Robert Ackley, the owner of Manistique Recycling Process inspects milk jugs that have been recycled and will be used for plastic lumber. Ackley is looking to expand his business.

## Marginal gains realized by local recycling businesses

Everyone feels recycling is important to the community, but area businesses that handle recyclables are asking themselves the question, "Is recycling profitable as a business?"

Although the reasons differ for area companies, recycling has proven to be a marginal undertaking at best.

For Robert Ackley, the owner of Manistique Recycling Process located on M-94, the problem has been a lack of support from local and state government.

"We want to expand and we're going to expand," he said, "but the problem is we can't get the (cardboard) bales from the county."

"We're trying to work with everyone. We've been trying for three years to get this started."

Manistique Rentals, Inc., another area business that accepts recyclables charges businesses 2.5 cents per pound for commercial recyclables. They also receive a three-quarter cent per pound subsidy from the City/County Department of Public Works (CCDPW) through the penny and two-thirds tax on garbage in the county for their recycling center, which is open on Saturday.

Manistique Rentals also has a recycling agreement with the CCDPW that grants them exclusive and free usage of the CCDPW glass crusher and cardboard baler.

Ackley said many people do not know about their operation, which is located about a mile north of town toward Manistigon on M-94.

According to Ackley, businesses can drop off their recyclables free of charge. "Businesses have been very supportive," he said.

"I don't understand why we can't rent the county baler when Manistique Rentals has the contract and isn't even using it," said

Work began last Thursday on the renovation of the Manistique Water Tower. Davenport of the Schoolcraft County Historical Society brought the blight concern to city council

## Historical society receives light pole

The Gulliver Historical Society's future looks bright, thanks to the acquisition of an historical channel marker light pole and a grant to restore the historic lighthouse at Seul Choix Point.

Manly Fischer of the Gulliver Historical Society said the light pole, which lit the way for freighters in the St. Mary's River in Sault Ste. Marie during the late 1800s is being donated by the U.S. Lighthouse Service.

"The light pole is priceless," she said. "We already have one, and there are two at Whitefish Point, but other than that, there are very few in existence."

Fischer said help acquiring the light pole, which is now located in Grand Haven, has come from many different sources.

Capt. Tom Martineau, she said, pilot of the Wilfred Sykes is coordinating the movement of the 1 ton light pole from the Grand Haven Coast Guard Station to the Gulliver Fleet-Fleet Operations in Gulliver.

"All the people involved are donating all their time," she said. "Lt. Bruce Fisher is coordinating the project for the Coast Guard in Grand Haven, Don Cornelie from

Yutaka stands by the bike given to him to use while he studies in the U.S. by Bob Eikoate, owner of the Bike Shop in Manistique.

## Exchange student adjusts to America

by Robert Kirkbride  
He likes roller coasters, rock-and-roll and Nintendo. He hates corn and carrots.

Sound like the description of the average teenager? It is. The only difference is Yutaka is a 16-year-old exchange student from Japan who will be attending Manistique High School this fall.

Although Yutaka is still struggling a little bit with his English, he is more than willing to try. He said he has been studying English in school for the last five years.

Yutaka arrived in the United States from his home in Gunma, Japan on Aug. 12 as part of the

1993-94 Rotary Youth Exchange Program. The Manistique Rotary Club tries to host a student from a foreign country each year.

The student is responsible for his or her own transportation, but \$50 per month is given to the student by Rotary International for spending money.

Yutaka said he is very excited about starting school in the United States.

"School in America is very free," he said. "In Japan, we must wear a uniform and we only have one classroom."

"The teachers rotate to the classrooms, so you do not get a chance to see your friends in between classes."

Yutaka said Japanese students are constantly faced with the possibility of teacher strikes because Japanese teachers must renew their contracts on a yearly basis.

Those who are already taking the "full-service" tier will continue to receive that package with the additional channels the company is launching.

"We are pleased that we have been able to add the Prevue Channel, Cartoon Network, Home Shopping Network, Comedy Central, El and Bravo to our system," Dagenais said. "We are continuing our negotiations with the Sci-Fi Channel and hope to add that service as well."

Dagenais said that negotiations are continuing with TV 6, which has withheld consent for carriage of its signal under the new rules.

"We continue to refuse TV 6's demands for cash payments in return for their signal, because we believe it's grossly unfair for cable customers to pay for stations that non-cable customers can receive free with an antenna," Dagenais said. "While initially we could not automatically pass the station's charges through to our customers, ultimately all costs are borne by our customers."

"We don't want to see that happen, and hope we can reach some kind of mutual agreement for carriage before it's too late."

If no agreement is reached by the Oct. 6 deadline, he said, federal law requires the cable company to drop that station from its channel lineup.

Bresnan Communications will supply customers with an alternate means for viewing the TV 6 programming if necessary, via a free "A/B" switch, which permits off-the-air reception with an antenna.

## Contract negotiations continue

The Michigan congress passed the State Aid bill for the 1993-94 school year Tuesday night, which should make teacher and auxiliary staff contract negotiations easier.

According to Manistique Area Schools Superintendent Dr. Herb Harroun, the aid package gives the schools some increase in funding.

"Now, at least we'll know what we're arguing about," he said.

Lou Gemobilis, the Univerv director of the Michigan Education Association said Wednesday that after Wednesday night's meeting with school administrators, everyone should have a better idea where the situation stands.

"It looks a little more positive now that there is a state aid package in place," he said.

The Manistique School Board voted Tuesday to set the first day for Tuesday, Sept. 7. Orientation for teachers will be held Thursday (today).

"The teachers will be there on the 26th for orientation for sure," said Gemobilis.

The school year was supposed to begin on Monday, August 30 with teacher orientation and was to be followed the heard day with regular classes.

The teacher's union voted Friday, Aug. 27 to stay away for orientation and the first day of school until a contract was negotiated.

The current teacher contract expired Aug. 31.

"We are looking for a salary increase and to maintain the fringe benefits the teachers currently receive," said Gemobilis.

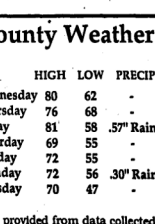

Harroun said he was hopeful negotiations to be held Wednesday night would be successful.

"We want to get things going for the start of school," he said. "We meet with the auxiliary staff Thursday and hope a contract can be reached with them as well."

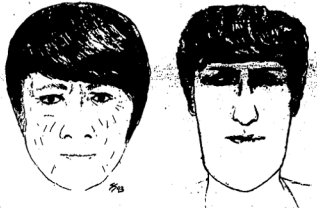

Union representatives and school administrators and board members have met five times without finalizing a contract.

The delay has also affected St. Francis de Sales school. St. Francis students are bused to school on public school buses.

Student have had to come up with their own transportation to school, which started this week.

Dan Malloy and Jeannette Ellis hold a plaque each of them received for winning the club championship at Indian Lakes Golf and Country Club.

## Suspects sought in pharmacy robbery

A spokesman for Manistique Department of Public Safety said the pharmacy of the Schoolcraft Memorial Hospital was broken into and \$2,000 worth of narcotics were taken sometime Saturday afternoon.

Lt. David Peterson said between two and four people broke into the pharmacy between 3 p.m. and 10 p.m. when nurses discovered the break-in and called the department of public safety.

"There have been leads," he said. "We're checking it out and processing evidence we found at the scene."

"We're not at a dead end yet." A \$1,000 reward is being offered for any information that leads to the arrest and conviction of those responsible.

Anyone with information should contact the Manistique Department of Public Safety.

"This will be so even though the total amount we charge for regular service will see an increase."

Dagenais pointed out that any rise in basic rates would be offset by the decreased costs for installation and equipment rental and the elimination of the charge for additional outlets.

He also stressed that rates could differ in neighboring communities because the FCC's benchmark formula must be applied on a franchise-by-franchise basis.

