

HOUSE SITUATION IS ONE OF TENSION

However No Move Is Made by Leaders of the Insurgent Republican Faction to Oust Mr. Cannon from the Speakership.

It Is Intimated, Though, That His Case Will Be Attended To Later, When the Administration and Other Important Measures Are Disposed Of—Congressman W. A. Thomas, of Ohio, Speaking at Home, Declares Against Uncle Joe's Re-election.

Washington, April 13.—As a result of Speaker Cannon's speech last Monday, in which he once more defied the insurgent Republicans and the ensuing retorts of the latter faction, in which they promised to attend to his case later, the situation in the house today was one of considerable tension, notwithstanding that no attempt at drastic action is expected for the present.

Thomas Opposed to "Uncle Joe." Warren, O., April 13.—Congressman W. Aubrey Thomas, Republican, of the Nineteenth district, today defended his stand on the tariff policies of the tariff bill.

Sweeping Inquiry Proposed. It Relates to Food Infected with Typhoid and Tuberculosis Germs.

Washington, April 13.—A sweeping investigation of the danger to the human family of milk, butter and cheese infected with typhoid or tuberculosis germs is contemplated by the terms of a resolution introduced in the house today by Mr. Parsons, of New York.

Cold Storage Investigation Suggested. Washington, April 13.—The senate may enter upon an investigation within an investigation. The proposed inquiry grows out of the "Lodge select case of living committee" proposition to prohibit the holding of food in cold storage for more than a year.

Packers' Extradition Is Sought. Trenton, N. J., April 13.—Governor Fort will give hearing Monday on the application of Prosecutor Garven of Hudson county for the extradition of the packers indicted on charges of conspiracy to raise the price of meat.

President Is Satisfied. Prosecution of the "Sugar Trust" Cases Is Making Headway.

Washington, April 13.—A conference at the White House late today developed to the satisfaction of President Taft that headway is being made in the prosecutions against the so-called "sugar trust" for customs frauds and that there is little likelihood of a congressional investigation at this time.

When the conference adjourned the question was given out: "Mr. Stimson, in charge of the prosecution of the customs frauds in the weighers' department in New York, and Collector of Port Loeb were summoned to Washington for the purpose of conferring with the president and the secretary of treasury, attorney general and assistant secretary of the treasury, Mr. Curtis, in charge of customs, with reference to the progress of the investigation of the customs frauds and their prosecution."

ORDER CREATES CONSTERNATION. Attorney General Wickersham Lengthens His Departmental Work Day.

Washington, April 13.—In view of the accumulation of work in the department of justice, Attorney General Wickersham issued an order today extending the hours of labor of the employees from 4:30 to 5 o'clock daily. This has created consternation among the baseball enthusiasts and the golf and tennis players.

GIVES PENSIONS TO MANY OLD SOLDIERS.

A Bill of Sweeping Provision, Affecting Practically All of the Survivors of the Volunteer Army, Is Reported by the House Committee on Military Affairs.

Washington, April 13.—A pension bill of sweeping provision, under which all the surviving volunteer officers of the army who served six months or more would receive retired pay according to length of service and all honorably discharged enlisted men over seventy years old and suffering a certain degree of disability would receive a straight pension of \$30 per month, was reported to the house today by Mr. Prince, of Illinois, from the committee on military affairs.

CALLS HIM POLITICAL RENEGADE. Congressman Sims Pays His Respects to Tom Watson of Georgia.

Washington, April 13.—Representative Sims, of Tennessee, today introduced the proceedings of the house on an anticipated controversy with Tom Watson of Georgia, who had criticized Mr. Sims because of the circulation of a speech advocating long service by congressmen in order to enhance their influence.

WASHINGTON SURPRISED AT QUEBEC'S DECISION.

Intention of the Province to Prohibit the Exportation of Pulpwood Is Likely to Nullify the Efforts for Closer Commercial Relations With Canada.

Washington, April 13.—The announcement that the province of Quebec by an order in council would almost immediately prohibit the exportation of pulpwood from that province to the United States was received here today with surprise and regret. At the same time, it was said that the prospect of closer commercial relations and of a trade treaty with the Dominion was thought sufficiently encouraging to deter any of the provinces from imposing military restrictions at this time.

Shipments Allowed Until May 1. Quebec, April 13.—It was learned today on the highest authority that the interests of the United States lumbermen who have pulpwood cut but not delivered to the province, will be protected by the provincial government.

TELLS OF MONETARY DONATIONS. Harvey Goulder Again a Witness at the Ship Subsidy Inquiry.

Washington, April 13.—Harvey Goulder, of Cleveland, was recalled today in the ship subsidy inquiry. He said that D. R. Hanna, son of the late senator Hanna, and Captain John Mitchell had contributed \$500 each, which remained in the bank as a special deposit—"nobody's money."

MR. TAFT IN TROUBLE. "Antis" Object to His Addressing the Woman's Suffrage Convention.

New York, April 13.—President Taft, by promising to address the Woman's Suffrage convention, which opens in Washington tomorrow, has aroused the wrath of the "antis," who have sent him a letter of protest.

SHRINERS CHOOSE ROCHESTER. New Orleans, April 13.—W. F. Frelaud Kendrick, potentate of Lulu temple, of Philadelphia, was elected today imperial high priest of the Shrine of the Mystical Shrine.

CAUSE FOR ELATION SEEN BY BRYAN

Writing from Brazil, He Says That the Democrats May Now Take Judgment Against the Republican Party by Confession.

President Taft's Recent Speech in Which He Attributed the High Prices to the Increased Production of Gold Is Taken by the Nebraskan as an Endorsement of the Democratic Contentment of '96—Jefferson's Birthday Anniversary Celebrated.

Washington, April 13.—What J. Bryan's letter from Brazil to be read at the Jefferson banquet here tonight was made public during the day. It contains the usual anti-trust declarations and refers to Mr. Taft's Lincoln speech at New York, in which the president attributed the high prices mainly to the increase in the production of gold and the consequent enlargement of the volume of money.

JEFFREYS GOES FISHING.

While Carpenters Repair Gymnasium, Big Puglist Takes a Vacation. Ben Leonard, Calif., April 13.—With the exception of a long drive over muddy roads this morning, James J. Jeffries took a vacation today.

Chicago Jury Acquires Jack Johnson. Chicago, April 13.—A jury in Judge Going's branch of the municipal court today acquitted Jack Johnson, the pugilist, in the charge of exceeding the speed limit.

DRIVE IN FAST TIME. Motor Car Racers at Los Angeles Establish Five New Records.

Playa Del Rey, Calif., April 13.—Five new American speedway records were established at the Motordrome this afternoon, the most noteworthy being the half-mile made by Barney Oldfield in his Benz car, during which he reached a speed greater than 100 miles an hour.

Democratic League Elects Officers. Indianapolis, April 13.—The National League of Democratic Clubs convention today elected: President, W. C. Liller; Indianapolis; first vice president, John W. Kern, Indianapolis; second vice president, Joseph W. Folk, Missouri.

MAY JOIN THE ARMY AGAIN. Fourteen Former Brownsville Soldiers Exonerated by Court of Inquiry.

