

MURPHY IS WARM UNDER THE COLLAR

Telegram Sent to Washington, D. C., by the Attorney for the Railroads of the State Incesses the Congressman from Missouri.

That He Will Now File Formal Charges of Impeachment Against Federal Judges Phillips and McPherson Is Announced by the Solon, and in His Denunciation of the Jurists He Is Backed Up in All Particulars by His Colleague, Mr. Rucker.

Washington, May 6.—Federal charges of impeachment against Federal Judges Phillips and McPherson, of the Western district of Missouri, are to be filed by Representative Murphy of that state, who made announcement of that fact immediately after the house adjourned today.

Injunction Is Continued in Force. Kansas City, Mo., May 6.—Judge Smith McPherson, in the federal court here, today continued in force the temporary injunction recently granted by Judge Phillips, restraining Siebert Jones, circuit attorney at St. Louis, from prosecuting the suit filed by him in the circuit court in that city, seeking to restrain the railroads of Missouri from charging a three-cent passenger rate.

No other state officers are included in the injunctive order, which is to remain in force "until differently ordered by this court." The order contained the reservation, however, that supplemental orders might be issued against other persons should subsequent events demand such action.

Stating that he was one of those "Republicans" who had fought for reduction of the tariff, Mr. Cummins declared that "not a single member of that committee had demanded the revision of the Dingley bill. They did not believe a revision was necessary, and it was no wonder that they should not now favor changes in the duties."

Senator Cummins asked the finance committee to explain why the duty on oil cloths had been doubled by making it apply to narrow widths, and he was joined in this request by Mr. Beveridge.

Issue Is Dodged. Senator Flint, of the committee, replied that the answer would be made in due time, and added that if the members of the finance committee "had the ability of the senator from Indiana they would give the answer off-hand."

Mr. Cummins stated that he had had special opportunities for understanding the affairs of the American Steel & Wire company.

TARIFF DEBATE VERY INTERESTING

Sharp Colloquies in Which Mr. Cummins Takes the Most Prominent Part Feature the Discussion in the United States Senate.

Advocating Downward Revision, the Iowan Assails the Finance Committee and Incidentally Serves Notice That if the Law Does Not Check Monopolies Lamp Posts Will Be Found Where the People Will Take Matters Into Their Own Hands.

Washington, May 6.—But small progress was made in the consideration of the tariff bill by the senate today. The lead schedule was under discussion. Mr. Bristol made a strong fight against the proposed increase over the duties provided in the house bill, on the ground that such increases would unnecessarily increase the cost of paint, which the farmers use extensively.

Assails Finance Committee. Advocating downward revision of the tariff, Senator Cummins engaged in a sharp colloquy with other Republican senators over certain provisions of the pending measure.

Issue Is Dodged. Senator Flint, of the committee, replied that the answer would be made in due time, and added that if the members of the finance committee "had the ability of the senator from Indiana they would give the answer off-hand."

Mr. Cummins stated that he had had special opportunities for understanding the affairs of the American Steel & Wire company.

Senator Owen inquired how he had acquired such special information.

Further replying to Mr. Scott, Senator Cummins said that the stock of the United States Steel corporation had gone up so high because of its unlawful profits.

STOCKHOLDERS AT ODDS. Rapid City, S. D., May 6.—A default judgment for \$650,000 was entered in the Pennington county court today against the Harney Peak Tin Mining company, in favor of the Farmers Loan & Trust company, representing New York parties.

Mercer, Pa., May 6.—James H. Boyle, charged with kidnapping "Billy" Whittle, was today found guilty by the jury. The trial was started only yesterday.

Lansing, Mich., May 6.—A bill abolishing the sale of the labor of prisoners in penitentiaries to contractors passed the senate today. It had already passed the house, and the governor will sign the measure.

Lansing, Mich., May 6.—[Special.]—The house passed a mortgage tax measure today, in the shape of a substitute for the Giles bill, killed last week but tabled. The Giles bill was taken off the table and the Taylor bill was substituted therefor, subsequently being carried by the vote of fifty-eight to twenty-three.

The first witness called by the state in Mrs. Boyle's case was Miss Ella Boyle, sister of James Boyle. Apparently from the line of questioning the prosecution wanted to prove by Miss Boyle that the kidnapping conspiracy was formed while Mrs. Boyle was visiting in Sharon with her husband, and that she was implicated in it. It is surmised that the object of this is to overcome the contention that she could not have violated a law in this state while she was living in Ohio.

Mrs. Boyle took prominent part in the selection of her jury, prompting the attorneys in numerous cases and evidencing a preference for young, single jurors.

SAY HAINS ACTED RATIONALLY. Army Officers Controvert the Testimony of Witnesses for the Defense.

Fishing, O., May 6.—The defense had rested its case and the prosecution was well along in examining witnesses in rebuttal when court adjourned today in the Hains trial. The rebuttal witnesses for the state were principally army officers who had been stationed at Forts Hamilton and Hancock during June, July and August, 1908, and had met and talked with Captain Hains at that time.