The new cable act has created regulatory and business reasons leading to a change in Bresnan Communications' tier structure, Dagenais said.

There now will be only two basic service options. The "broadcast" and "lifestyle" tiers had to be combined as a matter of law, and customers who previously subscribed to those tiers are being automatically converted to the basic tier.

The "budget" and "full-service"

## Bresnan makes changes

Manistique cable customers will be paying an additional 50 cents per month on their cable bill because of the 1992 Cable Act passed by the U.S. Congress, but according to Bresnan Communications, most people will see an overall decrease.

The cable act, which went into effect Wednesday, requires the increases according to Bresnan Communications General Manager John Dagenais.

Bresnan is now operating under the act according to Dagenais.

Also made necessary by the new set of federal regulations are some changes in programming and channel lineups, Dagenais added.

"The Federal Communications Commission (FCC), which administers the new regulations, has developed complicated methods, using 'benchmarks' to determine the rates we now must charge our customers," he said. "Our rates in Escanaba were already very close to the benchmark, which indicates our commitment to maintaining fair rates for our customers; we have adjusted our rates accordingly, nevertheless, the FCC's complex formulas for determining rates will cause some customers' rates to rise."

"This will occur despite advance publicity that there would be dramatic decreases for everybody."

Citing the company's obligation to comply with the new federal law, which has created the changes in the system's rates and operations, Dagenais said that Bresnan Communications has long opposed the new rules and regrets the changes they will cause.

"We're very sorry that our customers will be subjected to the confusion and disturbance that will result not only from new rate schedules," he said, "but also from

new tier structures, which we have had to create. We also regret the changes in channel position, which certain aspects of the federal law made necessary."

"We will do all we can to ease the transition for our customers."

In explaining the factors that will affect customers' bills, Dagenais said, "The FCC now requires us to change the way we allocate our revenue sources. This means we must now charge less for installation and computer rentals, at a slightly more basic service level."

There will also no longer be any charge for additional outlets.

"Therefore, customers who rent converters will see a decrease in their bills and unfortunately, customers who subscribe only to basic service will see an increase."

"We will do all we can to ease the transition for our customers."

### St. Martin honored

Jude Martin, former Fayette resident, was honored on Aug. 2 for his 20 years of service to Shagko Stores, Inc. He was presented a plaque by District Director, Elmer Casper. Martin began his career in Escanaba and has held various management positions throughout Upper Michigan and Wisconsin. He is currently a store manager in Stevens Point, WI where he resides with his wife, Linda and daughters, Sara and Nina. He is the son of Orville and Yvette Martin, Fayette.

Jude St. Martin

A break-in at the Manistique Rifle and Pistol Club is being investigated by the Michigan State Police, Manistique Post. The incident was reported on Aug. 30.

### Fish Report

Well, the weather sure has cooled off and September is here. You can tell fall is here too, for Hunter Safety will be held the middle of the month at the high school. As I stated before this is the only time it will be offered in this area this year so don't miss it.

### Births

Johnny and Sabrina (Minceff) Davis of Bedford, TX are the parents of a girl, Sawyer Marlene, born August 31, 1993 at Arlington Memorial Hospital. She weighed 6 pounds 15 ounces.

Maternal grandparents are John and Marlene Minceff of Manistique. Paternal grandparents are Bill and Charlene Davis of Farmington, MI.

Guy Hero and Heather Fagan are the parents of a girl, Tessa Jade, born July 9 at 1:10 p.m. The baby weighed 5 pounds 11 ounces and was 18 inches long.

Paternal grandparents are Denise Hero, Manistique and Mitt Hero of Wayne, MI.

### LaLeche

The Manistique Area LaLeche League will begin a new series of four meetings on Thursday, Sept. 7 at 1 p.m. at the First United Methodist Church. This meeting will focus on "Advantages of Breast Feeding." Women expecting or nursing may attend with their babies.

For information call 341-6454.

or you are out of luck. The dates and times were in the school flyer you got in the mail last week.

They were doing pretty good fishing but who knows what the weather change will bring. They have really caught some monster salmon around the state this year out in the great lakes. Who knows what they will be like when the run starts. There just may be a monster up in the 30 and 40 pound area like years gone by. Just maybe the "good old days" will be back this year.

Remember as you look over all your gear for the fall season to check out the safety equipment. It seems like every year we hear about someone losing their life while duck hunting without any life jackets. Which brings up something I read in a paper down in Wisconsin last week. I guess it may apply up here too. The way the article read the Coast Guard rules now read that you must have a life jacket for each person on board a vessel, you can no longer count "throw type" devices as a personal flotation device for a passenger in your boat. I had not

read or heard this before so if you on a boat you may want to check on it and see if it is true.

Continued from last week's some of the interesting cases the fall season brings back.

There was this party who just about everybody in town knew, or at least told in the Game Warden they knew, had a garage full of deer and was always shooting in, day and night, all the time, whenever he felt like it, never getting caught. Well, we all have heard these stories and some may be true and some not, but until the law of averages catches up with a poacher, all the Game Warden can do is listen and wonder if he is out there doing it so steady, why does he never catch him doing it.

Well, on this day I received a call from a party who he had been out to the house of one of those people who, the Game Warden

from the area, were always hearing about but never catching. While out to the house he had observed a deer that looked like it had been shot the night before. Seeing deer season was still weeks away and people should not have fresh deer at their house, he called us. We started the system rolling, made up a report, and contacted the local prosecutor to have a search warrant typed up. Now going through all the steps to have all the facts in the two parts of a search warrant takes some time. We had to substantiate all the facts the party had told us, have a good description of the house and area that the search warrant was for and be able to show a judge we had probable cause to believe a deer was there. We got all this paper work done and the search warrant was typed up. We went and found the magistrate

front of the house, not only standing in front of the house but had his barbecue grill going. Not only was his grill going but on the grill were some nice fresh steaks from the deer we had the search warrant for! We may never know if all the stories we hear are true but this one was. The law of averages had fallen on our favor.

### NOTICE

The Schoolcraft County Zoning Board of Appeals will hold a Public Hearing to consider:

"Class A" Designation for a residence in a Timber Production District on the following described parcel:  
Section 18, T42N, R14W, the NW 1/4 of the SE 1/4.

The Public Hearing will be held on Thursday, September 9, 1993 at 7:00 p.m. at the Schoolcraft County Courthouse.

Further information can be obtained and all comments will be received at the office of the County Zoning Administrator, 300 Walnut St., Room 207, Courthouse, Manistique, MI 49854, or by calling 906-341-2438. Office hours are 8:00 a.m. - 4:00 p.m., Monday through Friday.

### DR. GREGORY LAFAYETTE JOINS MANISTIQUE DENTAL CENTER.

Dr. James Dunbar and Dr. David Anderson proudly announce that Dr. Gregory LaFayette has joined their practice at the Manistique Dental Center.

The addition of a third doctor was necessary due to the constant growth of the practice, expanded services and the incorporation of Dr. Leland (Bud) Park's practice in 1989, and Dr. William R. Gillette's recent retirement.

Expansion of existing facilities has included the addition of more treatment rooms, clerical offices and clinical equipment. Additional staff personnel has also been added to accommodate Dr. LaFayette.

"A third doctor will enable us to meet increasing demands including improved emergency services while continuing to provide prompt care with the same high quality dentistry that is consistently in demand at the Manistique Dental Center," stated Dr. Dunbar. Dr. Anderson added that both he and Dr. Dunbar in association with Dr. LaFayette will continue their tradition of personalized patient care.

Dr. LaFayette is an Upper Peninsula native. He was born and raised in Marquette and is a graduate of Northern Michigan University and the University of Michigan School of Dentistry. He and his wife Deborah have two children, Andrew age five and Joseph age two months.

Dr. LaFayette served with the United States Army for three years as a Hospital Technician and is currently serving with the Michigan Army National Guard as the state's only National Guard dentist.

