evening of last week, Mrs. C. F. Sundstrom was chosen president; Mrs. Ed. Dover, vice president; Miss Nellie Goodreau, secretary and Mrs. Owen Devins, treasurer. Various articles will be on sale at the hall and refreshments will be served. The Michigan orchestra will be present both evenings.

The Woodmen's Ball. Members of the local camp of the Modern Woodmen of America are manifesting much interest in the ball to be given under direction of the society on Friday evening of next week, Oct. 3. A new feature at parties here will be the serving of refreshments by the Woodmen. This work is usually left in the hands of the ladies and the latter are prepared to give all visitors an enjoyable time.

The committees in charge of the party are made up as follows:
Arrangement—Fred Schwendeman, John Dover, Charles Hood, Alfred Carlson and David Mansfield.
Reception—Members of Patterson camp, No. 1226.
Floor—C. F. Sundstrom, George Maker, William Harrington, Peter Paquin and Thomas Goodreau.
Tickets will be \$1 per couple, including luncheon. The full Michigan orchestra will furnish the music.

Detroit Wants a Clergue.
By his interviews in Detroit during the past few days F. H. Clergue of the Soo has thrown that city into a spasm of pain because it is not a great deal larger and more important than is now the case. The Detroit Journal, voicing this feeling, says:
"Detroit," said Mr. F. H. Clergue, "I consider the focal point of the whole state. Topographically and geographically, it is the best-located city in the United States for the manufacture of raw material into the finished product."
Nevertheless, Michigan iron goes by Detroit to Cleveland and Pittsburg by the shipload. Michigan woods go to Grand Rapids, which does not have water transportation. Michigan copper passes to the Naugatuck valley in Connecticut, where, indeed, there is a water power that gave the first stimulus to the industry of brass making, as the water power at the Soo set Mr. Clergue dreaming of a new city that may yet rival the present metropolis. Michigan, in a word, has the raw material. Too much of it is permitted to go out of the state, to enable other cities than Detroit to pile up fortunes.
But if Detroit is the best located city in the United States for the manufacture of raw material into the finished product that sells for ten times or one hundred times the price of the unfinished product, why did not Mr. Clergue expend his energies here? The answer, we fear, exposes the city's chief failing—a lack of pecuniary heartiness in the welcome given to men of ideas who have not the capital to swing their conceptions for the creation of new industries. It is true that the city is supreme in a few lines, but the most of them were started years ago, when a comparatively small capital was as large as the average, and large enough. It is also true that a proportion of our present industrial prosperity is due to iron men, the greatest business man the city has ever had, James McMillan. Others there have been who have done in a small way according to their talents and modest resources. Honor to them and to him.

The fact remains, as Mr. Clergue intimates, that the city needs a new birth of energy, a renewed appreciation of its advantages. We are far above making mere size a test of merit. Detroit would be the best city to live in even if it should stand still, which it does not. But it is precisely because we unite so many advantages that offer happy, prosperous and relatively easy living to all classes and every class, that the effort should be made to extend our usefulness as a city in making what the peoples of the earth must and will have, from one quarter if not from this. We are keeping buried too many of our talents. They were given us to use. There is a moral obligation to make the most of our glorious situation. We must have more of the Clergue and McMillan brand of optimism that proves its faith by its works. It is bound to rise. Either in new blood, or in the old with new views, will be found the future hope of the city as a leader in industrial lines. It is a true saying that you can't keep a good man down. Detroit is not down, cannot be down, and will yet arise to the full stature which its opportunities offer. We've got the men, we've got the brains, we've got the money, too. All that is needed is a new conception of our possibilities.

BIRTHDAY SURPRISE.
Mrs. P. Thompson was given a birthday surprise at her home on Railroad street Sunday afternoon. About twenty of her friends dropped in with baskets of good things to eat, and each carried a present.

The congregating of the friends would not have been such a surprise if two of Mrs. Thompson's relatives, who live out of town, were not in the party. Her daughter, Mrs. A. Anderson, of Lake Gogebic, whom she did not expect to see, came down the previous day, but remained away from her home and the mother did not know she was in town. Her sister, also a Mrs. Anderson, who lives at Marquette, came into the village without Mrs. Thompson's knowledge.

Mrs. Thompson celebrated her fifty-seventh birthday in a manner that she will not soon forget. She has been a resident of Michigan about thirteen years.

HOME SAVINGS BANKS.
C. F. Sundstrom, of the Exchange bank, is placing a number of his home savings banks, which he recently received from the manufacturers. The safe is the best seen up here; it is larger and stronger than most of the banks being distributed throughout the county. In view of its size, etc., the deposit is required to place \$50 in Mr. Sundstrom's hands when the bank is delivered. This is to insure its return to the owner in case the deposit is withdrawn. This money draws interest the same as all other deposits made at the bank. Mr. Sundstrom pays four per cent interest on all time deposits. The home banks are delivered to customers locked and they can be opened for removal of the deposit only at the Exchange bank.

MILL CLOSES SOON.
F. W. Read & Co.'s mill will be closed for the season within the next week or two. The early break up last spring caused a shortage of logs and the clearing up comes much earlier than usual. The mill hands will not lose any time, as they will be given places at the company's camps just as soon as the plant shuts down. The company has been operating its camps all summer and if the winter weather is at all favorable for logging the season's cut should be a record breaker.

TWO DEATHS THIS YEAR.
One death in eight months and two in ten is a record for this county for this year. There has been but one death since last February and that occurred early this month. The average number of deaths here annually usually reach

\$100 REWARD, \$100.
The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure taken internally, acts directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
Address F. J. CHENEY & CO., Toledo, O.
Sold by Druggists, 75c.
Hall's Family Pills are the best.

A NEW JERSEY EDITOR'S TESTIMONY.
M. T. Lynch, editor of the Philadelphia Record, writes: "I have used many kinds of medicines for coughs and colds in my family, but never anything so good as Foley's Honey and Tar. I cannot say too much in praise of it." People's Drug Store.

Foley's Honey and Tar is peculiarly adapted for chronic throat troubles and will positively cure bronchitis, hoarseness and all bronchial diseases. Refuse substitutes. People's Drug Store.

Michigamme Pick-Ups.
A half dozen painters are working on the new houses at the Beaufort mine.
Mrs. W. G. Goodney has returned from a visit with friends at Palmer, S. D.
The employees of the Beaufort mine were paid Saturday for last month's work.
Mrs. Martin Ryan of Duluth is in the village visiting her parents, Frank Brown and wife.
Mrs. James Johnson of Sidaw has been a Michigamme visitor the past week or so.
Tony Block left Friday for Ann Arbor, where he resumes his studies at the university.
The improvement work at the fire department's headquarters was finished early in the week.
The Misses Kate and Nora Dunn left Friday evening for Ypsilanti, where they enter the Normal.
The village was in total darkness last Sunday night. The "electric light" plant was out of order.
The Republic Iron company's workmen finished rebuilding the dam at the lower end of Lake Michigamme a few days ago.
Jake Dubord, wife and child, have returned to their home at Neeah, Wis., after spending three weeks with relatives here.
The Misses Addie and Tillie Kingstrand will leave within a few days for Denver, Colo., where they expect to spend some time.
Albert Lumo is now proprietor of the saloon which John Willett has conducted for some years past. The transfer took place last Monday.
Next Thursday and Friday will be Jewish holidays. Marcus Levin's store will be closed both days until Friday evening at 6 o'clock.
Mrs. F. C. Bennett of Ishpeming has been a visitor at the home of her parents, Joseph Martin and wife, at the Beaufort, during the week.
Eighteen young people have left Michigamme since the first of this month. The married people are now very much in the majority here.
Al. Beal, Will Hanson, Frank Muck and Sam Rogers were Ishpeming men in Michigamme last Sunday. All but Mr. Muck were here on "very important" business.
Survivors in the employ of the Chicago & Northwestern Railway company have been here during the week working on the route of the proposed line to the Beaufort.
Albert Anderson has taken a position with the Sifter Stove Polish company of Saginaw, Mich. He is assisting a salesman and advertising agent, who is working in the upper peninsula.
Oscar Carlson has been confined to his home the past few days with an injured foot. He was cutting some wood and the stick on which his foot rested turned over and the axe hit his instep, cutting an ugly gash.
A steam shovel was being operated at the Beaufort for a week or so past. The workmen made a great record one day recently, when they loaded eighty-seven cars in four hours.
At a township caucus held last Monday evening G. J. Murray and Phil Trethewey were chosen delegates to attend the Republican county convention at Marquette Tuesday and the district convention at Ishpeming Wednesday. They were present at the former, but did not go down to the Ishpeming convention.
Erick Fisk has been confined to his home the past week as a result of injuries sustained by falling from a load of lumber he was hauling from the site of the old warehouse recently torn down by Murphy and Thoney of Beaufort. His back was badly bruised and it will be some time before he recovers from the effects of the fall.
Roy Christianson, son of Peter Christianson of this place, is serving in Uncle Sam's army about forty miles from Manila. He enlisted with the Fifth cavalry about a year ago. In his letters to his people here he states that he likes soldiering quite well. His brother, Elmer, who left here over a year ago, is working at the machinist trade at Los Angeles, Cal.

Mercury and Polash
ONLY SERVE AS A MASK FOR CONTAGIOUS BLOOD POISON
They hide its repulsive form, and this serpent disease, stupefied by these drugs, lies dormant until the effects have worn off or treatment is discontinued, when it breaks down the mask and becomes as full of life and venom as ever. Mercury and Polash may dry up the sores and eruptions, but at the same time they drive the poison back into the blood and system, where it feeds upon the tender tissues, membranes and nerves, finally breaking out in most disgusting sores and even destroying the flesh and bones.
They have a palliative but not curative effect upon this treacherous snake-like disease. These drugs produce mercurial Rheumatism, destroy the teeth and corrode the membranes of the stomach and bowels, causing inflammation and dyspepsia, nervousness and general derangement of the system.
S. S. S. is a Specific for Contagious Blood Poison, and the only antidote for the peculiar virus that spreads so quickly throughout the system, corrupting the blood and infecting every organ and fibre of the body.
S. S. S. destroys the serpent, and eliminates every atom of poison from the blood, it makes a thorough and radical cure of the disease, and at the same time builds up the general health. S. S. S. contains no minerals of any kind, but is a purely vegetable remedy and we offer \$1,000 for proof to the contrary.
Write us about your case and our physicians will cheerfully advise without charge. Our home treatment book will be sent free to all who desire it.

EXCITEMENT AT A WEDDING.

Disappointed Girl Hits a Groom on the Head With a Rock.

Something of a sensation disturbed the happiness of a wedding at the St. Joseph Austrian church at Calumet Wednesday morning. George Pasdnich led his blushing bride from the altar, followed by the happy wedding party, and was about to step from the church when Maary Papiach a disappointed sweetheart stepped from the entrance way and vigorously assaulted Pasdnich with a rock she held in her hand.

It appears that while Mary was employed as servant in a Kearsarge street saloon at Laurium, Pasdnich promised to marry her. He did not keep his vow, however, and the disappointed girl resolved on vengeance. She was not a member of the bridal party but stood aloof while the ceremony was being performed.

STUDENTS FLOCKING IN.

Larger Enrollment Than Ever Expected at College of Mines.

Old and new students of the Michigan College of Mines are commencing to arrive in Houghton in order to get settled and be in readiness for the opening of the fall term on Oct. 1. A larger enrollment than ever is expected, mainly because the new buildings have supplied the institution with plenty of room and extra facilities for handling a larger body of students.

