✓ The following report of the Budget and Executive Committee was read. Supervisor Altobello moved it be adopted. Supported by Supervisor Kostamo and carried.

January 8, 1963

Honorable Chairman and
County Board of Supervisors
Marquette, Michigan
Gentlemen:

Your Budget and Executive Committee has considered a request from the Morgan Heights Sanatorium to amend the county regulations requiring the retirement of county employees at age sixty-five to exclude registered nurses and physicians. Professional help is at times very difficult to obtain for extra duty, for relief and in times of emergency and there are times when Morgan Heights Sanatorium experiences difficulty in obtaining the required number of nurses.

Your committee recommends, therefore, that the regulation adopted by the Board of Supervisors on December 23, 1959, requiring all county employees at Morgan Heights Sanatorium and certain other departments to retire within two months after reaching sixty - five years of age be modified to exclude registered nurses and physicians only in the employ of Morgan Heights Sanatorium.

Respectfully submitted

Honorable Chairman and
Members of the Marquette
County Board of Supervisors,
Marquette, Michigan
Gentlemen:

Your Budget and Executive Committee has had under consideration the fact that the extra voted millage for general county purposes in the amount of two mills has expired with the 1962 tax levy. These two extra voted mills were voted so as to provide sufficient revenues to the county to maintain its welfare obligations and have been in effect for the past five years. Your committee wishes to emphasize the great need for the continuation of this extra voted millage for another five year period and recommends the adoption of the attached resolution which provides for the placing of this proposition on the ballot at the forthcoming Biennial Spring Election to be held on April 1, 1963.

Respectfully submitted,

Budget & Executive Committee

The following report of the Budget and Executive Committee was read. Supervisor Altobello moved it be adopted. Supported by Supervisor Rydholm and carried.

February 11, 1963

Honorable Chairman and
County Board of Supervisors
Marquette, Michigan
Gentlemen:

Your Budget and Executive Committee to whom was referred a resolution from Gogebic County recommending the enactment of Federal legislation which would provide a payment to local units in lieu of taxes on lands owned by the Federal government, wishes to report that the matter was considered by your committee at its meeting held on February 11, 1963.

Some of Michigan's areas are

heavily burdened because of vast Federal owned acreages which produce no local taxes and your committee feels, therefore, that the resolution has merit. It is recommended, therefore that the Marquette County Board of Supervisors concur with the attached resolution of Gogebic County on this subject.

Respectfully submitted

March 19, 1963

Honorable Chairman and Members of the Marquette County Board of Supervisors Marquette, Michigan

Gentlemen:

At the March 18, 1963 meeting of your Budget and Executive Committee, the so-called "Sunday Closing Law", or Public Act 128, 1962, was discussed. A memorandum by Prosecuting Edward Quinnell outlining the effects of Public Act 128 is attached.

Your committee feels that this law places unnecessary restrictions on the selling of goods, wares and merchandise by the business houses within our county and that steps should be taken, as provided by the law, to exempt Marquette County from its provisions.

Your committee recommends, therefore, that a public hearing be held before the Board of Supervisors during its next meeting to be held April 24, 1963, at 2:00 o'clock p. m. E.S.T. to hear all persons having an interest in the effects of Public Act 128 of 1962. Action may then be taken by the Board of Supervisors to allow the provisions

of the Act to remain in force in Marquette County or to exempt Marquette County from its provisions.

Respectfully submitted

Budget & Executive Committee

March 19, 1963

Honorable Chairman and Members of the Marquette County Board of Supervisors, Marquette, Mich.

Gentlemen:

At the March 18, 1963 meeting of your Budget and Executive Committee, the request of Prosecuting Atty. Edward Quinnell for permission to attend the Practicing Law Institute Prosecutors Program from July 8 to 12, 1963 in New York City was discussed.

The County of Marquette has established a policy of allowing each elected officer to attend, at county expense one annual meeting of the organization of the County Officers to which he belongs. These meet-

ings are normally held within the State of Michigan and the expense involved would be considerably less than to attend a meeting in New York City. Mr. Quinnell has indicated, however, that he believes he would receive great benefit from his attendance at the Practicing Law Institute Prosecutors Program in New York and has expressed a willingness to pay part of the expense as well as forego the opportunity to attend any other convention at county expense during 1963 if the Board of Supervisors authorizes his attendance at the New York meeting.

