The letters of Miss Merkley, whose picture is printed above, and Miss Claussen, prove beyond question that thousands of cases of inflammation of the ovaries and womb are annually cured by the use of Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:-Gradual loss of strength and nerve force told me something was radically wrong with me. I had severe shooting pains throught the pelvic organs, cramps and extreme irritation com-pelled me to seek medical advice. The doctor said that I had ovarian trouble and ulceration, and advised an operation. I strongly objected to this and decided to try Lydia E. Pinkham's Vegetable Compound. I soon found that my judgment was correct, and that all the good things said about this medicine were true, and day by day I felt less pain and increased appetite. The ulceration soon healed, and the other complications disappeared and in eleven weeks I was once more strong and vigorous and perfectly well.

"My heartiest thanks are sent to you for the great good you have done me." — Sincerely yours, MISS MARGARET MERKLEY, 275 Third St., Milwaukee, Wis.

Miss Claussen Saved from a Surgical Operation.

"DEAR MRS. PINKHAM: - It seems to me that all the endorsements that I have read of the value of Lydia E. Pinkham's Compound do not express one-half of the virtue the great medicine really possesses. I know that it saved my life and I want to give the credit where it belongs. I suffered with ovarian trouble for five years, had three