Washington, April 13.—The war department is about to take steps to carry out that part of the findings of the recently concluded Brownsville court of inquiry, regarding the reenlistment of the members of the Twenty-fifth infantry who were found to have been freed from complicity in the rioting at Brownsville. There were fourteen, and they will be ordered to appear at the nearest recruiting office for examination.

CONSERVATION BILL CONSIDERED. Washington, April 13.—The senate committee on public lands today took up the question of legislating to permit the president to withdraw public lands for classification and other purposes, but failed to reach an agreement.

THE WEATHER

Washington, April 13.—The following is the weather bureau's forecast for Upper Michigan: Partly cloudy; Thursday; showers and cooler at night or Friday; moderate south winds.

BIG SHIPMENT OF AMMUNITION. Twenty-Six Cars Headed for Duluth Leave Kings Mills, Ohio.

Cincinnati, O., April 13.—Extraordinary care marked the progress of a train of twenty-six cars started from Kings Mills, Ohio, to Cleveland late today. Every car is loaded with ammunition. It is said to be the largest single shipment of revolver and gun ammunition ever recorded in the United States, even in war times.

BALL TEAMS BEGIN RACE FOR PENNANT.

Playing Season of the American Association Is Opened and That of the Two Major Leagues Will Start Today—Tigers' First Game Is at Home.

New York, April 13.—Everywhere in the country, the umpire's cry of "Play ball" is awaited eagerly. With the weather propitious, tomorrow will be a gala day at the American and National league parks. The sixteen teams that will begin the pennant charge tomorrow will line up as follows:

National League—At Boston, with New York; At Philadelphia, with Brooklyn; At St. Louis, with Pittsburgh; At Cincinnati, with Chicago. American League—At New York, with Boston; At Washington, with Philadelphia; At Philadelphia, with Brooklyn; At Chicago, with St. Louis.

Results of Other Games. Other ball games played today resulted as follows: University of Illinois, 6; Northwestern, 1; Boston Nationals, 10; Lowell, 1; St. Louis Americans, 9; Danville, 1; Boston Americans No. 1, 9; No. 2, 4.

Johnny Kling Holding Back. Kansas City, April 13.—John G. Kling today intimated that he might not join the Chicago National league club in the immediate future. The catcher would only say that business contingencies were detaining him here.

Insane Man Threatens the Premier. Sait Etienne, France, April 13.—A workman named Duplan, who was armed with a brace of revolvers and a knife, and who declared that he wished to kill Premier Briand, was arrested today as he attempted to force his way into the hotel where the premier was stopping.

RELEASED FROM ELLIS ISLAND. Briton Suffering from Tuberculosis Is Allowed to Go to Colorado.

New York, April 13.—George E. Romanes, son of the late George John Romanes, a noted British scientist, was released today from Ellis island. He was detained on his arrival Monday on the basis of a medical certificate saying that he was a sufferer from tuberculosis.

Carnwallis-West Ill at Indianapolis. Indianapolis, April 13.—Lieutenant George Cornwallis-West of London is ill at a hotel here. His identity has been kept a secret. He hopes to soon continue his journey from Mexico to New York.

SUSPECTS A MEXICAN PLOT. Ambassador Wilson Hears of Intrigue Against the United States.

Mexico City, April 13.—Henry Lane Wilson, the newly arrived American ambassador to Mexico, believes that a plot to embarrass him exists in this city. He declared today that "in due time the exact character of the intrigue, which is one not only hostile to the embassy, but to the interests of the American government as well, will be known."

WIRELESS SAVES PASSENGERS. Eureka, Cal., April 13.—The steamer Santa Clara, a fifty-ton tug, was blown from Portland to San Francisco, in distress off this port. In response to a wireless call a tug responded and the passengers are being transferred.

BANKER IS FINED \$1,000. Portland, Ore., April 13.—W. H. Moore, former president of the defunct Oregon Trust & Savings company, pleaded guilty today to the charge of accepting a deposit after he knew the bank was insolvent. He was fined \$1,000.

FAMOUS PAINTER EXPIRES. London, April 13.—Sir Wm. Quiller Orchardson, R. A., the painter, died today.

NO RED HAT FOR ANY AMERICAN

All Prelates of the Church in the United States Are Stricken from the List of Candidates for the Cardinalate.

This Action of the Pope Is Officially Announced at the Vatican, but No Explanation Is Given—Colonel Roosevelt Departs from Porto Maurizio for Venice, in a Veritable Rain of Flowers—He Is Enthusiastically Acclaimed at Milan.

Rome, April 13.—It is announced that the pope has struck from the list of candidates for the cardinalate all the Americans, including the archbishops of New York, St. Paul, Chicago and New Orleans. The chancellor of the vatican confirms this, without volunteering an explanation.

Former President Goes to Venice. Porto Maurizio, April 13.—Theodore Roosevelt and his son Kermit left this afternoon for Venice. They traveled in a special car placed at their disposal by the government.

Has Talk With Ex-Mayor Phelan. Prior to the departure of Mr. Roosevelt, former Mayor Phelan of San Francisco had a long interview with him. Later Mr. Phelan said that he had discussed the defeat of Francis J. Henry for district attorney at San Francisco last fall "as an instance of the bad effect of the railroad control of politics."

ANARCHIST SHOOTS AT JUDGE. Attempt Assassination Creates Excitement at French Palace of Justice.

Paris, April 13.—A sensation was caused at the palace of justice today when an anarchist in revenge fired four shots at M. Flory, president of the court which found the man guilty a year ago. M. Flory was not hit. The anarchist was arrested.

"BUCKETHOPPERS" FIGHT. Government Is Contested on Every Point Raised at New York Hearing.

New York, April 13.—Every point sought to be made by the government in the bucket shop cases today was contested by the counsel for the Cella brothers. The attorney objected to the admission of the indictment in the District of Columbia, claiming that it charged the commission of no crime, and he denied that the men were the ones named in the indictment.

GIVEN THE IMMUNITY BATH. Three More Pittsburg ex-Councilmen Enter Pleas of No Defense.

Pittsburg, April 13.—Though District Attorney Wm. A. Blakely did not proceed today with the trials of the seven councilmen whose names are on the criminal court list, charging with graft, the hands of the prosecutor of the graft scandal were strengthened all along the line and further efforts to defeat the course of the law met with rebuffs.

PENNSYLVANIA MINE AFIRE. Canonsburg, Pa., April 13.—A hundred men are at work tonight, fighting a fire that is raging in the coal mine here. Those nearest the heat are relieved every few minutes. The damage is estimated this far at \$15,000.

TOURIST RATES UNCHANGED. Chicago, April 13.—The Central Passenger association today decided to make no changes in the summer tourist rates in the Eastern territory this summer.

FRENCH STRIKE CALLED OFF. Marseilles, April 13.—The labor unions have decided to call off the general strike tomorrow, leaving the naval reservists to fight their own battle.

GOVERNOR PATTERSON FREES COL. COOPER.

Pardon Is Granted the Slayer of Senator Carmack as the Supreme Court by a Divided Vote Affirms the Sentence—A New Trial for the Son.