"My special interest in dentistry is child care. I enjoy all my younger patients and look forward to providing for them and their parents for many future years."

Dr. LaFayette and his family are residing in Manistique. They enjoy snowmobiling, skiing, tennis and other outdoor activities.

### L.D.A. Corner

We have been a busy Chapter this summer. In July we had a successful bake sale during sidewalk days. In August we had a retired teacher come to our meeting with lots of good information on how to start the school year off on a high note. Your local L.D.A. Chapter

would like to invite you to hear Dr. Tim Wilcox, a Child Psychiatrist from Marquette General Hospital. His program will be the A.D.H.D. Child and Behavior Modification to be held Sept. 15, 7 p.m. at the Senior Citizens Center. The L.D.A. meets the second Monday of every month at the courthouse lounge at 7 p.m. Anyone with an interest in the L.D.A. is welcome to attend or call 341-6723 with any questions.

### Knights, Masons meet

Knights of Columbus and members of the Masonic Temple, both in Manistique, got together on Aug. 18 to enjoy a social hour, cook-out and a spirited round of cribbage matches. This program first started back on Sept. 18, 1967. Elton Sample and his kitchen crew did a spectacular job in preparing everything but the

steaks. Each Mason and Knight, using his own particular culinary skills, prepared the steak to his own satisfaction. Dan Barber was chairman and reported the following winners. First place, Fred Lesica and Homer Turck, 615 points; second place, Oren Berto and Les Moore, 599 points; third place, Charles and Gerard Gauthier, 579 points.

### NOTICE

The Schoolcraft County Learning Disabilities Chapter would like to invite you to hear Dr. Tim Wilcox, a child psychiatrist from Marquette General Hospital on Wednesday, September 15 at 7:00 p.m. at the Senior Citizens Center. His program will be the Attention Deficit Hyperactivity Disorder Child and Behavior Modification. Admission is FREE. 18C3

### At home with Sarah

by Sarah Bignall

I have been trying to eliminate desserts at dinner except for special occasions or when we have company. After a full-course dinner many pass on the dessert, anyway. So try to have a light dessert that is the perfect ending to a great meal. Fruit parfaits are just such a dessert, especially if you are able to make them with fresh fruits.

#### FRUIT PARFAITS

- 1 envelope unflavored gelatin
- 3/4 cups cold water
- 3 tbl. sugar (or equivalent amount sweetener)
- 1/3 cup fresh lemon juice (about 2 lemons)
- 1 medium peach or nectarine, sliced
- 1 medium banana, sliced
- 1/2 cups seedless green grapes, halved
- 1/2 cups sliced strawberries

In medium saucepan, sprinkle gelatin over 1/2 cup cold water; let stand 1 minute. Stir over low heat until gelatin is completely dissolved, about 3 minutes. Stir in sugar until dissolved, then add lemon juice and remaining 1 1/4 cups water. In a large bowl, combine fruit. Into 6 (8 oz) parfait or dessert glasses, evenly divide fruit. Evenly pour gelatin mixture over fruit to cover. Chill until firm, about 3 hours. Makes 6 servings.

#### CHOCOLATE-BERRY PARFAITS

- 1 pkg. instant or regular chocolate pudding
- 1 cup sweetened sliced fresh strawberries, or
- 1 (10 oz) pkg. frozen sliced strawberries frozen non-dairy whipped topping, thawed.

Prepare chocolate pudding. Cover with plastic wrap and cool completely. Drain strawberries and puree in blender to equal 1/2 to 3/4 cup. Fold into whipped topping. Alternately layer chocolate pudding and strawberry cream in parfait glasses, chill until set. Garnish with a strawberry. Makes 8 servings.

Sarah says . . . Slip an old sock over the end of your yard stick and secure with a rubber band. You can make quick work of cobwebs on the ceiling and can reach much smaller spaces. This also works for long things such as under your refrigerator or in radiator cracks.

Food for thought . . . Keep smiling, it makes everybody wonder what you're up to.

## Steven Olson marries in St. Johns

First United Methodist Church, St. Johns, MI was the setting for the marriage of Nola Timmick Pongratana and Steven Douglas Olson on Saturday July 24. The 2 p.m. double ring ceremony was performed by Rev. Stephen Weinburger. The bride was given in marriage by her father, Phuey Pongratana.

Parents of the bride are Sonming and Phuey Pongratana of St. Johns. The groom is the son of Betty and the late Gene Newman, Indian Lake. Maid of honor was Christy Ash, Athens, OH, friend of the bride. Bridesmaids were Lori Olson, sister of the groom, Big Rapids, MI, Valerie LaSorsa, cousin of the groom, Kentwood,

MI, Bridget and Bekah Sirrine, friends of the bride, St. Johns. Flower girls were Stacy Van Dam, Wyoming, MI and Megan George, Lansing, MI.

Best man was Dean Bolt, brother-in-law of the groom, Grand Rapids, MI. Groomsman were Dan Boak, St. Johns, Tony LaSorsa, cousin of the groom, Kenwood, Nick Tompkins, Easton Rapids, MI and Paul McManara, uncle of the groom, Sunfield, MI. Ring bearers were Andy Pell, DeWitt, MI and Ryan Bolt, nephew of the groom, Grand Rapids. Ushers were Tony and Christopher LaSorsa, cousins of the groom, Kentwood.

A reception was held at the

Cherrywood Restaurant, St. Johns. The couple took a wedding trip to the Grand Hotel, Mackinac Island. They are making their home in Grand Rapids.

The bride is a 1985 graduate of St. Johns High School and a 1990 graduate of Spring Arbor College. She is employed at "Explore and

Growth," Kentwood Community Church, Kentwood, as a preschool teacher.

The groom is a 1980 graduate of Manistique High School and a 1984 graduate of Ferris State University. He is manager of Service Max Tire & Auto Center, Plainfield Ave., Grand Rapids.

Mr. and Mrs. Steven Olson

## Jenerou reunion held

The family of Dorothy and the late William Jenerou gathered Sunday, Aug. 15, at the home of Dave and Evelyn Jenerou Reed on Michibay Rd., Lake Michigan, for a family reunion. There were 63 family members in attendance, all children, grandchildren and great grandchildren of Dorothy and Bill. One son, Bill Jr., was unable to make the trip.

Guests came from Detroit, Spring Lake, Marquette and Cheboygan. Three of the newest family members were present, William Jenerou, seven months son of William Jenerou III; Hunter Jenerou, three months old son of Jack Jenerou, Spring Lake and Tessa Herro, two months old daughter of Guy Herro, Detroit. There were several occasions celebrated that day, one of them the 25th Wedding Anniversary of Dennis and Wanda Jenerou Kelly, also the graduation of Edward Jenerou from flight school. He

now a certified Flight Instructor at Marquette Airport. He is the son of Evelyn Jenerou Reed and Ed Guertin, Isabella.

The weather was great, which added to all the visiting, beach games, volleyball, snorkeling, swimming and a new game of riding a huge tube into the water from the inside, thought up by the older grandsons.

All this was followed by a buffet dinner with special cakes for dessert made by Bobbi Jenerou. The day ended with a great fireworks display on the beach at dusk!

If Janet Brulla, Manistique, will stop at the Pioneer-Tribune office she will receive a free theatre ticket for Cinema 1.

## Schoolcraft Memorial Hospital

is offering  
**Childbirth Preparation & Relaxation Classes**  
beginning  
**Sept. 7 at 7 p.m.**

Class is held each Tuesday evening through October 12 in Room 70 at Manistique High School. To register for these classes or for more information, please call Gina Lawrence at 341-3211.

Community Coordinated Child Care of the UP

We can provide assistance in helping you with child care when your child is mildly ill or if you need to go to work or school. Chicken Soup, a program for parents who are income eligible, can provide FREE care for children up to 12 years of age, by putting a home health aide in your home.

