

RUSSIANS TO ASK PEACE PARLEY

HALT WORK OF FOOD GAMBLERS VROOMAN ASKS

Assistant Secretary of Agriculture Says Lobby of 'Unpatriotic Men' Is Working to Defeat War Measures.

ARE ALLIES OF KAISER

Washington, May 11.—Sensational charges that a lobby of "food gamblers," some of them men of immense wealth, already is at work in Washington, seeking to defeat the administration's food control bills, were made tonight in a formal statement by the Assistant Secretary Vrooman, of the Department of Agriculture.

DENOUNCES FOOD LOBBYISTS.

"Never in the history of the world have businessmen shown as much patriotism and usefulness as has been manifested since the war began by the businessmen of America.

WORKING IN WASHINGTON.

"I am told that some of these men are actually in Washington today, conducting a lobby against the request of President Wilson that congress empower him and his cabinet to take the necessary means to mobilize the agricultural resources of this nation for victory.

JUDGE OF PROBATE E. P. LOTT, OF IRON COUNTY, IS DEAD

Iron River, Mich., May 11.—Edward P. Lott, judge of probate of Iron county, died here today of pulmonary hemorrhage, aged seventy-four years.

COAL MINERS AND OPERATORS REACH PEACE AGREEMENT

Washington, May 11.—A tentative basis of agreement for averting a threatened strike of coal miners in the central Pennsylvania district was reached at a conference of representatives of both sides tonight, with Secretary Wilson of the labor department.

HEAR PROTESTS ON SECTIONS OF WAR TAX BILL

Representatives of many Industries Say taxation Will Ruin Them

Washington, May 11.—While the house debate on the \$1,800,000,000 war tax bill was getting under way today the senate finance committee heard violent protests from big and little interests on which the new war levies would fall.

FORDNEY CALLS IT EQUITABLE.

Representative Fordney, of Michigan, ranking Republican on the ways and means committee, made a four hour speech for the measure.

WOULD EVADE THE LAW.

"There is no law in this country or any other," he said, "that compels a corporation to pay dividends. The minute you have taxed the corporations to a point where they see you are about to confiscate their property, they will pass to surplus their earnings instead of paying it into dividends.

AMERICAN MISSION TO RUSSIA NAMED

Headed by Elihu Root, Illustrous Citizens Are Given Place on Wilson's War Commission

Washington, May 11.—Official announcement today of the personnel of the American mission to Russia marked a forward step in President Wilson's efforts to thwart Germany's intrigues for a separate peace with the new democracy, and to hold the provisional government fast to the cause of the world against Prussian autocracy.

ROOT HEADS COMMISSION.

The personnel of the commission follows: Elihu Root, of New York, chairman; Charles R. Crane, of Illinois, Chicago Manufacturers and Business Men's association; John R. Mott, secretary of International Committee of the Y. M. C. A.; Curtis McCormick, president of the International Harvester company; Samuel R. Bertram, banker, of New York; James Dunlop, vice president American Federation of Labor; Charles Edward Russell, of New York, editor and Socialist; Major General Hugh H. Scott, chief of staff, U. S. A.; Rear Admiral James H. Glennon, U. S. N.

San Antonio, Tex., May 11.—Under orders received yesterday afternoon from the war department, army boards will be named today in the southern department to select camp sites for six divisions of troops, to be trained in this district.

LASHED TO FURY GERMANS FIGHT TO HOLD ALLIES

Commanders Expend Man-Power by Thousands in Bitter but Ineffective Attempts to Retake Positions.

ENTENTE LINE HOLDS FIRM

(BULLETIN) LONDON, May 11, 9:49 p. m.—The Germans, returning to the attack today against the new British positions south of the Souchez river, forced the British to give ground and withdraw from a portion of the front, says the British official communication issued tonight.

(BULLETIN)

LONDON, May 11, 10:28 p. m.—The war office announces that the voluntary recruiting age will soon be extended to men of fifty years of age, both single and married. The announcement expresses the hope that those who come forward will be ready and willing to serve without delay when called upon.

(Associated Press War Summary.)

Bitter attacks by the troops of Crown Prince Rupprecht and the German crown prince are being made against the positions vital to the defenses of Lens and Laon, held by the British and French. Field Marshal Haig and General Nivelle are holding their recent gains and throwing back the attacking Germans with heavy losses.

WARN AGAINST STRIKES.

London, May 11, 9:25 p. m.—The government tonight issued a grave warning to munition workers, saying that it cannot permit strikes to continue and aggravate the delay in the production of munitions.

CROWN PRINCE WASTES MEN.

Around Cerny-en-Laonnois, on the plateau overlooking the Ailette river, and only nine miles south of Laon, an important link in the Germans' defensive system in France, the German crown prince is expending his man power freely, but ineffectively, in an attempt to regain lost ground.

PROPOSED BLOCKADE OF U-BOAT BASE.

It was stated by some traders tonight that there was no way of estimating the effect of the order on trades existing. The amount of wheat on this market was said to be 180,000 bushels on Saturday, and that probably the amount now here was short of those figures.

THE WEATHER

SATURDAY, MAY 12.

Marquette and vicinity: Fair.

Upper Peninsula: Fair Saturday; Sunday fair; warmer western portion.

ENTENTE WILL CENTRALIZE ALL BUYING POWER

England, France, and Italy Agree Not to Compete in Buying War Supplies

Washington, May 11.—An international agreement, under which there will be placed in the hands of a small commission, possibly of one man, the purchasing power of virtually every dollar of the billions to be lent the allies by this government, and the additional billions which they will spend in this country out of their own income, is at present in progress of formulation.

TO ELIMINATE COMPETITION.

Discussion of the proposed agreement has reached a stage where the chief beneficiaries of the huge American loan have agreed that it would be to the best interests of all concerned to eliminate absolutely competition among themselves for American products, and have signified their readiness to pledge themselves to do so.

QUZZED BY U. S. OFFICIALS.

It was admitted that a number of board of trade members had been summoned to the federal district attorney's office in the morning, and others again in the afternoon, but it was said no threats had been made or intimated. It also was admitted that government agents had been in the trading pit of the board for several days taking notes.

HYSTERIA CAUSES STAMPEDE.

"The recent hysteria from the food situation has caused a stampede of consumers in every direction, and even the leading governments of Europe seem to have become fearful as to their future requirements. The largest buyers of wheat, for present and future delivery at this time, in this market, are the governments of Europe, not speculators.

SAY INCREASE IS IMPERATIVE.

Since the hearings opened Monday the carriers of the East, South and West have presented a great mass of evidence calculated to show that the need for the increase is imperative if the companies are to meet the rising cost of labor, material and other necessities.

DENY EXISTENCE OF ANARCHISTIC PLOTS IN RUSSIAN STRIKES

Petrograd, May 11, via London, 10:16 p. m.—M. C. Pcheide, president of the council of soldiers' and workmen's delegates, after an investigation, declares that all rumors of anarchy, the proclamation of an autonomous unit for strikes in powder works in the Schusselburg district, are absolutely unfounded.

BOARD OF TRADE HALTS TRADING IN MAY WHEAT

Board of Directors of Chicago Trading Mart Take Drastic Steps to Prevent Possible Panic.

HINT GOVERNMENT ACTION

Chicago, May 11.—Trading in May wheat was ordered discontinued at a meeting of the board of directors of the Chicago Board of Trade tonight. The directors also decided that the existing contracts should be adjusted, either by delivery of the property, or at a selling price to be fixed by a committee appointed for the purpose.

WHEAT TRADING HALTED.

"About the board of trade offices, a number of which remained open long after the directors had adjourned, it was current that action by the federal authorities in the last few days, and particularly early in the day, had hastened the action of the board of directors. None of those at the meeting would confirm or deny that it had been intimated to board officials that some action to curb soaring prices of wheat should be taken, or government officials would close the board.

WHEAT TRADING HALTED.

"The board of directors were prompted in reaching their conclusion by what they deemed to be their patriotic duty to the country in this hour of national stress," said Joseph P. Griffin, president of the Board of Trade. "True this action is without precedent in the history of this exchange, although other exchanges in this country have taken similar action.

WESTERN ROADS CLOSE THEIR CASE

Insist on 15 Per Cent Increase to Meet High Cost of Labor and Materials.

Washington, May 11.—The western roads today closed their case in the hearings before the Interstate Commerce Commission on a proposed country-wide increase of 15 per cent in all freight rates, and a recess was taken until May 23, when shippers and others will present their side of the question.

WESTERN ROADS CLOSE THEIR CASE

GREAT BANQUET TO MEMBERS OF WAR MISSIONS

Most Brilliant Affair in American History Given in New York

New York, May 11.—One of the most brilliant banquets in the history of America was given here tonight in honor of the British and French war missions to the United States.

ALLIES' FLAGS ON DISPLAY.

Stretched across one end of the banquet hall was a great curtain of horizon blue. In the center was the American flag, flanked by the colors of France and England, and with the flags of the ten other allies surrounding them.

WHAT PROGRAM INCLUDES.

First—To convene a conference of Socialist Internationalists. Second—To invite to attend the conference representatives of all parties and factions of the International Proletariat agreeing with the council of soldiers' and workmen's delegates' appeal to the peoples of the world.

MEET IN NEUTRAL COUNTRY.

Sixth—The peace conference is to take place in a neutral country. Seventh—Recognizing, as a necessary condition that free passage be accorded to all parties and factions without distinction, the council requests that all parties in said country demand from their governments free passage for their delegates.

BRAND BORGBJERG'S MISSION.

Copenhagen, May 11, via London, 9:19 p. m.—The last trappings have been stripped from Borgbjerg's peace embassy to Petrograd by the Associated Press dispatch from Berlin, stating that Borgbjerg carried no authorization nor instructions from the German Socialists and that the peace conditions outlined by him were merely his voluntary interpretation of Socialist proposals.

BRAND BORGBJERG'S MISSION.

Copenhagen, May 11, via London, 9:19 p. m.—The last trappings have been stripped from Borgbjerg's peace embassy to Petrograd by the Associated Press dispatch from Berlin, stating that Borgbjerg carried no authorization nor instructions from the German Socialists and that the peace conditions outlined by him were merely his voluntary interpretation of Socialist proposals.

BRAND BORGBJERG'S MISSION.

Copenhagen, May 11, via London, 9:19 p. m.—The last trappings have been stripped from Borgbjerg's peace embassy to Petrograd by the Associated Press dispatch from Berlin, stating that Borgbjerg carried no authorization nor instructions from the German Socialists and that the peace conditions outlined by him were merely his voluntary interpretation of Socialist proposals.

SOLDIERS AND WORKMEN ASK WORLD'S HELP

Will Publish Appeal to People of World Asking That Conference Be Held in Neutral Country.

WILL JOIN THE SOCIALISTS

Petrograd, May 10, via London, May 11, 6:32 p. m.—An appeal to the peoples of the world, concerning the calling of a peace conference in a neutral country, will be published immediately by the council of soldiers' and workmen's delegates, according to a resolution adopted at a meeting yesterday of the executive committee of the council.

WILL JOIN THE SOCIALISTS

It was resolved to call a conference on the Socialist Internationale, and to invite to the conference representatives of all parties agreeing with the council's appeal. The resolutions adopted by the executive committee include:

WHAT PROGRAM INCLUDES.

First—To convene a conference of Socialist Internationalists. Second—To invite to attend the conference representatives of all parties and factions of the International Proletariat agreeing with the council of soldiers' and workmen's delegates' appeal to the peoples of the world.

American and British naval experts in conference at Washington have been discussing various means of ending the submarine menace by attacking the source. One proposal considered, is the possibility of bottling up the narrow strait between Sweden and Denmark, another is the mining of the entire North Sea, which would shut off entirely, trade with Holland, Denmark and Sweden, and the third, the storming of the German naval base at Kiel by a tremendously powerful fleet composed of British, American, French and Italian war vessels.