Nashville, Tenn., April 13.—In the case of Colonel Duncan B. Cooper and the son of J. Cooper, father and son, convicted of killing former Senator E. W. Carmack on the street Nov. 9, 1908, and sentenced to twenty years in the penitentiary, the supreme court this morning by a divided vote affirmed the sentence as to D. B. Cooper. As to Robin Cooper, the case, also by a divided vote, is reversed and remanded to the lower court for a new trial.

WILL BENEFIT MANY THOUSANDS. Steel Corporation to Increase Wages About Six per Cent.

Pittsburg, April 13.—An advance in the pay of the thousands of the employees of the various subsidiary companies of the United States Steel corporation equal to about 6 per cent is said to have been practically decided upon. The changes are expected principally for the laborers and men getting less than \$100 a month.

ILLINOIS MINERS RAISE OBJECTION.

They Oppose the Plan of Forcing Outside Concerns to Join the Operators' Association—This the Real Obstacle in the Way of a Wage Adjustment.

Chicago, April 13.—Admissions that the real bone of contention between the miners and operators in Illinois is the closed shop principle as applied to the operators' organization came as a surprise today. The mine operators wish to compel certain coal shippers to enter the operators' association and assist in bearing the expenses, which in the next twelve years are said to have aggregated \$400,000.

Agreement in Iowa Near at Hand. Des Moines, Ia., April 13.—When John P. Reise, president of the Iowa coal operators, moved to open negotiations on the wage scale today, it was a practical concession, it is claimed, that the miners had won their point. The miners have shown a tendency to make concessions to the operators also, and it is predicted that the 16,000 strikers in Iowa will resume work in a few days.

MOB HANGS DYING NEGRO. Murder of Jailer at Meridian, Miss., Is Followed by a Lynching.

Meridian, Miss., April 13.—Tom O'Neill, a negro, shot and killed Jailer Temple today and was himself fatally wounded by officers in a fight in the basement of the jail. A crowd of two thousand people took the body of O'Neill, who was then expiring, from the officers, and carried it to a telephone pole and hanged it. After the body was lowered the throat was cut and the clothing saturated with kerosene and set on fire. The body was rescued from the mob after the clothing had burned.

HARRIDGE LOSES HIS SUIT. Not Only That, but Thaw's ex-Attorney May Be Tried for Perjury.

New York, April 13.—Clifford W. Harridge failed today in his effort to collect from Mrs. Mary Thaw a balance of \$92,000 for counsel fees and disbursements claimed due him for defending Harry Thaw at the first trial for the murder of Stanford White. In denying the motion to set aside the sealed verdict of the jury which had heard Harridge's suit against Mrs. Thaw, Judge Holt made the sensational statement that an inquiry was called for regarding the professional conduct of Harridge and to determine whether ground existed for perjury prosecution.

CARDINAL GIBBONS PRESIDES. Public Disputations Conducted at Maryland Catholic College.

Baltimore, Md., April 13.—With Cardinal Gibbons presiding in the presence of a notable gathering, public disputations in philosophy and theology were conducted today at the college of the Sacred Heart at Woodstock, Maryland. The first treatise, which included the entire Catholic doctrine on sacraments, was defended by Father Sailer, while Father LeBuffe defended the whole field of Catholic philosophy. Each was grilled for two hours by objectors.

INDICTED FOR BLACKMAIL. Cleveland Society Man Accused of Threatening a Wealthy Widow.

Cleveland, April 13.—Harry L. Morris, a young society man, who was arrested a couple of weeks ago on the charge of blackmail, was indicted by the federal grand jury today on three counts. He is accused of sending threatening letters to Mrs. Dan O. Caswell, a wealthy widow, demanding \$2,000.

MARQUETTE, MICH., APRIL 14.

Have you seen the comet? Pinchot departs in a happy humor.

Now let us have some harmony and league baseball.

Many a change in municipal government has been made for the worst.

Uncle Joe could do a great deal to help the G. O. P. out of its present difficulties by putting a clapper on his jaw.

Dr. Cook may have climbed Mt. McKinley, but it will be impossible to make the members of the Fairbanks expedition believe that he did.

Both Jeffries and Johnson have started training for their Fourth of July fight.

Representative Norris refers to Uncle Joe as the "iron duke of Illinois."

Representative Longworth will campaign in Michigan the coming summer.

Evidently the postponement of a decision of the Standard Oil and Tobacco Trust cases was not the tonic that the stock markets needed.

Senator La Follette, huffed at inability to reach the president, says he will go to him now only when he is sent for.

Will the New York legislature come across with the unrestricted investigation that Governor Hughes demands?

Be it noted that the Hon. Nicholas Longworth explicitly states that his opinions should not be considered an index to those of his esteemed father-in-law.

Cold storage appears to be an equalizer of prices, or a booster of prices, according to the point of view.

Mayor-elect Seidel of Milwaukee reports that while he has received many applications for appointment from men of other parties, he has not received a single application from a socialist.

Janesville, Wis., pays its health officer \$50 annually, and the physicians have entered into an agreement that no one of their number shall accept the appointment until a decent salary is attached to the office.

It is reported that former Governor Guild of Massachusetts is being groomed for a race against Senator Lodge.

President Taft is said to have intimated to Senator Burrows that publicity of campaign expenditures is an excellent thing and that as chairman of the senate committee on elections he should do all in his power to help it along.

President Taft and Gifford Pinchot afford an admirable example of how two men can have a breach of serious nature over official matters and still conduct themselves toward one another in a dignified and worthy manner.

THE DEMON OF THE AIR Is the germ of LaGrippe, that, breath in, brings suffering to thousands.

ute to Pinchot's valuable work for the country, and Pinchot, for his part, has refrained from any criticism of the president, bearing himself with dignity and reserve.

It is said that there is no possibility of changing the existing board management of the city's municipal affairs, with the council constituted as it is at present.

The first steps in any proposed change requires, it is said, the passage of the ordinance providing for the innovation by a two-thirds vote of the members-elect of the council.

Senator La Follette has broken a long silence to attack the administration rate bill, and, incidentally, to make side passes at Attorney General Wickesham.

No trouble at all about getting a row on with Senator La Follette. The chip on his shoulder is ready to fall at the slightest touch.

WORTHINGTON REWARD CLAIM. Finance Committee of the County Board Hears \$3,000 Peticion.

A. M. Worthington of Duluth, private detective for the Duluth, Missabe & Northern railroad, who claims the reward of \$3,000 offered by Houghton county for information leading to the arrest of George E. Hamilton, presented his claim to the finance committee of the county board of supervisors Tuesday afternoon. He was represented by Attorney P. H. O'Brien of Calumet.

Mr. O'Brien opened his plea by stating that on July 14, 1908, the county board offered a reward of \$3,000 as a result of the receipt by August Beck, then sheriff, July 3, 1908, of a box of dynamite evidently intended to kill or injure him. Mr. O'Brien read a number of affidavits supporting A. M. Worthington's claim to the reward. There were affidavits from Chief Troyer of the Duluth police, Chief Ring of the Hibbing police and a number of others, all expressing the belief that Worthington was entitled to the money.