The year book for 1901-2 has been sent out. It is a volume of 170 pages and contains complete and recent information concerning the institution. Plans of the buildings, maps of the mining regions of the state, and important data of Michigan minerals are given. In 1901-2 there were a total of 182 students enrolled and the average was twenty-two. The upper peninsula furnished fifty-four students and lower Michigan sent sixty-one. Three foreign countries and sixteen of our states were represented. The college, when it opened in 1886, had an attendance of twenty-three. The enrollment in 1900-1 was 146. The institution has graduated 178 students, many of whom now hold important positions.

DWYER AFTER HARRINGTON.

"Sonny" Dwyer, the wrestler, is in Grand Rapids, where he will meet Tim McMahon of Detroit in a match, this week. Dwyer will return to Hancock in a few days to remain but a short time, as he expects to go to New Orleans in two weeks to participate in contests there. Dwyer is coming back to Hancock for the express purpose of meeting Tim Harrington of Calumet, to whom he had issued a challenge. The match will be arranged at once should Harrington see fit to accept the def. Dwyer will wrestle Harrington Cornish style for \$100 to \$250 a side, the money to be put up before the day of the match. The Hancock wrestler says he means business. He says the Calumet man is in fit condition for a match and that Harrington, who has long been wanting to wrestle, should not back out.

AN INTERESTING RELIC.

An interesting souvenir possessed by Congressman Sheldon is a bit of wood from the floor of the state dining room in the White House, where most of the big public functions have been held. The room is now being remodeled and one of the workmen, who secured his position through Mr. Sheldon, recently sent him the relic. It is a piece of Georgia pine, put down in 1812 it is said.

FOR BLIND MINERS' BENEFIT.

The ball game to be played at the Calumet park tomorrow afternoon for the benefit of blind miners of the Calumet & Hecla mine, who lost their sight while at work underground, should be largely attended. The receipts will be given to the blind miners. It is customary each year to play one game of ball for their benefit.

A PARSON'S NOBLE ACT.

"I want all the world to know," writes Rev. C. J. Budlong of Ashaway, R. I., "that a thoroughly good and reliable medicine I found in Electric Bitters. They cured me of jaundice and liver troubles that had caused me great suffering for many years. For a genuine, all-around cure they excel anything I ever saw." Electric Bitters are the surprise of all for their wonderful work in Liver, Kidney and Stomach troubles. Don't fail to try them. Only 50 cents. Satisfaction is guaranteed by Stafford Drug company.

J. RANSOM BRIDGE & CO., Stock and Bond Brokers, Members Boston Stock Exchange, 53 STATE STREET, BOSTON, MASS. COPPERS A SPECIALTY.

PERPETUAL MOTION VICTIM.

Hancock Moulder Thinks Wife and Enemy Are Trying to Kill Him.

Peter Kartinen, a Hancock moulder, is in a bad way mentally. At present he is locked up in the county jail, whence he will soon be removed to the Newberry asylum. Kartinen is laboring under the impression that his wife and a man, whom he claims to be an enemy, are conspiring to kill him. He applied to the prosecuting attorney at Calumet recently for warrants for the arrest of his wife and the man. He stated that he was in constant danger of his life, and that several efforts had been made to poison him. He presented an opened can of sardines which he said had been poisoned. Kartinen is insane, it is believed, from thinking of a perpetual motion machine which he has been endeavoring to invent. The prosecuting attorney saw into his case and had the man locked up.

FOOTBALL IN COPPERDOM.

The Calumet high school football team has been organized and practice work has commenced. The team will be coached by John Ellis, a former high school player. An alumni eleven is being formed to line up against the regular school team and some lively games between the two aggregations are expected this fall. The alumni team will be strong. Coach Ellis, of the high school team, has several good players and he believes he can develop a fairly good team out of the bunch of candidates. The team will play its first regular game in the interschool association series on Oct. 25. It is scheduled to play against the winner of the Houghton-Hancock game, but as the Houghton high school is without a team it will likely be Calumet versus Hancock. Houghton will merely be dropped out of the schedule.

The Hancock team is paying strict attention to its practice work, and as the boys are a likely lot it would appear as if they will have a good show for success when they line up against the crack Ishpeming eleven. Several hours after the close of school in the afternoon are spent in good, hard work with the pigskin.

City Teams Organized.

A meeting of Calumet football players was held in the Red Jacket fire station last evening to organize a team. The Hancock team has also organized and the Lake Linden players will soon call a meeting for that purpose. The Hancock aggregation styles itself the Portage Lake team, thus answering for Houghton as well. A militia team is talked of in Houghton, but as yet no steps have been taken for an organization.

Y. M. C. A. EDUCATIONAL WORK.

George B. Hodge, of New York, international secretary of the educational department of the Young Men's Christian association, addressed members of the local branches of the organization at Hancock Tuesday evening and at Calumet Wednesday. Y. M. C. A. will undoubtedly conduct a night school again this winter, but at Calumet this is a matter to yet be decided. Ten and even six years ago the educational work of the association had little definite aim and purpose and possessed no standing among the colleges and universities. Now it is an immense university in itself, enrolling 29,000 different students last year, with 1,200 teachers and graded courses of study. Its certificates, issued by the international board of examiners, are accepted in 110 institutions of higher learning in the United States.

NEW BANK PROSPEROUS.

The statement of the condition of the Citizens' National bank of Houghton which opened for business Aug. 6, 1901, was as follows at the close of business Sept. 15, 1902:

Table with financial data: Loans and discounts \$150,158.08, U. S. Bonds 25,000.00, Premiums 1,929.69, Furniture and fixtures 6,656.81, Cash and due from banks 54,251.45, Total 237,996.03. Liabilities: Capital stock \$50,000.00, Undivided profits 5,164.62, Circulation 25,000.00, Deposits 157,831.41, Total 237,996.03.

STRANDED BARGE PURCHASED.

Hugo & Tims of Duluth have purchased the barge Keyes, which is beached Fifteen Mile point near Ontonagon. The boat is said to be in fair condition and that it can be raised and repaired at small expense. The Keyes is a tow barge, beached last fall. Hugo & Tims paid \$1,700 for the craft. The work of raising her will be started at once by Whitney Bros., who will raise the barge and have it brought to Houghton for repairs.

CALUMET ELKS MADE MONEY.

It is estimated that the Calumet Elks, who presented the farce comedy, "A Night in Bohemia," at the local theatre Tuesday and Wednesday nights, will clear \$500 for their charity fund. The gross receipts were \$1,300, but the expenses were heavy. The attendance at both performances was large and the people thoroughly enjoyed the show which was a big success in every way.

PLEASANT TO THE TASTE.

One of the most important requirements in a medicine to be given to small children should be that it is pleasant to take. Bad tasting medicines disturb the stomach, destroy the appetite and it is extremely difficult to get children to take them. The pleasant flavor of Re-Go Tonic Laxative Syrup, the certain cure for dyspepsia, constipation, and biliousness, pleases the most sensitive persons and is the ideal laxative for young children. Sold by The People's Drug Store.

COPPERDOM BREVITIES.

The copper country branch office of The Mining Journal is now located on the second floor of the Citizens' National bank building at Houghton. All having business with the paper are cordially invited to call. The office can be reached by telephone No. 376.

The steamer Peerless is due, bound down today. The boat is a day late.

Jud. Franklin, former clerk of the Hotel Northwestern at Hancock, has gone to Minneapolis.

Patrick L. Murphy of Hancock will leave next week for Ypsilanti to enter the clergy business college.

The ladies of St. Joseph's church of Hancock will give a card party in the Germania hall Saturday evening.

Tennison Pryor of Houghton has a trim new sailing yacht which was tried for the first time on Portage lake Wednesday.

D. E. Stiff of Chicago, a popular commercial traveler, is at the Douglas House, Houghton. Mr. Stiff is a hypochondriac of no little ability.

George Reiszewitz and wife of Houghton will soon leave for Dresden, Germany. Mr. Reiszewitz's old home. They will remain there a year.

A fire at the Belt mine location, on the South range, yesterday morning destroyed the residence of Foreman Tulloch, of Tulloch Bros' brick yards.

Roy Braun, who played fullback on last year's Hancock high school football team and who was captain of the eleven that defeated the University of Michigan.

Rev. L. N. Moon, former pastor of the Houghton M. E. church, has been transferred to the pastorate of the Newberry church, instead of to Norway, as was reported.

Whitney Bros., the West Superior and Houghton contractors, are raising the boilers and machinery from the wreck of the steamer Bon Voyage off the canal for Captain Nicholson of Duluth.

The fair and bazaar being conducted by the ladies of St. Cecilia's church, of South Lake Linden, in the hall of the new convent building, is proving a big success. Large crowds visit the fair each evening.

Myrl Edlyvean, the four-year-old daughter of John Edlyvean of Lake Linden, died at 8 o'clock Wednesday morning after a three days' illness with spinal meningitis. Funeral arrangements had not yet been made.

The steamer Iroquois arrived Wednesday night with twenty-five passengers. The boat came from the north shore, it being its last trip from there. After Sept. 25 no more trips will be made to Port Arthur and Ishpeming.

Rev. Andrew Anderson was reappointed pastor of the Swedish Lutheran church at Calumet at the annual conference of the church in Duluth this week. Rev. C. G. Andrew was appointed presiding elder for the Lake Superior district.

Miss Mary Daniels of Grosse Pointe was married to Alex. Arthur, also of that place, at the home of the bride's parents Wednesday evening by Rev. Mr. Harris of the South Lake Linden Congregational church. They will make their home at Grosse Pointe.

E. M. Kinney, a representative of the General Elks company, who has been in Hancock installing equalizers on the street cars, which will enable two or more cars to be run together, has completed his work and has left for his home in Schenectady, N. Y.

Hancock Elks are desirous of having their Calumet brethren produce the farce comedy, "A Night in Bohemia," which was presented with so much success at Hancock Tuesday this week, at the new Kermage theatre in Hancock. The Calumet Elks may decide to do so.

A. J. Scott of Hancock, trustee for the creditors of Powhatan Belling, late proprietor of the Hotel Northwestern, has applied to B. O. Pearl of Marquette, referee in bankruptcy, for permission to sell the furniture and chattels of the hotel for the benefit of the creditors.

The Hancock Masonic lodges are resuming work, which was dropped during the summer. Gate of the Temple chapter, at A. M., worked the fourth evening Wednesday evening. Quincey lodge, F. & A. M., will meet for work in the first degree next Tuesday evening.

Marshal John McKinnon of Lake Linden is also trustee officer for fractional school district No. 1, comprising Schoolcraft and Torch Lake townships. He is spending some of his spare time rounding up boys who delight in skipping school and others who do not attend at all.

A number of Calumet Cornishmen, it is said, are raising money to pay the expenses of the transportation of the first wife of Samuel Powell, a Calumet oganist, from Cornwall to Calumet in order that she may testify against her husband. Powell's second wife was Mrs. Elizabeth James of Calumet.

Village Clerk Finn of Hancock yesterday made a report to the county clerk on the amount of village taxes collected between Oct. 1, 1901, and Oct. 1, 1902, exclusive of those on the general roll. The amounts were as follows: General fund, \$8,261.65; highway fund, same; and special assessment for street paving, \$11,444.20.

St. Clair Willson, who will coach the Portage Lake hockey team during the coming season, is a brother of Dr. P. H. Willson, the well known hockey player and one of the Quincey mine staff of physicians. Coach Willson is thoroughly posted on hockey and he will no doubt do much to place the seven in the foremost rank.

The annual autumn dance of Our Boys' club of South Lake Linden will be given on the evening of Oct. 17 at Kahler's Hall. Invitations for the party will soon be issued. The arrangements are being looked after by a committee of seven.

The club's annual is always one of the most enjoyable functions of the year in South Lake Linden.

At a meeting of the township board Wednesday evening the township will build a new road from the new bridge over the Otter river, a distance of about a mile, was awarded to O. Baumgartner of Otter

Thousands Have Kidney Trouble and Don't Know It.