STRIKE OF TUG, DREDGE AND SCOWMEN ON THE LAKES IS THREATENED

Duluth, Minn., May 11.—The matter of working hours per day has caused a split between dredge owners and their tugmen and dredge and scowmen. The men want eight hours a day and more pay, while the owners are holding out for ten hours. The previous schedule was twelve hours per day. In Duluth about 100 men are out, but as the strike extends all along the lakes, it is estimated that 1,500 men are affected.

THE DAILY MINING JOURNAL

A MORNING PAPER PUBLISHED BY The Mining Journal Company, Limited.

Subscription rates: Per year, by mail, \$8.00; Per month, by carrier, .60

Entered as mail matter of the second class in the postoffice at Marquette, Mich.

SATURDAY, MAY 12, 1917.

DO IT NOW.

Lieutenant McNeal, in charge of recruiting for the upper peninsula, is informed that the quota of men for the regular army for this district is 1,000, of whom but a little over 400 have been raised.

THE REVENUE BILL.

With the introduction of the government's \$1,800,000,000 revenue bill in the house comes the beginning of an acrimonious debate that will continue until the measure is finally out of the way in house and senate.

State Press

Another way to reach Kingdom Come quickly is to travel on an English hospital ship that meets a German U-boat.

Rattlesnake bit a Pennsylvania man in the elbow. Like everything else, apparently snake bites are higher than usual this year.

The neutral nations indignantly deny buying our food to sell to Germany, as they merely buy ours for their own use, and sell their own to Germany.

If Russia is having all this trouble as a democracy now we can imagine what things will be like when it comes to the election of aldermen and constables.

The Kansas legislature has a bill before it enabling losers at poker to recover their money. This must have been thought up by the school boy we once knew who didn't want to play marbles "for keeps."

Army examiners undertake to tell whether applicants for commissions are well-read by testing their ability to spell. Strangely enough, some of our most profound readers and thinkers are shaky in their orthography.

The county agents' meeting at Lansing brought the intelligence that farmers are "laying down" on the potato raising proposition, and we may yet be obliged to fall back on the Irish men and women owning little garden spots.

Timely Quips

Hurry.

With a few more prisoners taken by the Allies, Germany will be asking the United States to hurry up with the food supply.

Thoughtful.

Who would have thought the war could go as far as this without Cap'n Hobson getting into the limelight?

Confidence.

Inventors appear confident of their ability to send the submarine along with the Zepplin to the museum of military curiosities.

Votes.

It seems impossible for some members of congress to realize that the people are a whole lot more interested in their votes than in their orally expressed reasons for casting them.

Editorial Opinion

Don't Overdo It.

We can overdo our patriotic campaign for economy, as we can overdo anything else.

Americans are not only lavish. We are culpably wasteful. The campaign against extravagance needed no inducement from war necessity.

But if we attempt an indiscriminate and sudden curtailment of our expenditures we are likely to do more harm than good. Commerce, industry and production make up a complicated and delicately related organism.

Our entrance into the war is going to compel drastic readjustments. But it is important that we should try to make them as gradual as they can be.

The board of athletic control of the University of Minnesota this week voted to cancel the football schedule for this year and, also, all meets and games after a track meet scheduled for today with the University of Nebraska.

The patriotic and loyal behavior of Americans of German birth, or German parentage, is a great disappointment to Germany, which, apparently, took seriously the predictions of a few hot heads that the declaration of war by the United States would have as an immediate sequel serious disturbances and manifestations of sympathy for the Fatherland from these citizens.

The English, when confronted by a more unexpected and serious situation than ours, were wise enough to adopt the motto of "Business as usual."

Germany should ever have expected anything else, once this war was involved, serves again to illustrate her utter inability to estimate correctly how events will react on peoples outside of her own boundaries.

Homer A. Guck, vice president of the Mining Gazette company, and editor of the Houghton Gazette, has gone to Fort Sheridan to take final examination for admittance to the camp.

America's Aid in Shipping.

Recent gains of German submarines in sinking British shipping only emphasize the importance of the role of the United States on the sea. The American merchant marine has thus far suffered few losses in the barred zones, and this fact is not due to the withdrawal of American ships from the European trade.

But our aid to our allies must be multiplied several times before it will become a formidable factor in breaking down Germany's U-boat offensive.

The more of the German ships that can be pressed into service at an early day the better. Their utilization would go far toward filling the gap that must intervene before substantial results from the government's new building program can be realized.

It will be easy for the American people to misconstrue the significance of the political and governmental ebullitions in Berlin.

The unrest may be pregnant of great events for the future, may be the beginning of a governmental break-up; but at this time there is nothing in the dispatches which warrants such an assumption.

The late Mrs. Richards was twenty-nine years of age and the daughter of John Green, of Hancock, She is survived by her husband, four children, father, three brothers, William, of Hancock, Daniel, of Detroit, and James, of Utah.

The dwelling and two small barns of Matt Wesala, at Concord City, a location near the New Arcadian mine, were destroyed by fire at 11 o'clock yesterday morning.

The fire is believed to have started from a defective chimney. There is no water supply for fire fighting at Concord City and the only thing that could be done to prevent a spread of the flames was the formation of a bucket brigade.

Copper Country

GUIDES RETURN FROM ISLE ROYALE

"Ping" Foster and Paul Opitz Complete Observation Work for Major Oates.

William H. "Ping" Foster, the noted copper country guide and trapper, and Paul Opitz, of Munising, who spent the winter on Isle Royale on a commission for State Game Warden Oates, returned to Laurium yesterday morning.

They left Laurium November 27 and went to Isle Royale by way of Duluth, Canadian mainland, twenty miles north of the island. This party suffered severely, because their stock of vegetables froze. Foster and Opitz frequently had to supply them with food.

The two trappers were sent to the island by Major Oates to observe conditions on the state's game preserve on the island, particularly to investigate suspected winter poaching from the mainland. They have not made public their findings. Their report already has gone to Lansing.

Finn Jollification Over Russian Revolution to be Divided.

An important announcement to the Finns of the county was made yesterday morning by the Hancock committee in charge of plans for the big demonstration to take place at the Amphidrome May 7, which will mark the overthrow of autocracy in Russia.

The announcement is that there will be two demonstrations, one in Houghton for the south end of the county and the other at Calumet for the Finnish people of that district.

This arrangement is the reverse of the previous plan, which provided for one big demonstration celebrating the Finnish population in Houghton county.

The make-up of the program for this end of the county is in the hands of a competent committee and its completion is looked for early next week.

One of the big features of the meeting will be the parade through Hancock to Houghton in which every Finnish organization in this end of the district will participate.

Mrs. Richards Dies Suddenly. Hancock Matron Walking Around Few Minutes Before Expiring.

Mrs. Arthur Richards passed away suddenly at her home in Hancock Thursday night. The deceased had been ill for a week, but her condition was not considered alarming.

The alumni committee, in charge of organizing the battalion, has sent to all alumni, 300 in all, in the upper peninsula, the following circular letter:

The Alumni association, at its annual dinner recently, went on record as being not only willing but confident of its ability to raise two companies of engineers to fill out the battalion.

No company of engineers can be recruited until the officers have been named, examined and accepted. We have done this much and have gone further in that we have secured enough applications to fill all of the offices once over.

The next consideration is the make-up of the balance of the organization and, for your information, we have attached a copy of the regulations from the war department outlining the members desired and the preferred occupations from which they should be chosen.

If each alumnus will send us one man as specified we shall have these two companies filled before the month is up. To assist in getting members outside of the copper country, we can assure you prompt employment for each man forwarded to us, thereby insuring him against loss of time during the period while the formalities of mustering are being put through the regular channels.

Special qualifications for members of an engineer company: Topographical surveyors and sketchers, at least two of whom should be good instrument men; 2; draftsmen, topographical and mechanical; 3; photographers and cinematographers; 4; quaternions, skilled in explosives; 6; miners; 5; skilled carpenters; 4; bridge carpenters; 16; blacksmiths; 4; plumbers and pipefitters; 2; electricians; 6; engineers, steam; 2; engine-men, gas; 2; firemen; 2; machinists; 2; masons; 2; caulkers; 2; riggers; 2; expert axemen; 8; boatmen; 2; horse-shoer; 1; farrier; 1; teamsters; 1; packers; 2; teamsters; 10; saddlers; 2; cooks; 2; assistant-cooks; 2; clerks; 2; musicians; 2; signalmen, as required by army regulations; 2; total, 169.

COPPERDOM MEETS NATION'S DEMANDS

Supplies All Men Necessary as Its Quota to Infantry—Now Raising Engineers' Battalion.

Company G, the copper country's infantry company, is now at full strength. All other demands thus far made by the nation upon the copper country have been met.

"We can give the United States one of the finest organizations in the service," he said, "if the copper country gets back of it with the copper country spirit. I have never seen a copper country organization yet that was not the equal and generally the superior of any in its class. This can be true of the engineers. This district has the very finest material for an engineers' battalion."

FOR SALE—Well established business. 16 years in operation and making good money. Retail stock, fixtures, horses for sale. Will also sell building. Failing health reason for selling. Frank Hauser, Marquette, Mich. 5-12-17.

Was witnessed by an immense crowd, which began to gather near the special sleeper, spotted near the Armory, an hour before the train left. There were no distressing scenes. The parents and brothers and sisters of many of the young soldiers were present but they seemed to realize that the boys were leaving in response to the call of duty and that it was not an occasion for sorrow but rather one for rejoicing over the fact that they have sons to lend to their country.

The little town of Greenland in Ontonagon county played a star part in getting up this bunch of recruits. It contributed fourteen of them and was of material assistance in getting nine from Ontonagon. Justice H. N. Gillet, of Greenland, who from the first took a patriotic interest in the recruiting, accompanied the Ontonagon county delegation to Houghton yesterday morning.

It is learned that Justice Gillet was misjudged because of his disinterested patriotic activity. Some Greenland people heard that the postmasters get \$3 for each recruit secured and thought that Justice Gillet was working with only a selfish end. These judges should know that the \$5 paid postmasters for recruits apply only to recruits for the regular services. These recruits are for the Michigan National Guard, which organization pays no fees for recruiting. This explanation is made in justice to Mr. Gillet.

Greenland's Contribution. The little town of Greenland in Ontonagon county played a star part in getting up this bunch of recruits. It contributed fourteen of them and was of material assistance in getting nine from Ontonagon.

Justice H. N. Gillet, of Greenland, who from the first took a patriotic interest in the recruiting, accompanied the Ontonagon county delegation to Houghton yesterday morning.

These judges should know that the \$5 paid postmasters for recruits apply only to recruits for the regular services. These recruits are for the Michigan National Guard, which organization pays no fees for recruiting. This explanation is made in justice to Mr. Gillet.

Greenland gave the Ontonagon county boys a farewell dance Thursday night. The receipts from this dance after all expenses and the railroad fare of the recruits to Houghton had been deducted, amounted to \$99. This sum Mr. Gillet turned over to Lieutenant Lamb yesterday.

The Company Mess Fund. A side issue in the recruiting campaign was the subject of a side issue in the recruiting campaign.

The departure of Company G's recruits from the recruiting campaign was the subject of a side issue in the recruiting campaign.

City Brevities

Miss Julia Miller has left for a visit
of a week or two with friends and rela-
tives in Duluth.

There will be a special meeting of the
M. F. D. in No. 1 fire hall at 8 o'clock
Monday evening.

The Patriotic Six will give a dancing
party at Bureau's hall tonight. Mrs.
Weedman's orchestra will furnish the
music.