You may obtain more information by calling Community Coordinated Child Care at 1-800-541-KIDS (Toll Free)

The voice of Schoolcraft County since 1876

## Recycle

At one time, the environment was just something to be used and discarded.

Times have changed and people around the world have begun to realize how important it is to conserve our natural resources and recycle when possible.

Schoolcraft County is no different.

The citizens of the county are recycling more than they ever have.

The problem is, the businesses that collect recyclables are having a hard time making money in the recycling business.

As consumers of recyclable products we need to support our local recycling businesses.

Bring your recyclables to Manistique Rentals on Saturday or to Manistique Recycling Process.

The earth will be a much better place to live if we all learn to recycle.

Local governments can get involved by making recycling easier.

An efficient, inexpensive curb side recycling program needs to be implemented in Schoolcraft County.

The support is there, and although costs is a major concern, ideas should be discussed.

Any and all businesses that specialize in recycling should have equal access to county owned cardboard balers and glass crushers.

It is in the interest of the county and its citizens to make recycling as easy and accessible as possible.

If you do not recycle now, give it a try.

Not only do recyclers save money by not having to dispose of the recyclable, they also get the satisfaction of helping save the planet's resources for generations to come.

## Hospital board ratify contract

The Schoolcraft Memorial Hospital Board ratified a three year contract with AFSCME (American Federation of State, County, and Municipal Employees) Local #1196.

According to Hospital Administrator David Jahn, the contract will increase the employee's health insurance plan.

"They will have a better plan," he said, "but they will have to pay a little more money for it."

Jahn said the employees will be covered by Blue Cross and Blue Shield, but under a different plan.

"The deductible will be the same and will continue to be paid by the hospital," he said.

Jahn said, under the new plan, Blue Cross and Blue Shield will pay 80 percent of the cost of treatment, but the employee will pay 20 percent, up to \$500.

Employees will also receive a 35 cent, per hour, per year raise, according to Jahn. He added the LPN's would receive a 50 cent, per hour, per year raise. "We gave the LPN's more because we were lagging behind other hospitals in regard to pay," he said.

The contract covers approximately 50 percent of the hospital's employees, all but RN's and most office workers.

In other action, the board appointed Dr. William Phillips and David Jahn to the U.P. Health Alliance Board.

...received three bids for pharmacy computer hardware from the following companies:

Pharmacy Data Systems: \$8,075 for the hardware and \$900 for the second year of maintenance.

Radio Shack: \$7,985 for hardware and \$300 for program loading fee.

U.P. Computer Center: \$8,098 for hardware and \$300 for program loading fee.

The board accepted the bid from U.P. Computer Center for \$8,398.

...heard that a plaque will be placed in the main lobby listing all of the contributors to the Capital Improvement Fund.

...wrote off \$17,413.85 in bad debts.

## ULibrary; Go M-link offers data

What percent of Michigan's children live in poverty? How many people in St. Ignace commute to work via ferryboat? Which county has the largest Finnish population...Houghton or Marquette?

Two University of Michigan software programs, "gophers," provide the answers to anyone with access to a personal computer that telecommunicates through MichNet, the statewide computer network for Michigan.

Both gophers provide current reference information in the social sciences, sciences and humanities.

The U-M Library's Systems Office programmed the new data under the sponsorship of the Library's M-Link Program. Since 1990, M-Link has received funding from the Kellogg Foundation to provide University Library reference services to nine public libraries or library cooperatives within the state.

Computer users access the census data through a local MichNet connection or the Telnet program, which enables one computer system to communicate with another. The Telnet command is "termi.merit.edu."

To access the data via ULibrary, type "um-utility" at the MichNet "Which host?" prompt, "gopher" at the login prompt, and follow the Social Sciences Resources menu. When using Go M-Link, type "um-gomlink" at the "Which host?" prompt, "mink" at the login prompt, and follow the Business, Government, Michigan or Statistics menus. Choose the geographic level of the data (city, county, state or township), place name, and type of data (social, income and property, or housing).

The information may be viewed or mailed electronically using the prompts at the end of each file and your complete e-mail address.

## Downstate Differences

by Robert Kirkbride

Sugar-beaters like me who are from below the bridge have a different way of viewing things. Not better, not worse, just different. In this column I will try to explain some of the differences and why they exist.

Shopping is a new experience for me in the Upper Peninsula.

Gone are the sprawling malls and strip malls, the crowds of people and the rude clerks at the stores.

Gone too is the selection of products, the convenience of shopping under one roof and the reasonable prices.

When I first arrived in the UP, I asked someone where the nearest mall was located.

"There is one in Escanaba and one in Marquette," they said. My girlfriend Donna and I must have looked for the "mall" in Escanaba for an hour.

"Is that it?" I asked, pointing to a "mall" with ShopKo and Menards as hub stores.

Apparently it was, because there was nothing that even remotely resembled a mall other than this place.

I must admit, it was nice to shop in a mall again, even though there was not a Hudson's or Gap store to be found.

ShopKo had everything I needed to find that day.

Marquette was the same story, although there was a department store within the mall.

I remember all the time I spent at malls when I was a kid.

My friends and I would go there to try and meet girls from other schools and try to act cool in front of them.

I probably spent \$10,000 at Aladdin's Castle (a video arcade at North Kent Mall in Grand Rapids). Malls were a teenage magnet, and from what I can tell, still are.

Then I thought to myself about how hard my home town, Grand Rapids, has tried to bring shoppers back downtown and away from the malls in the 'burbs (without success).

Maybe there is something to shopping in a small downtown area with unique shops.

Maybe if I pictured a big roof over the downtown area of Manistique, I would envision a mini-mall.

I started to give the stores around town a chance and to my surprise, I found a great little place to shop.

It has become an adventure.

Where can I go to find a fish bowl? What about a pair of shoe laces? What if I need a battery?

I found the answer to all these questions is downtown Manistique.

There are even restaurants like real malls.

By giving up some of the advantages of a mall, you receive many benefits.

I've been around here long enough to meet many local shop owners, so when I go into a store, most of them know who I am. This makes shopping much more pleasant.

I've also found the shop owners much more willing to help the customer in downtown Manistique.

A teenage girl working in a shoe store is much less willing to take the time to help me find the right shoe or size than John Stewart whose livelihood depends on him selling me the right pair of shoes from Nelson's Shoe Store.

The same is true for Manistique Radio Center. Sure, the owner, Gerry Messenger has never heard of the band Blind Melon, but he is more than willing to order the compact disc for me.

I have found this commitment to service everywhere I go in Manistique and the Upper Peninsula.

So when I think about going to mall after mall downtown, finding the same stores in each mall, I am happy to come back to the UP, where customer service is still a top priority.

## Suspects, continued

Continued from Page 1A

The first suspect is described as 5 feet, 10 inches tall with dark hair. The suspect is a white male, weighing approximately 180 pounds and heavy set, but not fat. He has a wrinkled complexion.

The second suspect is described as a white male, 6 feet, 4 inches tall with light wavy hair, weighing approximately 200 pounds. He was described as "ugly" by employees who also said he looked like the 1960s television character, Herman Munster, the Frankenstein-like monster.

"The people who committed the crime seemed to know what they were after," Peterson said. "We are following a few tips, and we're glad to take them."

Several doctors and dentist's offices were also broken into and robbed of their cash, according to Peterson.

## Yutaka, continued

Continued from Page 1A

Marc Hoard and his family are hosting Yutaka for the first one-third of the school year.

"School is very competitive in Japan," said Hoard. "He doesn't get to see his friends he went to junior high with because they are expected into a lower school than Yutaka."

Yutaka said he had to take an exam to determine what school he was placed in.

"Six in Japan are very difficult," he said.

Yutaka tested and placed in the top school in Gunma. There are only 45 other kids in his class.

"He was actually depressed school did not start on time," said Hoard with a chuckle.

