MITCHELL ONSTAND

LEADER OF THE MINERS TESTIFIES AT THE STRIKE HEARING.

WARMLY DEFENDS THEIR CAUSE

IS PROMPT IN ANSWERING ALL QUESTIONS PUT TO HIM.

Treatment of the Non-Union Men, Violation of Injunctions and the Alleged Resort to the Boycott Are Points Dwelled Upon.

Seranton, Nov. 14.—The anthracite coal strike commission today began hearing the miners' side of the case. After the workmen have concluded the operators will make their defense. It is expected more than two weeks will be taken up in the hearing. The courthouse, where the hearing is held, was crowded with people early, but few gained admittance, as almost every seat was occupied by mine officials and representatives of the workers.

Mitchell Hoped for Lasting Peace.

Judge Gray called the commission to order at 10 o'clock. President Mitchell at once began his statement of the miners' case. He prefaced it with the hope the commission would "succeed in establishing a relationship between the operators and miners that will insure peace and stability in the industry for an indefinite period."

Mr. Mitchell recited the demands for increased pay for the miners, shorter day for the laborers and the weighing of coal on the same ground which he has set forth previously, and showed why from the miners' point of view the demands should be granted.

At the conclusion of Mitchell's statement the oath was administered to him and the taking of testimony was begun by Clarence Darrow, counsel for the miners. Mr. Mitchell stated that during the strike a million and a half dollars had been distributed among the strikers, union and non-union. He was emphatic in his opinion of the ability of the miners' organization to maintain discipline and trade agreements.

Mr. Wilcox, of the Delaware & Hudson, by a series of questions led up to the matter of violation of contracts, which would have occurred had the bituminous miners struck. Mr. Mitchell said the question of a sympathetic strike was not considered at the Indianapolis convention, because it was decided not to inaugurate a national suspension, though the convention was called to consider the matter.

Wilcox—What was the object of the convention?

Mitchell—Well, I had my own reasons for not telling them that. They knew it. The real purpose of the convention was carried out, and \$1,500,000 was got from them to help sustain the anthracite mine while on strike.

Violence Not Countenanced.

Considering the method of dealing with non-union miners, Mitchell said persuasion was usually successful, and that there was no definite method of interference. This line of examination was followed for some time, Mitchell answering Wilcox in a way to show violence was not countenanced by the union. He said the only punishment provided by the organization was expulsion, but no action is taken until a court decides the innocent or guilty of the accused.

When the violation of injunctions was introduced, Mitchell said with considerable emphasis: "We deny that the courts have any right to restrain the members of laboring unions from doing anything that is lawful. We have had people sent to prison for holding meetings on ground held by us by lease."

"There have been," continued Mitchell, "provisions of injunctions restraining our people from violating the law that were proper. Our only objection to the injunction was because it restrained us from doing things we had a legal right to do. It is far-reaching enough to restrain and punish those who violate the law."

Chairman Gray had been following Wilcox in his questions on boycotting and took part in the examination, asking Mitchell whether the union had approved of boycotting those who furnished necessities of life to non-union men or their families. Mitchell said that unions as such did not sanction such action. Judge Gray asked if they encouraged it. Mitchell said they do not, and explained that during the excitement of a strike the members may feel justified in asking friends not to purchase from those supplying goods to non-union men.

Does Not Justify the Boycott.

"That is not the question," said Judge Gray. "What would like to know is whether you justify the attempted withdrawal from those who have offended you, of the necessities of life, of things by which men live, and which are therefore their life?"

"I should say emphatically no," replied Mitchell.

The commission adjourned until tomorrow morning, with Mitchell still on the stand.

EVANS REPORTS ON CHINA.

Washington, Nov. 14.—Rear Admiral Evans has reported on the result of his investigation of the conditions in the interior of China. He does not think there will be any great trouble with the Boxers, and says the troops are abundant. The "most important" of the American interests there is a railroad seven hundred miles long between north and south China. The concession is for eighty years. The entire management is in the hands of Americans.

BANK FAILURE AT BOSTON.

Central National Is Closed by Order of the Comptroller.

Boston, Nov. 14.—The Central National bank, one of the smaller institutions of this city, was closed this morning by order of the comptroller of the currency, and Bank Examiner Neal was put in charge. The closing of the bank is said to be due to excessive loans and lack of assets. Its capital is \$500,000 and deposits \$2,700,000.

Massachusetts had a small deposit in the bank. The city of Boston had \$26,201 and the sinking fund commissioners \$182,199.

"CANADIAN" TERRITORY SEIZED.

United States Surveyors Said to Have Encroached Upon British Columbia.

Victoria, B. C., Nov. 14.—The Province this evening says: "In the quietest possible manner, and with every precaution to secrecy, United States surveyors have encroached upon Canadian territory to the northeast of Cape Fox and appropriated thousands of square miles of land lying within the boundaries of British Columbia to the westward of the Portland canal." The paper goes into details in explaining the alleged doings of the Americans and concludes by doubting without the knowledge of the government official at Port Simpson.

GREAT LEGAL BATTLE IMMINENT.

Western Union to Bring Suit Against the Pennsylvania Company.

Philadelphia, Nov. 14.—The Record says that next Thursday the Western Union will enter suit for an injunction restraining the Pennsylvania from the removing poles and wires of the plaintiff from its line of railroad. This move will mark the beginning of a great legal battle between the Gould-Walsh interests and the Pennsylvania-Cassett corporations. The Western Union's claim is based on the proposition that the poles and wires occupy space under what is known as post road rights. This sets up the contention that right-of-way along the railroad cannot be legally restricted for the reason the government uses the railroad for the transmission of mails and that, therefore, railroads are public servants in the broadest possible use. The Western Union maintains the post road rights are equal in importance to the eminent domain rights of the railroad.

GRIST OF RESOLUTIONS.

Eighty-seven, Some Novel in Tenor, Submitted at the Labor Convention.

New Orleans, Nov. 14.—A dispute over a portion of the report of the committee on credentials and a general discussion of the report of the committee on rules took up all the day at the Federation of Labor convention today, except that given to resolutions introduced by delegates. All the resolutions were referred to various committees.

Eighty-seven resolutions were submitted. Some are requests that various firms be placed upon the "unfair list." Of the others, one demands that any man who shall have reached the age of sixty who is a naturalized citizen and who has lived twenty-one years in this country, and whose average annual income has been less than \$1,000, be given a life pension of \$12 per month. Another protests against the ship subsidy bill.

A resolution on the canal question is to the effect that the Federation protests against the construction of either the Panama or Nicaragua canals, "as the country must either acquire more territory or renounce upon the liberties of the Latin-American states." Another resolution favors the defeat of the anti-ticket scalping bill now before congress and all city ordinances enacted against ticket brokers.

The convention adjourned until tomorrow.

PYTHIANS EXPEL JOHN A. HINSEY.

Chicago, Nov. 14.—After a hearing that lasted nearly all week, the grand tribunal of the Illinois Knights of Pythias today voted unanimously to expel John A. Hinsey, who was retired from the board of control of the Endowment Bank last year. Hinsey has appealed to the supreme tribunal, which will meet at Indianapolis in February. Dr. Albert I. Douffleur, medical director of the Endowment Bank during the Hinsey administration, has been suspended for a year. In the sixteen months since the Hinsey administration was retired the Endowment Bank has paid up \$500,000 of overdue death claims and has nearly \$200,000 cash on hand.

POLICEMEN PALM WITH THIEVES.

Chicago, Nov. 14.—Policeman Patrick J. Mahoney was arrested today on the charge of complicity in the Barry and Curran diamond robbery committed over a year ago, when over \$7,000 worth of diamonds were stolen. Tom Barry and Jim Clark were suspected of the theft and upon trial were found guilty and given a year's sentence. Their terms have just expired, and it is intimated some interesting developments in police circles are liable to result in consequences of the charges they have made. It is reported that warrants have been issued for the arrest of three other policemen.

CZAREVITCH DYING.

Paris, Nov. 14.—The Rappel publishes a dispatch from St. Petersburg which says that Grand Duke Michael, the czarvitch, is in very weak condition. His physicians pronounce the duke's condition hopeless, unless the climate of the Crimea should work a miracle.

UNIVERSITY STUDENTS STRIKE.

Boulder, Colo., Nov. 14.—Five hundred students of the University of Colorado are on a strike. They revolted over lessons during the quarto-centennial celebration now in progress.

ONE BEAR BAGGED

FIRST DAY OF PRESIDENTIAL PARTY'S HUNT A SUCCESS.

BUT ROOSEVELT IS UNFORTUNATE

LEAVES CUT-OFF JUST BEFORE THE DOGS RUSH BRUIN PAST.

Fresh Trail Is Later Struck and Darkness Finds the Executive Still in Chase With Prospects of Camping Out All Night.

Smedes, Miss., Nov. 14.—A lean black bear which weighs 235 pounds is hanging at the president's camp on the Little Sunflower river, but to the regret of all the members of the party, the first trophy of the hunt did not fall to the president's rifle.

The bear's trail was struck by the hounds soon after the party started this morning. The president and his guides plunged through the underbrush in pursuit. Within a few minutes the dogs showed the direction the quarry was taking, and Hill Collier immediately made up his mind where the animal would come out.

To save the president needless hard riding through the brush, he was taken by Mr. Foote along a trail to a certain cut-off, where they waited for several hours. The trail of the bear carried the hounds out of hearing, and shortly after noon the president and Mr. Foote returned to camp for lunch. Had they remained, the president would have had a shot, as the bear, with the pack at his heels, crossed at almost the exact spot which Mr. Holt had indicated.

About a mile beyond this point, brained by his long race, he ran into a water hole and turned upon the dogs. They were all over him in an instant. The poor beast was too exhausted to make much of a fight, but he grabbed one of the hounds by the neck, killing it instantly. Holt Collier jumped from his horse and, clutching his rifle, knocked the bear over with a blow on the head. Then he blew his horn in token that the quarry had been brought to bay.