PROGRAM FOR ELKS' CONVENTION.

Events for the Three Days' Gathering at Calumet Are Decided Upon.

At a meeting of the Calumet Elks' convention executive committee in the office of Architect F. W. Hosenmuller the program for the convention of the Michigan State association of Elks, to be held in Calumet June 15, 16 and 17, was outlined. Numerous details are yet to be arranged by the various sub-committees, but the program as arranged will give Elks and others a very good idea of what the convention features will be. The program is as follows:

—Tuesday, June 15—

Reception of delegates in evening. Band in attendance.

—Wednesday—

Reception of delegates in morning, followed by visits to the Calumet & Hecla mine, stamp mill at Lake Linden and the Light Guard Armory. A Glee club orchestra will furnish music at the banquet and the full Calumet & Hecla band will play for the dancing.

—Thursday—

9 a. m.—Ritualistic work and initiation in the Red Jacket town hall. The work will be conferred by visiting lodges in competition for the silver trophy offered by the Michigan Elks' association. During this session the visiting ladies will be entertained by automobile rides to points of interest.

1:30 p. m.—Parade will form.

5 p. m.—Convention session in Red Jacket town hall for election of officers and selection of next place of meeting.

—Evening—Dancing on the pavements; illuminated parade, followed by grand display of fireworks on vacant lots between Seventh and Eighth streets on Elm.

During the day three bands will furnish music, and in the evening two will be engaged.

Parade to Be Big Feature.

The parade committee has already arranged the route of the proposed parade in which hundreds of Elks from all parts of the state will participate. The Calumet Elks will appear in white with white ribbons, and white caps with purple bands. Each man will wear a purple carnation and carry a red cane with a purple and white pennant. The effect should be most picturesque and striking. The Hancock Elks will appear in blue and white uniforms, and altogether the parade should be one of the most attractive ever seen in Calumet.

It was decided by the executive committee to have ribbon badges for the visiting Elks. These badges will be white ribbon, "Calumet, 1909," in purple letters. Upon arriving in Calumet the visiting Elks will register at the Red Jacket town hall, which will be the convention headquarters, and upon registration each will receive a badge. In addition to these badges each delegate will get a special badge furnished by the Michigan Elks' association.

From now on each sub-committee will be hard at work perfecting the many details which need attention. Excellent progress is being made and all indications point to a most successful and enthusiastic convention.

BLOCK ILLUMINATED AGAIN.

Businessmen in West Houghton Solve the Lighting Problem.

The decorative illumination of Sheldon street, which was shut off April 1, was resumed in part last night. The block between West Houghton, including that block between Dakota and Quincy streets, and Cavan & Co. on the western side of Dakota street having arranged with the Houghton County Electric Light company to restore the lights in that particular locality. A canvass of the block was made by a committee and the businessmen responded to a man.

The businessmen of West Houghton, so-called, but meaning the businessmen of this particular block, have often given evidences of enterprise, and this summer they are going to continue to make their portion of Houghton's business district attractive. They will resume their weekly band concerts one week from next Saturday night and will have music every Saturday night throughout the summer. Next Saturday night at the Lake Linden Hotel, which on that night gives a dance in Hurontown, will play a concert for the West Houghton merchants between 7:30 and 9 o'clock.

MACCABEES' BIG MEETING.

The members of Laurium tent, Knights of the Maccabees, are making arrangements for a rousing meeting to be held next Tuesday evening in the First National bank building. It will mark the wind-up of a successful campaign for new members, which has been under way since February. A large class will be initiated into the mysteries of the order. A banquet and smoker have been arranged for. James Paterson of Marquette, district deputy commander, will be present. An invitation for the evening has been extended to Calumet tent, Sampo tent and Cavour tent of Calumet; Copper tent of Lake Linden; Klipi and Ingot tents of Hancock and the Houghton, Dollar Bay and Hubbell tents.

WILL HAVE FINE GARAGE.

Twin City Motor Company Starts Erection of Building in Hancock.

Excavating is in progress, preparatory to the erection of a garage for the company at the Twin City Motor company. The building will stand near the lake front at the foot of Reservation street. Contractor C. C. Davis is doing the work. The work will be rushed and it is expected that the building will be completed in about two weeks. The plans will be for an absolutely fireproof structure. Its inside dimensions will be 49x75. The south and east walls will be of brick. The west end will be of steel and so arranged that an extension can be made should increasing business make it necessary. The floor will be of cement. There will be no posts in the building. The roof will be of steel, furnished by the Wisconsin Bridge & Iron works. The garage will be divided into two rooms, one for the machines and another for the machine shop, where repairs will be made. A wash rack will be used as an office and a waiting room. It is the intention of the company to engage none but first-class workmen and chauffeurs. The four cars ordered are expected in a few days. There are large Grabowsky power wagons, each with a capacity of sixteen passengers.

