Issued daily except on Sundays. Contains ed Press dispatches and is especially to the Upper Peninsula interests. SUBSCRIPTION RATES:

Per month, by carrier.....\$ .60 Per year, by mail......\$ .600 MARQUETTE, MICH., NOVEMBER 29. Entered as mail matter of the second class in the postoffice at Marquette, Mich.

We hate to remind the Commercial club of the fact, but it hasn't yet landed a single industry for Marquette,

"A real interesting invention would be a wireless politician," observes the Grand Rapids Press. It would at least be a change from the spineless variety, of which we have an elegant sufficiency.

Thank heaven, the open season for deer The lines from it here given will enable slaying will be over in one day more, the reader to understand the warning it when the invading army of hunters, with their impedimenta, will withdraw from the upper peninsula. It has been a short campaign but the list of fatalities is unusually long.

The Japs are becoming too imitative of us for their own good. They have just had a mine disaster in that country closely patterned after the one at Cher- The land, the land 'twas God who gave ry in the number of men entombed and the fatalities resulting. In many things it may be well to take this country as a Why should we be beggars with the balmodel, but others can be skipped to advantage.

There was no delay in bringing Phil Allen, the Mineral Point, Wis., bank wrecker, to punishment. He was sentenced Friday by Judge Sanborn, at La Crosse, to ten years in the Federal prison at Fort Leavenworth, Kan. Allen is sixty-three years of age, so the sentence imposed is about equivalent to life. His stealings from the bank aggregated some \$170,000.

A Chicago young woman who discovered a burglar knocked him down and gave him a good pounding, but when she discovered he was young and good looking, and especially when he pleaded hunger as an excuse for the work he was engaged in, she proceeded to fill him up on Thanksgiving turkey with trimmings, and then allowed him to go rejoicing on his way. How like a woman!-Exchange.

And how likable the woman who did

Representative Payne, of tariff bill fame, announces that "economy and retrenchment" will be the watchword during the pending session of congress. The country will be glad to hear it, and pleasantly surprised if Mr. Payne and his associates give the watchword effect. But ehow the people are disposed to b

# \* Are You Exceeding the Speed Limit?

The record you keep on your check stubs is like the speedometer on the auto-shows just what pace you are going and warns you against spending too fast. That is why the man with a bank account is able to live more economically, thereby increasing his net earnings.

### SOUL-SLAVERY AND SOUL-LIBERTY Sermon by Dr. Kerr Boyce Tupper.

At the First Baptist church last evening Dr. Tupper spoke on "Has an Employer a Right to Coerce an Employe's He chose as his text, "I considered oppression and on the side of the oppressors was power."-- Ecclesiastes 4:1.

tolerate it. Especially do liberty-loving and liberty-defending Americans stamp

cartiestness.

one side is having most notable triumphs all over our land. The tide of temperance sentiment and legislation among us is nothing less than phenomenal today in its sudden rising and in its gigantie sweep and strength. The saloon has been expelled from the United States capital. army and territories. In nine of our states there is complete prohibition; in all but five of the states there is local option in some form, while in about twothirds of all the territory of the United States the saloon has been abolished. Today 26,000,000 of our people live in prohibitory territory, and in fourteen outhern states 17,066,060 of the 20,000,-