How To Find Out. Fill a bottle or common glass with your water and let it stand twenty-four hours; sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

What to Do. There is comfort in this knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extra-strength Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes. You may have a sample bottle of this wonderful discovery free of charge. It tells more about it both sent absolutely free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.

Lake. The contract price was something over \$600. The road will be built through a wooded tract. Mr. Baumgartner will start the work at once.

Edwin Smetheram of Lake Linden was united in marriage to Miss Unice M. Savage of Ann Arbor at the bride's home Wednesday evening. Rev. J. B. Whitford, of the Lake Linden M. E. church, who has been in attendance at the Saginaw conference, performed the ceremony. Mr. and Mrs. Smetheram have left for a wedding trip to Detroit. They will make their home at the Tamarack-Osceola stamp mill location, where Mr. Smetheram is employed in the office of the superintendent.

Theatre-goers are assured an evening of enjoyment at the Kermage Opera House, at Hancock, tonight. "The Eleventh Hour," which is said to be Lincoln J. Carter's best, will be the attraction. The play is a melodrama, with the scenes laid at Chicago and vicinity, and will be produced by an excellent company. This is its third and most successful season on the road. Elaborate mechanical effects and special scenery are necessary in the production of "The Eleventh Hour."

Mrs. Robert Clark of the Soo intended to leave the other day for Houghton and Calumet to visit friends, but when she arrived at the Union station she found that her trunk, which had been sent to the station ahead of her intended departure, had been stolen or taken from the baggage room by mistake. The trunk is valued with its contents at about \$400. Mrs. Clark could not leave on her journey without the trunk and she remained in the Soo. No trace of the missing baggage has yet been obtained.

COPPER MINING.

CONCERNING THE MASS.

The assessment just levied by the directors of the Mass Mining company is payable at the rate of \$1 on Dec. 1 and \$1 on April 1. This assessment, in connection with the original subscription price of the stock, will make \$17 per share paid in. The proceeds of this assessment will not be used for an enlargement of milling facilities, but will be expended in further opening the property and increasing the rock reserves. But two heads of stamps will be operated at present, although a foundation has been laid for the ore bodies in the shaft. It is deemed wise to use it.

The company is at present operating thirty-two drills and will increase this number immediately. The rock is stated to be running 1 1/2 per cent or better in ingot copper. The stamp rock is not running better than 1 per cent or twenty pounds of copper to the ton, but the mass copper which constitutes 40 per cent of the company's refined copper output brings the percentage up to or above 1 1/2 per cent.

It is thought by some that the Mass assessment following so quickly upon that of the Adventure company indicates some agreement with respect to future consolidation plans. It is stated, however, that the two assessments were each made independent of the other. The Adventure people have to date called \$16 per share against \$17 for Mass, but the latter company has expended on the property from earnings at least \$3 per share since the mill was started, and from the proceeds of the mass copper taken out in the course of development work.

From Jan. 1 to Sept. 1, this year the Mass company, with one head in operation and that only a portion of the time, has taken out of the mine considerably over 2,000,000 pounds of copper. At present the mill is treating about 600 tons of rock per day. The company is sold up to the first of November at 12 cents per pound.

Copper Gossip.

Wolverine is now opening to its normal capacity and the costs show material reductions. The mine now has over six miles of openings. Report comes from the Mass that the mine has produced 52,000 pounds of copper the past three days. A short time ago, two days' output reached 45,000 pounds, but with this exception, this latest production is the largest in the history of the mine.

It may interest the minority stockholders in the Anaconda Copper company to learn a fact which has recently been discovered by some parties searching the records in Montana, to wit: That the so-called new Anaconda smelter at Anaconda is owned by the Washoe

WE TAKE PRIDE IN CALLING YOUR ATTENTION TO OUR

...BILL OF FARE... "A LA CARTE."

SEA FOODS: OYSTERS, LIVE LOBSTERS, FRESH SHRIMPS, LITTLE NECK CLAMS, SOFT SHELL CRABS.

We wish to increase the number of our table boarders, to whom we make special rates. Dinner ready to serve from 12 to 2 p. m.

BOARD OF TRADE CAFE, HOUGHTON.

THE CITIZENS' NATIONAL BANK OF HOUGHTON.

SHOWED A PHENOMENAL GAIN.

Just What Was Expected—Stock Is Selling Fast.

Average surface assay, of the Superior Mines of Berlin, Washington, showed 5.4 per cent in copper. The average now at a depth of 37 feet is 15.42 per cent. This exceeds the officers' most sanguine expectations.

Two weeks ago, when the first stock was placed on the market, nearly one-third of the block was sold on the first day. The demand for stock of this company has been such that the block of stock, which is now offered for sale at the ground-floor price of 10 cents per share, par value \$1.00, fully paid, and non-assessable, is being rapidly exhausted. If you desire to make a paying investment, than you should not fail to investigate this company before making an investment in any other security. We only sell treasury stock which will at once increase its value.

How often, after exposure, we find ourselves in the throes of a severe cold, which may be followed by pneumonia. To cure the one and prevent the other take a dose of Hart's Honey and Horshoek. Sold by The People's Drug Store.

A PERFECT MAN

has yet to be born; but immaculate linen goes a long way toward making perfection in one's apparel. No matter how fine your outer clothing, if your shirt and underwear are not well laundered you won't feel comfortable. We do that kind of work perfectly. Needham Bros' Laundries, Marquette, Houghton and Ishpeming.

APOLOGY IS AMPLE

FLAG DISPUTE WITH VENEZUELA A CLOSED INCIDENT.

YANKEE SCORE ON THE Isthmus

REBELS HOLD UP TRAIN AND ARE FRIGHTENED OFF.

American Gunners Engaged by Colombian Government Arrive and Will Soon Set Out on Gunboats in Chase of the Hostile Fleet.

Washington, Sept. 25.—It has practically been decided to regard the misuse of the American flag by the Venezuelan government warship Restaurador as a closed incident. The ample apology made by the Venezuelan foreign office and the hoisting of and the saluting of the American flag by twenty-one guns is taken as sufficient expiation. As there is every reason to believe there will be no repetition of the offense, the matter will be allowed to drop out of sight. Minister Bowen's energetic action in the matter is approved.

Vigorous Work by Minister.

Caracas, Venezuela, Sept. 25.—The Restaurador incident was handled by United States Minister Bowen most successfully. His negotiations were brief and to the point, and he did not wait to consult with his government in the matter. He took a firm and determined stand and secured a signal repatriation from Venezuela in a manner which has left no animosity in the mind of the Venezuelan administration either against the United States or the American legation here.

In Caracas it was first believed the Restaurador had saluted the American flag as a result of influence brought to bear by the American ships-of-war, whereas the apology was brought by Mr. Bowen from Caracas. He acted quickly in order that the Restaurador could not leave La Guaira before satisfaction for the misuse of the American flag was obtained from the gunboat.

Isthmian Situation Still Serious.

Washington, Sept. 25.—The navy department today received the following cablegram from Commander McLean, of the Cincinnati:

"Wednesday afternoon three hundred insurgents attempted to board a train about leaving Empiracion to capture a Colombian officer who was a passenger from Colon to Panama. A marine knocked the insurgent officer with the butt of his musket. The guards trained the Colt gun on them, but did not fire, as they fled."

Secretary Moody was further advised of the situation on the isthmus this afternoon by a cablegram from Commander McLean, at Colon. It was said at the department that the report was to the effect the conditions on the isthmus, while not seriously disturbed now, are such that the United States forces at present cannot be withdrawn or diminished.

Protests Against the Marines.

Panama, Sept. 25.—In a communication to Commander McLean, Governor Salazar endeavors to demonstrate that the Colombian government has all the forces necessary to protect foreigners and to guarantee their rights under the laws and treaties. The governor adds that he is desirous of having pointed out to him a single case where foreigners have been molested, and consequently he holds that the landing of the marines was not justified. He says he considers it an attempt to assume sovereignty of Colombia territory and protests against it. He states he will hold Commander McLean responsible for whatever may happen as a result of the marines landing. Meanwhile, 250 American marines remain here to protect American interests.

Its Hope in American Gunners.

Panama, Sept. 25.—The government entertains great hope in the new arrival of the Bogota, recently acquired by it in the United States and expected here shortly. American gunners sent down here for service on the government gunboats by the Colombian minister in Washington, made an examination this morning of the gunboats Chocuito and Clapet. These boats are thought to be faster than those in the possession of the revolutionists, and hope is entertained that the government fleet will defeat the insurgents at sea. The success of the government in its contemplated naval engagements depends upon the Bogota, which is commanded by Captain Yrizar, an American and named by an American crew. If the Bogota sinks the Padilla, the revolution, it is believed, will be ended.

GOLD COMPANY REORGANIZED.

Denver, Colo., Sept. 25.—The Wynn Gold Extraction company was reorganized today after the purchase by W. W. Cargill of La Crosse, Wis., of the holdings of the stockholders who comprised the opposition to the present management. Internal dissensions have come near disrupting the company.

MEXICAN WAR VETERANS MEET.

Paris, Ky., Sept. 25.—The National Association of Mexican War Survivors met here today. The orator was Colonel W. C. P. Breckinridge, who spoke principally on expansion, declaring that "the policy now pursued in the far Pacific is but an evolution of the policy forecasted by the Mexican war."

ROOSEVELT IN FINE SPIRITS.

Is Improving Rapidly but Cannot Yet See Visitors.

Washington, Sept. 25.—President Roosevelt passed a comfortable night and ate breakfast with great relish this morning. After breakfast the physicians made an examination of the wound and reported it in satisfactory condition. They expect the inflammation to be allayed without complication. Absolute quiet has been enjoined upon the distinguished patient. There was a slight rise in the president's temperature last night after he reached the temporary White House.

The president is in excellent spirits. It is announced that he will see no visitors, save members of the cabinet, and then only upon the most important business.

The president was resting very comfortably when the physicians called this evening. He is complying strictly with their injunctions to give the injured leg complete rest, and good results are apparent already.

STRIKE IN THE BALANCE.

Minneapolis Millers Unable to Agree and Men Form a Union.

Minneapolis, Sept. 25.—The failure of the flour mill managers of the city to reach a decision at their conference this afternoon on the demand of the employees for an eight-hour day, gives currency to the prediction that they will yield on the condition that the international union, organized here today, forestall similar concessions in all the other mills in the country.

The new body—the International Union of Flour and Cereal Mill Employees—starts out with a membership of 25,000, composed chiefly of branches of the American Federation of Labor. The officers are: President, J. M. Finley, Minneapolis; vice presidents, George Snyder, Murphysboro, Ill.; C. B. Benedict, New Richmond, Wis.; F. G. Goedecke, Anoka, Minn.; secretary and treasurer, A. E. Kellington, Minneapolis.

It is understood the mill managers endorse the international organization as assuring uniformity of operating methods throughout the country.

CHILLY RECEPTION.

Earl Dudley, Lord Lieutenant, Makes State Entry into Dublin.

Dublin, Sept. 25.—Earl Dudley, the new lord lieutenant of Ireland, made his state entry into Dublin today on horseback, accompanied by the Duke of Connaught. The sight-seers were not numerous and there was very little cheering.

BASEBALL.

St. Joseph, Mo., Sept. 25.—The Western league magnates said at the conclusion of their meeting tonight that they proposed to fight the American association next year with the same circuit and general plan.

National League.

Cincinnati, Sept. 25.—Poole's superb pitching won the game for the locals today. Summary:

Cincinnati . . . 6 9 2
St. Louis . . . 0 6 0 0 1 0 0 0 — 1 4 5
Batteries: Poole and Bergen; Currie and Ryan.

American League.

Chicago . . . 0 0 1 4 0 1 1 4 — 11 16 1
St. Louis . . . 0 0 0 0 3 2 0 0 — 5 10 3
Batteries: Patterson and McFarland; Sudhoff and Sugden.

