Concerted Action to Be Taken by Roads to Put an End to Hold-Ups.

Chicago, Nov. 24.—Train robbery as at ndustry is to be throttled through the oncerted action of the railroad and excompanies operating from headarters scattered throughout the Midlle West.

The Chicago and Pacific States Ex oress companies today issued a joint re ward of \$5,000 for the arrest and conviction of the men who did the Daven-

The crowd that gathered at the station to bid the team farewell repeated the ent' usiastic demonstration given at the emblusion of the game Saturday. If abundance of encouragement and loyal upport can do anything toward winning a game, the memory that the boys carry with them of their friends at home and the interest they feel in the contest should be good for a touchdown. Dr. Sweetland, Superintendent Seribner, Miss May McKitrick, D. D. Randall, wife and laughter, F. P. Tillson, Dr. Conley, and our substitutes-George Hayden, John Burke, Charles Urquhart and Will Maraccompanied the team.

Everyone will be intensely interested ver the result and in each gain or los hat the team makes. Bulletins will be osted from telegraphic reports after ach down and people can watch the ogress of the game very closely. The boys will see the great Michigan

dinnesota game on Thanksgiving Day and will have an opportunity to gain some pointers from Yost's whirlwinds nd the Gophers as they decide the hampionship of the West.

If the team returns victorious Ish eming will witness a celebration that will cause all previous efforts along that line to fade in comparison. Few are willing to express opinions as to the result, for Benton Harbor is an almost unknown factor in the football world and there is no team that has played against it that can serve as a standard of comparison and illustrate the probable showing in the game tomorrow. The Ishpeming boys have never met any of the teams the lower peninsula champions have vanquished this fall and so are not able to form any estimate in advance of their opponents' ability on the gridiron.

What would you give for a Good Appetite?

Not a false appetite, such as is aroused by powerful and deadly drugs like strychnia, quinine and nux vomica, but a healthy appetite for good food?

As our old doctor used to say, "If you can't eat, you can't work," and we might add, "or play either."

We are very sure that Vinol will find your lost appetite. It will arouse the vital organs to call for wholesome food and help them to absorb it.

Vinol is a non-secret union of the valuable principles of organic iron, cod liver oil and a good table wine. It is pleasant to take, and both
