Manistique, Michigan

Manistique came alive for Halloween this year as kids and adults dressed up in their favorite costumes. (photos by Fred Tyrrell)

Boo!

County to hold court funds

The Schoolcraft County Board of Commissioners passed a resolution to hold all funds that would be collected by the State of Michigan under a new House of Representatives bill to fund the state's trial court system, citing the state's lack of help for rural counties as the reason why.

The Honorable James R. Giddings ruled that the court financing statute passed in 1980 by both houses of the Michigan Legislature and signed into law by Governor Milliken is enforceable and obligates the state to reimburse Michigan counties for all of their trial court expenses.

The Michigan Supreme Court ordered the Court of Appeals to give the appeal expedited consideration. In a response to the lawsuit, the Michigan House of Representatives passed House Bill 4873. This bill repeals P.A. 438. In place of that obligation, it creates a new state court fund that will draw revenue from increases in trial court filing fees.

EPA begins harbor capping

By Robert Kirkbride
The U.S. Environmental Protection Agency began work this week to partially cap PCB contaminants in Manistique Harbor in an area the agency feels has the highest potential for migration into Lake Michigan.

The cap, which is costing \$160,000 to install and is being paid for by the government's Superfund, is being placed on an upstream "hotspot" in front of the old fish processing plant. The potentially responsible parties (PRPs) named by the EPA are not participating in the temporary capping. Currently, Edison Sault Electric, Manistique Papers and Washawsky Brother Iron & Metal are the only three parties named by the EPA.

Walter Nied, the EPA On-Scene Coordinator said the cap is 100 feet by 200 feet and will be anchored by 2-ton concrete blocks. "The cap will be weighted by blocks with rebar over the top," Nied said. "It will be more securely anchored upstream."

"There will be no interference with boat traffic. The commercial fishing boats have six or seven feet of clearance under the cap," Nied said. "The cap will be weighted by blocks with rebar over the top," Nied said. "It will be more securely anchored upstream."

The EPA will also be conducting fish studies and additional sediment sampling over the 10 or so days the cap will take to install. Eric Bourdo said the PRPs still do not agree with the temporary capping, but are continuing to negotiate with the EPA on future action.

The PRPs met with the EPA in Chicago Friday to iron out the details of an official consent order that would outline the future steps to clean up the harbor. An agreement was not reached, but Bourdo said progress was made.

"We want to know their entire range of concerns so we can do a comprehensive EE/CA," he said. An EE/CA is an engineering evaluation and cost analysis, which outlines possible solutions for harbor clean up. The PRPs are negotiating with the EPA to conduct the EE/CA as part of the consent order.

"Our goal is to find a final remedy so this situation can be addressed," Bourdo said.

The general sentiment seems to be that it was bad enough when out-state, rural Michigan had to put up with the legislature's favoritism of Wayne County, but now it appears as if the legislature is willing to favor Wayne County and a few other urban pockets which, through their legislative commitments, can control the legislature.

Richard Johnson of the Michigan Department of Natural Resources' Wyman State Forest Nursery shows the kids from Chicago's Henry Horner Houses how different kinds of trees are grown to improve Michigan's state forests. The kids came to Manistique as part of a youth exchange program. The children also toured Manistique Papers and learned how to camp.

Chicago housing project seems far away to kids

By Robert Kirkbride
The housing projects in Chicago are a long way from Manistique, but through a new youth exchange program, children from Chicago can experience nature first hand and kids from the Manistique area can see what life in a big city is like.

Children from the Henry Horner housing project visited Manistique last weekend as part of the program. Margo LeBrasseur, one of the organizers in Manistique said children from Manistique will visit the Chicago area this spring.

"This is the beginning of a one year project with Manistique area youth and Chicago area youth," she said. "When we go there we will visit places kids around here don't normally get a chance to see like the museums."

Carolyn Johnson, the prevention coordinator for the Henry Horner Boys and Girls Club said the trip was a valuable learning experience for the children.

"We are trying to use alternatives to drug sales to help our kids," Johnson said. "We are hoping they will learn a skill. We will be opening a few small businesses run by the kids in Chicago where they will learn skills such as marketing and selling."

"Each child that wants to start a business will do a business plan and go through all the steps needed to run a successful business."

LeBrasseur said the kids in Manistique will also start their own businesses and mentioned a mail order catalogue business as a possible business idea.

"One of our goals is youth empowerment," she said. "The program will be similar to Junior Achievement and will be based on economic development."

Johnson said the children would like to start a youth clothing store. "If you have a child and give them something positive and consistent, they will be grateful," she said. Another goal of the program is to expose the kids to different communities and cultures.

The kids from Manistique will stay at the Boys and Girls club in Chicago, visit the museums, tour the John Hancock and Sears towers, picnic at Union Park, visit the different ethnic communities and ride the elevated trains. The housing projects in Chicago are a world away and are very different from life in Manistique.

Senior Mike Kratz was named first team flanker for the 20 Paninella Conference. Jarki finished the year with 20 catches for 363 yards and two touchdowns.

Emerald players shine in Mid-Pen

The Manistique Varsity Football Team had an off year as far as record this season, but still had some outstanding players.

Senior Ben Armock was given an honorable mention in conference voting at the split end position, catching 24 passes for 379 yards and two touchdowns on the season.

Junior Mike Kratz was given Continued on page 7A

Veteran's Day closures

Several government buildings will be closed for Veteran's Day. The Schoolcraft County Building will be closed on Nov. 11 as will Manistique City Hall.

All other banks and businesses will be open during their normal Thursday hours.

Pamida to locate in Manistique

The Manistique City Council approved the zoning change that will allow a Pamida retail store to be built on US-2 near the Marathon Gas Station during a special council meeting Wednesday.

The city council unanimously approved the zoning change, recommended by the City Planning Commission to change the zoning from Tourist-1 and Residential-1 to Business-3.

Councilmembers Dennis Boyd and George Danko were absent Continued on page 5A

(l to r) Cathy Arnold, Janet Brulla (leader), Kelli Lesica, Linda Levin (leader), Michelle Weber, Lori Vaughan, Stephanie Whitcomb, and

(back) Sue Hinkson prepares for their trip to the 46th National Girl Scout Convention in Minneapolis, Minn. held Oct. 22-25.

Scouts attend convention

Six Senior Girl Scouts from Manistique were among the 7,099 delegates and visitors from across the United States to attend the 46th National Girl Scout Council Convention in Minneapolis, Oct. 22-25.

Cathy Arnold, Lori Vaughan, Michelle Weber, Kelli Lesica, Susan Hinkson and Stephanie Whitcomb along with their leaders Janet Brulla and Linda Levin traveled with 12 other girls and adults from Peninsula Waters Girl Scout Council to attend the national business meeting of the Girl Scouts of the U.S.A. (G.S.-U.S.A.). All 331 Girl Scout Councils in the United States had representatives in attendance.

Girl Scouts: Strength in Diversity was the theme of this conference and will be the emphasis of the Girl Scout movement for the next three years. Diversity was evident throughout the convention including the opening ceremony where the Girl Scouts were welcomed by Native American Dancers, Hmong

Peaceful Girl Dance Group, Swedish Dancers and Nixhais Nkwi Naxawn Sab Hmb (Girls with the Fan from the East), all Girl Scout members from the Girl Scout Council of Greater Minneapolis and surrounding Minnesota Councils.