CROSBY THE BEST SHOT.

Cincinnati, Sept. 25.—The handicap shooting tournament at St. Bernard closed today. J. M. Hughes of Elmira, Wis., won the day's shooting, breaking 165 targets out of a possible 175. Hughes also won the Cincinnati Club handicap for the three-day shoot. W. Crosby of O'Fallon, Ill., has the best average, with Fred Gilbert of Spirit Lake, Ia., a close second.

NEW RAILROAD FOR IOWA.

Rockwell City, Ia., Sept. 25.—A mortgage of \$250,000 was filed with the county recorder today in favor of the Old Colony Trust company by the Newton & Northwestern railway. This insures the building of a railroad from Newton to this place, 104 miles, and will open to northwestern Iowa one of the best coal fields in the state.

DEATH OF A KANSAS JURIST.

Topeka, Kas., Sept. 25.—Justice Ellis of the supreme court, died here tonight. He served in a Michigan regiment during the Civil war, came to Kansas in 1878, was appointed to the supreme court by Governor Stanley two years ago and was nominated by the Republican state convention for a four-year term.

FOUR DIE IN TRAIN WRECK.

Mercer, Pa., Sept. 25.—In a head-on collision between freight trains on the Bessemer road today, these were killed: J. K. MacKey, conductor; Charles Billington, engineer; C. H. Kaskay, fireman, Greenville; Peter Loth, Albion. Three others were injured.

PENSION BUREAU PHYSICIAN.

Washington, Sept. 25.—Dr. Samuel Houston of Pennsylvania was today appointed chief medical referee of the pension bureau to succeed Jacob Raub of Pennsylvania.

WINS ON A FOUL.

Chicago, Sept. 25.—Kid Hermann of Chicago won from Tommy Sullivan of Brooklyn in a foul in the second round of a scheduled six-round contest tonight.

RELEASES MILLIONS

TREASURY COMES TO RELIEF OF THE MONEY MARKET.

OFFERS TO ANTICIPATE INTEREST

WILL PAY ALL THAT MATURING BEFORE JUNE 30 NEXT.

Total Is Over \$20,000,000 and the Rebate to Be Made Will Give the Government a Profit of More Than \$200,000.

Washington, Sept. 25.—Secretary of the Treasury Shaw today announced that in order to relieve the money market the treasury offers to anticipate all interests maturing between Oct. 1 and the end of the fiscal year, if presented within sixty days, at a rebate of two-tenths of one per cent per month, which is at the rate of 2.4 per cent per annum. The amount maturing before June 30 next, the close of the fiscal year, is \$20,650,000. The profit to the government if the offer is accepted will be \$220,000.

STOCK MARKET IMPROVES.

Forced Liquidation Brings Relief and Money Situation Is Better.

New York, Sept. 25.—The stock market today reflected decided relief from the process of "putting the screws on" speculative borrowers which has been in effect this week. The money rates still ruled high, running to 22 per cent before mid-day. The prices ran off at that time to a level of between 1 and 2 points under last night, but the money rate then relaxed and the prices started a slow recovery.

It was apparent that no very plentiful supply of funds was available to speculative borrowers for use in rebuying stocks, but the actual loan contraction and consequent forced liquidation were much lighter. It was reported, also, that payments on account of the United States Realty merger, amounting to over ten million dollars, were released in the stock market and helped to break the money rate. The general understanding that the secretary of the treasury was to make a statement and offer additional relief was an argument for recovery. There was a money rate setback after the publication of the statement, but the prices hardened again and the market closed firm but below the best.

Today's immediate developments were that the process of the depletion of the New York bank reserves was shown to continue. Yesterday's deposits at the sub-treasury for telegraphic transfer, the large customs collections and the diminishing pension payments resulted in a loss by the banks to that institution of \$1,541,000 for the day, bringing the loss for the week to \$2,029,000. Against this is the receipt of a million dollars in gold which arrived yesterday from the clearing house banks has been so far strengthened by loan contraction that the necessity of further drastic contract is over for the present.

Palme, Webber & Co. report closing prices of stocks as follows:

Table with columns for stock names and prices. Includes entries like Wash. Prd., N.Y. Central, Southern Ry., etc.

Range of Money Rates.

Money on call, firm, at 2@2 1/2 per cent; closing easier, offered at 1 1/2 per cent. Prime mercantile paper, 6 per cent. Exchange steady, demand at 4.85 and sixty days at 4.82-1.25@4.82-25. Bar silver, 51 1/2.

BOSTON COPPER QUOTATIONS.

The copper stocks dealt in on the Boston exchange closed as follows yesterday, the quotations being reported by Palme, Webber & Co.

Table with columns for copper stock names and prices. Includes entries like Adve., Arc., All., etc.

CHICAGO GRAIN MARKETS.

Chicago, Sept. 25.—September wheat today reached its highest price on the present bull manipulation and closed showing a gain of 1/4 for the day. December closed 1/2 higher. The volume of trade was comparatively small, and while the changes in September were violent those in the more deferred months were rather narrow. The feature of the day was a disposition shown by big professionals to sell the deferred months. Selling orders from the Northwest were quite numerous, but St. Louis and other sections of the winter wheat belt gave this market but little attention. Liverpool was 1/4 @ 3/4 higher. December opened at 69 1/2 @ 69 3/4; lowest, 68 1/2 @ 69; closing, 69 1/2 @ 69 3/4.

WEATHER PREDICTIONS

Washington, Sept. 25.—The weather bureau at 9 o'clock this evening announced the following weather predictions: Illinois—Generally fair, Friday, preceded by showers in northwest portion. Saturday, probably fair; warmer in north and central portions. Variable winds, becoming southeast and brisk. Upper Michigan—Partly cloudy, Friday; probably showers at night and Saturday. Brisk east winds. Iowa—Generally fair and warmer Friday; probably showers and cooler at night or Saturday. Wisconsin—Showers, Friday; warmer in west portion. Saturday, showers and cooler. Brisk southeast winds Friday. Minnesota—Showers, Friday; cooler in west portion. Saturday, fair in west, showers and cooler in east portion. Brisk southeast winds shifting to west and north. Nebraska—Showers, Friday; cooler in west portion. Saturday, fair. The Dakotas—Partly cloudy and cooler, Friday; probably showers. Saturday, fair; warmer in west portion. Missouri—Fair and warmer Friday. Saturday, fair in east; probably showers and cooler in west portion.

ly for profit. There were rains in all the corn belt states save Nebraska, and the conditions generally were unfavorable for grading, movement and the maturing of late corn. Liverpool was 1/4 @ 3/4 higher. December opened at 45 1/2 @ 46; highest, 46 1/2 @ 47; lowest, 45 1/2 @ 46.

Oats were active, especially in the last hour, when scattered commission houses buying the early decline of 3/8 @ 1/2 was more than regained. September closed 3/8 higher and other months 1/2 stronger. The wet weather in the West is expected to check the expected receipts. December opened at 31 1/4 @ 31 1/2; highest, 31 1/2; lowest, 31 1/4; closed, 31 1/2.

BOSTON STOCK SALES.

The following were the transactions in copper stocks on the Boston exchange yesterday as furnished to The Mining Journal by Palme, Webber & Co.:

Table with columns for stock names and prices. Includes entries like Allouez, Arnold, Arcadian, etc.

WHY SHOULD YOU ALWAYS REMAIN POOR.

When a few dollars a month invested in a good gold mining company will bring you a comfortable income within a very short time? Our gold mines are located in the well known gold belt mining district, Boulder county, Colorado. We have ten very valuable claims, of which we are now sinking two shafts and one tunnel, and the ore in all of them is showing very good values, assaying from \$10.70 to \$17.25 per ton according to different reports that we have had made. If you intend to invest in a safe and profitable gold mining company that you cannot do better than to buy stock in this company. At any rate, write us for prospectus and information as to how we can sell you a limited amount of stock to place the mines on dividend-paying basis. The Marquette Gold Mining and Milling company, Marquette, Mich. Office, Marquette National Bank building. (8-11-20)

GEN. ALGER SCORES

(Continued from Page One.)

ican labor and industry.

"We cordially recognize and earnestly commend the patriotic course of President Roosevelt, and the wisdom of both the foreign and domestic policies of his administration, which are adding constantly to the high reputation of the nation abroad and the prosperity of the people at home. Henderson Eulogized. "We most earnestly regret the decline of the renaissance which the Republicans of this district for the eleventh time unanimously tendered Hon. D. B. Henderson. No official has been more anxious to keep in touch with and faithfully represent the well considered judgment of his constituents than has Colonel Henderson during all the long years of his congressional career. We have faith in his patriotism and in his personal and political integrity. We are conscious of his great mental power and ability. We realize his superb leadership and commanding influence in government affairs and believe his withdrawal means a great loss to the people."

D. C. Glasser of Dubuque resigned as chairman of the congressional committee, and George E. Wright of Eagle Grove was elected to fill the vacancy. Judge Birdsall is about forty-five years old. The only office he ever held is the judgeship of the district court, which he resigned a year ago to resume the practice of law at Clarion.

Henderson Pleased at Choice.

Atlantic City, N. J., Sept. 25.—Speaker Henderson, who is here, said tonight when informed of the nomination of Judge Birdsall in his district, that he was much pleased with the selection. He said he had no doubt Judge Birdsall would be elected by a large majority and felt sure he would take a leading part in shaping national policies at Washington.

COAL FIELDS IN ALASKA.

Surveyors of Route for Railroad Make Valuable Discoveries. Tacoma, Wash., Sept. 25.—Surveyors have finished locating the Alaska Central railroad from Resurrection bay to Yukon, a distance of nearly 400 miles. The surveyors found a feasible pass across the Alaskan mountain range between Catwell and Susitna rivers. Engineer Atwood says that for a large part of the distance it will only be necessary to lay ties and rails. The government has established a postoffice at Vistusk, which will be the terminus of the road on Resurrection bay. Atwood's party discovered coal fields nearly 200 miles square between Catwell and Tanana rivers. Veins are exposed to a depth of 1,000 feet along the river banks. In the Tanana valley the party found gravel banks 300 to 3,000 feet high which are good bearing. They must be worked by hydraulic process. The entire Tanana valley is capable of agricultural development.

HUNDREDS OF VILLAGERS SLAIN.

Earthquake Shocks Lasting Several Days Experienced in Russian Turkestan.

Berlin, Sept. 25.—A dispatch from Tashkent, capital of Russian Turkestan, reports a terrible earthquake on Aug. 22, the shocks continuing until Sept. 3. One hundred persons were killed at Kashgar, eastern Turkestan; 400 in the village of Astyn, and twenty at Jangi, while the town of Aksuikent was completely destroyed.

Dead Estimated at a Thousand.

Allahabad, India, Sept. 25.—A dispatch from Kashgar, eastern Turkestan, says that only a dozen people were killed there in the earthquake, but that the disturbances wrecked many villages in the northern part of the province, the total number of persons killed being 1,000. There were no premonitory signs, says the dispatch, but a pronounced fall in temperature followed the principal shock. The temperature continued to rise during the subsequent days, and was attended by a repetition of the quakes. No Europeans were killed.

CHRISTIANS PLAN BIG LOBBY.

Ministers of Illinois to Besiege Legislature in Interest of Reform.

Bloomington, Ills., Sept. 25.—James H. Shaw, Jr., of this city has inaugurated a movement for better legislation in Illinois. At the Methodist conference in Streator he made public his plans for the first time. He proposes to send to the state capital this winter an immense lobby of Christian citizens, who will remain there and work for the success of every good bill approved by the Christian Citizenship league. He will introduce his plan to every conference in the state, and has already met with much encouragement among the clergy and laity of the state. One of the bills which will be supported will be an anti-cigarette bill. It is hoped to secure the attendance of 1,000 clergymen and prominent church workers during the session of the legislature, and the moral force of such a body will be sufficient, in the belief of Mr. Shaw, to insure good legislation.