Worthington told his own story to the committee. It was in substance to the effect that he had assisted Pinkerton Detective Agency, who was employed by the county, in identifying the battery used in the dynamite box as one formerly in possession of Hamilton and in locating the place from which the box had been stolen.

Ex-Sheriff Beck has contended, ever since Worthington first advanced his claim, that Worthington had been of no assistance. The daily reports of Detective Agency, read at the hearing, would show that he and Sheriff Beck had connected Hamilton with the case long before Worthington became known in it at all. In fact when A. M. Worthington first met Beck because A. M. wanted Worthington to help him locate Hamilton. After hearing both sides of the committee decided to defer action until the May meeting of the county board.

The village of Laurium bill for \$6,000 for expenses incurred in caring for contagious diseases was also considered by the committee, but it was decided to defer it and meet again later in the month in Laurium for the purpose of taking testimony.

Houghton Firemen Elect.

Annual Meeting of the Department—Old Officers Succeeded Themselves.

The annual meeting of the Houghton fire department was held Tuesday night at the fire hall and the following officers were elected: President—Edward J. Berkford. Vice President—Maurice Spring. Treasurer—Casper Brand. Secretary—Martin J. Haug. Following the election the firemen sat down to a banquet intended, contrary to firemen's practice, to keep alive the flame of enthusiasm for the department. The department has just gotten through a year which was for the most credit, for while there were the usual number of fire alarms the resulting fires were small and the loss, excepting in one instance, was inconsiderable.

PERSON-LEHTO BOUT NEXT.

Much interest is being shown in the catch-as-catch-can wrestling match arranged between Karl Lehto of Calumet and Chris Person of Duluth, which is to take place Saturday, April 23. These two men are about the same weight. Both are striving for recognition among the "big ones." The man who wins this match will be given credit for being the near-champion of the Northwest and will meet Odehmann of Minneapolis for the title. The winner will get 75 per cent of the gate receipts, and the loser 25. It is unlikely that there will be a sidebet between the men, but there will be a large amount of money wagered on the bout by the wrestling fans interested.

PORTAGE TOWNSHIP OFFICERS.

The Portage township board has made the following appointments: Health Officer—Dr. V. Scott. Health Constable—Louis Vetsch. Township Attorney—Joseph F. Ham-litzer. Sexton—Charles Baudin. Special Officer—James Maher. Deputy Clerk—Ed. Ruolke.

STILL IN PROLONGED DOZE.

Emil Piehe, the fifteen-year-old Lake Linden boy who went to sleep last Saturday night and could not be awakened, is still in his doze, though he was awakened sufficiently Tuesday evening to give his parents hope that he will come out of the condition. It baffles the efforts of all physicians of the copper country and if the boy does not awaken today a specialist will be brought here from Chicago.

LAIRD MILLING CO. ARTICLES.

Articles of Incorporation of the Laird Milling Company were filed yesterday with County Clerk Richardson. The incorporation is formed for the purpose of operating a combined lumber and flouring mill at Nisula, in Laird township, and is the successor of a partnership which formerly conducted the plant.

The company is capitalized at \$25,000. Of this \$12,500 has been subscribed and \$9,000, in property paid in. The incorporators follow: John Savala, 250 shares; August Nisula, 250 shares; Charles Heikkinen, 250 shares; Abram Mauda, 100 shares; and Peter Hiltunen, 100 shares.

Heinonen & Olds, the Alhambra contractors, have been granted the contract to construct the Finnish Lutheran church at Alhambra. The building will cost \$3,500.

MINING NEWS

SHANNON.

The Shannon is benefiting by two conditions, both operating to reduce the cost of production. The first is the low price of the present price for copper, which has resulted in a material reduction of cost per pound of production. A 10% cost per pound of Shannon is in sight and a production of 18,000,000 pounds per annum for Shannon this would practically mean earnings of \$7.25 per share for the stock on the present price for copper, and about \$2 per share on a 14-cent copper market. The Shannon is earning at about \$1 per share now.

BOSTON & MONTANA.

The Boston & Montana company, which has voted to accept the Anaconda offer of 1,200,000 for all of its assets, has a capital stock of 150,000 shares, of which the Amalgamated Copper company owns 147,915 shares, or practically all. The exchange value given Boston & Montana, figuring Anaconda at \$50 per share is \$60,000,000, or about the price at which Boston & Montana sold on the stock market before it was absorbed by the Amalgamated.

NOTES OF COPPER NEWS.

Mohawk's fifth level crosscut from No. 6 shaft, 300 feet below surface, is steadily driving across the lode and revealing ground of much the same character as that noted at the level above and far better than the average opened in the mine.

SAN ANTONIO.

Though comparatively little has been published concerning this property, it holds immense possibilities of future productivity, and the work of developing it is being steadily and systematically pushed. Some time ago the Duluth backhoe firm of Piper, Johnson & Case, which holds title to the New York and Boston exchanges, dispatched an expert, Mr. Dwight E. Woodbridge, to examine this property and report his findings. Writing the firm from Tucson, Ariz., on his return, he gave this brief account of the property: "San Antonio, as I word you from Nogales, looks mighty well. Of course, most all of the ore shown is practically on one plane, but that plane is seventy-eight feet in vertical thickness. There are some 27,000 square feet of 7 per cent ore, and, giving them 125 feet thickness, there are 300,000 tons of ore in sight. Tunnels 300 feet lower are entering what seems to be the same ore body, but as a surprise, and if these cut the ore planes as extensively as above there will be developed some 1,200,000 tons. The chances are for a greater development and for good copper sulphides coming in.

"There will be no water to pump, no hoisting, and but a two-mile line of 5 per cent down grade to the railroad, where there is abundant water and a fine smelter site. The property carries four miles in length of good-looking outcrop of iron-stained porphyry; there are sufficient gold-bearing veins good for centuries; there is coal seven miles away that may be available, and I fully believe that San Antonio has a brilliant future and is cheap at the present quotations.

Capital stock issued, 200,000 \$10 shares, a half full paid, half \$2 called in, and a third call likely for July or August.

"Will report fully when I reach home."

THE SOUND SLEEP OF GOOD HEALTH.

The restorative power of sound sleep cannot be over estimated and any ailment that prevents it is a menace to health. J. L. Southern, Eau Claire, Wis., says: "For a long time I have been unable to sleep soundly nights, because of pains across my back and soreness of my kidneys. My appetite was very poor and my general condition was much run down. I have been taking Foley's Kidney Pills but a short time and now sleep as sound as a rock. I eat and enjoy my meals, and my general condition is greatly improved. I can honestly recommend Foley's Kidney Pills to the nearest apothecary."

Squirrels at the Island—Robert Hume, keeper at Presque Isle, received yesterday three squirrels from Negaunee, which were presented to the Presque Isle park by A. R. Orr, of that city. One of the animals is a gray squirrel, another a fox squirrel and the third a Mexican red squirrel, which is said to be a wonderfully handsome animal. The three squirrels are a most welcome addition to the island zoo.

