CHILL WINDS

Are the dread of those whose lungs are "weak." Some fortunate people can follow the summer as it goes southward, and escape the cold blasts of winter and the chill airs of spring. But for the majority of people this is impossible.

Per year, by mail.

Family cares and business obligations hold them "Weak" lungs are made strong by the use of Dr. Pierce's Golden Medical Discov. ery. It cures the obstinate cough heals the inflamed tissues stops the hemorrhage, and retores the lost flesh to the emaciated body. "I am a railroad agent," writes I. B. Staples, Esq., of Barclay, Osage Co., Kans., "and four years ago my work keeping me in a warm room and

Doctors failed to h my case and advised me to try a higher but, fortunately for me, a friend also advised me to try Dr. Pierce's medicines. I commenced taking your 'Golden Medical Discovery,' and by the time I had taken the first bottle I was bet-ter, and after taking about four bottles my cough was entirely gone. I have found no ne-cessity for seeking another climate."

Sometimes a dealer, tempted by the little more profit paid on the sale of less meritorious medicines, will offer the customer a substitute as being "just as good " as the " Discovery."

"I had suffered for three years with terrible pains at the time of menstruation, and did not know what the trouble was until the doctor pronounced it inflammation of the ovaries, and proposed an operation.

"I felt so weak and sick that I felt sure I could not survive the ordeal, and so I told him that I would not undergo it. The following week I read an advertisement in the paper of your Vegetable Compound in such an emergency, and so I decided to try it. Great was my joy to find that I actually improved after taking two bottles, so I kept taking it for ten weeks, and at the end of that time I was cured.
