A report of the Budget and Executive Committee regarding
the pollution of Lake Independence by the Big Bay sewer system
was read recommending that a court order be obtained ordering
Powell Township to cease the pollution of Lake Independence.
Discussion following regarding the propriety of the County
Board's responsibility in obtaining the court order and whether
it is the proper responsibility of the County Health Department.
Comm. Hammerschmidt pointed out that a great deal of money
has been spent by the county in maintaining Perkins Park and

if the pollution continued it would result in the park being closed until the situation was remedied. Commissioners Mattson and DeJuliannie, with the support of Comm. Yelle, stated that they felt it was the responsibility of the county health department to institute this action. Moved by Comm. Dompierre, supported by Comm. Krook that the report of the B & E Committee recommending that the county board obtain a court order to abate the pollution be approved. This motion was defeated by the following roll call vote:

Ayes: Dompierre, Hammerschmidt, Jacobson, Jernstad, Krook, McCracken and Russo.

Nays: Anderson, C., Anderson, H., Armatti, DeJuliannie, Euret, Goldsworthy, Jenkin, Lawry, Mattson, Morrison, Pellonpaa, Selin, Sodergren and Yelle.

Discussion was had with the Prosecutor regarding the placing of responsibility for this action. Prosecutor Quinnell stated that the health department or the county board had the right to take this action and that his office had directed several communications to Powell Township regarding this problem, with no results.

Moved by Comm. Mattson, supported by Comm. Morrison and unanimously carried by roll call vote that the Marquette County Health Department file a request with the Prosecutor to obtain a court order directing Powell Township to cease and desist the pollution of Lake Independence.

Report of the Transportation Committee was read and ordered placed on file.

By Richard Hammerschmidt, Chairman

Honorable Chairman and Members of the
Marquette County Board of Commissioners,
Marquette, Michigan
Gentlemen:

Your Finance and Taxation Committee recommends that the various departments in the Court House and Jail Group keep within the budgets as adopted at the annual meeting and that no clerk hire or salaries be paid beyond the amount fixed by the Board of Commissioners.

In the case of an emergency or in case a department requires additional funds or needs some special equipment which could not be foreseen at the time of the annual meeting, we recommend that the head of that department, together with the Controller, present the matter to the Board of Commissioners for their consideration and that they grant, where deemed necessary, authority to exceed the figures established in the annual budget.

If it develops that the amount stipulated in the budget of any department exceeds the need of that department, or if a sum authorized is found unnecessary, then we recommend that authority be granted to transfer a sum or surplus to some other department by proper resolution of the Board of Commissioners.

It is further recommended that any credit balances existing at the close of the fiscal year in the Social Welfare Fund be transferred to the Social Welfare Department Revolving Fund to apply against possible future deficits of the Department of Social Welfare.

Respectfully submitted,
FINANCE AND TAXATION COMMITTEE
By Richard Hammerschmidt, Chairman

Communications were read from Governor Milliken and Bernard Houston, Director of the Department of Social Services, in regard to the Regional Social Service Offices not being placed in Marquette, and a reply letter from Mary Louise Fontaine, Director of the Marquette County Department of Social Services, was read informing the Commissioners that the reasons given by both Governor Milliken and Mr. Houston as to why the regional office could not be located in Marquette were actually non-existent. It was moved by Commissioner Selin, supported by Commissioner Lawry, and unanimously carried by a roll call vote, that the Chairman, Carl V. Pellonpaa, be authorized to appoint two or three persons from Marquette County to confer with the Governor, Mr. Houston and Representative Jacobetti, the express purpose to be a last minute effort to have the regional office located in Marquette.

A communication from the Marquette County Planning Commission asking for an extension of time until the first quarter of 1972 to consider thoroughly all avenues of support for the Gwinn Park, was read. It was moved by Commissioner DeJuliannie, supported by Commissioner Yelle, and unanimously carried, that the Marquette County Planning Commission be allowed the additional time, with the understanding that at the end of this time a firm recommendation in regard to the Gwinn Park would be forthcoming.

A request was read from the Upper Peninsula Area-Wide Comprehensive Health Planning Association, in regard to a 3 cents per capita, each year for the next 3 years, from each of the 15 County Boards of Commissioners in the Upper Peninsula, to finance their programs. On a motion by Commissioner Goldsworthy, supported by Commissioner Jacobson, and unanimously carried, the request was referred to the Budget & Executive Committee for study and report.