Yutaka is using American government, U.S. history, band, statistical mathematics and speech at Manistique High School this fall.

He said he might like to come back to the United States to go to college at the University of Michigan.

Like other teenagers, Yutaka likes other things outside of school.

He said music is his passion. Yutaka plays the guitar, keyboard and drums. Rock-n-roll is his specialty.

"My favorite is rock," he said, "but I listen to many, many types of music."

"My favorite is Sting, but I also play music by Eric Clapton, Bon Jovi and the Doobie Brothers."

Hoard said Yutaka got off the plane with an entire suitcase dedicated to his music. "He opened the suitcase and it had a guitar in it, an amplifier and a bunch of CDs," he said. "If you had him play the guitar strings had been cut off his guitar and he said they made him take them off in Tokyo because they could be used as a weapon on the plane."

One of Yutaka's first stops in the United States was Cedar Point Amusement Park in Sandusky, Ohio.

Hoard calls Yutaka a roller coaster junkie.

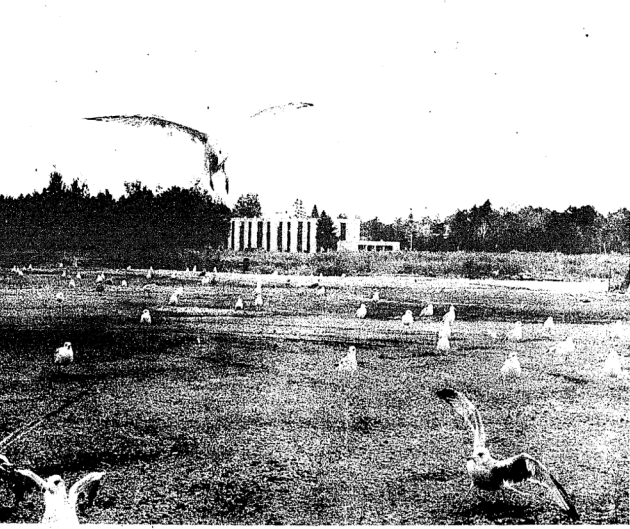

"He couldn't believe we could

## Closed for Labor Day

Most stores and both banks will be closed for the labor day holiday.

The Pioneer-Tribune offices will also be closed.

Early copy for the newspaper would be appreciated.

Several seagulls fight for food that was thrown to them by tourists. The lakeshore area is home to a large seagull population.

## Letters to the Editor

Dear Editor:

On behalf of the Easter Seal Society I want to thank the generous, caring residents of Schoolcraft County for their outstanding support of the CBC Trolshon and for raising \$13,350 for children and adults with disabilities. Each year we are able to increase our services thanks to the enthusiastic response of individuals and businesses who coordinate and support CBC. Congratulations to Chris Kieffer and The

If interested in making a donation to the Gulliver Historical Society, contact the Gulliver Historical Society, Route 1, Box 438, Gulliver, MI 49840.

## Hospital wins award

Schoolcraft Memorial Hospital recently received the 1992 Worker's Compensation Program's "Upper Peninsula Safety Award."

This award is given out by the Michigan Hospital Association (MHA) to the hospital with the lowest number of lost time days.

According to Hospital Administrator David Jahn, "lost time days occur when an employee is unable to work due to a work related injury."

"Schoolcraft Memorial had the lowest number of lost time days in 1992."

drive all the way to Cedar Point," said Hoard. "Japan is such a small country."

Yutaka also studies karate. He competed on his school's karate team last year.

According to Hoard, Yutaka is an expert at Tennis and Mario Bros. video games.

Yutaka will be staying with two other families over the course of the school year.

## Spending cuts looked at by county; board members may face cuts first

The budget is shrinking for Schoolcraft County.

Times are tough for leaders trying to find ways to cut spending.

The Schoolcraft County Board of Commissioners Audit/Finance Committee discussed Friday, Aug. 27, starting the cuts with themselves by cutting per diems for county employees.

Per diem is the amount a government official receives for attending meetings.

Schoolcraft County Board of Commissioners Chairman Louis Lauson said an example should be made by starting with the top.

"We have to show we're trying here too," he said. "If we don't make some cuts, people are going to lose their jobs."

County Commissioner Don Martin said out of town meetings are costing the county a lot of money.

"I think the different agencies should put in more for us sitting on the different boards and attending meetings for them," he said.

Lauson said, "The per diem is at \$50 (per meeting). I'd accept \$35."

County Commissioner Ernest Holohik said Schoolcraft is one of the few county board of commissioners that do not receive fringe benefits.

"You run for the job for some of the things you get through it," he said. "We're already about a 33/33 percent cut (in per diem) earlier."

"For me to support it, it would have to be across the board cut."

people since most boards are local.

"If you ask anyone to take a cut in wages," said Holohik, "you know what they will say."

Martin said, "I didn't take this job to make a lot of money."

In other audit/finance committee action:

The Schoolcraft County Board of Commissioners Audit/Finance Committee voted to unanimously purchase a FAX machine for the county building.

Local bids were taken.

The lowest bidder was Lagasco Enterprises, Inc. with a bid of \$510.58.

A motion was made to buy the FAX machine from Lagasco by Martin. The motion was seconded by Holohik.

Normally, at this time of the year, this playground at Lakeside elementary school would be teaming with children at play. The delay of school has kept the monkey bars unoccupied.

## Recycling, continued

Continued from Page 1A

Ackley said the people who bring their recyclables to Manistique Recycling Process recycle because of the environment and not necessarily to save on the cost of garbage pick up.

George Slining, Jr. of Manistique Rentals said they are also barely making it in the recycling business.

"Weight wise," he said, "we have taken in a lot of recyclables."

"Dollar wise, we hope we're not losing money."

"It has become more of a public relations thing for us."

Slining said it is a lot of work handling the recyclables and even though CDDPW gives Manistique a small subsidy, recycling is still marginal at best.

"1993 is the worst time for recycling," he said. "The market is flooded."

"We have to take cardboard and glass 100 to 200 miles."

"After shipping and sorting, we're not making a lot of money," Slining said people have been extremely receptive and feel good about recycling. "We feel good about it too," he said.

Slining said, for this year alone Manistique Rentals has collected 27,680 pounds of newspaper, 12,860 pounds of cardboard, 8,100 pounds of glass, 7,540 pounds of magazines, 3,100 pounds of metal cans and 500 pounds of plastics.

According to Slining, Manistique Rentals has no plans to start a curbside pickup program.

"When we're not making much on what people bring in themselves," he said, "we can't think about curbside pick up."

"I think we're meeting the needs of residents with the Saturday drop-off."

Ackley said he would like to propose curbside pick-up for recyclables that would serve the entire county.

These three friends pose for a picture on the first day of school at St. Francis de Sales. They used up all their summer energy and are taking a moment to rest before returning to class.

## Obituaries

### Ann A. Burnis

Lifetime Manistique resident, Ann A. Burnis, 84, died Monday August 30, 1993 at the Schoolcraft Medical Care Facility. She was born June 1, 1909 in Manistique, MI the daughter of John and Agatha (Kornich) Lasich.

She attended St. Francis de Sales School in Manistique and was a member of the St. Francis de Sales Church.

The former Ann A. Lasich married Peter H. Burnis in Manistique on December 5, 1927. He preceded her in death on February 8, 1981.

She is survived by two sons, Roland and Richard (Haris) Burnis both of Manistique; one daughter, Patricia Demers of Manistique; three brothers, Francis Lasich of Gaylord, MI, Raymond (Janet) Lasich of Horton, MI, and Robert (Betty) Lasich of Manistique; three sisters, Mary Geraldine Wilson of Mt. Clemens, MI; numerous nieces and nephews. She was also preceded in death by one son Robert, in 1965, two sisters, Eva Fisher and Millie Kood, and one brother John Lasich, Jr.

