**GOES TO THE HAGUE**

ARBITRATION TRIBUNAL TO SETTLE VENEZUELAN CASE.

**ROOSEVELT DECLINED TO ACT**

NEW ARRANGEMENT AGREED TO BY ALL THE PARTIES.

Some Conditions Are to Be Imposed by the Allies but It Is Understood the Monroe Doctrine Is Not to Enter Into the Proceedings.

Washington, Dec. 26.—The president will not be arbitrator of the vexatious Venezuelan controversy. The whole subject will be referred for adjudication to the Hague tribunal.

Notes received from the European governments interested in the Venezuelan controversy, and also Venezuela, agree to submit the questions at issue to the tribunal at The Hague. A note is now being prepared by the secretary of state, which this government announces its hearty approval of such course. There appears to be no question of the fact that it is the general understanding the Monroe doctrine is not to enter into the question of arbitration.

No intimation given in the correspondence which Secretary Hay has had with the governments interested of conditions which may have been imposed by any of them precedent to arbitration. It is known that Great Britain was willing to submit to the arbitration of President Roosevelt practically without condition, but the suggestion is made that the other powers involved proposed some condition which might have proved embarrassing to the president had he undertaken the responsibility of determining the question. It is understood that some money must pass, but it is also understood that the amount of cash required of Venezuela before arbitration is not nearly so large as has been stated.

It is impossible to learn whether the allies will insist upon apologies from Castro, and while it is assumed the blockade will be speedily raised no arrangement to that end has yet been made. The energies of the negotiators are being devoted to framing the conditional protocol and it is hoped that while this document does not undertake to closely define the issues to be presented, it will contain a provision for the removal of the blockade.

Viewed at London as a Defeat.

London, Saturday, Dec. 27.—Except by opponents of the government, who view it as a virtual defeat and as discrediting the ministry, the latest phase of the Venezuelan trouble has been welcomed very lukewarmly.

Arbitration by President Roosevelt has been anticipated as so desirable an issue from a difficult business that his regard for the amount of cash required has caused disappointment. It is foreseen that even if satisfactory conditions to the submission of the disputes to the Hague court can be arranged, this method will entail endless and wearisome details, with no assurance that at the end of the matter still will be in the hands of the president has acted wisely in declining to act.

The foregoing represents the general drift of the newspaper comment this morning. The only paper which really welcomes the decision to refer the matter to the Hague is the News, which sees a chance of making arbitration once more a reputable theory. Paying tribute to the coolness of President Roosevelt and the correct attitude of the United States during this "sorry business," the News says: "The Venezuelan crisis has done much to enhance Roosevelt's reputation and bring home to Englishmen the essential friendliness of the American people."

The Mail, in a violent attack upon the government, says: "Thus ends, perhaps, the most ignominious episode in which Great Britain has engaged in recent years."

Vessel With Coal Is Stopped.

LaGuaira, Dec. 26.—The Swedish bark Erasmus, from Cardiff, with 475 tons of coal for the LaGuaira-Caracas railroad, a British concern, arrived off port yesterday and was ordered to remain outside the blockade line. Today orders were conveyed to the captain of the bark to leave; this step was taken because the coal was for a contract band of war. The vessel was not seized, as she left Cardiff before the trouble with Venezuela commenced. The captain of the Erasmus is awaiting orders from his consignees.

The Dutch consul here has asked for and obtained the permission of the commander of the British cruiser Tribune to send a schooner to Los Roques, a group of small islands 120 miles north of here, where charcoal burners who trade with LaGuaira are at present without provisions or water, their sloops having been seized by the blockaders. The schooner must carry a flag of truce. She can only take enough provisions to last the trip and will remove all the inhabitants of Los Roques to Willemstad, Curacao, and then return here.

Two schooners were captured this morning. The total number of craft taken by the blockaders is now twenty.

GUARDS POSTED ALONG THE RAILROAD TO WATCH FOR FIRES.

Ashkabad, Russian Turkestan, Dec. 26.—The oscillations of the earth at Andjian continue. The people there are using railroad cars to live in. About fifteen thousand houses have been destroyed. Until the shocks cease guards will be kept on the railroad throughout the district to watch for fires along the line. The railroad station at Andjian has been destroyed. Barracks to be used as dwellings are being constructed.

**SELLS COAL CHEAP TO POOR.**

Knoxville Concern Files Charges of Railroad Discrimination Against It.

Washington, Dec. 26.—R. W. Austin of Knoxville, Tenn., trading as the Live and Let Coal company, which company, he states, was formed to supply coal to the poor and whose profits are donated to the Knoxville Woman's Christian association for the purpose of a complaint with the interstate commerce commission today alleging that the Southern railway is discriminating in the supply of cars for the coal trade.

Austin says his company's charges are "greatly below the extortionate prices per ton exacted by other coal dealers of Knoxville," and that these dealers have formed a combination and fixed a schedule of prices and agreed not to sell below this schedule. The complaint alleges that in furnishing cars for the transportation of coal from the mines at Jellico, Tenn., to Knoxville and other points on the Southern and connecting lines, the defendant is discriminating against the complainant, the owners of the mines shipping to the complainant, the consumers and the city of Knoxville itself, and that the railway company is legally required to furnish the complainant with sufficient cars to enable it to do business and compete on equal terms with other established coal dealers in Knoxville.

**SUFFERING IN CENTRAL WEST.**

Coldest Weather of the Season Prevailing in Several States.

Chicago, Dec. 26.—The Central West is today experiencing the coldest weather of the season. High winds prevail in several states and much suffering is reported owing to the extreme scarcity of fuel. A Des Moines timekeeper registered seven below at Lincoln, Neb., eight below at Kansas City zero and at St. Paul nineteen below.

Around Cleveland snow has been falling the past forty-eight hours and is heavily melting today to considerable quantities. Trouble is experienced by railroads in maintaining schedule time.

An silver cliff, Colo., Joseph Harzon, an old prospector, was found frozen to death.

Temperatures of from six above to forty-six above are reported south of the Ohio river.

Omaha, Neb., Dec. 26.—The cold spell continues throughout Nebraska and the Black Hills country. Tonight zero temperature is reported from a dozen towns west and northwest of here. Livestock is not suffering to any extent.

**DIRECTORATE STRENGTHENED.**

Bankers Given Places on the Lake Superior Consolidated Board.

Philadelphia, Dec. 26.—The directors of the Consolidated Lake Superior company met today to consider changes in the organization necessitated by the recent financial arrangements. In order to make places on the board for representatives of the syndicate which advanced the \$3,000,000 loan, F. S. Lewis, W. P. Douglas, Edward C. Lee and James Bulterworth resigned, and the places were filled by Charles M. Donald and Charles H. Tweed, of Epever & Co., New York, and Horatio G. Lloyd, president, and Thomas Dewitt Cuyler, vice president of the Commercial Trust company of this city. Jos. S. Swartz, who had been a member of the board for several years, was elected vice president to fill the vacancy occasioned by the resignation of E. C. Lee.

**BRUTAL CRIME IN GEORGIA.**

Merchant Slain, Safe Ripped and Store Burned by Unknown Robber.

Matthews, Ga., Dec. 26.—Edward Gay, a merchant conducting a store six miles from here, was murdered early Christmas morning and his store was burned. His safe, which contained \$1,200, was found open and the money gone. Hay was called from his home by an unknown man, who asked him to change a bill. Not having the money Gay walked with the man to store and did not return. His skull was found in the ruins of the store.

**CABLE REACHES HAWAII.**

Work of Splicing the Ocean End to the Shore Line Is Started.