A messenger was sent for the president, but when he arrived he would neither shoot it nor permit it to be shot, but upon his instruction it was despatched by one of the guides. On the return to camp a fresh trail was struck and the president and guides followed it.

The Associated Press correspondent who reached camp when he left at dark there was no sign of the president and some anxiety was manifested lest the president in his enthusiasm would get too far away and be forced to sleep on the trail.

TELEGRAPHIC NEWS CONDENSED.

Baltimore, Nov. 14.—Joe Gans, the lightweight champion, got the decision over Charley Seigler of Hoboken tonight after thirteen and a half rounds of hard fighting.

Freeport, Ill., Nov. 14.—Richard Blaisdell was arrested here today and taken to Oregon, Ill., where he is wanted on the charge of kidnaping his six-year-old daughter. It is said that Blaisdell followed his wife from California to Illinois. He secured possession of their child and drove with it to Freeport, where he was overtaken by officers.

Washington, Nov. 14.—Archbishop Ireland and Bishop O'Gorman called at the war department today. Secretary Root was not at the department and the prelates discussed the conditions in the Philippines with Colonel Edwards, chief of the insular bureau. Both expressed themselves well satisfied with the church conditions in the Philippines.

Sioux City, Ia., Nov. 14.—The South Dakota Soldiers' Home board, after investigation, finds Commandant Lucas, of the home at Hot Springs, not guilty of the charge that he embezzled funds of deceased soldiers. The minority, however, concludes: "We believe the evidence is of sufficient bearing to induce us to request the resignation of Colonel Lucas."

Princeton, N. J., Nov. 14.—The annual intercollegiate gun shoot, held this afternoon on Princeton's grounds, was won by Yale with a score of 206. Harvard was second, with 205; Princeton, third, 204, and Pennsylvania last, 176. P. Archer, of the Princeton team, won the individual championship, killing forty-seven birds out of a possible fifty, which broke the former record of forty-six.

Washington, Nov. 14.—Mail advices from Venezuela show the government now treats the revolution as having been crushed. President Castro has issued a proclamation reciting the recent government victories and concluding: "The God of Nations has crowned our just and patriotic efforts, and the peace of Venezuela, the doorway of her aggrandizement and prosperity, is an evident fact."

Denver, Nov. 14.—Receivership proceedings against the Colorado Sugar Manufacturing company at Grand Junction, the first company to manufacture beet sugar in Colorado, were filed today. The purpose of the suit is to straighten out the finances and resume operations. The plaintiff is the International Trust company, which is trustee under a \$400,000 mortgage. The plant has been idle for two seasons.

Chicago, Nov. 14.—Seven firemen narrowly escaped death tonight while rescuing two comrades who had been knocked unconscious by an explosion, caused by a fire on the thirteenth floor of the Royal Insurance building. They descended a stairway with the prostrate

forms a second explosion threw the rescuers headlong to the next landing. All were seriously burned.

Harrisburg, Nov. 14.—The official returns of the recent election, just compiled, show that Pennypacker, Republican, had a plurality over Fattison, Democrat, of 156,410.

Caracas, Nov. 14.—General Bello Rodriguez, formerly a cabinet minister and who has been one of the leaders of the revolution in Venezuela, has offered to surrender to the government.

St. Louis, Nov. 14.—Bishop Janssen, of the Catholic diocese of Belleville, Ill., has resigned his bishopric and as soon as he is released by the pope will retire to a monastery to end his days in seclusion.

Washington, Nov. 14.—Ambassador Choate has cabled the state department that Harry S. Bishop, wanted in Duquesne, Pa., on the charge of embezzlement, has been delivered into the custody of an officer from the United States, who sailed with his prisoner yesterday.

Sandringham, Eng., Nov. 14.—A theatrical performance given tonight at Sandringham House was the crowning event of the German emperor's visit to England. The handsome ball room was converted into a theatre and special scenery was painted for the occasion. Sir Henry Irving and his company came from Belfast, Ireland, and Arthur Boucher's company from London.

HIGHER PAY FOR 40,000 MORE.

Pennsylvania Road Now Raises Wages on Lines West of Pittsburg.

Pittsburg, Nov. 14.—The Pennsylvania lines today increased the wages of their 40,000 employes west of Pittsburg 10 per cent.

Kansas City, Mo., Nov. 14.—The Burlington railway posted notices today making a new wage scale as agreed upon between the general managers of the railroads and the switchmen at Chicago. It is effective tomorrow. Eight hundred Kansas City men will get the advance, the switchmen an increase of three cents and the foremen of four cents an hour.

IRON MOUNTAIN MAN IN JAIL.

Nels Erickson Arrested on the Charge of Murdering His Father.

Iron Mountain, Mich., Nov. 14.—Nels Erickson, son of John Erickson, whose body was found in the woods near Norway, was arrested today, charged with murder. Erickson, the older, disappeared last May. When his body was found Wednesday night, there were two bullet holes in the head and the skull showed it had been clubbed. He had \$1,800 on his person when last seen alive. Nels Erickson has lived here since his father disappeared, and it is said he had plenty of money since then. A gun found near the body was identified as belonging to the son, who claims he is innocent.

BURGLARS TERRORIZE OHIO TOWN.

Marshal Is Shot and One of the Outlaws Slain by Citizen.

Elyria, O., Nov. 14.—Four burglars held up and seriously shot Chief Marshal Krohn here at an early hour this morning. Subsequently the burglars attempted to rob the house of W. J. Hiller. The latter, awakened, opened fire on the quartet. One of the robbers was killed, and the remaining three made their escape. The "dead robber's" head was blown almost completely off. The town marshal was shot through the hip. The gang stole horses and rigs, entered several houses and shot recklessly in a wild charge down the main street, preliminary to their flight with the marshal.

TWO-CENT POSTAGE TO EUROPE.

Washington Authorities Working to Secure a Reduction in Rates.

Washington, Nov. 14.—A radical reduction in the postage rates on the mails to the leading nations of Europe will be urged by Postmaster General Payne. It is confidently expected, in case the project is carried through, that our foreign trade will be greatly stimulated. It is believed the nations who are to be approached will readily give their acquiescence. The present rate is five cents per half ounce on letters to foreign countries, save Canada and Mexico, between which and this country the same postage rates are applied as are imposed on mail within this country. It is proposed to put England, Germany and France on the same footing.

CREED REVISION WILL CARRY.

Pittsburg, Nov. 14.—Information has been received in Pittsburg that 110 presbyteries of the Presbyterian church have voted in favor of revision of the creed. It is a solid vote so far as one way, and is almost one-half of the total number of presbyteries. It will require but fifty more presbyteries to put the plan through. Letters of appeal are coming to the Pittsburg presbytery not to mar the harmony.

REICHSTAG TO VOTE BY CARD.

Berlin, Nov. 14.—The reichstag today, 107 to 78, decided to abandon voting by roll call and adopted the method of voting by card, similar to the practice of the French chamber of deputies. The new plan was put into effect immediately and found to greatly facilitate business. The adoption of the new voting rule has taken from the tariff obstructionists their principal weapon.

PRISON FOR A MILLIONAIRE.

Columbia, Mo., Nov. 14.—The jury in the case of Colonel Ed Butler, the millionaire politician of St. Louis, today returned a verdict of guilty on the charge of attempted bribery. The penalty is three years in the penitentiary.

FORECAST OF THE WEATHER.

Washington, Nov. 14.—The following is the weather bureau's forecast for Upper Michigan: Snow or rain, Saturday and Sunday; fresh northwest winds.

Shut your eyes, open your mouth and see what luck will bring you.

The mother smiles at the childish game and doesn't realize that it is a game she as a woman has perhaps played for a great many years.

Many a woman is weak and sick, nervous and discouraged. She suffers from headache, backache and other ills. She wants to be well, but all she does is to shut her eyes

fact that it cures women's ills. It cures irregularity. It dries debilitating drains. It heals inflammation and ulceration and cures female weakness. There is no trusting to luck by those who use

"Favorite Prescription."

"My disease was displacement and ulceration of the uterus, and I was in a terrible condition with pain and weakness and had given up all hopes of ever being well again."

Dr. Pierce's Pleasant Pellets clear the muddy complexion.

Issued daily except on Sundays. Contains Associated Press dispatches and is especially devoted to the Upper Peninsula interests.

SUBSCRIPTION RATES: Per month, by carrier, \$4.00; Per year, by mail, \$40.00.

MARQUETTE, MICH., NOV. 15.

Entered as mail matter of the second class in the postoffice at Marquette, Mich.

Marquette has just finished a busy season of street work. The activity in this department has never been greater, nor have the streets of the city, as a whole, ever been in better condition than now.

The board of arbitration took an eminently sensible view of the case when it decided that Escanaba, in event of Ishpeming refusing to play on a neutral ground, must go to the Hemetite City for the upper peninsula championship game or forfeit all claims to that title.

If the weather that has prevailed during the past few days is a sample of that which is going to be characteristic of the entire deer season the game stands a good chance to escape much more lightly than is usually the case.

It would appear that the worst of the smash in the speculative market is over, and that there should now be a steady, if very slow, improvement.

Nothing Tastes Good

And eating is simply perfunctory—done because it must be. This is the common complaint of the dyspeptic.

If eating sparingly would cure dyspepsia, few would suffer from it long.

The only way to cure dyspepsia, which is difficult digestion, is to give vigor and tone to the stomach and the whole digestive system.

Hood's Sarsaparilla cured the niece of Frank Fay, 106 N. St., South Boston, Mass., who writes that she had been a great sufferer from dyspepsia for six years.

Hood's Sarsaparilla

Promises to cure and keeps the promise. Don't wait till you are worse, but buy a bottle today.

undisturbed prosperity and the leaders were willing to see another shake out of the little men, who are the principal mourners at the late sad developments.

