SEMI-ANNUAL CLEAN-UP.
South Shore Engaged in Vigorous Cleaning Up of Property.
The South Shore railroad is now engaged in a decidedly vigorous cleaning-up of its thoroughfares, tracks and the property abutting on its tracks. This is a semi-annual occurrence with the railroad, but it is apparently being carried on more strenuously now than at any time heretofore. The land along the Lake street tracks, from the gas-house to the L. S. & J. depot, and also the tracks and the adjoining property from the passenger depot to the brewery, are undergoing a transformation that reflects most creditably on the energetic clean-up of the railroad. In addition to the cleaning, Supt. C. E. Lytle has also a force of men engaged on several repair jobs, one of which is the work being done on the viaduct on Main street east of Front street, which is practically completed. This was started recently when the street department requested the railroad to replace the railing along the viaduct, which the company not only attended to promptly, but also commenced reinforcing the walls of the viaduct, and improving that end of the street generally.
In cleaning up Spring street east of Front, which is a private thoroughfare of the railroad, and which had been littered up constantly by the occupants of that street, the railroad was assisted by the city, which sent teams to haul away the rubbish, and then warned the occupants to keep the thoroughfare in presentable condition.

INTEREST KEEN IN GAME TODAY

Marquette-Stambaugh Clash at New Fair Grounds This Afternoon Expected to Draw Record Crowd—Ideal Weather Promised—To Start at 2:15 O'Clock

Both Teams in Splendid Condition—Stambaugh Eleven Is Lighter But Extremely Fast—Red and White Squad Appears to Have Some Advantage.

Ideal football weather is promised for today's clash between the Marquette and Stambaugh elevens. The Stambaugh team arrived here yesterday morning and went through light practice at the new fair grounds in the afternoon. The players are all thoroughly conditioned and now will take things easy until the scrimmage begins. This morning they will be the guests of the Marquette team for an auto trip to the prison and upon their return will indulge in final light practice to limber up.

The Marquette squad had its last practice on Thursday afternoon. The team is in the pink of condition, after a week of strenuous training, and is resting up preparatory to its last hard game of the season.

When the game begins at 2:15 this afternoon the new fair grounds will undoubtedly hold more rooters than at any time in the history of Red and White football. Due to the splendid record of the Marquette team this year football enthusiasm here is now at its height, and the number of loyal rooters to turn out this afternoon will probably set a new record. Since the sensational career of the Stambaugh team this season that town is football mad, and is awaiting the result of today's game with keen interest. About twenty-five rooters will journey down from Stambaugh, and a large delegation is expected from Ishpeming and Negaunee.

How They Size Up.

Neither team has been defeated this year, and while the Stambaugh aggression has rolled up larger scores against her opponents, the Marquette team has played the stronger teams. The Stambaugh eleven is lighter than the Red and White squad, averaging 145 pounds, but it is lightning fast, and in T. Vanzo and G. Youngren, both halfbacks, the team has two stars that would be a credit to any university eleven. The Marquette team will rely upon the machine-like precision of its formations, its strong line and heavy, heavily backfield. In today's game formations will undoubtedly be used principally, and many spectacular plays are looked for. The speed of the Stambaugh eleven, its skill in forward passes and its ability to gain on wide end runs, will make this team a dangerous opponent in the open style of play. However, the Marquette team is also at its best in this offense, and with its numerous formations and even greater skill in the forward pass than Stambaugh, it appears to have the advantage.

Last Game for Marquette.

Seven of the members of the Marquette team will graduate this year, and after the practice on Thursday expressed their grim determination to win this game, as it will probably be the last time they will ever play together.

A game with any of the lower Michigan schools this year now seems a very remote possibility. In answer to Marquette's requests for a game, Muskegon High wrote that its schedule was filled, Jackson High said that it had Thanksgiving open, but the principal of the school objected to a game on this date, and Bay City Western High promises a definite answer in a short time. Detroit Central declined a game, intimating that Marquette is no stronger than the Soo team of two years ago, which Detroit defeated by the score of 49 to 0. With only Bay City and Grand Rapids to be heard from, the Red and White has given up all hopes for a game with a lower Michigan school, and regards today's game as the last one of their schedule.

Menominee's Position.