First Soo Passages—The first vessels of the season passed up the Soo river yesterday and by this time are steaming toward the upper Lake Superior ports. The following vessels passed up yesterday: Butler, 8 a. m.; Paine, 9 a. m.; Hutchinson, 9 a. m.; Captain Wilson, 3:20 p. m.; Troy, 5:30 p. m. The great majority of the fleet is waiting until the insurance takes effect, April 15, before leaving their winter haven.

Death of Mrs. LaPorte—Mrs. Leon LaPorte passed away early yesterday morning at her late home, 422 West Ohio street, after a lingering illness. She was twenty-seven years of age and is survived by her husband and four small children. Her maiden name was Miss Jorgensen and she was formerly a resident of Manistique. The funeral will take place Saturday at 9 a. m. from St. Peter's church, and burial will be made in Holy Cross cemetery.

Many Enjoyed Pictures—A large crowd of men, women and children enjoyed the stereopticon pictures shown on the Nester block from 7 to 8 o'clock last evening. These pictures served as an advertisement for the Guild Hall carnival and circus that will open this evening, but the advertising feature was not made objectionably conspicuous. Many of the pictures were local views, camp scenes and likenesses of different animals. Several drawings and cartoons, setting forth various features of the coming entertainment, were shown. The drawings were the work of Mrs. Rankin and Mrs. Palmer and showed no little ability along those lines.

INSURE WITH PETER WHITE & CO. POLY OF THE CIRCUS.

In the company appearing in Frederic Thompson's "Poly of the Circus," with Miss Fay Wallace in the leading part, which appears at the open house Monday night, are, in addition to a score of more or less known actors, a number of circus people and circus acts which contribute not a little to the success of the play. The third act sawdust scene represents a three-ring circus in actual operation. One of the many features of "Poly of the Circus" is a trained horse, one of a carload carried by this attraction. The animal is called Bingo and is a thoroughbred. He was brought to this country by Barnum & Bailey's circus and afterwards sold to the New York Hippodrome when Frederic Thompson was the managing director. During the summer time Bingo is one of the features of Luna Park, Coney Island, New York city. Miss Wallace and Bingo are great friends. That little actress says that her horse "can do almost anything but talk."

LOWER STATE NOTES.

CADILLAC—The supervisors of Wexford county have canvassed the vote of the recent local option election and of the \$30,000 bond proposition for the new court house, which was defeated by a vote of 2,129 "no," to 1,650 "yes." The official count on the wet and dry proposition was 225 in favor of the "wets."

ROCHESTER—Practically immune from serious illness all her life, Mrs. Mary H. Beckett, pioneer settler in this section, died at her home in this city following a stroke of paralysis suffered a week ago. She was eighty-three years old and is survived by three sons, a sister and three brothers, whose ages range from sixty-eight to eighty-five. In her latter years her favorite pastime was walking and it is said she walked twenty-five miles in a single day during the last year.

SAGINAW—The board of trustees this week failed to elect a successor to Superintendent Judd of the Michigan employment institution for the blind. The meeting was principally to meet B. S. Reidel of Chicago, a new applicant for the post. Reidel has been superintendent of a similar state institution for the blind in Chicago, and he appeared personally to apply for the position. This makes six candidates before the board, and there is no prospect yet of an agreement on the new superintendent of the mental and physical officials. It is expected that voting will be renewed at the next regular meeting, May 10.

LANSING—At a conference between the officials of fifteen railroads in the state and the members of the state board of health, the law enacted at the last session of the legislature regarding sanitation in railway coaches was discussed. A considerable number of the board agreed that it is a bad plan to allow the porters to dust clothing in the cars and hereafter the railroad men who earn a little spare change by holding the specks of the day's garments of the tourist will have to take the garments to one end of the car especially prepared for that purpose, or else remove them to the rear platform. Dr. Shumway asserts that disease germs may be spread by dusting clothing in the cars and the board of health and railroad officials decided to abolish this practice. Dr. M. C. Sinclair of Grand Rapids will represent the board at the annual meeting of the American Medical association to be held at St. Louis, Mo., June 7.

LANSING—The liquor men are now relying upon section 48 of the public acts of 1897 to save their saloon property in Lansing. Some one has inserted this statute in the hope of proving that the recent election in this county, in which the electors decided to accept local option by a majority of over 700 votes, was illegal. Section 48 of the public acts of 1897, is as follows: "Whenever any constitutional amendment or other questions are proposed to be submitted to the electors, the board of election commissioners of each county shall cause them all to be printed on one ballot, separate and distinct from the ballot containing the names and nominations for public office, the substance of each amendment or other question to be clearly indicated upon said ballot by a suitable designation in distinct and easily legible type, with the words 'Yes' and 'No' printed below it in separate lines." Some of the local option questions and the proposed amendment to the constitution in regard to the nomination of circuit judges by primary ballot were printed on separate ballots, the election was illegal, and it is said that attempts will be made to settle the matter in the courts.

MARQUETTE COMMON COUNCIL PROCEEDINGS.

The monthly reports of the market keeper and poundmaster were presented and ordered placed on file.

Moved by Alderman Downey, supported by Alderman Peters, and carried, that the matter of the construction of a bridge across Dead River at the electric light plant be taken from the table.

On motion of Alderman Downey, supported by Alderman Reidel, the following resolution was adopted:

Resolved, That the Park, Cemetery and Street Commission is hereby directed to have the following improvement made: The construction of a bridge across Dead River at the electric light plant, and that the cost of said bridge must not exceed the sum of \$100, and that said commission advertise for bids for the construction of said bridge.

Years—Aldermen Butler, Donovan, Downey, Fassbender, Peters, Reidel and Schauer.

Nays—Alderman Hennessy.

The recorder presented certificates and returns of the inspectors of election of the votes cast on April 4th, 1910, upon the proposition, "Shall Section seven of the Water Board Act be amended as asked for by the Board of Fire and Water Commissioners, as proposed by the common council and approved by the governor?"

On motion of Alderman Downey, supported by Alderman Peters, the following resolution was unanimously adopted:

Resolved, That the chair appoint a committee of three to canvass the returns of the inspectors of election upon the proposed amendment of Section seven of Act 242 of the local acts of the legislature of the year 1902, and to tabulate the votes cast for and against said amendment, and that the council take a recess until the committee is ready to report.

Chairman Hennessy thereupon appointed as the committee, Aldermen Schauer and Donovan as such committee.

After recess the canvassing committee reported as follows:

To the Common Council of the City of Marquette:

Gentlemen—The undersigned committee appointed to canvass the returns of the inspectors of election and to tabulate the votes cast for and against the proposed amendment of Section seven of Act 242 of the local acts of the legislature of the year 1902, respectfully report that they have performed that duty and find that the number of votes cast for said amendment at said election and against said amendment in the several wards and the totals thereof, as appears by said returns, were as follows:

First Ward	For	Against	Total
Second Ward	228	68	315
Third Ward	348	27	385
Fourth Ward	419	27	499
Fifth Ward	329	74	445
Totals	1,690	240	1,930

Respectfully submitted,
HERMAN SCHAUER,
P. J. DONOVAN,
Committee.

On motion of Alderman Fassbender, supported by Alderman Downey, said report was accepted and adopted.