San Francisco, Dec. 26.—The following telegram was received from the cable ship Silvertown today: "About to buoy cable off the island of Oahu in about 450 fathoms of water." The shore end of the cable will be spliced to the sea cable some miles off Diamond Head, which is to be the landing place of the San Francisco-Honolulu cable. It may take some days to complete the work.

**WELLKNOWN AUTHORESS DIES.**

Cancer Kills Mrs. Mary Catherwood at Her Home in Chicago.

Chicago, Dec. 26.—Mrs. Mary Hartwell Catherwood, the wellknown authoress, died at her residence here tonight of cancer. She was taken ill in October and steadily declined until tonight she succumbed. The funeral will be held Sunday, with interment at Hoopston, Ills., her old home. Mrs. Catherwood is survived by her husband, John Steel Catherwood, and a daughter.

**COAL PRODUCTION CURTAILED.**

Miners at Many Collieries Extend Their Christmas Holiday.

Philadelphia, Dec. 26.—Reports from the mining region today are to the effect that twenty Reading collieries and two washeries are idle because of the failure of the men to return to work after the Christmas holiday. Ten collieries and four washeries are working short handed, and five collieries are closed down because of high water.

NEGOTIATIONS ON BETWEEN THE TWO TO ACT TOGETHER.

Switchmen on the Iowa Central Tie Up Traffic and Trouble on That Line Bids Fair to Spread—Peace in Sight on Union Pacific.

Chicago, Dec. 26.—The eight thousand railway freight handlers at Chicago, whose strike last summer interfered with the industries of this city for several days, are preparing to demand more pay. The railway clerks' organization is making similar preparations. Negotiations between the clerks and freight handlers are in progress. It is said the two organizations will take concerted action.

**Trouble on the Iowa Central.**

Marshalltown, Ia., Dec. 26.—The strike of the switchmen on the Iowa Central threatens to spread beyond Marshalltown. It was thought at first the company would grant the increase of four cents asked, but the company so far has done nothing. The switchmen say they will call for a sympathetic strike in Albert, Oskaloosa, Monmouth and Peoria. The switchmen at Albert Lea already have refused to handle Iowa Central cars, and it is said the switchmen at other towns will do the same when requested.

Freight traffic is at a standstill here. No trains have gone out for two days and the yards are congested. A coal famine is threatened, as the Iowa Central hauls 50 per cent of the coal used here. The Iowa Soldiers' Home has coal enough for only a day and a half. General Superintendent Sawyer will meet the strikers' committee tomorrow.

**Signs of Peace on Union Pacific.**

Omaha, Neb., Dec. 26.—Representatives of the striking shopmen of the Union Pacific have gone to New York at the request of Mr. Harriman to confer with him and President Burt in regard to a settlement. This action was precipitated by John McNeil, grand president of the Brotherhood of Boiler Makers and Iron Ship Builders, declaring that if the strike is not at once settled every boiler maker on the Southern Pacific will be ordered to strike. Mr. Burt asked for time and went to New York to confer with Mr. Harriman, and now Mr. Harriman has asked for negotiations.

The strike has been on for six months. It is for higher wages and against piece work. The strikers demand the discharge of the strike breakers and the reinstatement of the union men. The company has suffered severely from defective motive power during the cold weather of the last few days, one blockade lasting fifty-two hours.

**Marine Engineers Get Increase.**

West Superior, Wis., Dec. 26.—A conference between the Marine Engineers' associations and officials of the Pittsburg Steamship company was held here today, and the latter conceded all the demands of the engineers. The principal point was a 10 per cent increase in wages.

**MUCH NEW RAILROAD BUILT.**

Construction This Year 6,036 Miles, Exclusive of Sidings, Etc.

Chicago, Dec. 26.—According to the Railroad Gazette, the railroad building in the United States for 1902 aggregated 6,026 miles, a total not exceeded in any year since 1888. Second tracks, sidings and electric lines are not included. Oklahoma leads with 570 miles of new line. Texas is second, with 470 miles, third, 371; Indian Territory, fourth, 363.

Building railroad by electric light is a novelty which will be introduced by the Santa Fe company when it begins the construction of its cut-off to connect the Pecos Valley line with its main line in New Mexico. In the construction of the cut-off line 600 men will be put to work in the past, and a large electric light plant will be installed at the mouth of the canyon so the men can work at night as well as at day.

**WORK FOR FIVE THOUSAND.**

Big Tin Plate Mills to Resume After an Extended Idleness.

Sharon, Pa., Dec. 26.—It was announced today that Greer Tin mill, at New Castle, will be put into operation on Monday, January 1, 1903. The Shenango plant will begin the operation of twenty of its thirty mills at the same time. The mills have been idle since July. Five thousand men are affected.

**A CORNER IN HIDES.**

Austrian Makers Raise Price of Shoes and Blame Americans.

Vienna, Austria, Dec. 26.—The manufacturers have advanced the price of shoes 10 per cent on account of the higher cost of leather. They claim the step due to extensive purchases of hides in European markets by Americans, who have practically cleaned out the continental stock.

**BLOODY FIGHT ON TRAIN.**

Springfield, Ills., Dec. 26.—In a fight on the Chicago & Alton southbound passenger train tonight, in which fifteen coal miners from Auburn and Pawnee were the combatants, half a dozen were badly cut with knives. J. F. Havlin, a miner from Green Ridge, will die. He made a hard night and inflicted serious injuries upon a number of his assailants. T. E. passengers were terrified.

**QUICK VICTORY FOR FITZ.**

Roseman, Mont., Dec. 26.—Robert Fitzsimmons knocked out Mike Ranko, the heavyweight of eastern Montana, fifteen seconds after the gong sounded for the second round tonight. Jeffries did not appear. It is understood he will train before meeting any one again for the forfeit up.

**W. J. BRYAN IN MEXICO.**

Visit One of Pleasure but Thought Significant by the Newspapers.

Mexico City, Dec. 26.—The papers here all comment on the arrival of W. J. Bryan, but it is understood his visit is merely one of pleasure and recreation, he being accompanied by his wife and children. Talking on the silver question, he said today:

"While India has suspended the coinage of silver, she still uses silver as her money, and England coins a large number of rupees annually for India's need. If Mexico were to adopt the gold standard, it would naturally reduce still further the price of silver; and if Mexico, in spite of being a large producer of silver, were to discontinue its metal as the standard money it is not probable India and China might be led by the same influences to do the same thing."

"While this is only speculation, it is a possibility that must be considered, and the addition of seven hundred million people to the present gold-using population of the world would cause an enormous demand for gold over and above the present demand. No one can estimate accurately the effect of such demand on the purchase power of gold, but it could hardly fail to materially reduce prices and enhance the value of money and fixed investments."

Bryan proposes to make a side trip to the Hot country and also to Toluca, capital of the state of Mexico, where Governor Villada, a personal friend, is chief magistrate.

**CREW IN JORE STRAITS.**

Steamer Hopkins, Caught in the Ice, in Danger of Sinking.

Toledo, O., Dec. 26.—The steamer A. L. Hopkins, which left Detroit last Tuesday, enroute for Toledo, and was sighted abreast of the Toledo light in Maumee bay yesterday, is now completely in the grasp of the ice and in grave danger of being crushed and sunk. This evening a mate and two sailors came to the city after a perilous trip over the ice. They were nearly frozen and tell an awful story of the condition of affairs on the boat. The crew is living on bread and water. The only food the crew had on Christmas Day was a piece of bread, a slice of bacon and a baked potato. Since then they have had nothing but bread. The greater portion of the trip across the ice was made on hands and knees.