As far as Menominee is concerned Coach E. L. Dersnah, of the Stambaugh team, stated that this eleven has apparently been side-stepping both Stambaugh and Marquette. Several efforts of the Stambaugh team to arrange a game with Menominee, said Coach Dersnah, were ignored altogether, and a reply was finally received that it would meet the winner of the Stambaugh-Marquette game. Both Superintendent H. W. Armstrong and Coach Dersnah, of Stambaugh, expressed their opinions that Marquette had the right of claiming to meet the better team between Stambaugh and Menominee, by reason of its record and location, and that the winner of today's game would logically be entitled to represent the upper peninsula in a game with a school below the straits, if such could be arranged, regardless of Menominee.

In today's conflict the teams will line up as follows:

Stambaugh—Vanzo, right half; Peterson, fullback; Youngren, left half; Looney, quarter; LeClair, right end; Monroe, right tackle; Campbell, right guard; Anderson, center; Matson, left guard; Moratti, left tackle; Corbett, left end.

Marquette—St. John, right half; W. Morrison, fullback; L. Morrison, left half; Gustafson, quarter; Lyons, right end; Daniels, right tackle; A. Johnson, right guard; Mallin, center; M. Johnson, left guard; Sonnenberg, left tackle; Pendill, left end.

Officials—W. H. Norman, of Ishpeming, Referee; W. Gant, of Ishpeming, Umpire; Edw. Wongon, Head Linesman.

ROUGH PLAY ABOLISHED.

Many Changes in Basketball Rules Effective This Year.

As a result of changes in the rules for basketball, which are being noted with interest by Marquette county players, it is expected that the game will be much more enjoyable for the spectators, as well as the players, than it has been in the past.

The principal purpose of the changes is to lead the players "to play the ball and not the man." New rules regarding blocking, holding and charging are provided, and the attention of the officials is especially directed to the penalties for their violation.

The rules have been adopted by the Young Men's Christian association, Amateur Athletic union and National Collegiate Athletic association, so that this year, for the first time, all games will be played under the same code. In former years there were two sets of rules and the styles of game permitted under them were vastly different.

One of the most important changes permits a shot for goal after a dribble. Another provides that on a free trial for goal players will be allowed to enter the free throw lane as soon as the ball hits the basket, or background. This is expected to be an improvement over both sets of old rules, as the time for entering the lane is fixed definitely. When the referee awards the ball to a player out of bounds an opponent is not allowed to touch it and delay play long enough for his men to "cover" op-

PAROLES FOR THREE.

Prisoners from Delta and Menominee Counties Will be Released.

The assembly exercises Friday morning were more than usually interesting. The address was given by Mr. John Tracy, of Marquette, and, although coming from a layman, was an exceptionally good educational address. Mr. Tracy spoke to the students and faculty upon "The Responsibilities of Education." His remarks were thoroughly enjoyed by everyone and contained many thoughts which were profitable to his hearers.

Preparations are now being made for the basketball games between the Junior and Senior classes. This year the men as well as the women will play. The teams will be, trained by Miss Grace Stanford and Professors McIntock and Stull.

Friday morning several of the students from the Social School, under the direction of Miss Lintner, gave a program at the opening exercises at the High school. The program follows:

- "Until the Dawn"..... Parks Harold Hallam, Langan, Ford, Annie Toupin, Lucilean Boreson.
 - "Will-o-the-Wisp".....Sprosa Ella Blomgren.
 - "Legends".....Mohring-Parks Male Quartette.
 - "I Hear a Thrush at Eve".....Cadman Miss Sophia Lintner.
 - "Last Night".....Kjorulf-Parks Male Quartette with solo by Ella Blomgren.
- Each number was encored.

At a meeting of the Oairs society Monday, the following program was rendered:

- Piano Duet—Miss Viola Williams, Miss Carlson.
- Reading—"The Kentucky Watermelon"—Jeanette Van Allen.
- Current Events—Miss Guder.
- School News—Mr. F. H. Fidler.
- Vocal Solo—Miss Wheatly.
- Reading—"Our Journey Through Geneva and Rome" (Mark Twain)—Marie Michels.
- Five Minute Talk—Hannah Cummings.
- Debate, "Resolved That Military Training Should Be Introduced in the Public Schools."
- Affirmative—Harry Rigg and Lydia Olson.
- Negative—Walter McKie and Jennie Kullar.
- Violin Solo—Harry Bottrell.

The Stambaugh High school football squad, accompanied by Superintendent H. A. Armstrong, spent yesterday afternoon at the Normal school in looking over the buildings and grounds.

The first of the Friday night social evenings was held in the gymnasium last night. The affair, which was informal, was attended by over 900, including students and members of the faculty. The program of informal jollity included a number of class songs by groups of students, and the evening ended with dancing.