On motion of Alderman Downey, supported by Alderman Peters, the following preamble and resolution was adopted:

Whereas, The common council by ordinance duly adopted January 10, 1910, proposed that Section seven of Act 242 of the local acts of the legislature of the year 1902, entitled "An Act to create a board of water commissioners in the city of Marquette, and to define its powers and duties," be amended to read as set forth in said ordinance; and

Whereas, Said amendment duly certified was submitted to the governor of the state of Michigan for his approval and the same was approved by the governor on the 22nd day of January, 1910; and

Whereas, Notice of said amendment was published in The Daily Mining Journal, a newspaper published in the city of Marquette, on the 18th day of March, 1910, as prescribed by the common council, proof of which publication is on file with the recorder; and

Said amendment has been duly submitted for approval to the electors of said city at the election held thereon on the 4th day of April, 1910, and it appears from the certificates and returns of the inspectors of election of the respective wards of said city, on file with the recorder, that said amendment has been approved and the total number of votes cast at said election in favor of said amendment by said electors was 1,690 and that the total number of votes cast at said election against said amendment was 240.

Resolved, That the common council of the city of Marquette hereby declare that said amendment has been duly approved by a majority of all of the qualified electors of said city and that the recorder be and he is hereby instructed to file with the secretary of state two printed copies of said amendment with the vote for and against, duly certified by him and a like number with the county clerk of the county of Marquette.

Years—Aldermen Butler, Donovan, Downey, Fassbender, Hennessy, Peters, Reidel and Schauer.

Nays—None.

On motion of Alderman Schauer, supported by Alderman Downey, the following resolution was unanimously adopted:

Resolved, That the name of the deceased of us Alderman Walter T. Ward, a member of this body and a former mayor of the city; John Plattberg, alcohol, and the names of his official associates that the deceased was a faithful and independent public servant, who was held high in the esteem of all who knew him; and

Resolved, That the common council hereby extends to the widow and family of the deceased, their sympathy in their bereavement and grief.

The council then, on motion, adjourned.

DANIEL S. DONOVAN,
Recorder.

print and shall suitably improve said street under the direction and to the satisfaction of said board of public works, and shall also replace and rebuild at its own expense such sidewalks, if any, as may in the judgment of the board of public works be necessary for use on said new street."

Recorder West Praised.

Just before the adjournment of the meeting, J. D. West, the retiring city recorder, thanked the members of the council for their courtesies during the years he has been associated with them in his official capacity. He said that his relations with the mayor and the members of the council have always been of the most pleasant nature and he expressed his hearty appreciation of the favors that had been extended to him while he has been in the city's employ.

At the conclusion of Mr. West's remarks, Alderman D. J. Sliney addressed the council. He stated that during the years he has been a member of the council the city has never had a more efficient or obliging recorder than Mr. West. Mr. Sliney has had much work to do with the recorder, as a member of the finance committee, and he has found him ready and willing to assist the councilmen in every way possible.

Mayor Keese expressed his appreciation of the assistance given him by members of the council during the two years he has held the executive office, and he also spoke appreciatively of Mr. West, who, he declared, has been a most competent and painstaking recorder.

The mayor, recorder and retiring members of the council were tendered a vote of thanks by the remaining members of the board.

No taxpayer appeared before the council at the special meeting Tuesday evening to offer objections to certain alterations on West Division street, to permit the Lake Superior & Ishpeming Railway company to construct its branch line to the Cleveland-Cliffs Iron company's North Lake property, and a resolution granting the company the privilege to do the work planned was adopted by a unanimous vote. The resolution was as follows:

"Whereas, A petition was heretofore filed with this council by the Lake Superior & Ishpeming Railway company, requesting leave to construct an extension of its line to the North Lake district and for that purpose to build an embankment to cross West Division street along the route shown by the blue print plat filed with said petition, and to discontinue the extension of said street from the easterly line of said embankment to Graham street, and this council by a resolution adopted at its meeting held on the 9th of March, 1910, declared the vacation and discontinuance of West Division street from the easterly line of said embankment to Graham street to be necessary public improvement, and that it deemed it advisable to vacate and discontinue the same upon certain terms and conditions therein specified; and in and by said resolution fixed Tuesday, April 12, 1910, at 7:30 o'clock p. m., at the council room of said city, as the time and place when and where said council would meet and hear all objections that might be made by parties interested in such improvements, and of finally passing upon such petition; and

"Whereas, The time so fixed has arrived and no objections have been made by any of the parties interested in such improvements; therefore be it

"Resolved, That said extension of West Division street from the easterly line of said embankment of the Lake Superior & Ishpeming Railway company to Graham street be and the same is hereby vacated, discontinued and abolished.

"Provided, however, that the said Lake Superior & Ishpeming Railway company shall reinforce the brick sewer now located on West Division street and carry street projected, so far as said sewer will be affected by the additional weight placed upon it by said embankment, and shall also secure and convey to the city of Ishpeming a right-of-way forty feet in width for a proposed new street running from West Division street westerly along and parallel to the main line of the Duluth, South Shore & Atlantic Railway company, as shown on said blue

WILL TALK TO LIQUOR MEN.

Mayor McCorkindale Has Called Meeting for Tomorrow Afternoon.

All of the Ishpeming liquor dealers, also the Ishpeming representatives of the breweries, were yesterday invited by Mayor McCorkindale to meet him tomorrow afternoon at 4 o'clock in the council chamber. Since his election Mr. McCorkindale has studied the provisions of the Warner-Cramton liquor law, and it is his intention to review them before the liquor dealers. He will also advise them that the promises he made during the campaign relative to the enforcement of the liquor law will be strictly adhered to. Mayor McCorkindale has asked the marshal to be present at the meeting, so that he will know just what is expected.

The mayor has found by talks with several of the liquor men that they are desirous of having the law lived up to, as they realize that further violations will be detrimental to their own interests.

Most of the liquor dealers have already made application for licenses and a number of them have filed bonds with the city recorder. Most of the bonds thus far presented are furnished by surety companies. Representatives of the breweries will not be able to sell beer to families outside of their licensed territory. This will debar the brewery agents from selling beer in any of the adjoining townships, unless they are granted a license to do business in those districts. One dealer yesterday said that this will doubtless result in cutting down the business of the breweries considerably.

NEW STATION TO COST \$25,000

NEGAUNEE'S UNION DEPOT WILL BE FIRE PROOF AND THOROUGHLY UP-TO-DATE IN OTHER PARTICULARS.

Neither the city officials nor the Negaunee agents of the Chicago & North-western and Duluth, South Shore & Atlantic Railway companies have been notified when work will be started on the new union passenger station, but it is expected that ground will shortly be broken for the foundation, as the plans that will be used are identical with those the Northwestern company has followed at other places.

The plans presented by the Northwestern company's representative at the conference held here some ten days ago show the dimensions of the proposed building to be 100 feet in length by twenty-four in width. It is understood that the eastern end of the structure will be only a few feet from the sidewalk on the west side of Gold street. There will be a smoking room connected with the general waiting room, and there will be adequate toilets. There will be two offices, one each for the Duluth, South Shore & Atlantic company and the Chicago & Northwestern company. The offices will have entrances from the main waiting room. The baggage room will be located in the west end of the building. To the west of the baggage room, or in the extreme western end of the structure, there will be rooms for the American and Western express offices. The building will be one story in height and will be fire proof, with tile floors.