NORWEGIANS TO OBSERVE MAY 17.

Calumet Will Have a Big Celebration of National Holiday.

In celebration of Norway's independence, the Norwegians of Calumet are planning a fitting celebration of the fiftieth of May. The Fremad society took the matter in hand several weeks ago and now has its plans well along. Independence Day is a great occasion for the Norwegian whether he lives under the rule of the king or under the shadow of the stars and stripes. It has been the annual custom of Calumet Norwegians to observe this day with the greatest respect, and this year there will be no exception. At the preliminary meeting a committee consisting of Foster Borgrevink, John Brevik, Hans Hans and Olaf Johnson was named to make all arrangements for the celebration. The observance of the day will be along the lines adopted in previous years and will include a literary and musical program.

HANCOCK HIGH SCHOOL CONCERT.

The members of the Hancock High school choir and other pupils of Professor L. A. Collom are daily preparing for the concert to be given Monday evening. Professor A. J. Bucholz, violinist, is aiding in the direction of the entertainment. Professor Collom and his pupils have been preparing for this recital for the past two months. The following program has been arranged:

Those who will officiate at the piano are Mrs. Bre, Miss Ethel D. Clever, Miss Edna Smart, Miss Isora Jenkins, Romaine Collom, Laurene Hamill and Mable Cook. The high school girls' quartet is composed of the Misses Marjorie McLain, Elaine Shields, Elsa Cameron and Elsie Conghlin. The girls' glee club has as its members, Laura Macdonald, Elsa Cameron, Charlotte Mitchell, Jean Macdonald, Elaine Shields, Florence Hall, Edith Richards, Stella Schuler, Mary Erickson, Eleanor Lasse, Mable Cook, Olive Hall, Cecil Light, Elsie Conghlin, Ernest Brock, Emma Copeland, Dorothy Gregory, Mildred Weismiller, Marjorie McLain, Clyda Anderson, Hazel Congdon, Olive Clark, Ingrid Wright, Belle Hamill, Laurene Hamill, Lena Balmer and Romaine Collom. These composing the boys' glee club are: Edward Nelson, Ernest Kotila, Henry Funke, Cleveland Rossman, Horton Courtney, Delor Beuchamp, Clyde Mitchell, Russell Guilbeart, Bertram York, Gustav Zetsche, Joseph Funke, Clifford Mitchell, Ray Scholler, Arthur Kendall, Rudolf Sullivan, Philip Curroll, Earl Louly and Cecil Wagner.

SIGNS THE PLEDGE.

Grace Spellman, arrested at Calumet and taken before Justice Jackola on a disorderly charge, has secured her liberty on the payment of the costs, and the attachment of her signature to a pledge stating that she will not touch intoxicants for at least a period of six months.

Miss Niemi of Reno has brought complaint against Arthur Kakkela of the Alouze, charging him with slander. The defendant pleaded not guilty in Justice Jackola's court and the case was set for May 21. A number of witnesses are to be subpoenaed.

SIGNED WITH TWO TEAMS.

Word has been received in Calumet that Bert Roseveare of North Tamarack, at present playing ball with the Moosejaw team in the Western Canadian league, is liable to suspension from organized baseball. It seems that Roseveare signed to play with the Jackson team in the Southern Michigan league before he signed up with the Canadian club. The matter has been taken up with the national commission and the outcome will be awaited with interest in Calumet.

GENUINE "BULL" DURHAM SMOKING TOBACCO

"Bull" Durham was the favorite of your grandfathers and of their fathers before them. Its rich, mellow fragrance, uniform high quality and unquestioned purity not only made it the most famous high-grade tobacco the world has ever known, but year after year has increased its popularity, until today more "Bull" Durham is sold than all other high-grade tobaccos combined.

Its superior quality has always been maintained and always will be, and today it stands unrivalled.

More "Bull" Durham was sold during the past six months than any other six months in the history of the brand. There could be no better evidence of its superiority.

SAVES VILLAGE \$1,000 A YEAR.

Duties of Clerk and Secretary of Water Board Are Combined at Laurium.

The main feature of this week's Laurium council meeting was the action of the board in combining the offices of clerk and secretary of the water board, thereby saving the village \$600 yearly. The village attorney's salary was also reduced, and it is estimated that a saving of \$1,000 annually has been made. Because of his additional duties the compensation of the clerk was increased from \$70 to \$100 per month. The attorney will receive \$400 per year, instead of \$800 as formerly.

C. S. Sloane, general manager of the Calumet Gas company, appeared before the council and submitted a proposition to light the village with gas. The council discussed the matter tentatively, but no definite action was taken. The matter was referred to the street committee, which will report at the next regular meeting. The company offers to furnish the necessary lights provided the village furnishes the poles. It claims that it can light the village much cheaper. Some of the aldermen believe that the village cannot do without the lights, and that if gas was introduced for street lighting purposes it would still be necessary to use electric lights in some places. The question will be thoroughly threshed out before being finally disposed of.