The girls had an opportunity to observe debate on seven proposals brought before the convention

including the heated debate on Proposing 3 - Flexibility in Wording for Spiritual Beliefs in the Girl Scout Promise. The girl Scouts are now well versed in Robert's Rules of Order; how to amend motions, amend amendments and call the question. They have seen parliamentary procedures Continued on page 4A

Mr. and Mrs. Korie Gould

Klarich, Gould marry

Jani Louise Klarich, daughter of George and Sandy Klarich of Manistique, and Korie Gould, son of Leonard and Ellen Gould also of Manistique, were married on October 16, 1993 at St. Francis de Sales Church with Fr. Mieczyslaw Oniskiewicz officiating.

Maid of Honor was Laura Norblotten. Bridesmaids were Amy Hinkson, Any Jo McBurney, cousin of the bride and Kathie Gould, Cassandra "Sis" Rasmussen, Jodie Martin and Karen Lambert, all sisters of the groom.

Junior bridesmaid was Brittany Sample and flower girl was Sarah Hand. Best man was Dan Martin, groom's brother-in-law. Groomsmen were Jason White, Chris "Toby" and Jeff Klarich, both brothers of the bride, Lonnie and Al Gould, brothers of the groom; and David Klarich, cousin of the bride.

Junior groomsmen were Steven Neeson, groom's nephew, and ring bearer was Anthony Martin. Ushers were Jim Rasmussen and Mark Lambert, the groom's brother-in-law.

A reception was held at the Manistique Armory following the ceremony.

Masons plan memorial

Lakeside Lodge #371, F. & A. M. will hold the Annual Masonic Memorial Service on Sunday, Nov. 7 at 2 p.m. at the Masonic Temple, 210 Cedar Street. The public is invited. Coffee hour will follow.

Correction

In last week's Manistique City Council story, First Northern Bank and Trust was said to have financed the Manistique Public Safety Department's new radio system.

The financing is being handled by a Chicago-based bank and not through First Northern.

At home with Sarah

by Sarah Signall

There is the story of a recipe that most of you have heard before. A woman supposedly asked for a recipe for a wonderful cookie she had just purchased from a well known business. She allegedly received a bill for \$250.00. When she called that there was a mistake, she was told that it was not a mistake and she was responsible for the bill. So she has been giving the recipe away to everyone and anyone with the story. I have received this recipe to use it in the column. I don't know if the story is true, it is so unbelievable, and I don't really care if it is or not. I just know that it is a great cookie recipe - one of the best chocolate cookie recipes I have ever made. This is the recipe you have been hearing about.

CHOCOLATE CHIP COOKIES

- | | |
|-------------------------|--------------------------------|
| 2 cups butter | 1 teas. salt |
| 2 cups white sugar | 2 teas. baking powder |
| 2 cups brown sugar | 2 teas. soda |
| 4 eggs | 24 oz. chocolate chips |
| 2 teas. vanilla | 1 (8 oz) Hershey bar, |
| 4 cups flour | grated |
| 5 cups blended oatmeal* | 3 cups chopped nuts (optional) |

*Measure oatmeal and blend in a blender to a fine powder.

Cream butter and both sugars. Add eggs and vanilla and mix well. Mix flour, oatmeal, salt, baking powder, and soda. Add flour mixture to sugar mixture. Add chocolate chips, grated Hershey bar and nuts. Roll into balls and place two inches apart on a cookie sheet. Bake for 10 minutes at 375 degrees. Makes 112 cookies. (Recipe can be halved.)

Sarah says If you ever have any left over soft cookies that have dried out and are hard, put them in an air tight container and put a piece of bread on the top. They will become moist again, and almost like when first baked.

Food for thought It does a man no good to sit up and take notice if he just keeps on sitting.

FNBT participates in IOLTA

First Northern Bank & Trust participates in the Interest on Lawyer Trust Account (IOLTA) program that is administered by the Michigan State Bar Foundation.

Deposit from law firm clients, which would not otherwise earn interest are pooled and deposited into special interest bearing accounts maintained by law firms.

Interest proceeds are automatically paid to the Michigan State Bar Foundation to support law-related charitable purposes.

Disbursements from the IOLTA fund are made to organizations providing legal services to the poor such as assisting low income individuals with housing, income, maintenance, and other consumer issues that can affect their credit rating.

The availability of free legal services to low income persons is often directly related to their ability to obtain credit and/or maintain housing.

Other IOLTA disbursements are awarded to organizations and projects that strengthen local communities such as assisting abused women, helping the homeless with legal matters and government benefits, offering services to assure homeless children are permitted to enroll in schools and educational programs, and providing community educational materials on legal rights and responsibilities in consumer credit and other areas.

Banks are not obligated to participate in the IOLTA program in Michigan.

Fred LaMuth and Sue Bellville of First Northern Bank & Trust accept a plaque to commemorate the bank's participation in the

Interest on Lawyers Trust Account. The interest from the account is used to strengthen communities by using the money for good causes.

ELECTRICIAN/MAINTENANCE
ASSOCIATE

SPECIALTY MINERALS INC., a subsidiary of Minerals Technologies Inc., is seeking a journeyman electrician for their Gulliver, Michigan limestone operation; candidates should be able to perform the following:

- Direct, coordinate and perform construction, installation, maintenance and troubleshooting of electrical equipment and instrumentation including the use of schematic diagrams, with team members and contractors.
- Install and inspect all electronic apparatus/devices in the 4160, 2400 and 480 volt ranges; power transmission lines, including transformers and related equipment.
- Ensure that all equipment is electrically safe and conforms to MSHA Standards and the National Electrical Code Manual.
- Maintain two-way radios, scales, CCTV, speed switches and other electronic devices. Should be able to troubleshoot PLC and Honeywell process control computer to determine root problem causes.

Preferred candidates will be able to cut, weld and operate heavy equipment. They will have five to 10 years experience and a working knowledge of magnetic controls, wound rotor motors, soft start controls and variable AC speed drives. Candidates should be self-sufficient, highly motivated, self-starting problem solvers who are comfortable working in a team environment. Send resume to:

Mr. J. Michael Gorrie
Personnel Manager
Specialty Minerals Inc.
County Road 432
Gulliver, MI 49840

ASSIST Coalition works to stop smoking

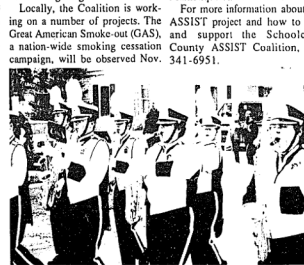

The Schoolcraft County ASSIST Coalition is kicking off its participation in the Nation's largest-ever project to reduce smoking and tobacco use in the United States. ASSIST—the American Stop Smoking Intervention Study for cancer prevention—is an effort between the National Cancer Institute (NCI) and the American Cancer Society (ACS), along with local health departments and other voluntary health organizations, to reduce tobacco usage.

The Coalition, along with the Community Partnership, Linne-

stone Federal Credit Union, Schoolcraft Memorial Hospital, State Savings Bank and WTQ-WCMM Radio, has organized a one day campaign to symbolize the efforts that will take place over the next five years. According to George Sedzick, Coordinator of Coalitions throughout the Upper Peninsula, the tobacco industry spends millions of dollars a year promoting tobacco use in the Upper Peninsula. "For one day ASSIST will allow our coalitions to compete equally with the industry."