Mrs. Fred S. Case arrived last night
from the Soo and will spend a few days
visiting with Mrs. George Webster, of
this city.

The funeral of William Dollar will be
held this morning from St. John's church
at 8 o'clock. Interment will be at Holy
Cross cemetery.

Word has been received in this city
that Hamill Forbes, a well known local
young man, is on the fighting line
"Somewhere in France."

The mixed quartette of the Normal
school will sing several selections at the
First Baptist church at both morning
and evening services tomorrow.

Captain MacLachlan, of Company M,
returned to this city yesterday from the
Soo, where he made a plea for recruits
at a patriotic rally Wednesday night.
Mrs. MacLachlan accompanied her hus-
band to this city.

Northern Queen Rebekah Lodge will
go to Ishpeming Monday night, May 14,
by special train, leaving at 6:30 o'clock.
Macebees wishing to attend the meet-
ing, that night or any one wishing to
spend the evening in Ishpeming, may
take this train.

Amiel Tomlin left yesterday for Tor-
onto, where he will take up work prelimi-
nary to entering the Canadian aviation
service. His first work will be in the
mechanical department and he will ad-
vance until he becomes a regular mem-
ber of the flying corps.

All the members of the Knights of
Pythias are asked to meet at 8:30 to-
morrow morning in the Pythian temple
to go to Munising to attend a fraternal
gathering of the lodges of Ishpeming,
Negaunee and Munising. The Marquette
Pythian band will accompany the party.
The train leaves the Southeastern depot
at 9 o'clock Sunday morning.

F. H. Vandenberg returned yesterday
from the Soo and Rudyard where he
purchased several carloads of hay for use
at his farm. Mr. Vandenberg states
that the talk of scarcity of hay is false
and that throughout Chippewa county
there is plenty of hay but because of
the car shortage it is nearly impossible
to move it. Mr. Vandenberg also pur-
chased a team of horses to keep up with
his extensive plans for an increased pro-
duction this year.

Mrs. Mary Campbell, aged 83, Gene-
see street, died yesterday morning. Mrs.
Campbell has been a resident of Mar-
quette for the past 26 years. She is
survived by three daughters and six
sons, Duncan, Malcolm and John, of Van-
couver, Archie, of the Soo and William
and David, of this city. The daughters
are, Mrs. W. J. Miller, Vancouver, Mrs.
J. A. Brown and Miss Mary Campbell,
of this city. The funeral will be held Sun-
day afternoon at 3 o'clock by the Rev.
E. M. Martinson. Interment will be
made in Park cemetery.

Was Enjoyable Affair—The dancing
party given last night by the Elks in
their hall was attended by the largest
crowd that has turned out to these af-
fairs his season, and was a decided suc-
cess. Refreshments were served during
intermission in Donekers' new ice-cream
parlor. Both the service and the lunch
were excellent. Mrs. Weedman's orches-
tra made a decided impression with a
program of music that "kept 'em step-
ping" every minute. The party is the
last to be given by the Elks this year.

IRENE FENWICK AND OWEN MOORE
in
"A GIRL LIKE THAT"
Famous Players-Paramount.

At the Opera House Today, Matinee and Night.

THEATRICAL.

At the Felt.

A five reel farce comedy, "His Father's Son," with Lionel Barrymore and Irene Fenwick taking the leading roles, will be the offering at the Felt today.

The story concerns a wealthy youth who takes up his father's wager that he can not keep a job for six months. The youth gets a job as butler in the home of a wealthy man, who is the youth's bitter enemy when it comes to collecting gems. Of course, there is a daughter in the house, and she knowing who the butler really is, falls in love with him. Complications come to a climax when the youth is accused of attempting to steal a precious gem. But things are finally straightened out to the satisfaction of everyone.

Opera House.

Irene Fenwick and Owen Moore will

be seen at the opera house today in "A Girl Like That."

Though there are many comic situations in "A Girl Like That" there is perhaps one of the biggest dramatic moments in this Famous Players-Paramount picture that has ever been flashed on the screen. It occurs when Irene Fenwick, in the role of a girl crook who has come to a small town in order to rob a bank, discovers that the dearly beloved father for whom she is doing this desperate deed has been killed by the very man who is urging her on to commit the robbery. She has come to love the man against whom the crime is to be perpetrated and she feels in her heart that she is playing the traitor to him—now she learns that it is for the benefit of the man who has taken her father from her!

Max Sennett will be seen in the first of the new Keystone comedies, "The Nick of Time Baby."

**EPISCOPAL DIOCESE
IN CONVENTION HERE**

Session Will Open Next Wednesday Morning at 10—May Elect Bishop Coadjutor.

The twenty-second annual convention of the diocese of Marquette, of the Protestant Episcopal church, will open in this city next Wednesday at 10 a. m., and will probably not conclude its sessions until Thursday or Friday. Delegates will assemble from the various Episcopal churches in the upper peninsula, which are comprised within the jurisdiction of this diocese. Besides the clergy, there will be three laymen from each parish and one from each mission.

The most important business to come before the convention this year is the question of whether the diocese shall elect a bishop coadjutor to relieve Bishop Williams of a portion of his work. The latter has requested that such an election be held at this time, and has signified his willingness to relinquish practically all of his jurisdiction to such coadjutor bishop, should one be elected. The first question to be determined at the coming meeting of Episcopal churchmen is whether sufficient financial support for another bishop can be guaranteed. If the problem of support can be met satisfactorily, the convention will undoubtedly proceed to an election. A number of prominent clergymen outside the diocese have been mentioned for the post. It is not likely that any of the diocesan clergy will be nominated.

The Rt. Rev. John N. McCormick, D. D., of Grand Rapids, bishop of the diocese of western Michigan, will be the guest of the convention, and will conduct a large class at the Wednesday evening service. Dr. McCormick is chairman of the state board of corrections and charities. He has spoken several times before Marquette audiences, and is remembered as an interesting and very forceful speaker.

BELL-ANS
Absolutely Removes
Indigestion. One package
proves it. 25c at all druggists.

At the Churches

Methodist Episcopal.

"Mothers Day" and "Patriot's Day" will be observed at the morning and evening services respectively. At the morning service the pastor will preach on the subject "Breaking Home Ties." According to the usual custom the mothers will be presented with flowers at the door. Hymns expressive of maternal care and affection will be sung. At the evening service the pastor will preach the second of a series of sermons on "Lest We Forget Our Allied Nations and Armies," on the subject "Lest We Forget, Fighting France." The French tricolor will be displayed and Miss Letitia Vanchoesting will sing, "La Marseillaise," in French. The church choir will sing and the Harmony orchestra will play.

The other sermons in this series of patriotic sermons are: "Lest We Forget, Britannia's Bravery," "Lest We Forget, Indomitable Italy," "Lest We Forget, Germany's Worst Foe," "Lest We Forget, America's Ideals." The Sunday school will meet at 9:45, topic for study, "Jesus the Vine." The adult Bible class will meet at 10:30 and be addressed by Dr. A. K. Bennett, of the city health department. The Epworth League will celebrate the league anniversary at the devotional service at 6:45 p. m.

Next Tuesday evening the Rev. C. B. Allen, of Detroit, and the Rev. E. C. Clemans, of Duluth, will address the church and public on matters of vital interest. Lovers of home and country will profit by attending these services. The Rev. Dr. Charles J. Johnson.

First Baptist.

Sunday school at 9:45 and the International lesson is from John 15, "Jesus the True Vine." Superintendent F. B. Spear is back from a trip to Florida. Pupils and teachers are invited to remain for the "Mothers Day" church services at 11 a. m. Plans will be presented to all the mothers who come to this service. The theme of the sermon will be "The Law of Thy Mother." A quartette from the Normal school, consisting of Miss Erditz, Miss Adkins, Mr. Claypool and Mr. Forsberg, will sing two anthems at this service, "Hark Hark My Soul" and "Glory to God." The young people will meet at the church at 10:30 for an afternoon service in charge of Group 3. The same group also has charge of the young peoples' devotional service at 6:30 o'clock. Evening worship at 7:30 with a sermon on "A Rod of Iron," and at this service the quartette will sing the anthem "Lead Me Gently Home." The midweek prayer service on Wednesday at 7:30 p. m. Friends and strangers will be welcome at all services. E. M. Martinson.

Swedish Lutheran.

Instead of the regular morning worship at 10 o'clock, there will be confirmation services. A class of twenty young people will be confirmed. There will be no Sunday school. Bible class at 6:45. Study topic: "The Greatest Grace." Evening services at 7:30. Subject of sermon: "Jesus Christ Our Hope for Eternity." Devotional services and prayer meeting Wednesday evening at 7:30.—Carl E. Lundgren, pastor.

St. Paul's Episcopal.

Children's service and Sunday school at 9:45 a. m. Morning prayer and sermon at 11; evening prayer and sermon, 7:30; confirmation instruction for juniors at 4:30 p. m. The last sermon of the series on Eternal Life will be preached at the evening service, the theme being "The Communion of Saints."

Swedish Methodist.

Morning worship at 10:30 o'clock, subject of sermon: "Behold Thy Mother." Sunday school at 12 o'clock. Epworth league prayer meeting at 7 o'clock. Evening service at 7:30, subject of sermon: "The Chastisement of the Lord." Wednesday evening prayer meeting at 7:45.—K. M. Wilkins, pastor.

German Lutheran.

Services will be held at 10 o'clock. The Rev. F. Weerts, of Milwaukee, Wis., superintendent of the Lutheran Home-finding Society for Children, will occupy the pulpit.—W. Roope, pastor.

First Church of Christ, Scientist.

Sunday school at 9:45 a. m.; Sunday lesson at 11 a. m., subject, "Adam, and Fallen Man."

Bigger and Better Ford Car Tires

GOODRICH

375 SIZE (31 X 3 1/4 INCHES) 375
BLACK SAFETY TREAD TIRES

THE balance line for the Ford car is drawn, and the sum total of its perfection struck with that new Goodrich tire, the bigger and better Ford car tire—Goodrich's "Three-Seventy-Five."

Of SUPER-SIZE and SUPER-STRENGTH it not only meets the INDIVIDUAL NEEDS of the Ford car, —but DOUBLES its VIRTUES.

New as today, it is nevertheless already familiarly known by the knowing as—

**Goodrich's
"Three-Seventy-Five"**

That's its size: Three and seventy-five hundredths inches in the cross section. And it's an inch bigger too in the circumference.

Its heroic size, however, is designed to fit 30-inch rims on Ford cars. It is made solely with the five-finger safety tread.

It costs but little more than ordinary tires at the outset; and the natter appearance and added comfort it gives your Ford car, and its own greater dollar ECONOMY, make it the better buy in the end.

BASEBALL

Detroit, May 11.—Pitcher Ruth, of Boston, scored his seventh straight victory by defeating Detroit today, 2 to 1. The visitors made the winning run in the eighth inning on singles by Gainer and Walker, and a sacrifice by Lewis. Detroit had a chance to tie the score in the ninth, but Cobb was caught in a double play when he tried to go from first to third on an infield out.

Score: R. H. E.
Boston . . . 100000010—2 10 3
Detroit . . . 000100000—1 5 0
Batteries: Ruth and Agnew; Mitchell, Cunningham and Spencer.

Cleveland, 4; Washington, 3.
Cleveland, May 11.—Cleveland again won from Washington today, 4 to 3. A base on balls and two fluke hits were followed by a double in the fourth and produced three runs, while a single, a steal and a single resulted in another in the seventh.

Score: R. H. E.
Washington . . . 00000003—3 7 0
Cleveland . . . 00030010—4 6 3
Batteries: Johnson and Ainsmith; Morton and O'Neil.

