

POLE IN THE MIDST OF A FROZEN SEA

Arriving There After His Hazardous Dash, Peary Tried to Take Soundings, but Could Find No Bottom at 1,500 Fathoms.

Details of His Journey Gleaned from Members of the Expedition Show That Only the Commander and One Eskimo Reached the Goal, the Last Supporting Party Being Left One March South—Marvin's Death by Drowning a Tragic Incident.

Details of Peary's journey to the North pole, gleaned from members of the expedition aboard the Roosevelt, show that the only men to reach the pole were Peary and one Eskimo.

The pole was reached April 6. Peary deposited his records and hoisted an American flag. The location of the pole appeared to be in the midst of a frozen sea.

Drowning of Professor Marvin. Professor Marvin, who was drowned, left the party March 26, to return to the ship, April 10, while forty-five miles from Cape Columbia.

French Newspaper Criticizes Peary. Paris, Sept. 13.—The Temps today criticizes Commander Peary's "broadest accusations" against Dr. Cook, as well as his "general grandiose attitude."

CONFIRMS COOK'S CHARGES. Boatswain Whitten Says Peary's Men Did Take Brooklyn Explorer's Stores.

St. Johns, N. F., Sept. 13.—Alan Whitten, boatswain of the Peary auxiliary steamer Erik in 1905 and again in 1908, added his quota to the polar controversy today.

HE LIKES HIS ATTITUDE. Admiral Schley Praises Dr. Cook's Dignified and Manly Stand.

New York, Sept. 13.—The assumption that Commander Peary would have the United States Navy solidly behind him is not borne out in a letter from Rear Admiral Schley (retired) made public today by Captain B. S. Osborn.

WILL INVITE TAFT AND BRYAN.

Washington Labor Council to Give a Reception to Samuel Gompers.

Washington, Sept. 13.—The plans of the Central Labor union for the reception of Samuel Gompers, president of the American Federation of Labor, in this city Oct. 1, include invitations to President Taft and W. J. Bryan.

NOTABLE COMPANY TO CRUISE WITH TAFT

Thirty-Six Governors, 76 Senators, More Than 150 Congressmen and 10 Foreign Ministers Will Sail With the President Down the Mississippi River.

St. Louis, Sept. 13.—Two foreign ministers, one United States senator and five congressmen were added today to the list of those who will accompany President Taft down the Mississippi river to the fourth annual convocation of the Lakes to the Gulf Deep Waterways association at New Orleans.

Hoped to Use American Vessels. Washington, Sept. 13.—Deprecating the suggestion that President Taft's party, which will inspect the New Orleans harbor Oct. 30, must make the trip under a foreign flag, Acting Secretary of Commerce and Labor McLaughlin today advised the collector of customs of that port that efforts will be made to secure American vessels for use in the president's inspection of the harbor and the lower Mississippi.

GOES TO BOSTON TODAY. Beverly, Mass., Sept. 13.—President Taft's Western trip begins when he motors into Boston tomorrow to attend the banquet of the Chamber of Commerce. The president will spend the night in Boston, leaving for Chicago Wednesday.

PANAMA TO COLLECT DUTIES. Payne Tariff Law Held Not to Apply to the Canal Zone.

Washington, Sept. 13.—The new tariff law does not apply to the isthmian canal zone, according to the decision of Acting Attorney General Wade H. Ellis to the secretary of war today.

ROYAL GUESTS ARRIVE. Marriage of Prince Miguel and Anita Smith to Occur in Scotland.

Dingwall, Scotland, Sept. 13.—Most of the royal guests have arrived here for the wedding of Prince Miguel of Bulgaria, and Miss Anita Stewart, daughter of Mrs. James Henry Smith, of New York, which will be celebrated Sept. 15.

MIMIC WAR IN GERMANY. Mergentheim, Wuertemberg, Sept. 13.—The annual maneuvers of the imperial army began here today. As a result of political tension between the imaginary states of Red and Blue, war is declared.

HE LIKES HIS ATTITUDE. Admiral Schley Praises Dr. Cook's Dignified and Manly Stand.

New York, Sept. 13.—The assumption that Commander Peary would have the United States Navy solidly behind him is not borne out in a letter from Rear Admiral Schley (retired) made public today by Captain B. S. Osborn.

NEW YORK BANKER COMMITS SUICIDE

Standing in Front of a Mirror, J. W. Castles Slashes His Throat With a Razor and Dies Within a Few Minutes.

He Had Been in Ill Health for Some Months Past, and His Deed Is Ascribed to Nervous Breakdown, and Not to Financial Troubles—President of the Big Union Trust Company, He Held a Prominent Place in Eastern Financial Circles.

Body Found by Brother. The body was discovered by Mr. Castles' brother, Burton S. Castles, who, alarmed at the banker's failure to return home, began a search through the hotels.

Union Trust a Big Institution. The Union Trust company is one of the largest institutions of its kind in the city, and is situated at 80 Broadway.

A Victim of Overwork. According to friends, Mr. Castles' health was broken by overwork. Not long ago his condition was so serious that he was sent to a sanitarium at Kerhonkson, N. Y., where he remained for three months under treatment.

FIENDISH CRIME AT UTICA. Three Small Italian Children Shot by an Unknown Man.

Utica, N. Y., Sept. 13.—Theresa Tracoplo, seven years old, was found dead today, with a bullet wound through her head.

ROYAL GUESTS ARRIVE. Marriage of Prince Miguel and Anita Smith to Occur in Scotland.

WILL SUBMIT TO THE KNIFE. Governor Johnson of Minnesota to Undergo a Second Operation.

THOSE WHO HAVE DIED. London, Sept. 13.—The death is announced of Francis J. Lee, the famous English chess player.

AGLES MEET AT OMAHA. Omaha, Sept. 13.—The national convention of the Fraternal Order of Eagles opens here tomorrow.

THE WEATHER.

Washington Sept. 13.—The following is the weather bureau's forecast for Upper Michigan. Partly cloudy, Tuesday and Wednesday, with showers in the east and cooler in the northwest; light variable winds.

BASEBALL.

SUTTON TRAGEDY IS REVIVED AGAIN

Body of the Lieutenant of Marines Killed at Annapolis Two Years Ago Is Exhumed at Arlington National Cemetery.

With the Mother the First Person to Look Upon the Face of Her Dead Son When the Casket Is Opened, an Autopsy Is Conducted—Contrary to the Contention That Because of a Broken Arm Suicide Was Impossible, No Such Fracture Is Found.

Washington, Sept. 13.—When the body of Lieutenant James N. Sutton, Jr., the marine officer who met death two years ago at Annapolis, was exhumed at Arlington cemetery today, there was disclosed the fact that no bones were broken, although a contusion was found over the right eye.

THE HARVESTER STILL UNBEATEN. Ed Geers' Entry Takes Chamber of Commerce Stake at Syracuse.