Nationally, ASSIST will result in a reduction of 1.2 million deaths including more than 422,000 lung cancer deaths due to accelerated quit rates and children not beginning the habit. ASSIST is estimated to prevent the cancer deaths for about \$300 each—a fraction of the cost of diagnosing and treating lung cancer.

For more information about the ASSIST project and how to join the Great American Smoke-out (GAS), a nation-wide smoking cessation campaign, will be observed Nov. 3-4, 1993.

Former Manistique student Vaughn E. Bratten III (the third saxophone player from the right) is a member of the award-winning Fitzgerald Marching Spartan Band. Vaughn played two years with Manistique Middle School Band and last year with the Chatterton Junior High Band. The photo was taken at the Armada Applefest Celebration on Oct. 10, 1993.

Auxiliary hears Pitts

The Schoolcraft Memorial Hospital Auxiliary met at the Ramada Inn for a dinner meeting with Dr. Roy Pitts as the speaker.

Entitled the "Survey of the People of the County of Schoolcraft Memorial Hospital" was the topic he spoke on.

Guests were Mrs. Lane and Mrs. Phelps and the invocation was given by Irene Hinkson.

1993 recipient of scholarship given each year was Erin DeMars.

Election of Officers for 1993-1994 was held. Officers elected were: Eileen Renton, President; Doris Hubble, First Vice President; Margaret Taylor, Second Vice President; Carolyn Miller, Third Vice President; Jane Moore, Secretary; Signe Cameron, Treasurer; Mary Ann Debelak, Counselor; Violet

Frederickson, Director, Manistique; Mildred Settergren, Director, Hiawatha; Sarah Signall, Director, Manistique; Faye Arcey, Director, Thompson; Delores Smith, Director, Gulliver; Mae Lawrence, Director, Gernafak; Myrtle St. martin, Director, Seney; Joanne Annelin, Director, Cooks.

Woman's Club plans to meet

Manistique Woman's Club will meet at noon on Tuesday, Nov. 9, at Old Deerfield in Gulliver.

HOBY recipient, Cathy Arnold, will speak about her summer experience. Charlene Sellers will then present a program on arranging flowers. Tickets are on sale at The Vogue.

The voice of Schoolcraft County since 1876

Snow Removal

Fall is quickly becoming winter and the Manistique City Council is trying to decide whether to provide snow plowing for city sidewalks on the main streets.

One bid came in for the project. Manistique Rentals, Inc. bid the project at \$36 per hour. At that, or any rate charged, the cost to the city would be too much of a financial burden.

It is not that Manistique Rentals bid is too high. The city just cannot afford to offer this service when the city budget is already tight.

Homeowners should be responsible to shovel the sidewalk in front of their property, not because the city should not do it, but because the city cannot afford to do it.

The city is facing tough times financially. Paying a contractor to provide sidewalk plowing service would be unnecessary.

Some people in the city are physically unable to shovel their own walks. That is where the slack needs to be taken up by residents in good health.

If a neighbor is a senior citizen or cannot get around well, shovel their sidewalk for them.

It is that simple. Neighbors can help neighbors shovel their sidewalk.

Another possible solution would be to have a list of volunteers willing to help people who cannot clear their own walk. Anyone needing help could call one of these people to shovel.

This would be an excellent opportunity for church groups or other service organizations to truly help the people of Manistique.

Individuals would be helped and the city would benefit financially.

Why have someone else do what we can do ourselves? Although a sidewalk snow plowing service would benefit the people of Manistique, funds are not available for this type of service.

By joining together we can save the city money and help our neighbors.

Cub Scout Olympics

Zion Lutheran Church was the site of the 1993 Cub Scout Olympics in Manistique.

The Cub Scouts met on the evening of Tuesday, Oct. 26 for the annual event.

The Cubs competed in five events, challenging their skills and speed.

The events were a foot race, a softball throw, push-ups, sit-ups and a standing long jump.

All the Cub Scouts competed in all five events.

Above, (l to r) Jeremy Dukes, Tracy Vickers, Timmy McDermott, Billy Bowman, Tom Jarvi, Dennis Gould and Joey LeBlanc compete in the foot race.

Right, Justin Morrison competes a sit-up.

Letters to the Editor

Dear Editor:

As a native of and a frequent visitor to Manistique, I have been following the news items regarding "EPA vs Manistique" in the Pioneer Tribune over the last several months with great interest. The progression of events becomes more nightmarish with each weekly installment.

It has become obvious that the EPA is unwavering in its intent to remediate the harbor without any due consideration, cost-benefit analysis, concern, or respect for the people or employers of Manistique. It's also obvious that concepts such as accountability, risk assessment, logic, common sense, cooperation, and compromise are not compatible with or in the vocabulary of this agency.

The DNR biologist who was quoted last Summer in the Tribune summed it up perfectly. To paraphrase, he stated, "With chemicals these days, it's almost McCarthyism...and that bothers me at bit." The Chemical and Environmental McCarthyism demonstrated by environmental groups - and to a certain extent by government agencies - is far more insidious than McCarthy's hearings of the 1950s. Instead of individuals being "blacklisted" and deprived of work then, we now have entire communities being threatened with virtual extinction due to the economic burden of questionable government-mandated remediation.

The innuendo and propaganda techniques used today smack of those pioneered and perfected by McCarthy. Press releases, under the guise of "Scientific Studies," are issued almost daily by environmental groups that state that this chemical or that compound is carcinogenic, mutagenic, toxic, or in some other way harmful to people and/or the environment. (In many cases, these "studies" have not been subject to any form of critical review). Unfortunately, these same groups have been very effective in influencing legislators, government agencies, and the resulting regulations promulgated by them.

I applaud Manistique Papers and other PRP's for the patient, professional and logical manner with which they have attempted to deal with the EPA. As I mentioned above, logic and common sense unfortunately don't appear to be compatible with the EPA's mode of operation.

I wonder if we can get Manistique listed as an "endangered species"? (On second thought, maybe we shouldn't try - the EPA's prescription for our protection might be worse than becoming extinct!)

James C. Malloy

Ferndale, MI 48220

Dear Editor:
Ref: The Manistique Pioneer-Tribune April 16, 1992 and Oct. 21, 1993

RUMOR, CONJECTURE and MISINFORMATION, these words struck a chord. So I went back to the referenced 1992 issue page 4A "DDA Plans" and I quote "The Downtown Development Authority introduced a design concept for the Waterfront Pathway project which could indeed give the City of Manistique one of the finest waterfront developments in the Upper Peninsula. The plan details a manner in which the city owned property between the Manistique Marina and the old tennis courts could be utilized by the entire population of the Manistique area, while still attracting tourism and new business to Manistique."

These are stated goals for an excellent plan. I applauded. Also in p. 4A "Concept Development Plan" 30 housing units drawn on the map between the Cedar Wetland and Sand Dunes. The whole concept plan is more or less self-explained except for the most prominent feature which is hardly mentioned except as follows: p. 4A "DDA gets report on 'waterway' again." I quote, "The Riverwalk Project of the City of Manistique Downtown Development Authority could include a picnic area, riverside boat mooring, a swimming area, commercial restaurant and a small

housing or condominium complex under a design concept plan submitted at the regular DDA meeting Tuesday afternoon at City Hall."

When the girls were not attending the convention they were trading "swaps" (Patches, souvenirs) with Girl Scouts from all parts of the U.S.A.; viewing exhibits by over 200 companies (including Nestle Girl Scout cookies) and national and international youth organizations; exploring downtown Minneapolis by way of the Skyway System and viewing exhibits at the Minneapolis Sculpture Garden. A trip to the Mall of America topped off the trip!

