Washington, June 13 .- Lobbying as : the currency, transacted no important fine art, how it is done, and who is responsible; what ends are sought, and what results accomplished, probably will be investigated by the senate special lobby committe before it concludes its work and submits its report to the seuate. Tonight the committee decided to submit to the senate the question of a further broadening of the scope of its **REIGN OF TERROR** inquiries.

The committee's decision came at the end of a day filled with sensations. On two occasions President Wilson figured in the tetimony. Senator Gallinger told the committee that in his opinion the president had once at least come "dan rously near lobbying" and Truman G. Palmer, Washington representative of the United States beet sugar industry. declared that a "plate matter" campaign much similar to the one conducted in newspapers by him had ac companied the campaigns of the presi dent and Representative Underwood be fore the Baltimore convention.

The question of who was responsible which Paint Creek and Cabin Creek were placed under military rule, the United for an alleged senate order for the pub-States senate mine investigating comlication as a public document of "data mittee tonight finished one branch of its prepared by Truman G. Palmer" in "Sugar at a Glance," lost sight of by inquiry here.

"There was a reign of terror in the the committee for several hours, bobbed strike district," said the former governor. up before adjournment. Chairman Over-"Twenty-five or thirty murders had been man announced that the committee intended to call Anselm Wold, printing clerk committed and no prosecution had been of the senate. #### Citizens' Tax Case Helps State.

"The decision of the Citizens' Telephone tax cases, which I argued for state before the supreme court in MAY will greatly strengthen the financial con dition of the state." said Mr. Wykes. "Although as a result of the showing

by the state in the United States air cuit court before Judge Decison, all et the telephone companies in the state, except the Citizens of Grand Rapids and 9 the Citizens' of Jackson, have paid their for delay, the decision means that the entire ad valorem basis of taxation -is put on a firm and unquestionable legal

basis, and a sum greatly in excess of \$1,000,000 is assured to the state treas-

most as profitable to the state as the day and Wednesday nights. For the Although the word "Canada" is omit

in taxes yearly. Hemans in Agreement.

Lawton T. Hemans, chairman of the state railroad commission, is in agreement with Mr. Wykes concerning the effect on the Michigan cases of the decision of the supreme court. He cesix marks that the decision has knocked mto a cocked hat one of the contentions of the South Shore railway in its therefore every patriotic citizen, either a present suit to defeat the two cent fare native of the country or by adoption, has been requested to display the official flag aw as it applies to its system, namely, hat the state has no jurisdiction in mat- of the nation. It is deemed appropriate ters relating to rates over the railroads that little flags be worn in buttondoing an interstate business. Mr. Heles throughout the day.

mans asserts that the decision greatly strengthens the positions of all the state railroad commissions.

#### SEWER ASSESSMENT NOTICE.
