Marble is entirely out of date. Granite soon gets moss-grown, discolored, requires constant expense and care and eventually crumbles back to Mother Earth. Besides, it is very expensive. **WHITE BRONZE** is strictly everlasting. It cannot crumble with the action of frost. Moss growth is an impossibility. It is more artistic than any stone. They will not investigate it! It has been adopted for one hundred public monuments, and by thousands of delighted customers in all parts of the country. It has been on the market over 25 years and is an established success. Many granite dealers have bought White Bronze for their own burial plots. I have hundreds of beautiful designs of all grades of work, and want to have you see them if you are interested in a monument, headstone, marker or grave cover. On receipt of a postal card will be pleased to call with designs and samples of White Bronze.

**THEATRICAL.**

"The Blockhead."

W. B. Patton in "The Blockhead" will be the attraction at the opera house tonight. The play deals with nature itself, depicting scenes as they really exist in every day life, and contains a beautiful and wonderfully interesting

story. Eastern critics look upon Mr. Patton as one of the most sterling comedians, and his quaint and peculiar methods have won for him the unstinted praise of the entire Eastern press. He is surrounded this season with an exceptionally clever supporting company.

"Three Weeks."

"If a girl loves a man," says Beryl Hope, who plays the promisee of marriage in Elmer Glyn's "Three Weeks" at the opera house Friday night, "she will go to the end of the world with him." If a girl is in love and responds to the love offered her, she will not be disturbed about what she is about to give. She will give her love lavishly and joyfully and will proudly wear the name of wife. She is not fair to an earnest and honest suitor if she deliberately keeps him in suspense because she does not know her own mind.

"Speaking of the surrender of freedom involved in a promise of marriage, it is well for a girl to remember that surrender is not all on her side. A man who marries equally gives up his life and his future to the woman who is his life comrade and partner, and is equal with her in sacrifice. This only is to be said, that where there is a true, pure and deep love, there is no thought of sacrifice on either side, but instead, a feeling of entire contentment and great happiness. A promise a girl gives to the man she loves is the response to a pledge that he makes, and in both instances, promise and pledge are to be looked upon as hallow and for the whole of life, not for a day, a month or a year."

**FEDERAL COURT IS NOW IN SESSION**

BAWDEN PLEADED GUILTY AND NEW TRIAL DENIED IN J. W. SPEAR CASE—HIGGINS' TRIAL ON.

The September term of federal court opened yesterday morning and the business of the session is now well under way. It is generally supposed that the grand jury worked on the Ironwood National bank cases yesterday, but they have not made any report as to their findings. Former Cashier Larson was brought to the city yesterday morning by U. S. Deputy Marshal Mosher and is now in the county jail, while George Bedlow, the assistant cashier, is also in the city under bond. In case these men are indicted, it is generally believed that Larson will plead guilty but that Bedlow will stand trial. C. M. Humphrey, of Ironwood, and Allan Reese, of Houghton, are Larson's attorneys, and M. M. Riley, of Bessemer, and Arthur O'Neill, of Ironwood, will represent Bedlow.

Several motions were heard in the court room yesterday forenoon, among which was one asking that John Gilson's trial for murder be postponed, as several witnesses wanted by the defense as witnesses, were now in the Philippines. This motion is still pending and meanwhile the case against Frank Higgins, the assistant postmaster at the Soo who is charged with embezzlement, is being tried. Merely a start has been made in the trial of the case, the jury having been impaneled, and the first witness, Postmaster C. H. Scott, was still on the stand when court adjourned for the day. District Attorney Coyd, in stating his case to the jury said that he expected to show Higgins was short in his accounts and that the postoffice funds had not been deposited in the designated depository, as required by law. No reference was made to Higgins having been found bound and gagged in the postoffice and the story of robbery that has been told by Higgins.

Richard J. Bawden, who is charged with embezzlement of postoffice funds at Bessemer two years ago, was arraigned and entered a plea of guilty. No sentence has yet been pronounced.

The motion for a new trial in the case of John W. Spear, who was convicted at the June term on the charge of using the mails in a scheme to defraud, was overruled by Judge Knapp, but no sentence has yet been imposed.

The Higgins case will probably continue all day today and perhaps tomorrow, as there are a number of witnesses to be examined both for the government and the defense. The grand jury may be expected to make a report on the Ironwood cases at any time.

#### DETROIT CONFERENCE OPENS WEDNESDAY

FIRST METHODIST EPISCOPAL CHURCH OF ISHPEMING WILL NOT BE REPRESENTED AT THE ANNUAL CONVENTION.

It is expected that most of the English Methodist ministers of the upper peninsula will attend the annual session of the Detroit conference, to be held next week in Detroit. There will, perhaps, not be as many changes as usual in this part of the state, as many ministers have been invited to retain their present charges. Rev. C. L. Adams, pastor of the First Methodist Episcopal church, and Rev. L. C. Finch, pastor of the Salisbury church, have both been asked to return, and it is assumed that they will be reappointed. The first Methodist church, which entertained the conference three years ago, will not be represented at this year's meeting. Rev. Adams does not plan to attend, nor will there be an Ishpeming lay delegate present.

