DRUG STORE THIEVES

It is getting so that even the best of thieves and robbers discriminate somewhat in their selections.

For instance, burglars recently broke into a drug store owned by our good Nyalist, S. B. Jones, corner Baraga avenue and Third street, on the night of Feb. 4th. After helping themselves to money, stamps, etc., they directly went to the candy case. After looking over a complete stock of various lines of candy, they took out a box of Nyls Chocolates as their selection and naturally finished the contents of the box.

It is going some when even a robber in his haste will stop in his excitement to eat a box of Nyls chocolates. It would look as though even the elements of the under-world were reading Nyls advertising.

City Brevities

Hon. D. H. Ball returned home yesterday from a western trip.

A. Nelson left last night for Milwaukee, on a short business trip.

Walter Durocher, of the Soo, is in the city on a business mission.

D. Benway, of Saginaw, spent Saturday in Marquette, on a business mission.

A. G. Gerdel, of Escanaba, was a business visitor in Marquette Saturday.

Mr. and Mrs. Harvey Green 429 North Fourth street, are parents of a son born yesterday.

Mrs. John Moran, of Calumet, who has been visiting in this city has returned to her home.

Mrs. G. A. Trueman and daughter of Munising were the guests of friends in the city Saturday.

William Boesler, of Houghton, formerly a Marquette resident, visited friends here Saturday.

Miss Ethel Young left last night for Chicago to resume her studies in the University of Chicago.

The Marquette Study club will meet at 3 o'clock this afternoon at the home of V. G. Hall, Spruce street.

Morgan W. Jopling arrived home from Escanaba yesterday morning, after a few days' absence on a business mission.

H. S. Gallup arrived home yesterday morning from a visit to Ann Arbor, Milwaukee and Chicago. He was away several days.

Mrs. Herman Hoffman of St. Ignace, who had been visiting relatives in Marquette for a few days, left for home yesterday.

Miss Mary Rencker, who is teaching school at Bassil Siding, spent Saturday and Sunday with her parents in Marquette.

Miss Betty Hornick, a student at the Marquette Normal school, has returned to her home in Menominee, to spend the spring vacation.

Miss Florence Jaerling, a student at the Marquette Normal school, is spending the Easter vacation with her parents at Calumet.

Mr. and Mrs. J. J. Summers of Houghton returned home yesterday, after spending a few days with relatives and friends in the city.

Patrick Hawkins, of Little Lake, has returned to his home after attending the funeral services of Mrs. D. A. Diney at St. Peter's cathedral Friday.

"The Tattler," the Marquette High school publication, will be let from the hands of the printer Monday. It will be up to the usual standard in its contents.

Orrie E. Brown returned Saturday afternoon from Munising, where he delivered an address at the Past Master's Masonic celebration in the Masonic hall Friday night.

Mrs. M. Maney of Ashland, Wis., Mrs. Nellie McGinnis, and daughter Marie, of Bayfield, Wis., and Miss Maxine Tierney, of Menominee, who attended the funeral services of Mrs. D. A. Delaney returned to their homes last night.

Dr. and Mrs. A. C. Jones have gone to Ann Arbor, where they will spend a few days and where they will be joined by Mrs. Jones' mother. They will sail for New York early in April for London, England, where Dr. Jones will pursue special work in his profession for an indefinite period. Dr. Jones has been in Marquette for about a year as assistant to Dr. H. M. Cunningham.

Comedy and Drama at the Grand—At two matinees this afternoon at the Grand "Back to Eden," a 15-act comedy-drama; "A Quarter Back," Essanay comedy, and "The Japanese Sword Maker," a Melies two-reel drama of old Japan will be presented. The bill will be given three times this evening.

Unique Musical Act—Elkins, Fay and Elkins will present a comedy singing, dancing, piano and tambourine act at the Marquette Opera House Monday and Tuesday nights. Owing to the staging of "The Quaker Girl" the vaudeville will be discontinued on Wednesday. Thursday afternoon and evening five reels on "Through Fire to Fortune" or "The Sunken Village" will be shown. This film is by the Lubin company and depicts a remarkable escapade in the mining industry.