The Cleveland Iron Trade Review says of the ore situation: A report from Detroit that certain ore shippers in Cleveland were ready to make season contracts for shipping ore for 1903 on the basis of 75 cents from ports at the head of Lake Superior had no foundation so far, at least, as the leading shippers are concerned.

The attention of the football world will be largely directed toward Minneapolis, where the Universities of Minnesota and Wisconsin will fight out their annual fight, in a battle of first rate importance, the result of which will have an important championship bearing.

Michigan's greatest Sunday newspaper, beautiful color effects, high class miscellany, special articles, latest news, magnificent illustrations, etc.; 5 cents a copy.

Breaking into a blazing home, some firemen lately dragged the sleeping inmates from death. Fanned security, and death near. It's that way when you neglect coughs and colds. Don't do it.

L'Anse and Baraga

Attorney Charles F. Button of Marquette was at the county seat Tuesday on legal business.

Harvey Selden of L'Anse is on the sick list, with a bad case of erysipelas, resulting from a cold.

Mrs. H. Chappel of Marquette is a guest of her mother, Mrs. Beecher, at L'Anse for a few days.

Ira A. Randall of Houghton was at the county seat yesterday, looking after some abstract matter.

Prosper Roberts has his portable saw mill running at Huron Bay, and is nicely settled for a good winter's run.

The ladies of the M. E. church at L'Anse will hold an oyster supper at the town hall Thursday evening next, the 20th.

There Thoreson and Cashara Soli of Pequaming, also Christian and Nora A. Nelson of the same place, were married this week.

William Crebassa has started a cedar camp in the vicinity of the Indian pinery, near L'Anse, where he is getting out poles and some hemlock logs.

Michael Cullinane came down from the copper country Tuesday for a few days' visit with his parents at L'Anse. He shot two deer Wednesday, within a mile of town.

Peter E. Ruppe of Calumet, Dean Robinson of Chassel and W. M. Hunter of Hancock spent three days deer hunting at the Graphite mine this week. They got six deer between them.

The mild and rainy weather the past week has been favorable to the deer in this vicinity. Although there are over a hundred hunters in the woods in the neighborhood there has not been over thirty deer brought in yet.

SOMETHING FOR NOTHING.

If any of our readers are troubled with constipation, biliousness, sick headache or indigestion cut out this notice, and present it at the People's Drug Store and they will supply you with a sample bottle of Re-Go Tonic Laxative Syrup free. Re-Go is a sure cure for these diseases.

ONE MINUTE COUGH CURE

Is the only harmless cough cure that gives quick relief. Cures Coughs, Colds, Croup, Bronchitis, Whooping Cough, Pneumonia, Asthma, LaGrippe and all Throat, Chest and Lung troubles. Get soaked by rain, says Gertrude E. Fenner, Muncie, Ind., and contracted a severe cold and cough. I failed rapidly; lost 48 pounds. My druggist recommended One Minute Cough Cure. The first bottle brought relief; several cured me. I am back to my old weight, 148 pounds. One Minute Cough Cure cuts down on inflammation, cures cough. An ideal remedy for children. H. Harwood, Ishpeming; Stafford Drug Co., Marquette.

HANCOCK FEELS A SHOCK.

Another Mysterious Air Blast in Old Workings at the Quincy.

Another air blast was felt by Hancock people about 11 o'clock Thursday night. The shock, however, was not so sudden or pronounced as the one felt in both Hancock and Houghton a few evenings before. It was more prolonged and just about hard enough to be noticed. The blast occurred in the forty-third level in the old workings at the Quincy north of No. 2 shaft. There was no one in any danger of injury, as the nearest miner was several hundred feet distant. The shock was more apparent on the surface than underground. Air blasts will be the topic for discussion at a regular meeting of the Copper Country Engineering society to be held at Hubbell Hall, at the College of Mines, this evening.

STARTLING, BUT TRUE.

"If every one knew what a grand medicine Dr. King's New Life Pills is," writes D. H. Turner, Dempseytown, Pa., "you'd sell all you have in a day. Two weeks' use has made a new man of me." Infallible for constipation, stomach and liver troubles. 25 cents at Stafford's drug store.

COAL FAMINE ENDED HERE.

Calumet will not have to face a coal famine this winter. Paul Roehm will receive his fourth cargo of anthracite tomorrow. It comes on the steamer City of Rome from the Delaware & Lehigh water company, and contains 3,000 tons. The boat will be unloaded at the docks of the Portage Coal & Dock Co., where the coal will be immediately loaded into cars and shipped to Calumet. Mr. Roehm's third cargo, brought by the steamer Nelson Bloom, has just been unloaded at the Mineral Range docks at Hancock. Since the settlement of the coal strike, Mr. Roehm, who has been the most fortunate of the copper country coal dealers, has received eight thousand tons of coal. There will be enough fuel to supply all unfilled orders in the copper country metropolis. The coal famine has already been greatly alleviated in the Portage Lake and Torch Lake districts, and the balance of the copper country. The Hancock Fuel & Supply Co., the M. Van Orden company, of Houghton, J. J. Eshier, of Lake Linden, and other dealers have enough coal coming to supply almost everyone who wants it.

"Let the GOLD DUST twins do your work."

It is a woman's best friend when wash day comes around. It makes the clothes sweet and clean. Takes only half the time and half the labor of soap. Just follow directions on wrapper. Made only by THE N. K. FAIRBANK COMPANY, Chicago, New York, Boston, St. Louis. Makers of OVAL FAIRY SOAP.

5% PER MONTH GUARANTEED ON PAR VALUE WHEN MILLS COMPLETED.

Two per cent. guaranteed on the investment regularly until the 15th of every month until the mill is completed. Next dividend will be paid November 15th by the CALIFORNIA-NEVADA MINING CO. from the sale of high-grade ore taken from the mines while prosecuting development work. Small block of treasury stock to build a mill at \$50 Per Share, par value \$100. This is the best investment on the market, and will stand the most rigid investigation. Price will soon be advanced. Write for prospectus to W. H. BALDWIN & CO., Brokers, 10-17-1st Volckert Building, Albany, N. Y.

ACTION ON OFFER POSTPONED.

Lake Linden Council Discusses the Light and Water Proposition.

The special meeting held by the Lake Linden council Thursday evening to discuss the Houghton County Electric Light company's offer to furnish light and water was largely attended by citizens. The proposition was talked over pro and con, and many expressions of opinion were heard. A. W. Leonard, superintendent of the company, was present with figures to show that his proposition was liberal and that it had been made for the interests of the municipality. No action was taken by the council, the matter going over until Nov. 28. The councilmen are not inclined to hurry their action, desiring to give Lake Linden people plenty of time to express themselves. The company's proposition is considered fair and at Thursday evening's meeting it developed that the statement that Lake Linden men were willing to finance a municipal plant, is untrue. The electric light company offers to pump water for \$280 per month and to furnish the light for \$104, a total of \$384. It is estimated that Lake Linden uses at the most four and a half million gallons of water a month. The amount figured on by the company in making its rate was five million gallons. It offers to deduct from the cost, pro rata, anything less than that. Lake Linden members of the council and others who have looked into the cost of establishing municipal plants, figure that \$43,400 is the cheapest price a plant can be put in for. At that rate it would cost the village seven and a half cents per thousand at the switchboard to put out the electric current. At the rate the company offers, the current is sent out at four and a half cents.

The electric light company, which has served the village in the past, now offers the service for about a hundred dollars a month cheaper than the village has been paying for it. Because of that, some Lake Lindenites are of the opinion the company has always been paid \$100 too much, instead of looking upon the reduction as a saving of that amount. Mr. Leonard declares it a saving, as it would cost the village considerably more than \$100 per month to pump its own water and furnish its own light, and it was along those lines that he talked Thursday evening.

LOOKING FOR COUNTERFEITERS.

The secret service is endeavoring to locate the headquarters of a gang of counterfeiters who have been making and circulating spurious half-dollars and quarters in some of our large eastern cities. When caught they will be given the full extent of the law, the same as should be done with the unscrupulous dealer who puts up an imitation article and sells it for the genuine Hostetter's Stomach Bitters, claiming it is "just as good." Don't believe him. His medicine has not the record of cures back of it that the genuine Bitters has. Insist on having the genuine with our Private Stamp over the neck of the bottle. It will positively cure nausea, headache, heartburn, indigestion, dyspepsia and malaria. Try it and be convinced.

COPPERDOM BREVITIES.

Thomas Rice shot a large deer in his father's yard at Redridge one day this week. Storm signals were displayed yesterday for high and dangerous northeast winds all along Lake Superior. Frank Borrow of Telluride, Colo., and C. H. Withernoon of western Australia are visiting the mines at Calumet. The Calumet fire departments will be represented by indoor baseball teams this year and a movement is now under way to form a league.

Mary Kovak, an insane woman from the Centennial mine location, will be taken to Newberry by Sheriff Willis the fore part of next week.

The Hancock Fuel & Supply company will receive a cargo of hard coal on the steamer Merrimac tomorrow. The boat will be unloaded at the Portage Coal & Dock company's new docks.

While supervising some work in his yard, Contractor Paul P. Roehm slipped and broke his left leg near the ankle. Mr. Roehm will be confined to his home for about two months.

Albert Langdon, a Baltic miner, and Miss Lily Polglase, daughter of John Polglase of the Quincy, were married at the home of the bride's parents Thursday evening. Rev. James Pascoe officiated.

The Lake Linden High school football team will meet an eleven from Atlantic at Lake Linden this afternoon. Lake Linden has improved considerably since its defeat by Calumet last Saturday, and expects to win today.

John F. Ryan, a popular clerk at North's store at the Quincy location, and Miss Bessie Wallis, also of the Quincy, were married at the parsonage of St. Patrick's church, in Hancock, by Rev. Father Swift Wednesday evening.

The dispute between the village of Hancock and the Quincy Mining company over the ownership of the old Hancock tramroad in West Hancock, which has been used for a number of years, will be settled by a friendly suit.