TOBACCO WORLD INTERESTED.

Important Developments Due as Result of Magnate's Visit to England.

London, Sept. 25.—Thomas F. Ryan of New York sailed for home yesterday on the steamship Kaiser Wilhelm. Mr. Ryan is one of the largest holders of stock in the American Tobacco company. It was stated recently that Mr. Ryan was in England for the purpose of effecting a deal with the Imperial Tobacco company, which was formed with a capital of \$75,000,000, to fight the Universal Tobacco company. There has been a war of the liveliest sort ever since, and the Universal Tobacco company recently sought to secure an alliance with the Imperial company. Interest here, it was stated at the time of Mr. Ryan's departure, expected some important developments looking to a combination of the American Tobacco company's English interests with the Imperial Tobacco company within a short time.

CAPTURED A PURE WHITE WHALE.

New Bedford, Mass., Sept. 25.—The whaling bark Platina of this port reports the capture near Barbados of a pure white whale, which made 100 barrels of oil.

ROOT INSPECTS AN ARSENAL.

Rock Island, Ills., Sept. 25.—Secretary Root devoted the greater part of the day to an inspection of the Rock Island arsenal, leaving for the East tonight.

Advertisement for 'FORCE' cereal featuring a cartoon of a man in a car and a bowl of cereal. Text includes: 'Jim Dumps an automobile bought Which didn't auto as it ought. No skill could keep it in repair, And bills increased poor Jim's despair. Such trials now glance off from him, For "Force" has made him "Sunny Jim."' and 'the express route to health and vigor. Sweet, crisp flakes of wheat and malt—eaten cold. Saves Him \$7.50 a Month. "Being a railroader, I am away from home every night. I need to pay fifteen cents for my mid-night lunch. Now I carry a package of "Force" with me on the train. By paying five cents for my meal I have a delightful supper and save ten cents on each lunch. I also have a package at the end of my run at the Y. M. C. A. rooms and breakfast in the same way. "Force" therefore gives me better meals and saves me twenty cents a day. A. G. GALE, Pullman Conductor.'

MARINE MATTERS.

Sault Ste. Marie, Mich., Sept. 25.—(Special)—Up—Harlem, 9:40 last night; Colonel, 11; Mack, 1 a. m.; Flower, 3:20; Penobscot, 5:40; Murphy, Hutchinson, 8; Adams, Venus, Tyrone, 9; Chicago, 10:20; H. H. Brown, Bangor, 12; Sheldon, Negaunee, Majestic, Merida, Ladjuda, Columbia, Bunsen, 2 p. m.; Richardson, 3; Carolina, Magna, Corona and whaleback, 3:40; Schuykill, 4:40; Maida, Krupp, Hadley, Yosemite, 6; Miami, Gebhardt, 1:20; McDougall, 6:40; New York, 7:40.

CURED HEMORRHAGES OF THE LUNGS.

"Several years since my lungs were so badly affected that I had many hemorrhages," writes A. M. Ake of Wood, Ind. "I took treatment with several physicians without any benefit. I then started to take Foley's Honey and Tar and my lungs are now as sound as a bell. I recommend it in advanced stages of lung trouble." People's Drug Store.

COPPERS QUIET BUT STRONG.

They Responded Well to the Easier Money Conditions. Paine, Webber & Co. said of coppers: "Coppers were stronger today. They responded fully as well to the easy money conditions as any of the active stocks."

NORTHERN SWEDISH CONFERENCE.

It Closed Its Annual Meeting at Two Harbors, Minn., Monday. The Northern Swedish conference, which includes all the Swedish Methodist churches of Minnesota, Wisconsin and Northern Michigan, closed its six-days session at Two Harbors Monday afternoon.

Wheat Market Dull.

W. H. Laidley & Co. said of the Chicago markets: "The market today was dull and a scalping affair, trade being extremely light. Opening at about last night's close, the market turned weak, but again recovered and closed a little above yesterday. The September option continues to be congested, and was bid up sharply by the shorts, closing tonight over four cents above yesterday. The receipts and estimates were somewhat lighter and the northwest receipts continue small in comparison with previous years. The official estimates of the French and Russian crops are very large, and constitute a bearish feature here. We believe the market is in a position to do much better, and that it should be bought upon all setbacks."

"A NIGHT IN BOHEMIA."

"A Night in Bohemia," which will be given two presentations here by the Marquette lodge of Elks the middle of next month, has just been staged with notable success by the Elks of Calumet. It is a musical comedy of the best type. The plot is meager, of course, but there is a touching sentiment prevailing the story. It presents a refined actor, Edmund Keen, who in his younger days was a thorough Bohemian and, now that he is nearing the other shore, again longs for the days of Bohemia and is saddened by the feeling that his old friends have forgotten him. In one of his melancholy moments, when he gives way to the sadness which steals over him, there comes a sudden surprise in the form of a visit from his friends of former days and they give him what his heart craves for, another night in good old Bohemia. He enters into it with all his kindness of manner and gallantry, and lives again in his younger days. There are a number of noble sentiments that appeal especially to Elks.

CITY BRIEVITIES.

Today's weather: Probably showers. Brisk easterly winds shifting to southeast and increasing.

Commercial Agent Griffin, of the New York road, is in the city from Houghton.

A basket social will be held in the parlors of the Swedish Methodist church this evening.

The Baptist Ladies' Aid society will meet this afternoon at 2 o'clock in the parlors of the church.

The boiler has been placed in position under the court house, and is now being connected with the radiating system.

Rush Culver, who has been in lower Michigan the past month or so, most of which time he spent at Grand Rapids, arrived home yesterday morning.

A meeting of rural school teachers will be held at the city hall Saturday afternoon at 1:30 o'clock. County Superintendent Davis will be present.

Hathaway has succeeded in securing an extra fine lot of whitefish for his customers today. As whitefish is so rare, there is sure to be a rush for these.

The friends of Mrs. Anna Green of Duluth will be pained to learn that she is at the St. Mary's hospital, in that city, where she has just undergone a serious operation.

The northwest quarter of the southwest quarter of section twenty-eight, the southeast quarter of the southeast quarter, the northeast quarter of the southeast quarter and the southwest quarter of the southeast quarter of section twenty-nine, township forty-eight, range twenty-nine west have been sold by William P. Healy to Myrtle B. Thompson, the consideration being \$3,000. The tracts are mineral lands, so-called, in Champion township.

This evening at the Catholic fair a musical program will be rendered by the cathedral choir. Coffee and doughnuts will be served by the ladies all evening.

The time limit on the excursion tickets to Chicago to be sold Oct. 1 and 2 has been extended to the 11th inst. As first arranged the tickets were valid only to Oct. 7, inclusive.

Mrs. Albert Ellstrom, of North Fourth street, was surprised by a number of her lady friends Wednesday evening. Cards were played. The first prize was won by Mrs. Jacques and the second by Mrs. B. McKenzie.

County Clerk Ross has issued a few deer licenses, although he is not encouraging their sale until the season for hunting is closer at hand. It is believed that there will be more hunters than ever before in Marquette county this year.

An informal reception in honor of President Elder C. M. Thompson and Rev. E. A. Elliott, pastor, who have both been returned to their present duties, will be held this evening at the Methodist church. Members and friends of the church are cordially invited.

The supper given by the ladies of St. Peter's cathedral at their fair in Fraternity Hall last evening was largely attended. It was a bounteous repast. The ladies serve suppers every afternoon, and, in addition, serve refreshments during the evenings of the fair.

The steamer Frank Rockefeller cleared yesterday from one of the South Shore docks with a cargo of 4,700 tons of ore for Cleveland. The steamers Choctaw and Louisiana, bound for Buffalo, cleared from the L. S. & I. dock. The steamer Harvey Brown was an arrival at the upper harbor early this morning.

The Salvation Army will celebrate its annual Harvest Festival service in its hall Saturday evening. An entirely new program will be arranged this year. All friends of the army are invited to attend. There is a need of army work in Marquette, and it is only with the cooperation of the Christian people that it can be carried on.

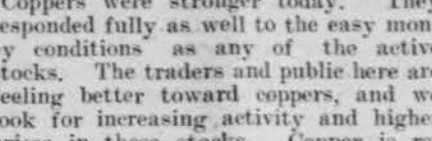

The meeting of the Degree of Honor here yesterday afternoon was largely attended. Mrs. Nellie Hewitt, grand chief of honor, being present. There was likewise a good attendance at the meeting of the A. O. U. W. in the evening, which Mrs. Hewitt likewise attended. The evening session was followed by a pleasant social hour or two.

Father Corcoran, formerly associated with the clergy of St. Peter's cathedral here, who has been located at Schaffer, Delta county, as the pastor of the Catholic church of late, has been appointed pastor of the Rockland and Greenland parishes, and will assume his new duties in a few days. Father Corcoran is a former Escanaba boy and he has numerous friends in that city, as well as in the other towns where he has been stationed. He was well liked here. His latest transfer is in the nature of a promotion.

The expressions of grateful women who have experienced wonderful blessings using Rocky Mountain Tea, compensate us for our efforts in their behalf. 35c. Stafford Drug Co.

SKIN TORTURES

And every Distressing Irritation of the Skin and Scalp Instantly Relieved by Baths with CUTICURA SOAP.

And gentle anointings with CUTICURA OINTMENT, the great skin cure and purest of emollients, to be followed, in severe cases, by medium doses of CUTICURA RESOLVENT PILLS, to cool and cleanse the blood. This is the most speedy, permanent, and economical cure for torturing, disfiguring, itching, burning, bleeding, scaly, crusted, and pimply humours, with loss of hair, ever compounded.

MILLIONS USE CUTICURA SOAP, assisted by CUTICURA OINTMENT, for preserving, purifying and beautifying the skin, for cleansing the scalp and the stopping of falling hair, for softening, whitening, and soothing red, rough, and sore hands, for baby rashes and irritations, and for all the purposes of the toilet, bath, and nursery.

Ishpeming and its Environs.

THE WATCH CAME BACK.

Man With Troubled Conscience Returns Stolen Timepiece to Olf Holmoe.

A year ago last Fourth of July Holmoe of this city lost his solid gold watch and a few other articles while riding on a South Shore train from Marquette to Ishpeming. The valuables were in his coat, which he took off and left in a seat, getting up and forgetting it. He advertised a reward for the return of the watch, but heard nothing from it until Tuesday, when it was returned to him by a Neegaume man. The watch contains Mr. Holmoe's monogram, engraved on the outside of the case, and his name, in full, is found on the inside.

The party who took the watch knew who it belonged to and saw the announcement in the paper. His conscience troubled him, but it was not until recently that he resolved to return it to the owner. He was ashamed to return the watch himself and had a friend restore it to Holmoe. The watch cost the owner \$60 and he was very glad to get it back. He was willing to pay the fellow who had it the reward he had advertised to give, but the friend who delivered the watch said he knew the guilty party would not accept it.

DOMESTIC SCIENCE.

Ishpeming Has One of the Best Equipped Departments in the Country.

The domestic science department of the high school was recently visited by William T. Mack, who represents the Louis Prang company, dealers in art materials. Mr. Mack came up here from Marquette purposely to inspect it. He declared, when he had been through the department, that it has the best equipment he has ever seen anywhere on his travels. He further said that a committee of three of which he will be one, from his own town, Aurora, Ill., will visit this city, to examine the equipment with a view to introducing the same features there.

Coming from such an authority, this praise of Ishpeming's school is pleasing indeed. The domestic science department is nearly four years old, but it is only within the past year that any practical results have been derived from it. Much of the advance is due to the efficient service of the present head of the department, Miss Ethel Foster. Regular courses of instruction are now given. Girls are taught cooking and sewing in pretty much the same way that they are taught mathematics.