The meetings in Detroit will be held at the Preston Methodist church, starting a week from today, and continuing for five or six days, and perhaps longer. It is said that the laymen will probably have more to say this year than ever before as to what ministers are sent to them. The practice of extending calls to the ministers is growing, and though the bishop may appoint whom he pleases he usually confers with the district presiding officers and the laymen before making his selections. The presiding officer this year will be Bishop John W. Hamilton.

A discussion that it is thought will create wide interest will take place Wednesday afternoon, when the ministers will consider the duties of district superintendents and the time limit of ministers at a single church. At 6:30 that evening the annual Albion college banquet will take place in the Campbell Methodist church, and the anniversary of the board of conference claimants will take place later that evening. Thursday evening the anniversary of the board of education will be observed. Saturday afternoon and evening the anniversary of the conferences of the Women's Home Missionary society will be held. On Sunday morning Bishop Hamilton will preach at 10 o'clock and in the afternoon he will ordain elders and consecrate deaconesses. In the evening the board of home missions and church extensions will hold its anniversary.

On account of the refusal of the railway managements throughout the state to grant special rates of fare for the conference, it is thought that the attendance of ministers from the far away points will not be as large as usual.

#### HARVEST FESTIVAL

Annual Festival Will Be Held at Local Barracks from the 18th to 21st.

G. H. Gough and wife, in charge of the Ishpeming branch of the Salvation Army, are doing exceptionally good work. Since their arrival in the city, a little over a month ago, they have succeeded in almost paying off the debt, and they hope to clear it up by the end of this month. The army meetings are being more largely attended than at any time in the past two years or more. Mr. Gough's special sermons are attracting attention, and his Sunday services are well attended. Last Sunday evening he preached on the subject "Is the Secret Order a Substitute for the Church?" Last month Mr. Gough and wife put in 142 hours visiting and praying in fifty-five homes of the city. Besides holding regular meetings and cottage prayer meetings.

#### ISHPEMING IN BRIEF

G. L. Woodworth, the mining man, was here yesterday from the Menominee range.

M. Caughey, manager of the Nelson house, is enjoying a vacation in Milwaukee and Menominee, and will be absent a week or ten days.

It is likely that the Ishpeming and Munising teams will play a double-header here next Sunday. The local mine has one postponed game with Munising, also one with Marquette. It has two regular games yet to play with Munising, one with Marquette and one with Negaunee.

Dr. Benjamin Ritter, who led the parade of the unemployed in Chicago about a year ago, is in the county and he plans to talk on socialism in the three cities.

#### IS GIFT OF FATHER KEUL

Hon. M. Chambers has received as a present from Rev. Father Keul an Ishpeming fine steel engraved portrait of the late Very Rev. Father Jucker, one of the intrepid missionaries of the last century, vicar general of the diocese and for some time stationed in charge of St. Ignace's church here, says the St. Ignace Enterprise. Father Jucker was a prominent figure in the discovery of Marquette's grave. The likeness is an excellent one, showing the distinguished ecclesiastic with flowing beard and in the prime and vigor of manhood. That the portrait will be highly prized by its recipient goes without saying.

An aeroplane ought to be on the level, but sometimes it is not.

MARQUETTE AGAIN TROUNCED ISHPERING

WON YESTERDAY BY SCORE OF 9 TO 3, FIVE RUNS BEING MADE IN THE NINTH.

WAGNER WAS BATTED HARD

Much-Touted Copper Country Twifler Proved No Puzzle for Local Team. Many Errors Made.

Marquette made it three straight in as many days from Ishpeming at the fair grounds yesterday afternoon, by pounding the much-touted Wagner to all corners of the lot in the last five innings. During the game he was found for eleven hits, among which were two doubles and one triple.

Clinton was on the slab at the go-off and from the start showed that he was not feeling right, though he was not hit hard, wildness being his weakness. He made a three-base hit in the fifth, but fainted at the third sack and was carried off the field. Scholtus scoring a run for him and pitching the rest of the game.

NOT ALL HARMONY AT COUNCIL MEETING

ALDERMAN WARD TOOK EXCEPTION TO CITY LIGHTING BILL AND TO FAILURE OF MARSHAL TO ARREST AUTO SPEEDERS.

In the absence of Mayor Vaughan, Alderman Ekstrom presided over the council meeting last evening, at which a number of matters of business came up for discussion.

Both teams got a bad start in the field in the first inning. Marquette batted first and Young struck out. Weiser was hit on the arm and went to first.

In the fifth, Marquette again took the lead for a moment on a three-base hit by Clinton followed by Young's single back of first base.

In the ninth inning, the Ishpeming team went into the air and Marquette scored five runs. Dunlavy, the first man up, filed to Simpson.

THIS YEAR'S FAIR A RECORD BREAKER

This year's fair is one of the best, if not the best in the history of the association, and a record-breaking second day crowd was in attendance yesterday.

The show of fruits and vegetables is a fine one and is attracting no little attention. The same is true of the poultry show, which is displayed to advantage in the beautiful new poultry house.

Yesterday's racing was not so good as that of Monday though there were several close finishes. In the 2:10 race or trot there were four starters.

The committee on claims and litigation recommended the petition of St. Mary's hospital for a rebate of its special assessment for concrete work be not granted.

The council adjourned until Sept. 21, at which time it is expected to take up the much-talked-of milk ordinance and certain amendments to the street ordinance.