While the thermometer registered thirty-four degrees at Houghton yesterday, it stood sixty-eight at Memphis. People at the latter place were enjoying some of the best weather of the year, while a heavy, wet snow made things disagreeable in copperdom in the morning.

Cornered and stricken with fear, a large buck leaped into Lake Superior at Beacon Hill on the St. Ignace Range. Men working on the lake shore put out in a small boat and succeeded in lassoing the quarry. The deer was apparently injured seriously, and his captors released him, seemingly to die. However, as soon

as the rope was removed from his neck, the deer bounded away into the woods, much to the surprise and disappointment of the men.

A large attendance is expected at the Finnish mass meeting to be held in the St. Patrick hall at Hancock tomorrow afternoon. The purpose of the gathering is to devise ways and means to help relieve the suffering which threatens the people of Finland, owing to the failure of their crops.

A. Burlovitz of Calumet, who was arrested for a violation of the truancy act in not seeing that his thirteen-year-old son attended school regularly, decided to pay the fine imposed upon him by Justice Fisher. He also promised to send his boy to school regularly hereafter.

The promenade given by the Houghton Light Infantry at the Armory last evening was one of the most enjoyable yet held. The dancing continued until 1 o'clock instead of eleven, as heretofore. The enlarged hall was much appreciated by the guests, who were furnished by the Calumet & Hecla orchestra.

A religious work conference will be held at the Calumet Y. M. C. A. this evening. It will be conducted by Phil Devis, general secretary of the Duluth Y. M. C. A. The Christian men of the community are invited to attend. A dinner will be served at the Y. M. C. A. at 7 o'clock and it will be followed by a program of addresses bearing on the work of the association.

Tom Welsh of Chicago, who is on the road for a hat house, is a business visitor in the copper country. Mr. Welsh and E. C. Griffen, general agent of the Northwestern road at Houghton, greatly resemble each other, so much so that many have noticed it. They met at Houghton the other day and although neither had ever seen the other, though having been informed of the striking resemblance, they "spotted" each other and shook hands.

BEWARE OF OINTMENTS FOR CATARRH THAT CONTAIN MERCURY as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescription from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

Sold by druggists, price 75 cents per bottle. Hall's Family Pills are the best.

MINING NEWS

The Winona is nearly ready for a mill test of its rock, which will be made at the Atlantic mill just as soon as the Champion gives up the head it is now using there. The Copper Range will commence hauling Baltic rock from the mine to the mill next week. The necessary spurs, which were built during the summer for that purpose, are now ready. Since the Baltic became a producer its rock has been hauled by the Atlantic & Lake Superior electric road owned by the Atlantic Mining company.

The Isle Royale confines work to No. 2 shaft, the daily production amounting to about 500 tons of rock. Twenty power drills are in commission and two drifts are opening. Little improvement in the character of the rock is noted, the mineral yield being slightly over one per cent, about the same as it always has been.

It is rumored that Fred Woodbury, now with the Whiting people at Corliss, Wis., is slated for the superintendency of the Quincy mine by the Eastern management. The report has been current in Hancock for some time. Mr. Woodbury was formerly in charge of the experimental work at the Calumet & Hecla stamp mills and previous to that was engaged at the mines and mills in other capacities. The mine is now in the capable charge of J. J. Harris, son of Captain S. B. Harris, who resigned last spring. The report that John MacNaughton, superintendent of rockhouses at the Calumet & Hecla mine and brother of Superintendent James MacNaughton, was slated for the Quincy superintendency, is without foundation. The report that Mr. Woodbury will receive the appointment is generally given credence.

W. J. Smith, son of Fred Smith, superintendent of the Mohawk and Wolverine mines, has been appointed assistant superintendent of those properties. He is a graduate of Michigan College of Mines, class of '99, and since his graduation has been engineer at the mines.

According to figures announced at New York yesterday, the production of copper during the month of October was 25,252 tons, compared with 24,998 tons for the corresponding month of last year. The production for the first ten months of this year was 244,533 tons, against 223,724 for the same period in 1901.

At London yesterday, copper was 2s. 6d. lower, with spot at 251, 7s. 6d. and futures at 251, 12s. 6d. The New York market was unchanged with the exception of standard, which was quoted at 10.75c. nominal. Lake remained unchanged at 11.50c @ 11.70c, and both electrolytic and castings were 11.20 @ 11.50c.

ENVIROUS OF HANCOCK'S ASPHALT

At the last meeting of the Houghton common council, the councilmen discussed street paving. It was unanimously agreed that the condition of Sheldon street is as bad as it can possibly be and that steps should be taken next spring to improve it. At present the village exchequer is empty, and money for such an improvement is not in sight, nevertheless strenuous means will be

taken to get the funds to do the work. The special assessment plan will likely be tried, but that will be up to the property owners. Houghton is rather envious of Hancock's asphalt thoroughfare.

LAKES THE TOP NOTCHERS.

The seventh series of games played by teams of the Houghton County Bowling association Thursday evening resulted as follows: The Lakes won three straight games from the Mitchells at Lake Linden; the Calumets defeated the Lauriums, two of three, at Laurium, and the Red Jackets won three straight from the Harrolds at Red Jacket. The games scheduled to be played by the Lindens and Dritters were postponed. So far the Calumets, Red Jackets, Harrolds and Mitchells have played the full number of games—twenty-one; the Lakes and Lauriums have each played eighteen; while the Lindens and Dritters have each played fifteen. The standing of the teams in their order is as follows: Lakes, won thirteen games and lost five; Calumets, won thirteen and lost eight; Mitchells, won eleven and lost ten; Lauriums, won nine and lost ten; Dritters, won eight and lost seven; Lindens, won eight and lost seven; Red Jackets, won seven and lost thirteen, and Harrolds, won seven and lost fourteen. The Dritters and Lindens are tied for fifth place.

WHEN YOUR COSTLY WATCH

is out of order you have it regulated, you don't at once throw it aside. Why, then, when your bowels are out of order, do you treat them as useless? That is precisely what it means to take violent cathartics. They do not regulate the bowels, but take their work away from them, debilitate them, and make you more constipated than ever. You had far better throw away your good watch than treat your bowels roughly. You can get another watch, but you cannot renew your intestines. The only cure for Constipation is a gentle laxative with tonic action.

Croze dock. Both she and the Ethel J. will winter here, coming down as soon as the repairs are finished.

The Oriental Order of Humility, No. 1117, will give a social dance in the A. O. U. W. Hall Thursday evening, Nov. 20. The tickets will be twenty-five cents each.

Professor Kluge is among the successful hunters to return from the woods this week. He bagged one deer, a number of partridges and one spruce-hen. He was in camp about six miles from Michigamme.

The South Shore announces that low excursion fares to the hunting resorts east of Marquette will be in effect every Sunday during the deer season. The rates to the various stations are given in another column.

The Presque Isle, for Ashtabula, was the only carrier to clear yesterday. She was loaded at the L. S. & L. dock. The Pioneer and Chattanooga arrived, and the steamer Marshall Butters came in for shelter.

Outside work was suspended about the city yesterday. The business men say that trade has been unusually quiet the past few days, the incessant rain keeping people at home. Downtown streets were almost deserted.

The hearing of the forger Murphy, who passed a forged check for \$25 in Stirling & Co.'s store Thursday evening, was postponed yesterday, the officers being busy trying to run down a pal of his who may be implicated in the crime.

Beginning next Tuesday evening the balance of the old Bracher stock will be sold at auction in Bracher's former stand in Washington street. J. N. Williams will conduct the sale, which will be in progress each evening until the end of the week.

Clarence Ongman gave the second of his lectures at the Swedish Lutheran church last evening, speaking on "Sweden, the land of the Midnight Sun." He left a favorable impression with those who heard him, and may be assured of good audiences when he visits Marquette again.

The Champion Juniors explain that it is the Marquette Juniors that they will meet in a football game at their town, on the afternoon of Thanksgiving day. It was through a misunderstanding that the name of the Light Infantry was used in connection with the contest. There will be excursion rates from Marquette to Champion for the game.

Yesterday was another bad day for the hunters. There was practically no movement from the woods to town, or vice versa, but the few hunters who did get in said that the woods were drowned out and that everyone was lying low, waiting for more favorable hunting weather. They reported that the killing this week, while considerable, was by no means up to the average, although there is lots of game to be had as soon as the conditions become favorable for running it down.

Marquette people have been attempting to pick up all the loose stock of the Lake Superior & Arizona Mining company which they can get their hands on. Within the last few days it has become known about town that a number of Marquette capitalists were quietly trying to get hold of as much of the stock of the company as possible. The fact that most of the stock of the company is held in esrow and that what little is in hands which might be induced to sell for a good figure makes the stock difficult to obtain. It is reported that the demand from Marquette for stock in the company comes from people who have been investigating the conditions at the property. It is said that a Marquette engineer recently visited the mine and that the demand for stock is the result of his opinion on the prospects of the future.—Houghton Daily Mining Gazette.

FROM FOUR STATES.

Testimony to the Efficacy of the New Scientific Dandruff Treatment.

James C. Rowe, Livingston, Mont.: "Herpicide cured my dandruff and stopped my falling hair."

Orange McCombs, St. Anthony, Idaho: "Herpicide cleaned my scalp of dandruff and made my hair soft as silk and glossy."

W. H. Otis, barber, Champaign, Ill.: "I used Herpicide on one customer for dandruff and on another for falling hair with excellent results."

F. W. Woody (assistant postmaster), Champaign, Ill.: "Herpicide completely stopped my falling hair."

J. J. Bentley, Sheridan, Wyo.: "Herpicide excellent for cleaning the scalp."

I live and let my brethren live
With all that's good with me.
Unto the poor, some cash I give,
The balance I give Rocky Mountain Tea.