Syracuse, N. Y., Sept. 13.—The Harvester, Ed Geers' unbeaten four-year-old stallion, easily won the Chamber of Commerce \$2,000 stake for 2:09 trotters at the opening of the Grand Circuit meeting here today.

Wisconsin State Fair Races. Milwaukee, Sept. 13.—Sonoma Girl and Bland S, respectively, won the 2:06 trot and 2:10 pace of the Great Western circuit races at the Wisconsin state fair opening here today.

ORVILLE WRIGHT FLIES IN BERLIN. Berlin, Sept. 13.—Orville Wright made two flights here today. In the afternoon he made a flight of ten minutes with Professor Bergesell as a passenger.

TENNIS AT PHILADELPHIA. Philadelphia, Sept. 13.—America today won the right to challenge Australia for the Davis tennis cup, winning the match in the doubles, 3 to 2.

INTERCOLLEGIATE GOLF. Rye, N. Y., Sept. 13.—Dartmouth college, in the Intercollegiate golf collection championship tournament here today, was defeated by Princeton in the team matches, 4 to 5.

MRS. BELMONT TO ENTERTAIN. New York, Sept. 13.—Mrs. O. H. P. Belmont will open the woman suffrage campaign in New York with a luncheon at Delmonico's Thursday, Sept. 16.

TO WIN A \$500 WAGER, SANTOS DUMONT MAKES A REMARKABLE FLIGHT. Santos Dumont today broke the aeroplane speed record to win a wager of \$500. With the aeroplane "Demoiselle," he made a cross-country flight to Buc, a distance of between eight and nine kilometers, in five minutes. His speed was about ninety kilometers (55.8 miles) an hour.

MAQUETTE, MICH., SEPT. 14.

He's off—President Taft.

Can't stop 'em, those Detroit.

The only fault we have to find with President Taft's itinerary is that it fails to include a swing up into the U. P.

Our Nagsuame friends act as if they were out after that pennant in earnest, and as if they are willing to strain a point or two to get it.

Glenn Curtis, the American, is waxing fat with honors, while his purse swells to generous proportions with the prizes that he wins in the aeroplane tournaments on the continent.

It is reported that President Taft will be able to adjust the Ballinger-Pinchot dispute in a manner that will permit both officials to continue on in the service of the government.

If Angus Kerr is, in fact, looking for the Calumet postoffice and is making a demonstration of a desire to run for congress only as a means to that end, we frankly say that Mr. Kerr is a poorer politician than we have believed him to be.

Of the Saratoga platform of the new New York Democracy the New York Globe says: "As a whole it is a muddle. It is a mixture of centralization and decentralization, of Bryanism and anti-Bryanism, of nothing and everything."

Dr. Cook may or may not be able to do so, but there is no doubt that Peary has gotten a good-sized part of the public in a frame of mind where he would like to see Dr. Cook "put it all over" him.

Judge Stone found an unusually large number of liquor cases on the criminal docket of his court yesterday. It is probable that at no future time will the number be equally large.

One thing is certain in regard to the situation created by the rival claimants to discovery of the north pole. Commander Peary has placed himself in a position where he will have to positively prove his assertions that Dr. Cook is a falsifier and fakir, or suffer such a jolt as not even his considerable reputation will withstand.

Detroit Saturday Night, in the current issue, intimates that every time he spoke a word for a tariff on iron ore Representative Young spoke two words for himself.

5% DEBENTURES. Running one to five years secured by first mortgages on improved real estate worth more than double outstanding debentures. Superior Trust Company HANCOCK, MICH. Capital and Surplus \$200,000.00.

prominence of the accused man in the community where he lived, all combined to make it one of more than ordinary moment.

THE DANGEROUS FLY. Fly season may be nearly over, but agitation against the dangerous fly may properly be carried on in and out of season.

Great interest will attach to President Taft's utterances during his western trip, which starts this week, particularly to his first few addresses, when he will doubtless indicate the nature of what he will have to say throughout the tour on the leading topics of discussion.

VERDICT A SURPRISE. The verdict of the jury in the case of the United States vs. Frank L. Higgins, charged with embezzlement of funds of the Soo postoffice, finding Higgins guilty as charged, came as a good deal of a surprise to disinterested attorneys and other disinterested persons who had followed the trial.

Those who did not believe that Higgins could be convicted, and they were apparently a majority of those who followed the case, took this view because it did not appear that guilt had been fixed on the accused beyond the reasonable doubt, which Judge Knappen so carefully and well defined in his charge.

MADE IT A LIFE STUDY. Dr. J. S. Leonhardt found the Cause and Cure of Piles. Dr. J. S. Leonhardt, the celebrated specialist of Lincoln, Neb., proved, after years of study, that the cause of piles is internal—bad circulation.

THE DAILY MINING JOURNAL

Proceedings of the Marquette Common Council.

Marquette, Mich., Sept. 7th, 1909.

A regular session of the common council was called to order at 8 o'clock p. m. by the president, the Hon. John A. Ekstrom.

Present—Aldermen Asire, Downey, Ekstrom, Hennessy, Peters, Reichel, Schauer and Ward—8.

The record of the session of Aug. 17th, approved.

Notice of claim of William Trebilcock, for damages to automobile, was presented and referred to the committee on claims and litigation.

Notice of claim of Julia Vaughan, for injury on sidewalk, was presented and referred to the committee on claims and litigation.

The committee on finance and taxation, to whom had been referred the petition of St. Mary's hospital, requesting relief from the grading of Norwood street, recommended that the prayer of the petitioner be not granted.

On motion of Alderman Asire, supported by Alderman Ward, said recommendation was adopted.

The committee on parks, cemeteries, streets and sewers, reported that the board of supervisors intended to appoint a committee of said board at a meeting to be held September 8th, 1909, to work in conjunction with the committee on parks, cemeteries, streets and sewers, relating to the widening of Spring street, between Third and Fourth streets.

On motion of Alderman Schauer, supported by Alderman Ward, said report was adopted.

HOUGHTON COUNTY COURT.

Judge Steeter convenes September Term—Criminal Matters.

James Stanway and Frank Mudge of Hancock, over whom has been hanging a murder charge for the past year, were yesterday cleared of all blame in the case and given their freedom by Judge Steeter in the circuit court, which opened yesterday morning for the September term. The case was an inheritance to Prosecuting Attorney MacDonnell, and he came to the conclusion after long investigation that there was no evidence against Mudge and Stanway. The defendants were charged with causing the death of a man who was believed to have been knocked down in a general street fight and to have struck his head against a street railway rail in such a manner as to cause death. Mr. MacDonnell moved to nolle prosequere the case, and the motion was granted.

The first criminal case to be placed on trial will be that of Charles Gillis, charged with murder. He is believed by the prosecution to be guilty of killing August Gustafson in Hancock some weeks ago. He pleaded not guilty when arraigned yesterday morning and his case was placed at the head of the calendar. It will open tomorrow morning. The Gillis case will be followed by that of Ellis Karkkko, who is charged with the murder of August Matson in Calumet Aug. 24.