COMMUNICATED.

To The Mining Journal: Will Dr. Main, the health officer, give the name

of one pupil he marshalled out of the Third Street school for any case whatsoever; the name of but one teacher who permitted a pupil to remain in her room coming from a home where measles existed, to say nothing of the case where teachers encouraged attendance from such a home for the latter we consider criminal negligence?

Let him repeat one tiny item of advice he gave to a teacher on the subject of measles.

Boost yourselves, gentlemen, but be careful when tramping on the ladies.

THE PRINCIPAL OF THIRD STREET SCHOOL.

ATTACH NO BLAME.

Coroner's Jury in Lustilla Case Return a Verdict.

An inquest into the death of Nick Lustilla, who was struck between Choccolay and Gordon by an eastbound South Shore train Wednesday afternoon, was conducted by Coroner William Prim, of Ishpeming, Saturday morning, and the coroner's jury found that the cause of death was unknown. It could not be definitely established by the evidence whether Lustilla was killed by the train or had met death from another source previous to being struck. The jury consisted of H. E. Hanford, Dr. Morley W. Anderson, J. F. Neidhart, Frank J. Kcough, E. P. Monteth, and Ed J. Bernard.

PILE DRIVING FINISHED.

Workmen on Spear's New Dock Are Now Ready to Lay Decking and Tracks.

All piles for the Spear & Sons' new passenger and freight dock have been driven and everything is now in readiness for laying the decking. Workmen engaged in building the dock have kept constantly on the job and when the decking has been finished, the railroad tracks extended the entire length of the dock will be put down. There is now no doubt but what the dock will be ready for the opening of navigation by the Anchor Line, which usually occurs between April 25 and May 1. The company begins receiving freight for delivery from the ports of the lower lake April 20.

TEACHERS MAKE STATEMENT.

Say They Have Gained No Light on Reported Derelictions.

To the Public: In regard to the article on the measles question and the reported negligence of certain teachers in dealing with it, which appeared in The Mining Journal of March 25, the Grade Teachers' association, after a careful investigation, elicited the following facts which it wishes to make public.

Dr. Main, the health officer, was interviewed by a representative of the association, but he refused to divulge the name or names of the one or more teachers referred to in the article. He denied that he was the authority for the statement that he "instructed the teachers on their duty under the state law dealing with the public health."

When questioned whether he knew that some "teachers had explicitly requested the attendance of children coming from homes where they knew cases of measles were being cared for," he answered that in order to prove so, it would be necessary to implicate certain parents.

The grade principals were then interviewed and it was learned from them that only two schools have been visited by Dr. Main. These schools were the Third street and Fourth street buildings.

When visited by the Third street school was made following a request from the principal for a health certificate for a child reentering school after an attack of measles. At this building he made no survey of the rooms.

On his first visit to the Fourth street school he discovered no symptoms of measles. A few days later, however, he was requested to come to the school to investigate a suspicious case. This he did and sent the child in question home. Observe in both cases, that the initiative was taken by the teacher.

We fail to perceive wherein the teachers of Marquette have shown themselves ignorant of state health laws or wilfully negligent in enforcing them.

If the teachers have erred at all in the past, it has been on the side of overcarefulness in dealing with contagious diseases.

SUPREME COURT HELPS SALOON MEN

Says That in Cases of Violations by Sales to Minors Good Faith Can Be Shown.

The supreme court has just handed down a decision of interest to saloon men and which will have an important bearing on the conduct of their business in the state.

In the ordinary practice of the courts the saloon man accused of selling to minors has had little defense, and the assertion of good faith has not as a rule done him much good.

Edward Averill, of Grand Rapids, sold two pints of beer to Harold Williams, sixteen years of age.

Meers, Smith and Martinson speak at the Presbyterian church.

In the absence of Dr. Stanley Shaw, who was called home to the Soo to his own pupil, Rev. Mr. Martinson addressed the men's mass meeting at the Presbyterian church yesterday afternoon.