\$60,000 WORTH OF DRY GOODS

THIS IMMENSE STOCK OF GOODS

Is shown by the well known A. T. Van Alstyn Dry Goods Co. and comprises one of the best selected and well assorted stocks to be found in any city of five times the size of Marquette. A large portion of our stock is purchased from first hands and shows a saving in prices of at least ten per cent., and, while our business is double that of any other house, our expenses are little, if any, more than other firms. Our rent is the lowest of any firm in Marquette. We occupy two entire floors, three stores wide, and a part of the third floor, thus affording the greatest opportunity to display our goods. Our store is the lightest, cleanest and best kept of any store in Northern Michigan. This may seem of little importance to buyers, but what is true of our salesrooms is also true of our goods. We never have plunder or shop-worn goods. The first sign of goods not selling is notice to us to make them move and the price is cut into at once. This gives us an opportunity to buy every new and desirable article that may be offered.

Advertisements count for little unless you can back them up with facts. It is a known fact that there is only one really modern store in Marquette county. We say it without conceit; it is simply a fact.

WHAT WE WANT TO IMPRESS ON YOUR MIND IS:

That we sell better goods than is usually kept in other stores and that our prices are lower for the same quality than is asked by other stores. We do not mean on every little article kept in a dry goods store, for many staples are the same price the world over, but our prices as a whole are much less. More than this, our house coming to Marquette has reduced the selling price of dry goods and carpets 25 per cent. below what they were before we came, and you owe it to yourself to keep such an establishment in the city. A store employing thirty people is surely a benefit to any city. Give it your loyal support and at the same time save money for yourself.

STAFFORD DRUG CO., Marquette.

He Was Surprised

"I never knew that such clothes could be bought ready-to-wear," said a prominent citizen yesterday. "It is a revelation to me. Of course I have heard dealers claim that their goods equaled the best tailor-made, and several times I have investigated their claims only to be disappointed. This K. N. & F. clothing surpasses any I have ever seen."

This compliment is only one of many concerning our K. N. & F. Co. garments. They are a new feature in the clothing world, possessing that stylish elegance which only the cleverest tailors can impart to their work.

MRS. I. LALLERSTEDT.

"I know they cure for I have tried them."

I have no words strong enough to praise DR. IMAN'S DYSPEPSIA TABLETS. I was confined to my bed with Gastric Dyspepsia and could take no food except a very little milk. I had four different doctors but they could not help me, and at last I was advised to take Dr. Iman's Dyspepsia Tablets.

I know they saved my life and I am now able to eat a hearty meal. Hoping that this testimonial may help any who are suffering as I was, I remain

Yours very truly,
Port Huron, Mich.

We have One Thousand Dollars (\$1,000) to prove that this testimonial is genuine and will furnish name on application.

THE IMAN MEDICINE CO., Grand Rapids, Mich.

People's Drug Store, Marquette. City Drug Store, Ishpeping.
Werner Nikander, Negaunee.

Ishpeping and its Environs.

BALL AND RECEPTION.

Ishpepingites Intend to Extend Heartily Welcome to Escanaba People.

If the Escanaba football team plays here next Saturday the players and their friends need have no fear of insult or abuse. There is a movement on foot to arrange a big reception and ball for them, provided their special train is held over until late in the evening. There is no desire on the part of anyone here to deprive the pleasure of the Escanaba people's visit, but, on the contrary, the city and school authorities will do everything possible to assure them courteous treatment.

The officials who served at last Saturday's contest will be in charge of the next game, if they are acceptable to Escanaba. There will be no interference with the playing of either team, and Ishpeping people on the side lines will be asked to avoid wrangling and heated discussions with the supporters of the visiting team. What Ishpeping people want is to see the best team win, and, if possible, to end the good feeling which formerly existed between the two cities.

SINGERS' UNION TO MEET.

A delegation of Finns from the copper country is expected here Sunday, Nov. 23, to arrange for a meeting of the Northern Michigan Singers' union some time during the winter. President Chas. O. Jaekala and Prof. S. Mustonen, musical director, both of Calumet, will be in the party and they will confer with the local people interested. For three years annual meetings were held, but for some reason they have been given up during the past two seasons. The meetings were held here, at Hancock and at Calumet and were very enjoyable occasions, both for those who participated and for the general public. It is the desire to revive the annual gatherings that has led to the proposed meeting of the officials. George Skogberg is vice president of the organization and Werner Nikander of Negaunee treasurer.

ON MAIN STREET HILL.

Citizen Suggests that a Railing Is Needed on This Thoroughfare.

A resident of Strawberry hill sends the following communication in which he suggests that the council would do well to provide a railing on the Main street hill to The Mining Journal:

"If the city administration wishes to do something really useful, instead of simply spectacular, it might be suggested that a railing be extended the length of Main street hill, on one side of the street, for the protection of pedestrians. No one ever heard of a person falling off the little hill on North Pine street, while there is hardly a person who has occasion to go up or down Main street hill daily, who, in the course of the winter, does not have at least one had fall, thereby rendering himself liable to severe injuries and the city to substantial damages. By publishing my suggestion I am certain you will voice the sentiment of hundreds who have to use the hill."

RAIN INTERRUPTS WORK.

The sisters arrived and began work on the Methodist church Monday, but the unfavorable weather of the past few days has delayed them so that only the tower has been covered. The roof is all on, and a few days of fair weather would be sufficient for the completion of the wiring.

The electricians began the work of slating the building Monday. After that is done the walls and ceiling will be ready for the lath.

TO GO ON THE ROAD.

J. E. Buchholtz has accepted a position as traveling agent for the upper peninsula for the Badger Candy company of Milwaukee.

Mr. Buchholtz's candy store will be conducted by his wife, and the restaurant by Mrs. Thomas Miller of Marquette. Mrs. Miller is a sister of Ferguson brothers, lumbermen, and has had an experience in the restaurant business that fully qualifies her for the work.

PUPILS' RECITAL.

The music pupils of Mrs. George Voelker gave a recital at the residence of Mr. and Mrs. T. F. Donahue Thursday evening. Nearly all of Mrs. Voelker's pupils and a number of invited guests, about forty in all, were present. The program consisted of a number of vocal and instrumental selections. The numbers were all exceedingly well rendered, showing careful training by a competent instructor.

LUCK IN THIRTEEN.

By sending 13 miles Wm. Spirey, of Walton Furnace, Vt., got a box of Buckle's America Salve, which cured a horrible Fever sore on his leg. Nothing else could. Positively cures Bruises, Felons, Ulcers, Eruptions, Boils, Burns, Corns and Piles. Only 25 cents. Guaranteed by Stafford, druggist.

ISHPEMING IN BRIEF.

J. Goldman was here from Bessemer Thursday.

Trombly's orchestra will give a hop Wednesday evening at Anderson's Hall.

Professor J. R. Hold, of Chicago, will sing at the Swedish M. E. church Sunday morning.

The Tourist club will give a hop at Union Hall Thursday night. The charge will be fifty cents per couple, including refreshments.

A turkey shoot will be held at the Lake Angeline location Thanksgiving day. A large number of fine birds have been secured.

Simon Wahlman has returned from Camp Nine. He was ill during the greater part of his absence, and so was not able to bag any deer.

The Lady Foresters of the local lodge went over to Negaunee on a special car this week and surprised the members of the sister lodge there.

Dr. W. C. Conley and wife have changed their place of residence from the Donahue house on Red street to the Jaedecke home, directly across the street.

Drs. Feleh, Vandeventer, J. H. Andrus, M. D. Kane and W. S. Picotte attended the meeting of physicians at Marquette yesterday and assisted in the organization of the County Medical society.

The Remillard-Trombly case was argued again before Justice Kennedy yesterday afternoon. Attorney Crocker devoted an hour and a half to his plea for the plaintiff. The judge reserved his decision.

Professor Roche of Grand Rapids, who will organize classes in physical culture here next week, will meet the ladies Wednesday afternoon and the men Wednesday evening at the rooms he has secured in the second floor of the Voelker block. He will explain his work and give an exhibition of bag punching and other athletic exercises.

FORMER ISHPEMING BOY HONORED

Charles Sturtevant, son of H. B. Sturtevant, formerly of this place, but for the past two years a resident of St. Louis, Mo., was recently elected president of the classes of the St. Louis high school. A recent issue of the St. Louis Dispatch published a half tone cut of the young man and gave him a very flattering mention, stating that last year he was center on the high school football team and earned the reputation of being the best center in the scholastic league. Sturtevant will be graduated in 1903.

RHEUMATISM Can Now Be Cured.

A Scientific Discovery.

It is now possible to be cured of any form of rheumatism without having your stomach turned up-side down or being half choked to death and made to vomit, and every sufferer from rheumatism should welcome this new and marvelous discovery with open arms and give it an honest trial.

As you know if you've tried them, every so-called rheumatic remedy on the market today, except this genuine cure, will cause you violent stomachic and vomiting, and some of them are so dangerous they will cause heart trouble. And the worst of it is they never cure. When a person has rheumatism the constitution is so run down that he should be very careful what he puts into his stomach.

It therefore gives me pleasure to present a remedy that will cure every form and variety of rheumatism without one single unpleasant feeling. That remedy is "GLORIA TONIC."

Before I decided to tell the world about the discovery of "Gloria Tonic" I had it tried on hospital patients, also on old and crippled persons with perfect success, and in thousands of instances it cured persons whom hospitals and noted physicians failed to cure. No matter what your form of rheumatism is—acute, chronic muscular, inflammatory, deformant, sciatic, neuralgic, neuralgic, etc., "Gloria Tonic" will surely cure you. Do not mind if other remedies have failed you, nor mind if doctors say you are incurable. Mind no one but try this remedy sure. "Gloria Tonic" will stop those aches and pains, those inflammations and deformities and cure you so that life will again be worth living.

There is no mystery about the remedy—it is a combination of blood-purifying ingredients, which alter the uric acid, either in its other words banish the poisons causing rheumatism, from the system.

It is put up in tablet form and sells at all drug stores at \$1.00 and \$2.50 a package. The large size package is equal to five one dollar size packages. Do not be skeptical about this remedy; remember that it has cured hundreds of thousands of persons and it will surely cure you. Accept no substitutes. Send direct to me in case your druggist hasn't got it or won't set it. Remember that Gloria Tonic is the only remedy known which will cure rheumatism permanently.