The following salaries were decided on for the ensuing year: Marshal, \$80 per month; street commissioner, \$70 per month; clerk and secretary of the water board, \$100 per month; night watchman, each \$70 per month; janitor, \$55 per month; electrical inspector, \$20 per month; plumbing and sewer inspector \$70 per month; fire alarm inspector, \$10 per month; teamsters, each \$65 per month; engineer and assistant, each \$10 per month; treasurer, \$250 per year; attorney, \$400 per year; assessor, \$275 per year; health officer, \$50 per year; members of board of health, each \$10 per year; fire wardens, \$3 per day when on or near to work.

MARKETS

NEW YORK STOCKS.

Paine, Webber & Co.'s correspondent at New York yesterday, telegraphed as follows:

"Today's market exhibited strength. Several of the usually inactive issues led the upward trend, especially Western Maryland, which had a five point advance on an unofficial report that Readley had secured control of it. The investment demand for Steel preferred and the better class of rails is daily improving. There is also more demand for the copper shares, on the belief that no general improvement in business can take place without favorably affecting the metal markets of the world. For the past three or four days there has been a growing conviction that this country is gradually broadening back into the prosperous conditions of three years ago, and that some legislative ideas now prevalent will afford the caution of the courts to corporations of all kinds, it is thought business will be conducted along lines which will ultimately result in a much better earning power and much less tendency toward frenzied speculative ideas. There is no doubt that commission house business is on the mend and cheap money is an incentive to investment buying. We believe in the stability of the market, because we believe in the country, but advise buying only on recessions."

CHICAGO GRAIN MARKETS.

Chicago, May 6.—May corn advanced today to 73 and the July to 70, both being new high marks for the crop. Shorts and commission houses were active buyers, the demand being based largely on the exceptionally small receipts, which consisted only of twenty-six carloads. Receiving houses reported that there were little prospects for any material increase in the movement in the near future, inasmuch as the farmers are now busy with the spring work. The market closed strong, 1/2 to 1 3/4 higher.

The July opened at 69 1/2 to 70 1/2; highest, 70; lowest, 69 1/2; closing, 69 1/2.

—The May advanced to 58 1/2, the highest price on the crop. The new crop futures also displayed decided strength, despite favorable weather for the crop, the July advancing to 51 1/2, the top mark for the season. Cash houses bought the May freely all day. The close was strong, 1/4 to 3/4 higher.

COPPER METAL PRICES.

London, May 6.—Copper advanced a full 2 1/2 per cent in the London market today, spot being quoted at 138, 17s, 6d and futures at 139, 12s, 6d.

Metal Market Improves.

Boston, May 6.—The copper market is very strong at 12 1/2 for electrolytic. Sales on this basis were made in Europe today by American producers, who also sold for domestic delivery at slightly better than 12 1/2. The metal is now being held for 12 1/2 on this side. It is said the United States selling company is out of the market at 12 1/2, at which level it is credited with having made large sales. The Guggenheim interests, through their own agency, have been good sellers, their transactions including a single block of one million pounds for Pennsylvania railroad construction work.

Don't Heat the Kitchen

All the necessary family cooking may be done as well on a New Perfection Wick Blue Flame Oil Cook-Stove as on the best coal or wood range.

MAJOR GENERAL WOOD REBUKES COURT-MARTIAL.

Declares the Verdict in the Court Case One of the "Most Flagrant Instances of Miscarriage of Justice in Army's History."

Washington, May 6.—Army men were astounded when they read the unjustified condemnation of the findings of a court-martial composed of officers of high rank contained in a general order last issued by Major General Wood from the headquarters of the department of the East. General Wood's declaration, among other things, that the case was one of the most flagrant instances of a miscarriage of justice in the record of the army.

The case was that of Captain Rex van Dorn of the coast artillery corps, who was charged with irregularities in the keeping of certain accounts, the amount involved being between \$60 and \$70. It came out in the trial that he had been ordered to inspect stations to proceed from Syracuse, N. Y., return to Syracuse and then go to Birmingham. He found, however, that he could save a day by going to the farthest point without returning which he did once a month. This he saved it cost what he saved for extra meals, for which he could not charge, so, in his expense account, he charged the mileage for the trip as ordered. The court-martial found the defendant not guilty on all the specifications, but "guilty of conduct to the prejudice of good order and military discipline." The sentence was that he should be reprimanded by the reviewing authority.

The order from General Wood, which was conspicuously displayed at every military post in the department of the East reads: "In this case the accused deliberately and repeatedly disregarded the obligations of his office and the principles of common honesty and integrity, and certified, over his official signature, that he had performed certain acts when in fact he had not done so, and on these untrue certificates he claimed and received money from the United States as mileage to which he was not entitled. That a court composed of officers of rank and experience should accept the reasons by which the accused attempted to justify his admitted acts, set aside from their consideration those acts and the material evidence of the case, is incomprehensible to the reviewing authority and is a serious injury to the military service and its reputation."