Mr. Smith took for his text, "Against Thee and Thee Only Have I Sinned and Done This Evil."

There is no such thing as a big sin and a little sin in God's category. The evil choice, however small the results which follow therefrom, cuts one off from the Holy Spirit just as effectively

ORE SITUATION WILL HOLD UP NAVIGATION

Leading Producers on Lake Superior Expect Opening Will Be Late.

Leading producers of ore on Lake Superior do not expect anything of a movement for several weeks, and this is going to make an important difference in the opening of navigation this spring.

A canvass of the ore market discloses that no consideration has been given over prices up until this time.

Recent developments in the wage conference in the coal districts has tended to complicate, rather than to simplify, the coal situation.

INTERNATIONAL CONGRESS, WASHINGTON, TO DISCUSS THE WELFARE OF THE CHILD.

1914 MODEL REO THE FIFTH IS HERE CAR or SUPER-CAR \$1,175 EQUIPPED

Let us help you decide between lesser-built cars and this matchless car built by R. E. Olds.

Judge if it's worth while to get super-strength in a car you buy to keep.

If so, Reo the Fifth will appeal to you. It has big margins of safety. It is built slowly and carefully—six weeks to each car.

It has 35 horsepower, but each driving part must stand the tests for a 50 horsepower engine.

It has 15 roller bearings—190 drop forgings. It has a costly clutch which prohibits gear clashing.

Its gears are tested for 75,000 lbs. per tooth—it's springs for 100,000 vibrations. It's engine is tested for days.

It is built so that test cars, after 10,000 miles of rough usage, show in vital parts slight evidence of wear.

YOUNG MAN DIES.
William Gordon, of This City, Passed Away in Chicago Friday.

After an extended illness, William Gordon, of this city, son of Mr. and Mrs. David Gordon, 118 West Superior street, died in a Chicago hospital Friday afternoon at 6 o'clock. He had been a sufferer from diabetes. He was born in Ishpeming May 28, 1892, and had lived here the greater part of his life. Mr. Gordon had been in Chicago previously for treatment, but his condition was serious only during the past few months.

Besides his father, David Gordon, and mother, Margaret McCutcheon Gordon, two sisters and two brothers survive. They are Sarah, Marguerite, James and Ernest, all of this city. Services will be held at the home tomorrow afternoon at 1:30 o'clock, and from the Presbyterian church at 2 o'clock. Interment will be in the Ishpeming cemetery.

IS NOT A CANDIDATE.
William Jenkin, who has represented the Fifth ward in the common council for a number of years, announces that he is not a candidate for reelection. No persons have yet come forward seeking the nomination at the Republican caucus, which is to be held at 7:15 o'clock this evening.

An adjourned regular meeting of the council will be held tomorrow evening, March 31, when the finance committee will submit its annual report.

SAFETY MOVEMENT SAVES MANY LIVES

Northwestern Head Outlines Notable Accomplishment Since It Was Taken Up.

On all divisions of the Chicago and Northwestern railway, including the Peninsula division, the number of accidents has been greatly decreased as a direct result of the "safety first" movement which was first started by that road. The results of the campaign have been more gratifying than the officials of the road believed they could be, according to R. C. Richards, general chairman of the safety committee, who visited this division Friday and Saturday of last week.

Friday Mr. Richards conducted a "safety first" meeting in Escanaba, at which the Peninsula division committee and the local shop committees were in attendance. Mr. Richards was the principal speaker. He is the man who conceived the "safety first" campaign, which, since the Northwestern road took it up, has been pushed by a large number of other railroads and other corporations.

A report compiled by Mr. Richards shows that in forty-four months there has been a decrease of 43 per cent. in the number of trainmen injured.

Thirty-six per cent. fewer trainmen were killed; 30 per cent. fewer switchmen; 82 per cent. fewer stationmen; 33 per cent. fewer trackmen; 18 per cent. fewer bridge-men, and 4 per cent. fewer shopmen. The reduction of employees injured 25 per cent.; of passengers injured 23 per cent.; of outsiders killed, 18 per cent.; and of outsiders injured, 7 per cent.