The main room of the domestic science department is about forty by sixty feet. It is well lighted from two sides. It contains two ranges, one gas and the other coal, twelve small tables, on each of which is a small gas stove, a sink, and all necessary utensils. The cooking class is divided into sections of twelve pupils each, giving a table and stove, together with the culinary outfit that goes with it, to each girl. In this way each pupil is obliged to do her work, without assistance from classmates. There is some controversy as to the relative merit of this system of individual work, and that of a number of girls working together at one stove; but the results here have been very satisfactory. Much emphasis is placed on the importance of proper preparation of food before cooking. The quantity of each ingredient to be used is written on a blackboard, and a pair of scales is kept handy for weighing all materials. In this way cooking is made more definite and exact.

There are two periods of practical work and one for lectures each week. In the lectures, the girls are taught the value of different foods, the proportion of ingredients, cooking from a scientific standpoint, planning and serving of meals, table waiting, etc. In this course the scholars make their own receipts, on the same plan that laboratory work is done. They are also taught the principles of sterilization, and simple bacteriology.

Cooking is taught in the eighth and ninth grades, and is a required study at two years. In the sixth and seventh grades, plain sewing is taught. In the tenth grade more advanced sewing is taken up, with simple draughting, cutting and making of garments.

Indian basketry is to be introduced in the fifth grade this year.

TO MANUFACTURE INK.

The ink bill for the public schools this year will not be as large as in the past. Superintendent Scribner has a formula for making ink, and instead of having the fluid shipped from Chicago, as formerly, it will be manufactured in the high school building, at a greatly reduced cost. The superintendent has made ink for the schools, in all the cities where he has been located. He was first driven to it, by necessity, in a town in New York, where all the ink froze. He first experimented with diamond dyes, and other coloring matter, and finally hit upon the formula which he is now using. The process of making ink is very simple, and consists of brewing it much in the manner that beer is brewed. After brewing, the ink is tested. Mr. Scribner makes no secret of his formula, although he says it takes some practice to make good ink. The chemicals cost \$1 a pound, and it will require about two pounds and a half to make sufficient ink for the school year. Last year about two hundred gallons of ink were used, at a cost of sixty cent a gallon. With the freight bill added, the ink for the ten months cost about \$150.

Fifty Against Two. It is not reasonable to expect two weeks of outing to overcome the effects of fifty weeks of confinement. Take Hood's Sarsaparilla along with you. It refreshes the blood, improves the appetite, makes sleep easy and restful.

New line of waist cloths. Wide range of prices. All the new colorings. At Finnish Mercantile association.

Foley's Kidney Cure makes the diseased kidneys sound so they will eliminate the poisons from the blood. People's Drug Store.

A NEW "PRINT SHOP."

Editor Newsett to Erect a Block on West Division Street.

Ground has been broken for a new business block, which Editor George A. Newsett, of The Iron Ore, will erect on West Division street, immediately east of the building in which his printing business is now conducted. J. Wahlman & Son have the contract. Carpenters were put to work this week and the contractors expect to have the building ready for occupancy within the next six weeks.

The outside dimensions will be 26 by 72 feet. The building will closely adjoin the block which Mr. Newsett now occupies, but there will be an eight-foot space between the new structure and the Meyers Mercantile company's building.

The interior will be arranged to suit the convenience of the business. In the front there will be a public office and a private room for the proprietor. The work rooms will be at the rear of the office. The block will be a one-story building, with plate glass front. The side and rear walls will be sheathed with brick iron and the front will be galvanized iron. The interior walls and ceiling will be of steel.

MRS. CLUCAS' FUNERAL.

The funeral of the late Mrs. Joseph Clucas, who was killed by a stray bullet last Sunday, was held yesterday from the Swedish Methodist church. The funeral was largely attended. At the church the crowd was so great that some people had to stand in the doorway. Rev. Polkinghorn, who officiated at the services, spoke feelingly of Mrs. Clucas' untimely death. She was a member of the M. E. church. The funeral was attended by all of the Marx people of the city. Mrs. Clucas was a native of the Isle of Man. Her brother, John Kenna, and his wife, arrived here yesterday from the Michipicoten district to attend the funeral.

LEGISLATIVE COMMITTEE.

In the account of the proceedings of the legislative district convention yesterday's paper the committee named to look after legislative affairs during the ensuing year was unintentionally omitted. The committee was named by Chairman George R. Persons and is composed of M. M. Duncan, Walter Fitch and James Clancy. Messrs. Duncan and Fitch were members of the committee last year, H. O. Young being the third member.

MISS FARM SCORED A HIT.

The Soo News-Record says: "The recital given in the Presbyterian church last evening by Miss Tekla Farm of Ishpeming was a success both artistically and from the standpoint of the church treasury. The audience was enthusiastic over Miss Farm's beautiful soprano."

Mr. and Mrs. Guy D. Weldon entertained Tuesday evening at the Iroquois Hotel in honor of Mr. Farm. About twenty guests were present and enjoyed a parlor musical which was the feature of the evening.

SENATORIAL CONVENTION.

In another column of today's issue appears a call from Chairman T. J. Dunton of the Democratic senatorial committee for a senatorial convention to be held at Andrews' Hall, this city, on Friday of next week at 2 o'clock p. m., for the nomination of a candidate for state senator for the thirty-first district of Michigan. The counties in the district will be entitled to delegates as follows: Alger, 3; Baraga, 2; Dickinson, 7; Iron, 4; and Marquette, 14.

JOHNSON-HOLMGREN NUPTIALS.

John J. Johnson and Miss Lydia D. Holmgren were married Wednesday evening at the home of the bride's parents, Ridge street. Rev. Ludwig Johnson, brother of the groom, performed the ceremony. The bride is a daughter of Street Commissioner Holmgren. A large number of friends and relatives were present. A wedding supper was served. Mr. and Mrs. Johnson will keep house. They will occupy part of Mrs. Johnson's parents' residence.

NOT DOOMED FOR LIFE.

"I was treated for three years by good doctors," writes W. A. Greer, McConellsville, O., "for Piles and Fistula, but when all failed, Bucklen's Arnica Salve cured me in two weeks." Cures Burns, Cuts, Corns, Sores, Eruptions, Salt Rheum, Piles or no pay. 25c at Stafford's drug store.

New line of handkerchiefs. All prices, including the very fine qualities. The Finnish Mercantile association.

ISHPEMING IN BRIEF.

J. P. Sherer is in Escanaba on business.
C. G. Stocking is at the Soo this week.
N. J. Tibor was here from Hancock Wednesday.
P. B. Baird of Marquette was here Wednesday.

J. Lovell of Menominee was in the city yesterday.
Dan Carroll of Escanaba was in the city yesterday.

E. D. Fitzpatrick was up from Marinette yesterday.
E. E. Muntaugh of Crystal Falls, was in Ishpeming yesterday.

F. C. Bennett returned from the copper country yesterday.
Miss Bee Ryan left Wednesday for Chicago for a short visit.

The South Shore depot has enough coal left to last all winter.
A gang of men are at work repairing the Northwestern track.

Miss Cora Francis has gone to Bessemer for a three months visit.
Richard Quayle arrived home from the Michipicoten district Wednesday.

A new street crossing has been laid on Ganda street, at the corner of Third.
H. J. Wessinger, general master mechanic of the Oliver Mining company, was here from Duluth Wednesday.

The No. 16 Lake Superior shaft house is being made higher, to facilitate the unloading of ore.
David Lundine left yesterday for Minneapolis, Minn., where he will attend the Swedish Northwest college.

A slight delay at the new M. E. church was caused this week by the non-arrival of the bolts for the trusses.
The new Lake Superior office building is going up rapidly. The joists are being put in, and the bricklayers are at work.

The zobo band has increased to eighteen pieces. The people on Strawberry hill don't know whether or not they are pleased.
Mrs. F. P. Tillson and mother, Mrs. Bennett, arrived Wednesday from Detroit. Mrs. Bennett will make her home in this city.

Superintendent W. B. Lindsley, of the Business Division of the Chicago & Northwestern Railway company, was an Ishpeming visitor yesterday.

Miss Loretta A. Healy returned home from Marquette Sunday, after a two weeks' visit with Mrs. John Fitzhenry and other relatives and friends.

The board of trustees of the city cemetery are having the fence painted. They are also putting flower beds in the grounds, to be planted next year.

The reserved seats for the minstrel show Saturday night were nearly all sold yesterday. The seats for Monday's show will be on sale tomorrow morning.

E. E. Jefferey, stenographer at the Lake Angeline mine office, is spending a few days with his people at West Deerpere, Wis. He will be back early next week.

Mrs. Mable Swift, who has been visiting friends here during the summer, left yesterday for her home in Hamden, Conn. She will stop in Chicago for a short stay.

The approaches to the greens at the local links are being graded for fifty feet. The work will keep one man busy, and possibly others may be put at work on the job.

Henry Farley and Ernest Perry will open a saloon and boarding house on First street, at the stand formerly occupied by the Star restaurant. They will open about Oct. 1.

There will be a golf tournament for the Dr. Vandewater trophy Saturday, starting at 2 o'clock. Those who wish to enter should report to the greens committee in order that the handicaps may be arranged.

Charles Maatta, 315 East Johnson street, was injured yesterday morning, while working at the Lake Superior Harbore mine. His clavicle was dislocated by a rock, which fell and struck him on the right shoulder.

The Crystal Falls schools have sent twenty pictures to the Childs' art gallery to be framed. They consist of reproductions of old and modern masters, of photographs, etchings and engravings. The work is about finished.

Notice has been posted in the postoffice that proposals will be received at the office of the second assistant postmaster general, for contracts to carry the mail on covered wagon routes. The contract for the National mine route will soon expire.

The coroner's jury in the case of the late Mrs. Clucas rendered a verdict yesterday that the woman came to her death by a bullet from a revolver, or a rifle, in the hands of some person, at this

FOR FUSSY FELLOWS

Young men in business, in school or college, want something "different." It's hard to get unless you know where to get it. K. N. & F. things are made to suit fussy fellows—the young men who want up-to-date style as well as quality in their apparel. It's quite a revelation to see one of these handsome suits or overcoats, already made up and ready to put on without the change of a stitch. Notice the fullness across the chest. Raise your arms and the collar never moves from its position. Look at the shoulders. Hardly a bit of padding; but they have the broad effect, high collar and all the niceness you would ordinarily expect only in high-priced garments.

JOHNSON & PETERSON,

NOLAN BLOCK. 217 CLEVELAND AVE.

A NEW TEACHER.

Edward Sweeney, of Middleport, N. Y., has been appointed teacher of history, civil government and political economy in the high school, to fill the position made vacant by the resignation of Mr. Price. Mr. Sweeney is expected here any day now. He is a Cornell university man, and has had two years' experience in teaching. He comes here highly recommended by the faculty at Cornell. There were four applications for the position, but Mr. Sweeney was the only one having a university education, and having experience in those branches.

OSTEOPATHY.

Hon. H. F. Pingree, ex-governor of Michigan, who signed the bill legalizing osteopathy in this state said after a thorough and careful official investigation: "Osteopathy is a science entitled to the respect and confidence of all, as a distinct advance in medicine. I know that it is doing a vast amount of good in relieving suffering and deformity that is not amenable to benefit from drug medicine."

For free books explaining osteopathy, address Dr. J. L. Shorey, room 8, Harlow block, Marquette, Mich. At Ishpeming Tuesdays and Fridays, 212 W. Ridge street. (8-22-17)

SENATORIAL CONVENTION.

A Democratic convention for the thirty-first senatorial district of Michigan, is hereby called to meet at Andrews' hall, in the city of Ishpeming, county of Marquette, state of Michigan, on Friday, the third day of October, 1902, at 2 o'clock p. m. to nominate a candidate for senator in the state legislature. The counties in the district will be entitled to representation as follows: Alger, 3; Baraga, 2; Dickinson, 7; Iron, 4; Marquette, 14.