Your committee recommends that the Marquette County Prosecuting Attorney be authorized to attend the Practicing Law Institute Prosecutors Program to be held in New York City in July, 1963, provided that county expense involved be limited to the amount normally spent for his attendance at annual conventions which sum is \$110.00

Respectfully submitted,

The new Civil Defense Shelter Program rules require the certification and stocking of many smaller areas as fallout shelters which, under existing rules, could not have been certified during the first six months of this year. This program is extremely important to the people of Marquette County and your committee recommends that the request to extend the services of the Assistant Civil Defense Director for a period of three months to September 30, 1963, be granted. The salary is \$300.00 per month and the extension period would be at the same salary rate. Your committee further recommends that the Assistant Civil Defense Director be granted permission to attend the Shelter Management Instructor School from June 2 to 7, 1963 at Battle Creek Mich., so that he may, in turn, properly instruct all shelter managers in the county.

 Honorable Chairman and Members of the Marquette County Board of Supervisors, Marquette, Michigan
 Gentlemen:

The communication dated May 5, 1963, from Glen Wilson, Marquette County Civil Defense Director, requesting the extension of Donald McCormick's services as Assistant Civil Defense Director for a period of three months and also requesting permission to have him attend a Shelter Management Instruction School at Battle Creek, Mich., was considered by your Budget and Executive Committee at its meeting held on May 13, 1963.

The following report of the Budget & Executive Committee was read. Supervisor Altobello moved it be accepted. Supported by Supervisor Linjala and carried.

May 15, 1963
 Honorable Chairman and Members of the Marquette County Board of Supervisors, Marquette, Mich.
 Gentlemen:

At the May 13, 1963 meeting of your Budget & Executive Committee, a request from Mrs. Olive Sain, Extension Agent in Home Economics, for permission

to attend a state wide joint conference of home economics and 4-H to be held at Camp Kett, Center Lake, Mich., from May 20 to 24, 1963 was discussed. The notice of the meeting was received by the Extension Office a few days after the April meeting of the Board of Supervisors and since the meeting will be held before the May 22, 1963 meeting of the Board there was no opportunity to bring the request to the Board of Supervisors in the usual manner.

Inasmuch as the Board of Supervisors has authorized Mrs. Sain's attendance at similar meetings once a year in the past and the subject meeting is considered her annual meeting for 1963, the committee authorized Mr. Melvin N. Nyquist, County Extension Director, to arrange for her attendance at this meeting at county expense. It is recommended that the Board of Supervisors approve the action taken by your committee in this matter.

Respectfully submitted,

Budget & Executive Committee

May 15, 1963

Honorable Chairman and
Members of the Marquette
County Board of Supervisors,
Marquette, Mich.

Gentlemen:

At the May 13, 1963 meeting of your Budget and Executive Committee the matter of establishing a county board to operate the new Harbor Refuge which will be completed this summer was discussed. Inquiries are already being made concerning the use of this facility. Your committee believes a board should be created at this time so that rules of operation may be drawn up and replies given to the inquiries regarding the use of the new harbor.

Your committee believes that this function can be best be handled by naming the Marquette County Road Commission as a Harbor Commission. This should enable the county to have this matter properly taken care of with the least possible expense as the Road Commission is already equipped to handle this type of service.

It is recommended, therefore, that the Board of Supervisors designate the Marquette County

Road Commission to also function as the Marquette County Harbor Commission.

Respectfully submitted,

Budget & Executive Committee

Mr. Melvin Nyquist, County Extension Director, introduced Mr. Paul Shogren newly appointed 4-H Club Agent to the assembly.