During his address to the committee Mr. Richards said that the road desires to encourage employees to make suggestions that they consider will prevent accidents and deaths and will improve the railroad service. He said the system had adopted 9,584 recommendations made by employees in 1912 and 1913, and rejected only 387 suggestions.

Among the causes of deaths and accidents the speaker enumerated some of the more common, as follows: Carelessness of employees, obstructions of ground, defective engines, cars, tracks, tools and machinery, platforms and walkways, bridges and buildings, getting on and off moving cars, walking on tracks, riding on pilot of engine, falling off cars in motion, going between cars to couple and uncouple cars or hose; derailments and collisions.

CARD OF THANKS.
Alfred Leonard and family extend their thanks and appreciation to all those who aided them in any way following the recent destruction of their home on Division street by an explosion. The family was left almost destitute by the disaster, and many friends and others came to their assistance.

THE MOTHERS' FAVORITE.
A cough medicine for children should be harmless, it should be pleasant to take. It should be effective. Chamberlain's Cough Remedy is all of this and is the mothers' favorite everywhere. For sale by All Dealers.

Republican Caucuses at 7:15 and Convention in Anderson's Hall at 8:30 O'Clock.

With the calling of the convention and caucuses of the Republican party this evening and a mass meeting of the People's party tomorrow night, interest in the spring election, which falls on Monday, April 6, is at a high pitch. From the leaders of the People's party comes the assurance that a complete ticket will be placed in the field, and in some of the wards it is indicated that the candidates will run on slips. For some time it was street talk that the People's party would offer no opposition to Mayor G. G. Barnett, who will be unopposed as the nominee of the Republican party for mayor, but from later developments it appears that the executive committee, which was appointed some weeks ago, has decided upon a man whose name will be presented at the mass meeting in the Anderson's hall tomorrow night.

A session of the ward committees of the People's party was held Friday night. For some days the committees have been busy ascertaining the strength of possible candidates, and they have now decided upon those who will be proposed for the nominations.

City Recorder Richard H. Olds will have no opposition for the Republican nomination at the convention in the Anderson hall at 8:30 o'clock. He is popular with the voters, and there is every indication that he will poll as large a vote this year as in the election two years ago. William Beskerleg will seek the nomination of the People's party for that office. Jacob P. Niemi, who at present holds the office of school inspector, will likely receive the Republican nomination again.

The real contest of the election will come in the Sixth and First wards for the positions in the council, and at the convention tonight there will likely be a lively contest over the office of city treasurer. Several candidates are now in the field. Jacob P. Niemi, the incumbent, is hard at work to secure the nomination, and has been promised the support of a large number of the voters. Charles Warberg, a pioneer resident, has lately become an aspirant for the office, and also will seek the Republican nomination. He has lived here since 1867, and retired from active work but three years ago. Israel Dyson is another candidate for the position.

In the first ward Alderman Cronin will seek re-election, and it is likely that he will receive the nomination of the Republican party tonight. Ovilas Lafreniere will be his opponent, having announced his candidacy recently. Alderman Cronin is popular with the voters of the ward, and his friends are confident that he will be returned to the office for another two years. Mr. Lafreniere has been busy for the week past lining up votes, and his supporters say he will be successful.

The Sixth ward gives promise of having the hottest contest. The latest entrant into the aldermanic race is Phil Hagland, who will seek the nomination of the Republican caucus. There are six others who have announced their intentions of looking for the office. They are Charles Anderson, Frank Blight, Conrad Oie, Jack Gray, James Hawke and Peter Berryman. Two aldermen are to be elected in this ward this year, owing to the resignation of Alderman A. G. Bergstrom, who has removed from the city. Charles Twern, the other alderman from the Sixth, is not a candidate for re-election.

In the Eighth ward two aldermen are also to be chosen, because of the removal of Alderman Nelson from the city. No persons have yet come forward with announcement of their candidacies, but it is said that several are considering being candidates. All of the present members of the council, with the exception of those previously mentioned, are candidates for re-election.