New York, 6; Chicago, 1.
Chicago, May 11.—Caldwell held Chicago to two hits today, while Danforth's wildness enabled New York to make it two straight from the locals, 6 to 1.

Score: R. H. E.
New York . . . 003001002—6 7 0
Chicago . . . 000000100—1 2 1
Batteries: Caldwell and Walters; Danforth, Wolfgang, Williams and Schalk.

Philadelphia, 1; St. Louis, 0.
St. Louis, May 11.—A wild throw and a wild pitch in the second inning were responsible for St. Louis' loss of today's game to Philadelphia, 1 to 0.

Score: R. H. E.
Philadelphia . . . 010000000—1 4 1
St. Louis . . . 000000000—0 4 4
Batteries: Bush and Meyer; Hamilton, Koob and Severoid, Gale.

National League.
Boston, 3; Pittsburgh, 2.
Boston, May 11.—Boston defeated Pittsburgh, 3 to 2, in ten innings today. With one out in the ninth, a double, a low throw to second, two passes and an infield out scored the winning run.

Score: R. H. E.
Pittsburgh . . . 0000000200—2 5 1
Boston . . . 0000110001—3 8 0
Batteries: Carlson, Jacobs and Fisher, Smith; Rudolph and Gowdy.

For Skin Blotches

There is one remedy that seldom fails to clear away all pimples, blotches and other skin eruptions and that makes the skin soft, clear and healthy.

Any druggist can supply you with zemo, which generally overcomes all skin diseases. Acne, eczema, itch, pimples, rashes, black heads in most cases give way to zemo. Frequently minor blemishes disappear overnight. Itching usually stops instantly. Zemo is a safe, antiseptic liquid, clean, easy to use and dependable. It costs only 25c; an extra large bottle, \$1.00. It will not stain, is not greasy or sticky and is positively safe for tender, sensitive skins.

STIRRING ADDRESSES HEARD BY BIG CROWD

J. W. Thompson and Sergeant Alborough Addressed Patriotic Rally Thursday.

The Butler theater was filled to the doors Thursday evening by Ishpeming and Negaunee residents who assembled to hear the addresses by J. W. Thompson, director of the food commission in Sault Ste. Marie, Ont., and Sergeant Alborough, who recently returned from the trenches.

The train that brought Messrs. Thompson and Alborough to the city was late, and as a result, the meeting was somewhat late in starting. Members of the Schubert chorus, who led in the singing of patriotic songs, occupied seats on the platform for the speakers, and W. P. Bolden, who presided. The Ishpeming City band furnished several selections prior to the opening of the meeting.

Mr. Bolden gave a brief, but interesting address, and was several times interrupted by applause. It was natural, he said, for the United States to be fighting with the allies for freedom and democracy, as there are many things they have in common.

Mr. Thompson and Sergeant Alborough were given an enthusiastic reception. Mr. Thompson said:

"I am sure I appreciate the friendly way in which you have received me tonight. I must tell you that I was billed to address you some ten days ago, but while I was on the way I was intercepted and held at Marquette. When I was in Marquette I was 'ploned by one of your estimable citizens, M. M. Duncan. He said to me: 'We must have somebody from Canada to tell what you have been doing.' I felt it was an appeal to us. I tried to get A. C. Boyce, but he had a previous engagement and could not come.

"When I was coming into your country this morning, the customs officer asked me what I had in my grip and I told him friendship and brotherly love, and he said, 'Oh, that is on the front list.' I wish to present you with friendship and brotherly love, with the compliments of Sault Ste. Marie, Ont. 'It is hard to decide how best to address you, but I must tell you that from a certain standpoint I came here with a selfish motive. While here to assist you, our motive is also to assist ourselves, if we possibly can.

Want American Wheat.

"Since the war broke out three years ago food has become scarce, and we have to open our border to get your wheat. 'One touch of nature makes the whole world kin.' When your country was torn with its great Civil war, our people supplied you with the wheat and grain that was necessary to feed your soldiers, but when the war was over and things went back to normal again you discovered that your own products were being shipped a proper market on account of the wheat and other supplies from our country being permitted to come in free of duty. Immediately your business men had a duty placed on our exports. It was the greatest thing you could ever have done for Canada, as we sent agents into the foreign countries to sell our goods, with the result that we soon had an excellent trade worked up. Now our country needs your help, and as a result the duty on wheat and other supplies coming into Canada from the United States has been removed.

"Food is the first line of defense and the last. Without it we cannot fight, or we cannot live. Out of the 8,000,000 population of Canada we have sent 400,000 men to the front; we have enlisted over 500,000 men, and my own district, which is No. 2, has given 91,000 men. About 20,000 of our men have been killed outright we have 20,000 in hospitals; 20,000 have been returned as invalids. We treat our soldiers well. They are the best paid in the world. We pay the largest separation allowance to the wives and children of soldiers. We pay the largest pensions in the world, and we thank God we are able to do it. Our last dollar, or last drop of blood, goes into this struggle to win.

Soo's Heavy Sacrifice.

"This war has not come home to you with the same directness as it has to us in Sault Ste. Marie. We have about 200 casualties, deaths of poor fellows who had enlisted. There are very few homes but are in mourning; mothers, wives and sisters have lost their relatives. We are proud of these women who hide their grief and go about helping to make socks, shirts, bandages and other necessities for our boys, who are engaged in battle with the Germans." Men proficient in mechanical lines, such as locomotive engineers, farmers, and others, are needed at home as much as they are at the front. Mr. Thompson said, to aid in producing large crops to feed the soldiers. Men who are in the habit of handling large bodies of men in offices or elsewhere should enlist, in order that they may aid the officers in taking proper care of the soldiers. War means universal service and universal sacrifice. It is everybody's fight; the men must fight; the boys must fight and the women, girls and children must do their bit.

The men and women of Ishpeming, as well as other American communities, did not, he said, fully realize the situation with regard to food. He declared that there are five or six nations in Europe whose people are nearly starving. Among these are Belgium, Poland, Montenegro, Serbia, Roumania and

MICHAEL BURKE WAS POPULAR MAN

Brother of Ishpeming Resident Passed Away Suddenly at Watertown, Wis.

The following account of the death of Michael Burke, of Watertown, Wis., brother of John T. Burke, of this city, and who had a number of friends and acquaintances here, is from the Watertown Gazette:

"Saturday night at 10 o'clock Michael J. Burke died suddenly at his home, 201 Washington street, of acute dilation of the heart. Mr. Burke had been in poor health of late, but complained little and but few knew of his ailment. A short time previous to his death he went to the Waukesha sanitarium to take treatment for blood pressure, and remained there but a few days, thinking lightly of his ailment. On Saturday with an assistant he made his usual deliveries for the Standard Oil company and shortly after 4 o'clock he and his assistant, Mr. Gruel, put up his wagon and horses at his barn in the rear of his home, and was apparently in good health. Suddenly, however, he was stricken with heart trouble and Dr. O'Connell and Ahelmann were called in and did all things possible to stay the hand of death, but to no purpose. At the same time medical aid was called, the Rev. Father Hennessey was sent for and prepared Mr. Burke for death.

"Deceased was born at Tamworth, Ontario, Canada, May 15, 1852, and with his parents came to Watertown fifty-three years ago, the family locating on a farm north of this city. In 1877 he married Miss Ella Dowling, daughter of the late William Dowling and wife of the town of Emmet. Shortly after their marriage they located in this city and even since made it their home.

"Mr. Burke represented the Third ward for several years as alderman in the city council to the credit of himself and his constituents, and was the first agent of the Standard Oil company in this city. A position he held for twenty-seven years up to the time of his death, to the great satisfaction of his employers and his patrons. He was a splendid type of man, a truly 'manly man' in every

particular, possessing a splendid physique, a great big heart and above all a disposition that was generous and kind, free of envy, malice or of any of the petty jealousies that so many people nowadays are possessed of. Mike Burke was a friend to every one, and we believe did not have an enemy in the world. He was particularly devoted to his wife and children and was never so happy as when catering to their wants and pleasures.

"As a citizen, he was all that was to be desired, taking an interest at all times in the welfare of Watertown and contributing in various ways to its prosperity. In his death this community has lost one of its very best men and citizens and all of us will miss him, particularly so his close neighbors who had a greater opportunity of knowing of his kind and noble heart.

"His wife and three children survive him, the latter being Richard Burke, of Plymouth, Wis., Miss Mary E. Burke, of Watertown, and Miss Nellie Burke, of Chicago. Two brothers also survive him, James Burke of this city and John T. Burke of Ishpeming, Mich. Mr. Burke's funeral was held from St. Bernard's church at 9 o'clock Tuesday morning, the Rev. Father Dunn, of Chicago, a cousin of Mr. Burke, officiating. The Rev. Father Hennessey giving the final prayers for the deceased. The interment was in St. Bernard's cemetery. A large number of relatives and friends attended the funeral, including members of the United Commercial Travelers, of which Mr. Burke was a member, and a large number of relatives and friends from Chicago, Milwaukee, Madison, Juneau, Clyman and other places.

"Among those who attended the funeral of Mr. Burke from abroad were James Ames and wife and two daughters, and Mr. Devine, of Milwaukee; Edward Usher, of Madison; John Burke, two sons and daughter of Ishpeming, Mich., and John Dowling, of Cudahy, Wis."

LIMITING POTATO ORDERS.

Potatoes are so scarce in Ishpeming that the merchants are now limiting orders to their patrons, one limiting most of his patrons to a peck at a time, except where they are positively assured that the potatoes will be used for planting. Seed potatoes are now selling at \$3.45 a bushel in the local stores. Mrs. L. A. Blair, of Champion, came to Ishpeming yesterday and sold ninety bushels of potatoes for \$300, a price she had no trouble whatever in getting. Mrs. Blair stated that with the sale of the ninety bushels her supply is practically exhausted.

Ishpeming Department

STIRRING ADDRESSES HEARD BY BIG CROWD

Continued from Page Six.

Greece. If the food that is today in the world was consumed as it is in normal times, and we only had what we have today, Mr. Thompson declared that the people of this country would be getting meal tickets, instead of going to the stores and purchasing what we desire.

The figures given out by the agricultural department at Washington are startling, he said. This year we will have 244,000,000 bushels of wheat less than we had last year. The report for April showed that the world supply of food cereals at that time was 150,000,000 bushels below what was required to feed it until August.

Interest in Food Problem.

"I have taken a great deal of interest in the food problem. I am chairman of the committee in my city, and I hope for good results. In our city we have had real estate booms. The real estate people secured the farms around the city, bought them for a low price and cut them up into building lots and sold them off at a good increase in price. These lots are owned by people from one part of the country to the other. We took these lots and listed them, found out who the owners were, got applicants for them, to plant vegetables, and wrote the owner as follows:

"Dear Sir: Lot so and so on such a street in such a sub-division, which you have been good enough to give to the patriotic committee for food production, has been allotted to Mr. so and so for which the committee thanks you."

The committee reserves the right, if they find the lot is not being properly cultivated by the applicant, to take it over and gather in the crops. We supply the applicants with potatoes; we do the plowing and we guarantee to supply them with cabbage plants, tomato plants and cauliflower. All things are sold at cost."

Much Food Thrown Away.

Speaking of the quantity of food that is wasted in the average home, Mr. Thompson said that on several occasions he has followed the garbage wagons to the incinerator plant and he was surprised at the vast amount of food that is thrown away. He declared that whole loaves of bread, potatoes, vegetables of various kinds, meats, etc., which could be used to good advantage were discarded. If the English soldiers confined in the German prisons were given this food they would be saved from starvation, he said.

Prisoners Starving in Germany.