The Chairman introduced Mr. Jack Powell, Negaunee, Chairman of the Michigan Social Welfare Commission to the assembly and Mr. Powell in an illuminating talk spoke of the serious problem confronting Marquette County if the county special millage election to be held July 15, 1963, for a continuance of the extra two mills for welfare purposes was turned down. After citing figures on the unemployment picture in the area, he strongly urged the members of the board to actively and forcefully promote the passage of this election proposal. The Chairman also spoke of the vital importance of this election and asked each and every supervisor to do all in his power to acquaint his constituents with the gravity of the problem and to impress upon them the need for the continuation of the 2 mill levy. Supervisor Mattson also suggested that potential

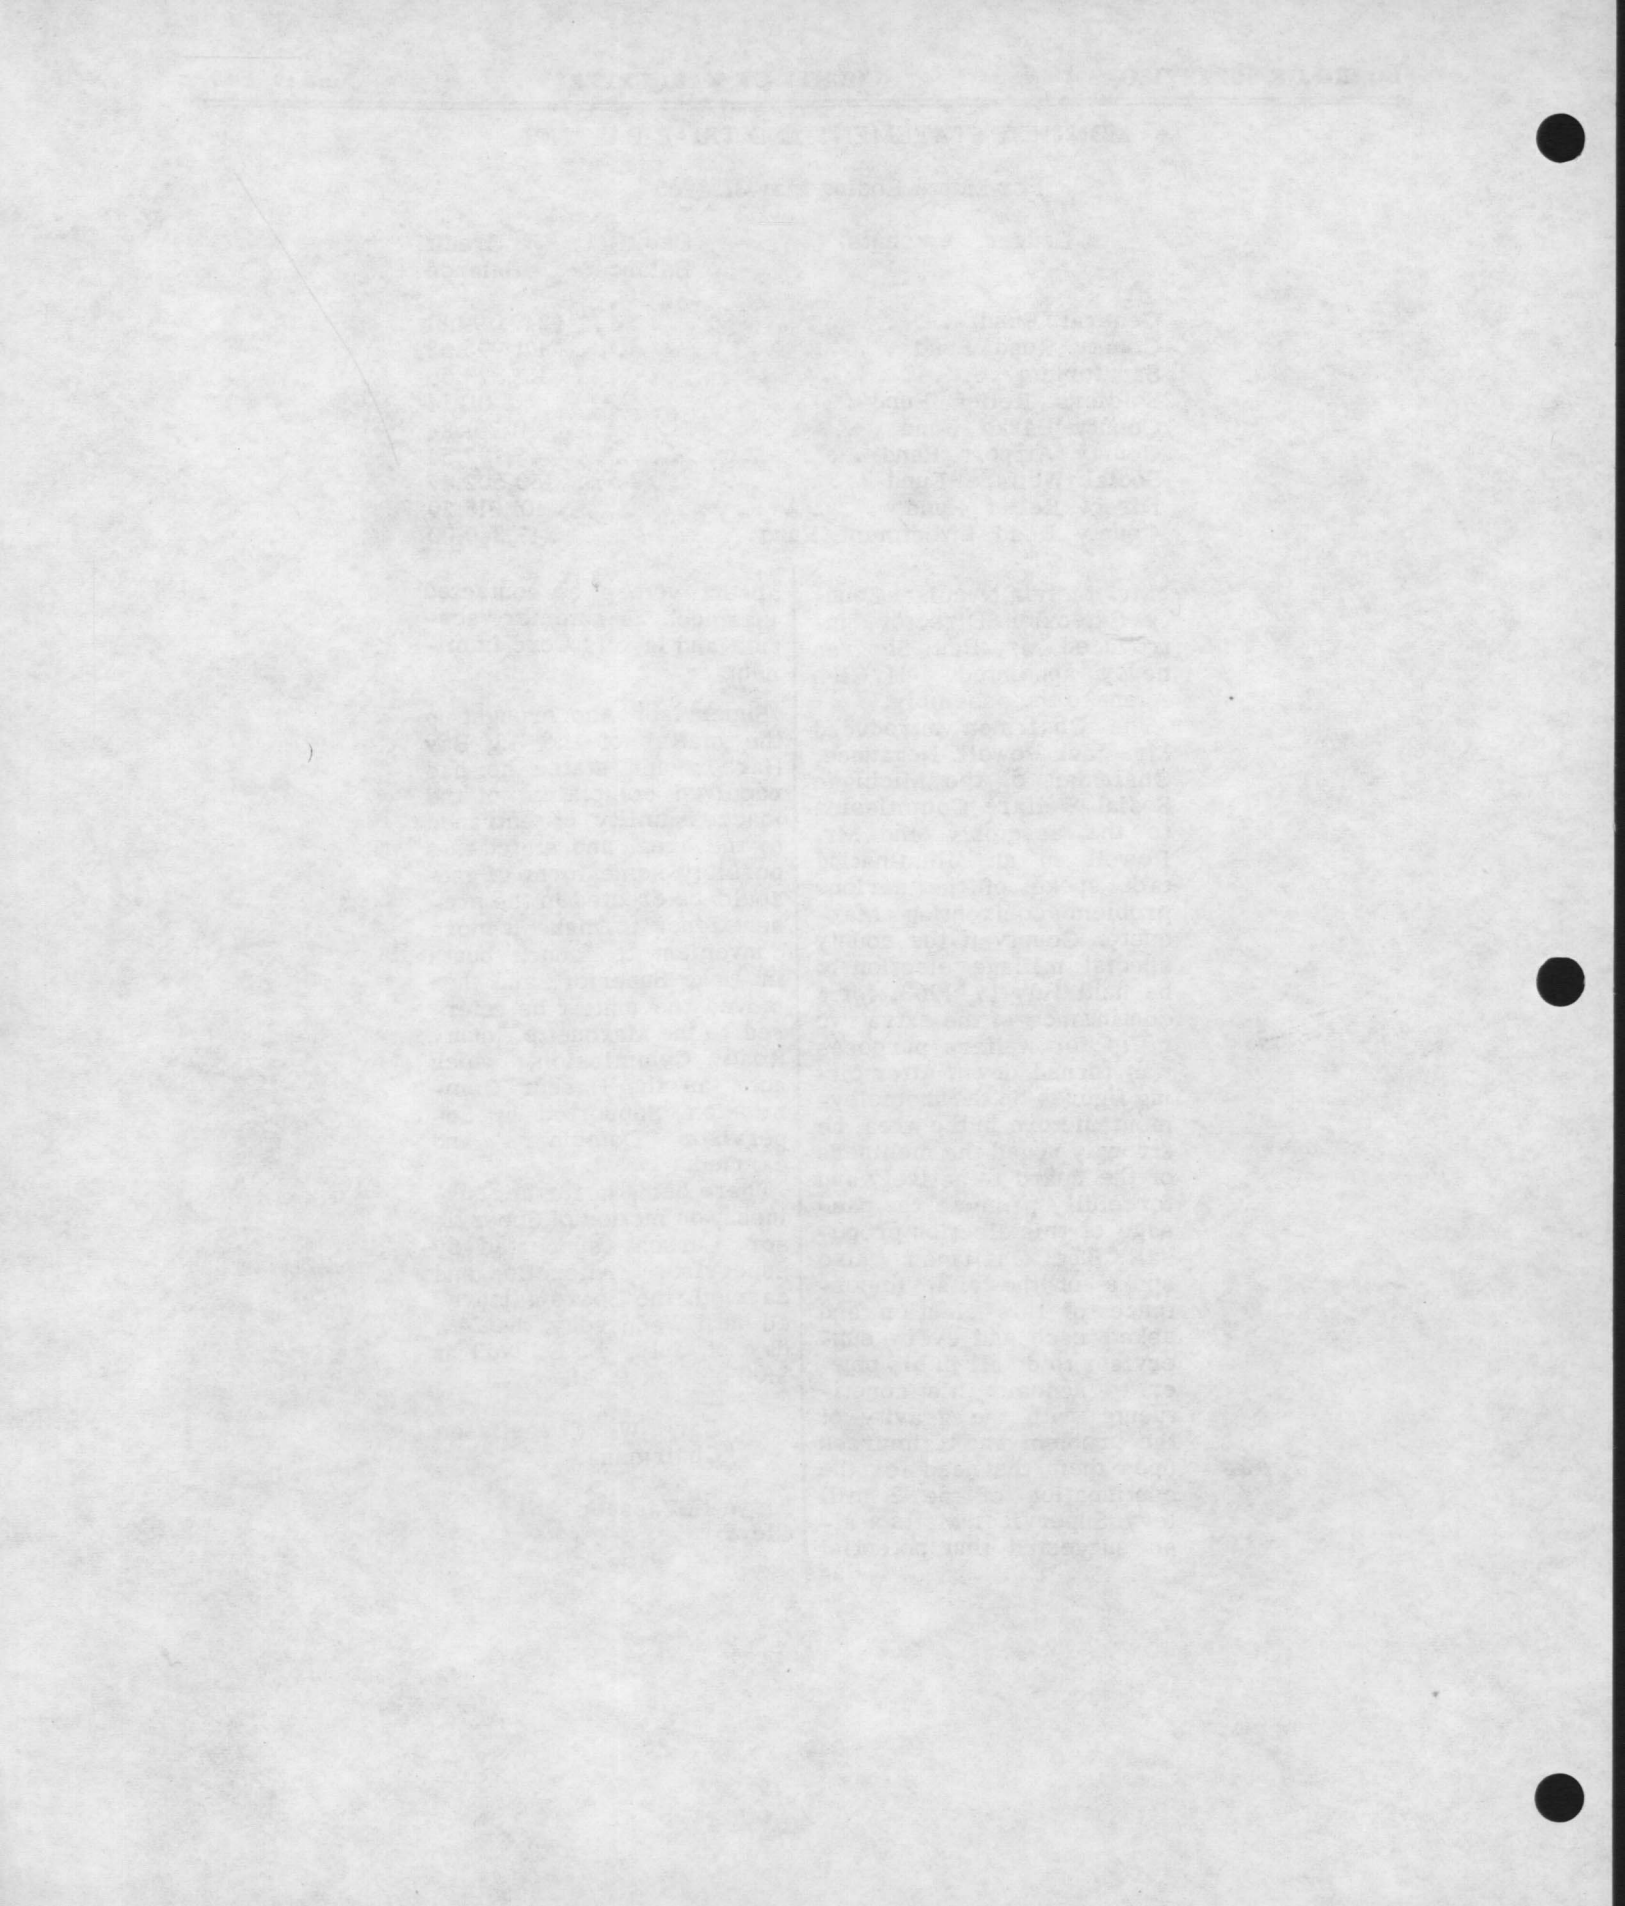

absent voters be contacted inasmuch as summer vacation and layoffs were imminent.

Supervisor Aho brought up the matter of the Big Bay Harbor and stated he had received complaints of the inaccessibility of entrance to the area, and stated that possibly some form of