Funeral services were held Wednesday, September 1, at the Messier-Broulliere Funeral home at 8 p.m. with Father James Menapace officiating. Burial was at the Fairview Cemetery.

### Stefan J. Kujawa

Manistique resident, Stefan J. Kujawa, 94, died August 27, 1993 at his residence. He was born on October 14, 1909 in Poland.

He moved to the United States in 1923 and spent the greater part of his life in the Chicago, Ill. area, moving to Manistique in 1988, from Chicago. He was a member of the St. Francis de Sales Catholic Church in Manistique, and also a member of the Senior Citizens. He was employed as a safety engineer in the steel industry.

He is survived by two sons, Donald S. Kujawa and Wallace G. Kilianski, both of Manistique; one daughter, Dorothy Paris of Calumet City, Ill.; three nieces; and several grandchildren.

Visitation was held at the Messier-Broulliere Funeral Home, Monday from 4:00 p.m. to 9:00 p.m. Funeral services were held at St. Francis de Sales Church of Manistique, Tuesday, at 10:00 a.m. with Father Mieczyslaw Onitskiewicz and Father James Menapace officiating. Burial was at Lakewood Cemetery.

### Dorothy A. Elliott

Manistique resident, Dorothy A. Elliott, 85, died August 29, 1993 at Marquette General Hospital, Marquette. She was born December 30, 1907 in Grand Rapids, MI the daughter of James and Mamie (Brown) Lilbridge.

She attended school in Grand Rapids and moved to Manistique in 1952 from Muskegon, MI. She was employed as a piston ring inspector at Seal Power Corporation in Muskegon for 28 years and was the proprietor of the Jack Pine Lodge from 1952 until 1964.

Survivors include a niece, Thelma Cowles of North Muskegon, MI; four great-nieces, Thelma Haubrick of Isanti, MN, Jennifer Cowles, Terri Miles and Christine Riley of Muskegon; two great-nephews, George Riley of Muskegon, MI and Harry S. Kujawa of Kingston, WA; seven great-great-nieces; and two great-great-nephews.

There are no services scheduled. Funeral arrangements are under the direction of Messier-Broulliere Funeral Home.

### Mary A. Stoll

Manistique resident, Mary A. Stoll, 82, died August 29, 1993 at her residence. She was born November 11, 1910 in Reno, Nevada, to Eugene and Selma (Fertis) McDowell.

She spent the greater part of her life in Detroit, moving to Manistique in 1991. She graduated from Cooley High School in Detroit, attended Wayne State University in Detroit and was employed as a secretary with Time-Life in Detroit.

The former Mary Alma McDowell married James W. Stoll on August 30, 1940 in Detroit. He preceded her in death April 3, 1993. She was also preceded in death by a sister, Eleanor. She is survived by several nieces and nephews.

There are no services scheduled. Funeral arrangements are under the direction of Messier-Broulliere Funeral Home.

### Lawrence B. Aldrich

Manistique resident, Lawrence B. Aldrich, 90, died August 27, 1993. He was born December 18, 1902, in Lowell, MI son of Seward and Susan (Culler) Aldrich.

He married the former Leona Mae Hutchinson in Manistique on December 17, 1932. He is survived by his wife, Leona of Manistique; three sons, Lawrence K. (Beth) and Donald (Glenn) both of Manistique and Seward (Marion) of Ephrata, WA; four daughters, Carol (Ronald) Beckman and Susan (Lawrence) Matchinski, both of Manistique and Jane (Edward) Guertin and Sandy (Pat) Sundling, both of Isabella, MI; 25 grandchildren; several great-grandchildren; one great-great-granddaughter; and several nieces and nephews.

A private funeral service was held Tuesday August 31, 1993 at the Messier-Broulliere Funeral Home with Dr. Jay Martin officiating. He was buried at the Hiawatha Township Cemetery, Manistique.

### John Neal

Manistique resident John Neal, 86, died September 1, 1993 at Schoolcraft Memorial Hospital. He was born December 22, 1906 in Birmingham, England, the son of Joseph and Frannie (Lighfoot) Neal. He came to the United States as a child and spent the greater part of his life in Sault Ste. Marie and Milwaukee, moving to Manistique in 1970 following retirement. He attended schools in England and Sault Ste. Marie.

He was a member of the St. Francis de Sales Church of Manistique, the Schoolcraft Co. V.F.W. Post No. 4420, Schoolcraft Co. D.A.V. Chapter No. 26 and the Manistique Elks Lodge No. 632. He served in the U.S. Army, European Theater during World War II from 1943-1945 and took part in the D-Day invasion. He was awarded many medals including the Purple Heart.

He was employed at Northwestern Leather in Sault Ste. Marie and also at Plister & Vogel Tanning Co. in Milwaukee from 1958-1970, retiring as a supervisor/foreman. He married the former Helen Poliski on September 7, 1940 in St. Ignace.

He is survived by his wife, Helen; four sons, John D. Neal of Stoughton, WI; David C. Neal of St. Louis, MO; Thomas A. Neal of Fort Worth, TX; and Robert E. Neal of Sault Ste. Marie, MI; one brother, William Neal of Sault Ste. Marie; four sisters, Nora Poppe of Marquette, MI; Nellie Couture and Dorothy Jenks, both of Sault Ste. Marie; and Evelyn Ratterberg of Paxton, Ill.; six grandchildren; and several nieces and nephews.

Visitation will be held at the Messier-Broulliere Funeral Home on Friday, September 3, from 6 p.m. to 9 p.m. Funeral services will be held at the St. Francis de Sales Church of Manistique on Saturday, September 4, at 10 a.m. with Father James Menapace officiating. Burial will be at the Riverside Cemetery, Sault Ste. Marie. There will be a V.F.W. memorial service at 7 p.m. Friday evening at the funeral home and parish liturgical prayers will be recited at 8 p.m.

Manistique Public Safety officers are investigating the theft of an outdoor motor reported on Aug. 26.

Harry Toennesen told police that someone had taken the 25 h.p. Suzuki motor from his garage on Arbutus Ave. The motor is valued at \$2300.

Robert J. Fiegel, Jr. was cited for failure to yield following a collision on Deer St. on Aug. 25. Police said as Fiegel attempted to drive his vehicle from a parking drive, he failed to see a passing vehicle driven by Mark A. Segerstrom. Segerstrom's vehicle was hit in the passenger's side by Fiegel's.

A vehicle driven by Frank L. Lindemuth of Seneca, Kan. was hit in the rear by a vehicle driven by Morris C. Archambeault of Chicago, Ill. on S. Cedar St. Archambeault told police he was unable to stop in time to avoid hitting Lindemuth's vehicle which had stopped. The incident happened on Aug. 30.

# Malloy, Ellis win

Dan Malloy and Jeanette Ellis are the 1993 Indian Lakes Golf Course club champions after shooting 189 (45 holes) and 185 (36 holes) respectively last weekend at the golf and country club.

Malloy said the annual tournament was a real battle. "I won by three strokes," he said. "I think the deciding hole was number eight during the final round."

"I hit into a trap, then over the green from the trap."

"Luckily, I chipped in from the fringe to make par."

There were eight flights and approximately 56 golfers involved in the tournament.

Dan Malloy was followed in the championship flight by Scott Belleville with a 192, Zip Boyd with a 193, Dan Hawn with a 197 and David Jahn with a 197.

Following Jeanette Ellis in the women's flight were Jackie Villeneuve with a 193, Marie Brickman with a 198, Kris Boyd with a 201 and Judy Provo with a 206.

In the men's first flight (36 holes) were: Ken Kemnson with a 166, Tony DuFour with a 168, Bob Sildack with a 170, Jason Rochefort with a 175, and Dick Ellis and Jim McDonough tied with a 176.

In the men's second flight (36 holes) were: Dennis Jahn with a 164, Ralph Bjome with a 171, Chris Males with a 176, Don Ceconni with a 179, and Bill Howe and Jerry Sample tied at 180.

