

CONTEST SAID TO BE UNLIKELY

EDWARD MCCARTHY INCLINED TO ABIDE BY RESULTS OF MONDAY'S BALLOTING.

HOWEVER, IT IS NOT DECIDED

May Ask Council to Recount the Votes—Recorder Donovan Wants It Done, if Request Is Made—Election Matters.

There was much comment yesterday on the closeness of the race between Recorder Donovan and Edward McCarthy, and general inquiry as to whether there would be a contest, a not unnatural thing, inasmuch as only three votes separated the winner and the loser.

When seen by a Mining Journal man yesterday, Mr. McCarthy had not reached a decision whether or not he should ask the council for a recount. He said he charged no dishonest work in any of the wards, but believed that a recount might disclose a discrepancy in the making of the returns that might count in his favor.

The office, as the election fell out, is not as good a thing as it has been in past years. The recorder has previously been a justice of the peace, the two offices going together. This year Donovan and McCarthy were each candidates for both offices, and while Donovan pulled through as recorder McCarthy was elected justice.

LAKE TRAFFIC DEFINED.

The department of commerce and labor has finally and definitely determined the status of a passenger on a boat.

Harrison Nesbitt, acting solicitor general, who ruled upon the act of congress covering this point, says it is clearly not the intent of the law that every person, other than the members of the crew, who is aboard a vessel not equipped or certified as a passenger boat, shall be deemed a passenger.

The decision was the result of the finding of the steamer R. L. Aubrey \$500 by the surveyor of customs at Louisville for an alleged violation of section 4417. The Aubrey is a towing boat used on the Ohio river, and towed a vessel upon which were carried certain members of the families of the owners.

PACKING VOTING MACHINES. Will Be Stored Here Until Council Acts Concerning Them.

E. D. Clark, an official of the Abbott Voting Machine company, was busy yesterday superintending the packing of the machines used in the election Monday.

USUAL HEAVY MAJORITIES

REPUBLICAN CANDIDATES RAN AWAY AHEAD OF THE DEMOCRATS IN MARQUETTE—OTHER ELECTION NEWS.

The result of the vote on the question of purchasing voting machines for use by the city means that Marquette will make the purchase as soon as the council deems it advisable.

There is still the United States Standard machine to be reckoned with, however. It would undoubtedly be poor business policy for the council to purchase one machine without giving the other a test, and the United States Standard company will probably be asked to put their machines in the city at the next election, in November, 1908.

The vote on the voting machines Monday fell about 700 short of that by ballots. This is probably not due so much to the people not wishing to try the machines, but rather to a lack of interest in the state election.

Following is the total vote received by the several candidates for state offices:

—Justices of Supreme Court— Carpenter, Rep., 883; McAlvey, Rep., 885; Stone, Dem., 184; Carr, Dem., 247; Fox, Pro., 44; Woodman, Pro., 33; Greenly, Soc., 35; McFarlan, Soc., 38; Hassler, Soc. Lab., 15; Clement, Soc. Lab., 9.

—Regents of the University— Leland, Rep., 709; Beal, Rep., 675; Ferris, Dem., 322; Harmon, Dem., 143; Powell, Pro., 27; Gray, Pro., 27; McMaster, Soc., 25; Henderson, Soc., 28; McNelis, Soc. Lab., 4; Ingram, Soc. Lab., 6.

—Member Board of Education— Cotton, Rep., 985; Parkhill, Dem., 249; Goodrich, Pro., 34; Kowalski, Soc. Lab., 37.

—County Superintendent of Schools— Sterne, Rep., 1,098.

The campaign of the labor organizations against the prison labor amendment to the constitution showed results in Marquette, for the returns indicate that the vote against the amendment was 200 heavier than the vote for it.

AN INTERESTING LETTER.

Mrs. Ryan, a Delta county woman visiting in Marquette, called on Peter White yesterday to show him a letter of recommendation that he gave to Mrs. Ryan's father, Axel Lathrop, fifty-three years ago.

That he has known and done business for and with Mr. Axel Lathrop of this place, during the last three years, and has found him uniformly prompt and punctual in his promised payments and straightforward and fair in his dealings with all.

And further: I know him to be both temperate and industrious and firmly believe that he is not a man who will make promises unless he is very confident that he can carry out and fulfill them to the letter.

As far as my acquaintance with him goes, I pronounce him to be an honest, upright and trustworthy man, and as such recommend him to the public.

ST. PAUL'S PARISH PLANS GUILD HALL

HON. PETER WHITE GIVES \$5,000 FOR A NUCLEUS FOR A BUILDING FUND.

VESTRYMEN WILL ACCEPT IT

Rev. Bates G. Burt Expects That Building Will Be Erected This Year—He Outlines Its Purposes—To Be Open to Public.

Because of the prompt response of the Hon. Peter White to an appeal of Rev. Bates G. Burt, of St. Paul's cathedral, it is regarded as assured that the property of the parish, fronting on High street, between Ridge and Arch streets, will be further improved this year by the erection of a handsome Guild hall.

The purposes of the proposed structure are indicated in Mr. Burt's letter to Mr. White, in which he asked for the latter's co-operation in securing the erection of the building.

Scope of Proposed Building. "My idea would be to provide suitable rooms for guild, or club, meetings, a gymnasium for the young people, reading and possibly smoking rooms, a place for one or two billiard tables, with perhaps a small bowling alley in the basement, though I am not concerned about the last named. I would not equip it with an assembly room, which is always an essential feature of modern guild halls, but would continue to use the chapel for Sunday school exercises, week day services, suppers, sales and all other large meetings and entertainments given in the parish.

As above stated, the parish house should conform in style with the chapel, should be constructed of the same stone and should be set far enough back from the street that it would not detract from the present handsome appearance of the block."

Would Admit General Public. "The clergy and laity throughout the country are coming to recognize the desirability of more extensive work along institutional lines in their respective parishes. Nowhere it seems to me, as such work more needed than in Marquette. We have no Y. M. C. A. here. There is no institutional provision for keeping young boys off the streets and surrounding them with uplifting influences after school hours and work hours. These ought to be. And if any plans are realized I should like to make all the privileges of the club rooms, gymnasium, etc., open, under proper limitations of course, to the general public. I believe in this way an enormous amount of good could be done, particularly among the young people, to offset the many evil influences that now surround them."

Mr. White's generous response to this letter is regarded as assuring the carrying out this year of the plan it proposes, and it is expected that the preliminary looking to the erection of the proposed Guild hall will be gotten under way within a few weeks.