"Some 40,000 prisoners are starving in Germany and we can do nothing to assist them, inasmuch as we are no longer permitted to send them food. Even if we did send them, we have no way of finding out if our men get it. The rations of these soldiers are a piece of black bread, four by eight inches in size in the morning, with a drink made from acorn juice in place of coffee. For lunch they receive a soup made of potatoes, turnips and a few particles of meat and in the evening a small square of cheese with a drink."

Great credit was due Ambassador Gerard, who, while stationed in Germany, did everything possible to secure a square deal for the prisoners, Mr. Thompson declared.

In speaking of the freedom enjoyed by the people of this country and England, as compared with Germany, Mr. Thompson used the schools as an example. He stated that when a German child becomes eight years of age it is no longer under control of its parents, but belongs to the government, and whether the child is bright or dull, sick or well, it is forced to take a certain course of study, followed by a very rigid examination. It is considered a great disgrace to fail in one of these examinations, and in one year 4,000 German children committed suicide rather than face the examination.

Sergeant Alborough, who told his hear-

ers that it was the first public talk he had ever given, gave a description of what the soldiers have to contend with. He spent eighteen months in the trenches, and he described several narrow escapes he had had. He was blown up three times, although in each instance he escaped serious injury. On one occasion two men with him, one standing on either side, were killed by a bomb, while he was rendered unconscious. He was carried from the battlefield and some time later he found himself tied to a stretcher in a hospital.

Fighting in the European war today is a pleasure compared with what it was when he went over with one of the first Canadian regiments, Mr. Alborough said. The Canadians' first victory was won on a bluff. They had only a few hundred men fighting, and some 5,000 Germans, most of whom were hiding in a forest, were shooting from ambush. The Canadians maneuvered in such a way as to make the Germans believe they had many soldiers and much ammunition back of them and that they were about to make a rush at any moment. This frightened the Germans off and they deserted their position. Mr. Alborough said that if they had advanced they would have wiped out every man in the Canadian regiment. Their wagons were filled with straw instead of ammunition and they had very little food.

Allies Now Organized.

During the past year the allies have become thoroughly organized and they are putting up a very different fight now than they were when they first entered the war. Ammunition, food and everything that is required is plentiful, while formerly the soldiers had very little to fight with, and they met with discouragement on every side.

Many green men were thrown into the trenches, Mr. Alborough said, and because of their inexperience they were of little use. Many of them would disobey orders of their superior officers, and, as a result, lost their lives without having an opportunity to fight.

One of the most perilous positions that the soldiers are placed in is in the erecting of barb wire obstructions, Mr. Alborough declared. This work has to be done during the night and the soldiers take their turns, working two hours at a time. One night while he was putting up wire, bullets were flying all around him and one cut the wire that he was holding about a foot from his hand.

Mr. Thompson and Mr. Alborough were guests of S. R. Elliott, superintendent of the Cleveland-Chiffs Iron company's properties while in the city. They left yesterday for their home in the Soo.

HAS FINE POSITION.

Former Ishpeming Man Now Treasurer of Big Manufacturing Company.

Al George, brother of Mrs. T. M. Trenberth of this city, has been made treasurer of the Hilker Manufacturing company of Racine, Wis. The old concern, the Hilker-Weicher Manufacturing company, was recently dissolved, the Hilker interests purchasing the Weicher interest.

Mr. George has been with the company for nearly eighteen years past, most of the time filling the position of cashier. He has now been made treasurer of the new concern. He has a larger stock interest in the new company than he held in the old concern. For ten or twelve years before taking a position with the Hilker-Weicher company he was in the employ of the American Express company in Racine. As a boy he worked for the American Express company here, leaving Ishpeming to take a position in the Racine office of the company.

The Hilker company manufactures overalls, boys' suits, mens' and boys' shirts, etc. The concern has a branch factory in Milwaukee and is employing several thousand hands in the two plants.

FOR SALE—2 plate glass top show cases; two 6 ft. long and one 4; mahogany fish; glass shelving; at bargain price. Also window fixture. Inquire M. P. Kirkish, 408 N. Maple St., City. 5-3-2w

HENRY KOLKER

THE ESTIMABLE STAGE STAR IN THE VITAL PLAY

"The Warning"

World—Five Reels

NOTE: "The Butcher Boy" is Mr. Arbuckle's first Paramount comedy and it is said to be great.

Matinee, 2:30-5 and 10c. Evening—10c and 15c. First show at 7 (new time)

SOME DANDY FEATURES booked for next week, see announcements Monday.

Worth His Weight in Laughs

"FATTY" ARBUCKLE, STAR IN PARAMOUNT-ARBUCKLE COMEDIES.

SUNDAY AT METHODIST CHURCH.

The men's class meetings will meet at 9 o'clock. At the 10:30 service the pastor will preach a Mother's Day sermon. The Sunday school session will be held at 2 p. m. The Epworth league service will be especially interesting. A Mother's Day program has been prepared, including some fine musical and literary numbers by the best Epworth league talent. The latter part of the meeting will be given over to the installation of the officers for the coming year. The pastor will have charge of the installation service. At the 7 o'clock service Chas. Burt will preach.

THEATRICAL.

The final episode of the Mutual serial, "Lass of the Lumberlands," with Helen Holmes, will be included in the program at the Ishpeming theater this afternoon and evening. This has proved one of the most popular serials ever shown here. The final chapter furnishes several pleasant surprises.

Miss Helen Holmes, the star, who is the world's most daring film actress, is now being shown in another serial, "The Railroad Raiders," the first chapter of which will be shown here on Saturday, June 23. Hank Mann, the popular comedian, will be seen today in a two-part Fox comedy, "Chased Into Love." There will also be other pictures, including the fifth Mutual Weekly and an episode of "The Secret Kingdom."

Big Show at Butler.

The Butler theater will today offer one of the most important picture bills ever shown in the house. It will include the five-part World feature, "The Warning," with Henry Kolker, the well known stage star, and other World players, also "The Butcher Boy," the two-part Paramount comedy, featuring "Fatty" Arbuckle. This is said to be the funniest picture Mr. Arbuckle has ever appeared in. Mr. Arbuckle is supported by an exceptional cast, including "Buster" Keaton, who made a name for himself in vaudeville before going into pictures, Al St. John, another well known comedian; William Jefferson, son of Joseph Jefferson, of "Rip Van Winkle" fame, and others.

Monday night's feature at the Butler will be "Little Lost Sister," a Selig production, with Bessie Eyton, Vivian Reed, Marion Warner, George Fawcett and other Selig stars.

The offering at the Ishpeming Monday night will be a six-part comedy, "Tillie's Punetured Romance," with Charley Chaplin, Mabel Normand and Marie Dressler.

ISHPEMING IN BRIEF.

The regular meeting of the local camp of the Royal Neighbors will be held Monday evening at 7:30 o'clock.

Rudolph Johnson has returned from the Michigan Agricultural college, where he has been a student the past year.

The Consolidated Fuel & Lumber company has just received a supply of commercial fertilizer for vegetables of all kinds.

R. T. Smith and family, who for many years resided at 155 Dawson street, have moved to their residence property at 315 Vine street.

The fire department was called out yesterday afternoon to extinguish a blaze in the roof of Altschwager's wagon and blacksmith shop, corner Division and Fourth streets.

Roy Matthews, manager of Sellwood & Co's dry goods store, who has been confined to his home for a week past with rheumatism, was able to be down to the store yesterday.

Members of the Women's guild of St. John's church are preparing to hold a bazaar in St. John's hall the week after

BOTH WORMS.

There will be useful and fancy articles for sale and supper and lunches will be served.

Thirty or more members of the Young Men's Christian association, who participated in the bowling tournament during the winter, attended a banquet Tuesday evening. E. J. Townsend, general secretary of the Y. M. C. A., was toastmaster, and several pleasing short talks were given. The bowlers decided to organize another league next season and conduct it along lines similar to the one just closed. Thomas Dyer is president of the league and Howard Beaglehole is secretary.

Sunkist Uniformly Good Oranges

Upper Peninsula

U. P. Does Its Part.

The upper peninsula has furnished one applicant to the officers' training camp at Fort Sheridan for every 4,000 people. Up to Wednesday night 114 applicants were examined and accepted by Lieutenant McNeal, chief examining officer for the upper peninsula. The call for officers for the first 500,000 soldiers to be raised was for 10,000 officers. If every state and district in the United States had responded to the call as did the upper peninsula 25,000 officers would now be ready for training camps. The ratio

throughout the United States, based on a population of 100,000,000, would be one officer for each 10,000 population. The upper peninsula has furnished one officer for each 4,000 population.

Ice Conditions Continue Bad. The history of navigation on the Great Lakes, especially in Whitefish Bay, and upper St. Mary's river in recent years has never recorded as serious or long standing trouble from ice as is being experienced right now. "Ice conditions have never been so serious as long as I can remember," said one marine man, whose service on the locks extends over many years. "It looks as though a passage was forced ten days too early." "We are not looking for the end of our

troubles, through the clearing of ice, for at least a week or ten days," said another. "The danger of sending boats through to Lake Superior can be judged from the fact that the second Pittsburgh fleet went out but returned because the ice was too heavy." Floating ice, six feet thick, caused endless trouble in the operation of lock gates. The ice is still heavy in the river below the rapids.

Second Escanaba Contingent.

Ten men have already announced their intention of applying for enlistment to go with the second contingent which, it is planned, will leave Escanaba to join the regular army on May 15. By Tuesday it is expected that the number accepted for enlistment will exceed that

GERMANS ADMIT BRITISH EFFICIENCY "GETS" MANY SUBS

Washington, May 11.—The increasing efficiency of the allies in submarine destruction is recognized in a speech by the German secretary of the navy, in the reichstag on May 10. Official accounts of the speech reaching here report the German secretary as saying that while the submarine warfare has achieved far greater results than was expected, a certain number of submarines had been lost as the result of improved means of destruction devised by the allies.

Another official telegram from the Berliner Tageblatt of May 9, complained bitterly of the obstructions being placed by the government on the progress of a commission for discussing the system of government.

of the first contingent. No Escanaba men were accepted for enlistment Thursday, but Charles McCauley, Jr., was rejected because of a physical defect. The eight men accepted for enlistment on Thursday included Francis S. Harris, of Gladstone; William Cote, Powers; Richard L. Bashaw and Harry E. Fonger, Marquette; two men from Munising and one from both Bessemer and Chicago. Privates Mahoney and Kirth are now working in Marquette to give preliminary examinations to those who apply for enlistment in the regular army. Another member of the recruiting force—Corporal Martin—is working in the region of Crystal Falls and Florence.

Council Appoints Officers.

The majority of city officers were reappointed by the city council for the ensuing year, and the remaining appointments will be cleaned up at the next meeting. Officers appointed are as follows: Robert D. Purvis, mayor pro tem; De. J. J. Griffiths, health officer; H. W. Runnels, city engineer; Frank Bassett, fire chief; George Barr, sanitary officer and meat inspector; Harold Campbell, driver hook and ladder wagon; John Turner, janitor city hall; Frank Parr, scavenger, and Sam Prior, caretaker garbage grounds. The council has been unable to agree on two members of the board of public works. The latest "dope" is that James Rye and Marshall N. Hunt may be reappointed to the board. Members of the Trades and Labor council attended the meeting and endorsed N. L. Beaudrie for member of the board. Others mentioned are Walter H. Dickson, William M. Snell and Dan McDougal. Other appointments to be made by the council are: Member police commission, member board of health, member cemetery board, caretaker of home house and night masters in the first and second districts.

The Baroness Sued Again.

