ARMY SANITATION TESTS.

Model Camp at Antietam Most Complete, it is Said, Ever Established.

Washington, July 15.—The medical corps will have an encampment at Antietam, Md., from July 15 until Aug. 15. The camp will be the most complete ever established for medical and sanitary experimentation in the country, and every phase of modern military field sanitation will be tested. There is to be a fully equipped field hospital, where daily instruction in the care of the sick and wounded will be given. The hospital will be conducted on the lines of a field hospital during warfare. Sanitation will be another important part of the encampment. Every appliance to rid camps of garbage, mosquitoes, and other insects will be used. While the encampment will be controlled by the army, militia medical officers will be in attendance, and every opportunity will be afforded them to participate in the instruction. The encampment will be under the command of Major Frederick P. Reynolds, medical corps, who has been on duty at Fort Monroe. He will have as his chief aides Captain Robert U. Patterson, Captain Frank W. Weed and Captain Robert M. Cullen, medical corps. About 250 members of the hospital corps will assist the officers. Lieutenant Colonel Walter D. McCaw, Major Paul F. Straub and Captain Charles R. Reynolds, medical corps, have been ordered to Antietam to give a course of instruction to the militia medical officers.

ISHPEMING WINS FROM NEGAUNEE

YESTERDAY'S BALL GAME A RATHER SENSATIONAL EXHIBITION, BOTH TEAMS HITTING THE BALL HARD—A "SHAKE-UP" IN THE HEMATITE CITY NINE.

Yesterday's baseball game between the Ishpeming and Negaunee teams, won by Ishpeming by the score of 12 to 9, was the most sensational exhibition of the season. At times there was good baseball, and again there were inexcusable errors. It was something of a slugging match, with Ishpeming having a little the better of the argument. Each team was obliged to use two pitchers, Murray giving away to Siebenthal in the fourth inning, while Toman, for Ishpeming, was replaced by Burke in the fifth inning. Each team had the game lost and won several times, and the fans got more for their money than at any previous game this season. There was no telling when scoring might occur, as both teams had men on bases in nearly every inning. The umpiring, particularly that of Schilling, was so unsatisfactory that the fans on both sides had some hard things to say. Schilling's sight was bad when he was umpiring at the plate, and both batteries objected frequently. In the third inning there was a consultation of the managers, but as the game proceeded Schilling improved.

There were a few very good features in spite of the fact that the twirlers were ineffective. Laxstrom, in right garden for Ishpeming, caught a straight line drive by Cannon in the fourth after he had fallen. Main pulled Ishpeming out of a tight place in the fifth after Toman had been taken out of the box, with the sacks full. Fall hit a liner to Main, which he pulled down with his left hand and threw out Swick, who had left third with a view to scoring. Up to that time three runs had been scored. Inneson, Messier and Roberts having touched the ball for safe hits. The run-getting would have been reduced had Main held a ball thrown high to him by Hindel when there was a chance to retire Lafave, who was running from first on Swick's hit.

The hitting of both teams was timely, there being men on bases nearly every time a hit was recorded. Ishpeming was a little slow in base running, while Negaunee took advantage of every opportunity to steal a sack. In the first inning, when Negaunee scored three runs, Lafave stole two bases on Toman, who seemed to be dozing. It was very clever work on Lafave's part, but after that the pitcher kept close track of the runners and none of them got away very far from the sacks. Burke, who succeeded Toman in the box, gave a good account of himself, but the fans could not understand why Goulette was not put in. It was Burke's first attempt at

pitching here. He was given much better support than Toman received.

The summary follows:

There was a "shake-up" in the Ishpeming team Friday night, as a result of an attempt on the part of some of the players to assist C. G. Stocking from the management. The manager got "next" to what was going on, and there was a very stormy session behind closed doors, with many interested fans in the street, waiting for the result. Stocking notified the team that if it did not play ball as he directed in Sunday's game he would forfeit the game to Negaunee and call in Mohawk or Rapid River to take Ishpeming's place.

Many of the fans are of the opinion that certain members of the team do not try to support Goulette when he pitches, but yesterday's exhibition will doubtless satisfy them that he receives as good average support as Toman was given yesterday. As a result of the shake-up, Main succeeds Gorman at short and Hindel takes Burke's place at second, the latter going to left field, his former position. Simpson has been made captain, succeeding Burke. Manager Stocking believes that within two weeks, after Main and Hindel have had

DEATH OF MICHAEL HICKEY.

Oliver Company's Second Oldest Employee Has Passed Away.

Michael Hickey, one of Ishpeming's first settlers, died at 4:30 o'clock Saturday morning. Death did not come unexpectedly, as the patient had been in critical condition for several days, following a continual decline extending over a period of three years or more. The deceased was the Oliver Iron Mining company's second oldest employee, ranking next to Captain John McEnroe in point of service. Captain McEnroe started with the original company in 1858 and Mr. Hickey began work three years later, remaining continuously with the company until three years ago, when he was obliged to give up work on account of his health. For a number of years, during the early period of his service Mr. Hickey worked as a miner in the Hard Ore property under Captain McEnroe, and after he quit mining he filled various positions on surface. He was well thought of by his acquaintances and he was a very faithful workman.

The deceased was a native of Ireland, and he was born seventy-one years ago. Shortly after coming to this country he located in Ishpeming, and he remained here continuously ever since. He

BALL GAMES YESTERDAY.

Some high-class baseball games were played yesterday morning on the gas house and Oliver diamonds. The painters trimmed the barbers to the tune of 28 to 4. Sullivan, for the painters, had sixteen strike-outs. At the Oliver grounds two games were played. The Gatelys defeated the Excelsiors for the second time this season, 6 to 2. Keese and Makki were the battery for the Gatelys and Decaire and Freezer for the Excelsiors. Keese had eight strike-outs to his credit, and Decaire six. The Eagles and Settlers battled for ten innings, the former winning, 5 to 4. Jacobson and Johns were in the points for the Eagles, and Andrews and Freezer for the Settlers.

DEMISE OF MRS. AYOTTE.

Mrs. Adelaide Ayotte, one of the oldest French residents of Ishpeming, died Friday at the home of her son-in-law, Joseph Barger, at the Junction location. Her age was the cause of her demise. She was eighty-one years of age and is survived by three sons and three daughters, all living here. The funeral will be held this morning at 8:30 o'clock from St. Joseph's church.