The members of Troop #88 had been planning this trip for two years. Funding for the trip was earned in part by the girls and from generous donations from many community members and businesses. The girls will continue their community involvement and service during the coming year and will focus many of their efforts on earning the Gold Award, Girl Scouts highest honor.

Dear Editor:
My letters that I have written in the Pioneer Tribune past and present pertaining our lakefront and its future have been important to me.

Ever since the first article came out back in April of '92 concerning our lakefront, it has been necessary for me to write my letters to the DDA, City Council Members and most of all to the citizens of Manistique because our lakefront is of great value to this community.

I want the people of Manistique to know that my opinions are based on facts from articles that I have read in the paper.

I heard many rumors about the lakefront's future, which ones are true or false? I do not know.

My opinions are not of insufficient proof, rumors and I do not give wrong information to the people.

Our lakefront to me is like an endangered species, once destroyed, it is lost forever.

The lakefront is so unique and is Manistique's biggest asset. I would hate to see it wrecked by condos and such.

What is lake frontage? If the parcel of land that the City Council is considering of putting up for a bid, does not include any lake frontage.

Well, I consider any property that is on the other side of the highway and close to the water is lake frontage to me.

This land is so important, that selling it should not just be made up for by the City Council Members only.

The citizens of Manistique should be notified. This is our community too, we have as much say in it as the Council Members do.

And yes, we the people voted for the Council Members to make good decisions for us, and we also can recall them too.

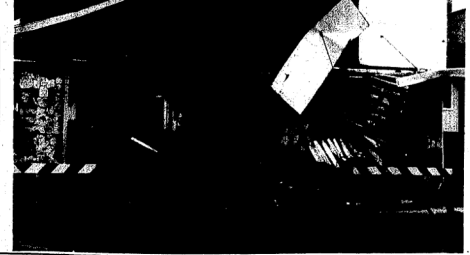

Save the Lakefront

Skate-A-Thon will benefit Foster Grandparents

Pledge envelopes for the 9th Foster Grandparent Skate-A-Thon will be at area school offices Monday, October 25. This fund raiser will be held Saturday, Nov. 13 at the Escanaba Skat'n' Station beginning at noon and running until 4 p.m.

To be eligible for prizes one does not need to be present for the day of the event.

Pledges collected need to be present for the day of the event.

Pledges collected need to be turned in to the school's Foster Grandparents by Friday, Nov. 12.

Everyone participating will receive a prize; persons not present will have their surprises delivered to them at their respective schools.

Top awards will be presented to those who have the most money collected; 1st place, \$100; 2nd place, \$75; 3rd place, \$100 savings bond, 4th, \$50.

Participants collecting \$30 or more will receive a sports shirt badge.

Downstate Differences

by Robert Kirkbride

Sugar-beetlers like me who are from below the bridge have a different way of viewing things. Not better, not worse, just different.

In this column, I will try to explain some of the differences and why they exist.

This is the first winner of our contest, so keep sending in those Downstate Differences.

This really sums up the feeling of community I have found in the UP. It comes to us from Linda (Schubring) Hoffman of our contest, so keep sending in those Downstate Differences.

One of the biggest downstate differences is what we in the UP consider home. We all have a dwelling, whether it be a house, an apartment, or a room. This in the narrowest sense of the word, is home. We also have some type of municipality or township which we consider our "home" town. But in the very broadest sense of the term, the UP is our home.

Considering that many of us live 5, 10, 15, or even 20 miles away from our hometown, our concept of home is not defined in distance. Try that kind of distance in the greater Detroit area. That could put you in Farmington Hills, Grosse Pointe, or Pontiac. Each of them are cities of their own.

Another factor in this belief is that nearly all of us have a relative, a close friend, or the relative of a close friend living in or near every town or village in the Upper Peninsula. This can be a great sense of comfort if you have a problem or car trouble. But try to kick

you shoo off and get a little wild and crazy and you'll see just how far away home is. Before you get back to town, everyone knows where you were, what you've done, and who you were with.

And yet the single most notable proof that we view the whole UP as our home is that feeling when you cross the mighty Mackinac Bridge. Anyone who has ever traveled downstate, whether you're from Manistique, Escanaba, or even Ironwood, feels the same way. An almost spiritual sense of peace and well being passes over you as you cross this man-made link from the lower part of the state to the upper. As you pay your toll, with yet another 88 miles or more of highway ahead of you, you have entered a whole other world.

You are at home. ****

I've read a lot of comments on my column and have had many people give me ideas on downstate differences. Now it's your turn. Write me and tell me an experience you have had downstate the readers of this column might enjoy. Be sure to include your name, address and telephone number. Send your downstate difference to: Downstate Differences, c/o the Manistique Pioneer-Tribune, 212 Walnut Street, Manistique, MI 49824.

The best Downstate Differences will win dinner for two at the Ramada Inn!

Girl Scouts, continued

Continued from Page 1A

Reports were presented by various officers in GSUSA including national president B. LaRae Crullian and national executive director Mary Rose Main.

The highlight of the convention was the keynote address given by the Honorable Janet Reno, Attorney General of the United States of America.

When the girls were not attending the convention they were trading "swaps" (Patches, souvenirs) with Girl Scouts from all parts of the U.S.A.; viewing exhibits by over 200 companies (including Nestle Girl Scout cookies) and national and international youth organizations; exploring downtown Minneapolis by way of the Skyway System and viewing exhibits at the Minneapolis Sculpture Garden. A trip to the Mall of America topped off the trip!

The members of Troop #88 had been planning this trip for two years. Funding for the trip was earned in part by the girls and from generous donations from many community members and businesses. The girls will continue their community involvement and service during the coming year and will focus many of their efforts on earning the Gold Award, Girl Scouts highest honor.

† Obituaries

Otto "Bill" Christensen

Manistique resident, Otto "Bill" Christensen, 75, died November 2, 1993 at the Schoolcraft Memorial Hospital. He was born on May 5, 1918 in Manistique, son of Otto and Edith (Bower) Christensen. He spent the greater part of his life in Manistique and the Escanaba area.

He went to Manistique area schools and was a member of the Zion Lutheran Church. He was employed in the Maintenance Department at Harnischfeger Corporation in Escanaba.

He married the former Anna Mae Marks in Manistique on May 26, 1940. She preceded him in death on January 9, 1967. He then married Marjorie E. Summers in Manistique on October 21, 1967.

He is survived by his wife Marjorie; one son, Harry (Beverly) Christensen of Mukwonago, WI; two daughters, Shirley (Sherwood) Hoholik of Escanaba, Gloria (Thomas) Halvorsen of Manistique; three step-daughters Sharon (Dan) Stout and Robin Shepard both of Kokomo, IN, Pamela (Richard) Williams of Logansport, IN; one sister, Muriel Farr of Michigan Center, MI; 14 grandchildren; 14 great-grandchildren; several nieces and nephews.

He was preceded in death by two brothers, Roger and Wayland Christensen.

Visitation will be at the Messier-Broullier Funeral Home from 4 p.m. to 8 p.m. Thursday Nov. 4.

The funeral will be Friday, Nov. 5 at the Messier-Broullier Funeral Home with Reverend Ingmar L. Levin officiating.

Burial will be at the Fairview Cemetery.

Panida cont. IA

Continued from Page 1A of the meeting.