gate could be erected in the present fence to make it more convenient to launch boats in Lake Superior, and then moved the matter be referred to the Marquette County Road Commission, which acts as the Harbor Commission. Supported by Supervisor Dompierre and carried.

The following report of the Building, Grounds, and Insurance Committee was read. Supervisor Linjala moved it be accepted. Supported by Supervisor Goldsworthy and carried.

June 27, 1963
 Honorable Chairman and Members of the Marquette County Board of Supervisors Marquette, Michigan

Gentlemen:

Your Buildings, Grounds, and Insurance Committee made its annual inspection tour on June 26, 1963, and wishes to report that all of the buildings inspected were found to be in good order, well maintained and properly managed.

Marquette County has appraisal maintenance service for this group of buildings by the Lloyd-Thomas Company and the insurance program, which is based upon this appraisal service, is in good standing.

As a result of the recommendation made by this committee last year, budget provisions were made in the 1963 budget for the much needed painting of the win-

dow frames, doors, door frames and other exterior parts of the Court House, Jail, and Sheriff's residence as well as the repair of the tuckpointing of the exterior masonry walls of these buildings. Your committee has approved the form of the call for bids for these two improvements, and bids have been solicited for the completion of the work during the 1963 season. These bids will be brought separately before the Board of Supervisors for consideration.

Your committee wishes to commend all those in charge of county buildings and grounds for an excellent job in management and maintenance.

Respectfully submitted,
 Buildings, Grounds, And Insurance Committee

Honorable Chairman and
Members of the
Marquette County
Board of Supervisors
Marquette, Michigan

Gentlemen:

At the July 15, 1963 meeting of your Budget and Executive Committee, bids were opened for the repainting of all of the exterior painted surfaces of the Court House, Jail, and Sheriff's residence. The Buildings, Grounds and Insurance Committee recommended this much needed improvement in 1962, and the Board of Supervisors made budget provisions for the completion of this work during 1963.