The Republican caucuses will be called to order in the ten wards of the city at 7:15 o'clock this evening. The convention will be held in Anderson hall about an hour later. Tomorrow night the People's party mass meeting will be held at 7:30 o'clock in Anderson hall.

MORTGAGE WILL BE BURNED.
First Methodist Episcopal Church Has Paid Off Debt on Property.

Good Friday, April 10, the First Methodist Episcopal church will burn the mortgage that has been outstanding on the property. The financial secretary says that \$181 still remains in unpaid pledges, which he desires to have paid before April 10. This money will be used for the making of improvements at the church property.

The evening of April 10 there will be a concert in the auditorium of the church. No admission charge will be made and the public is invited to attend. A large men's chorus has been organized.

REGISTRATION WAS LIGHT.
Saturday, registration day, 237 voters registered in the various wards of the city. Those who secured the privilege of voting at the spring election, April 6, were persons who had moved from one ward to another since the last election, and those who are new-comers to the city. The detail of the registration in the ten wards follows:

First	21
Second	21
Third	26
Fourth	26
Fifth	29
Sixth	34
Seventh	13
Eighth	22
Ninth	19
Tenth	17

MALE QUARTET TONIGHT.
Tonight and for the first half of the week the Metropole four, a comedy male quartet, will appear at the Ishpeming theater. All of their numbers are said to be new. Tonight's pictures are said to be "Officer John Donovan," a two-reel feature by the Vitagraph company; a

J.F. Gruenheck Ishpeming Cloak & Suit Co. S. Ree, Manager

GOOD NEWS!

Very Special Announcement

We have just received word from Mr. Gruenheck of Fond du Lac to close out everything possible today and tomorrow.

During the past three weeks we have had innumerable calls from the women regarding their early Spring and Easter apparel.

And now comes the "good news" Mr. Gruenheck finally has consented to shipping up here the entire Fond du Lac line for one week, commencing Wednesday, April 1st.

This line represents the pickings from over 100 of New York's large, high class manufacturers. Each of these manufacturers makes some garments all in a class of their own. The smartness of these superior styles will be apparent in many ways.

We believe it worth your while. Women living within a radius of 100 miles of Ishpeming can hardly afford to miss seeing this collection.

This season a wide range of beautiful models make their appearance. The European dyer has more than done his share in getting out colors that are not only beautiful in themselves, but many of them are entirely new—have never been seen before.

Easter Is Not Far Off

We advise you to do your shopping early. It will give us more time to get your garments ready. Also we wish to impress upon you that in this large collection there are hardly two garments alike. The opportunity therefore presents itself to get for yourself a style of your own, different from the ordinary garments.

It will be a grand exposition. From a style show standpoint this sitowing of pretty wearables in Coats, Suits, Skirts, Waists, Dresses, etc, will be equal to that of a metropolitan city.

The fabrics will largely be Silks or Imported Wool, such as Unfinished Poplin, Crepe, Waffle Cloths, Bedford Crepe, Moire Antique, Gabardine, Rampoer Crepe, etc.

The principle colors for Spring are Gold, Labrador Blue, Spring Wheat, Copen, Tangerine, Hazel, Cope de Rouge, Mahogany, Reseda, Vest Bronze, Wisteria and Black.

Prices will be moderate.

Coats at	\$ 5.00 to \$35.00	Separate Skirts	\$2.50 to \$18.00
Suits at	10.00 to 50.00	Lingerie Crepe Waists	1.00 to 3.50
Wool Dresses	5.00 to 25.00	Silk Waists	2.50 to 10.00
Silk Dresses	10.00 to 45.00	Crepe de Chine Waists	3.00 to 12.00
Evening Dresses	10.00 to 50.00	Evening Coats	10.00 to 125.00

SOME GOODS FOR NOTHING

Beginning Wednesday and continuing for one week, we have decided to give away each day one of our best Coats to the customer buying the largest bill during the day. It will cost you absolutely nothing. Be sure to keep your cash purchase slip. The Coat will be on exhibition during the day and given away at 9 p. m. In case this coat should not fit the lady, she has the privilege of selecting another of equal value.