Other criminal matters, with their present disposition, follow:

Luka Gorkk, assault with intent to murder; not guilty.

Emil Parkkinen and John Pekola, assault with intent to murder; not guilty.

Isaac Sivonen, two charges of assault with intent to murder; recognition forfeited.

Arthur Carlson, assault with intent to rape; not guilty.

Peter Jurich, mayhem; recognition ordered forfeited, but counsel later giving one hour to produce the defendant, who was reported to be on his way to court.

Arnold Weger, burglary; not guilty.

Matt Wouffe and John Makkinen, uttering forged instrument; not guilty.

Matt Mihaloff, forgery; Attorney Lucas appointed to investigate and plead to the prisoner later in the day.

Anno Salonen and Alex Lintula, obstructing an officer; not guilty.

Evert Lehtola, obstructing an officer; not guilty.

William Loomis, maliciously killing animals, possession of weapons for the purpose of committing a crime; not guilty.

Ellis DeWolf, keeping disorderly house; guilty.

Ella Clark, leasing house for immoral purposes; not guilty.

Michael Meekin, violation of liquor law (open on Sunday); guilty.

Charles Heikila, violation of liquor law (open after hours); recognition forfeited.

Frank Maki, burglary; Attorney Maki appointed by court, plea to be taken later in the day.

John Torvamo, violation of liquor law, non-payment of tax; not guilty.

Herman Mattson, violation of liquor law (non-payment of tax); not guilty.

Elias Hannula, bastardy; settled out of court.

Oscar Riell, non-support (appeal); continued.

It will be seen that only three per cent of the cases were sent to the grand jury this term, unless further consideration changes some of the pleas.

The court spent the day yesterday in hearing motions attacking the calendar and conducting the usual preliminaries to the opening of the term.

KICK AGAINST SPEEDERS.

Lake View Cemetery Road a Paradise for Auto Scorchers.

Members of the company owning the Lake View cemetery are making complaint of the reckless speeding of motorists along the finely paved road between Calumet and the cemetery, and they likely will take some means at once to have the speed laws more closely observed. Of late there have been several narrow escapes from serious accident on this road because of the speeding of automobiles. The temptation offered the motorists on this level and straight stretch of highway is undoubtedly a hard one to resist, but the road is generally heavily traveled by pedestrians and carriages taking people to and from the cemetery. Many runaways, caused by reckless speeding of autos, have been reported, but only one, fortunately, has resulted in an accident of any kind.

The residents of the villages to the north of Calumet, too, are complaining of the antics of the "joy-riders" and other motorists tearing through their towns, especially along the highway between Hancock and Leelanau. Here there is a fine, straight stretch of road with a down-grade towards Mohawk and the motorists generally make the best of it for the entire distance. During the past week, it is said, two carriages were overturned on this piece of road by horses frightened by automobiles.

STOMACH LIVER LUNGS

Each of the chief organs of the body is a link in the Chain of Life. A chain is no stronger than its weakest link, the body no stronger than its weakest organ. If there is weakness of stomach, liver or lungs, there is a weak link in the chain of life which may snap at any time. Often this so-called "weakness" is caused by lack of nutrition, the result of indigestion and weakness of the stomach and its allied organs, and cured by the use of Dr. Pierce's Golden Medical Discovery. When the weak or diseased stomach is cured, diseases of other organs which seem remote from the stomach but which have their origin in a diseased condition of the stomach and other organs of digestion and nutrition, are cured also.

The strong man has a strong stomach. Take the above recommended "Discovery" and you may have a strong stomach and a strong body.

GIVEN AWAY.—Dr. Pierce's Common Sense Medical Adviser, new revised Edition, is sent free on receipt of stamp for the expense of mailing only. Send 21 one-cent stamps for the cloth-bound volume. Address Dr. R. V. Pierce, Buffalo, N. Y.

SEEKS TO BE SPEED KING.

R. C. Pryor Purchases "102" for Purposes of Lake Racing.

R. C. Pryor evidently intends to be the speed king of Portage Lake. Mr. Pryor has been interested in gasoline motor launches for a number of years and this spring brought out a new boat which has not developed the expected speed. He yesterday completed a deal for the launch "102," with which Captain Katray, of the steamer Jay Gould, created some excitement a week or so ago. Mr. Pryor purchases only the hull of "102" and it will place his thirty horsepower engine. The combination should be a wonderfully fast boat. Captain Katray was on the lake yesterday with another fast launch, and will leave this one with the Funkey boys of Hancock. He says furthermore that if he can get back into the lake with the Gould in time for fair week he will bring another fast boat to compete in the Portage Lake Motor Boat club's regatta.

HOW OLD IS HOUGHTON?

Village Clerk Casper Brand Learned Yesterday—Born in 1861.

Village Clerk Brand learned the age of the village of Houghton yesterday. In all the years that he has been clerk he had never been called upon officially to look up the exact date of the incorporation of the village. He has been a busy man, but when he was called upon to file with the bureau of statistics at Washington a statement of the village finances and its history, Mr. Brand learned from the register of deeds that Houghton was platted in 1854, but this did not give the information wanted, as the plating did not give the village an entity. He investigated further and found that the village was platted Nov. 4, 1861, under the general incorporation law of 1857, and that the village election was held Dec. 2, 1861. The village is then forty-eight years of age and will have its golden jubilee in 1911.

HOUGHTON ATTRACTS FIGHTERS.

Martin Hefron of Goldfield Would Fight Tommy Scully Here.

William E. Hayes of Detroit, manager for Martin Hefron of Goldfield, writes that he would like to bring his man to Houghton for a bout with any likely man of his weight, selecting Tommy Scully of Escanaba for choice. Hefron fights at 122 pounds and his manager declares him to be an aggressive two-handed boxer. He has always fought in training camps, and thinks he could make a hit in Houghton.

Houghton seems to be a mecca for fighters these days. The recent fight in which McGarity and Shreek figured have put Houghton on the pugilistic map every day some new fighter writes or a chance. But the managers declare that Houghton is not a field for unknown fighters, that only men with reputation seem to draw and they do not care to stage any unknown quantities.

CONTRACT FOR FURNITURE.

Tamarack Co-operative to Furnish Calumet Elks' Temple.

The Tamarack Co-operative company has secured the contract for furnishing the Elks' temple at Calumet throughout, and has just placed with the factory orders for furniture of special design. It is one of the most important contracts of this kind ever awarded in the district. As soon as the furniture can be put into the building, which will likely be before the middle of October, the dedication ceremonies will take place. The dishes and equipment for the dining rooms, kitchens and pantries have already been furnished by the Tamarack Co-operative. The dishes are of china, each piece bearing an elk's head, the letters "P. O. E., Calumet lodge," and a purple stripe around the edges.

RAILWAY TO THE GRATIOT.