**Arrive at Duluth Long Overdue.**

Duluth, Dec. 26.—The steamer Bon Ami, of the White Line Transportation company, and C. W. Moore, of the A. Booth company, arrived at midnight, three days overdue.

**HOLDS OUT HAND TO BOERS.**

Secretary Chamberlain, at Durban, Speaks Earnestly for Conciliation.

Durban, Natal, Dec. 26.—Colonial Secretary Chamberlain arrived today. His speeches delivered at several functions were notable for their strong tone of conciliation. Referring to the war, the secretary said the Dutch and British had fought in courageous rivalry. Between the two races, not kindred in origin or nature, such a struggle for supremacy had been inevitable from the struggle of two proud and kindred races would grow in mutual respect and appreciation and lasting friendship.

"The victor and the vanquished," said Chamberlain, "bravely played their parts. We scorn to glory in our triumph; the enemy need fear no humiliations in their defeat. Let us see, as Britons worthy the name, nothing that is done to revive the animosities of the past. We must give our new fellow subjects equality of position with ourselves. We ask, however, something in return; it is with them the issue lies. We hold out our hand and we must take it without thought of the past but frankly and in the spirit it is offered."

**MORE PAY FOR MITCHELL.**

Miners to Give Their Chief an Increase in Salary—Now \$1,800.

Indianapolis, Dec. 26.—One of the most important matters to be considered by the coming convention of the United Miners will be a proposed increase in the salaries of President Mitchell and Secretary Wilson. At present Mitchell receives \$1,800 per year and Wilson \$1,500. It is understood the increase unquestionably will be a proposed increase of \$200 for each. The amount of the increase is as to the amount.

The wage conference will break all records for a labor convention. Last year there were about a thousand delegates, representing a membership of nearly 350,000. It is expected there will be over 1,200 delegates at the coming convention, as the organization has had great growth.

**MASCAGNI ARRESTED.**

Former Manager Charges the Composer With Embezzlement.

Chicago, Dec. 26.—Mascagni, the Italian composer who abandoned his American trip while playing in Chicago last week, was arrested tonight on the charge of embezzlement preferred by his former manager, Richard Hearst. When Mascagni decided to return to Italy, he had no further use for his American manager and discharged him. Hearst claims his contract called for \$5,000 and tried to collect that amount. Mascagni refused to pay. Hearst any such sum as the arrest followed. Mascagni was allowed to remain at the hotel where he is living, the house detectives agreeing to be responsible for his appearance in court.

**WRONG MAN LYNCHED.**

Victim of Kansas Mob a Brother of the Murderer Wanted.

Pittsburg, Kas., Dec. 26.—It is reported that Joe Godley, brother of Mont-comery Godley, lynched by a mob here yesterday, is wounded and in hiding at Weir City, Kas. A later investigation of the trouble between Officer Hinkle and the Godley brothers tend to show that Joe, and not the man who was lynched, shot and killed the policeman.

**BOOKS SHORT; KILLS HIMSELF.**

Springfield, Ills., Dec. 26.—Z. T. Greening, postmaster at Cornland, Logan county, committed suicide this afternoon after an inspector had checked up his accounts and found them \$1,400 short. Greening was found dead in the barn at the rear of his residence with a bullet wound over the right eye and a revolver clutched in his hand.

**REV. ROGERS REPORTS.**

He Recommends Organization for Systematic Benevolent Work.

To the Editor of The Mining Journal—As the contributions to the benevolent work under my charge this week have been so general and from so widely separated sources something of a report as to what was done seems to be in order. During the week there has been delivered 1,000 pounds of flour, thirty bushels of potatoes, six barrels of apples, seventy-six bundles of clothing and shoes, thirty pounds each of tea, coffee and butter, seventy-five pounds of sugar, 100 loaves of bread, about fifty cans of fruit and thirty-five cans vegetables, a quantity of pies, cakes, cookies and other cooked dainties, forty pounds of candy and nuts and, 200 pop-corn balls, thirty bundles of books and assorted toys. These have been distributed to forty-five families, embracing about 200 people.

These families had been previously visited, their condition noted and their needs determined. I have received many appeals for assistance, for which I have had no time for investigation. There has been no systematic visitation to ascertain the needs of the whole city and many who no doubt are just as needy as these visited have had no assistance at all. The work is entirely too great for one individual or church, and there is much need for an organization which shall be representative of the charitable inclinations of the whole community. I have now in my charge a large amount of clothing and \$20 in money which I shall be glad to turn over to such organization as will take up the work.

In consultation with pastors and others in different churches and societies a meeting has been arranged for next

Thursday evening at the Presbyterian church at 7:30 o'clock, at which time this matter of systematic benevolent work for our city will be discussed and organization perfected.

J. M. ROGERS.

**COPPERS FIRM AND DULL.**

Few Are Offered for Sale and They Promise to Do Better.

Paine, Webber & Co. said of the Boston market:

"Coppers were firm today, but less active than in the closing hour Wednesday. Amalgamated was especially strong. Traders are watching coppers closely and the feeling is very hopeful. If the buying demand continues to improve, the price will advance easily. There seems to be very few coppers offered for sale at anything like the present prices."

Hayden, Stone & Co. said:

"The market opened strong this morning, but the first prices were the highest. While the undertone is strong there has not been such a demand for stocks as would result in an active market, or higher prices. On the other hand, stocks are not for sale around the present prices, as everyone believes. Dominion Iron & Steel will go higher in the near future."

**Chicago Markets Strong.**

W. H. Laidley said of the Chicago markets:

"The wheat market opened slightly lower, on general dullness. After the early weakness fairly good buying appeared, and, after holding steady, the market closed a trifle above Wednesday. The receipts everywhere were small, while the cash demand continues good for all grades. This should work for higher prices in the May option, and we advise purchases upon any break."

"Corn opened a trifle lower, upon good weather, but also turned strong in sympathy with wheat and upon good short covering. There was a flurry of two cents in the December option, upon an attempt to purchase a small amount, but prices reacted quickly, closing the same as for Wednesday. Our reports from Iowa and other localities continue very poor and we still advocate the purchase of May corn for much higher figures, although the market has been very disappointing of late."

"Oats were strong and higher under a continued good cash demand. The receipts and estimates were small and the last prices were near the top. It looks as if considerably higher figures would be reached before there is any decided break in prices."

"Provisions opened strong and higher on small receipts and estimates, and advanced rapidly. Towards the close the market eased off somewhat, but the last figures were decidedly higher than Wednesday. The cash demand is fairly good, and the weather, which will interfere with receipts, is an added bull factor. We have steadily advised the purchase of provisions upon every break and, although they have now had a big advance and we think it wise to take profits upon any further bulge, we would buy them upon the breaks."

**New York Does Well.**

Walker said of the New York market:

"The market opened steady, most issues showing fractional improvement. The early dealings were largely professional and the commission business was

light. Toward midday money tightened, call loans being as high as thirteen per cent. This had a depressing effect and the market sagged. Shortly afterwards, however, a buying movement set in, and the market advanced. The Erie rose sharply on a report of a good statement to come. This buying quickly extended to the Reading and St. Paul, both of which made quick advances. The general buying was undoubtedly caused by the belief that all parties to the Venezuelan controversy will leave their differences to arbitration. The market closed firm, with notable strength in the Erie. While the market appears to us to have advanced rather too quickly there was a more general feeling of confidence at the close than has been displayed for some time."

**NORTHWESTERN SHIPMENTS.**

That Railroad Handled Nearly 5,000,000 Tons of Ore This Season.