STORE OPEN FROM 9 A. M. TO 9 P. M. GOODS SOLD FOR CASH ONLY

MOTORISTS TO FORM CLUB HERE

Number of Machines in Use Will Be Largely in Excess of Number in Any Previous Season, as List of Owners Compiled by Committee Contains 160 Names.

Is Pointed Out That the Proposed Movement Is in Public's Interest, for It Will Make for Safer Conditions on the Highways Crowded With Traffic.

At a meeting that will be held at the city hall tomorrow evening the owners of automobiles in Marquette will take up the organization of a motor club where they left it last year. This means, in effect, that they will have to take it up from the beginning, for the organization last fall was carried to further along than the appointment of committees which failed to get around to report before the machines were all stored in.

But some of the preliminary work has been done during the past few months, with the result that there will be presented to the meeting tomorrow night a tentative set of by-laws that it is believed will meet with general approval, and that is likely to be adopted without substantial amendment. Then, it is expected, officers will be elected, standing committees named and an active campaign to secure a representative membership outlined.

All owners of machines and men who expect to own them during the coming season are invited to be present and to participate in the organization of the club. Invitations have been mailed to persons eligible, as far as it was possible to make up the list. But it was not complete, and the committee urges any person who desires to join the club, but who failed to receive a card, not to stand on ceremony, but to attend the first meeting.

Number Largely Increased.

That the number of automobile drivers in Marquette will be largely increased over what it was last year is shown by the committee's inquiry into the matter; and the list of owners compiled. It contains, including the garages, 160 names, a number some forty in excess of the aggregate of names on a similar list compiled last year.

The number of machines that will be in the city will run considerably above 160, for the list is one simply of owners, and takes no account of the number of machines in the garages, or of the men who own two cars. Furthermore, the season is still early and many prospective purchasers have not yet placed orders.

The increase in the number of machines in use will be the largest, both actually and relatively, that has ever been noted in Marquette, and the same thing will be true for the county as a whole. Most of the men and firms that are handling cars report sales in excess of the sales at a corresponding date in any previous year. One dealer reports having placed over twenty cars.

Clubs of Public Importance.

"This increase in the amount of automobile traffic renders the organization of Motor clubs a matter of public importance," a Marquette driver commented Saturday, "for it is clear that the policing of the highways and the securing of safe traffic conditions will become more of a problem than ever before. Motor clubs will help solve it, for they will impress on their members that careful driving and exact compliance with the rules of the road are things that automobiles owe to each other, as well as to the public. I believe that it will be but a little time when there will be a country organization of motorists, for there is no doubt that Ishpeming and Negaunee will both organize local motor clubs that will have an important part in the work of making the highways safer and leading all drivers to observe the proprieties of the road.

"Another field of activity for the clubs is the good roads movement. By taking an intelligent interest in this movement, they can do a great deal to have needed improvements undertaken and to encourage the building of highways to open up parts of the upper peninsula now isolated because of intervening stretches of bad roads."

Will Be Assessed Locally.

The decision of the supreme court overruling the motor car license law passed by the last legislature means that all machines will be taxed this year as personal property. "This means," a Marquette man said yesterday, "that most owners of cars will pay more taxes than if the license law had stood."

The Law Proposed a License Fee Computed at the Rate of Fifty Cents a Horsepower, the horsepower to be figured on the basis of piston measurements. Under it some \$200,000 had been collected by the state department. The money, with the exception of a \$3 license fee for each car, will now be refunded to the persons who paid it. No Marquette residents paid the new license fee, it is said, as it was not collectable until the first of the year and shortly after that date the list of the machines in use here were laid up.

WILL SHOW FINE FILMS.

"Famous Players" and "All Star" Productions Coming to Opera House.