E. A. Cunningham, of Milwaukee, who was employed by the Baroness Mae von Pallandt von Erle, has brought suit against the baroness, asking \$633 for services rendered. Mr. Cunningham has engaged John J. O'Hara, Menominee lawyer, as counsel in this case. According to Mr. O'Hara, the home of the baroness in Menominee, where the baroness was believed to have been staying, was called on the telephone and Jean, a brother of the baroness, answered the telephone and said that she was not there, but was at the Hotel Marinette. Mr. Cunningham and Sheriff Michael Hallen, of Marinette, shadowed the baroness and Miss Andrews from the Menominee home to the depot, and then tried to serve the summons on the train. At Marinette, it is alleged, Jean spoke to his sister through the closed door saying, "Mae, don't open this door for anyone." The railroad conductor and Pullman conductor were both called and tried to open the stateroom, but were not admitted, it is said. The detective and sheriff stayed on the train, and about a mile outside of Peshtigo, the summons was served by sliding the paper under the door of the stateroom, it was announced by Mr. Cunningham. The officials left the train at Oconto, and the baroness and Miss Andrews continued to Chicago. Mr. O'Hara holds that, according to the law, the summons will hold, as this was the "last known address." It is also reported that proceedings may be started against Jean Dugas for his interfering with the sheriff in serving the papers.

Markets

BREAK IN RUSSIAN EXCHANGE BRINGS ON INCREASED UNSETTLEMENT

New York, May 11.—High grade stocks, especially rails, were subject to renewed pressure in today's dull and speculative market, the selling being again attributed to impending uncertainties at home and abroad.

The feeling of unsettlement was heightened by another break in Russian exchange, rubels falling to the unprecedented level of 25 1/2, or about half their value in normal times. More gold to the amount of \$18,400,000 was received here for account of the British government, making a total of almost \$50,000,000 on the new movement. Call money was easy, but time accommodations were inclined to harden. Aside from the declines in rails, which ranged from one to two points in St. Paul, Reading, New York Central and Canadian Pacific, utilities were almost adversely affected.

BOSTON COPPERS.

Ishpeming, Mich., May 11.—Markets were very firm early, but a break in Russian exchange and a further advance in wheat caused some uneasiness in securities. Small liquidation in securities was noticeable and especially in the rail-

roads. The railroad stocks will not be in favor until they have been actually granted the increase in the rates and the new tariff is in effect. The weakness in the Russian exchange reflects lack of confidence in Russia staying in the war, together with a lack of demand for exchange. The copper metal reports continue very bullish and statements have been made that good sized orders have been booked for third quarter delivery at a price as high as 29 1/2 cents per pound. Practically no June or May copper is now offered. While the market may be up and down for a few days, we continue to believe the tendency of prices from this level will be decidedly upward. Greene Cananea sold exdivided \$2 today. Consolidated Coppermines on the curb was strong.—J. A. Minnear & Co.

Table of market prices for various commodities including wheat, corn, and other grains.

CHICAGO GRAINS.

Chicago, May 11.—Wheat closed unsettled today. May wheat opening, 318; closing, 318; July opening, 247 1/2; closing, 249 1/2; September opening, 208; closing, 217; July corn, closing, 147 1/2; September, 139 1/2; July oats closing, 60 1/2; September, 56 1/2.

Upper Peninsula

Puts Ban on the Girls.

"I want you to advise all the mothers of Escanaba that if they do not keep their daughters away from the ore docks and our military camp, the daughters will be promptly arrested and turned over to the chief of police," said Captain Oscar Falk. Continuing he said: "You may also state that this is a military order and must be recognized as such. I mean just what I say, so mothers who do not take sufficient interest in their daughters to keep them away from the soldiers will see fit to regret it later." Captain Falk has been so much annoyed by complaints about the conduct of his men that he has issued an order forbidding them to leave the camp. They will not be allowed to go down town without a pass and

Negaunee State Bank

Chief Tolan has been instructed to arrest any soldier unless he has a pass from the captain. "This is a hardship upon the men," said Captain Falk, "and all of them have to suffer the restraint on account of some careless actions on the part of one or more men, but I will not stand criticism of my men without taking some action and the only thing I know of to stop the talk is to keep the men within bounds and the girls without." "Last Sunday," he continued, "I went on a tour of inspection of the men on picket duty and found that some of them were being hindered in their duties by young girls, who had come out to the docks to visit them. I ordered one of my officers to tell them to get off the premises. Now, if I catch any girls about, I am going to arrest them at once." Eleven of the men have been given their discharge and three have been transferred to the reserves.

600 Men Still Needed.

"The upper peninsula should furnish 600 more recruits for the United States army," said Lieutenant J. W. McNeal, officer in charge of the Escanaba recruiting station. "Cleveland has already furnished 400 recruits since the office was opened here in February, not quite one-half of the number it should furnish to the army." Reply has been received from Captain Kinney, of the Chicago recruiting district, to a letter sent by Lieutenant McNeal asking what the total enlistments from the upper peninsula should be, and the figure 1,000 was named. As 400 have been enlisted, there are yet 600 men to be secured. Plans to secure the needed number in about fifteen days are being worked out by Lieutenant McNeal, and it is probable that a formal campaign will be launched soon. "Give 600 recruits and give them quick," will be the motto.

Mayor and Aldermen at Odds.

Mayor Neubauer, of Iron Mountain, and the councilmen collided in a number of instances at the weekly meeting. In the matter of appointments the mayor was out-voted. Following is a list of the appointments confirmed by the aldermen: President of the council, Joseph H. Sanderson, who received all the votes but his own; attorney, Ramsom L. Hammond, who received two votes to two for James R. Spencer, the

What Does Catarrh Mean?

It means inflammation of a mucous membrane somewhere in the head, throat, bronchial tubes, stomach, biliary ducts or bowels. It always means stagnant blood—the blood that is full of impurities. Left alone it extends until it is followed by indigestion, colds, congestion or fever. It weakens the system generally and spreads its operations until systemic catarrh or an acute illness is the result.

Peruna

Is the nation's reliable remedy for this condition. It restores appetite, aids digestion, checks and removes inflammation, and thus enables the membranes, through which we breathe and through which our food is absorbed, to do their work properly. Forty-four years of success, with thousands of testimonials, have established it as the home remedy—Ever-Ready-to-Take. Its record of success holds a promise for you.

THE PERUNA COMPANY COLUMBUS, OHIO You can obtain Peruna in tablet form for convenience.

Negaunee Department

NEGAUNEE CHILDREN TO WORK FARMS

Board of Education Secures Large Plot of Ground from C. C. I. Co. for This Purpose.

A large plot of ground, owned by the Cleveland Cliffs Iron Company, to be used as a school farm was selected yesterday by Superintendent of Schools Orr Schurtz, Robert G. Jackson, member of the board of education and L. W. Walker, of Marquette, county agricultural agent. The schools officials were given students, who will do field work in this company, one in the vicinity of the Athens mine and the other north east of the Maas mine. The latter site was selected.

The tract near the Maas mine contains about sixteen acres and was selected upon the approval of Mr. Walker. It is the intention of the school officials to have a model farm there and a committee of the board, composed of Mr. Jackson, Superintendent Schurtz and Dr. J. Andrus will compose the farm board, while an agricultural instructor will be hired to take charge of the farm work.

The board of education will do considerable work towards the promoting of the farm for the students, who want to raise their own crops. Seed will be purchased by the school and will be distributed at cost to the student farmers to be paid for at the time the crops are harvested from the profits of the sale of the crops from the individual tracts.

It is the intention of the board to have the ground put into the best of condition for planting and men with teams will go to work immediately plowing the land. It will be dragged and harrowed before it is turned over to the planters. Each acre will be divided into eight or more parts the students taking up the farm work being allotted a parcel of land for exclusive use. The various plots will be staked out and will be numbered. Superintendent Schurtz has the names of 170 boys, who are desirous of taking up the farm work and it is probable that they will be allotted their plots the first of next week so that they can commence planting as soon as possible.

LOCAL LACONICS

F. A. Bell spent yesterday on business at Escanaba.

J. M. Edgerton was a business visitor yesterday at Marquette.

Jauner Napola, the violinist, has gone to Detroit, where he expects to locate.

Arthur Maas, of Milwaukee, is spending a few days in the city on business.

Mrs. Joseph Edwards is confined to her home on Barn street on account of illness.

Mrs. James Webb Sr., has recovered from a several weeks illness at her home on Barn street.

John B. Perenchio has returned from the copper country, where he spent a few days on business.

Mrs. Frank Meisch has gone to Ann Arbor, where she will be a patient at the University hospital.

Sheldon Crane left Thursday night for Fort Sheridan, where he will take the officers' reserve corps course.

William Schwartzberg arrived home yesterday from Escanaba, where he spent a few days on business.

The Misses Gertrude and Esther Larson have gone to Menominee to spend the weekend visiting with relatives and friends.

The Junior Auxiliary of St. John's Episcopal church will hold a pantry sale and tea from 2 to 5 o'clock today in Guild Hall.

Edwin Frank, senior member of the firm of Frank & Sons, of Milwaukee, meat packers, was in the city yesterday on business.

Gonmar and Henry Larson left yesterday for Rochester, Minn., where the former will receive treatment at the Mayo Brothers hospital.

The city's electric flag was set up yesterday on the veranda of the Breitung hotel and was lighted up for the first time last evening.

Curley Brothers have purchased a Chevrolet touring car from Ted Meillett, the local agent. Mr. Meillett yesterday disposed of a similar machine to Dan Belisle, of Champion.

The members of the Order of Owls are making arrangements for a Patriotic dance, which will be given in Kirkwood's hall on the evening of May 29, Decoration Day. Holmberg's four piece orchestra has been engaged to furnish the music.

John Trudell, former deputy city treasurer, who left here last week for Chicago, had advised his folks here that he has taken a position with the Sullivan Machinery company as diamond drill foreman. He will leave next week for China, where he will have charge of a number of drills.

C. K. Leith, professor in geology, University of Wisconsin, arrived in the city yesterday with the following mining two plats to select from by the mining section for a few days: H. D. Wakefield, R. Hunt, Arthur Addings, B. B. MacKay, L. G. Weeks, W. O. Hetschke, W. M. Twenhofel, L. M. Brodenich, E. G. Nixon, A. F. Peterson, J. W. Merritt and E. A. Kronquist.

NOTICE TO COAL DEALERS.

The city of Negaunee will receive bids on 2,500 tons of 1/4 in. Youghiogheny soft coal F. O. B. coal trestle up to Wednesday, May 9, 1917 at 5 p. m. Alfred Belstrom Superintendent. 5-3-6t.

STORES WILL REMAIN OPEN.

Negaunee Dry Goods and Clothing Establishments Will Not Close Nights.

The dry goods and clothing stores of the city will hereafter remain open every evening until 8 o'clock. The merchants have decided on this action because of their number persisted in keeping his place of business open every evening.

"There are many of us who do not want to open up nights after supper, but we are forced to because of the action of one business man," said a prominent merchant yesterday. "We had an iron clad agreement a few months ago and it was the intention of the business men to keep their stores open only on Monday and Saturday evenings and on pay day nights. Now we all have to open up an account of one or two who will not close up."

"It is not fair to our clerks that we compel them to come down every evening, but we have to do it to compete with those who will not do as the others are doing. There are not many of us business men who want to keep open as we want to spend the summer months out of doors as much as possible. The new arrangement will take effect Monday evening, business men say."

SPRING WATER SAFE.

Dr. C. J. Larson, city health officer, notified The Mining Journal last night, that the city spring water, which was slightly contaminated because of repairs being made to the pipe line in Partridge creek, is again free of foreign substances. Dr. Larson states that further work will be done on the pipe line, but will be of a nature that will not affect the water or the public will be notified.

FIRE DEPARTMENT OFFICERS.