Ray Ahonen of Ironwood will own the building that will be rented to the Panida store.

Council member Mike Dougovio said the store will help Manistique and the surrounding area.

"It will affect some downtown businesses, but it will be helpful for Schoolcraft County and the surrounding areas," he said.

"Businesses will have to readjust, but it should help downtown business by bringing in more people to the area."

The 40,000 square foot merchandise retail store is similar to stores such as K-Mart and Shogko.

Panida currently has a store in Ishpeming on US-41.

Dougovio made the motion to change the zoning and was seconded by Council member Don Haling.

Happy 50th Birthday

Sealed bids will be accepted immediately and until 4:00 p.m. on Tuesday, November 9, 1993, for the purchase of the tract index and the records of the Schoolcraft County Abstract Department. The tract index is not complete but the documents to finish the tract up to January first of 1993 are included in the sale.

All bids shall be submitted to the Office of the Clerk of the Schoolcraft County Board of Commissioners at the following address:

Commissioner Keith P. Aldrich Personnel Committee Schoolcraft County Courthouse Room 164, First Floor, East Wing 300 Walnut Street Manistique, MI 49854

All bids shall be submitted in sealed envelopes, and plainly marked "ABSTRACT BID" on the outside of the envelope.

The Schoolcraft County Board of Commissioners reserves the right to reject any or all bids, to waive informalities, and to accept any bid deemed by the Board to be in the best interests of Schoolcraft County.

Sigrid I. Hothberg, Clerk Schoolcraft County Board of Commissioners

22c2

REQUEST FOR BIDS FOR REMOVAL OF STORAGE TANKS AT THE SCHOOLCRAFT COUNTY AIRPORT

A) The Schoolcraft County Board of Commissioners hereby requests bids for the complete removal of two (2) underground storage tanks, including all fittings and related parts all now located on Schoolcraft County Airport property in Schoolcraft County, Michigan;

B) It is the bidder's responsibility to sufficiently familiarize itself with the tanks in question at the site in question in order to submit an informed bid;

C) General information/requirements concerning the two (2) storage tanks are as follows:

1) One (1) tank has 1,000 gallon volume;

2) One (1) tank has 2,000 gallon volume;

3) The successful bidder understands that at the time of removal, Schoolcraft County will have sampled and analyzed the ground around and/or under the tanks consistent with state law;

4) The successful bidder must at all times comply with all state and federal laws, rules, and orders related to the removal of underground storage tanks and the disposal thereof;

5) The successful bidder must remove the two (2) storage tanks, and fittings and related parts, and must take soil samples in containers supplied by the County;

6) The successful bidder must remove such tanks from the ground and shall complete the job, including fill work, not later than the 22 day of November, 1993;

7) The successful bidder shall fill the holes left by the removal of the two (2) underground tanks with sand of other similar or suitable fill and compact the fill such that it will provide support equal to that of the ground around and adjacent to the holes left by the removal of the storage tanks;

8) The Schoolcraft County Board of Commissioners considers this request for bids a request for offers and not an offer, and reserves the right to reject any and all bids, and to select the bid which in its judgment shall best serve Schoolcraft County;

9) Any and all bids must be received at the Schoolcraft County Clerk's office not later than 3:00 p.m. on November 15, 1993, and shall be enclosed in a sealed envelope addressed to the Schoolcraft County Board of Commissioners, County Building, Manistique, MI 49854, entitled "Airport Underground Storage Tank Removal Bid."

10) Any bids received will be opened in public on November 18, 1993, at a public meeting of the Schoolcraft County Board of Commissioners.

A Salute to Veterans Everywhere

Veterans Day 1993

I was that which others did not want to be.
I went where others feared to go, and did
what others failed to do.
I asked nothing from those who gave nothing,
and reluctantly accepted the thought of
eternal loneliness. . .should I fail.
I have seen the face of terror; felt the stinging
cold of fear; and enjoyed the sweet taste
of a moment's love.
I have cried, pained, and hoped. . .but most of
all,
I have lived times others would say were
best forgotten.
At least someday I will be able to say that I
was proud of what I was.

Winning jayvees post final victory

by Andrew Mason

The Junior Varsity Football Team won their final game of the 1993 season over the Newberry Indians. The final score of the game was 26 to 12.

In the first quarter the Indians scored on their opening drive. They failed on their two point conversion.

Later in the quarter the Emeralds came back with a 41 yard touchdown run by Jason Blowers. The Emeralds also failed on the two point conversion attempt.

The end of the quarter came out with a six to six tie.

In the second quarter Blowers ran an 80 yard run to put the Emeralds ahead. Blowers also made the two point conversion.

Later in the quarter Adam Fuson had an interception. The Emeralds punted the ball to the Indians after they were unable to capitalize on Fuson's interception. The next play Adam Fuson struck again with another interception.

This time the Emeralds came through with a one yard quarterback sneak from Jon Ylunen for another six points. The Emeralds failed the two point conversion.

Newberry then came back with a touchdown. The Indians failed the two point conversion.

At halftime the Emeralds went into the locker room with a 20 to 12 lead.

In the third quarter Blowers ran for a seven yard touchdown. They

failed the two point conversion. Later in the quarter Adam Fuson got his hat trick with his third interception of the game.

The third quarter came to a close with the Emeralds in the lead 26 to 12.

In the fourth quarter there was no scoring.

Coach Peters said, "We played our best to overcome a lot of adversity."

Blowers had 298 yards rushing, 14.4 yards per carry, 20 points, and 15 tackles.

Nick Snyder had 38 yards rushing, 4.5 yards per carry, and 14 tackles.

Ylunen had a one yard rush for six points.

Fuson had a great game with 20 tackles and three interceptions.

Tim Sholander also had a great game with 20 tackles.

Andy Ozanich had 15 tackles for the Emeralds.

Steve Hinton had 13 tackles for the Emeralds defense.

Corey Malloch and Brandon Winsor each had 11 tackles to contribute to the Emeralds defense.

Coach Pratt said, "We played well and came through with another win."

The Emeralds defense played a great game holding the Indians to 12 points on the first half and scoreless in the second half.

The Emeralds ended their season with an 8 and 1 record.

They also tied Westwood for the Mid Peninsula Conference Title.

Renee LaFlour dives for a loose ball in the varsity game against Negaunee last Thursday. Manistique won the game, playing tough defense to improve their season record to 13-5.

Westwood falls to defense

The Manistique Girls Varsity Basketball Team won two games this week to improve their record to 13-5 overall and 6-4 in conference play.

Westwood was the victim of a stingy Emerald defense Tuesday as Manistique won 53-41.

Coach Bob Ryan said it was a good win for the team on the road.

"We had a strong performance offensively outside and inside and that was the key to the victory," he said.

Renee Kennedy and Allison Malloch were the leaders for the Emeralds.

Kennedy led Manistique from the outside with 23 points earning on five 2-point field goals, three 3-pointers and four of four from the free throw line.

Malloch provided the strong inside game with 17 points coming on six field goals and five of nine from the free throw line.

Westwood came out inspired in the first quarter and jumped to a 13-10 lead.

Manistique outscored Westwood in the second quarter 14-10 and took a one point margin into the half leading 24-23.

Manistique used a solid effort offensively and defensively in the third quarter to outscore Westwood 16-12 and lead 35-30 going into the fourth.

The Emerald defense did the job down the stretch limiting Westwood to just six fourth quarter points.