The Mining Journal is in receipt of a statement of the ore shipments of the Northwestern to Escanaba from H. A. Barr, agent, which shows that this road is a highly important factor in the ore handling trade, it having carried 5,000,000 tons, or approximately a fifth of the entire Lake Superior production. The exact amount of ore hauled by the Northwestern to Escanaba is 4,756,266 tons, minus 231,822 tons of all rail shipments to points where the ore was consumed.

Of this amount the Lake Superior mines contributed 974,831 tons; the Gogebic mines 6,147 tons and the Menominee range 3,543,490 tons, thus furnishing far the greatest bulk of the Northwestern shipments.

The Marquette range mines and their Northwestern shipments follow:

Beaufort	59,764
Blue	97,815
Champion	116,041
Cleveland	24,352
Cliff's Shaft	16,169
East New York	36,727

**IRON NOTES.**

Late News of the Great Lake Superior Industry.

John Malloy, the well known logging contractor of Florence, has secured an option on a valuable mining claim in Florence county and will conduct exploratory operations in the spring. Mr. Malloy secured the option from W. J. Suedloh, the well known real estate man of Marquette. He claims to have discovered traces of iron ore on the lands. Test pits will be sunk, and the work pushed with vigor.

District Superintendent Richards, of Corrigan, McKimney & Co., has received orders to start the Kimball mine, near Crystal Falls, and a crew will be put at work there within a week getting things ready to install machinery. The captain further states that the Kimball will be in the shipping list next year which means well for the city. A spur will be put in from the Tobin mine branch of the St. Paul to reach the Kimball, passing the woodenware factory on the way.

Discussing the condition of the iron trade, the Iron Age says: "There has been some discussion lately on the prices for lake ores for the season of 1903. It being understood that the outside interests are urging a higher range of values. The steel corporation, however, appears to be wedded to the policy of keeping prices down to the present level and it is pointed out that constant restriction of production in recent months through fuel troubles has led to larger accumulations of orders than were planned for."

### MISS ROSE OWENS,

No. 720 Seventeenth St., WASHINGTON, D. C.

"If every suffering woman has the same experience with Wine of Cardui that I had, your medicine will be most popular. About a year ago I began to have a worn out tired feeling with lassitude, pains in the back and head which kept increasing every month. I felt that I needed something, but to get the right medicine was the trouble. I finally decided on your Wine of Cardui and only needed to take three bottles when I was fully recovered."

When Miss Rose Owens, who has a responsible position in the Government service at Washington, D. C., decided to try Wine of Cardui, she made a wise choice. Over a million women have been relieved of female weakness by this same Wine of Cardui. It is not a strong medicine but may be taken every day in the year by any woman who needs it. It does not force results, but corrects derangements of the menstrual organs. It strengthens the nervous system, gives tone to the bodily functions, acts directly on the genital organs, and is the finest tonic for women known to the science of medicine.

A million suffering women have found relief in Wine of Cardui.

TALMADGE, MICH.

THE IMAN MED. CO., Grand Rapids, Mich.

Dear Doctor: I have been thinking for some time that I ought to write you a few words of praise for your wonderful LADIES' RESTORATIVE. It did me worlds of good. I suffered such untold agonies with my menses, and with female complaints, for over ten years, that death would have been a relief to me. I took doctors' medicine and several kinds of patent medicine, but they all availed me nothing. I am so thankful that I learned of DR. IMAN'S LADIES' RESTORATIVE that I want to recommend it to every lady that is suffering from those terrible complaints. Any one wishing to know more about it may address,

### Ishpeming and its Environs.

**JOHNSON THE WINNER.**  
He Came Out First in the Long Distance Ski Race Yesterday.

A big crowd watched the long distance ski runners as they came in from their twelve-mile race yesterday. The snow was in a much better condition than for last year's race, which was run over the same course and on the same date, but the blustering wind had blown up great drifts that greatly impeded the progress of the racers on the sides, the men had had to try little practice on account of the lack of snow. These handicaps were sufficient to prevent the racers from making as good time as last season.

The first to leave the starting point at the crosswalk at the city building was Con Thompson, who left at 1:07 1/2. Then, at intervals of two minutes, the others set out. Axel Holter, second; Tom Lokken, third; Thomas Walters, fourth; Mathias Johnson, the redoubtable winner of last year's contest, was the last to leave. The course lay up Main street and Strawberry hill to the second street end, then to the north Camp river bridge, thence north to the logging road and from there west three miles to the swamp. Then they crossed the bluff west of Deer lake and returned to the place of starting, by way of Strawberry hill.

Con Thompson came in first, making two runs in 1 hour 27.9. Soon after Tom Walters came down the line, having spent just 1 hour 24.35 on the trip. Holter's record was 1 hour 10.27. Johnson, the last to start, was also the last to return, but his time was not so bad, 1 hour 27.20. Tom Lokken dropped out. Johnson and Holter both met with mishaps that delayed them. The latter broke a strap at Lake Bancroft and had to change skis and Johnson with the same accident twice. First he changed with a boy he met and went on with one runner about a foot shorter than the other, but the next time he secured a pair of even length.

Judging from the time they spent on the trip Walters and Thompson should have been declared the winners. Walters frankly confessed, however, that he rode for a considerable distance on the sleigh that he overtook and so voluntarily forfeited all claims to first place. There were five men stationed at various points along the route to make sure that all the racers made the entire distance. One of these men asserts that Thompson also took a ride and on that ground he was not declared the winner, leaving the victory to Johnson, with Holter second.

The men found the trip a hard one and were pretty well fagged out when they came back. George Newett was timekeeper and Carl Tellefsen and Simon Wahlman were the managers of the race.

### BAND SCORES A HIT.

Opera House Crowded Last Night—Concert Will Be Repeated This Evening.

Ishpeming's popular band scored a big hit last evening, when its annual concert was given at the local theatre. Nearly every seat in the house was sold before the doors opened. Such a large number who wanted to attend the concert could not be accommodated that the band has decided to repeat the entertainment this evening. It is certain that the house will be well filled again, as the entertainment was very favorably received last night. The selections rendered by the band were new. All the numbers were heartily encored. Reserved seat tickets for tonight's concert can be procured at Tillson's.

**PRODUCING STRONG PLAYS.**  
Gaskell Stock Company Has Splendid Repertoire This Season.

The Gaskell Stock company, which begins a week's engagement at the Ishpeming opera house next Monday evening, has a select repertoire of plays, which is entirely new to this section. The engagement opens with the sparkling comedy, "A Silent Partner." The other plays are: "My Lady Nell," "City of New York," "A Model Young Man," "Woman Against Woman" and "A Messenger from the Sea."

The Gaskell company has the reputation of carrying more scenery and effects than any other repertoire organization that visits the upper peninsula. Their scenery is made to fit any stage and it is used to good advantage in all the plays. Monday evening ladies' free tickets will be issued. The sale of reserved seats begins this morning. The first night will be each evening at 8:15 o'clock.

### CANTATA TONIGHT.

The young people of the Methodist church congregation who produced the cantata, "Santa Claus," at the opera house Christmas night greatly pleased their auditors. Every seat in the house was occupied, and many were obliged to stand. The attendance was much larger than was expected. The entertainment will be repeated again this evening, by request. On account of the City band's concert, the church people were unable to secure the opera house, so the cantata will be given at the Ishpeming Co-operative society's hall.

**SURPRISE J. S. OLSON.**  
About forty Knights of Pythias met at the home of John S. Olson last evening and tendered him a surprise party. Mr. Olson has been commander of the local lodge for two terms, and his fellow members showed their regard for him by presenting him with a beautiful candleabra. William Peters made the presentation speech.