Engineers started work yesterday running the lines for an extension of the Mineral Range railway to the Gratiot property, which has been under development by the Calumet & Hecla interests for the past two years. The company has opened two shafts which are showing fair mineralized values. The decision to have the railroad extended to the property evidently means considerable faith that good copper ground values will be developed.

HEALTH AND BEAUTY AID.

The Great Lakes Trip

A little journey on the inland sea is the most pleasant and economical vacation trip in America. The beauty of the islands and the picturesqueness of the trip. All the important ports of the Great Lakes are reached regularly by the excellent service of the D & C Lake Lines. The ten large steamers of this Fleet have all the qualities of speed, safety and comfort. Every boat is of modern steel construction and is propelled by powerful engines. The Clark Wireless Telegraph Service is used aboard.

Tickets reading via any rail line between Detroit and Buffalo, Detroit and Cleveland, in either direction, are available for transportation on D & C Line Steamers.

The D & C Lake Lines operate daily trips between Buffalo and Detroit, Cleveland and Detroit, four times weekly between Toledo, Detroit, Mackinac and Sault Ste. Marie, and two trips weekly between Detroit, Bay City, Saginaw and Port Huron. A Cleveland to Mackinac special steamer will be operated from June 15th to September 10th, leaving Cleveland direct for Mackinac stopping at Detroit enroute every trip and at Goderich, Ont., every other trip. Special daylight trip between Detroit and Cleveland during July and August. Send 2 cent stamp for illustrated pamphlet and Great Lakes Map. Address: L. G. Lewis, G. P. A., Detroit, Mich.

A. A. Schantz, Gen. Mgr.

TOO MANY TRAMPS.

If the country can escape for another year from any serious labor troubles, all probability a new era of prosperity will begin. The evidence comes from all sections that a revival has begun, but still the ranks of the unemployed number many thousands, and real genuine prosperity cannot come until work is found for the millions of tramps. In addition to the thousands of idle wage-earners who would work if work could be found it is estimated that the country supports more than a million tramps who will not work under any conditions. The tramp problem is a hard one to solve, and yet a solution must be found if the country is to be permanently prosperous. Many of the States have experimented with vagrant laws of one kind or another, and with some degree of success, but still the country is overrun with idle vagabonds who are a constant menace to society and are a heavy tax on the people.

Vagrant laws are in the nature of a disease, and it should be treated as such. The whole country is stirred up over the movement for good roads, and in many parts one of the difficulties in the way of private enterprise is to construct the proposed improved highways. In one state it has been suggested that tramps be corralled and forced to become producers instead of consumers by working on the roads. This scheme may not be possible to the extent its advocates believe, but it may be useful in a measure. "Get rid of the tramps" should be the cry throughout the country.

GREAT WORK FOR CONGRESS

Many Conservation Measures Due to Come Up This Winter.

Waters, Forests, Lands and Minerals to Be Considered—Power Rights Will Attract the Most Interest—Pinchot and Friends Anxious to Protect Government.

Washington, Sept. 13.—Unless all signs fall, the conservation questions in one bill, or another, will be one of the big problems before congress the coming winter. This means that there will be war and plenty of it. Conservation in the Roosevelt days was a thing to theorize about, and general talk about. But it has now reached the stage where definite questions of policy, of administration and of legislation are coming up. Sharp differences of opinion are arising on many phases of the broad proposition of conservation and more will arise. The Pinchot-Ballinger controversy, for instance, is one of the first outcroppings of trouble in this connection. It is not likely by any means to be the last. The program of conservation legislation is a broad and comprehensive one and congress faces the problem of tackling it. Public sentiment favors the general idea of conservation and congress will probably be moved to more or less legislation. But there are the most radical differences of opinion as to the form this legislation should take.

As the national conservation commission named by President Roosevelt saw fit, important action by congress was taken in four matters, waters, forests, lands and minerals. Legislation on perhaps all four of these will be proposed the coming winter, but it looks now as if chief attention would be paid to waters, including the development of waterways and the disposition of water power. The water power question has been made more acute than ever because of the difficulties that have arisen between Secretary Ballinger and Chief Forester Pinchot, as well as between Mr. Ballinger and the reclamation service.

A touch with respect to what should be done on the ground they give or are intended to give too great privileges to private parties and reserve nothing for the government. James R. Gardfield as secretary of the interior took substantially the same position as Mr. Pinchot with respect to what should be done on the ground they give or are intended to give too great privileges to private parties and reserve nothing for the government. James R. Gardfield as secretary of the interior took substantially the same position as Mr. Pinchot with respect to what should be done on the ground they give or are intended to give too great privileges to private parties and reserve nothing for the government. James R. Gardfield as secretary of the interior took substantially the same position as Mr. Pinchot with respect to what should be done on the ground they give or are intended to give too great privileges to private parties and reserve nothing for the government. James R. Gardfield as secretary of the interior took substantially the same position as Mr. Pinchot with respect to what should be done on the ground they give or are intended to give too great privileges to private parties and reserve nothing for the government.

No change was needed to make HUNT'S PERFECT Extracts and Baking Powder meet all requirements of the pure food law. They have always been pure and reliable.

GET A CAN AND A BOTTLE TODAY.

was cut at the fifth and sixth levels in the "C" shaft, and as it is improving with depth it is considered a very valuable addition to the company's reserve. The rock from the Butler is also improving with depth. At the eighth level the crosscut which has been run from the "C" shaft to the Knowlton lode has just encountered the same and the showing so far as opened continues very good.

CALUMET & HECLA.

According to the August outputs of the Calumet & Hecla subsidiary companies they are now producing at the rate of 100,000 pounds of refined copper per annum. Figures for the Calumet & Hecla at the rate of 84,000 pounds for the twelve months, the total production under the control of the Calumet management amounts to approximately 144,000 pounds. This compares with 131,000 pounds for the year 1904. The larger present rate is due chiefly to the doubling of the Ahmeek production as well as that of the Isle Royale, the former showing a production for August at over 12,000 pounds per annum and the latter over 10,000 pounds. The latter subsidiary companies for the year at the August rate would compare with that of 1904 is here shown:

	August.	Per Year.	1904.
Ahmeek	1,022,634	12,271,608	6,280,241
Osceola	2,131,844	25,822,128	21,250,794
Tahoe	928,423	11,141,076	12,806,127
Isle Royale	322,676	6,275,512	3,011,964
Central	129,026	1,548,312	2,196,877
Alton	232,982	3,035,784	3,947,351
Totals	5,007,585	60,084,620	48,592,254

It is assumed that all the mines are producing at a lower cost than for the preceding year, for they have been working at full capacity during the current period and thus the extra cost of resuming operations incurred during 1904 after the period of curtailment is avoided. The falling off in the production of the Central and the Alton for August was probably the result of the policy of giving much attention to development work.

Work on the shaft which was started a short time ago at the Laurium property is being considerably hampered by water. As yet they have been unable to get to the ledge. Captain Skeeves of the Teumish is in charge, and they are working about twenty men. This shaft is located about one-fourth of a mile north of the Teumish. This property was diamond drilled about two years ago. It is controlled by the C. & H.