New officers were elected for the ensuing year at the last meeting of the fire department. Arrangements were made for the members of the department participating in the Decoration Day services with the members of the G. A. R. and all of the active and honorary members will march in the parade on that day. A committee of five was selected by Chief Julius Johnson to make arrangements for the Firemen's Memorial day, which

will be on Sunday, June 3. The new officers of the department are as follows: Chief—Julius Johnson. Assistant Chief—Godfrey Trotochaul. Hose Captain—John Kuuz. Hook and Ladder Captain—Baptiste Dighera. Assistant Hook and Ladder Captain—Domonic Motta. Secretary—John Riechel. Treasurer—Dr. B. J. Miller.

Lower State Notes

LANSING

Only thirty or thirty-five members of both branches of the legislature were here for the adjournment of the session. Some members came from quite a distance, but the trip to Lansing was occasioned in many instances by appointments before state boards or commissions and not by the legislature's closing.

HART

The vulcanizing and welding plant operated by H. D. Graff was completely wrecked by the explosion of a carbide gas plant. Mr. Graff was badly burned about the head and sustained a badly fractured leg. The building to the west occupied as a shoe shop was partly wrecked and the building to the east, occupied by the C. H. Taylor lunch room, was badly demolished.

MANISTEE

Admitting that since she was a child she has been accustomed to taking money from the purses of other people, Evelyn Sherman, eighteen years old, has been sentenced to serve sixty days in the county jail by Justice Erb. Her arrest followed the complaint

of her father that she had frequently taken money belonging to other members of the family and that he was unable to control her.

HOLLAND

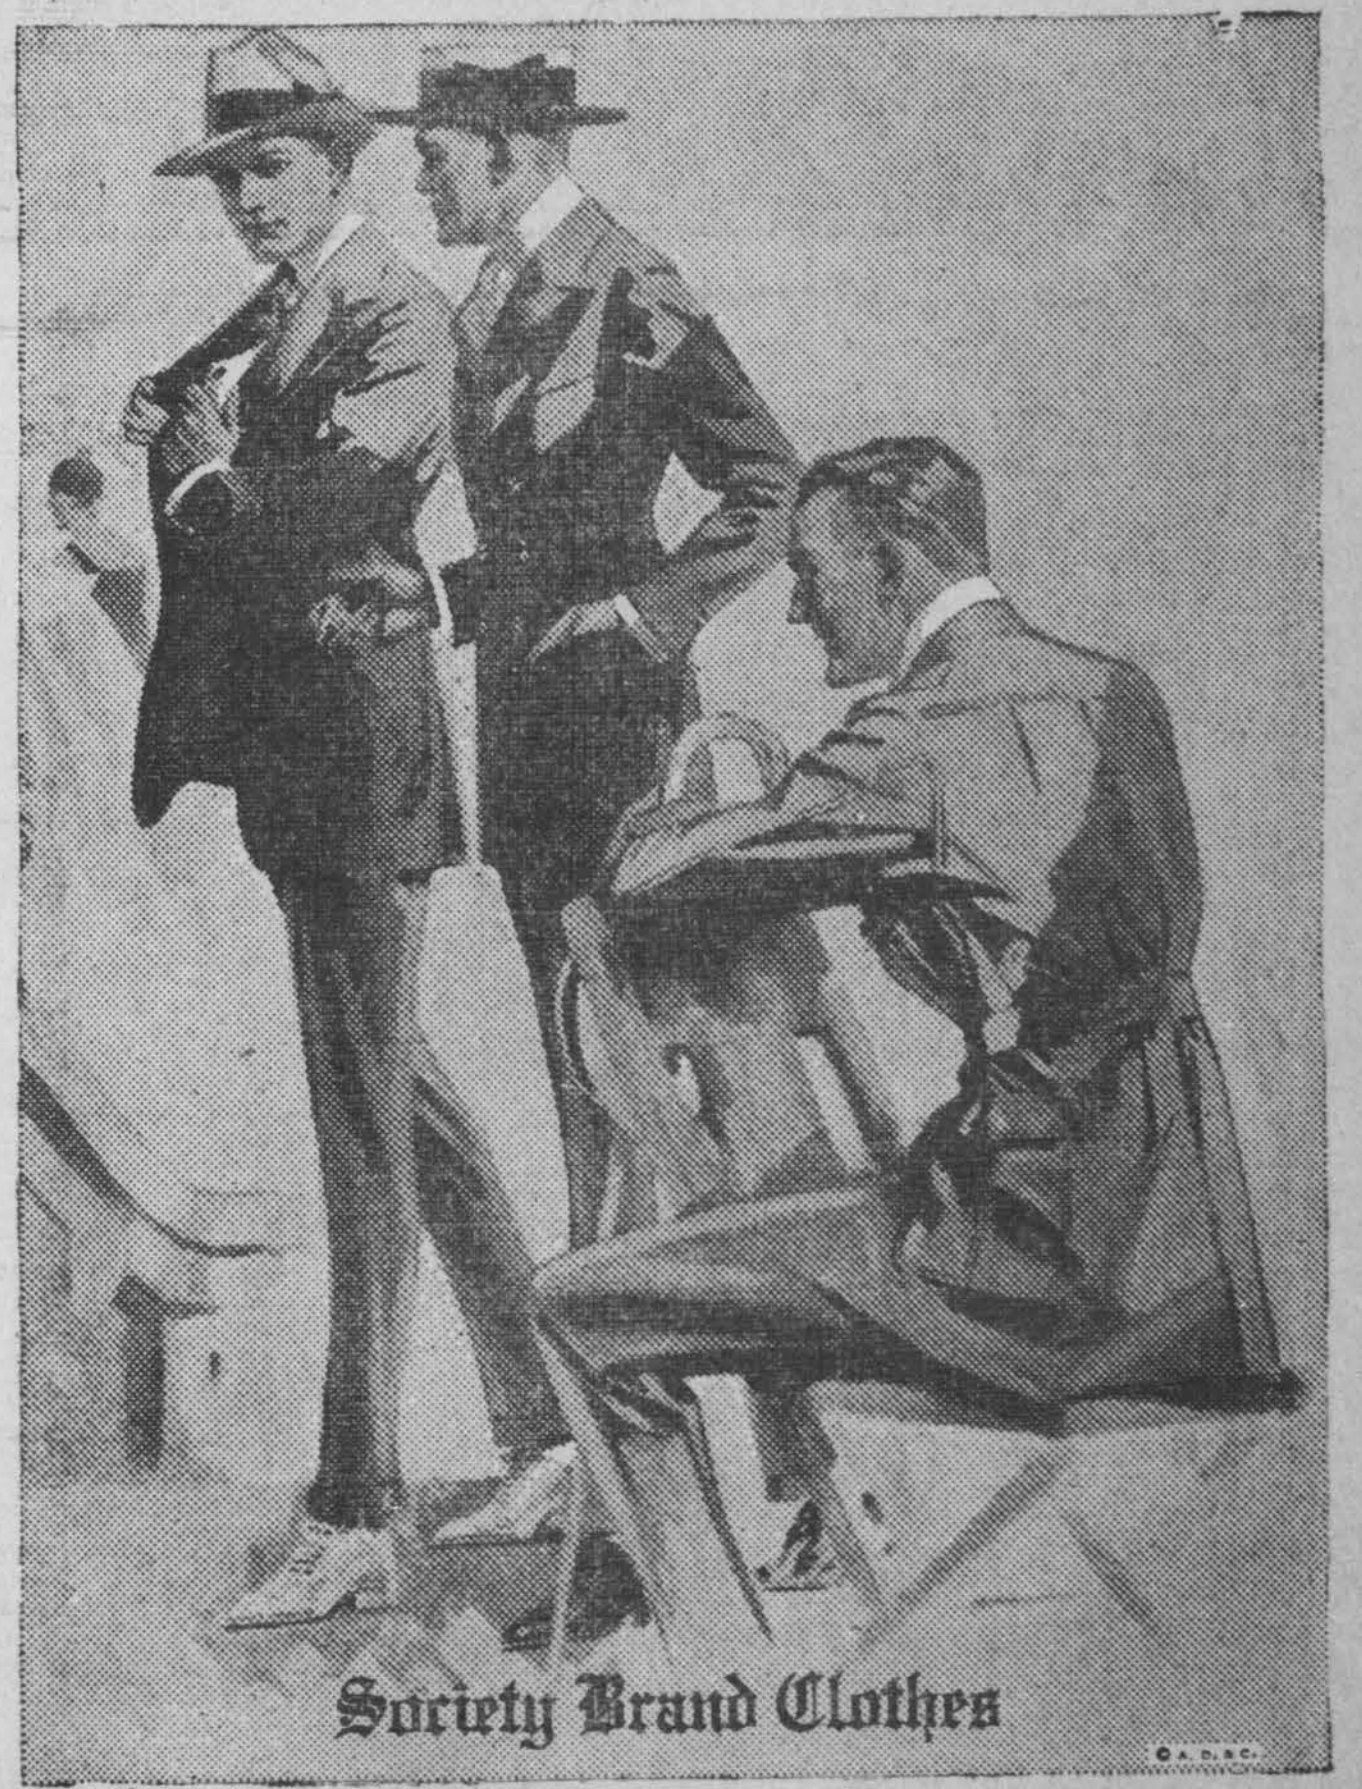

Chester Meengs was struck to the ground by an interurban car and seriously injured when he touched out his hand in boyish play to push the passing car near Vriesland. His head was badly bruised and he sustained internal injuries. The car stopped and the boy was taken to Vriesland, where he lies in a critical condition at the home of his parents.

GRAND RAPIDS

Phil C. Klein, of Flint, has written Superior Clerk Alex Krokowski asking that his application for citizenship be canceled. Klein says he applied for citizenship in January, 1915, at a time when the people of this country were opposed to war with Germany. He contends that this government is forcing its citizens into war, and he does not want to become a citizen. The letter was turned over to the federal authorities.

LANSING

Wanted—Three men who have never taken sides on the question of railroad passenger rates. Must be men of standing in the community and willing to work. Apply Albert E. Sleeper, capital building, any time. Such an advertisement may be inserted in the newspapers by Governor Sleeper to get a commission as authorized by the legislature to investigate railroad passenger rates in Michigan and report by next December. The governor admits it is the toughest job he has had. He is getting lots of suggestions, but he wants to name three men over whose decision there will be no quibble.

PUBLIC "SPLITS" ON MORE DAYLIGHT PLAN

Workmen Don't Want It, but Home Gardeners Favor Scheme.

In spite of the fact that little or no interest in the "more daylight" plan was shown by residents of the city at the last meeting of the commission...

The working men, generally, are said not to want "more daylight." "Seven o'clock is had enough, and I for one do not relish the thought of getting on the job at 6 every morning," one said yesterday.

The following communication from a Marquette man expresses the attitude of the home gardener regarding the "more daylight" scheme:

"Editor Mining Journal: Regarding the more daylight question, I have read suggestions by a 'Would-Be Gardener' and 'More Potatoes' in your issue of the 10th and 11th, and must say that the idea of getting to work an hour earlier in the morning and quitting an hour earlier in the evening is certainly a good one, as it will not change the standard time and would give the married wage earner especially a chance to show that he is patriotic as far as producing is concerned.

"I have a plot of about one-quarter acre which I would like to turn into a 'keep-the-wolf-from-the-door-fort,' which I think is a good way of expressing it, as far as the H. C. of L. is concerned, and unless the city SAs can get more daylight I can readily see where they will be in the same boat as they were last fall, as far as potatoes are concerned. "I understand that there are quite a few lots available for planting purposes in Marquette, but that they are not being taken up on account of not being able to work them in the dark; and for the good of the working class I would like to hear something from one of the city fathers on the 'early bird catches the worm' idea.

"LIVE AND LET LIVE."