Manistique played under control and with 13 fourth quarter points, were able to slowly build on the lead and win the game 53-41.

Sue Fleck scored six points to help the Emeralds along with Sarah Bourde with three, and Robin Demers and Renee LaFlour with two each.

Demers, Fleck and LaFlour also had six rebounds each and Ryan combined for 15 steals to seal the Emerald victory.

"We expected a tough game from Westwood," Ryan said, "but we played a good, solid game and earned the victory."

Manistique shot 39 percent from the field while Westwood could muster just 34 percent.

Manistique also won the battle from the charity stripe hitting 67 percent to Westwood's 42 percent.

The Emeralds also dominated the boards grabbing 41 to Westwood's 24.

On Thursday, Manistique defeated Negaunee 45-35 at home.

"We had to hold off a determined Negaunee Miner team last Thursday," Ryan said. "They played us well, especially in the first half."

"We came out and had another good third quarter and finally built up a good lead and went on to our twelfth win."

In the first quarter, the Emeralds got six points from Fleck, four from Malloch and a 3-pointer from Kennedy to build up a 14-10 lead.

Negaunee stayed close in the second quarter as they held Manistique to 10 points while scoring nine to trail at the half 24-19.

"We've been averaging 16 points in the third quarter this year and our opponents have been averaging just nine," said Ryan, "and we kept that going against Negaunee as we outscored them 15-6 to take a 39-25 lead into the fourth."

LaFlour sparked Manistique in the third with seven points.

Manistique went out and got the first four points of the fourth from Malloch and lead 43-25.

Negaunee was able to cut the lead down to the final score of 45-35.

The Emeralds had a balanced scoring attack in the game. Malloch scored 11, Kennedy 10, Fleck nine and LaFlour eight.

Manistique was 31 percent from the field to Negaunee's 23 percent.

The Emeralds hit 43 percent of their free throws while Negaunee hit 47 percent.

Manistique again won the battle underneath grabbing 46 rebounds to Negaunee's 36.

Malloch and LaFlour had a solid game rebounding with 15 and 12 respectively.

Jayvee girls split a pair

The Manistique Girls JV Basketball Team split a pair of games this week moving their record to 15-3 on the season.

Manistique suffered its third defeat of the season Tuesday with a 77-56 loss to conference champion Westwood.

Coach Mike Oas said Westwood is a very good team. "We knew we needed a good game to defeat them on their home floor," he said. "We got into immediate foul trouble with Mandy Cohen collecting three quick fouls and having to sit out a large portion of the first half. Shelly Boyd did a nice job filling in at the point guard position."

The Emeralds played hard against a very big Westwood team. Manistique went into halftime trailing by seven points, but more importantly, in serious foul trouble.

"We felt we still had a very good chance to win," said Oas. "During the third period, Manistique closed to within four points and things were going the Emeralds way."

Manistique lost their two leading rebounders, Courtney McGuire and Michelle Mickelson to fouls.

Westwood then started controlling the boards and the game.

The fourth quarter was mostly Westwood. Manistique's fouls kept them at the line and they capitalized on it scoring 14 points on free throws.

"Alesha Ackley played her heart out," said Oas, "scoring the game high 23 points and did an excellent job on defense."

Cohen and McGuire had good games, with Cohen scoring 14 points and McGuire grabbing 11 rebounds.

"I felt we got some very good play from Denise John, Boyd, and Kristen McDonough," said Oas. "Fouls killed us. We were called for 33 fouls that allowed Westwood to shoot 48 free throws making 31."

Westwood out-rebounded Manistique 55 to 41, also making 23 of 66 from the field. Manistique hit 17 of 67 field goals.

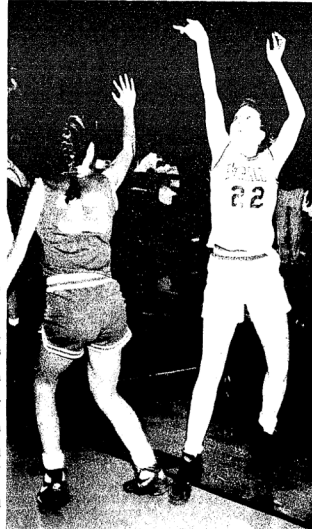

Manistique had a better game against Negaunee, defeating the Miners 58-41 last Thursday.

"The team played very good defense to keep control of the game from start to finish," Oas said. "Manistique had a 11-2 first quarter lead and a 27-13 halftime lead."

"Our aggressiveness on offense allowed us to get to the free throw line often and we finished the game shooting 23 of 31 from the free throw line," he said.

Cohen had another good game scoring 24 points, 12 of them on free throws.

Ackley also played well scoring 11 points, one of them a 3-pointer. Mickelson made a big contribu-

Kristen Wodzinski puts up a shot during last Thursday's JV victory over Negaunee. The JV team is now 15-3 on the season.

Varsity ends with win

The Manistique Varsity Football Team ended the season on a positive note, defeating Newberry 20-8.

The home game was also Parents' Night, where the team honored their parents for their support during the season.

Head Coach Todd Kangas said the team has been playing well the last few games and he is glad to get the win.

"It is a good way to end the season off and end the year," he said. "We are not pleased with our record, but football wise, the last three games, we couldn't have asked for much more."

"The effort the kids gave this year is very pleasing."

Manistique had 11 first downs on 250 yards rushing and 76 passing.

Quarterback Mike Kraatz was three for seven passing for 76 yards.

Andy Fuson led the Emerald rushing attack with 167 yards on 19 carries.

Mark Jarski grabbed one pass for 37 yards and Ben Armoock caught two for 39 yards.

The Emerald defense dominated Newberry holding them to just five first downs and 55 yards of total offense.

"Our defense played pretty solid," Kangas said. "The entire second half of the year they played well."

"We just had to put a few more points on the board."

Fuson scored two touchdowns in the game on a 63 yard run in the third and a 40 yarder in the fourth quarter.

Kraatz drove in for a score in the first quarter and Jim Colegrove scored on a two point conversion.

Honored cot.

Continued from Page 1A

An honorable mention at the quarterback position, leading the Emeralds with 59 of 122 passes completed for 886 yards, including five touchdowns and seven interceptions. Kraatz also had 49 rushes for 309 yards.

Senior Brian Larson was also given an honorable mention for his play at the offensive tackle position.

On defense, senior Scott Sholander was given an honorable mention for his strong play on the Emerald defensive line.

The Schoolcraft County VFW Post 4420 has a long history of fine Commanders. This is a list of their Commanders from 1945 to 1993. Top row (l to r) Leonard Walters, Albert Ackerman, Donald McLeary, Everett Anderson, Irvin Wilcock, Lionel Mercer, John Nessman, Dewey Milor, Maurice Cousneau, James Howland, Archie Carpenter, Junior Middaugh, Vincent Atherton, Donald Martin, Edward Jorgenson, Ralph

Deloria. Bottom row (l to r) Steve Deroshia, Gilbert Berwin, Baul Dragos, David Neville, Howard Larsen, John Lehman, Everett Wood, Carol Arcey, Harold Popow, George Danko, Bill Sheldon, Bill Bauman, Glen Pawley, Henry DeSautle, Edwin Pfaff, Percy Tuffnel and Lloyd Brown. The VFW will be celebrating Veteran's Day on Nov. 11. Thanks to all our veterans who served to make this country such a great place.

GTE change-over cont.