IN CHARGE OF CENSUS WORK.

James T. Bennett, of DeTour, who has charge of the census work in the Twelfth congressional district, Tuesday wired William Verran of this city, asking him if he would take supervision of the work in Marquette county. Mr. Verran wired his acceptance of the position and he expects to begin work within a few days, as soon as he receives the necessary blanks and is fully advised as to what his duties will be. Mr. Verran said yesterday that he understood from the message that he will be asked to look after the work in some of the places adjacent to Marquette county, as well as the cities and townships here.

NEGAUNEE LACONICS.

J. A. McDowell of Marinette looked after business in Negaunee yesterday. Mrs. J. E. Suss left Tuesday evening for Milwaukee, on a visit to relatives.

John Keyes, the well known commercial man, of Hancock, was in the city yesterday.

J. M. Perkins and wife and Mrs. E. W. Adams arrived home yesterday from Chicago.

Dr. Stewart, the veterinary, who was located in Negaunee for some time, is here from the Mesaba range.

Delore Trodschad has trapped fourteen musk rats in the creek leading from the main sewer, during the past few days.

The Scandinavian society will conduct a social hop in its new hall on Saturday evening. The members extend an invitation to their friends to attend.

The surface of the lot surrounding the new hose house is being leveled. Concrete approaches to the main entrance will be put in within a few days.

Miss Jennie Stroman, who has been in the employ of Rosen Bros. & Klien, has taken a position in F. Braastad & Co.'s dry goods store in the Laughlin block.

The ladies of the Grace Episcopal church, Ishpeming, invite their Negaunee friends to attend their apron and shirt waist sale this afternoon at the Guild hall.

R. G. Jackson will leave Monday morning for Jackson, to attend the second quarterly meeting of the board of managers of the Old Fellows Home. He will be away until the end of the week.

At the county meeting of the Knights of Maccabees, held last Tuesday at Michigamme, it was decided to hold the next annual meeting in Negaunee. The Negaunee tent was represented by W. J. Thomas and John Lenton.

A large number of Negaunee theatergoers will attend the production of "Polly of the Circus" at the Ishpeming theatre tonight. Special street car service will be provided. A number here have also ordered seats for Al. H. Wilson's production of "Metz in Ireland" at the theatre tomorrow evening.

It was necessary to remove the crossarms from the electric light and telephone poles on East Iron street yesterday in order to allow the Montreal building to pass between them. Matthew Maloney, who owns the structure, expects to have it located on his Jackson street lot in less than a week.

MANY DOCTORS PRESCRIBE Proprietary medicines under a Latin name charging for the written prescription three times the cost of the medicine, and do not hesitate to condemn that self-same medicine if it is advertised or mentioned by the public.

There are, however, many honest doctors who do not hesitate to openly recommend and prescribe such standard remedies as Lydia E. Pinkham's Vegetable Compound.

Several Mines Here Will Be Shipping Heavily Within a Week.

Preparations are being made at all of the Negaunee mines for the opening of the shipping season. Some of the properties are already sending out ore and it is expected that most of the steam shovels will be at work within a week, or as soon as the boats begin to arrive. The Breitung interests were the first on the range to begin moving ore to the docks. Between eighty and ninety cars are now being shipped daily to the Marquette docks from the Mary Charlotte property and from ten to a dozen cars are going forward daily from the Breitung properties to the furnaces at Cheboy and Manistique.

The Republic Iron & Steel company, which owns and operates the Cambria and Little mines here, was among the first companies to begin shipping ore from the Mesaba range. The movement of ore from the company's mines here has also been started, but on a limited scale. It is reported from the Mesaba that shipping is in full blast from practically all of the Republic Iron & Steel company's properties, and that many strings of cars have already left the mines for the docks. Among the company's mines that are shipping heavily are the Schley, Monica, Wills and Pettit.

There is no cough medicine so popular as Foley's Honey and Tar. It never fails to cure coughs, colds, croup and bronchitis. For sale by all druggists.

There was a big success.

Lady Maccabees' Convention and Entertainment Largely Attended.

The members of the Negaunee live of the Lady Maccabees received many compliments from the members of the visiting hives for the manner in which they conducted the county convention and entertainment at the Adelphi rink Tuesday afternoon and evening. Some 600 people witnessed the drill by a team composed of thirty Marquette ladies, and practically all of them remained for the dance. The floor exhibition was witnessed by Mrs. Patterson of Marquette, who acted as captain of the guard. The ladies went through their maneuvers from start to finish without a break and the excellence of their work was a surprise to many in the audience. The dance continued until about 12 o'clock, there was a large delegation present from Marquette and a number of Ishpeming people also attended.

The officers selected to take charge of the county convention next year are Mrs. Sharland of Marquette, commander; Mrs. Levellie, Negaunee, lieutenant commander; Mrs. Charlesworth, Marquette, past commander; Mrs. Salter, Marquette, chaplain; Mrs. Patterson, Marquette, mistress at arms; Mrs. Schweideman, Michigamme, secretary; Mrs. West, Ishpeming, picket.

The delegates chosen to represent the county at the state convention to be held at Kalamazoo in June, are Mrs. Brandon and Mrs. Sharland, Marquette; Mrs. Kneebone, Republic, and Mrs. Nicholls, Ishpeming. The alternates are Mrs. Cox, Michigamme; Mrs. McDonald, Negaunee; Mrs. Anderson, Marquette and Mrs. Rowe, Ishpeming.

The ladies of the Negaunee live served dinner and supper Tuesday, also a midnight supper for those attending the dance, at Shea's hall, Trombly's orchestra furnished music for the dance.

LINE ACROSS ROAD.

A Negaunee man driving home from Ishpeming Tuesday evening ran into a clothesline that had been tied to trees and stretched across the road on the Negaunee side of the road. The line caught the horse under the neck and the animal stopped suddenly. As it was dark at the time, the Negaunee man did not know what had happened, but upon investigation he found the rope and had to cut it. He said yesterday that if he had been driving fast either he or the horse would probably have been injured. The rope was doubtless stretched across the road by youngsters living in that vicinity.

Daily Newspaper on Board. The Roosevelt will be equipped with wireless telegraphy and it is planned to issue a daily newspaper on board.

The delegation will carry its own orchestra and other provision will be made for the entertainment of visitors along the route. Features of the moonlight trips will be dancing, music, stereopticon views and refreshments.

The purpose of the trip is to study local conditions and trade requirements and to broaden the acquaintance of Chicago's business men with the merchants along the lakes.

The association has sent delegations to many sections of the country by special train but this is the first boat excursion sent out by the organization and it is expected, if the plan prove successful that other trips will follow to more distant points on the great lakes.

The delegation will be made up of the principals of Chicago's largest representative firms who wish to know better the people of the cities visited. It is to be a crusade of acquaintance.

WHAT HAVE THEY DISCOVERED? Much Speculation as to Extent of Incriminating Evidence at Hand.