Harry Goldberg, general representative of the Casino Feature Film company, of Detroit, which holds state rights on the Famous Players, Lasky and All Star film productions, has been in Marquette the past few days, and has closed a contract with Manager Jopling, of the Marquette opera house, for the presentation here of the leading photoplays produced by these famous organizations. The first of the plays will be "Chickens," and it will be offered the nights of April 21 and 22. It will be followed by others equally attractive productions, one being presented each week.

The Famous Players, Lasky and All Star companies are three of the most notable film companies that have yet been or-

ganized, and they have already produced for the movies some of the most notably successful plays of recent years. Their casts include only skilled players, and frequently the leading parts are taken by well-known stars from the legitimate stage. Their film productions are the most popular attractions now being offered by the movies and are everywhere being received with much enthusiasm.

The Famous Players, Lasky and All Star productions will also be booked in this country for the Ishpeming theater and the Star at Negaunee.

MARQUETTE MEN LOST AT HOUGHTON

College of Mines Players Got the Long End of the Score in Basketball Contest.

The Marquette City basketball team went, saw and was conquered at Houghton Saturday evening, when the College of Mines quintet reversed the verdict reached on the Fraternity Hall floor some weeks ago and took the very long end of a very big score, 62 to 28. The only thing the Marquette players are able to present in the way of extenuating circumstances is the absence of two strong men from the lineup, and they are not urging this, preferring to give the College of Mines men full credit for their victory.

The Houghton Mining Gazette says: "The work of the college team was a revelation. The college men time after time lost the Marquette players in a maze of combinations that invariably ended at the Marquette goal. The college guards covered closely and Marquette had little chance to score at any time. Towards the end of the second half of the game the college seemed to be in complete control and the college score mounted steadily from 47 to 62, the college scoring a few moments after every face-off. Marquette strove valiantly to stem the avalanche and showed flashes of excellent form but the college men were playing the game of their lives and, with their fellow students cheering them on, did not let up for an instant.

"College spirit ran wild. The college students had assembled hoping to see their team make a creditable showing against the invincible Marquettes but when the college tied the score and then forged steadily ahead until it became evident that M. C. M. was going to win by an overwhelming score they made the building resound with their cheers.

"Gibbs, playing his best game of the season, scored 22 points for the college. Walters scored 16, Rowell 11 and Eashigh 11. Cain at guard got his usual score. Catlin and Lindstrom each scored 6 points for Marquette. Christensen scored 15 points and one point was awarded. R. B. Wiggins and A. Thomas officiated. The game closed the season for the college.

"In a preliminary game the Hancock High school defeated the Houghton High by the score of 42 to 10."

BUILDS LAUNCH FOR MAYOR OF CHICAGO

Boating to Claim Large Following Among Residents of Marquette This Year.

Pleasure boating on the lake seems to have engaged the minds of Marquette residents early this year, and from the present indications many of those who have not used their pleasure boats for several seasons past will put them in commission. In addition there are several who will take to the recreation for the first time in newly constructed craft.

W. H. Duer, proprietor of the Marquette Launch & Motor works, with an assistant has been working day and night in his shop on the lake front to fill the numerous demands that have been made upon him during the last few weeks to get out new water craft of nearly every description, and to overhaul and remodel boats which have been in use for some years past.

In addition to the work which is given him by pleasure seekers, Mr. Duer is also building launches for two Marquette men engaged in the fishing industry. Andrew Anderson is having a thirty-five-foot fishing tug built and Nels Anderson has placed an order for an eighteen-foot tug. Both of these boats will replace tugs which have been in use for a great many years in fishing in Lake Superior, of Marquette. They will be finished by the latter part of next month.

Andrew Anderson's tug will be equipped with both a gas engine and sails. A twelve-horsepower Fairbanks-Morse engine for it is now at the shop waiting for the completion of the framework.