Big illustrated book on rheumatism which will tell you all about Gloria Tonic mailed free. Address: JOHN A. SMITH, 624 Germania Bldg., Milwaukee, Wis.

We Bring

A CURE FOR INDIGESTION

Kodol

Your Dealer Can Supply You.

Bottles only. Regular Size \$1.00, holding 7 1/2 times as much as the trial size which sells for 50 cents.

Prepared only by E. C. DeWITT & CO., Sole Proprietors, Chicago.

I suffered thirty years with a complication of diseases. I lost all health and strength, and forty pounds in weight. Kodol has cured me. Under its use I have been restored to perfect health and strength and have regained my lost weight. I recommend Kodol to all suffering women.

Mrs. MARY E. ROBERTS Woburn, Ill.

For several years I suffered constantly from indigestion and after using three or four so-called cures, I tried Kodol Dyspepsia Cure. Four bottles cured me and I am to-day sound and well. I always carry a bottle of Kodol with me, but have had no occasion to use same not having had a touch of indigestion in about two years. W. P. LAMBERT, Traveling Salesman for Kahn Bros., Louisville, Ky.

When it was discovered that Kodol digests all classes of food, its great value in the treatment of indigestion and the many disorders arising therefrom was instantly recognized. Previous to the discovery of Kodol it was impossible for even the most skilled physician to treat Dyspepsia with any degree of certainty as to the results, due to the fact that Pepsin and all digestants hitherto known, digest certain classes of food only, while Kodol digests them all.

Kodol represents the active principle of Pepsin, Pancreatin, Ptyalin, Trypsin and all the acids of digestion as they exist in a healthy stomach, happily combined with the greatest known tonic and reconstructive properties. Kodol supplies the gastric glands with a healthy quantity of the digestive juices, thus relieving the inflamed stomach of all nervous strain while that organ takes a rest—recuperates.

In all cases of a weak stomach, indigestion, nervous Dyspepsia, palpitation of the heart, insomnia, general debility and all wasting diseases, no remedy will so surely and so quickly restore one to the full vigor of health and strength as

Her Life Might Have Been Saved

Two-thirds of the inmates of our hospitals are women. They are in most cases either for treatment or for an operation, made necessary by advanced stages of female troubles which have resulted in ovaritis, a tumor, or displacement of the womb.

"AN OPERATION NECESSARY."

How these words after the examination strike terror to a woman's soul, and with what regrets she hears them, when she considers that the operation has become necessary through her own neglect. Female derangements cannot cure themselves, and neglecting the warnings of nature only means putting it off until there is no cure. The woman who lets her trouble make headway pays the penalty of a dangerous operation and a lifetime of impaired usefulness at the best, and the operation often proves fatal when her life might have been saved by Lydia E. Pinkham's Vegetable Compound.

When women are troubled with irregular, suppressed or painful menstruation, weakness, leucorrhœa, displacement or ulceration of the womb, that bearing down feeling, inflammation of the ovaries, backache, bloating (or flatulence), general debility, indigestion and nervous prostration; or are beset with such symptoms as dizziness, faintness, lassitude, excitability, irritability, nervousness, sleeplessness, melancholy, and "want-to-be-left-alone" feelings, and the blues, they should remember that there is one tried and never-failing remedy; Lydia E. Pinkham's Compound at once removes such troubles.

READ THE FOLLOWING LETTERS.

"DEAR MRS. PINKHAM:—I cannot tell you how much good you have done me and how thankful I am to you for it. For five years I have not been free from pain for a day. I have had backaches, headaches, and those awful dragging sensations with leucorrhœa, and when menstruation appeared I was in such a condition I could hardly sit up. I doctored all the time, but nothing helped me, and I was told that an operation was necessary."

"Two months ago a friend suggested that I try Lydia E. Pinkham's Vegetable Compound. No one knows what it has done for me and how thankful I am for it. It brought me the first well days I have had for five years. It did for me what doctors could not do, and I went every suffering woman to know about it."—LOUISE NAUER, 751 E. 166th St., New York City.

"DEAR MRS. PINKHAM:—I wish to thank you for what Lydia E. Pinkham's Vegetable Compound has done for me. I had terrible hemorrhages, being lacerated from the birth of my child. The doctor told me that if I would have an operation I would be well and strong. I submitted to it, but was worse than before; no one knows what I suffered. Finally a friend advised me to try your Vegetable Compound; I did so, and commenced to feel better; I continued its use, and it has done for me what doctors could not do. I am strong and well. If women with any kind of female troubles would only consult you before submitting to an operation they would be spared many hours of pain and suffering. I cannot thank you enough for what you have done for me."—ANNA KIMCHOFF, 156 E. 100th St., New York City.

\$5000.00 FORFEIT if we cannot forthwith produce the original letters and signatures of above testimonials, which will prove their absolute genuineness.

WISE IS THE WOMAN WHO HAS FAITH IN

Lydia E. Pinkham's Vegetable Compound.

Its healthful properties makes it the standard of perfection, and its delicious flavor makes it a favorite beverage with epicures and those who love good cheer and sociability. Order a trial case for Thanksgiving and you will give us thanks for the tip.

Upper Peninsula Brewing Co.
Marquette, Mich.

Mrs. Laura S. Webb,

Vice-President of Women's Democratic Clubs of Northern Ohio.

HERE ARE MANY sickly women between the ages of 43 and 55, but there are very few invalids over 55 and 60 years of age. The change of life coming to a woman near her forty-fourth year, either makes her an invalid or gives her a new lease on life. Those who meet this change in ill health seldom live ten years afterward, while a woman who lays aside the active duties of womanhood in health seldom fails to live on in happiness, years after she has passed 60. This is truly a critical time.

Mrs. Laura S. Webb, of Toledo, Ohio, recognizes the change of life as a dangerous period and she also has faith in Wine of Cardui. She writes: "As I had always been troubled more or less at the menstrual period, I dreaded the change of life which was fast approaching. While visiting with a friend I noticed that she was taking your Wine of Cardui, and she was so enthusiastic about it that I decided to try a bottle. I experienced some relief the first month, so I kept on taking it for three months and now I menstruate with no pain and I shall take it off and on now until I have passed the climax. I do not dread it now, as I am sure that your Wine of Cardui will be of great benefit at this time."

Wine of Cardui is the remedy to re-inforce a woman against the shock that comes with the change of life. It re-establishes healthy functions after years of suffering. In doing this it has saved thousands of sufferers just in time. Do not wait until suffering is upon you. Thorough preparations should be made in advance. Begin the Wine of Cardui treatment today.

WINE of CARDUI A million suffering women have found relief in Wine of Cardui.

NOTABLE IMPROVEMENTS.

They Are Being Made at the Negaunee Library, Which Will Open Soon.

Although no definite time can be set for the opening of the library, it will be only a few weeks before the work now in progress is completed. The task of getting the books properly arranged and catalogued has been difficult, and has required a long time for its accomplishment.

When Mayor Houle assumed his office, he announced that the library would be closed until the chaotic condition of things that existed there could be resolved into some sort of order. It was estimated that the city was expending \$300 to \$400 through the carelessness of the patrons who failed to return books.

The idea seemed to be prevalent that inasmuch as the library was supported by the city the books were public property and the receipt card was equivalent to a title of ownership to any volume, no matter how valuable or important. The shelves were being rapidly depleted, and in a few months would probably have contained only the Bibles, some of Herbert Spencer's works, and perhaps a few other equally popular books.

For the past month Miss Willett, librarian, the stack room has been completely renovated. The position of the stacks has been changed, so that they are much more accessible. Many books have been returned, and a large number of new volumes added to the lists. The most important and highly prized of the recent additions is the beautiful "History of the America's Cup" presented to the library by the author, Mr. Lawson, the copper magnate. A similar volume was presented to the Ishpeming library a few weeks ago.

For the past month Miss Willett has been studying the Dewey decimal system of library indexing, as it is used at the Ishpeming library. This system is one that is used in the best libraries of the country. By its use, books are classified and shelved according to their subjects and the library is expanded indefinitely without interfering with the enumeration, or the arrangement of the catalogue. It is a long, arduous task to establish the system, but when in working order it results in a great saving of time and labor, and of books as well.

Mr. Marshall's office has been remodeled into a reading room, which will be supplied with the latest and best magazines and newspapers. It is hoped that eventually the entire second story of the city hall may be devoted to the library.

Already a renewed interest is manifested in the library, and when the people once more have access to it they will thoroughly appreciate the painstaking efforts of Miss Willett. The educative influence of such an institution is of untold value, for it reaches the children and young people at a period of their lives when they are most impressionable. The Negaunee library cannot be accorded too much recognition and support.

FROM AN AUCTIONEER.

Col. C. H. McDonald of Greenview, Ill., in a letter May 1st, 1901, says, "I am an auctioneer and being long exposed to the weather, an annoying trouble by my throat becoming irritated and hoarseness following. When troubled in this way, I always use Harts' Honey and Homebalm. It is the only remedy that has ever done me any good and it is positively cures." Sold by the People's Drug Store.

LOCAL LAONICS.

Louis Kellan went out to Seass' camp Friday.
W. G. Carah, of Hancock, was in the city yesterday.
Will Moyle is here from Lake Nebagamon, visiting friends.

Charles Muck, Jr., intends to open a meat market at Norway.

Miss Eva Choquette went Thursday to Republic, where she will visit friends.

J. H. Gates, of Milwaukee, superintendent of the American Express company, was here Thursday.

Ollie Adams, a former resident of Negaunee, but now on the Mesaba range, is visiting his grandparents here.

Bart Sawbridge, who has been hunting at his camp on the Escanaba river, sent home a large deer Thursday.

Mrs. O. B. Warren left last night for Hibbing, Minn., where she will join her husband, who is now located there.