On a motion by Commissioner Krook, supported by Commissioner Jacobson, and unanimously carried by a roll call vote, the Board concurred with the Budget & Executive Committee's recommendation which directs that any credit balance existing at the close of the fiscal year in the Social Welfare Fund be transferred to the General Fund, and that the minutes of the October 12, 1971, meeting be amended to read that if such a balance exists, it be transferred to the General Fund rather than to the Social Welfare Revolving Fund as was directed at that time.

A report from the Budget & Executive Committee considering the proposals made by CUPPADD asking the County Board to participate in a survey of solid waste disposal sites at a cost of \$1800.00 over a 2-year period, was read. It was moved by Commissioner Krook, supported by Commissioner Hammerschmidt, and unanimously carried, that the Board of Commissioners take no action on this problem at this time due to the fact that the Marquette County Health Department checks disposal sites within the county from time to time.

A report from the Budget & Executive Committee was read in regard to the appointment of Mr. David Piipo replacing Mr. John Farmer as Director of the Marquette County Tax Equalization Department. On a motion by Commissioner DeJuliannie, supported by Commissioner Krook, and unanimously carried, the Board concurred with the recommendation of the Budget & Executive Committee and appointed Mr. David Piipo Director of the Marquette County Tax Equalization Department, effective January 1, 1972, with the further recommendation that the office of Deputy Director remain vacant for the time being.

On motion by Commissioner DeJuliannie, supported by Commissioner Morrison, and unanimously carried, the Board adopted the following resolution:

RESOLUTION

WHEREAS, The performance records of federal, state and local agencies show continuous increases in the number of welfare recipients, in welfare costs and consequently, in taxes; and,
WHEREAS, Welfare hand-outs are an appallingly tragic

misuse of monetary resources; and,

WHEREAS, Programmed and forced idleness of welfare recipients is a cruel insult destructive of the individual and a shameful neglect and abuse of human resources; and,

WHEREAS, Maintenance and beautification projects are often left unfinished or uninitiated in every county in the nation; and,

WHEREAS, County controlled, work-opportunity programs will decrease the number of recipients on welfare, will decrease welfare costs, will accomplish county work projects without increasing taxes; and will allow welfare recipients to earn self-support and self-respect; and,

WHEREAS, Federal welfare agencies prohibit employable recipients within the Aid to Families with Dependent Children (AFDC-U) program from performing county-controlled work assignments in return for aid received.

NOW, THEREFORE, BE IT RESOLVED, By the Marquette County Board of Commissioners that we actively work for the amendment of present federal welfare statutes and proposed welfare bills to provide that each medically-approved employable welfare recipient on federal public assistance shall perform available work as designated by an elected county government without the need for prior approval by a state or federal agency.

BE IT FURTHER RESOLVED, That we seek the support of all counties, Michigan Association of Counties, and our congressional representatives in a united endeavor to give local government the means to solve local problems and to achieve results in helping people through this amendment.

This resolution passed by the Marquette County Board of Commissioners at its November 17, 1971, meeting.

HENRY A. SKEWIS
Marquette County Clerk

Mr. George Rusch, Director, and Mr. Greg Main, Physical Planner for CUPPADD, gave a report on the progress of the over-all comprehensive plan for Marquette County.

It was moved by Commissioner Hammerschmidt, and supported by Commissioner DeJuliannie, that a unanimous ballot be cast that Melvin Nyquist be re-appointed to succeed himself on the Marquette County Planning Commission, term to expire November 21, 1974.

Commissioner Dompierre expressed desire not to be re-appointed to the Marquette County Planning Commission; thereupon Commissioner Herbert Anderson and Commissioner James Sodergren were nominated by Commissioner Pellonpaa and Commissioner Clayton Anderson. A vote was taken with Commissioners Jernstad and Morrison as tellers. Final vote showed Commissioner Sodergren 12 votes; Commissioner Herbert Anderson 6 votes. It was moved by Commissioner Dompierre, supported by Commissioner Krook, and unanimously carried, that all ballots be destroyed, and that Commissioner James Sodergren be appointed to the Marquette County Planning Commission for a term of three years.

