FERGUSON BUSINESS COLLEGE

MARQUETTE, MICHIGAN.

Another class in stenography will begin Monday, Sept. 14. Students may take up any subject any day in the year, but it is more pleasanc for the student to begin when others do.

WHAT WE CAN DO FOR YOU.

We can teach you the best system of shorthand. We can teach you to be an expert operator of the typewriter by the touch system.

We can teach you to keep books as they are kept in business offices.

We can teach you actual office work, as well as it can be taught in any business school.

We can teach you business penmanship-this is one of our specialties.

We can teach you to be rapid and accurate in figures.

We can teach you to compose a good business letter, and to punctuate it correctly.

We can teach you all the English branches.

When you have learned the above, we can place you in a position, and we will guarantee to do it.

If you want a good position in Upper Michigan, the president of the Ferguson Business College can do more than any other man for you.

We secure board and room for our out-of-town students at a lower figure than the same accom-modations can be secured in any other city in Upper Michigan.

We have branch schools in Iron Mountain and Ironwood. 8-26-tf

TAKE OFF HATS!

Some tailors right here in Ishpeming tell you that they don't take off their hats to the best New York or Chicago tailors. What nonsense. I am more modest than that. But I will say, that I don't take off my hat to any Marquette county tailor. I will say also, that I can give you as good a suit for \$20 as you can get from others, who claim to be tailors, for \$30. Just come in and see for yourself.