Hancock stock has been weak of late, doubtless because of the assessment due Oct. 12, though reports from the mine are good. Excavation work was started the past week on the new engine boiler house for No. 2 shaft. This is the permanent equipment, and that which is now being used will be transferred to No. 1 shaft. The right-of-way for the railroad to the property has been acquired and it is expected they will start work on the road about the 15th of next month. The No. 2 shaft has attained a depth of about 1,900 feet. They are sinking on an average of eighty feet a month, including the cutting of three stations. Development work at No. 1 shaft is satisfactory and sufficient first-class rock has been already blocked out to keep a mill going for some time.

There has been no particular change in the character of the rock as the development has progressed. While the returns are not affected by the shipments from the new lode, there has been considerable improvement in the general showing as a result of the improved action by congress was taken on the ground they give or are intended to give too great privileges to private parties and reserve nothing for the government. James R. Gardfield as secretary of the interior took substantially the same position as Mr. Pinchot with respect to what should be done on the ground they give or are intended to give too great privileges to private parties and reserve nothing for the government. James R. Gardfield as secretary of the interior took substantially the same position as Mr. Pinchot with respect to what should be done on the ground they give or are intended to give too great privileges to private parties and reserve nothing for the government.

City Brevities

Yesterday's temperatures: Seven a. m., 62 degrees; noon, 79; 7 p. m., 78. Maximum, 83 degrees; minimum, 60.
Today's forecast: Possibly showers; stationary temperature.

Miss Ida Martin has gone to the country for a week's visit.

Mrs. James Jamerson returned yesterday after a two weeks' visit in Chicago.

Mrs. Herbert Fox will leave this morning to spend two weeks in Milwaukee.

Joseph Knapp and family have gone to Hibbing, Minn., where they will make their future home.

Miss Laura McCarthy has gone to Harris, Mich., to resume her duties as teacher in the school there.

F. G. Madden, of St. Joseph, Mo., is visiting at the home of F. G. Cook, 325 West Ridge street.

James Russell leaves for Menominee county this morning on a few days' visit, accompanied by E. C. Anthony of Negaunee.

Mrs. W. J. McAdams of Trenton, Mo., is the guest of Mrs. A. C. Anderson at the Summit House, not at the residence of Homer Cowan, East Michigan street.

Miss Mabel Russell leaves this evening for Chicago, where she will visit Miss Spaulding of the Normal faculty for a few days prior to her departure for Brooklyn, where she will resume her work at the Pratt institute.

Stole a Watch—George Cunningham, recently of Negaunee, is serving sixty days in jail, having been convicted by a jury in Justice Byrne's court of having stolen a watch from a man in the employ of one of the boats lying in the harbor. The man who lost the watch saw the fob hanging out of Cunningham's pocket while walking on the street, but the latter maintained that he did not know how it came there.

V. N. A. Report for August—At the meeting of the Visiting Nurse association held yesterday afternoon, Miss Bronson, the visiting nurse, reported that she had attended twenty-two patients during the month of August, thirteen of whom were new patients. She made 124 visits in all and sent two patients to a hospital. The treasurer of the association reported that \$139.67 had been expended during the month and the relief committee reported an expenditure of \$24.19.

Damage Case Settled—Attorney P. H. Martin of Green Bay, acting for Urban Desurean of Iron Mountain, effected a settlement in a damage suit which he had brought against the Chicago, Milwaukee & St. Paul Railway company for injuries received in the Traders' wreck out of Iron Mountain. He settled with the road for \$12,000. The case was pending before the federal court at Marquette and was to come up for trial at this term, when the price was agreed upon between the road's attorneys and Mr. Martin, acting for the plaintiff. Mr. Desurean was a passenger on the train when the collision occurred.

Talked the Matter Over—The finance committee of the council met with the light and power commission yesterday afternoon and presented the resolution of the council, requesting that the light and power commission reduce the price charged for street lighting from \$75 to \$60 per arc light. Though the commission could reduce the charge and still make a profit, the council finance committee has not yet decided whether it would be better to continue to charge the present rate and pay off the outstanding bonds as rapidly as possible with the surplus. No answer was given to the council committee regarding the reduction, as some of the members of the light and power commission were absent from the meeting.

Jewish New Year—Wednesday, Sept. 15, is the Jewish New Year, and preparations are being made by all Hebrews to observe the day with the solemnity due the occasion. The great holiday period begins at sunset Wednesday morning and will last for two days. Fasting and prayer mark the first part of the celebration. When the New Year is fairly ushered in, the feasting and ceremonies, thousands of years old, will begin. The great festival is observed by orthodox Jews all over the world and the Jewish synagogues are filled with worshippers. The festival next week will mark the opening of the year 5670, dating, by the Jewish calendar, from the reckoning from the Bible, from the creation of the world.

INSURE WITH PETER WHITE & CO. RAILROAD MAN KILLED.

Standing in the gangway of a locomotive as it was backing from Northwestern dock No. 6, Lafayette H. Moore, a fireman and one of the most popular railroad men employed at Escanaba, met death when he was caught by an ore car standing on an adjoining track and rolled violently between the engine and the side of the car. The space between two trains on the dock is slight and as the unfortunate man was looking ahead he did not see the danger until he was caught. The body was badly crushed about the chest and it was necessary to move the engine ahead before it was released and dropped into one of the pockets. Moore was twenty-three years of age and had been employed at Escanaba nearly three and one-half years. He came from Cheboygan.

Many people delude themselves by saying "I will wear away," when they notice symptoms of kidney and bladder trouble. This is a mistake. Take Foley's Kidney Remedy, and stop the drain on the vitality. It cures backache, rheumatism, kidney and bladder trouble, and makes every trace of pain, weakness, and urinary trouble disappear. Sold by all Druggists.

**ARRAIGNMENT DAY
IN CIRCUIT COURT**

TEMPORARY OR FINAL DISPOSITION MADE OF ALL CRIMINAL CASES ON THE CALENDAR.

Temporary or final disposition was made of all the criminal cases on the calendar of the September term of circuit court yesterday, which was the first day of the term. Though the total number of criminal cases on the calendar this term is unusually large, very few of the defendants are charged with offenses of a serious nature, the large majority of alleged offenses being violations of the liquor laws.

Six of the liquor dealers charged with having violated the law entered pleas of not guilty and their cases have been set for trial this week. These liquor dealers who admitted their guilt were fined by the court, in varying amounts, depending upon whether or not it was their first offense.

Today has been set aside for the hearing of citizenship petitions and the first jury trial will begin Wednesday morning. The People vs. Martin Rustenhoven, charged with violation of the liquor laws, is the first case on the calendar. Following is given the disposition of the various criminal cases made by the court yesterday:

The People vs. Edward Honkala; assault with intent to murder. Plea of guilty to assault less than murder accepted.