"The government permits an army officer to certify to the facts in many cases in which an oath is required from other public officials, and it should be the duty of all officers to see that the proof, if so required, cannot be violated without swift and certain punishment. The opinion of the court amounts to a declaration that the presentation of false certificates and the collection of mileage for travel knowingly not performed is not inconsistent with the honorable status of an officer and a gentleman."

"This case will, in the opinion of the reviewing authority, always stand as one of the most flagrant instances of a miscarriage of justice in the record of the army. The findings and sentence are, therefore, most emphatically disapproved."

OPERATION HER ONLY CHANCE

Was Cured by Lydia E. Pinkham's Vegetable Compound

Adrian, Ga.—"I suffered untold misery from a female weakness and disease, and I could not stand more than a minute at a time. My doctor said an operation was the only chance I had, and I dreaded it almost as much as death. One day I was reading how other women had been cured by Lydia E. Pinkham's Vegetable Compound, and decided to try it. Before I had taken one bottle I was better, and now I am completely cured."—LENA V. HENRY, Route No. 3, Adrian, Ga.

Why will women take chances with an operation or drag out a sickly, half-hearted existence, missing three-fourths of the joy of living, when they can find health in Lydia E. Pinkham's Vegetable Compound?

For thirty years it has been the standard remedy for female ills, and has cured thousands of women who have been troubled with such ailments as displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pain, backache, indigestion, and nervous prostration.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Mrs. Pinkham at Lynn, Mass., for advice. Your letter will be absolutely confidential, and the advice free.

HOT SPRINGS BLOOD REMEDY

PURIFIES THE BLOOD.

Do you feel worn out? Feel as though you could hardly go? These are symptoms of sluggish blood; blood that is not circulating right. Are you pale and anemic? This is caused by the blood not properly nourishing the cells of the body.

Have you pimples or boils? They are the result of the blood failing to do its duty of carrying away waste material from the cells.

If you have any of the above complaints do not suffer. COME TO US. We will recommend to you a bottle of Nyal's Hot Springs Blood Remedy.

We know what it will do. We have seen the results.

If you suffer from eczema, tetter, scrofula or any other skin disease, take a course treatment (not less than six bottles) and we will be greatly surprised if you are not cured.

The Woman's society of the Presbyterian church will meet with Mrs. Dr. Drake, East Hewitt avenue, this afternoon at 3 o'clock.

The Ladies' Aid society of the Methodist church will meet at the home of Miss King, 139 Hewitt ave. this afternoon at 2:30 o'clock.

The Marquette weather station will begin the issuance of their daily weather bulletin today, which has been discontinued during the winter months.

There was a large crowd present at the dance at Legion Hall last night, given by Our Boys' band, and a good time was enjoyed by those present.

The six Marquette saloon keepers, whose cases have been pending in Justice Byrnes' court, at Ishpeming, for several weeks, have been bound over to circuit court in the sum of \$300 each.

Let those not recipients of formal invitations forget, the Kappa Alpha Pi fraternity wishes for the last time to announce that this is the evening of their first party, and all those who usually attend parties given by this clique are cordially invited.

Took Examination—Sixteen boys and girls from Birch, Cheseley and Skandia took an examination for entrance to the high school at the Ely school yesterday. The examination was in all the common school branches and was conducted by County Superintendent Sterne.

Uniforms Ordered—Eleven uniforms for the Marquette baseball team have been ordered by A. C. Spalding & Co. through C. F. Willesen. The uniforms selected are of dark green color, with caps and stockings to match. The new outfit will give the Marquette players a natty appearance upon the field.

Picnic Super This Evening—The "picnic" supper which the Baptist Ladies' Aid society was to have given last Friday night, but which was postponed on account of the storm, will be served in the church parlors this evening, beginning at 6 o'clock. The members of the church and congregation are cordially invited.

Boats Take Refuge—The high sea running drove a number of boats into the harbor from the lake yesterday. Among those at anchor last evening were the steamer Excelsior and barge Swedenheart, the steamer Zellah, with barges Peshtigo and Goshawk, and the steamer L. L. Barth with barge Helvetia. The steel trust steamer Zenith City was at No. 4 dock yesterday loading Buffalo Cameo and Bedford ore, and will carry a cargo of 5,400 tons.

Basketball Game—The girls' basketball team of the Marquette High school and the girls' team from the Negamue institution will meet in a game at Legion Hall Saturday evening. This is the third time the girls have played since their teams have been organized, and their work is to be highly praised. This is the only girls' team organized here in past three or four years. Informal dancing, for the entertainment of the visitors from Negamue, will follow the game.