By order of the senatorial committee. Dated, Ishpeming, Mich., Sept. 12, 1902.
T. F. DUNDON,
Chairman.

USED FOR PNEUMONIA.

Dr. J. C. Bishop, of Agnew, Mich., says: "I have used Foley's Honey and Tar in three very severe cases of pneumonia with good results in every case." Refuse substitutes. People's Drug Store.

FOUND—A white sheep. Owner can have same by paying for this advertisement and the expense of keeping the sheep. Otto Gothe, 133 York st. 9-26-17

A PASTOR'S WIFE CURED OF PELVIC CATARRH.

She Suffered for Years and Felt Her Case Was Hopeless—Cured by Peruna.

MRS. ANNA B. FLEHARTY, recent Superintendent of the W. C. T. U. headquarters, at Galesburg, Ill., was for ten years one of the leading women there. Her husband, when living, was first President of the Nebraska Wesleyan University, at Lincoln, Neb.

Mrs. Anna B. Fleharty.

In a letter written from 401 Sixty-seventh street, W. Chicago, Ill., Mrs. Fleharty says the following in regard to Peruna:

"Having lived a very active life as wife and working partner of a busy minister, my health failed me a few years ago. I lost my husband about the same time, and gradually I seemed to lose health and spirit. My doctor is a confirmed invalid, and we both felt great need of an invigorator.

"One of my neighbors advised me to try Peruna. A bottle was immediately secured and a great change took place in my daughter's as well as in my own health. Our appetites improved very greatly, the digestion seemed much helped, and restful sleep soon improved us, so that we seemed like new women.

"I would not be without Peruna for ten times its cost."—Mrs. Anna B. Fleharty.

What used to be called female diseases by the medical profession is now called pelvic catarrh. It has been found by experience that catarrhal diseases of the pelvic organs are the cause of most cases of female disease.

Dr. Hartman was among the first of America's great physicians to make this discovery. For forty years he has been treating diseases peculiar to women, and long ago he reached the conclusion that a woman entirely free from catarrhal affection of these organs would not be subject to female disease. He therefore began using Peruna for these cases and found it so admirably adapted to their permanent cure that Peruna has now become the most famous remedy for female diseases ever known. Every where the women are using it and praising it. Peruna is not a palliative, simply; it cures by removing the cause of female disease.

Dr. Hartman has probably cured more women of female ailments than any other living physician. He makes these cures simply by using and recommending Peruna.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.

[Subscribers to The Mining Journal will please remember that carrier boys are not allowed to receive money on subscription account.]

POLICEMEN REINSTATED.

Officers Fred Zimmerman and John Rule Resume Their Places on the Force.

At the special meeting of the council held Wednesday evening for the purpose of hearing a report from the committee named at the last regular meeting to examine the heating plant at the city building and ascertain what changes are necessary to put it in first class repair, the question of re-instating Officers Fred Zimmerman and John Rule came up. All are so familiar with the facts which caused the temporary suspension of these officers that it is unnecessary to refer to them at this time.

One of the aldermen stated that the policemen in that part of the city are supposed to meet incoming and outgoing trains and that they were not off their beats, when Rev. Gilchrist and Fred Pearce met them. The mayor and seven of the ten aldermen were present at the meeting. A unanimous vote was cast in favor of re-instating the policemen, and Michael Sullivan, who were on the force during the time Zimmerman and Rule were out, were voted \$225 a day.

Plant Will Be Overhauled.

The committee appointed to examine the heating plant at the city building recommended that the system be overhauled, at a total cost of \$550. A new boiler, similar to that at the Jackson school, can be purchased for \$235. Either wood or coal can be burned. With the old boiler wood could not be used to advantage. The council authorized the committee to have the work done as soon as possible. It is likely that the job will be given on contract to someone experienced in installing heating plants.

BASEBALL SEASON ENDED.

Negaunee Team Did Better Work Than the Fans Expected.

Last Sunday's game with the Munising nine was the last of the season for the Negaunee team. Another game or two would have been played, but during the past few days, the grounds at Union Park have been staked out for football work, making it quite impossible to use them for baseball. However, it is getting rather late for that sport, anyway.

The Negaunee team has made a good showing. The re-organized team did much better work than the nine which started out early in the season. The players are quitting the game satisfied with their showing. Out of six games the re-organized team played, three were won. The scores in all the contests showed that the team is capable of putting up fast ball. When scores are kept below ten and occasionally below five the losing team has nothing to feel ashamed of.

This is the first season in some years that a Negaunee ball team has hung together until the end of the summer. A team has been organized nearly every year since the days when professional aggregations played in the upper peninsula, but two or three games have usually represented their season's work. If the present team remains intact, there is no reason why Negaunee should not be among the upper peninsula's top notchers next season.

CARTER'S GREATEST SUCCESS.

"The Eleventh Hour," acknowledged to be Lincoln J. Carter's greatest success, will be at McDonald's Opera House next Thursday evening. Like all of Mr. Carter's productions the play contains a sequence of thrilling sensations, ending with a supreme climax, in which the wronged subaltern is brought face to face with his traducer in a most startling way. The scenic effects are numerous and in some cases gorgeous. Among the effects are the old mill by the river, the railroad block tower, the Bismarck summer garden and the millionaire's drawing room.

RESOLUTIONS OF RESPECT.

Resolutions of respect adopted by Negaunee Lily Legion, No. 274, of Negaunee, Mich.: Whereas, Death having entered our Legion for the first time and removed from our midst our esteemed brother, Edwin C. Weed, we hereby submit to the will of our heavenly father; therefore Resolved, That we extend our sympathy to the mothers of his family, who are so sadly afflicted, and that we drap our charter for a period of thirty days. Resolved, That these resolutions be placed on the minutes of this Legion, published in the Negaunee Iron Herald, The Daily Mining Journal, the Light of the Legion, and copies sent to the bereaved family.

MARY BACKLES, JENNIE R. STEEDE, ANDREW MARTINSON, Committee.

SHAKE INTO YOUR SHOES

Allen's Foot-Ease, a powder. It cures painful, smarting, nervous feet and ingrowing nails, and instantly takes the sting out of corns and bunions. It's the greatest comfort discovery of the age. LOCAL LACONICS.

Dr. Sheldon left for Chicago Wednesday.

Miss Clara Muck is expected home from Chicago today.

Miss Eva Choquette left Thursday for Republic to visit friends.

Miss Mattie Wassuth left Wednesday for Hibbing, Minn., to visit her sister.

George Haupt has just received a car load of the popular brand of White Lyon flour.

Sam Bashaw, who is cutting cordwood south of the powder mill, needs more choppers.

Don C. McCowin, who represents T. T. Kinsey of Grand Rapids, is in the city on business.

Mr. and Mrs. Walter L. Maas arrived here Wednesday from St. Paul, Minn., to visit with Mr. Maas' parents.

Mrs. Will Neely will leave Monday for Chicago, where she will make her home. Mr. Neely is located in that city.

Rev. Edward Schuch will leave today for Rock Island, Ill., to attend the theological seminary of Augustana college.

William Moll has taken a position as drillman, with the Mary Charlotte Mining company, at the rolling mill property.

Frank Tompkins returned Wednesday from Fostoria and Detroit, where he had spent the past week visiting relatives.

Shaver & Sons are building a school house at the Princeton mine. There will be three rooms. The building will be heated by hot air.

Posters are up announcing the Ishpeming-Gladstone football game Saturday afternoon at Union Park. It will be called at 2 o'clock.

There will be a meeting of the rural teachers in the high school building tomorrow morning at 9 o'clock, and at the Marquette city building at 1:30 p. m.

Principal W. G. Begle will attend the Marquette-Escanaba football game at Marquette, Saturday. Mr. Begle says the Escanaba team is largely composed of the same men who played last year.

The Misses Jeffs recently passed through Negaunee on their way home to Rockland, after a six months trip abroad. They visited England and France, and spent several weeks in each.

Word has been received from Ann Arbor that Bernie Barasa, who went there last week to enter the law department of the university, is in the hospital there, where he has had an operation performed on his tonsils.

Mrs. M. E. Arland, who returned Wednesday from a three weeks' trip in the east, visited New York, Chicago, Cincinnati, and Green Bay, Wis. While in New York she attended the milliners' convention, held at the Waldorf-Astoria.

The saloon keepers' movement to close the stores and stop all labor on Sunday, has petered out. The leaders of the agitation possessed the necessary will and determination, but they claim they were not backed up by the other saloon-keepers.

The marriage of Thomas H. Peterson and Miss Jennie K. Sundlie occurred at the Palmer location at 4 p. m. Wednesday, the Rev. Fosnes officiating. Ed Peterson acted as best man and Miss Olga Grote was bridesmaid. The ceremony was a very pretty affair.

Frank Gottsche and Miss Ella Peterson, of Moline, Ill., were married in that city last Saturday. Rev. Smith performed the ceremony. Mr. Gottsche is a brother of Mrs. Max Rasmussen of this town. The young couple will leave tomorrow for Moline, where they will make their home.

People in the neighborhood of the corner of Peck street and Mackenzie avenue have been much disturbed of late by boys who congregate evenings under the electric light. Complaint has been made to the police, but, despite their efforts, it seems almost impossible to drive the youngsters away. They are noisy and insolent. The curfew law will probably be enforced.

Republic.

WAS AN EARLY SETTLER.

Iowa Man Visits His Cousin, Whom He Had Not Seen in Thirty-Eight Years.

C. G. Ramsted and wife of Vinton, Ia., have been here visiting G. A. Kingstedt and family the past few days. Mr. Ramsted and Mr. Kingstedt are first cousins. The last time they met was thirty-eight years ago, just before they left their native place across the water. Mr. Ramsted landed at Negaunee over thirty-seven years ago. After remaining there a few days, he and others started on foot to the copper country. The railroad did not go any further than Negaunee and it had been completed to that city but a short time. The jaunt to the copper region was one Mr. Ramsted will never forget. The road was rough and he was greatly fatigued before reaching his destination. He secured work in Hancock, where he remained some time, when he moved to Vinton. He purchased a farm and has made big money there. During the first few years on the farm he and his wife labored from daylight until dark. They saved their money and invested it in a business block in the city. The investment has since brought them big returns, and a few years ago they rented their farm of 281 acres. They are now taking life easy.

Mr. and Mrs. Ramsted will visit in the copper country before returning home. Mr. Ramsted is anxious to see what that country now looks like.

WILL INITIATE A BIG CLASS.

The members of the local tent of the Maccabees are preparing for a big meeting to be held next Saturday evening. A class of over twenty Humboldt men will be initiated. The Humboldt men do

not work on Saturday night and that is the only evening in the week that all could come here to be initiated. There will be luncheon at the conclusion of the ceremonies.

GONE TO CANADA.

Louis Buese and his son, Nicholas, left Monday for Sudbury, Canada, where they expect to spend the winter. Mr. Buese was at Sudbury some time ago, but came home a couple of weeks back on a visit to his family. He is a diamond drill man and has been in the employ of the Sullivan Machinery company for some years past. He has been to many parts of this country and has also done work in foreign countries during the past ten years or more. He is considered one of the best drill men working for the Sullivan company.

FAIR BEGINS OCT. 15.

The Catholic church fair, for which the ladies of the congregation have been preparing for the past week or more, will begin on the evening of Monday, Oct. 15. It is assumed that the employees of the Republic mine will be paid that day, so that the fair should be a financial success.

George Barnes was a Republic visitor early in the week. A daughter was recently born to Mr. and Mrs. William Goggin.

A son was born last Sunday night to Mr. and Mrs. Charles Rudie.

