✓ The Chairman announced a vacancy on the Marquette County Road Commission, County Parks Commission and County Airport Commission due to the death of Wilfred A. Redman, and that nominations to fill the unexpired terms were in order. Comm. Jenkin nominated Donald Tripp. Comm. Selin nominated John Weber. There being no further nominations it was moved by Comm. Chairman Mattson then declared the meeting open for public hearing on the budget.

The report of Finance and Taxation Committee was read by the Clerk.

Comm. Yelle asked for an explanation of the funds allocated for Northern Michigan University Advisory Council. Comm. Dompierre and Comm. Selin explained that the money is used to help promote fund requests in behalf of the university — in brief, a “lobbying fund”. Comm. Yelle also voiced objection to the \$13,300 salary proposed to be paid to the director of the probate court’s juvenile division and made a motion that the juvenile officer’s salary remain at \$13,000. Comm. Russo pointed out that the Drain Commissioner is not scheduled for a raise in the proposed budget and that he believed an increase should be granted. The Chairman advised both Commissioners that these questions would be referred to the Budget & Executive Committee for study after the close of the public hearing.

Moved by Comm. Krook, supported by Comm. Jenkin and carried by the following roll call vote that the budget be adopted:

Yeas: Anderson, C., Anderson, H., Dompierre, Goldsworthy, Hammerschmidt, Jenkin, Krook, Lawry, Mattson, McCracken, Linjala, Morrison, Pellonpaa, Selin and Sodergren.

Nays: Russo, Yelle.

Comm. Hammerschmidt stressed that the budget as adopted was definite and that no requests for additional funds will be considered in 1971.

Moved by Comm. Russo, supported by Comm. Yelle and adopted that the Budget & Executive Committee review the matter of salary for the Drain Commissioner. Comm. Hammerschmidt dissented.

Discussion was held on the forthcoming visit of Mr. I. W. Abel, President of the United Steelworkers of America, to attend the mortgage burning ceremony at Thimmes Memorial Building in Negaunee on November 7, 1970. Moved by Comm. Sodergren, supported by Comm. Pellonpaa and unanimously adopted that November 7, 1970 be proclaimed “I. W. Abel Day” in Marquette County.

Under unfinished business, Comm. Selin brought up the subject of the need for a juvenile detention home and suggested that a special ad hoc committee be appointed to study ways and means of obtaining funds to build this facility. Comm. Hammerschmidt stated that he saw no need for another committee because the matter has already been referred to the Budget & Executive Committee and furthermore, the Building & Grounds Committee would be in charge of matters of this kind. Chairman Mattson suggested that action be delayed until receipt of the report of the Budget & Executive Committee.

✓ Comm. Goldsworthy referred to the fact that the budget contains funds for payment of two assistant prosecutors and suggested the Budget & Executive Committee consider putting the second assistant on a six-month trial basis. Comm. Dompierre also spoke about the prosecutor's office, stating that the committee has discussed the extra burden the prosecutor has in handling district court cases but stated that law enforcement officers and others were very unhappy about the number of dismissals and reductions of charges. Next June, if the situation warrants, he thought a change in the "set-up" should be considered. Prosecutor Quinnell obtained permission to speak and told the board that he felt the request for an increase was reasonable in view of the added work-load but that he wanted no misunderstanding about the functioning of his office. It would be run according to his best ability and judgment and he didn't want the board to feel that by the power of purse it can run the prosecutor's office.

Comm. Sodergren offered remarks on the request of the Social Services Department for the additional sum of \$81,100 to finance the operations of that department for the remainder of 1971, which request has been referred to the Welfare Contact Committee for study. He recommended that a thorough study of all routines used in granting aid to welfare recipients be made with special emphasis on weeding out numerous abuses by welfare recipients. He further recommended that any persons knowing of such abuses should contact their representatives in Lansing.

Kenneth Walimaa, representative of the Marquette County Townships Association, appeared before the board and made remarks in support of the County Housing Ordinance.

There being no further business, motion was made by Comm. Anderson, supported by Comm. Pellonpaa that the board adjourn until Wednesday, November 18, 1970 at 1:30 o'clock P. M.

✓ Moved by Com. Pellonpaa, supported by Com. Krook and unanimously carried that the Board concur with the recommendation of the Budget and Executive committee that the salary of the Drain Commissioner remain the same and that the salary of County Juvenile officer, a full time county officer, should receive the same increase of \$300 as other county employees and that no change be made in the salary schedule adopted by the Board of Commissioners at its annual meeting on October 13, 1970.

✓ Moved by Com. Pellonpaa, supported by Com. Lawry and unanimously carried that the Board make request from the Michigan Commission on Law Enforcement and Criminal Justice for matching funds of \$7,100.00 for the Pilot Volunteer of Probation Project (VIP).
