Those who will shackled together. He brought them take part in the pageant will be the folfrom Ontonagon county. The prisoners lowing: are William Saari of Oskar, wanted for Gra write desertion; Henry Wornus of Calu- Aides, Angus Macdonald, of the V.S.; W met, wanted for assault with intent to murder, and John Makkinen of Calumet, wanted for passing a worthless check. The under sheriff went to Ontonago county Wednesday morning with seven warrants for men wanted in Houghton county. He succeeded in landing three of them. Makkinen tried to make his escape when he was corralled at Victoria, but the under sheriff ran him down, Sheridan first fired three shots at the fleeing man, and they did not slow him for an instant. Then the under sheriff gave him a race and ran him off his fect in half a mile.

Wornus is charged with beating street railway conductor at Wolverine April 23. He has since been looked for and was finally located at the Lake Saari is an ex-convict from Ionia. He deserted his wife at Oskar three months ago. The man is rated as a confirmed drunkard by the sheriff and at Ionia, where he did time, he is rated as a model prisoner, but he cannot leave liquor alone

right down into the blood and removes the cause, and the place is bound to heal because the impurities and morbid matters which have been the means of keeping the ulcer open are no longer absorbed from the blood. External applications of salves, lotions, plasters, etc., can never produce a cure because they do not reach the source of the trouble. At best they can only allay pain or reduce inflammation; such treatment is working on symptoms and not reaching the cause. Every nutritive corpuscle in the blood is weakened or infected, they cannot nourish the fibrous tissue around the place, but instead they constantly discharge into the flesh around the sore a quantity of impure, germ-laden matter which gradually eats into the surrounding healthy tissue and causes the ulcer to enlarge. Since impure blood is responsible for Sores and Ulcers, a medicine that can purify the blood is the only hope of a cure. S.S.S. has long been recognized as the greatest of all blood purifiers, possessing the qualities necessary to remove every impurity from the blood. While curing the sore or ulcer S.S.S. brings about a healthy condition of the flesh by supplying it with rich, healthy blood, and thus makes the cure permanent and lasting.