The People vs. Peter Shantung; larceny. Passed.

The People vs. Martin Rustenhoven; violation of liquor law. Pleading not guilty; trial Sept. 15.

The People vs. Eugene V. Cassidy; violation of liquor law. Pleading not guilty; trial Sept. 15.

The People vs. Knut Matson; violation of liquor law. Pleading not guilty; trial Sept. 15.

The People vs. John Paris; violation of liquor law. Pleading guilty; fined \$30 and \$18.07 costs.

The People vs. Walter Pasanen; assault with intent to do great bodily harm, etc. Pleading not guilty; trial Sept. 16.

The People vs. Walter Lattrell; larceny. Pleading not guilty; continued.

The People vs. Arthur Bauman; violation of Sunday closing law. Nolle prosequi.

The People vs. Philip Angeltart; violation of liquor law. Nolle contendere.

The People vs. John H. Lewis; violation of liquor law. Nolle contendere; fined \$25 and \$7.25 costs.

The People vs. Ernest H. Bush; violation of liquor law. Nolle contendere; fined \$30 and \$7.25 costs.

The People vs. Leonard Winkla; violation of liquor law. Pleading not guilty; trial Sept. 16.

The People vs. John Ogle; assault with intent to murder. Passed.

The People vs. Oral J. Lacombe; violation of liquor law. Pleading not guilty; trial Sept. 17.

The People vs. Julius Johnson; violation of liquor law. Pleading not guilty; trial Sept. 17.

The People vs. Veivo Kainmlainen; adultery. Pleading not guilty; continued.

The People vs. William Noyes; violation of liquor law. Nolle contendere; fined \$25 and \$9.50 costs.

The People vs. Anton Antio; violation of liquor law. Nolle contendere; fined \$30 and \$7.25 costs.

The People vs. August Olgren; violation of liquor law. Pleading guilty; fined \$25 and \$7.25 costs.

The People vs. Ole Wiggins; larceny. Nolle prosequi.

The People vs. Edward Menohennet; violation of liquor law. Pleading guilty; fined \$25 and \$7.25 costs.

The People vs. Peter Niemi; assault with intent to do great bodily harm. Pleading not guilty; trial Sept. 17.

The People vs. Felix Mayotte; violation of liquor law. Passed.

The People vs. John Tempera; assault with intent to do great bodily harm. Nolle prosequi.

The People vs. Louis Paige; forgery. Pleading guilty.

The People vs. John Simola; violation of liquor law. Pleading not guilty; trial Sept. 18.

BAD LUCK

IN BAKING IS ENTIRELY ELIMINATED BY THIS METHOD.

Miss Goggin, the Authority on Cooking and Serving, Invites the Ladies to Hear Her in Vacant Store in Opera House Building.

The lectures on Science of Domestic Economy to be given by Miss Louise Goggin of Chicago in the vacant store in the opera house building beginning Tuesday, Sept. 14, will be of unusual interest to the women of Marquette. Miss Goggin teaches the art of successful baking and can help you appreciate her skill and the suggestions that make your success so sure and superlative. Bad luck in baking is entirely eliminated by her method of doing the work. It is a rare treat to see the results obtained by this expert. Miss Goggin is an exponent of the art of baking as taught by Mrs. Janet McKenzie Hill, of the widely-famed Boston cooking school, and has many ideas that are new and practical that are sure to be of help to you in your every-day baking. The lectures are free—there is no charge whatever. Tastes of delicious baking will be served to those attending, not from the oven while you wait. Chairs will be placed so that you may sit in comfort during these talks and illustrations. Miss Goggin uses the famous K. C. Baking Powder in her work, for reasons she will explain. The special recipes used are by Mrs. Hill of Boston. For your delectation the following dainties will be baked and served at the opening class at 2 p. m. Tuesday, Sept. 14: Ribbon cake, date muffins, tea cakes and peanut cookies. Class from 2 to 5 p. m. Don't fail to attend the free baking school.

Ladies will call at your home to tell you their showing you the greatest "Cook's Book," ever compiled. Every recipe in it is a gem and its possession is something to be proud of. It is free to the users of K. C. Baking Powder. It is best at any price.

Not a minute should be lost when a child shows symptoms of croup. Chamberlain's Cough Remedy given as soon as the child becomes croupy, or even after the croupy cough appears, will prevent the attack. Sold at The People's Drug Store.

Who Is Responsible?

When sickness comes and remedies are prescribed, who is responsible if the remedies fail to do what was expected of them? If the remedies do not cure because they are lacking in purity or strength, or are not properly compounded, it is the druggist's fault—or it may be in a measure your fault because you did not take the prescription to a druggist who looks after these things.

We use assayed and tested drugs. We know they are both pure and sure. We can fill any prescription, no matter where or by whom written.

Desjardins' Pharmacy,
147 North 3rd Street.

SPECIAL NOTICE
The Darantella Havana Cigar is made under sanitary supervision and the consumer can rely that no pains will be spared to make it the cleanest and most wholesome Cigar on the market. Each maker has a jar of sterilized water on his table, and no saliva paste permitted to be used, thus insuring the consumer absolutely no contagion possible, and a clean fine Havana smoke. We recommend the straight 10-size, owing to its fine smoking quality.

LOST—\$10. between Lake Hancock and two depots, Friday afternoon. Reward. Return to Mining Journal branch office. 9-13-09.

WANTED—Good carpenters and laborers at once. Good wages to good men. Apply to Foster Construction Co., North Lake engine house. 9-10-10.

MORE CONVENIENT ROUTE.

L. S. & I. Co. Will Cut Off Distance Into Cliffs Shaft Mine.

A survey has been completed for a new route for the Lake Superior & Ishpeming Railway company's line to the Cliffs Shaft property, and the track will be put in very soon. It will extend from a point near the end of the Lake Superior rock dump, cutting across to a point west of the Finnish boarding house, near the company's barn. At present the trains go around the dump, some distance west of No. 7 stock pile and then back down over the "Y." The new line will cut off over a half mile of track and will be the means of saving time and fuel in handling the cars at this property. Both the "Y" and the new track will be used as trains coming from around the horn will be put in over the former as usual.

The Lake Superior & Ishpeming Railway company will also soon begin the construction of its line to the Cleveland Cliffs Iron company's North Lake property. The route has been surveyed over territory along the Northwestern line to a point near the old gravel pit, when it will go south about a half mile to the concrete shaft. It is expected that both improvements will be completed before winter sets in.

Have your piano tuned now. M. J. Olson, the piano tuner, will remain in this city during the summer months. Orders taken at Wm. Leininger's store. (6-28-11)

Dr. Abernethy, the great English physician, said, "Watch your kidneys. When they are affected, life is in danger." Foley's Kidney Remedy makes healthy kidneys, corrects urinary irregularities, and tones up the whole system. Sold by all Druggists.