Ore Docks Visited—Professor Mills geography classes visited the ore docks, Anderson fish house and weather bureau yesterday afternoon. At the docks, practical methods of loading ore, and were taken aboard the steel trust steamer Zenith City, which was loading at the dock. At the weather bureau the class was shown the intricate machinery used in making observations and something of the work done by the local observers. The trip to the fish house also proved of interest.

up in Justice Byrnes' court yesterday. Joseph Dunkley, who owns land bordering on the lake near the prison, brought complaint that Mitchell Berry had stolen a load of driftwood from his property. Mr. Berry declared that he had not taken wood from the land owned by Mr. Dunkley but from the strip of windrowed ice that extends about 100 feet into the water. The case was continued until Monday in order to find out, if possible, what the law is regarding the ownership of driftwood on ice bergs.

J. H. Primeau, Jr., an Actor—J. H. Primeau, Jr., of this city, carried a prominent part in "Le Barbier de Seville," given by the French Cercle of the University at Ann Arbor last Friday night. The university daily speaks as follows of Mr. Primeau's rendition of the role: "Joseph Primeau, as Le Comte Almaviva, the successful suitor for the hand of Rosine, was very well cast. Almaviva is vigorously passionate, and becomes very disingenuous, presenting himself at the door of Rosine as a drunken soldier, and a music maker. In both of these scenes Mr. Primeau was clever enough to answer the demands of the play." B. Primeau took one of the minor parts in the production.

Last Sad Rites—The funeral of the late A. M. Bigelow was held from the family home, 517 Pine street, yesterday afternoon at 2:30 o'clock, and was largely attended. The Marquette lodges of Elks and Knights of Pythias attended the obsequies in a body, and a number were present from Negamue and Ishpeming, where the deceased was well known. Many of the business houses were closed during the hour of the funeral. The services were conducted by Rev. Ames Maywood. Among the relatives from abroad who are in the city are J. W. Bigelow, another of the deceased of Hensley, W. Va., and Mrs. A. J. Bigelow and Mrs. George N. Stacy, of Flint, the mother and sister of the deceased. Mrs. Frank Turner, of Flint, another sister, was unable to be present because of illness.

Many Interesting Numbers—Some of the interesting features of the Little Folks' concert, to be given at the Methodist church next Tuesday night are a number by fourteen members of Our Boys' band; a song by Santa Claus; duet by Carroll Trevillion, aged three, and Henry Roberts, aged five; cornet and alto duet by Leo and Clarence Klamer; cornet solo by Leo Klamer; soldier song by Lowell Pelbow; solo by Chester Pierce; "Birdie's Ball," by Harriet Knight and chorus; song by Shelley Jones; piano solos by Marian Koepeke, Margaret Lewis and Helen Wright; recitation by Audrey Bricker; recitation by Cecile Bell; humorous recitation by Helen King, and a song entitled, "Our Fairies' Lullaby," by Dorothy Maywood, Louis Foulkes, Catherine Fasshender and Helen King. Those selling tickets are meeting with flattering success.

COUNCIL RECEIVES MANY PETITIONS

SEVERAL PERSONS ASK TO BE EXEMPT FROM THE PAYMENT OF WATER TAX AND METHODIST CONGREGATION SEEKS THE DONATION OF A SIDEWALK.

Quite a large batch of petitions and communications were presented to the council at its regular meeting Wednesday evening. Among them was a communication from the pastor, trustees and eighty members of the First Methodist Episcopal church, asking that the council pay in full for the expense of constructing a concrete walk at the parsonage and calling attention to the fact that a similar petition had been presented to the council some months ago, when a rebate of 20 per cent was granted. The petitioners expressed dissatisfaction with the amount of the rebate because the council had seen fit to pay in full for the sidewalk constructed at the Convent school property some time ago. The recorder was instructed to notify the petitioners that the council had taken action upon their former petition and the communication received at Wednesday night's meeting was ordered placed on file.

Petitions from the following persons, asking that they be exempt from the payment of water taxes, were read and referred to the committee on water works: Mrs. F. Engman, No. 300 East Bank street; Mrs. James Regan, No. 100 New York street; Mrs. Ida Sophia Willgren, No. 321 Pearl street; E. Ross, No. 158 West Superior and 420 Alder streets; Mrs. Eva Nelson, No. 612 East Vine street; Mrs. Augusta Ohman, No. 319 Maple street; Mrs. B. Ready, No. 129 West Superior street; Victor Anderson, No. 611 East Empire street; Ole Fosmo, No. 758 Michigan street.

Charles Lindstrom and seventeen other taxpayers of the Bancroft location petitioned for are lights, one to be placed at the corner of Cliff and Hazy streets, and another at some convenient point on the south part of Cliff street. The petition was referred to the committee on lighting.

The Peninsula bank petitioned the council, through Thomas Walters, as president, for a refund of \$55,227 representing that taxes had been paid twice on thirty shares of the bank stock held by C. A. Sundstrom and the late E. A. Malmgren. The petition was referred to the committee on finance and taxation, together with the city attorney.