Continued from Page 1A focusing on the needs of GTE's customers and communities, and positioning the company to compete in a dynamic marketplace.

GTE will eliminate all of its 9,600 four-party lines in Michigan as part of the \$450 million investment. Plans call for the provision of private line service in most GTE exchanges by 1996, with a small number of upgrades in 1997. The 9,600 four-party lines represent less than two percent of GTE's total access lines in Michigan.

The company will install additional centers throughout Michigan to complete its digital network by 1999. In addition, Foster said GTE will bring broadband services to several

communities starting next year, making possible innovations like video distance learning for schools and remote high-definition medical imaging for health care institutions. Locations targeted for broadband services in 1994 will be announced in coming months.

"We're making a commitment to provide the highest possible value of service to our customers," Foster said. "A fully digital network will transfer fax and other data faster and also offer a number of other advanced services. In addition, the company will offer Express Dialtone in many areas, which allows customers to have immediate phone service when they move to a new residence."

"GTE is creating a technology platform that will help communities attract new business,

support education, provide cost-effective health care and enhance overall quality of life," Foster said. "At the same time, we're reshaping GTE to be competitive - so we are in a position to provide our communities with the communications network they'll need to prosper. We believe this is the most important contribution we can make to any community."

Foster said GTE has an equal focus on the "people" side of service - so much so that the company backs its installation and repair commitments with guarantees to both business and residence customers.

GTE serves some 590,000 customers in 191 Michigan exchanges. Major service areas include Muskegon, Alma, Three Rivers, Mount Pleasant, Adrian, Davison and Alpena.

Fish Report

By Sgt. John Walker (Ret.)

Well, the cold weather is sure here and as you go north you can even find a little snow on the ground. I only hope that this is not one of those years where we have snowy cold weather up to deer season then we have summer weather for two weeks.

Did you stop by the auto parts store and talk to the movie star? It's funny, but I warned him that it is a whole different world when they turn that TV camera on in front of you, but he did a pretty good job and that buck he got was a beauty.

The waterfowl season is now history, but it appeared to be an above average one. The goose hunting was pretty good, and there were a good number of ducks, but not the flights of mallards yet.

I am still waiting to see my first par for the year. I have to take this time to bring you up to date on the adventure with my book. It has been just over a month since I started going around asking people to help me get it on the market. It is unbelievable how things have worked out. Shortly after the book was

out, Buck LeVasseur who has the outdoor show on TV-6 called me and put the information about my book out across the U.P. don't think that anybody watches his program, because I have proof they do, by all the people I meet and talked to the rest of the month. In fact I'm not too sure the U.P. does not come to a stop at 7:00 Monday night to watch Buck.

Then I was on a talk show out of Escanaba, plus spent time with a DJ who had read the book during his program. All the small town newspapers have really gone on of their way to help me out. There is not anyway I can ever thank all these people, plus all the business people who took a chance and put the book in their business for me. I was told this by a party who runs the Cross cut Cafe west of Marquette (out in the middle of no-where), "I don't know what you are going for, but it's been great for both of us. Usually after the color season until deer season it is usually slow for me, but I have had so many people come by for your book it made up for it." I have dropped five dozen off at his place in two weeks. He took a chance on a guy he had not known and it sure has been great for both of us.

Then last week B. Dalton Book Stores wanted to buy some to put in all their stores in the U.P. and Wisconsin. I could not sell to them because I do not have a publisher. They wanted the book bad enough that they were willing to work something out. They ended up buying 250 copies from White Pine Press, which is our local paper. The book has caught on so good that I now have people calling me to handle it and I cannot get everywhere I need to go. I have gone into book stores in Iron Mountain and another in Kingsford and people were in the store looking for the book when I went in. It sure helps when you are going to ask them to carry the book for you.

My dream and highest hope was to sell 500 copies by the end of October. With the Good Lord's help, in my travels I sold over 2,000 books the first month it was out. There is no doubt in my mind if I could have had a way to let people throughout the U.P. and Northern Wisconsin know where to find my book after they heard about it I would have out the first printing already. This, be-

side the fact that I had no idea with a dream some help when what I was doing, but there were dozens and dozens of people out there willing to give a U.P. boy who

The kids at St. Francis de Sales carved pumpkins to celebrate Halloween. Pumpkin carving was one of the many activities celebrated in town for the holiday.

LaCrosse Ice-King
There's never been a warmer, more comfortable pac boot than the triple-insulated Ice-King. It features a double-insulated outer boot plus a thick foam and felt liner.

Rated for -100° below Zero

The LaCrosse Iceman™ Is Here!

LaCrosse Iceman
• Double-insulated so cold can't penetrate
• Polymeric foam plus 1/2" felt midsole surround feet
• All rubber bottoms won't leave a scent like leather boots do
• All rubber bottoms are 100% waterproof
• Super-warm 9mm wool felt liner is removable and replaceable
• Comfortable, warm and lightweight for easy walking

LaCrosse Iceland

100% waterproof - top to bottom

LaCrosse Iceland
Very lightweight, yet double insulated for cold weather use. Removable 6mm Thinsulate™ wool felt/Cambrelle liner provides superior warmth. Air-Grip™ fiber sole for traction. Soft leather contour for comfortable walking.

The LaCrosse Burly

LaCrosse Burly
A 16" pull-on boot for extra support and protection. Fits tight around the ankle so it won't pull off in the mud. Polymeric foam insulation for warmth and comfort. Tank tested 100% waterproof. All rubber construction means the Burly won't leave a scent for deer like leather boot bottoms.

Northern Inwood

Taken from Cooks Centennial Year Book (as related to Lois Middaugh)

According to the tax roll books of 1891, most of the land in the Northern part of Inwood Township was owned by big lumber companies. Some of them were the Delta Lumber Co., Chicago Lumber Co., Weston Lumber, Peninsula Lumber Co., and Van Winkle and Montague. After the best of the stumpage was cleared, much of the land went back to the Federal government for back taxes. Homesteads and settlers followed the lumber era.

Gradually people began to buy land for themselves or they homesteaded it. Those who did had their work cut out fields to clear of stumpage and roads to build. Time took it's toll of many early residents. But, the desire to own land and enjoy nature, away from the rush of city life led them to settle up north. There are quite a number of families who live year-around, especially in Sturgeon and Weimere. Some of them live at the larger lakes where the roads are county-controlled and are plowed in the winter. The Camel Riders Resort, Forest Glen Resort, Pasco's Cabins and

Memories

Fishing resulted in trophies at the Great North Woods Club.

Grocery, and Grays Thunder Lake Store, are several examples. Telephone service in Upper Inwood is supplied by Munising.

The electrical power is supplied by Alger Electric from out of Gladstone.

The ambulance and fire department of the Cooks Volunteers takes care of the area.

The Northwoods Resort The Northwoods Resort was located between the shores of the Murphy Lakes, in the Steuben Lake Region in the heart of the Hiawatha National Forest. There were many beautiful lakes and streams, choice fishing and hunting grounds, scenic trails and roads through forest solitude.

A hotel with 52 rooms which were spacious and comfortable. It had a large glassed in dining room with a view of the lake. A parlor was provided for just relaxing or for visiting with some of the residents of the hotel. The cabins and cottages were located near the lake, and were equipped to accommodate from four to a eight persons each.

There were a number of persons employed there; kitchen help, dining room waitresses, maids, and grounds keepers.