STEAM SHOVEL CREWS MAKING BIG RECORDS

ALTHOUGH LAKE ANGELINE MEN DID FINE WORK THEIR PERFORMANCE IN TEN HOURS AS EXCEEDED AT CRYSTAL FALLS

Many steam shovel operators on the Lake Superior iron ranges are endeavoring to break records in the tonnage loaded in a single day, and as a result new high marks have been set several times during the past month. John Murphy, operator of the Lake Angeline mine shovel, on this range, holds the record here for a day's work, and while it has been shattered by operators on other ranges it is doubtful if Mr. Murphy's work in loading twelve sixty-ton cars in thirty nine minutes, moving the shovel three times during the operation, will be equalled. At the rate the cars were loaded during this run the total in ten hours would have exceeded 10,000 tons.

A week ago Sunday Mr. Murphy and his assistants, including the same railroad crew that was working when he loaded 5,382 tons in ten hours, broke that record by 298 tons. They loaded seventy-nine Lake Superior & Ishpeming steel cars, aggregating 4,263 tons, and thirty-six wooden cars, aggregating 1,315 tons, making a total of 5,578 tons. All Gogebic range records were recently broken, when the crew at the Newport mine loaded nearly 6,000 tons from the stockpiles in ten hours. They had the advantage in loading only fifty-ton cars. At the same time the Newport shovelmen were setting a new high mark for the Gogebic range, Tom Penglass, a former Negaunee man, and his assistants, were making a record at the Tobin mine. Menominee range, they having loaded 6,333 tons in ten hours. That is good loading, all right, but it is a long way from being a record. This accomplishment is exceeded every working day at the Tobin mine by Tom Penglass, who when there are cars to load, never loads less than 120 of the big St. Paul cars. These cars average forty-seven tons of Tobin ore. To be specific, a week ago last Sunday Mr. Penglass loaded 139 cars in nine hours, which means a total of 6,533 tons.

"But there is another feature of Mr. Penglass's loading that must be taken into consideration. He has but a four car spot and the open pit at one end of the track necessitates the switching

out of the loads before the empties are set in. Two engines are used in serving the shovel but even this arrangement means a loss of time of nearly two hours per day of ten hours.

Mr. Penglass doesn't claim any record but when shown the claim of the Marquette men, stated that he thinks his work shows up very favorably. He has determined to try for a load of 150 cars some day and the railroad boys say that he will certainly make it."

The Negaunee Greenhouses have for sale fine sweet corn, tomatoes, crab apples, also cooking apples. To be sold at reasonable prices. Orders should be placed at the Greenhouses. 9-9-11

"THE BLOCKHEAD" TONIGHT.

Judging from the favorable reports received concerning W. B. Patton and his production of "The Blockhead," which will be the offering at Ishpeming theater tonight, Ishpeming theatergoers will be delighted with the entertainment. Mr. Patton is the author of all of the plays he has appeared in during the past ten years; more, and it is said that "The Blockhead" is the most delightful comedy that he has ever written. He is surrounded with a clever cast and the play is excellently staged and beautifully costumed.

The Ishpeming city football team has organized and is ready to meet all comers in the upper peninsula averaging 145 pounds. Following is the line-up: Swanson, center; Guy, right guard; Weber, right tackle; Perzant, right end; Carlson, left end; Thompson, left tackle; Lind, left guard; Westman, quarterback; Waters, right halfback; Johns, left halfback; Gill, captain and fullback; Matthews, Gill and Butler, substitutes.

Awards and Medals
BALDWIN--Grand Prix, Paris, 1900.
Grand Prize, St. Louis 1904.
HAMILTON--Silver Medal Paris 1900.
First Order of Merit, Australia Industrial Exhibit.

Explanation How to Win

All that is necessary to do is to supply the proper and required number of deficient letters as indicated by the dashes (—) shown in each of the above 11 skeleton names of cities, each of which had a population of over 10,000 in 1900. Also giving names of states fully spelled out. After you are sure that you have supplied the RIGHT letters in each, write the fully spelled names one above the other, so that the first or initial letters of the entire 11 names, will spell out, when read from top to bottom, one of the great honors bestowed upon the famous BALDWIN LINE OF PIANOS. Looks Easy Enough, Don't It? BE CAREFUL JUST THE SAME

HOW TO WIN

FIND THE CORRECT SOLUTION OF THE PUZZLE.

Envelopes containing solution will be opened for record a short time previous to the date on which the awards are given away.

The answers will then be examined in the presence of judges and to the owner of the correct or most nearly correct solution will be presented:

One \$350 Hamilton Piano, first prize; \$150 Purchase Check, and \$5 in gold, second prize, and three special prizes of a \$150 purchase check and \$5 in gold for the best response received from Negaunee, Ishpeming and Marquette exclusive of the two other prize winners.

To the other contestants will be awarded in order of merit Purchase Checks of the following denominations, good on any new piano of Baldwin manufacture in the stock of the undersigned:

10 Purchase Checks	\$100.00 each
15 Purchase Checks	95.00 each
20 Purchase Checks	90.00 each
25 Purchase Checks	85.00 each
30 Purchase Checks	80.00 each
35 Purchase Checks	75.00 each

Should there be more than one correct solution, or should two or more tie in securing the most nearly correct solution, awards will then be made upon penmanship and general appearance of the tying contestants' papers.

If you are fortunate in getting one of these Purchase Checks and already have a piano, the Purchase Check may be disposed of to someone else, providing such transfer is properly endorsed by us.

INFORMATION BLANK

This blank is for your convenience, but you are not obliged to fill it out.

Telephone No. Would you like to have a piano?

If you are under age, give name of father

and mother

Have you a Piano or Organ?

What kind and how old?

J. N. FOHRMAN

ISHPEMING MICHIGAN.

DIRECTIONS

FOR CONTESTANTS.

Write your solution on a plain sheet of writing paper, (complete information blank opposite), and send or bring to us.

There are no limits or restrictions as to the number of contestants in a family but only one prize will be given in a family.

None of the prizes can be awarded to any one in the family of an employee of the Baldwin Company or J. N. Fohrman, nor to any one of the judges in this contest, or to any one in their immediate families.

Only one coupon may be applied on the purchase of any piano.

Winners of prizes can apply same on any new piano in the entire line of Baldwin, Ellington, Hamilton, Howard, Valley Gem and Monarch Pianos carried in stock.

Every Piano on our floor is always marked in plain figures at the regular selling price and not only will the coupon be accepted as so much cash on a piano, but the balance of the purchase price may be arranged on easy terms if desired. Every piano is fully warranted by the Baldwin company.

* This Contest will close Wednesday, September 22nd, at 10 p. m., and all answers must be delivered to us on or before that hour.

HIGH SCHOOL FOOTBALL SCHEDULE ARRANGED

TEAMS REPRESENTING NEGAUNEE, MARQUETTE AND ISHPEMING SCHOOLS WILL PLAY A SERIES OF GAMES, STARTING A WEEK FROM NEXT SATURDAY.