In the men's third flight (36 holes) were: Bill Carlson with a 174, Bill Belleville with a 177, Shad Holmberg with a 180, and Mark Larche and Dick Ekstrom tied with a 185.

In the men's fourth flight (36 holes) were: Oscar Olson with a 178, Don SJohn with a 181, Mike MacGregor with a 193, John Fushman with a 195, and Bill Cody with a 198.

In the men's fifth flight (36 holes) were: Marshall Grillo with a 180, Marshall Bradley with a 186, Dan Seiling with a 192, Wayne Fleck with a 195, and Dave MacGregor and Ray Jacobson with a 198.

In the men's sixth flight (36 holes) were: Dan Gould with a 201, Dick Burns with a 210, Dave Demers with a 211, Gerry Messenger with a 212, and Tom Klagsstad with a 217.

## Matt Troyer runs at CWRU

Matt Troyer of Manistique will be running for the men's cross country team at Case Western Reserve University in Cleveland, Ohio this fall.

Troyer, a senior majoring in electrical engineering, will be running for the Spartans, who are expected to win the North Coast Athletic Conference (NCAC) title.

The Case Western Reserve University men's cross country team took second in 1992-93 in the NCAC.

The 1993 opener is Sept. 4, for the Case Western Reserve University Invitational.

Troyer is a transfer student from Goshen College and is a graduate of Manistique High School.

Sue Fleck puts up a jumper during the annual green and white basketball split-squad game for the girls varsity team.

## Kangas optimistic

The Manistique Emerald varsity football team is ready for an exciting season in the Mid-Peninsula conference.

Head Coach Todd Kangas said the Emeralds had a good practice season, with two a day practices ending last week, and are ready for their first game tomorrow against Negaunee.

"We have a lot of similarities with Negaunee," he said. "We have a lot of kids returning this year and so do they."

"Negaunee will be one of the top teams in the league this year, but I think we have a good game plan drawn out against them."

Kangas said one of the strongest parts of this year's team is the offensive line. "We're big up front and we have a lot of senior leadership up there," he said.

According to Kangas, the Emeralds have to work on their offensive and defensive backfields.

"We're inexperienced in these two areas but the players are working hard and improving every day," he said.

Kangas said the team will strive to improve after every practice and every game. "If we do that, the games will take care of themselves," he said. "We will win our fair share of games."

According to Kangas, the Emeralds will be airing it out this year, trying to pass the ball more than anyone else in the league.

"Defensively, our front is fairly solid," he said. "We will have to improve our defensive backfield."

"We won't wait for the plays to come to us on defense."

Kangas said senior leadership will be key to a successful season. "We need a good year out of quarterback and defensive back Mike Kratz," he said. "We also

# Malloch leads varsity team

Sue Fleck ended the quarter with seven points and Allison Malloch pushed in six.

In the second quarter, Manistique broke the game open by tightening up their defense.

Newberry was held to just six points while Manistique scored at to take a 31-14 halftime lead.

Malloch added eight points in the second quarter by outscoring Newberry 18-9.

Manistique sealed the coffin in the third quarter by outscoring Newberry 18-9.

Malloch and Fleck each scored six points and Kennedy added four in the third quarter to lead the emeralds.

Manistique took a 49-23 lead into the fourth quarter.

Manistique did not let up and went on to win the game 59-36.

The leading scorers were Malloch with 20 points, Fleck with 15 and Kennedy with 10.

# Lady Bears have new varsity coach

The Big Bay de Noc Lady Bears may have a new coach, but the team is full of seasoned veterans.

Kim Picord, a former All-UP pick at Escanaba and a former NAAI All-American at Northland College will take over coaching duties for the team this fall.

Debbie Hermes, last year's leading lady bear scorer, will return to lead three other starters from the 1992 team.

Hermes was an All-UP pick and was chosen for the second team in Class D.

Sophomore Lisa Farley and senior Teri Ranguette and Dana Povin will also bring their experience to the team.

In other game highlights: ...LaFleur had a solid all-around game with seven points and 10 rebounds.

...Robin Demers, Shannon Lawrence and Sarah Bourdall all played well handling the ball at the guard position.

...Laura Lockwood chipped in three points and Jenny Gerometa hit for two coming off the bench for the Emeralds.

...Casey Ford, Tracy Winkel, Lori Vaughan and Heather Vanderville also turned in good performances off the bench.

## Early season set

An early goose hunting season has been set in Michigan again this year for Sept. 1-10, to help control local giant Canada goose populations.

The local goose flight is expected to be larger than last year's even though these annual special hunts have reduced the goose population growth rate.

The Department of Natural Resources Director Roland Hermes said.

Daily bag limit for the early hunt will be five birds, and the possession limit, 10. Shooting hours are set at one-half hour before sunrise to sunset, local time.

The 1993 hunt will again include a small part of the eastern Upper Peninsula and the entire Lower Peninsula, except for Saginaw, Tuscola and Huron counties and their offshore waters, where the results of past experimental seasons suggest the occurrence of an undesirable harvest of early arriving migrant Canadas from James Bay in Ontario.

Most public lands in the Lower Peninsula will be open to hunters, including state parks and wildlife areas, state forest lands and portions of the state parks and recreation areas. Portions of some state parks and recreation areas will not be open to hunting until after Labor Day. The DNR advises hunters to check with individual park, recreation and wildlife area offices for information and maps of those portions of the recreation areas and parks where the early goose hunt is permitted.

## Holiday walk is scheduled

The third annual Labor Day Manistique Boardwalk-Bridge Walk will begin at 9 a.m., Sept. 6. The beginning and ending point will be the parking lot across from the U.S. Forest Service, corner of Range St. and U.S. 2.

The walk will begin promptly at 9 a.m. The route will follow the boardwalk through the marina and across the bridge to the U.S. 2.

## NOTICE

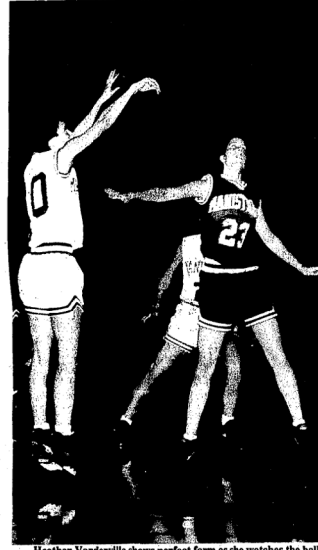

The Schoolcraft County Zoning Board of Appeals will hold a Public Hearing to consider:

"Class A" Designation for Campground expansion in a Town District, on the following described parcel:  
In Sec. 34, T45N, R13W, Lots 22, 23, 24 and 25, River Park Sub, exc the NW 1/4 of Lot 22, which lies Ely of the Ely in Lots 21, 23, 24, and 25, and in Sec. 34, T45N, R13W, Lot 26 River Park Sub, exc com at NW cor of Lot 26, S 87 Deg 34' E 150', th S 275', th W to the Ely R/W of Hwy M-77, th NWly alg sd Ely R/W to the W in of sd Sec. 34, th N 03 Deg 06' E 143.94' to POB.

**BEFORE YOU DIG . . .** check on the location of pipelines in the vicinity.

There are three types of pipeline markers that tell you the approximate locations of the pipeline.

**Don't Guess, Call Before You Dig**

There is no charge for the service of our company representative who will come to your excavation site to show you the exact location, route and depth.