In November of 1948 a fire broke out while hunters were enjoying a banquet in the main dining room. At the time the lodge was filled to capacity for the upcoming deer hunting season, few of the hunters were able to save their possessions, and there were no injuries.

Betty and Lew Cleminson were the owners of the Northwoods Resort. They have a comfortable home there now in a very quiet atmosphere.

If Jim Kenyon, Manistique, will stop at the Pioneer-Tribune office he will receive a free theatre ticket for Cinema 1.

Members of the Manistique High School Class of 1953 held their 40th reunion at the Ramada Inn. Attending were top row (l-r) Tom Stample, Jack Quinn, Bill Morden, Paul Hinkson, Warren "Whitley" Wilton, Ted Carley, John Lewis, Roberta Nelson Smith, Gordon Moore, Bob McNamara, Bill Tufnell; third row (l-r) Dave Lasich, Donna MacGregor Morden, Betty Fagan Tuttle, Loretta Russell Norbotten, Helen Fibernitz McKenzie, Jeanne Knuth Selling, Charlene Eck Nelson, Elizabeth Nylander Macklein, Morris Powers,

Bob Smith, Dorothy Selling Johnson, Barbara Dyvebic Gould; second row (l-r) Carol Johnson Daignault, Walter Welch, Carlene Winter Bare, Ellen Heideman Couch, Virginia Decker Lytle, Doris Johnson Favreau, Jackie Archambeau, Joanne Minor Schurrer, Sisco Halkala, Dawn Mattin LaCroix; first row (l-r) Gail Norton LaCroix, Earl Johnson, Jean Charron LaBrasseur, Fran DeCelle, Adolor LaCroix, Carol Davis Lake, Bob White, Loren Winsor.

Santa Claus is coming

by Diane Hentschell

Santa Claus will be coming to town on Dec. 6 at 9 a.m. Santa will see children under 12 years of age at the Lakeside School until 12 noon. Please note the change of location for the 1993 Santa arrival.

Children are invited to prepare their lists early and meet with Santa, Mrs. Claus and all the elves. Gifts and candy will be given to all the children making their annual visit to Santa. Generous donations have come in from Business and Industry and public spirited individuals. There will be no fund drive conducted in 1993.

If Elizabeth Young, Manistique, will stop at the Pioneer-Tribune office she will receive a free theatre ticket for Cinema 1.

If Eleanor DeSautel/Gulliver, will stop at the Pioneer-Tribune office she will receive a free theatre ticket for Cinema 1.

Senior Citizens
by Diane McClelland

by Connie Frenette

This week's column will be rather short, as most of you know that I am trying to run the Center on my own, until they hire the new director.

For all of you who have been asking-yes, I have applied for the position, and I hope you keep me in your prayers.

If you are willing to volunteer at the Center (answering telephones, typing, etc.) please let me know. Even an hour at a time would be greatly appreciated.

Diane has left me her new address for those of you who would like it. It is: Diane McClelland, Riverview Resort & Country Club, 2000 E. Ramar Road, Lot 234, Bullhead City, AZ 86442.

Senior meals

THURSDAY, NOV. 4: Tator Tot Casserole, Carrots, Coleslaw, Roll, Fruited Gelatin, Milk.

FRIDAY, NOV. 5: Oven Fried Chicken, Mashed Potatoes, Mixed Vegetables, Bread, Peaches, Milk.

MONDAY, NOV. 8: Swiss Steak, Whipped Potatoes, Peas, Bread, Apricots, Milk.

TUESDAY, NOV. 9: Chop Suey, Egg Roll, Cranial Salad, Bread, Fortune Cookie, Milk.

WEDNESDAY, NOV. 10: Meatballs, Mashed Potatoes, Broccoli, Bread, Fruit Crisp, Milk.

Senior meals

THURSDAY, NOV. 4: Tator Tot Casserole, Carrots, Coleslaw, Roll, Fruited Gelatin, Milk.

FRIDAY, NOV. 5: Oven Fried Chicken, Mashed Potatoes, Mixed Vegetables, Bread, Peaches, Milk.

MONDAY, NOV. 8: Swiss Steak, Whipped Potatoes, Peas, Bread, Apricots, Milk.

TUESDAY, NOV. 9: Chop Suey, Egg Roll, Cranial Salad, Bread, Fortune Cookie, Milk.

WEDNESDAY, NOV. 10: Meatballs, Mashed Potatoes, Broccoli, Bread, Fruit Crisp, Milk.

Just a reminder that the Center will be closed Thursday, Nov. 11, to observe Veteran's Day. The Noon Meal will also be cancelled. Memorials were given to the Center in the name of Palma Martin by Helen Neal, Paul and Natalie Olson and Leroy and Estella Oberg; in the name of Mabel Moreau by Carl and Phyllis Carlson and in the name of Rudy Ewanchik by Russell and Honey Brunet.

Maintenance and support donations were received from Harold Saltzman and Lloyd Carothers. Carlton and Verice Hollister gave a postage donation to help supplement the cost of the monthly "Timepiece" newsletter.

Holiday helpers gave a beautiful fall balloon centerpiece to the Center for Halloween.

Camilla Haind gave a yarn donation and Vern and Fran Bernard gave a donation of cones to be used for crafts.

We wish to thank each of you for being so kind and generous towards the Center.

Monday, Oct. 25, high scored in bridge went to: Noreen McLaughlin, Luella Lambert, Bev Jahn, Barb Skalla, Judy Rodgers and Jean Mickelson. Mary Rozich placed low.

Barb Skalla was the hostess, serving Homemade Rolls with Butter and Grape and Raspberry Jam.

Friday, Oct. 29, high scores

If your phone no. is 341-2032 claim your dinner for 2 at the Ramada Inn by stopping at the Pioneer-Tribune by 11/11/93

Barb Skalla was the hostess, serving Homemade Rolls with Butter and Grape and Raspberry Jam.

Friday, Oct. 29, high scores

were taken by Dona Nelson, Dorothy Whitelaw, Eric Webb, Jane Leonard, Dorothy Kerr, Norma Archambeault, Ann Wilkcock, Catherine Cooper and Ruth Morang. Freda Smith placed low.

Elma Bowersox and Eric Webb were the hostesses. They served Cheese and Crackers, Black Magic Cupcakes and Halloween Candy.

Monday, Nov. high scores were taken by Ann Wilkcock, Eric Webb, Helen Barton, Peg McNab, Ruth Morang and Jane Leonard. CFC contributor was Honey Brunet.

Mary Rozich was the hostess, serving Zucchini Bread and

Chubby Bread with Cream Cheese and Chocolate Chip Cookies.

First place in cribbage on Thursday, Oct. 28, went to Marie Crocker with a score of 611. Robert Hewitt placed second with a total of 575 points.

Birthday greetings go out to: John Povin, Nov. 5; Frances M. Miller, Nov. 6; Bernice Anderson, Nov. 7; LaVerle "Sit" Larson, Nov. 9; Lucy Swanson, Nov. 11.

Happy Birthday!

NOTICE

The Schoolcraft County Friend of the Court, Robert A. Seid, Jr., would like the public to know that the Child Support Enforcement System (new statewide computer system) has been installed in the Friend of the Court office in Schoolcraft County and the staff has received two weeks of the 5 week training required. Said asks that clients not call the office to inquire about checks received or processed during this training time. Because of this intensive training, clients will experience processing delays to their inquiries and correspondence. Seid and staff want to thank all clients for their understanding and patience during this transition period.