Miss Bertha Schmidt left Wednesday for Ypsilanti to enter the Normal.

A new cross walk has been laid in front of the Finnish Co-Operative store. Barney Peterson has gone to Duluth. He has taken a position there with the Imperial Flour Milling company.

Miss Jennie Hutala has taken a position as clerk at the Finnish Co-Operative store.

Phil Nimark of Calumet was here early in the week, the guest of his friend, J. B. Casper.

Joseph Pascoe, who was severely injured at the mine a few weeks ago, is steadily recovering.

Charles Johnson, who has been in Ishpeming for some time past, spent Sunday with his family here.

Jelmer Erickson returned Monday from a couple of weeks' visit to Chicago, Milwaukee and other cities.

Charles Wilkins and wife have begun housekeeping in the apartments on the ground floor of Mrs. Dahlberg's dwelling.

The office, barroom, dining room and kitchen of the new Pascoe House have been connected with an electric bell system.

William Waldstrom will move his saloon from Mrs. Fountain's building to the Gauthier block the first of the coming month.

The Misses Lena Elman, Bertha, Sune-son, Lizzie Zeitler, Laura Wilkins and Cordelia Larue leave next Monday for the Marquette Normal.

Mrs. George McDonald went to Ishpeming Tuesday to see her sister-in-law, Mrs. John Pascoe, who has been dangerously ill for a week or so.

John Sundquist and family, pioneer residents of Republic, who recently disposed of their hotel business here, have gone to Olivia, Minn., to live.

Miss Amanda Anderson, a music teacher of Ishpeming, is soliciting Republic pupils for piano instructions. She was here Monday and Tuesday.

Mrs. Carl Peterson, Mrs. C. W. Mertz, and Mrs. William Anderson, the latter of Negaunee, returned Sunday morning from a visit of ten days with friends in Chicago.

Louis Lafortis expects to close his saw mill within the next week or so. All his men will be sent to the woods, where they will be employed all winter.

There are fifteen children enrolled at the new school house established in the farming district in the southern end of the township. Joe Pascoe is the teacher.

The old tower used some years ago when water was pumped from a well near the school house, was recently taken down. There was danger of the wind blowing it over.

Ole Olson, the telegraph operator, was recently transferred to Littleton, Colorado, where he is manipulating a key in the office of the Chicago, Milwaukee & St. Paul Railway company.

Anton Lund of Crystal Falls has taken a position as traveling salesman for August Jarval, the Republic tailor. He is a tailor by trade and will work in the shop here part of the time.

Alex Willette has gone to North Freedom, Wis., to operate a diamond drill for Matt Gibson, formerly of this place. Mr. Gibson is exploring for iron on lands near the town.

At the township caucus, held last Saturday evening at the town hall, D. T. Morgan, George McDonald, Thomas Pascoe and Erick Extrum were chosen delegates to attend the Republican county convention held Tuesday at Marquette. They were also delegated to attend the district convention at Ishpeming the following day.

FORTUNE FAVORS A TEXAN. "Having distressing pains in head, back and stomach, and being without appetite, I began to use Dr. King's New Life Pills," writes W. P. Whitehead, of Kennedale, Tex., "and soon felt like a new man." Infallible in stomach and liver troubles. Only 25c at Stafford's drug store.

Avoid serious results of kidney or bladder disorder by taking Foley's Kidney Cure. Pele's Drug Store.

TAKE OR LEAVE IT

SOO WILL NOT GIVE ADVENTISTS A BIG CASH BONUS.

THEY MADE NO DEMANDS HERE

COMMITTEE LIKELY TO BE INCENSED BY SOO COMMENT.

Marquette Would Probably Make Reasonable Concessions for Proposed Institution—Committeemen Made a Good Impression.

Judging from the comments in the Soo papers during the past few days, it is very improbable that the Seventh Day Adventists will locate their proposed Northern Michigan branch near food dispensary, sanitarium and industrial school at the Lock City. F. H. Clergue offered them a considerable inducement to come to the Soo, but they have demanded a large cash bonus in addition to their proffer of land, buildings and water frontage. This, it appears, the Soo is not willing to give and the tenor of the comment is calculated to arouse the dislike of the Adventists for that place, as it is not entirely complimentary to the enterprising hustlers from the lower part of the state. The Soo papers insinuate that the Adventists are inclined to be too hogish and that they are playing a flim flam game.

The Journal of that city said this week: Those who have had in charge the bringing of the branch Battle Creek sanitarium to the Soo are hot and hot clear to the backbone and it seems to be the consensus of opinion throughout the city and especially in the chamber of commerce that the committee and the citizens have a good right to be hot at what they say looks suspiciously like a hold-up game of the boldest sort. The sanitarium committee as was announced in the Journal, is not satisfied with the generosity of Mr. Clergue in giving to them a ten acre site with buildings valued at at least \$5,000, free dockage and water privileges, and by the further gifts of the city in free light, water, fire protection and exemption from taxation. The committee demands further at least \$10,000 in cash with which to build and furnish their main building.

Expressions of Citizens. "This," said a member of the chamber of commerce to the Journal, "is more than we can think of. Such demands are not only outrageous but bear every semblance of a game of hold-up. This committee is going about the various other cities in the upper peninsula and obtaining the best offers possible then returning along the route just traveled and using the offers as a club to get

more from somebody else. Under such conditions, although I should like to see the sanitarium come to the Soo, yet in order to ensure it I would not give a ten cent piece.

"We have made them offers which we defy any community to duplicate in the way of natural advantages, but if the sanitarium people want some city to build their buildings for them besides, they must look elsewhere than to the Soo."

Another man, who was equally forcible in his remarks said, "Why, with what Mr. Clergue has offered and what the city will give we could put up a general hospital not to be beaten by any in this part of the state. It looks suspiciously as if the sanitarium people were using the Soo as a club to force some other unsuspecting city to give them almost anything they may demand. We are willing to give them the earth but when it comes to fencing it in for them, we pass."

Still another man said: "If we are to give a bonus to anything we will give it to an industry which will employ a few hundred hands. I would like to see the branch here, but it will not be of the same benefit to the city as a rattling good industry which will grow and make the city grow too. Mr. Clergue and the city have offered all that is reasonable to offer to anything and I am most heartily in favor of shutting off the gas right here. Let them take what we have offered and if not satisfied with that go where they can get more. My statement in this case is, 'There is our offer and we have natural advantages which cannot be duplicated in Michigan. Take it or leave it!'"

The sentiments expressed so strongly are but a few of the many heard on all sides. The people in general would like to see the institution located here, but they speak in the same manner as those quoted in regard to offering any money for it.

Made No Demands Here. The Adventists, who visited Marquette during the early part of this week, made no demands on the members of the Citizens' committee and other business men who interested themselves in their entertainment. The proposition was discussed in its general bearings, but the committee, as a whole, or formally, did not set forth what it would ask in return for locating its proposed institution in this city.

The members of the committee made a very good impression on the Marquette gentlemen with whom they came in contact, and the citizens who have the matter at heart are in hopes that something will come of their visit. They were manifestly struck with the advantages of Marquette for their institution, and when the time comes to arrange terms, it is anticipated and believed that there will be no particular trouble in reaching an agreement satisfactory to all the parties concerned.

DOCTORS COULD NOT HELP HER. "I had kidney trouble for years," writes Mrs. Raymond Conner of Shelton, Wash. "and the doctors could not help me. I tried Foley's Kidney Cure, and the very first dose gave me relief and I am now cured. I cannot say too much for Foley's Kidney Cure. People's Drug Store.

ANDREW WATSON KLEIN.

His Death Greatly Regretted in Marquette and on the Upper Peninsula.

The death of Andrew Watson Klein, which occurred Wednesday morning, was a great shock to his many friends in Marquette and throughout the upper peninsula. Mr. Klein had been seriously ill for several weeks. He was apparently on the road to recovery, but early this week he suffered a sudden relapse, from which, in his weakened condition, he was unable to rally.

Mr. Klein came to Marquette from Detroit in 1885 to take a position as private secretary with his godfather, Andrew Watson, then general superintendent of the Detroit, Mackinac & Marquette Railway. In 1888 he left the railroad service, and was teller of the First National bank of Marquette until 1890, when he entered the insurance office of Peter White & Co., as private secretary of Mr. White and cashier of the firm, which position he filled up to the time of his death. In all these positions he made an enviable record for faithfulness and business ability, and enjoyed the respect and entire confidence of all with whom he came in contact. His devotion to the interests of Peter White & Co., could not have been greater if he had been a member of the firm. In 1891 he was married to Miss Clara Phelps, who survives him. He was a member of and a regular attendant at St. Paul's Episcopal church, having been confirmed in and a member of the St. John's church, Detroit, before coming here. He was also a member of the Marquette club and of the Seymour Golf club.

Mr. Klein was still in the prime of young manhood, and his untimely death will be greatly deplored and regretted in both the business and social circles of this city.

The funeral was held yesterday afternoon at 4 o'clock from the family residence on Spruce street.

BROUGHT BACK WEDNESDAY.

Hugh Cole Jumped His Board Bill and Flimflamed Hoard & Francis.

Hugh Cole, a former employe of Hoard & Francis, who skipped out of Marquette early in August, was brought back from Jackson Wednesday, to answer for his peculations from his former employers and for a board bill of some \$600 owed to landlord French of the Hotel Brunswick. Cole was arraigned before Justice Byrne yesterday, but, owing to the absence of prosecuting Attorney Bell, his hearing was postponed until next Tuesday. Cole's people reside in Jackson. It is said that there is some prospect of their settling the case. Cole's peculations from Hoard & Francis, while their exact amount is not known, are said to foot up a considerable figure. He was in charge of the firm's bicycle store here for some time before he made scarce and he is believed to have picked up considerable cash. In addition he is credited with the responsibility for the disappearance of a couple of bicycles.

Cole got clear of Marquette by means of a clever subterfuge. He gave it out at the Brunswick that he was going up-the-road to do some work at

the Ishpeming branch of the Marquette store of Hoard & Francis. With this understanding, he was permitted to move his tool chest from the hotel. This he immediately expressed to Jackson, by the way of Chicago, and he, keeping out of his landlord's way during the day, left for the same point the following morning.

There was no particular difficulty in finding out where Cole was, but overtures for a settlement came to naught, and it was determined to bring him north to answer for his misdoings. Undersheriff Sam Bennett was entrusted with the task. He went down for that purpose Monday, returning with his man Wednesday afternoon.

WARDEN FREEMAN SURPRISED.

Convicts and Officers of Branch Prison Make a Presentation.

Warden George Freeman, of the branch state prison, who retires the first of next month, was the surprised recipient of a number of handsome gifts last evening. The presentation took place at the penitentiary during a concert given by the convicts, and was an event totally unexpected by the warden. A handsome clock and a vase were given by the prisoners, and from the officials of the penitentiary Mr. Freeman was the recipient of six pieces of cut glass. The gifts were accepted by the warden in a few words expressive of grateful thanks.

"A POOR RELATION."

The Sale of Seats Will Open Wednesday Morning.

"A Poor Relation," the late Sol Smith Russell's famous play, and by all odds the best one of his entire repertoire, is to be given at the opera house next Friday evening, with Horace Lewis in the part of "Noah Yale," in which he is said to have made a great success. As many orders for seats for the performance of this great play next Friday evening have already been received, it behooves those who wish to see this delightful performance to be on hand early when the advance sale of seats is opened Wednesday morning.

A BOY'S WILD RIDE FOR LIFE.

Wife family around expecting him to die, and a son riding for life, 18 miles, to get Dr. King's New Discovery for Consumption, Coughs and Colds, W. H. Brown of Leesville, Ind., endured death's agonies from asthma, but this wonderful medicine gave instant relief and soon cured him. He writes: "I now sleep soundly every night."