Bids received were as follows:

Wayne Balmes, Marquette, Mich.--Court House portion, \$3,716.28; Jail and Sheriff's residence portion, \$2,672.60
Total, if awarded both parts, \$5,987.55.

Al Tuch, Marquette, Michigan.--Court House portion, \$2,925.00; Jail and Sheriff's residence portion, \$2,724.50
Total, if awarded both parts, \$5,374.00.

Both bids met the specifications for the work prescribed. The bid of Al Tuch in the sum of \$5,374.00 for the entire project is the lower bid of the two and your committee recommends that the Board of Supervisors accept this bid so that the much needed improvement may be made this season as planned.

The following report of the Morgan Heights Contact Committee was read. Supervisor Wiseman moved it be adopted. Supported by Supervisor Smith and carried.

July 18, 1963

Honorable Chairman and
Members of the
Marquette County
Board of Supervisors
Marquette, Michigan

Gentlemen:

The annual meeting of your Morgan Heights Contact Committee was held at Morgan Heights Sanatorium on July 17, 1963. Your committee wishes to report that the affairs of this county institution are exceptionally well managed and in good order. The case load of tuberculosis patients is still declining, and the incidence of new cases is also on the decline. The institution is still carrying a capacity load of patients in the medical section of the hospital and this continues to provide outstanding care for patients as well as a tremendous saving in tax monies to the county.

During the past year, the following capital expenditures were made by Morgan Heights Sanatorium:

Housekeeping and fixtures, beds, etc., \$9,115.00.

Administrative equipment, \$1,127.00.

Changes required by the Fire Marshall:

1. Fire doors and partitions, \$5,024.00.

2. Sprinkler system expense, \$24,155.00.

Consultant fees on new heating plant design, \$3,000.

X-ray equipment, \$13,738.

Total Expense, \$57,250.00.

These capital expenditures were made from the Sanatorium Fund. In addition, the Morgan Heights Sanatorium Board is contemplating a new heating boiler installation at a cost of approximately \$60,000. This improvement will also be made from the Sanatorium Fund. Income from the care of patients in the medical unit as well as the care of tuberculosis patients from several other

Upper Peninsula counties, along with the exceptionally fine management of the institution, have enabled the Sanatorium Board to cover the cost of these improvements without making an additional request for funds from the Board of Supervisors.

Your committee wishes to thank Dr. J. R. Acocks, superintendent of Morgan Heights Sanatorium, for the

very fine job that is being done in this county institution.

The following resolution was read. Supervisor Smith moved it be adopted. Supported by Supervisor Altobello and carried.

Whereas, The Sisters of St. Agnes have operated the Holy Family Home in Marquette for about a half century and during all of that time have provided a fine home for the less fortunate children of Marquette County and the surrounding area; and

Whereas, Throughout all of these years the good Sisters of St. Agnes have given endlessly of their time and devotion to these children who would otherwise have been homeless; and

Whereas, In recent years the changeover in the handling of foster children has caused a lesser need for orphanages and a greater need for foster family home care and the Sisters of St. Agnes are now being transferred to assignments where they are more urgently needed elsewhere.

Nos, Therefore Be It Resolved, That the Board of Supervisors of the County of Marquette hereby express

its thanks and appreciation for the many years of outstanding service provided by the Sisters of St. Agnes and further express its hope that they may find their next assignment as successful as has been their long assignment so capably completed here; and

Be It Further Resolved, That this resolution be spread upon the minutes of this meeting and that copies thereof be sent to the Most Rev. Thomas L. Noa and to the Very Rev. Msgr. Wilbur M. Gibbs.

The approval of the proposition was absolutely necessary if Marquette County is to continue to function as it has in the past, and to the satisfaction of the people of the county and the Board of Supervisors. Supported by

Supervisor Morrison and carried.