A. H. Knight, cashier at the South Shore depot, has been suffering from a severe attack of the grippe, but is again at his post.

The D. S. S. & A. railway has sent out posters announcing the annual Christmas excursions to Norway, Sweden and Great Britain.

James Carl, a veteran of the Boer war, is expected home today. Mr. Carl fought on the Boer side for a year and a half, and was twice wounded.

Frank Cox, Paul Swartz, Ollie Simmons, Thomas Buzzo, Jerry Bennett and Frank Cox, Jr., all go to Saults today, to spend a week or ten days hunting.

The wedding of Miss Anna Hansen, daughter of Hans Hansen of the Jackson location, to Andrew Emil Hansen, is announced to take place Thanksgiving day. The party consisting of George Haupt, George Chellew and Henry Lehman, which hunted out from Ishpeming to the south, has returned home with five head of deer.

Eldridge Barabe and wife, who went to Los Angeles, Cal., about a month ago have arrived at their destination. Letters from them say that they are delighted with the country and climate.

LOOK THE FACT IN THE FACE.

The progress of a bad cold toward galloping consumption may be terribly sudden. Don't let this ugly fact frighten you, but when you begin to cough take Allen's Lung Balm, that stops the cough by curing the cold. Preparations containing opium, merely quiet the cough for a time. There is no narcotic drug in Allen's Lung Balm. Sold by all druggists.

Low prices on storm sash. Consolidated Fuel & Lumber Co. (11-11-1f)

HOME FROM GOLD COAST.

Ralph Wilcox Is Again in the Midst of His Negaunee Friends.

Ralph Wilcox returned recently from West Africa, where he had been operating a diamond drill for the past ten months or so. Mr. Wilcox was one of a party of Marquette county men who went to Africa last January to explore for gold. The district in which they were located was very unhealthy. Mr. Wilcox contracted malarial fever and was seriously ill for a long time. As soon as he was able to travel he started for home, coming by way of England and New York. The other members of the drill squad will probably stay until the end of the year, although nothing has been authoritatively stated to that effect by those who are in a position to know.

An English syndicate is conducting the explorations on the West African coast. Those who are acquainted with the results of the drill tests say that the exploration has proven a failure and that the field will be abandoned at the end of the year, although nothing has been authoritatively stated to that effect by those who are in a position to know.

The gold deposits in West Africa have been known for hundreds of years, but have never been worked by modern methods. The Gold Coast, as it is called, was also a favorite ground for the slave hunters in the old days of the pirate slavers and their human cargoes.

The failure to secure satisfactory results from the latest explorations seems to indicate that the gold fields of South Africa are the only ones on that continent from which the precious metal can be secured in paying quantities. Of course the mineral resources of the interior yet remain to be investigated and coming years may see an African Klondike that, in the fabulous riches it brings forth, will far surpass the famous Alaskan gold diggings.

DOCTORS ORGANIZE

COUNTY MEDICAL SOCIETY PUT ON ITS FEET HERE YESTERDAY.

FIRST MEETING LARGELY ATTENDED

OFFICERS NAMED AND CONSTITUTION AND BY-LAWS ADOPTED.

It is a Branch of the State Society and is Expected to Include All the Practicing Physicians in This Section.

The Marquette County Medical Society, a branch of the state medical society, was organized yesterday afternoon in the parlors of the Hotel Marquette at a large and enthusiastic meeting of the practicing physicians of this county. The new society will include in its jurisdiction Alger county, which has not a sufficient number of physicians for a separate organization.

Its membership will embrace practically all the medical men of the two counties, and it is expected to develop into a permanent and influential organization, which will accomplish much good for its members and give more or less attention to matters affecting the public health.

Officers were elected yesterday afternoon as follows: President, Dr. J. H. Andrus, of Ishpeming; vice president, Dr. O. G. Youngquist, of Marquette; secretary, Dr. H. J. Hornbogen, of Marquette; and treasurer, Dr. George Beech of Champion. The directors are Dr. Joseph Vandevanter of Ishpeming, three years; Dr. J. C. Anderson of Grand Marais, two years; and Dr. J. H. Hudson of Negaunee, one year.

Will Meet Monthly.

The model constitution and by-laws, recommended by the state medical society, were adopted. The county society will meet monthly, on the second Tuesday, and will assemble alternately in Marquette and Ishpeming. At these regular meetings papers will be read; attention called to local cases possessing peculiar interest; consultations held and any matters which may properly come before the assembled physicians considered and discussed. The first session will be held at Ishpeming next month.

The medical men in attendance at the gathering yesterday were Drs. J. H. Andrus, T. W. Felch, W. S. Picotte, J. Vandevanter and Gourdeau of Ishpeming; J. H. Hudson and H. C. Sheldon of Negaunee; Kean of Winthrop; J. C. Anderson of Grand Marais; Lamb of Republic; Beech of Champion; Bouchard of Palmer, and O. G. Youngquist, Z. Vaden, H. J. Hornbogen and A. W. Hornbogen of Marquette. Many other physicians who are heartily in accord with the movement and who will be zealous members of the new organization were prevented by professional duties from being present.

The organization of the Marquette County Medical Association is a part of a movement now general throughout the state, as over twenty county societies have been organized in the past few weeks, and more are being added to the list right along.

Fostered by State Society.

This movement is being fostered by the state medical society, which is taking this way to secure the thorough organization of the physicians of Michigan.

They number some 4,200, but it is a sad truth that the state society has only had about 600 members. However, as a result of the general organization of the county societies it is expected that this membership will be increased to two-thirds of the practicing physicians or at least 3,000 members.

This is brought about by the fact that the county societies are being organized at the instigation of the state society, and that in joining the local society the physician at the same time becomes a member of the state organization, as well as of the American Medical Society, the national organization.

It will be readily seen that this admirable plan should shortly result in welding the medical men of the state into one compact, powerful and influential body.

As this movement is general in other states, and as the state organizations are always more or less closely affiliated with the American society, it appears that it is far reaching in its scope, and that the national organization will likewise be the gainer.

SUNDAY AT THE CHURCHES.

German Lutheran, Rev. Carl Aepler, pastor—Services at 10 o'clock; Sunday school at 11 o'clock.

First Church of Christ, Scientist—Services at church hall, 109 Spring street, 10:30 a. m. Subject, "Soul and Body." St. Margaret's Mission (Episcopal), South Marquette—Sunday school at 2 o'clock; evensong and sermon at three, Rev. Hugh Spencer officiating.

St. Paul's cathedral, Twenty-fifth Sunday after Trinity—Holy Communion at 7:30 a. m.; matins and sermon at 10:30 a. m.; Sunday school at 12 m.; evensong and sermon at 7:30 p. m.

Methodist—The pastor, Rev. E. A. Ellett, will preach at the morning service on the subject "The Presence and Power of the Holy Spirit in the Church." In the evening the subject of the address will be, "The Reign of Law." The Epworth League, which meets in the church parlors at 6:45 p. m., will have for its subject, "Present Opportunities for Methodist Missions." All are welcome to all services.

JAS. H. BROWNE HEADS IT.

Pioneer Theatrical Man Is Manager of the "Human Hearts" Company.

Marquette theatre-goers were agreeably surprised yesterday when the "Human Hearts" company arrived in the city, to learn that James H. Browne is the manager of the troupe. Mr. Browne has numerous friends here and he was warmly greeted by all who met him. He is a pioneer in the theatrical business in the peninsula, and prior to eight years ago, since which time he had not been in Marquette until yesterday, he made this section year after year at the head of "show" troupes, presenting many good attractions. One of his companies was that in which J. Knox Gavin held a prominent place. Mr. Browne is still well remembered, as was evidenced by the many renewals of friendship last evening, when "Human Hearts" was presented at the opera house. The play is a strong, powerful melodrama and was well put on by Mr. Browne's capable company. It will be produced at the Calumet theatre this evening. Mrs. Browne, who like her husband is well known here, plays a leading role with much ability and credit. The Browns have a warm place in the estimation of Marquette people, but it is unlikely they will be seen again in this city, as Mr. Browne goes to Chicago this winter to take the management of the Bijou theatre, retiring from the road.

ENGINEERS' BALL.

It Will Be Held at Escanaba the Evening of November 26.

The Mining Journal is in receipt of an invitation to the seventh annual ball of Division No. 116, Brotherhood of Locomotive Engineers, which will be held in Peterson's Hall, Escanaba, Thanksgiving eve, November 26. Sullivan's orchestra will furnish the music and tickets are \$1. The Escanaba Iron Port says of the arrangements:

Through the courtesy of the Chicago & Northwestern railway company the Brotherhood of Locomotive Engineers will run a special train from Ishpeming to this city on the evening of Wednesday, November 26th, giving all purchasers of tickets to their seventh annual ball, to be held on that date, free transportation both ways. The train will leave Ishpeming shortly after 6 o'clock, and return after the dance. South on the main line, and on the branch, the tickets will be good on all regular trains for free transportation, coming on the 26th and returning the following day.

The prospects for an exceptionally large gathering are good. Even at this early date many tickets have been disposed of among railroad men and others, and it is predicted that the capacity of the dancing hall will be taxed to its utmost. The several committees in charge of the affair are laboring diligently to make this entertainment a grand social event. The best of music has been engaged for the occasion, and the hall will be handsomely decorated.

IT PLEASED AT DULUTH.

"The County Fair" One of the Best Attractions of the Year There.

The Duluth Herald this week had the following to say of "The County Fair," which will be the bill at the opera house next Monday evening:

"Duluthians have been treated to a large number of old-time shows this season, but none of them is any better or have been more favorably received than 'The County Fair,' which was produced at the Lyceum last night. 'The County Fair' without Neil Burgess is tame entertainment, but with that worthy in his inimitable role of Miss Abby is one of the best character productions on the road. Burgess and his drollery and clever impersonation of the old maid kept the audience convulsed with laughter. The various characters portraying rural and city life were in excellent hands and were satisfactory. The songs of J. B. Fulton were well received and the dancing of Miss Ernie Veroneo elicited repeated encores.