The knowledge that outside agents had been conducting an investigation in Marquette for the purpose of ascertaining whether the lid that was clamped down last spring had been lifted, and the report that one of the officers on the police force had been suspended as the result of those investigations, stirred up much interest and comment yesterday.

A report gained circulation early in the day to the effect that the special officers had detected some dozen or fifteen violations of the liquor laws in the course of their investigations, and that warrants were about to be sworn out against several Marquette liquor dealers.

It became known yesterday that two private detectives, who had been brought here at the expense of private parties interested in law observance, had been spending a week or so in the city, investigating the conduct of the saloons and other matters.

ney Bell was down yesterday and drew up a number of complaints, space for the names of the persons accused of law violation being left blank. These blank warrants are now in the hands of a local justice and whether any, or how many of them, will be filled out and served is likely to be determined some time today. No warrants had been served up to last night.

CARNIVAL BEGINS AT GUILD HALL TONIGHT

BIG STREET PARADE AT 7 O'CLOCK WILL START OFF THE FUN—SOME OF THE MANY THINGS THE PUBLIC CANNOT AFFORD TO MISS.

Ho! For the carnival and circus to-night! Watch out for the grand street parade! Listen to the thrills! See the elephant! Keep an eye on Teddy and the South African man-eater! Not to mention the funny clowns, and the Polar bear and Cook and Peary! Beware the Royal Bengal tiger!

Oh, woe betide the lovely maid! By his insidious guile betrayed To gently tap his treacherous hide, For he will clap her quick inside.

The parade will start from the Guild Hall at 7 o'clock sharp and wind its way through lanes of humanity on Front and Washington streets, returning in good season for the opening number of the main performance.

The program for tonight will include a pretty drill to music by sixteen girls with wands and dumbbells; clever exhibitions on the parallel and horizontal bars; some skillful tumbling by a squad of eight and also by three artistic acrobats; the first appearance of the Guild Hall (circus) side-splitting Pretzel band; a marvelous exhibition by the strong man; a captivating Florida song and dance; a genuine exhibition of jujitsu, or Japanese wrestling; a variety of diving and swimming stunts in the plunge room; and a girls' basketball game and dancing by phonograph in the gymnasium. A number of attractive booths will be found in both the main hall and the basement where all sorts of useless but indispensable carnival articles will be sold.

Two wise and beautiful fortune tellers will draw aside the curtain of fate and reveal what must surely happen to all who will consult them, and the Chamber of Horrors and the Lady of the Seven Veils will appeal to all those who love mystery.

That the Guild Hall will be crowded goes without saying. The problem will be how to handle the crowd that will fill every corner of the building and want to see everything at once. But the management expects to be able to satisfy everybody, especially those who attend on each night.

The stereopticon exhibition on Washington street last evening was an excellent one and delighted hundreds of people who saw a large number of beautiful pictures upon the white screen and many clever and sketchy slides, advertising the salient features of the carnival.

To correct any possible misunderstanding, the management announces that the admission to the carnival is only twenty-five cents, which may be paid in either coupons or cash.

EGG PRICES HAVE GONE UP STEADILY

FIGURES SHOW THAT SELLING PRICE OF HEN PRODUCT HAS DOUBLED IN LAST TWELVE YEARS—REASONS FOR ADVANCE

Do you know that eggs for which you paid a shilling a dozen in 1908, cost you twenty-five cents a dozen today? Figures do not lie, and cost prices dug up from old and dusty records by a merchant bear out the above statement.

In 1898 eggs were selling over the counters in American shops at a shilling a dozen. They were not higher here and it is not improbable that in districts farther south they were retailing at only ten cents a dozen. The wholesale price in Marquette is now twenty-two cents.

"Eggs have crawled gradually upward since 1898," said a retailer yesterday. "At that time I paid eight to ten cents a dozen, wholesale. Year in and year out since that date they have never failed of an upward bound. Of course there were some fluctuations but they were only temporary. One came in 1908, when I was able to procure the hen products at thirteen cents per dozen. They leaped three cents in the next year, however, and since have never fallen below nineteen, wholesale.

"In my experience I have found that several causes contribute largely to the increase in price. Primarily, I think the increase in demand is a potent factor. Comparatively, eggs are the cheapest of protein foods. Meat has elapsed all other proteins in the upward trend, and there has been a natural inclination on the part of the consumer to find a less expensive substitute. He has found such in eggs, with the natural result, an increased demand, following which comes the inevitable increase in price. I do not assign this cause arbitrarily; there are others which are equally valid, if not more so. I have never posed in the role of muckraker, but in the many years I have pursued my vocation as merchant I have had frequent conversations with the storage house and I can speak from experience, producer a scarcity that inflates prices. His product is then out for sale at greatly enhanced values, and the money pours into the coffers of the speculator. The storage men grab up all the eggs in sight and hold them over until the fall and winter, when bidding is just beginning to suffer a relapse in laying capacity. When the stringency has increased to such a degree that the holder of eggs are satisfied that his profits will be of robust proportions, he places the eggs on the market, and the consumer comes in on the small end.

"The government has been grilling the cold storage trusts during the few months past, but as far as results are concerned, they are to date conspicuous by their absence, and the man who wants eggs for breakfast pays for them at the rate of from twenty-five to twenty-eight cents a dozen.

"Just to bolster up my statements here are a few cold figures which tell in their own way how prices have behaved in twelve years past." Wholesale prices have been as follows: 1898—April price, 13 cents a dozen; October, 17 cents; 1899—April, 15; October, 20; 1900—April, 13; October, 20; 1901—April, 15; October, 22; 1902—April, 18; October, 25; 1903—April, 17; October, 25; 1904—April, 20; October, 24; 1905—April, 20; October, 25; 1906—April, 20; October, 26; 1907—April, 20; October, 26; 1908—April, 19; October, 26; 1909—April, 23; October, 27.

REGARDING CONCRETE WALKS. Those Wishing Such Work Done This Summer, Asked to File Applications.

Property owners who are contemplating having concrete walks constructed by the city during the present season are requested to file their petitions for such work at the office of the park, cemetery and street commissioner, where blanks are furnished for this purpose. In order to properly arrange and facilitate the work of the commission it is necessary that such petitions be filed at an early date.

Prices for the construction of concrete walks will remain the same as last season, nine cents per square foot for sidewalks of regular width and thickness, and fourteen cents per square foot for lawn-walks. This may be the last season that these low prices will be in effect in view of the fact that it will be necessary to change the concrete crew often, from place to place, on account of having only short stretches to build, in different localities of the city.

LIVED HERE MANY YEARS. Mrs. Antoine Geroux, aged 79, Passed Away Last Evening.

Mrs. Antoine Geroux, one of the very oldest residents of Marquette county, died at 9:45 o'clock last night at the home of her daughter, Mrs. Ab Valnais, 2307 Fifth avenue. She had been ill since March 1. Mrs. Geroux was aged seventy-nine and had lived in this city and its vicinity for fifty-seven years. Two daughters and four sons survive her. One child, the late Mrs. Lequia of Ishpeming, passed away Feb. 1, last. The funeral of Mrs. Geroux will take place Saturday morning, with services at St. John's church at 9 o'clock and interment in Holy Cross cemetery.