Supervisor Goldsworthy moved a resolution of appreciation be drawn in recognition of the work done by the Ahmed Shrine Temple at the Bay Cliff Health Camp. Supported by Supervisor

Honorable Chairman And
Members of the Marquette
County Board of Supervisors
Marquette, Michigan

Gentlemen:

Your Parks and Airport Committee held its annual inspection tour on September 11, 1963. The inspection began at the Marquette County Airport facilities. During this season the North-South runway was increased from 50 to 75 feet in paved width and holding pads 100 feet square were constructed at end end of the runway. A paved holding pad 150 feet square was also constructed at the west end of the East-West runway, and a 680 by 50 foot paved taxiway was constructed to connect the North-South runway with the Terminal Building apron. Other small paved aprons and taxiways were also constructed.

Along with these improvements, were the items of electrical duct installations, re-routing of electrical cables, relocation of runway lights, fence relocation, earth grading, drainage and turfing. The installation of a High Intensity Runway End Identifier System on each end of the East-West runway provides a positive visual aid to pilots in determining the ends of the East-West runway during instrument weather conditions. An underground gasoline facility with a storage capacity of 12,000 gallons each for 80 and 100 octane aviation gasoline was completed during this season as well as the completion of a street lighting system to provide light in all activity areas. The airport facility is very well managed and maintained and is, indeed, a credit to the people of Marquette County.

At the Gwinn Park, the entrance and park roads were reconstructed and provide

for a smoother and easier flow of traffic through the park. An additional picnic area was also provided by removing trees and underbrush near the bathing area. Six new picnic tables were put into service and the bathing beach area was renewed with the placing of a sand fill.

At the Perkins Park, eleven trailer stalls were constructed and provided with electrical, water and sewage disposal services. A gravel ramp for launching small boats was also constructed this season. At the caretaker's home, the entire ceiling was insulated and the front porch and rear steps rebuilt.

Following is the attendance record at the two county parks during the 1963 season:

Perkins Park--10,275 visitors; 8,840 bathers; 414 camping parties.

Gwinn Park-7,575 visitors; 6,895 bathers; 24 camping parties.

Totals, both parks--17,850 visitors; 15,735 bathers; 438 camping parties.

Respectfully submitted,

Honorable Chairman And
Members of the Marquette
County Board of Supervisors
Marquette, Michigan

Gentlemen:

At the September 16, 1963, meeting of your Budget and Executive Committee, a request was received from the County Juvenile Officer, Miles Betts, wherein he asked that permission be given to Mrs. Margaret Rodgers, Girls Probation Officer, to attend the annual meeting of the Michigan County Juvenile Officers to be held in Detroit, Michigan, on September 18, 19, and 20, 1963. The meeting notice was received after the last meeting of the Board of Supervisors and since the meeting would be held before the September 25, 1963, meeting of the board there was no opportunity to bring the request to the Board of Supervisors in the usual manner.

Your committee was informed that only the cost of hotel accommodations and meals is involved as transportation for the trip would be provided without additional expense to the county. These meetings are beneficial and helpful to Probation Officers as they are briefed

on all the new regulations concerning child care. Your committee authorized Mr. Betts to arrange to have Mrs. Rodgers attend this meeting at county expense, and it is recommended that the Board of Supervisors approve the action taken by your committee in this matter.

Respectfully submitted,
Budget & Executive Comm.

Honorable Chairman and Members of the
Marquette County Board of Supervisors
Marquette, Michigan

Gentlemen:

Your Finance and Taxation Committee recommends that the various departments in the Court House and Jail Group keep within the budgets as adopted an the annual meeting and that no clerk hire or salaries be paid beyond the amount fixed by the Board of Supervisors.

In the case of an emergency or in case a department requires additional funds or needs some special equipment which could not be foreseen at the time of the annual meeting, we recommend that the head of that department, together with the Controller, present the matter to the Board of Supervisors for their consideration and that they grant, where deemed necessary, authority to exceed the figures established in the annual budget.

If it develops that the amount stipulated in the budget or any department exceeds the need of that department, or if a sum authorized is found unnecessary, then we recommend that authority be granted to transfer a sum or surplus to some other department by proper resolution of the Board of Supervisors.

It is further recommended that any credit balances existing at the close of the fiscal year in the Social Welfare Fund and Direct Relief Fund be transferred to the Social Welfare Department Revolving Fund to apply against possible future deficits of the Department of Social Welfare.