### L'Anse and Baraga

The board of supervisors will meet next Monday.

Mrs. D. J. Norton of Ontonagon was a caller on L'Anse friends on Monday last.

Ben Brink of Pequaming intends leaving in a few weeks for a month's stay on the Pacific coast.

Bob Doyle of L'Anse has been confined to his room for the past week, threatened with typhoid fever.

Miss Baldwin of Ontonagon was a guest of the Bennett family at L'Anse for a week, returning home Tuesday.

Henry Murphy, from the copper country, is at L'Anse on a two weeks' visit with his parents, Mr. and Mrs. P. C. Murphy.

Mr. and Mrs. L. B. Armstrong of Houghton spent Christmas with Mrs. Armstrong's parents, Mr. and Mrs. C. P. Blankenhorn.

J. S. Morrison and son John of Calumet and R. C. Williams of L'Anse were at Huron Bay this week looking after their logging operations.

Frank and Dick Wolf, who operated the brick yard at L'Anse last season, left this week to spend the winter with their parents at Detroit.

Mrs. Dutton of Manistique was at L'Anse on Saturday last, attending the funeral of her sister, Mrs. Geo. A. Davis. She returned home Tuesday.

Mr. and Mrs. W. D. Manness of Pequaming expect to leave next month for the Pacific coast, where they will locate in the vicinity of Seattle.

Superintendent of Schools George A. Davis, of L'Anse, left last Saturday for Olivet, Mich., where he was summoned by the serious illness of his mother.

The coroner's jury in the case of Mrs. Moore, who was found dead in a snow bank last week, rendered a verdict that she came to her death from alcoholism and exposure.

Circuit court will convene at L'Anse on Jan. 5. There are five criminal and two civil cases on the docket, none of much importance, and the term will be a short one as usual.

George Botsford and sons, Frank and George, and James McRea and Allie McKernan came down from the copper country Christmas to help the Mekeran family eat turkey.

Two smallpox patients and ten men who have been exposed are quarantined at the Silverthorn Lumber company's camps in town 50-30, this county, near the line of Marquette county. Dr. Zellen of L'Anse is attending them. He is compelled to go to Champion and then drive twenty-five miles.

Geo. O. Beecher of L'Anse will soon leave for Bisbee, Ariz., to take charge of the mine office of the Calumet & Bisbee Development company, which has secured a number of valuable claims in the Warren district and in which Calumet and other copper country men are largely interested. For the past eight years Mr. Beecher has been county clerk of Baraga county, is reliable and thoroughly competent and will make an exceptionally good man for the newly organized company. His numerous friends join in wishing him great success in his new field of labor.

### WEAK LUNGS

Weak lungs are mostly due to a neglected cough. Only a small per cent. of the millions who have consumption inherit it. A slight cold, a tickling or hacking cough is the beginning, and after it has reached a certain advanced stage there is no ending except the grave.

Any case of consumption that is curable; that is, any one having consumption whose family or friends still hold on to a ray of hope, may take comfort in the knowledge of the fact that One Minute Cough Cure will give instant relief and finally cure.

This famous remedy does not pass immediately into the stomach, but lingers long in the throat, chest and lungs, producing the following results:

- (1) Relieves the cough.
- (2) Makes the breathing easy.
- (3) Cuts out the phlegm.
- (4) Draws out the inflammation.
- (5) Kills the germs (microbes) of disease.
- (6) Strengthens the mucous membranes.
- (7) Clears the head.
- (8) Relieves the feverish conditions.
- (9) Removes every cause of the cough and the pain in the lungs.
- (10) Enables the lungs to contribute pure life-giving and life-sustaining oxygen to the blood. Cures Croup and all Cough, Lame and Bronchial Affections.

**CONSUMPTION CURED.**  
"My physician told me one year ago that I would die of consumption inside of a year. I commenced taking One Minute Cough Cure for my lung trouble and it cured me. I have gained 20 pounds and I am a pretty live, dead woman. One Minute Cough Cure saved me." MARY F. SULLIVAN, Grand Rapids, Mich. saved me.

Pleasant to the taste. Good for Children. Good for every body. For Coughs, Colds, Croup, Whooping-Cough, Bronchitis, Asthma, Pneumonia and all Throat and Lung troubles no remedy is so good as

KICKED TO DEATH. TRAINS DELAYED.

John Walton Succumbs to Injuries Inflicted by a Mule. The blizzard Thursday made itself felt here more by reason of the delays on the railroads than by the extreme cold or the great quantity of snow.

Christmas day John Walton was the victim of a shocking accident, resulting in his death yesterday morning. Mr. Walton made his home with his son-in-law, Captain James Piper, of the Negaunee mine, and it had been his custom for years to attend to the horses and other animals each morning.

The blizzard Thursday made itself felt here more by reason of the delays on the railroads than by the extreme cold or the great quantity of snow. All trains were delayed from two to three hours.

Not long ago a trial was reported where a man sued a medicine concern which had offered \$100 for a case their remedy could not cure.

The man had taken the remedy but had not been cured. The defence was that he had not taken the medicine long enough. He did not get the \$100.

We allude to this because we want to show that Vinol does not give a slippery guarantee.

If the user comes back with his empty bottle and says, "I can't see that it did me any good," we say, "Sorry you happen to be among the few—less than two in one hundred—here's your dollar!"

MISS ROSE OWENS,

No. 720 Seventeenth St., WASHINGTON, D. C.

"If every suffering woman has the same experience with Wine of Cardui that I had, your medicine will be most popular. About a year ago I began to have a worn out tired feeling with lassitude, pains in the back and head which kept increasing every month. I felt that I needed something, but to get the right medicine was the trouble. I finally decided on your Wine of Cardui and only needed to take three bottles when I was fully recovered."

If you are a suffering woman we would say to you that Wine of Cardui seldom fails to completely cure any case of female ills. We say emphatically, it never fails to benefit. Every day hundreds of sufferers are writing to our Ladies' Advisory Department. The letters are opened by persons competent to give advice. Mrs. Jones was cured by following the advice which was freely given her by the Ladies' Advisory Department. Miss Owens was cured without advice by just buying a \$1.00 bottle of Wine of Cardui from her druggist and taking this great medicine in the privacy of her home. No doctor's examination, treatment or advice is necessary. You have read what these two cured women have written. Is this not enough to lead you to determine to be rid of suffering?

Miss Rose Owens.

WHEN Miss Rose Owens, who has a responsible position in the Government service at Washington, D. C., decided to try Wine of Cardui, she made a wise choice. Over a million women have been relieved of female weakness by this same Wine of Cardui. It is not a strong medicine but may be taken every day in the year by any woman with benefit. It does not force results, but corrects derangements of the menstrual organs. It strengthens the nervous system, gives tone to the bodily functions, acts directly on the genital organs, and is the finest tonic for women known to the science of medicine.

WINE of CARDUI A million suffering women have found relief in Wine of Cardui.

Suffered for Over Ten Years. Cured by Dr. Iman's Ladies' Restorative

TALMADGE, MICH. THE IMAN MED. CO., Grand Rapids, Mich. Dear Doctor: I have been thinking for some time that I ought to write you a few words of praise for your wonderful LADIES' RESTORATIVE. It did me worlds of good. I suffered such untold agonies with my menses, and with female complaints, for over ten years, that death would have been a relief to me. I took doctors' medicine and several kinds of patent medicine, but they all availed me nothing. I am so thankful that I learned of DR. IMAN'S LADIES' RESTORATIVE that I want to recommend it to every lady that is suffering from those terrible complaints. Any one wishing to know more about it may address, MRS. L. JOHNSON THE WINNER. He Came Out First in the Long Distance Ski Race Yesterday.