FATHER BUCHHOLTZ TO SPEAK AT BIG MEETING IN BARAGA AUDITORIUM

A patriotic mass meeting will be held in the Baraga auditorium tonight, beginning at 7:30 o'clock. The Rev. Fr. H. A. Buchholtz, rector of St. Peter's cathedral, will be the principal speaker.

Harvey B. Hatch will also deliver an address. The meeting, to be held under the auspices of the Marquette Patriotic League, will be for the same purpose as other meetings held during the past few weeks—to stimulate enlistments from this city.

A. W. Jones, of the music committee, has arranged a musical program. EVERYBODY COME!

Northern Queen Rebekah lodge will go to Ishpeming Monday night, May 14, by special train, leaving at 6:30. Maccoches wishing to attend the Maccoches meeting that night or anyone wishing to spend the evening in Ishpeming may take this train. COMMITTEE. 5-1-2L.

Y. M. C. A. CAMPAIGN TO START NEXT WEEK

Meeting Will Be Held in Marquette County on Tuesday and Wednesday.

E. J. Sharp, of Grand Rapids, who was a captain and quartermaster with Fitz-Hugh Lee's regiment in the Spanish-American war, and who was also connected with the camps on the Mexican border, will be in Marquette county May 15 and 16, to give direction to the Marquette county end of the state campaign to raise \$250,000, Michigan's allotment of the \$3,000,000 to be raised in the country for conducting the Y. M. C. A. work in connection with the new armies.

Accompanying Mr. Sharp at the meetings will be Captain McLachlan, commanding Company M, now on service in Marquette, who will give his impressions of the Y. M. C. A. work, and what it means for the army. Captain McLachlan had extended service on the border and is thus well qualified to discuss the matter from the standpoint of the soldier in active service, and of the officer. The proposal, in brief, is to attach to every brigade of the new army a Y. M. C. A. headquarters, which shall be either a permanent wooden building, or tent, as circumstances dictate, and which shall be used as a social center by the men. It will be large enough to accommodate considerable numbers, and will be divided into reading, writing and game rooms, and there will be facilities for giving entertainments. In the army service the Y. M. C. A. accentuates the social side of its work, giving by incidental attention to the religious side.

One of the high officials of the war department, when recently asked by a civilian what the folks back home could best do to assist the army, was told "Raise money for and help to organize the Red Cross work and the Y. M. C. A. activities. They are the most important of the auxiliary services of the army."

It is expected that Marquette county will assist liberally with the Y. M. C. A. work. The men who are organizing it have already received assurances of substantial gifts of money.

THE KID HAS GONE TO THE COLORS

The kid has gone to the colors. And we don't know what to say; The kid we have loved and cuddled Stopped out for the flag today. We thought him a child, a baby With never a care at all; But his country called him man-sized— And the kid has heard the call.

He paused to watch the recruiting, Where, fired by the life and drum, He bowed his head to Old Glory And that that he whispered: "Come." The kid, not being a shaker, Stood forth with patriot-joy To add his name to the roster— And, God! we're proud of the boy!

The kid has gone to the colors; It seems but a little while Since he drilled a schoolboy army In a truly martial style. But now he's a man, a soldier, And we lend him a listening ear; For his heart is a heart all loyal, Unscourged by the curse of fear.

His dad, when he told him, shuddered, "His mother—God bless her!"—cried; Yet, blest with a mother nature, She wept with a mother pride. But the old shoulders that straightened Was grandad—for memory ran; To years when he, too, a youngster, Was changed by the flag to a man! —W. H. HERSCHELL.

COMPANY G IS GIVEN "ROYAL FEED" HERE

Marquette Women Respond Generously—City Praised for the Treatment of Co. M.

If Company G, Thirty-Third Michigan infantry, which passed through Marquette yesterday afternoon on its way to lower Michigan, isn't rejected for over-weight it will not be the fault of the members of the Woman's Welfare club and other Marquette women who donated food for the men, in answer to a request from the copper country, the home of the company.

In the request for food, hinted yesterday morning, it was said that the men had not been provisioned before leaving Houghton, and that they would doubtless welcome a "bite or two" by the time they had reached this city. Yesterday afternoon, at 2:25 o'clock, just before the special bearing the company arrived, at least 200 good-sized boxes of food were piled up on a depot dray, ready for distribution. Moreover, a large and spirited crowd gathered to greet the men.

As the train came to a stop, eager hands, belonging to hungry bodies, were stretched from the train windows to receive the gifts of food. A gleam of pleasant anticipation was on every man's face, and when finally about 150 boxes had been passed into the coach, the men shouted their thanks and appreciation to the women on the platform. Every member of Company G left Marquette with enough provisions to last him for the rest of the trip.

When the members of Company G had been supplied with all the food they could take care of there were about 100 boxes left, which were distributed among the members of Company M, stationed here. It was a gala day, indeed, for the boys in khaki.

Recruits for Company M.

Nineteen young men, of Manistique, Mich., arrived in the city yesterday to join Company M, Thirty-Third Michigan infantry. The men came from the Soo, where recruiting for the company is in progress. They have been drilling at Fort Brady for the past week. Company M now numbers about eighty-one men, and more recruits are expected next week. Efforts are now being made to recruit fifty men at the Soo for the company. The officers hope to recruit the company to full war strength, 150 men.

That the consideration shown the members of the company by the city of Marquette, is appreciated is evidenced by the words spoken by Captain McLachlan, in charge of the company, and who has returned from a visit to the Soo. "The people of Marquette have treated us like princes," Captain McLachlan told a representative of the Soo News. "They have anticipated every want and have done everything to make us comfortable. Last week Marquette elected a preparedness committee, two members of which designated especially to look after the needs of Company M. These men visit us every day, to find out how we are, what we need or what suggestions we had for better conditions.

"Here are a few things they have done: The Episcopal Guild has opened its gymnasium to the soldiers; members of Company M are admitted free to two motion picture theaters; certain stores discount ten per cent from their bills, and the laundries do work for the men at half price. They try to make us feel at home and the result is a very satisfied company."

No Recruits Yesterday.

While there were three applicants for enlistment in the regular army here yesterday, none of the applicants were prepared to leave last night for Escanaba. If those men are accepted they will leave tonight.

Examinations To Close.

After 10 o'clock tonight no more examinations for admission to the officers training camp, at Fort Sheridan, Ill., will be received throughout the state of Michigan, according to word received yesterday by J. C. Gannon, sub-chairman for the Marquette district. It is understood that the applications for the Michigan camp already surpass the specified quota.

FIRST BALL GAME.

The Cubs and Braves will play ball at Longyear field Sunday afternoon for the first time this season. The Braves are captained by Joe L'Hillier while the Cubs are captained by Frank Sobotka. Both teams present a strong line-up.

Line-ups: Cubs: Sevier, L'Hillier, Robare, Boyer, Eymmer, W. L'Hillier, Ellis, Desotelle, Fisher, Sevier. Cubs: Leskie, Robare, Sobotka, K. Anderson, Isadore, Stolpe, Rose.

MUSCLE SORENESS RELIEVED.

Unusual work, bending and lifting or strenuous exercise is a strain on the muscles, they become sore and stiff, you are crippled and in pain. Sloan's Liniment brings you quick relief, easy to apply, it penetrates without rubbing and drives out the soreness. A clear liquid, cleaner than musky plasters or ointments, it does not stain the skin or block the pores. Always have a bottle handy for the pains and aches of rheumatism, gout, lumbago, grippe, bruises, stiffness backache and all external pain. At your druggist, 25c.—Adv.

ST. LUKE'S HOSPITAL HAD SUCCESSFUL YEAR

Receipts Greater Than During 1915—Many Improvements Made.

An increase in receipts of \$3,924.33 for the past year, over 1915, is shown in the annual report of St. Luke's hospital, for 1916. Gross receipts for 1916 were \$23,342.33, and for 1915, \$19,418.33. A decrease of one in the number of patients cared for is recorded and the increase in receipts is accounted for by the fact that the average stay of patients during 1916 was longer than during the previous year.

The report shows an unusually successful year, although the total expenses for the past year were considerably greater than during 1915. Expenditures during 1916 amounted to \$19,807.57, while \$16,915.81 represents the total expense for 1915.

The increase in expenditures, the report points out, is due to the soaring prices of practically all foodstuffs and supplies and this phase of the maintenance of the hospital is giving the authorities no little concern. To combat this increased expense, therefore, it was recently decided to raise the rates charged for the wards and some of the private rooms. "We fear, however," says the report, "that any increased revenue from this source will not go very far in offsetting the rapidly mounting prices of nearly everything used in the hospital."

The weekly rate charged insurance companies for so-called "compensation cases" has been raised from \$10 to \$15. The report declares that it is necessary to get a greater income from this class of patients because of the uncertainty of collection.

Many Improvements.

The profits from operations have been devoted entirely to betterments, according to the report, which comments as follows on this phase of the work:

"The book value of the property, plant and equipment has risen from \$91,230.92, on Dec. 31, 1916, to \$95,180.92. We have purchased additional equipment, such as laundry press, rubberoid floor covering for the first floor corridor, flax rug for the second floor corridor and considerable furniture for private rooms and wards. The laundry press cost \$75, but it does the work of three persons; it irons coats, uniforms and such articles as will not go through the mangle. We are under obligations to S. A. Williams, of the Marquette Steam Laundry, who not only purchased this machine for us, but personally supervised its installation."

Reuction of Debt.

The report declares that the interest-bearing debt, growing out of the construction and equipment of the hospital, has been reduced during the year from \$11,000 to \$4,300, a saving of \$409 a year in interest. The reduction is chiefly the result of donations as follows: Mrs. P. W. Phelps, Marquette, \$2,500; Samuel Mather, Cleveland, O., 2,500; J. H. Wade, Cleveland, O., 1,000.

Nurses' Training School.

A new feature was introduced last year in this department. Exercises, open to the public, were held at the Guild Hall June 28, 1916, at which time the graduating nurses received their diplomas, and heard an interesting address by Dr. G. G. Barnett, of Ishpeming. It is planned to make this an annual event.

The nurses who were graduated last year were: Ethel Gamble, Edith Ozar and Kate M. Solka.

There are now in the training school the following student nurses: Elizabeth Cameron, Ann Liberty, Eliza Pearce, Harold Anderson, Emma Huebner, Beulah Wright and Emily Van Brocklin.

The following have given lectures and instructions on the subjects set opposite their names: Dr. Main—Anatomy and physiology, bacteriology and materia medica. Dr. T. M. Cunningham—Infectious diseases. Dr. H. T. Carriel—Diseases of children. Dr. Harold Markham—Nursing ethics and surgery. Dr. Paul—Eye and Ear. Dr. Howe—Obstetrics. Miss McCallum—Dietetics.

One achievement by the nurses was the purchase, with funds they raised themselves, of a complete domestic science outfit. This consists of a long hardwood table with many drawers, gas stoves placed at intervals along the top, and suitable shelving. Each nurse has her own utensils, for which she is responsible.

Needs of the Hospital.

The following are pointed as the immediate needs of St. Luke's hospital: Contagious ward in separate building. An electrically-operated dum waiter. Refrigerator plant for cold storage. Permanent floor covering throughout the building. Vacuum cleaner. Nurses' home.

Probably the most important of these, the report points out, is the contagious ward. It is emphasized that this would be of great benefit to the city, as most infectious diseases can be handled better in the hospital than in the home, and the danger of epidemics materially lessened.

HARD WORK FOR WOMEN.

It is doubtful if there is any work harder than house work. Overwork tells on the kidneys, and when the kidneys are affected one looks and feels older than the actual years. Mrs. A. G. Wells, R. R. 5, Rocky Mount, N. C., writes: "I cannot praise Foley Kidney Pills enough for the wonderful benefit I have derived." Sold Everywhere.—Adv.