It was moved by Commissioner Mattson, supported by Commissioner Russo, and unanimously carried, that the Chairman, Carl V. Pellonpaa, be authorized to appoint 4 Commissioners to go to the state conference of the Michigan Association of County Commissioners December 6-7, 1971, and that the appointees be authorized by the Board to speak to Bernard Houston, Governor Milliken and Rep. Dominic Jacobetti in regard to the Regional Social Service Office being placed in Marquette.

There being no further business to come before the Board, it was moved by Commissioner Clayton Anderson, supported by Commissioner Dompierre, and unanimously carried, that the meeting be adjourned.

Respectfully submitted,
HENRY A. SKEWIS
Marquette County Clerk

December 22, 1971

The Marquette County Board of Commissioners met December 22, 1971, in the Commissioners' room of the Marquette County Court House pursuant to a call duly made.

The roll was called finding all Commissioners present with the exception of Commissioner Jack L. McCracken.

It was moved by Commissioner Morrison, supported by Commissioner Lawry, and unanimously carried, that the Board dispense with the reading of the minutes of the November 17th meeting.

A communication was read from G. M. Dahl, Chief of the Law Enforcement Division of the Department of Natural Resources, in regard to Marquette County's actions on participating in a snowmobile law enforcement program. Sheriff Adrian Pequet explained that though monies would be available for law enforcement personnel in the year 1973, the only money that was available this year would be that which would allow the Department of Natural Resources to purchase snowmobiles and related equipment for the counties. It was moved by Commissioner Dompierre, supported by Commissioner Clayton Anderson, and carried by a roll call vote, that the Sheriff be authorized to contact the Department of Natural Resources in hopes that the county could receive two snowmobiles and the related equipment for the remaining 1971-72 year, and also that the marine safety officer be used this winter as a snowmobile training officer and enforcement officer. (All Commissioners voted aye with the exception of Commissioner Goldsworthy who voted nay.)

A communication from the Community Mental Health Center, in regard to the amount of their allocation for the fiscal year July 1, 1971, to June 30, 1972, was read. On a motion by Commissioner Euret, supported by Commissioner Jacobson, and unanimously carried, the matter was referred to the Budget and Executive Committee for further study and report.

A communication from the Community Mental Health Center, in regard to the County Board's appointing two members to a Selection Committee, which would select members to the Community Health Center Board, was read. It was moved by Commissioner Mattson, supported by Commissioner Russo, and unanimously carried, that the Chairman, Carl V. Pellonpaa, be authorized to appoint two members to the Mental Health Selection Committee.

The question of the appointment of a member of the Acocks Medical Facility Board arose. It was moved by Commissioner Mattson, supported by Commissioner Russo, and unanimously carried, that Dr. S. J. Bessolo be re-appointed to succeed himself, term to expire December 31, 1974.

On a motion by Commissioner Clayton Anderson, supported by Commissioner Krook, and unanimously carried by roll call vote, permission was given Stephen F. Adamini to attend a meeting of the State Boundary Commission, to be held in Lansing January 12, 1971.

A copy of a communication from Dominic J. Jacobetti, addressed to Mr. Bernard Houston, Director of the Department of Social Services, Lansing, Michigan, was read and ordered placed on file.

A communication from the Marquette County Health Department in regard to several amendments to the Marquette County Sanitary Code was read. It was moved by Commissioner Sodergren, supported by Commissioner Morrison, and unanimously carried, that a copy of these amendments be sent to each Com-

missioner and that action be postponed until the next regular meeting of the Marquette County Board.

A communication from the Marquette County Chapter of "Keep Michigan Beautiful" was read. It requested that the Marquette County Board of Commissioners designate one of their members to serve on their Board. It was moved by Commissioner Mattson, supported by Commissioner Krook, and unanimously carried, that the Chairman, Carl V. Pellonpaa, be authorized to appoint one member to the Marquette County Chapter of the "Keep Michigan Beautiful" Board.

A communication from Dominic J. Jacobetti, in regard to all counties north of town line 16 initiating action to enact an ordinance prohibiting the hunting of antlerless deer, was read. It was moved by Commissioner Dompierre, supported by Commissioner DeJuliannie, and unanimously carried, that a copy of the resolution used by Dickinson County be obtained for each Commissioner and that action be deferred until the next regular meeting.

A report of the Audit Committee was read requesting that claims and accounts in the amount of \$71,114.31 be allowed and ordered paid. On a motion by Commissioner Russo, supported by Commissioner Lawry, and unanimously carried by a roll call vote, such claims and accounts were allowed and ordered paid.