A big crowd watched the long distance ski runners as they came in from their twelve-mile race yesterday. The snow was in a much better condition than for last year's race, which was run over the same course and on the same date, but the blustering wind had blown up great drifts that greatly impeded the progress of the racers on the unbroken course outside the town. Besides, the men had had very little practice on account of the lack of snow. These handicaps were sufficient to prevent the racers from making as good time as last season.

The first man to leave the starting point at the cowwalk at the city building was Con Thompson, who left at 1:07 1/2. Then, at intervals of two minutes, the others set out. Axel Holter, second; Tom Lokken, third; Thomas Walters, fourth; Mattias Johnson, the redoubtable winner of last year's contest, was the last to leave. The course lay up Main street and Strawberry hill to the second street cut, then to the north Carp river bridge, thence north to the logging road and from there west three miles to the swamp. Then they crossed the bluff west of Deer lake and returned to the place of starting, by way of Strawberry hill.

Con Thompson came in first, making the run in 1 hour 27.9. Soon after Tom Walters came down the line, having spent just 1 hour 24:35 on the trip. Holter's record was 1 hour 10:27. Johnson, the last to arrive, was the last to return, but his time was not so bad, 1 hour 27:20. Tom Lokker dropped out. Johnson and Holter both met with mishaps that delayed them. The latter broke a strap at Lake Superior and had to change skis and Johnson met with the same accident twice. First he changed with a boy he met and went on with one runner about a foot shorter than the other, but the next time he secured a pair of even length skis.

Judging from the time they spent on the trip Walters and Thompson should have been declared the winners. Walters frankly confessed, however, that he rode for a considerable distance on the sleigh that he constructed and so voluntarily forfeited all claims to first place. There were five men stationed at various points along the route to make sure that all the racers made the entire distance. One of these men asserts that Thompson also took a ride and on that ground he was not declared the winner, leaving the victory to Johnson, with Holter second.

The men found the trip a hard one and were pretty well fagged out when they came back. George Newett was timekeeper and Carl Tellefsen and Simon Wahlman were the managers of the race.

CHEAP AT THE PRICE.

It appears that some of the stockholders of the Union Steel company are not at all pleased with the terms of the purchase of the property by the United States Steel corporation. Mr. George W. Darr, president of the Sharon Steel corporation, says: "The United States Steel corporation can consider itself fortunate in securing such a valuable property at such a low price. The Union Steel company is worth a great deal more than the United States Steel corporation paid for it, and it was because of the low figure set upon the property that I opposed the transfer. I asked permission to remain in the company on a basis of the price at which it was taken over. The net earnings of the Union Steel company, as shown by the United States Steel corporation, are \$1,000,000. The amount required for the payment of interest on the bonds, earnings, of course, will increase with the advance ment of the work involving the construction of new plants, which were planned by the United Steel company, and which will be completed under the terms of the deal. Three new furnaces, with a combined capacity of 2,400 tons daily, are now under construction, thus giving the Union Steel company five furnaces, with a nearly capacity of 800,000 tons. The sheet and tube mills now under construction at Sharon will be ready to start next month. The acquisition of the Union Steel company will benefit the United States Steel corporation in many ways. In the first place the purchase will obviate the necessity of adding to the capacity of certain of the old constituent properties of the corporation. The new tube mill of the Sharon company, which will go into operation next month, will give the Steel corporation an additional capacity of 350 tons a day. The same can be said of the new sheet mill and other plants that are now in operation or in course of construction. The purchase makes the Steel corporation's position impregnable from the standpoint of iron ore. It now controls fully 85 per cent of the iron ore of the Mesaba range. The deal adds 50,000,000 tons to its visible supplies. Then, again, the acquisition will increase the furnace capacity of the combine by 2,500 tons daily, thus obviating the necessity of laying out so much money for new furnace construction. The present pig iron production of the corporation is not sufficient by many thousands tons to meet the requirements of its finishing mills."

August 13, 1920, Mrs. W. H. Jones, of Cameron, Mo., writes: "I suffered terribly at monthly periods for three years. I would sometimes go for seven months with no flow at all. Now I have my health back again and am expecting to be confined in January. I cannot praise your medicine enough."

BAND SCORES A HIT.

Opera House Crowded Last Night—Concert Will Be Repeated This Evening.

Ishpeming's popular band scored a big hit last evening, when its annual concert was given at the local theatre. Nearly every seat in the house was sold before the doors opened. Such a large number who wanted to attend the concert could not be accommodated that the band has decided to repeat the entertainment this evening. It is certain that the house will be well filled again, as the entertainment was very favorably received last night. The selections rendered by the band were new. All the numbers were heartily enjoyed. Reserved seat tickets for tonight's concert are in procuring at Tillson's.

PRODUCING STRONG PLAYS.

Gaskell Stock Company Has Splendid Repertoire This Season.

The Gaskell Stock company, which begins a week's engagement at the Ishpeming opera house next Monday evening, has a select repertoire of plays, which are entirely new to the scene. The engagement opens with the sparkling comedy, "A Silent Partner." The other plays are: "My Lady Nell," "City of New York," "A Model Young Man," "Woman Against Woman" and "A Messenger from the Sea."

The Gaskell company has the reputation of carrying more scenery and effects than any other repertoire organization that visits the upper peninsula. Their scenery is made to fit any stage and it is used to good advantage in all the plays. Monday evening ladies' free tickets will be issued. The sale of reserved seats begins this morning. The cantata will rise each evening at 8:15 o'clock.

CANTATA TONIGHT.

The young people of the Methodist church who produced the cantata, "Santa Claus," at the opera house Christmas night greatly pleased their auditors. Every seat in the house was occupied, and many were obliged to stand. The attendance was much larger than was expected. The entertainment will be repeated again this evening, by request. On account of the City band's concert, the church people were unable to secure the opera house, so the cantata will be given at the Ishpeming Co-operative society's hall.

SURPRISE J. S. OLSON.

About forty Knights of Pythias met at the home of John S. Olson last evening and tendered him a surprise party. Mr. Olson has been commander of the local lodge for two terms, and his fellow members showed their regard for him by presenting him with a beautiful candelabra. William Peters made the presentation speech.