Rev. T. A. Lillehei, pastor of the Norwegian Lutheran church, and the five trustees and nine others, asked that a certain portion of East Ridge street be graded. The part specified is one block between North Third and North Fourth streets, also a portion of North Fourth between East Ridge and Bank streets, a distance of one block. The petition was referred to the committee on streets and alleys.

Trustees Re-elected.
William P. Helden was re-elected a member of the board of trustees of the Carnegie Public Library and William Erickson was re-elected a member of the cemetery board. Both elections were by a unanimous vote of the council.

The board of public works recommended that a basement be constructed under the city warehouse building on the corner of Bank and Fourth streets. This will serve as a place for keeping wood water pipe, which the board is constantly taking from various points in the water system. The estimated cost of the excavating, stone walls and plank floor overhead, is \$820. The communication was referred to the committee on building.

The board of public works also recommended that the council endeavor to sell two compound Worthington pumps used at the old pumping station, as the city has no further use for them in the water department. The communication was referred to the committee on water works and board of public works.

Over \$55,000 in Treasury.
The committee on taxation presented a trial balance taken from the books of the recorder and city treasurer the first of the month. It showed a balance on hand of \$55,220.44.

The total bills payable and pay rolls for April amounted to \$4,874.62. Of this sum, \$1,842.23 was for the official pay roll, \$2,823.76 for the highway pay roll, \$2,826.62 for the sewer pay roll, and \$461.64 for the water works pay roll, making a total of \$2,891.65. The bills payable were charged to the various funds as follows: Street lighting, \$818; fire, \$142.80; general, \$2,623.55; cemetery, \$60.35; police, \$3.80; highway, \$276.40; water, \$183.43; library, \$208.80; sewer, \$725; total, \$1,892.97.

The bond of City Treasurer Anton Augustsson was presented and accepted. The sureties are George F. Theisey, Thomas W. Hughes, H. F. Havn Thomas Walters, Herman Jadedeck, Otto Eger, Marquette, Mich.

"BELLE OF JAPAN" TONIGHT

Offering at Ishpeming Theater Said to Be Quite a Novel Attraction.

The attraction announced for Ishpeming theater tonight is Harvey B. Day's comedy drama "The Belle of Japan," which is said to be meeting with success everywhere on account of its original and pleasing powers. This novel comedy is said to introduce several new types of character never before presented on the American stage. The story deals with present-day life in Japan and is consistently told. The comedy is at all times very bright and the interest in the play never lags, but on the contrary increases to the fall of the final curtain. Throughout the performance unique songs and clever dancing numbers are introduced. The special scenery carried by the company, also the costumes, are said to be attractive. Miss Bessie Clifton will be seen in the title role, "The Belle of Japan." Her support is said to be adequate. The attraction will play at popular prices.

"GIRLS" A BREEZY COMEDY.

On Wednesday night next at Ishpeming theater Messrs. Shubert will present Clyde Fitch's latest and most successful comedy, "Girls," which comes with splendid recommendations. "Girls" is a breezy, laugh-provoking comedy, and shows a keen insight into the workings of the mind of woman. It is said that nothing that Mr. Fitch has ever written has made so instantaneous an appeal to the audiences who have enjoyed the work of this most prolific playwright as has "Girls." The production and the cast supplied by the Messrs. Shubert are said to be beyond reproach.

TO THE MERCHANTS.

Notice is hereby given that I will not be responsible for debts contracted in my name by my wife, who has left my home at Marquette and is now in Ishpeming. (5-5-1w) GEORGE MARTIN, JR.

TENTH ANNIVERSARY.

The members of Ishpeming branch, No. 270, of the National Protective Legion, will celebrate the tenth anniversary of its organization next Thursday evening, the 13th, at the Swedish Home society's hall. Mrs. C. N. Connor, district manager, of St. Ignace, will make the principal address. A program is now being arranged by the committee. Lunch will be served at the conclusion of the entertainment and the members will be privileged to invite their friends.

Cigars compose the smoker's next course. They are a fitting climax to an elaborate banquet or a simple home meal.

Gladstone, the famous English statesman, always smoked a clear Havana cigar after meals to aid digestion. LA VERDAD cigars are the best aid to digestion. They soothe the tired nerves and invigorate energy. Made in Tampa - sold everywhere. Four cents a pack. LA VERDAD cigars ask him for this.

ELY TOWNSHIP PEOPLE OPPOSED TO SALOONS

ONE LIQUOR BUSINESS HAD BEEN ESTABLISHED AND ANOTHER STARTED WHEN ONE PROPRIETOR WAS ARRESTED.