- In Minnesota—Gopher State One Call 1-800-252-1166
- In Wisconsin—Diggers Hot Line 1-800-242-8511
- In Michigan—Miss Dig 1-800-482-7171

**EMERGENCY SITUATION**

If you notice a leak, you may:

- hear a blowing sound
- see dirt or water blowing into the air
- see grass or other plants turning brown
- smell a gas-like odor

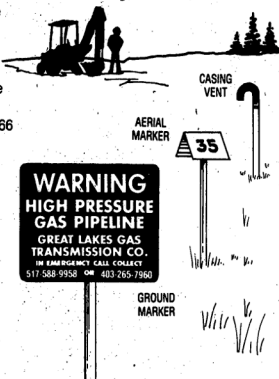

To report a gas leak leave the potential gas leak area and call collect.

- in MN and WI (218) 379-3255
- in MI (517) 588-9958
- 24-hour phone (403) 265-7960

Be prepared with your name, address, telephone number and location of the leak.

### Senior Citizens

by Diane McClelland

We are having a very slow response to the 1993 Upper Peninsula Senior Convention and Picnic. This event is scheduled for Thursday, Sept. 16 and will be held at the U.P. Fair Grounds. The Public Transit bus will be taking 22 Seniors and we have empty seats.

The bus will leave the Center at 9 a.m. Upon arriving, coffee and muffins will be served. A full day of activities will be planned as possible. You can keep yourself busy with bingo, exercise sessions, line dance demonstrations, Bonifas Arts Center exhibit, one-on-one prescription medication review and advice by a pharmacist, diabetes information, golf clinic, travel information for Seniors and information and advice on Medicare/Medicaid.

Lunch will be served at 12 noon until 1:15 p.m. The menu is roast beef sandwich, marinated vegetable salad, fruit, cookie, milk and lemonade.

In the afternoon a general session will be held. The topics are: Marquette General Hospital Physician Health Update, Senior Style Show, Mata Brown Shoppes and The White Tree, U.S. Congressman Bart Stupak, Delta County Commission Chairman Doug Bovin and Office of Services to the Aging Field Representative Jerry Maki. Entertainment is also in store for the afternoon. Ms. U.P. Senior Michigan 1993 winner Rita Panian and 1991 Co-Winner

### Senior meals

**THURSDAY, SEPT. 2:** Lasagna, Green Beans, Tossed Salad, French Bread, Fruit Cobbler.

# Ralph Barton and Evelyn Coffee are August birthday royalty

by Dorothy Hoholik

Summerfest continues at the Schoolcraft County Medical Care Facility. The August birthday party was held on Wednesday, the 18th. It was a warm and sunny day and the pavilion sitting drew a record number of patients and guests. As five birthdays were celebrated, Ralph Barton, age 93, was crowned "King for the Day." Evelyn Coffee was "Queen for the Day" at 83 years of age. Other birthdays celebrated were those of Mary Buckley, age 93, Urrah DePas, age 91 and Oscar Lund, age 90.

Adding to the enjoyment of the birthday celebration was the presence of the Hawaiian Clown (Ovid York of Gwinn), also known as the Rainbow Clown in previous years. After seven years of showing up as the Rainbow Clown, it

was time to change his costume but he still had the same jokes and tied the same balloons into hearts, animals and halos, making everyone an "Angel for the Day." His assistants were his wife Peggy and three Schatz sisters, Angela, Monica and Elena, all from Gladstone. Their mother is a star entertainer at the facility each August and plays a beautiful accordion selection of old time tunes for the patients. The afternoon passed too quickly, and no one wanted to leave the pavilion. Along with the beautiful weather and music, it was a very special event. Croatian tunes were played in memory of Mary Schatz's grandmother, Katarina Klarich, who was a former patient at the facility. On hand to enjoy the special music for the day was volunteer, Frances Weber, mother and grandmother to the Schatz family members.

It was soon time out for the always important part of the party as Happy Birthday was sung to the five birthday folks, to enjoy angel food cake, ice cream and coffee and to pass out birthday cards.

Two special guests were present. Two week old, Derek Kokesch of Oxford, MI came to pay honor to great-grandfather, Oscar Lund. Another guest was Jenna Bradshaw, age 13 months, of Korea and a great-granddaughter to Oscar Lund. Jenna has been in the United States for only two months and already knows 12 American words, knows how to dance and loves ice cream. She has made her mom and dad, the Terry Bradshaws very happy.

Corrine Bernier Schnurer of Escanaba was there for Urrah DePas. More guests included Jack and Lita Hilland of South Milwaukee; Dora Edwards, Mary Borko, Mary Weber, Evelyn Clark and Harry Harlow of Manistique.

Taking time out from their busy summer schedules were the dedicated Manistique Woman's Club members of the Home Life Committee, sponsors of the monthly birthday party. The August birthday party volunteer list was: Vi Fredericksen, Betty DeSautel, Frances Weber, Millie Klarich, Betty Harding, Charlene Turk, Lew and Shirley Charrier and Dorothy Holick.

If Mr. Weatherman will hold out for another warm month, the

September birthday party will be held in the pavilion again with eight birthdays to celebrate.

Virginia St. John, our "One Woman Band" will be featured entertainer on Wednesday, Sept. 8, 2 p.m.

Volunteers are asked to note the early September date for one last outing in the pavilion for the Charlene Turk of Thompson; Medicare patients.

## You Make Us Proud

The Manistique Education Foundation is highlighting different students of the schools in the Manistique area who have gone on to make their mark in the world. Nominations of 300 words and a photograph, if available, should be sent to 502 W. Elk St., Manistique.

This is about a son, a brother, a nephew, a cousin, a brother-in-law, an uncle, a son-in-law, a husband and a father. His dedication, perseverance, experience

Robert Lee

and aviation skills are testimony of his presence today. Most people can only dream about conquering their ultimate goal and lifelong dream - to fly. Captain Robert Lee never gave up to make his dream a reality.

A graduate of Manistique High School from the class of 1978, he went on to college at Lake Superior State. Upon his graduation in 1983, with a Bachelor of Science Degree in Industrial Technology, he entered the United States Marine Corps in the Officer Candidate School Program and was commissioned a Second Lieutenant in 1984. Entering the field of aviation took Captain Lee to Florida, where he went through primary training in the T-34C Mentor, learning basic flying procedures such as instrument flying, familiarization, formations, and aerobics. After completing the syllabus, he moved on to Texas for jet training in the T-2C Buckeye in VT-26 and the T-47 Skyhawk in VT-24, learning familiarization, basic instruments, formations, air combat maneuvering, low level flying, weapons, night flying, guns and carrier landings on the USS Enterprise, and USS Lexington.

He was awarded "Student of the Month" by instructors of VT-24 in December 1985. Finally, on January 3, 1986, he earned his "Wings of Gold!"

Captain Lee was then sent to Arizona to fly the A-4M with VMAT-102 and later with VMA-211 to increase proficiency in his flying skills in addition to deep air support and aerial combat skills. During the next four years and flying with VMA-211, he went on several deployments overseas and in the United States. Besides flying, he also had collateral duties which included: Quality Assurance Officer - supervising a crew of 11 which ensures maintenance procedures are properly adhered to and aircraft are always safe and flyable; Powerline Division Officer (maintenance and flightline) - managing a crew of 30 marines who perform engine maintenance and complete inspections on each aircraft prior to its approval for flight; Classified Material Control Center Officer - responsible for the security and record keeping to the squadron's classified publications; Security Officer - responsible for the security clearances for over 200 marines and physical security of squadron spaces.

For student aviators in VT-22 at the Training Copeland in Texas. During that time Captain Lee was awarded "Instructor of the Quarter." He then transferred over to the "Strike Instructor Training School" and trained incoming flight instructors in all stages of advanced strike curriculum for a year.

After a rewarding career in the military, he was honorably discharged by the Marine Corps on July 1, 1992.

Today, Captain Lee flies with the Marine Corps Reserve in Yuma, AZ and is a pilot with the most sound and competitive airline in the industry, Southwest Airlines.

Captain Robert Lee is the son of Betty Cook and the late Donald Lee of Gulliver. His wife is the former Jan Creeden of Manistique and they have a four year old son, Derek.

### For Sale