The principals of the Negaunee, IshpeMING and Marquette high schools have arranged a schedule of football games for the fall. Each team will play three games with each of the other two teams, and it is proposed to start the series a week from next Saturday, the 25th.

The officials have not yet been decided on, but it is likely that outside men will be obtained. It has been suggested that when the IshpeMING and Negaunee teams play, Marquette men officiate; when Marquette and Negaunee play, IshpeMING men officiate...

ISHPEMING IN BRIEF.

Lou W. Hoffman of Green Bay was in the city yesterday. J. W. Hoon of Iron Mountain was an IshpeMING visitor yesterday. Mrs. Arthur D. Bliss of Houghton is visiting her sister, Mrs. Mary Gilbert, 126 First street.

RAISING TOWERS.

Los Angeles, Sept. 13.—Lyle Hess, seventeen years old, the son of a prominent Pasadena merchant, was brought to Los Angeles and turned over to United States Marshal Young by a forest ranger, who charged him with starting a forest fire on the government reserve in the mountains above Pasadena.

TESTIFIES AFTER FOUR YEARS.

Carlisle Center, N. Y., G. B. Burhams, writes: "About four years ago I wrote you that I had been entirely cured of Foley's Kidney Remedy, and after four years I am again pleased to state that I have never had any return of those symptoms, and I am evidently cured to stay cured."

Negaunee State Bank

will soon be READY FOR BUSINESS IN THE Old Bank Building

"Dull and weak describes the opening of both markets this morning, but after the first hour, a little strength was shown, and losses for the day were slight and confined to a few issues. The Boston copper market were fractionally weaker in most instances, and opinions are conflicting as to the immediate future of this class. Some authorities declare there can be no upward movement until after crop moving period, while others state copper will advance when expected purchases of metal are made in any quantity. There is no selling pressure in copper. The curbs are quite dull, with little change in prices and no special feature. The Wall Street Journal says: 'While the statistics made public by the Copper Producers' association were considerably more bearish than had been expected in metal circles, the consensus of opinion expressed was that the figures might have been a worse showing. Coming on the heels of the glowing July report, the contrast made by the August statement becomes all the more marked, and there is a tendency to lose sight of the fact that while the output is running far in excess of former years, consumption, too, is at a higher rate than ever before. Further important increases in production are not in order for the moment, so it is clear that as far as America is concerned, the copper situation is in good shape, especially when it is taken into consideration that the part of the year which has already elapsed includes several lean months which, according to indications, will not be duplicated during the remainder of the year.'"

ADMITS HIS GUILT AND ASKS MERCY

CASHER LARSON ACKNOWLEDGES HE HAS EMBEZZLED AND FALSIFIED THE BOOKS.

ATTORNEY PLEADS FOR HIM

Allan Rees Submits Reasons to Court Why Defendant Should Be Punished as Lightly as Possible.

Guilty except as to the fifth and eighth counts of the indictment was the plea of E. T. Larson, former cashier of the First National bank of Ironwood, when arraigned before Judge Knappen yesterday in federal court.

In connection with the eighth count, which relates to the \$150,000 transaction, the assistant district attorney states that there was no intention to imply in the indictment that Eugene G. Brady, the Ironwood broker, has been guilty of any offense, as the casual reader might conclude from the wording of the count.

Apprenticeship Was Unfortunate.

Mr. Rees began by discussing the purposes of punishment as defined by Blackstone, his conclusion being that the only object in punishing Larson would be to deter others from similar wrongdoing.

The bank's trouble began with the erection of the Curry Hotel, at Ironwood, Mr. Rees said. This hotel was built on borrowed capital and in order to realize on its loans the bank found it necessary to take over the building.

The Harqua Hala Mining company, continued Mr. Rees, was organized by Larson in a perfectly legitimate manner. The money first raised was expended in development of the property and the bank loaned the company money to the full amount allowed by law.

Judge Knappen gave no intimation as to when he would pronounce sentence on Larson.

NOTICE

All bills against the County Fair association must be sent to the secretary at once, otherwise they will go over until next year.

The South Shore will place in effect a rate of one fare and one-third to Houghton and return for the Copper County Fair, Sept. 20-25. Return limit, Sept. 27.

GIBSON AGAIN ON TRIAL.

Soldier Murder Case Before Jury for the Second Time.

That the case of the United States against John E. Gibson will go to the jury before night is the prediction of M. M. Larmouth, the defendant's attorney.

Some trouble was experienced in getting a jury to sit upon the case, as many of those called claimed to have pre-conceived opinions as to Gibson's guilt or innocence.

HIGGINS GUILTY OF EMBEZZLEMENT

VERDICT RETURNED AT 11:30 YESTERDAY, JURY HAVING BEEN OUT SINCE SATURDAY AFTERNOON.

After having had the case under consideration from 3:15 Saturday afternoon until 11:30 yesterday, the jury returned a verdict of guilty of embezzlement against Frank L. Higgins, formerly assistant postmaster at Saint Ste. Marie.

Higgins' attorney, H. M. Oren, stated yesterday afternoon that an application would be made for a new trial and that he had strong reasons for making the request.

THEATRICAL.

"The Parisian Model."

"The Parisian Model," fresh from its triumphs in New York city, will be presented at the opera house tonight.

TO LAY WATER MAIN ON HEWITT AVENUE

WILL PUT IN SIX-INCH PIPE FROM SPRUCE STREET EAST TO M. & S. E. TRACKS.

BIG PROJECT CONTEMPLATED

Plans Under Discussion for Laying Twenty-Inch Main Through Flats to North End of City.

Before winter sets in the board of fire and water commissioners expects to extend a six-inch water main from Spruce street east to the M. & S. E. railway tracks on Hewitt avenue.

Twenty-Inch Main Projected.

Plans have been discussed for the laying of a twenty-inch main from the water works to the junction of Fair avenue with Third street in a general north-west direction, through the flats, and the board will now slowly about laying any additional mains in that part of the city until the course of this proposed extension has been decided on.

The cost of the extension of the six-inch main on Hewitt avenue will be defrayed out of the commission's general fund, and will not be assessed in part on the property that will be benefited.

Surveys for Intake Extension.

Engineers Cummings and Wright recently completed a survey of a possible route for an extension of the intake, another matter the board has under consideration.

Cost Will Be Spread.

The principle now appears to be established that there shall be no assessment of property for any extension of the water mains that may, from time to time, be necessary.

A FORMER U. P. MAN.

Word has been received of the death of Dr. E. S. Forsyth at Laporte, Tex., where he had been established for some time.

BOTH BOYS SAVED.

Louis Boon, a leading merchant of Norway, Mich., writes: "Three bottles of Foley's Honey and Tar absolutely cured my boy of a severe cough, and a neighbor's boy, who was so ill with a cold that the doctors gave him up, was cured by taking Foley's Honey and Tar. Nothing else is as safe and certain in results. Sold by all Druggists."