Maurice Dower, a former Michigan man, who a short time ago bought a building from Harry Adams at Clarkburg and prepared to engage in the saloon business there on the first of the month, is in a peculiar predicament. He equipped the building, which was some thirty odd years ago used as a church, for his business, and opened up last Saturday without a license. He had paid to Deputy County Treasurer B. W. Wright the necessary \$500 for the license, and he had also paid \$50 to the Michigan Bonding & Surety company for the bonds, and he supposed that he had a right to begin business before the bonds were approved by the township board. He procured a receipt for the \$500, also a receipt for the amount paid the surety company, together with a letter from the latter stating that the bonds would be forwarded in due time.

Soon after Dower opened up for business a complaint was entered against him and he was arrested on the charge of violating the liquor law. He has both domestic and foreign consumers accumulating large. The market for copper shares is as usual discounting the improved conditions in the metal. Eastern speculative interests are fast coming to the realization of these facts, and while it is true that some hesitation is shown in the market for rails and industrials attention is being transferred to copper stocks. Trading has broadened out to no small degree and as the volume increases, a higher level of prices is naturally the result. The Cole-Ryan stocks are noticeably stronger as a group, and their technical position is such that they can be moved up sharply with little effort. The average level of prices at the close today shows a substantial advance over yesterday's, and the tone of the market cannot but be described as very strong. Trading in the curbs was more mixed, but these also showed improvement. Bids of 6 1/2 failed to dislodge any Live Oak. A new and important strike is reported in the No. 4 tunnel of San Antonio. Cordova advanced a half to 2 1/2. Globe Consolidated was up one-half. Chief Consolidated was one-eighth higher, while Casus remained unchanged. Amalgamated closed at 80 1/2, the top price for the day, and the highest price for many weeks. We look for a continuation of the upward movement, and would buy them on every setback. Giroux Consolidated will be listed on the Boston Stock Exchange tomorrow.

\$100 REWARD.
The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

ISHPEMING IN BRIEF.

Jerry Laroche, a former resident, now located in Duluth, is spending a few days in the city.

O. D. McClure, master mechanic of the Cleveland-Cliffs Iron company, is in New York this week on business for the corporation.

George A. Novett's new Franklin touring car arrived Wednesday. It is similar to the car W. H. Johnston recently purchased.

Birch reported in the city yesterday as a daughter to Mr. and Mrs. Almedo Ginnville, 424 East Division street, to Mr. and Mrs. Dominic Mellitti.

William Leininger left last night for Oskosh, in response to a telegram advising him of the death of his grandfather, Matthew Snyder, who was eighty-six years of age.

A special street car will leave the South Shore depot this afternoon at 3:30 o'clock for the accommodation of Ishpeming people going to Negaunee to attend the meeting of the temperance advocates who are to consider local option matters.

Mrs. George Jones has returned from Sioux City, Ia., where she had been confined for several weeks in St. Joseph's Mercy hospital, submitting to a surgical operation shortly after arriving there. She was accompanied home from Chicago by her daughter, Miss Viola, and Mr. W. C. Mitchell, who went down to meet her.

Rev. C. L. Adams is booked to read a paper on "The Fundamentals of Our Faith" at the annual convention of the ministers of the Houghton district. The convention is to be held Tuesday and Wednesday of next week at Lake Linden. Dr. M. S. Rice of Duluth is to give an address on Wednesday afternoon and a lecture in the evening.

James E. Jopling, chief engineer of the Cleveland-Cliffs Iron company, who had been confined to St. Luke's hospital in Marquette for a few weeks, is convalescent, and is now at his home. He expects to soon resume his work here.

M. M. Dunross and family, who have been in the East for nearly a month past, are expected to arrive here next Monday.

August Lindine, who moved his tailoring, clothing and gentlemen's furnishing business to Iron River on the Menominee range a few weeks ago, has decided to return to Ishpeming. He is to resume business at his former stand in the Nolan block, corner Cleveland avenue and Second street, which has been vacant ever since he left here. His stock is expected to arrive in the city today or tomorrow.

ORATORICAL CONTEST AT THE HIGH SCHOOL

FOUR ORATIONS AND FIVE DECLAMATIONS RENDERED CREDITABLY WELL BY CONTESTANTS—THE WINNERS.

The high school oratorical contest, held at the high school auditorium last night, was most successfully carried out, and reflected great credit on both the diligence and ability of the contestants and the instructors by whom they were trained.

In the oratorical contest, the judges gave the first prize to Miss Anna Sweder, who delivered a masterly effort on the subject of "Peace." Miss Edith Mitchell, speaking on the subject, "Syllables Govern the World," won the second prize.

In the declamatory contest, Miss Angeline Wylie took first place, her subject being Walter Scott's famous "Scene between Marston and Douglass." Roosevelt's speech on the "Strenuous Life," spoken by Waltrid Larson, won second honors.

Cash prizes of \$10 and \$5, respectively, were given to the winners of first and second places in the two contests. The prizes were made possible by a gift to the school, made by the late Peter White.

The judges had some difficulty in selecting the winners, as the markings on the different contestants were very close, especially in the declamatory contests.