L'Anse and Baraga The board of supervisors will meet next Monday. Mrs. D. J. Norton of Ontonagon was a caller on L'Anse friends on Monday last. Ben Brink of Pequaming intends leaving in a few weeks for a month's stay on the Pacific coast. Bob Doyle of L'Anse has been confined to his room for the past week, threatened with typhoid fever. Miss Baldwin of Ontonagon was a guest of the Bennett family at L'Anse for a week, returning home Tuesday. Henry Murphy, from the copper country, is at L'Anse on a two weeks' visit with his parents, Mr. and Mrs. P. C. Murphy. Mr. and Mrs. L. B. Armstrong of Houghton spent Christmas with Mrs. Armstrong's parents, Mr. and Mrs. C. P. Blankenhorn. J. S. Morrison and son John of Calumet and R. C. Williams of L'Anse were at Huron Bay this week looking after their logging operations. Frank and Dick Wolf, who operated the brick yard at L'Anse last season, left this week to spend the winter with their parents at Detroit. Mrs. Dutton of Manistique was at L'Anse on Saturday last, attending the funeral of her sister, Mrs. Geo. A. Davis. She returned home Tuesday. Mr. and Mrs. W. D. Manness of Pequaming expect to leave next month for the Pacific coast, where they will locate in the vicinity of Seattle. Superintendent of Schools George A. Davis, of L'Anse, left last Saturday for Olivet, Mich., where he was summoned by the serious illness of his mother. The coroner's jury in the case of Mrs. Moore, who was found dead in a snow bank last week, rendered a verdict that she came to her death from alcoholism and exposure. Circuit court will convene at L'Anse on Jan. 5. There are five criminal and two civil cases on the docket, none of much importance, and the term will be a short one as usual. George Botsford and sons, Frank and George, and James McRea and Allie McKernan came down from the copper country Christmas to help the McKernan family eat turkey. Two smallpox patients and ten men who have been exposed are quarantined at the Silverthorn Lumber company's camps in town 50-30, this county, near the line of Marquette county. Dr. Zellen of L'Anse is attending them. He is compelled to go to Champion and then drive twenty-five miles. Geo. O. Beecher of L'Anse will soon leave for Bisbee, Ariz., to take charge of the mine office of the Calumet & Bisbee Development company, which has secured a number of valuable claims in the Warren district and in which Calumet and other copper country men are largely interested. For the past eight years Mr. Beecher has been county clerk of Baraga county, is reliable and thoroughly competent and will make an exceptionally good man for the newly organized company. His numerous friends join in wishing him great success in his new field of labor. PAINLESS DENTISTRY Does not equal a painless laxative. "Mr. C. L. Hizer of Lincoln, Ill., says: 'I have been a sufferer from constipation for the past twelve years, with severe gripping pains in my bowels nearly every day. HE POISONS WOLVES

W. C. BRANDON IS DOING HIS SHARE TO PROTECT DEER.

HAS FOUR CARCASSES HUNG UP

THEY WILL BRING HIM A TOTAL OF \$92 IN BOUNTIES.

They Were Killed on Whitefish and Howe's Lakes, Near the Hon. Peter White's Camp at Deerton— Deer Are Suffering.

W. C. Brandon, formerly of Marquette, who is now in charge of Hon. Peter White's camp and farm four miles from Deerton, in Alger county, is devoting considerable of his spare time during the winter to a war on wolves.

One of the wolves was killed a week ago today on Whitefish lake, a short distance from Mr. White's camp.

Mr. Brandon expects to kill many more wolves before the winter is over, as he has promised to do all he can to bring about their extermination, and, besides, it is profitable business, although one in which only an experienced trapper has any hopes of success.

Mr. Brandon's baits are laid on the neighboring lakes, so that there may be a chance that the wolves will fall on the ice or near the shores, before they get into the thick timber where they are hard to find after they have run to death.

Wolves are numerous in the neighborhood of Mr. White's camp. They do not live in the vicinity, but run in and out from the headwaters of the various streams. Mr. Brandon believes that many of them come from Schoolcraft county, back of Shingletown.

Wolf tracks are as common as snow in the neighborhood. The pack which rendezvoused on Howe's lake Monday contained ten wolves. This Mr. Brandon ascertained by counting the tracks at the point where the pack went onto the ice.

Of the baits strewn about on the frozen surfaces of the lake the other day, yet only three wolves were found. Mr. Brandon has been using three grains of strychnine to the bait, but he is thinking of increasing the dose.

The preparation of the baits must be attended to in a very careful manner, as the slightest scent of man is sufficient to prevent the wolf from touching them. This work can be done successfully only by a man who is willing to take infinite pains and who has had considerable experience with it.

Deer Are Suffering. The deer in the vicinity of the White camp are suffering from the ravages of the wolves. Mr. Brandon has had unmistakable evidences of this. Just the other day he found a magnificent five pronged buck, the head of which he has now in his possession, which had been killed and partially devoured by the wolves.

Mr. Brandon says that people who pool the idea of the wolves doing any damage to the deer simply do not know what they are talking about. In Alger county, anyway, their ravages are really serious and are causing the hunters much anxiety.

Catarh is an excessive secretion, accompanied with chronic inflammation, from the mucous membrane. Hood's Sarsaparilla acts on the mucous membrane through the blood, reduces inflammation, establishes healthy action, and radically cures all cases of catarh.

VARIOLID HAS APPEARED.

There Are a Number of Mild Cases in the City.

Varioloid has appeared in the city, and a number of mild cases are now under quarantine. Two houses on Lee street are under guard and there are a couple of patients at the city pest house.

The city health officer, Dr. Hornbogen, and the health committee have taken cognizance of the situation, and every possible measure to assure the public health is being taken. Dr. Hornbogen has the cases under his personal charge, and effective quarantines are being enforced.

It is thus hoped that the varioloid will be prevented from spreading beyond the patients who are now suffering from it. There is no occasion for any particular alarm, although it might be well for those who are not protected by vaccination to take that precaution.

The disease was brought to Marquette the latter part of last week from one of the Silverthorn lumber camps in Baraga county. This camp has since, through the action of the local officers, been put under quarantine, and it is expected that it will not spread any more of the disease. The patients in the pest house are all men from the Silverthorn camp.

The railroad men have been notified of the presence of varioloid in the county and they will take due precautions to avoid transporting affected persons from place to place.

WAS LIKE A CIRCUS.

Fat Men Troughed the Leans, 45 to 26, on the Diamond Last Night.

The baseball game at the Casino rink last evening between the fats and the leans was, as expected, akin to a circus and greatly amused the big crowd that turned out to witness the antics of the fleshy and slim players.

It was said that most of the contestants were old-timers on the diamond, but if they are it is clear that with a few exceptions they have forgotten all they ever knew of the national game. The score was 45 to 26 in favor of the fat men; the tallies, by innings, were made as follows:

Fats..... 2835631125-45
Leans..... 423042371-26

The game was replete with comical incidents and was marked from first to last with lusty protests and arguments against decisions of the umpire. Clerk Yeazel, of the Hotel Marquette, who held down third base for the fats, distinguished himself by putting up an unusually fast game. The playing of Ed McCarthy, first baseman for the leans, also was a feature of the game.

The members of the teams were: Fats—Stack, Rivers, Downs, Olson, Reinhardt, Lockhart, Yeazel, Sambrook, Genell. Leans—Dorais, Pippier, Swanson, Byrne, McCarthy, Johnson, Osgood, Stewart, C. Osgood.

The victorious fats are now anxious to arrange a game with the fleshy men of Negaunee.

CHRISTMAS MUSIC.

Program Will Be Repeated at St. Paul's Cathedral Tomorrow.

Those who braved the storm and attended divine service at St. Paul's cathedral Christmas morning were well rewarded by an especially well rendered choral service, the program of which is given below. The choir of over fifty voices have been thoroughly drilled in the music for the past two months by C. J. Shaddick, organist and choirmaster, and the result on Christmas morning was certainly deserving of more than ordinary notice.

Program of the service as follows: Processional, Hymn 49, "Adeste Fideles." Introit, "We Have Seen His Star."

Offertory, "Nazareth"..... Gounod
Sursam Corda..... W. A. Cruickshank
Sanctus..... W. A. Cruickshank
Benedictus..... A. J. Eyre
Agnus Dei..... A. J. Eyre
Lord's Prayer..... Mercecko
Gloria in Excelsis..... Gounod
Sevensfold Amen..... Stainer
Recessional, "Christians Awake," Hymn 56..... Shelley

The service Sunday will be a repetition of the Christmas service, as given above. Mr. Martin will assist at both morning and evening service.

Leave your order or telephone City News depot for any Sunday paper, delivered before noon. Bell phone No. 825. (12-27-44) E. J. MCARTHY.