Mr. Duer now has under the course of construction an eighteen-foot pleasure launch for Carter H. Harrison, mayor of Chicago, which will be placed in use at the Huron Mountain club. It will be the third launch which the mayor will have at the club. F. B. Spear, of Marquette, whose pleasure launch was not in use last year, has made arrangements with Mr. Duer to have it given a thorough overhauling. Among the new craft which he is preparing for delivery is an open, twenty-five-foot launch for Jack Turnbull. Miss Ada Mapes has ordered her launch, "The Bug," overhauled and prepared for use during the coming season, and numerous other inquiries have been made in regard to boats, so that it is indicated that the number of people who will spend much of their time on the water this year will be larger than for some years past. Mr. Duer believes that the people have begun to forsake the automobile for the charms of the placid waters.

Mr. Duer has been working on some of the boats of old and on since the first of January, and has at times had to put in as much as eighteen hours a day at his shop to keep up with the demands of boat owners and prospective owners. Most of the orders he has received have been for the higher class of boats.

FORM MANAGERS' CIRCUIT.
Upper Peninsula Fair Secretaries Take Action at Escanaba Gathering.

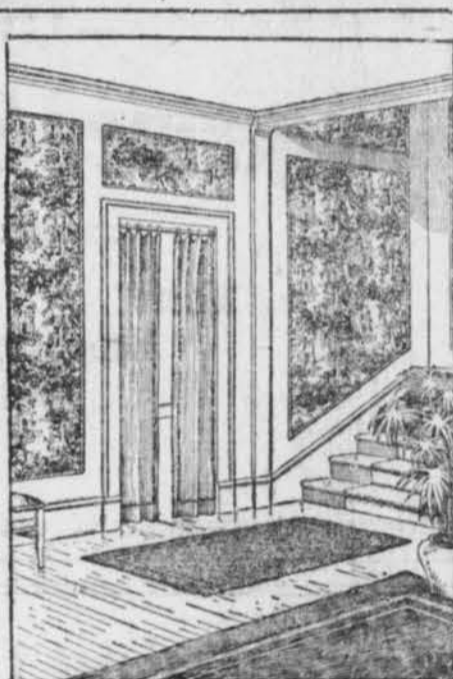

William A. Ross, of Marquette, attended a conference of the county fair officials of the upper peninsula at Escanaba last week. "Better fairs in the U. P. next fall" was the keynote of the meeting, which was held in the office of President Torval E. Strom, president of the Escanaba association. It was decided to organize the several fairs into a circuit, to enable them to keep in close communication with each other, that the ultimate best results in fairs in this section may be secured. A plan to secure attractions and exhibits which can go from one place to another throughout the circuit for six consecutive weeks, and thus greatly diminish the average expense, was outlined. A circuit of horse racing will also be arranged for those counties having race tracks. The following attended the conference: Mayor Middlebrook and Sheriff Howard of Manistique; Secretary Ritz, of Iron River; Secretary Moulton and C. C. Hanson, of Menominee; Secretary

O'Callaghan, of Norway; Secretary William A. Ross, of Marquette; Torval E. Strom and Secretary Matt Peterson, of Escanaba.

WANT PETERS MADE BANKRUPT.
Trio of Creditors File Petition in the District Court to This Effect.

A creditor's petition asking that A. N. Peters, of Calumet, be adjudged a bankrupt has been filed in the district federal court by Charles Goldsmith & Co., which claims to have sold goods amounting to \$27,520 to Peters; A. Krolik & Co., claiming a debt of \$369.10 to him, and the A. Stein & Co. which claims that Peters owes them \$67.83. Deputy Marshal Ross has returned from Calumet, where he served a subpoena on Peters, who is given until April 4 to make return. The creditors allege that Peters is insolvent and has already committed an act of bankruptcy.

According to two English scientists the sense of smell in man is small when compared with animals, because of the practice of kissing, and gradually is being destroyed for that reason.

Wall Paper

A well decorated room needs little else to adorn it.

Alfred Peats "Prize" Wall Papers lend themselves to modern decoration and give individuality and distinction to the home.

Samples from this well known, reliable house, will be brought to your home, for inspection in the rooms to be papered, the only satisfactory way to make a selection.

Estimates cheerfully furnished. Large assortment. Popular prices.