"The moving pictures used to illustrate the scenes leading up to the horse race were undoubtedly the best ever seen in this city. The films were brightly colored and in perfect condition, and produced the pictures without that annoying vibration so common to the usual display. The great spectacular feature of 'The County Fair' is the race in the last act, given by means of real horses and the mechanical track owned by the company and which has no superior on the stage. The lighting of the scene was improved and was most realistic."

RUGS MADE OF OLD CARPET

Address M. Iralson, Clifton Hotel, City.

TOWITHHOLD BONDS

SUPERVISORS MAY EFFECT GREAT SAVING FOR THE COUNTY.

CHAIRMAN FITCH'S PLAN

ISSUE OF THE \$120,000 WORTH MAY NOT BE MADE AFTER ALL.

Some \$50,000 Will Be Available Before Court House Is Finished, and Remaining Money Necessary Could Be Raised on Notes.

Walter Fitch of Champion, chairman of the building committee, advocates a plan for avoiding the necessity of issuing the \$120,000 long term bonds, voted last spring for the erection of the new court house, by raising the money from other sources. It meets with the favor of the heaviest taxpayers in the county and of, it is said, the majority of the supervisors, and it is stated, it is altogether likely that the plan will be adopted.

An examination of the requisitions for the state and county tax for the coming year reveals the fact that the state tax will be \$22,000 less and the county tax \$15,000 less than last year, so that, with the \$13,000 levied for that purpose on the current roll, there will be \$50,000 available for building purposes long before the palatial new court house is finished.

Mr. Fitch figures that, with this good start, it would be inexpedient, if not very foolish, to saddle the county with the long term bonds, bearing at the best, 3 1/2 per cent interest.

He proposes to raise money, as needed, on county notes, running as long as may be deemed advisable, and he asserts that this procedure will result in a big saving for the county, a fact which a little figuring demonstrates clearly enough.

Of course it is difficult to figure the exact saving, as it is impossible to say definitely at what interest the proposed \$120,000 court house bonds could be placed, or yet at what rates the notes could be negotiated. The flexibility of the money market is a consideration which renders all calculations merely approximate. However, figuring conservatively, it is estimated that the saving to the county would be at least \$20,000, while the scheme would have the additional advantage of cleaning up all the obligations contracted on account of the new court house within a few years after the date of its completion.

Mr. Fitch has discussed this matter informally with the representatives of the county's large interests, and also with many supervisors. His plan has everywhere been received with favor and its ultimate adoption is quite likely.

MARINE MATTERS.

Soo Canal Passages.

Palmer, Godfrey, Losen, Senator, 10; Jenks, Britannia, Gay, Hutchinson, 11:40; Farwell, 1 p. m.; Colgate Hoyt, 2; Osceola, 2:49; Peshigo, Goshawk, Myron, 4:20; Donaldson, Dayton, 5:20; Gates, Marina, 6; Crescent City, Carlington, 7; Embury, Johnson, Kling, 8.

A STARTLING SURPRISE.

Very few could believe in looking at A. T. Hoadley, a healthy, robust blacksmith of Tilden, Ind., that for ten years he suffered such tortures from Rheumatism as few could endure and live. But a wonderful change followed his taking Electric Bitters. "I feel better wholly cured," he writes, "and I have not felt a twinge in over a year." They regulate the kidneys, purify the blood and cure Rheumatism, Neuralgia, Nervousness, improve digestion and give perfect health. Try them. Only 50 cents at Stafford's drug store.

CRYSTANTHEMUMS.

We extend to all an invitation to our crysanthemum opening. We have the finest lot of crysanthemums ever grown in this part of Michigan; also an especially nice line of cut flowers and house plants. The Stafford Greenhouses, North Third street. (11-11-11)

ANOTHER BAD DAY.

Coppers Were Heavily Liquidated Yesterday, and Prospect Is Cheerless.

Paine, Webber & Co. said of the Boston market: "A renewal of liquidation and a heavy pressure to sell in the general market caused coppers to sag off again today. The decline has now been continuous for a week or more, and the market must be about ready for a turn. Stocks must be in stronger hands, and with all of this liquidation a good deal of money must have found its way back to the banks."

Hayden, Stone & Co. said: "The feeling in coppers is still bearish, owing to the decline in Amalgamated, but the better class are being absorbed on the scale down. There does not seem to be any bear party at work in them, but rather liquidation on account of weak holdings. As there has been no more trading in Copper Range than the others lately, it is the weakest. United Copper holds well, and does not seem to be inclined to follow Amalgamated."

Chicago Markets Strong.

W. H. Laidley said of the Chicago market:

"Rather strong cables and poor weather conditions were responsible for a slightly higher opening in the grain, and the market was strong throughout the session, closing somewhat higher than yesterday. Fifty-two boatloads were taken for export at New York, and the cash demand here is very good. We continue very confident upon the bull side, and we expect much higher prices. "Corn opened strong and higher, and the shorts in the December option were given a strong taste of what they might expect in the future, the market at one time advancing 1 1/2 cents over yesterday's close, then having a setback of about a cent. The November and cash corn are still at a good premium over the December. We have been advised that there is a considerable short interest in the December, as well as the May option and that prices will work much higher.

"Oats were steady and somewhat higher, in sympathy with the other grain markets. The receipts are small and it looks as if prices might do a little better."

"Provisions opened steady, although inclined toward easier prices, and closed somewhat under yesterday. The receipts at eight western points were somewhat under last year, but prices have now experienced a fair recession, and should do better."

New York Has Bad Day.

Dick said of the New York market: "The market was demoralized again today. Forced liquidation by professionals and commission houses alike caused a sharp break, and new low prices were made for all the conspicuous stocks. Various rumors of trouble were in circulation, but could not be confirmed. Western selling was much in evidence. There was no real news of importance. Indications pointed to an unfavorable bank statement tomorrow. The pressure upon the market became light the last hour and there was a general rally at the close. The late rally was due to short covering rather than to any really good buying."

RHEUMATISM CURED IN A DAY.

"Mytic Cure" for Rheumatism and Neuralgia radically cures in one to three days. Its action upon the system is remarkable and mysterious. It removes at once the cause of the disease immediately disappears. The first dose greatly benefits. 75 cents and \$1.00. Sold by Frank Pendlill and all druggists. (10-7-300)

STORM SASH.

Now is the time to order. F. W. Read & Co. (10-23-11)

AT DESCHAINES' BAKERY.

Chocolate eclaires and Cream Puffs made every day; filled with whipped cream. (11-14-11)

KENO, FOR CHICKENS.

Until further notice keno, with chickens as the prizes, will be played each evening at the Grand saloon, opposite the city hall. (11-12-11)

A THANKSGIVING DINNER.

Heavy eating is usually the first cause of indigestion. Repeated attacks inflame the mucous membranes lining the stomach, exposes the nerves of the stomach, producing a swelling after eating, heartburn, headache, sour risings and finally catarrh of the stomach. Kodol relieves the inflammation, protects the nerves and cures the catarrh. Kodol cures indigestion, dyspepsia, all stomach troubles by cleansing and sweetening the glands of the stomach. H. Harwood, Ishpeming; Stafford Drug Co., Marquette.

Our Nickel-Plated Safes

Are Strong, Handsome and Useful.

We loan them to those who wish to save up small sums at home. For particulars write or call at the bank.

THE NEW J. M. BRACHER CASH STORE

Nester Block, Washington St.

Is the place to do your trading. We may not have the largest stock in the city, but we have a new and well selected stock of Dry Goods, Cloaks and Shoes at 20% Cheaper than anywhere else, considering the quality. We have secured the exclusive agency in many new lines of merchandise, such as

THE PALMER CLOAKS.

The NEW MONTE CARLO. A nice line to select from. A guarantee given with every Palmer garment. A full line of the H. & C. unbreakable Corsets; Ladies' Kid Gloves, Hosiery and Underwear, Blankets and Quilts, Dress Goods and Dress Trimmings, Outing Flannels and a complete line of Notions and Fancy Goods.

Headquarters for Ladies', Misses' and Children's Shoes and Rubbers.

Everything new. Prices low. Courteous treatment to all.

Boys' Clothing Must Be Sold!

PRICE NO OBJECT.

.....AT GRABOWER'S.

THIS STORE IS FAIRLY ALIVEWITH SPLENDID BARGAINS.....

in Boys' and Children's Clothes. The entire stock of Boys' and Children's high-grade clothing must be sold by January 1st. We must have the room for other lines of goods. Don't buy a dollar's worth until you have priced our

Boys' Overcoats, Reefers, Boys' Suits, Children's Suits and Single Pants.

Splendid Fur Values!

We show this season some extra values in Fine Furs such as Beaver Jackets, Otter Jackets, Astrachan Jackets, Electric Seal and Near Seal Jackets; also a full line of Capes, Scarfs, Muffs and Fur Sets. We guarantee our prices will be far below prices offered by outside concerns, quality considered.

Carpets, Rugs, Linoleums and Oil Cloths.

This week we are making special values in Brussel Carpets, Velvet Carpets, Wilton Carpets, and are closing all our Rugs at a low price. Do not miss looking at our carpets if you intend purchasing now or in the future, as we certainly handle the largest and best selected line of carpets in this section, and many large city stores do not show larger lines.

ALL-WOOL INGRAINS CARPETS.

Notwithstanding that all Ingrain Carpets have had quite an advance we will not advance our price while the present stock lasts.

LOUIS GRABOWER, MGR.

YOU WOULD NOT.....

Have a doctor's prescription filled at a grocery store, although they may sell the ingredients. . . .

LOTS of STORES SELL SHOES,

But only at a Special Shoe Store like ours, with the unlimited assortment of high-class makes, can you obtain that satisfaction in footwear you are looking for. . . .

ALL GOOD GRADES.
ALL WIDTHS. ALL SIZES.