HEPPNERS.

Semels, Vienna Rolls and Buns made fresh for seven o'clock breakfast every morning except Sundays. JOHN W. DESCHAMPE, Proprietor. (12-18-44)

LOTS OF SNOW.

It Encumbered the Streets Yesterday, as a Result of the Storm.

Thursday's blizzard was accompanied by far the heaviest snow fall of the year, and the snow continued to come down yesterday, though in lesser quantities, until the streets were covered with many inches, while here and there drifts were piled to the height of from four to six feet.

A considerable number of men were employed on the task of digging the city out. The street railway worked a big crew, and it was well along toward evening before the cars began to run. Much shoveling was required along the tracks where the drifts were encountered, but the cars bucked the snow out of the way on the level stretches.

The railroad trains made good time yesterday, only the through morning trains being particularly late. Today the city will have quite recovered from the effects of the storm.

WALKER WHITESIDE JAN. 2.

Well Tragedian Should Be Greeted by a Large House.

Walker Whiteside, the well known tragedian, will be seen at the opera house January 2, on the occasion of his second appearance here this season. His bill will be "The Merchant of Venice," in which he appears as Shylock. Mr. Whiteside's production of "Richard III" here a couple of months ago was one of the best things that has been offered at the Marquette theatre this season.

Unfortunately the house was not at all as large as it should have been. It is to be hoped that this will not be true of "The Merchant of Venice," as the presentation will be deserving of general patronage.

Mr. Whiteside is a diligent student and is possessed of the art of taking infinite pains, which is the accepted definition of genius, and he bids fair to fulfill the prophecy of that eminent far-seeing analytical critic Elwyn A. Barron, who wrote of him a few years ago: "Walker Whiteside, note it my masters, is the only young American actor with the prophesy of tragic success written on his brow; if he lives he will rule us."

SUNDAY AT THE CHURCHES.

St. Paul's cathedral—First Sunday after Christmas—The Christmas services will be repeated and carried out as they were on Christmas day, as follows: Holy eucharist (choral) and sermon, at 10:30 a. m.; Sunday school, at 12 m.; evening song and sermon, at 7:30 p. m. J. R. Martin of Duluth will sing during the offertory.

Methodist—At the morning service, the sacrament of the Lord's supper will be administered, followed by preaching by Rev. C. M. Thompson, presiding elder. His theme will be, "What Is Christianity?" In the evening, at 7:30, Rev. E. A. Elliott, the pastor, will preach on "What Is Life?"

St. Margaret's Mission—Sunday school at the usual hour, 2 o'clock. There will be no evening service, as Rev. Spencer is to be at St. James' church, Chocoma.

Presbyterian—Services at 10:30 a. m. and 7:30 p. m. Sabbath school at 12 m.; Junior Christian Endeavor at 3:30 p. m. Senior society at 6:30 p. m. Baptist—Services will be held at the usual hours, morning and evening, with preaching by Rev. Mr. Maxon of Cleveland, O.

St. James' Chocoma—The Christmas service will be held at 3 p. m. At the Presbyterian church tomorrow a special program of Christmas music will be rendered by the choir with the assistance of Professor Otto Kluge, violinist. The musical numbers for the morning service at 10:30 are as follows: Carol, "Good Tidings" (with violin obbligato)..... Bartlett

Violin solo, "Das Wiedersehen," Hauser Prof. Kluge. Christmas hymn, "O Holy Night," by Adolphe Adam, arranged for soprano solo and quartet by Dudley Buck (with violin obbligato). Anthem, "It Came Upon a Midnight Clear"..... Shelley

At the evening service the following program will be given: Carol, "The Birthday of a King"..... Nestlinger Violin solo, The Andante from 7th Concerto..... De Beriot Anthem, "Calm On the Listening Ear of Night" (with violin obbligato)..... Shelley

The Stafford Drug Co. announces a general reduction of at least 25 per cent off on the entire stock of china and bric-a-brac in their artware annex; to continue until Jan. 1st. As there are many desirable pieces of table ware, there is a chance for useful bargains. (12-27-14)

SEASON TICKETS ON SALE.

Ice Rink Will Be Opened to the Public Today.

The ice rink is now ready for the opening, and curling and skating will begin today. The Curling club, which holds the lease of the rink and which has employed E. L. Francis as manager, has spent a large amount of money fitting the building up for use by the curlers and the general public and visitors will find adequate provision of waiting and dressing rooms. Mr. Francis will give close attention to the work of keeping the ice in condition, and a particular effort will be made to have the management irreplaceable. No disorder will be permitted and the effervescent small boy will be held sternly in check.

It is the desire to make the rink a place which no one may have the slightest hesitancy about patronizing. Season tickets may now be purchased at Stafford's. They will be charged for at the rate of \$3 for gentlemen and \$2 for ladies. The Curling club announces that these tickets will be honored at the rink at all times, irrespective of the occasion. There will be no extra charge on season ticket holders for any special attraction that may be engaged during the skating season.

The curlers are eager to make a start with their sport. From all indications there will be a considerable interest in this year, and some good contests are expected.

CITY BREVITIERS.

Today's weather: Partly cloudy and colder.

Yesterday's temperature: 7 a. m., 12 degrees; noon, 13 degrees; 7 p. m., 17 degrees. Maximum, 17 degrees; minimum, 12 degrees.

A. O. Smith is in the city from Baraga.

Mr. and Mrs. T. F. Donahoe of Ishpening were here on business yesterday. W. S. Nelson, who manages the furnaces at Manistique, was a Marquette visitor yesterday.

Mrs. McHenry of Chicago is here visiting her father, John E. Flynn, and her little daughter Hazel.

Tom Williams, who is attending the state university at Ann Arbor, is here spending the Christmas vacation with his parents.

Mr. and Mrs. W. C. Brandon were in Marquette yesterday. They will return to the White camp at Deerton today. They came up to spend Christmas at Ishpening.

Attention is called to A. H. Palmer's offertory held morning and evening clearing sale of all holiday goods at his bazaar, he not wishing to carry the lines over until next season. Excellent goods will be offered at bargain prices.

Rev. Carl Aepler, of the German Lutheran church, will conduct a service at Bruce's Crossing tomorrow morning at 10 o'clock. There will be a service for the children in the afternoon at 2:30 o'clock, with a Christmas tree for the little ones.

The merchants and their clerks took it easy yesterday, recuperating from the holiday rush. They did not find it hard to do this, as the rigorous weather had the effect of keeping people at home. The downtown streets and business places were very quiet.

Willis Maguire, a former Marquette young man, arrived here Thursday morning to spend the holidays with his mother and other relatives. Mr. Maguire has been located for the past six years or so in the state of Sonora, Mexico, where he has been engaged in the mining business. He will be in Marquette at least a couple of weeks, and will then visit New York before returning to Sonora.

ICE RINK.

Opens To Night—A. O. U. W. Full Orchestra Will Furnish Music.

No expense has been spared to put the rink in the best possible shape. Large waiting and warming rooms, with glass front overlooking the ice, have been built down stairs. All corner posts have been removed from skating surface. No disorder of any kind will be allowed, making it a safe and desirable place for ladies and children. Season tickets have been reduced in price, and are good for all events. No extra charge to witness races or other attractions. Street cars run until 10:30 each evening. N. D. Hodgkins will run a covered bus from corner Front and Washington streets, landing passengers at the rink door. Fare, same as street car. Bus starts 7:30 and each half hour thereafter. Admission, 15 and 25 cents. We respectfully solicit your patronage.
