Narrow Escape from Appendicitis of the Steward of the Jackson City Club.

James Moore, Jackson, Mich.

It certainly does seem, from what people say, that it would be a mighty good thing to have a bottle of Dr. Colwell's Magic Egyptian Oil setting around the house handy in case of emergency. The publisher of this paper has seen the original letters from the people who are quoted in this paper as having been cured of various severe allments by Magic Egyptian Oil and everyone is genuine and sincere.

Magic Egyptian Oil and everyone is genuine and sincere.

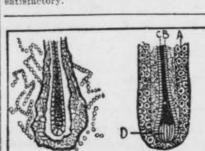

Mr. James Moore, well known in club life in Detroit, Windsor, and now the popular steward of the Jackson City club, tells of a remarkable experience with Magic Egyptian Oil. He says: "I was stricken with a very severe pain on the right side over the vermiform appendix. In a very short time I would have had a dangerous case of appendicitis. Just one good dose of Magic Egyptian Oil cured me and I have stayed cured. Jas. Moore, steward Jackson City club."

Dr. Colwell's Magic Egyptian Oil is for sale by all druggists at 56 cents and everyone should have a bottle setting around the house handy in case of emergency, for it cures all pains and bruises, sores and aches of the body, limbs or head; and remember, every druggist is authorized to refund the money on any bottle of Dr. Colwell's Magic Egyptian Oil that does not prove entirely satisfactory.
